Nico: This is a really interesting town.

Laney: Yeah it sure is.

Me: Lets keep our eyes out for any of those Cavendish varmints.

I looked around and then saw one.

KABANG!

I fired a shot and I hit a Cavendish man in the head and killed him!

Me: (Clint Eastwood Voice) Cavendish doesn't know there's a new sheriff in these parts.

I puffed a peppermint stick and blew a phoenix out.

Nico: Nice shot J.D.

Me: Thanks pardner.

We then saw The Lone Ranger and got off our Rapidash.

Nico: Howdy there.

Lone Ranger: Howdy there.

Black Adam: Are you the Lone Ranger?

Lone Ranger: That is me. John Reid the Lone Ranger.

Me: Pleasure to meet y'all. Name's Knudson. (Puffs peppermint smoke) James Dean Knudson.

Lone Ranger: Pleasure to meet ya. Nice shooting there on that Cavendish.

Me: Thank y'all kindly. Varmints like them are not welcome in these parts.

Lync: Are you familiar with Earl Bascom?

Me: Ah the good old father of the Modern Rodeo.

Sandy Cheeks: Yeah he was a great guy.

Lone Ranger: That he was. But yes I am familiar with him.

Me: That is good. We actually came here to help y'all kill Butch Cavendish and his men.

Lone Ranger: Thank ya kindly for that.

KABANG!

A shot hit a Cavendish man behind the Lone Ranger. It killed him instantly.

Me: Sorry about that. He was trying to blow you up with a bomb.

Nico: Nice save.

Rich Texan: I just want to say that I'm a big fan of yours!

Eli: He watched you all the time on TV back when he was a kid.

Nico: You have been a very popular since the late 1940's to mid 1950's.

Me: And my pa loved watching y'all back in his young days.

Nico: That's true.

Lone Ranger: I'm honored.

KRABANG!

I blasted another of Cavendish's men in his chest and killed him.

Me: Cavendish's men are all over the place like a bunch of a cockroaches in a horse stable.

Eli: Yeah they sure are bro.

Lone Ranger: You have a great shot though J.D.

Me: (Blows Smoke) Just doing what I can with what I got.

Octane: Okay, is there any place we can talk freely without being attacked?!

Lone Ranger: Lets head to the Saloon.

We went to the Saloon and we got to having some drinks and no beer or whiskey.

Selene: Much better.

Me: Yes it is.

I pulled out a deck of playing cards and me and the Lone Ranger got to playing some poker.

Me: (Clears throat) (Normal voice) John you have our sincerest of condolences for what happened to your brother. What Butch Cavendish did was horrible.

Lone Ranger: I appreciate that J.D.

Nico: What he did to you was horrible.

Laney: Yeah. (Drinks Root Beer) No kidding there.

Lone Ranger: It was.

He showed his hand and it was a Full House.

Lone Ranger: Full house. Top that.

Me: (Cowboy Talk) Good play. But top this.

I had a Royal Flush of Spades.

Wildrider: Does Cavendish have any high ranking goons or just these morons?

Lone Ranger: Just these morons. He has gunmen and bomb throwing men.

Me: Then we'll be ready for them.

Lana: Yeah. We'll send that monster to Boot Hill.

Nico: Yep. But before we go after him we need to know more about him.

Lone Ranger: I'll be happy to tell you all about him.

He did so.

Butch Cavendish is the central antagonist of the 2013 Disney film The Lone Ranger, based on the radio show character of the same name.

He is ruthless and notorious outlaw infamous for his cannibalistic tendencies. In the past, Cavendish allied himself with Latham Cole and massacred a Comanche tribe after they helped them to find silver. He is the archenemy of John Reid/The Lone Ranger and Tonto.

He was portrayed by William Fichtner, who also played Roger van Zant in Heat, the Bank Manager in The Dark Knight, The Accountant in Drive Angry and Eric Sacks in the 2014 TMNT film.

Butch Cavendish was the right-hand man of Latham Cole, and he was responsible for the death of John's brother Dan Reid. Butch and his men kill all the Texas Rangers, and Butch personally killed Dan. He cuts Dan open and devours his heart. When John saw this, he vowed to take Butch to justice. Butch and Latham were also responsible for the extermination of Tonto's people, and Butch cut Red's right leg and most likely ate it.

Early in the film, he is being transported by train back to town, supposedly so he can be hanged. However, using a gun hidden on the train, he kills his guards and almost kills Tonto (who is also on the train, purely to kill Cavendish). Hearing the commotion, John Reid breaks his way in. But Cavendish holds him at gunpoint. Tonto, however, grabs another gun and holds it up against his head, planning to kill him for what he did to Tonto's village. But John stops him so that he can be tried in a court of law. He then chains him back up, before emptying the gun, declaring there's no place for firearms where this train is headed. When asked where that is by Butch, he replies, "the Future." At that moment, however, Cavendish's gang break in and free him. Cavendish has John chained up and left him on the train, which his men had set to crash. Before escaping with his men. Following staging several Commanche attacks, he kidnaps Rebecca and Danny (The Long Rangers brother's wife and son). It is here at his camp he first hears the stories of a mystical "ranger" who killed two of his men with one bullet from one his men, Frank, who encountered John and Tonto.

Although his gang is scared, Butch dismisses the stories of Dan Reid's ghost returning to get him and orders one of his men to shoot Rebecca and Danny. Sympathizing with them, the man fakes it and tells them to run. Only for them to be found by Cole. Later at the mine, he forces the workers to work mining all the Silver. When told there afraid and there has been a cave-in, he simply shoots the man who was complaining and tells them to get back to work. He also savagely beats one of his own men down when he suggests they simply take all the Silver they have and leave pointing out there already rich, declaring he "wants it all." However, following suspicious goings-on, he sends one of his men into the mine. When he doesn't come back he sends two more, they don't come back, but a mine car does. Suspicious he and his men shoot at it before investigating and discovering it too contains lit dynamite. The explosion killed his men and disabled him. Captured by the Lone Ranger and Tonto, he mocks the Ranger declaring he's as alive as he is and no different from him, just another "man wearing a mask."

Angrily The Ranger beats him with his gun for what he did to his brother. Tonto tries to kill him, but still wanting him to face justice, not vengeance and disillusioned from Tonto's stories, the Ranger takes him away. Leading him through the desert, his hands tied and pulled by the Rangers horse. Eventually, the Ranger finds Cole and gives Butch over to him so he can be tried in accordance with the law and have justice. However, as Butch was secretly working for Cole, Cole lets him loose later. Where he recaptures Rebecca when she escapes, then in a several way gun confrontation, he recaptures the Ranger.

However, following a real Commanche attack and Tonto breaking in to save The Ranger, they are forced to leave. Wising up to the fact that they're both challenging to kill, Butch throws kerosene and lit dynamite down the passageway after them, deciding that should kill them, before leaving. Unaware, they managed to survive the explosion. At Cole's hostile take over of the Railroad cooperation, Cavendish grabs Rebecca and takes her to the board meeting, and helps Cole hold the other shareholders at gunpoint, so they are forced to appoint him the new chairman (Cole having already shot the previous on in the back). However, at that point, Tonto steals the train carrying the Silver. Cole and Cavendish chase after in another train, while the Ranger on Silvers back chases after them across the top of the train.

By the end of the film, he and The Lone Ranger face off against each other on top of a train, Butch uses Rebecca as a human shield during the fight, before seeing a tunnel dives down holding her, assuming the Ranger would be crushed. However, he and Silver manage to jump down in time unknown to him. The Ranger later catches up. Finding he's out of bullets, Cavendish threatens to throw Rebecca off the train; the Long Ranger, however, calls his bluff, Cavendish does, but Rebecca lands on Silvers back (just as the Ranger planned). Confronting him, he asks The Ranger what he's going to do, kill him? The Ranger replies, "That's right." and tries to shoot him, only to find he is also out of bullets. Butch draws a knife; the Ranger holds up his fists ready to fight. Cavendish mocks him, asking if "he boxed in Collage" but distracted by Tonto on the other train the Ranger punches him out, before replying "for a matter of fact I did."

The two confront again, minutes later in an unattached carriage. Drawing his now loaded gun, he points it at the Ranger, Butch mocks him, echoing what he said to him earlier about how his train may be going to the future, but this "Train is going straight to hell." Only for them both to be knocked about when the car knocks against another, regain his balance the Ranger smiles looking behind Butch and tells him he believes him to be right and adds "enjoy the trip." Before using his whip to grab a tree and escape the carriage. Butch tries to shoot him; quickly, he pulls open the doorway only to see what the Ranger saw, the other unattached carriages speeding towards him too fast for him to escape, Butch is later killed when a cart collided with him.

When he was done we were shocked!

Applejack: Why that double-dealing low-down no good snake in the grass varmint!

Lola: Yeah what a monster!

Shendu: He shouldn't be too hard to kill.

Nico: Nah this guy is a ruthless outlaw and we have our own ways of dealing with these monsters.

Me: You bet your sweet candy coated tail that we do.

Fairy Leviathan: We're not going to let that monster get away with his crimes.

Kita Birmingham: No we won't.

Me: If I were to place a guess he be after the gold in them thar hills.

Nico: That would be about right.

Needlenose: Let's finish our drinks first.

We guzzled them down and they were good.

Lana: (Slurps) Ahh. (BELCH)

Nico: (BELCHES) Oh pardon me.

Angel: I'll take to the skies and look for him.

Nico: Okay.

Angel flew into the air and went to find him.

Lone Ranger: Have you guys met my friend Tonfo?

We shook our heads for no and then a crow flew in and it turned into TONFO!

Eli: Cool!

Tonfo: Hello to you all.

Nico: Tonfo it's an honor to meet you.

Angel came back.

Angel: I sure did. They are in that town in that valley over there.

Nico: Then it looks like that is where we're heading.

Lone Ranger: Time for us to make Cavendish head for the last roundup.

Nico: Yeah.

We were off to the vallet and we saw a bunch of his men.

RD Lola: We'll never get to Cavendish with these guys in the way!

Soiya!

Lillian Hale: I know that Battle Cry anywhere!

Nico: Me too!

Me: Kouta, everyone!

Lillian Hale: Let me help too.

Cornelia: Don't forget to use your Kamen Rider form Lillian.

Lillian: I won't. HENSHIN!

LOCK ON!

ZZZZIIIIIIIPPPP!

She donned her awesome Starfruit Gaim Rider form!

Nico: YEAH!

We went to find Cavendish.

We looked for him and then we saw him by a mine.

Nico: Target sighted. Time for the entrance.

We went at him.

Cavendish was infuriated that many of his men were dying. Then the spirits of the Elemental Masters of The Magical Sky appeared and then they smashed him all over and then that converged and then the spirits of the Ghost Riders In The Sky appeared and the cows of the Devil ran across the sky and the riders ran after them on horses snorting fire and then we came out.

Nico: Butch Cavendish, so we meet at last!

Butch Cavendish: And who are you?

Nico: Team Loud Phoenix Storm. Your worst nightmare!

Red Ghost: You know how many of your men went after us today?!

Butch Cavendish: How many?

Eli: We counted 72,321.

Lola: That is a really big number.

Nico: But it was all worth it.

Me: And now y'all are gonna head to the big goldmine in the inferno!

Butch Cavendish: Take your best shot.

Apeface: Gladly!

BANG!

I fired and I hit him right in his leg.

Me: That good enough?

Eli: Yeah!

Skalamander: Now, here's one of my shots!

He fired Crystal shards and they hit him in the shoulders.

Nico: Nice. Now for me.

Jacqueline LeBois: (French Accent) That's incredible.

Nico: It sure is. So, Jacqueline, did you have any memories with Lincoln?

Jacqueline LeBois: (French Accent) I do. One time, I was helping Lincoln with a project for History Class, and he wanted to create a half-scale model of Notre Dame. Luckily, I had a picture of Notre Dame with me, and we were to use that as our reference. But, then, Lori, Lynn, Lola, Lisa, and Luan bust in and they ordered Lincoln to clean their rooms or they were going to beat him to death. Lincoln said "no", and of course, it got them really mad and they were going to attack, but I fired a blast of ice at them and froze them in a block of ice. I then told Mr. and Mrs. Loud of what they tried to do to Lincoln, and they grounded them for nine weeks, and the five of them also got a very nasty case of frostbite and five of them also got colds.

Nico: Brr, now that's really cold.

Lincoln: Yep, what you heard was Jacqueline LeBois' brand of Ice Cold Justice being used on the five meanest sisters in the family. And the next day, we got an A on our project.

Lynn Sr. got the half-scale model of Notre Dame that Lincoln and Jacqueline made, and it was really awesome and detailed.

Nico: Whoa, you guys really included every last detail of Notre Dame, nice one.

Lincoln: Thanks, Nico, and we've also included the details of the Rose Window and the other Stained Glass windows on the cathedral, and we had to make sure it was exactly right.

Laney: Yeah, and I remembered seeing it as well, and it was so amazing.

FLASHBACK ENDS

Scorpion: (to the Gaim team) You guys helped too.

Kouta: We sure did.

Nico: We owe you guys big time for it.

Zzzax: We'll see you guys in August.

Kouta: We'll be waiting until then.

Me: See y'all round.

They went back to Japan.

Kitty: Now, let's celebrate at the Saloon!

We cheered.

Selene Slytherin: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Douglas Griffin.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Douglas Griffin, a dangerous warlock and another member of The Church of Necrom.

Nicholette Torrington: Douglas Griffin, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, and Nigel Tinuviel, along with killing Solar Flare, Evil Luna, and Alcina Dimitrescu.

Douglas Griffin: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Selene Slytherin: That's never going to happen, Douglas Griffin, and now, your rampage ends here and now.

Suddenly, Selene Slytherin's green eyes turned neon green and she was surrounded by a green energy aura with darkness, demons, and dark magic, she unholstered her massive Brron, Mad King of Dark World-themed sword from her back, and as she approached Douglas Griffin, she left green energy, darkness, demons, and dark magic with every step.

Selene Slytherin: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Douglas Griffin, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Selene Slytherin was surrounded by a massive vortex of green energy with darkness, dark magic, and demons surrounding it, there's Brron, Mad King of Dark World flying around the vortex, and inside the vortex is a green phoenix. Then, as the vortex faded, Selene Slytherin emerged, but she was changed forever.

Selene Slytherin grew from 6'5" to 6'11" in height, she had light green highlights in the bangs of her long flowing green hair, she has neon green eyes and a green energy aura with demons, darkness, and dark magic surrounding her, she has Brron, Mad King of Dark

World emblazoned on her forehead, she has on demon earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Brron, Mad King of Dark World with green gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Selene Slytherin has on a sleeveless green blouse, sleeveless green top with black designs, green skirt, green stockings, green knee-high high heels, and long green sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Brron, Mad King of Dark World surrounded by demons, darkness, and dark magic on the back and the Slytherin House crest on top of Brron, Mad King of Dark World. Suddenly, Selene Slytherin's massive green angel wings grew much bigger for her new body, and the large green feathers have black tips. Selene Slytherin has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Selene Slytherin's massive Brron, Mad King of Dark World-themed sword was suddenly surrounded by a kaleidoscope of green energy, darkness, demons, and dark magic, and when the sword emerged, it was transformed into Brron, Mad King of Dark World's Demon Greatsword of Darkness Mad King Justice, it's a brand-new greatsword with Brron, Mad King of Dark World etched on the 7'0" massive, wide, double-edged green blade, large green snake heads for the crossguard, large green gem embedded in the rainguard, longer black handle, and four large green snake heads with green gems for eyes and in their mouths and on the bottom of the snake heads is a large green gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Brron, Mad King of Dark World's head with green gems for eyes and a large green gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, Book of Vile Darkness, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a green kanji below Brron, Mad King of Dark World that said, "Selene Slytherin, Descendent and Despiser of Salazar Slytherin, Despiser of Voldemort and The Death Eaters, Gene-Slammer of Brron, Mad King of Dark World, Powerful Member of The Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Zennia Nikolaevna, Griselda Huffington, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Celine Wendova, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Dark Magic"

Selene Slytherin has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS MAD KING DEMON ANGEL OF DARK JUSTICE AND SLYTHERIN DARK MAGIC LOVE!

We were amazed by Selene Slytherin's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Douglas Griffin saw it, he went fucking crazy and fired a blast of darkness to kill her, but Selene Slytherin fired a powerful blast of green energy with darkness, demons, and dark magic, and it hits Douglas Griffin and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Selene Slytherin's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Douglas Griffin, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Selene, you look beautiful. How do you feel?

Selene Slytherin: (Divine Echoing Cosmic Voice of the Dark Mad King and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Douglas Griffin his rightful punishment?

Lincoln: (Smiles) With pleasure, Selene.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Selene Slytherin.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Douglas Griffin.

Selene Slytherin and Lincoln went after Douglas Griffin, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Douglas Griffin, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Douglas Griffin: Arise from the Dark Earth, Earth Demons, and bury the mortals!

Douglas Griffin summoned a massive army of Earth Demons as they rose from the ground, and they were about to attack, but Lincoln fired powerful blasts of rainbow energy and rainbow super lightning, and as they hit the massive army of Earth Demons, they were destroyed and their spirits were sent back to Hell forever, and that pissed off Douglas Griffin even more.

Selene Slytherin: (Divine Echoing Cosmic Voice of the Dark Mad King and Dark Divine Love) Linky, shall we do the honors in putting Nigel Tinuviel in his place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Selene.

Selene Slytherin: (Divine Echoing Cosmic Voice of the Dark Mad King and Dark Divine Love) Such a gentleman.

Selene Slytherin and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Douglas Griffin, who ran at them with murder and insane rage in his eyes.

Selene Slytherin and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Selene Slytherin and Lincoln fired the massive red energy balls, which transform into red energy beams, and as the two red energy beams hit Douglas Griffin, Lincoln and Selene Slytherin began sucking out and absorbing all of Nigel Tinuviel's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Selene Slytherin as her green energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Selene Slytherin and Lincoln were done, Douglas Griffin was rendered completely powerless and completely drained of his powers.

Douglas Griffin: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Douglas Griffin.

Selene Slytherin: (Divine Echoing Cosmic Voice of the Dark Mad King and Dark Divine Love) And now, you're finished.

Selene Slytherin opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Douglas Griffin, the now powerless and insane warlock of The Church of Necrom, was imprisoned inside of a black tarot card with Brron, Mad King of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Douglas Griffin imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, and Nigel Tinuviel were put into. We all cheered wildly for what Selene Slytherin and Lincoln as they holstered their massive greatswords and powered down, and Selene Slytherin's new body, clothes, weapons, jewelry, and massive green angel wings are permanent.

Selene Slytherin: Gotcha, you bastard! Thank you for helping me take down Douglas Griffin, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Slytherin wrapped her arms around Lincoln's thick muscular waist, as her chest was pressed against Lincoln's massive and wide muscular pecs, which had brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Selene Slytherin's face, they kissed passionately as Selene Slytherin's right arm was still wrapped around Lincoln's thick muscular waist and she placed her left hand on Lincoln's massive and wide muscular left pec, and behind them was a Thunderbird, Phoenix, Angel, and Brron, Mad King of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and seven more to go.

Me: That's right, Nico.

Elizabeth Gryffindor: Which means the next Church of Necrom member to show their face tomorrow is Duncan Alarie.

Lincoln: That's right, Elizabeth, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Duncan Alarie's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage.

Lincoln: Which is just how we want him to be in, when we pulverize him tomorrow, and once we've dealt with him, then, Helena Hufflepuff and I will deal with Cole Sullivan, the last of the thirteen low-ranking members of The Church of Necrom, and then, we get after the five high-ranking members of The Church of Necrom: Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, and Douglas Moreau.

Me: That's right, but we'll still remain on guard, since those five are the high-ranking members of The Church of Necrom, but you guys will be ready for them.

Lincoln and The Dark World Goth Girls: That's right, J.D.

Applejack: (To the Viewers) YEEHAW! This was one high noon rip-roaring adventure! I hope y'all like it as much as we have.

Nico: We all did! It was great! But great job everyone!

Lone Ranger: Yeah it was. It was so cool.

Me: You bet your hot diggetty love handles it was.

Laney: Yep.

Nico: Lets head home.

We went back home and Cavendish was nothing more than a forgotten memory. We enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfic done.

2013's The Lone Ranger was a great and awesome one and that was a really awesome remake of the awesome iconic series from the 1940s and 50's and it was awesome! My father and many people that might know their families might have watched The Lone Ranger years ago in their childhoods and it was awesome! We all had a lot of fun with this one but it was a darn shame that those blockhead critics put the 2013 version of the movie down. It was a total flop because of them! But it was a really great movie! The first part was for the awesome 1959 movie Journey To The Center of The Earth and that was a great movie that I remember from my childhood. Watched it constantly all the time and James Mason, Arlene Dahl, Pat Boone, Peter Ronson and Thayer David all did a great job in that movie 63 years ago and it was so awesome. The rescue was made in honor of them.

R.I.P. James Mason - May 15th 1909 - July 27th, 1984

R.I.P. Arlene Dahl - August 11, 1925 - November 29, 2021

R.I.P. Peter Ronson - April 22, 1934 - January 16, 2007

R.I.P. Thayer David - March 4, 1927 - July 17, 1978

You all will never be forgotten.

The second part for Lincoln's rescue was in Equestria and we were there to destroy Solar Flare and Evil Luna, The Evil versions of

Princess Celestia and Princess Luna from the MLP Comic Books. It was awesome. Hope you all loved this chapter as much as I did. And Guest Reviewer sorry to say but we already covered a gene-slammer for Thunder King the Lightningstrike Kaiju a while back and it was during my rescues. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. The next dream rescue for me is going to be an awesome one as I journey through a terrifying and dangerous canyon and rescue 7 people from hidden quicksand traps while on my Rapidash. And I'm going to meet a Nightmare Horse Gene-slammer named Ophelia Laurence and she is a goth girl. The girls are going to be Kyoto Sato, Yuki Nonaka, Candace Catnipp, Isuzu Sento, Mashiro Shina, Yuno Gasai and Marin Kitagawa. For Lincoln's dream rescue we're going to meet a gene-slammer for Ice Queen named Cienna Kitomaru and she is from Japan and has a really horrible history with Scoots and even the Church of Necrom. We're going to meet her in a taffy factory dream and Lincoln will awake chewing on his pillow from that. For Nico's rescue that is gonna be a really cool one as Nico, Lightning Dust, Whirlwind of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily go to a planet made of Skittles Candy and we're going to be really amazed at how it is a world where it rains Skittles. And we're going to show Nico and some of the team how we did that on Earth. We're going to also battle Mizuki, who has come back to get revenge on me for killing him for trying to make off with the Scroll of Sealing. This time we're going to use the Black Gates on him and we're going to meet a gene-slammer for one of Whirlwind's kind named Lillian Addams. No relation to the Addams Family, Lillian is Nico's friend from Art class and she is awesome at painting and she is also a great master of the forces of wind and rainbows. She is also the first ever Skylander Gene-slammer we'll meet. For Lincoln's rescue tomorrow, Lincoln and his group are going to face and take down The Black Viper Gang, the gang from one of your fanfics that got deleted long ago, and they're going to face Life In Prison, and its' leader, Kira, will also have another dark artifact in her possession given to her by The Church of Necrom, it's called The Black Serpent Vessel of Apep, a black canopic jar with the cap is Apep's head. We'll also meet a gene-slammer for Guardian Dreadscythe named Zuzanna Achramowicz. She is from Poland and she has a powerful mastery over the powers of darkness and has amazing pitch black angel wings. She also has a very terrible dark secret and it involves her mother and what happened to her. The next chapter is gonna be a really magical one as we go help Balthazar Blake, his apprentice David "Dave" Stutler and Veronica Gorloisen and we're going to stop the evil Morgana le Fay, the most powerful evil sorceress that ever lived from destroying the world! BUCKLE YOUR SEATBELTS GUYS! THIS IS GONNA BE ONE BATTLE THAT WILL SHAKE THE FOUNDATIONS OF THE UNIVERSE TO THE CORE!

See you all tomorrow

# RETURN OF MORGAN LE FAY

In the early morning hours at 1:14 AM, I was having a really unusual and very interesting dream. I was in a really scary and treacherous canyon. It looked like a really horrifying place and the feeling it gave off spoke volumes.

Me: Whoa. This canyon really gives me the creeps.

I whistled and my Rapidash came and I got on.

Me: Wow. What a scary place.

I went into the canyon and Natilee appeared with me.

Natilee: I don't like the looks of this dad.

Me: Me neither. This place is really overflowing with scary images.

Natilee: Yeah. It's like a nightmare.

Me: NO kidding.

But then I heard a voice.

Girl: HELP ME!

Me: Uh oh! Trouble! HYAH!

We rode and we saw a red hair woman and she was sinking in quicksand and she was already waist deep in it. The woman was Kyoko Sato!

Me: Oh no!

I formed a vine rope and made it into a lasso and threw it and it got onto her and me and Natilee pulled and got her out.

Me: Are you okay?

Kyoko Sato: Thanks to you.

Me: You're welcome.

Kyoko Sato: Oh sorry I'm Kyoto Sato.

Me: Pleasure to meet you.

I then saw a painful past in her eyes.

Me: Oh man you're hurting inside. You have a really dark past.

Kyoko Sato: How do you know that?

Me: I sense great pain in you. You lost someone dear to you.

Natilee: We don't mean to make you uncomfortable. It's just that we want to help.

Kyoko Sato: I'll tell you what I can. It's not pretty.

She told us everything and what we found out was absolutely shocking!

*WARNING - MATURE PAST BEING SHOWN*

---

Kyoko Sano is the main antagonist of the hentai Milk Money/Uba. She is the mother of Marika who she killed and nanny/school tutor of Shinji and Toji.

She was voiced by Sumi Toyama in the Japanese sub, and by Brandy Delmar in the English dub.

Kyoko was a loving and normal young woman until one night, she got involved in a horrific car accident which lead to the death of her husband and infant baby son. With the trauma of losing her family, she took up a job as a live-in nanny and school tutor, and secretly became a wet nurse to breast feed other people's children in order to relieve her of her pain and grievance. Later on, she was fired from her position when she was caught doing indecent and sexual acts to one of her client's children. Years later, she is reunited with Toji Ide, a former client of hers who starts a very intimate relationship with her and then later with her daughter Marika, much to her chagrin and jealousy.

When she learns about Toji and Marika's affair, she punishes Toji by strapping him down to a cross-like object in her underground chamber and whipping him until he complies to her wishes; later on, after finding out that Marika had forced Toji to cut all contact with her including blocking his cellphone number from her, the two women have a fallout until Marika tells her to break off her relationship with Toji so that he can have a chance at a normal life, to which she tearfully does. Unfortunately, this is revealed to be a façade and Kyoko kills Marika out of jealousy, saying that she won't allow something like that to happen and will not let anybody, let alone her own daughter, to get in the way of her twisted happiness. When she's reunited with Toji, he asks her were Marika is, she refuses to give him an answer him and instead tells him not to keep worrying about her.

Once he finally learns about Marika's death and that Kyoko had killed her, Kyoko severely tortures him as punishment for leaving her for Marika and then starves him to death by only feeding him her breast milk. With both Shinji, Toji and Marika dead, it brings the attention of some police detectives who are investigating the matter, when the detectives find Marika's necklace and the place where she buried Toji and Marika's corpses, they question Kyoko who is holding a knife behind her back, leaving the fates of the detectives as well as Kyoko unknown.

It's heavily implied that she's had multiple inappropriate relationships with other past clients of hers which possibly had also led to their deaths, including one by the name of Shinji Sudo who she had also killed. It can be inferred that in the end that she had either been arrested and executed for her crimes when the officers discovers she tried to kill them, she managed to convince the officers of her innocence, or she killed both officers and then went on the run to avoid going to prison.

When she was done she broke down crying and then we were shocked and horrified! I went and hugged her.

Me: Kyoko! Oh man. You went through hell all because you lost your baby. I'm so sorry.

Natilee: How awful! Kyoko that is something no parent should ever have to go through. I'm so sorry.

Kyoko: I LOST EVERYTHING TO ME! I HAVE NOTHING LEFT! I KILLED MY DAUGHTER IN A JEALOUS RAGE AND I LOST EVERYTHING! (CRYING)

Me: Kyoko you still have me. I can help you rebuild your life and make it better.

Kyoko: (Crying) I don't know if I can.

Me: Yes you can Kyoko. We all can help you.

Natilee: Yeah.

We later continued on and we rescued Yuki Nonaka, Candace Catnipp, Isuzu Sento, Mashiro Shina, Yuno Gasai and Marin Kitagawa. Marin was really smoking hot. All the girls we rescued are smoking hot. Then out came a NIGHTMARE HORSE and it was Ophelia Laurence. She was a Nightmare Horse Gene-Slammer. It was awesome. We then went to Lincoln's Dream. Yuki Nonaka and Isuzu Sento are already in Lincoln's harem but the rest aren't for me

In the early morning hours at 2:53 AM, Lincoln was asleep with Lily the Mermaid in his bed and his harem with him, and he was having an awesome dream, and he, along with me and Natilee are in a taffy factory.

Lincoln: Wow, we're inside a taffy factory, this is so awesome.

Me: Mary would love being in this dream, since she loves sweets so much.

Natilee: That's right, Dad.

We walked throughout the taffy factory, and it was producing many different flavored taffies, and it's so awesome. Suddenly, we heard an explosion coming from the northern part of the factory, and we headed on over to see who it was that was causing trouble. When we got there, we saw who it was causing trouble: it was the Dark Teensies, the replica clones of The Magician from Rayman: Origins.

Lincoln: So, the one causing trouble here are the Dark Teensies, the replica clones of The Magician from Rayman: Origins. When Rayman hears about this in the morning, oh, he's going to be so mad.

Me: You said it, big guy. Let's get those little monsters.

Natilee: But first.

Natilee fired five energy blasts, which stripped the Dark Teensies of their powers, and rendered them powerless. Then, Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and I transformed into Super Angel Xelnaga Infinite Eternity Friendship God, and I unholstered my newly transformed Universal Greatsword of Elemental Harmony and Eternal Hope from my wider and muscular back, and we went after the Dark Teensies, and we fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, white flames, and nebulae at Evolt, and they explode with incredible power as they hit them.

Then, we attacked them with our massive greatswords, and we left some very nasty scars on them, and then, we sent The Dark Teensies into the air, and we unleashed a powerful slashstorm of rainbow energy slashes, and they were getting hurt badly. Suddenly, we saw the Duel Monster, Ice Queen, appear and fired five blasts of ice and froze the Dark Teensies in a block of ice, and Lincoln shattered it with a powerful punch, and the Dark Teensies were already freezing and on their last legs. hen, me and Lincoln fired massive black energy blasts of The Black Gates at the Dark Teensies and destroyed and erased them for good. We cheered wildly as we holstered our massive greatswords on our wider and muscular backs and power down.

Lincoln: That's it for you villainous Teensies. (To Ice Queen) And it's so good to see you again, Cienna Kitomaru.

Cienna Kitomaru everted back to normal, and she's a beautiful 17-year-old girl with long flowing ice blue hair, ice blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive ice blue angel wings with snowflakes and ice crystals falling from the feathers, and she reigned in the power of Ice Queen, and she's dressed in a sleeveless marine blue vest, long-sleeved ice blue top, ice blue skirt, ice blue stockings, blue sneakers, and long ice blue sleeveless trenchcoat with snowflakes and ice on the coattails, and Ice Queen on the back, and holstered on her back is a large Ice Queen-themed sword with a 7'0" massive, wide, double-edged ice blue blade with Ice Queen etched on it, large ice blue angel wings for the crossguard, large ice blue gem embedded in the rainguard, longer black handle, and a large ice blue gem surrounded by ice blue angel wings for the pommel.

Cienna Kitomaru: You too, Lincoln, it's been a long time.

Lincoln went up to Cienna Kitomaru and they hugged, and Cienna Kitomaru was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Cienna Kitomaru: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Me: Wow, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Cienna Kitomaru, she's one of my Guardian Angels from Michigan, and like many of the Guardian Angels, she has a nasty history with Scoots.

Me: Ouch.

Cienna Kitomaru: And it's not just Scoots who I have a nasty history with. Like The Dark World Goth Girls and the Louds, I also have a nasty history with The Church of Necrom, because among the tens of thousands of victims they've killed were my parents. (CRYING HARD)

We gasped in shock, and Lincoln went up to Cienna and hugged her as she cried hard onto his bare chest, and our hearts were hurting from the scene.

Lincoln: Cienna, I promise you this, Damian's going pay for this, along with the rest of The Church of Necrom.

Cienna knew Lincoln would fulfill that promise, and when we get back from the dream world, we're going to tell Nicholette Torrington and the other Dark World Goth Girls about what we found out, along with the others..

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Cienna Kitomaru's neck with ice blue gems on the gold thunderbolt links and ice blue crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Cienna Kitomaru: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Cienna.

Cienna Kitomaru had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and Cienna Kitomaru wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Noriko's face and kissed her on the lips, and she also returned it, and we cheered for them.

Me: Awesome.

Lincoln: That's another dream rescue accomplished, and we took down another of Rayman's enemies.

Me: You said it, big guy.

Cienna Kitomaru: Here, Lincoln.

Cienna Kitomaru gave Lincoln a piece of taffy to chew on, and Natilee snapped her fingers, and Cienna Kitomaru was now part of Lincoln's harem and the team, and when Lincoln woke up the next morning, the rest of his harem saw him chewing on his own pillow, and when he saw it, he spit it out.

Lincoln: Blech, gross!

His entire harem giggled along with the rest of us, and Lincoln had a nervous smile and blushed in embarrassment from what he did in chewing his own pillow, as he rubbed the back of his neck. Then, at the dining table, he told the rest of the team of everything, and everyone was really amazed. But, Rayman was shocked when he found out that Lincoln faced the Dark Teensies in his dream, and they were horrified when they found out Cienna Kitomaru not only had a really horrible history with Scoots, but also, The Church of Necrom, because among their victims were Cienna's own parents.

Nico: My God, there's truly no end to The Church of Necrom's crimes, now they've crossed a serious line when they murdered one of your Guardian Angels' parents.

Lincoln: That gave more another reason to bring Damian Alaister and the rest of his goons to justice, Nico, and let the spirits of their victims rest in peace.

Rayman: You said it, Lincoln, and I can't believe the Dark Teensies had the sudden nerve to show up again to cause chaos and revenge again, and when I get my hands on The Magician, he's going to regret this.

Nico: You said it, Rayman. But, that taffy factory dream was really awesome.

Lincoln: Mary would've loved it, since she has a love for sweets.

Mary Knudson: You bet, and taffy's one of the candies that I love.

Later it was time for Nico's rescue and we were flying through the depths of space as Nico, Lightning Dust, Poromon, Whirlwind of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were flying to a very strange planet.

Nico: Wonder what this planet we're going to see will be like.

Laney: No idea but it will be awesome.

Nicole Knudson: I have a feeling it's going to be a really cool food planet.

Maria: I have that feeling myself.

Lincoln: Yeah me too.

Lightning Dust: This is gonna be fun no matter what planet we go to.

Nico: Thanks for coming, Lightning Dust.

Lightning Dust: No problem Nico. This is gonna be so much fun going with you guys on this awesome rescue.

Whirlwind: It sure will be fun. Especially because we're going to find a gene-slammer for my kind next.

Rainbow Dash: Now that is going to be so awesome!

Poromon: Yeah I can't wait to meet her.

Nico: Lightning Dust, remember when we first met you?

Lightning Dust: I sure do and that was so awesome how you all met me for the first time.

Nico: We were really amazed that you and Rainbow Dash had a really interesting history.

Me: Yeah an it was a rocky history too.

Eli: We had no idea you two went to the Wonderbolts Academy together.

Lightning Dust: Until I got kicked out for being totally reckless and endangering Rainbow Dash's friends.

Nico: When we first you, the attempted explanation was similar to how Peter tried to describe Dr. Hartman

Me: I remember that. That was very crazy.

Lightning Dust: Yeah it sure was.

Eli: Yeah no kidding.

Aylene C.: That was pretty silly though.

Lola: It sure was funny too.

Poromon: Nico, I want to go with you and Maxxine and reunite Tsukuyomi with Sougo and Geiz.

Nico: That's fine with me.

Me: I'll gladly go too.

Eli: Same with me.

Nico: Okay then. May you can come too if you want.

May: I would be honored Nico.

Me: This is gonna be so awesome meeting the Zi-O Kamen Riders.

Nico: It sure is. We have so much to tell them about how their fellow Kamen Riders from over the course of 20 years helped us during the 20 Days of Darkness.

Laney: Yeah it sure is awesome.

Qin: It sure is. We were introduced to so many awesome Kamen Riders too.

Poromon: I'll never forget all the Ridewatches Sougo used.

Nico: Now those were awesome.

Me: 20 years of Kamen Riders from 2000 to 2020 at his command. But it's horrible that he would have to face an Apocalyptic Destiny and a choice between ruling with good or pure evil.

Eli: Yeah that was awful.

Nico: In the end, with Clyde and Syd's help, he used Ohma Zi O's powers to save everyone and everything he cared about.

Me: That is awesome. And Clyde and Syd are doing an awesome job so far to make the Timejackers jobs harder.

Laney: They sure are.

Lincoln: It's a really awesome strategy.

Lola: Yeah it sure is.

Me: Yes and I'm sorry we kept it from you guys but this was really important. We had to try and keep their cover safe.

Nico: Yeah but after showing you guys what we found out from Zi-O and more the cat was let out of the bag.

Eli: Yeah no kidding there.

Poromon: Those Another Riders me and Nico faced with Sougo are no joke though.

Nico: They sure as hell were no laughing matter.

Me: Boy I'll never forget seeing those and they were dangerous, ruthless and powerful. But the cool part is that they each have the year that Kamen Rider came from.

Lana: That is cool.

Eli: I'll say! But I have this feeling that when you guys meet the Zi-O Kamen Riders that one of the AnotherRiders will be an old enemy we dealt with.

Me: Oh boy. One of Plankton's old comrades?

Eli: That's what I'm worried about.

We then arrived at the planet and it was a beautiful and amazing rainbow planet.

Me: Wow this must be it.

Eli: It's a pretty one from space.

Nicole: It looks like a planet made of flowers from this view.

Lightning Dust: Boy it sure does.

We flew down to the planet and to our amazement we saw that the planet was ENTIRELY MADE OUT OF SKITTLES! PILES AND PILES OF SKITTLES AS FAR AS THE EYE COULD SEE!

Poromon: Oh boy! Skittles!

Me: Oh wow! A World made of Skittles! Wow!

Laney: This is so cool!

Rita: Wow! This is really amazing!

Fu: Wow! This is so cool!

Poromon tried some.

Poromon: DELICIOUS!

It was all delicious!

Me: This is so awesome!

Nicole: Wow! My sister Mary would love this world!

Lana: Boy she sure would!

Lightning Dust: Wow this is really awesome!

Varie: Boy last time we had Skittles like this was when we planted Skittles in the ground and made a rainbow that made it rain Skittles and we filled up numerous baskets full of them.

Nico: Boy I remember that!

Twilight Sparkle: How did you guys do that?

Me: We saw it on a commercial for Skittles and we decided to see if it would work and to our shock and amazement it did.

Nico: I remember that all too well. That was so awesome.

Lola: Yeah it sure was!

Lightning Dust: What's the difference between Skittles and M&Ms?

Nico: Skittles are made with fruit whereas M&M's are made of chocolate.

Me: And they are really awesome.

Lola: They sure are. And the flavors are cool too.

Rita: And they are some of the best candies ever.

Lisa Loud: Indeed they are.

Lily: I'll say!

Lisa then ate a bunch of them and then she WAS GOING ON A SUGAR RUSH!

Lisa Loud: (Talking fast) THESE ARE ALL SO TASTY AND SCRUMPTIOUS I CAN'T GET ENOUGH OF THEM!

Lightning Dust: Save some for the rest of us!

Nico: Whoa whoa whoa! We don't want you guys to have a sugar crash when we get back home and we're done with our Ambassador Mission.

Laney: Yeah no kidding.

Lola: Yeah we have to be ready for anything.

Eli: Absolutely.

Me: Yeah. (Senses an energy signal) Whoa do you guys feel that?

Nico: I sense a small energy signal here.

Lightning Dust: You guys keep eating. I'll check it out.

Me: Wait L.D. I know this energy signal. It's one I remember from 150,000 years hence.

Lightning Dust: Who is it?

Eli: Yeah.

Fu: Wait I know this signal too. It's very familiar.

Lola: I think it's coming from him!

We a figure up ahead coming towards us.

Nico: Who is that?

Figure: (Laughs)

I instantly recognized that voice!

Me: Mizuki!

---

Mizuki (ミズキ in Japanese) is a minor antagonist in the Naruto manga and anime, serving as a main antagonist of the first episode of the original series, and the titular main antagonist of the Mizuki Tracking Mission Arc. He is a rogue ninja who betrayed the Leaf Village and attempted to steal a secret scroll from Naruto's possession. In the anime, this was in order to give the scroll to Orochimaru.

In Japanese, he was voiced by Shin'ichirō Miki as an adult and Hisayoshi Suganuma as a child. In English, he was voiced by Michael Reisz as both an adult and a child.

Past

Mizuki was the best friend of Iruka Umino in his youth, but soon began to grow jealous of him following the attack of the Nine-Tailed Fox. Iruka's parents had died in the attack, and Mizuki noticed that Iruka was suddenly getting more attention from the villagers, causing him to become increasingly jealous. Despite his newfound hatred towards Iruka, Mizuki still pretended to be his best friend, while at the same time relishing in his misery. When Mizuki applied for a teaching position at the academy, the Third Hokage discovered that one of Mizuki's teammates had died of suffocation on a mission, yet had only a minor, non-lethal leg wound. Mizuki was turned down and Iruka instead got the job, causing him to eventually hate the Leaf Village.

As it turns out, Orochimaru himself saw Mizuki murder his teammate, which peaked his interest. He left him with instructions for a potion after giving him a Curse Mark.

Betrayal

After Naruto was the only one not to graduate with the rest of his classmates, Mizuki manipulated him into stealing the Scroll of Seals to improve his skills. He originally planned to kill Naruto and take the scroll for himself, but soon after Iruka showed up, Mizuki revealed

Naruto's identity as the Nine-Tailed Fox. After hearing Iruka defend him, Naruto helps him fend off Mizuki, using the Multiple Shadow Clone Jutsu that he learned from the scroll. After Mizuki was beaten into unconsciousness, he was declared a missing-nin and incarcerated in Konoha's maximum security prison. However, his time in prison didn't soothe his hatred towards Naruto and Iruka.

## Escaping from Prison

In the anime-exclusive Mizuki Strikes Back arc, it is revealed that he actually intended to give the Scroll of Seals to Orochimaru. He planned to escape from prison with the help of the Legendary Stupid Brothers and create the potion that Orochimaru requested. After his escape, he was bent on getting revenge on both Naruto and Iruka, hating them more than ever. His former lover, Tsubaki, remarked how he used to be kind before he began following Orochimaru, and tried to convince him to abandon his quest for vengeance. He would not listen, however, and knocked her unconscious.

After dueling with Iruka and nearly killing him with paper bombs, Mizuki broke into the Nara laboratory to get the ingredients and fled to cave where he could concoct his potion. The potion activated his curse mark, causing him to increase in strength and speed as well as transform into a tiger-like humanoid. Realizing that they can't win in a fair match, Iruka guides Naruto away from the battlefield, which prompts Mizuki to give chase. Unfortunately for him, Mizuki is led into a field of sealing paper bombs, paralyzing him so that Naruto could hit him with his Rasengan. The side effects of the potion destroyed his cellular structure and left him in a condition where he could never return to the life of a ninja, thus granting Mizuki his comeuppance for his actions.

After his defeat, Tsunade interrogated him on the whereabouts of Orochimaru and Sasuke, but he gave no useful information, as he was not aware that Orochimaru's base in the Hidden Sound Village had been destroyed. After being healed and saved by Tsunade he returned to prison where he presumably spent rest of his life.

Nico: That traitorous instructor that hated Naruto?

Me: Yep.

Eli: Not this guy again!

Fu: Man he sure doesn't know how to take a hint!

Me: Yeah.

Mizuki came up to us and in his hands was a cup full of a strange glowing red liquid.

Mizuki: Well isn't this a treat.

Me: You sure don't know how to take a hint do you Mizuki?

Mizuki: So I have heard J.D. I was going to take you down anyway. Now is my chance.

Me: You still haven't learned your lesson even after all this time. 150,000 years hasn't been too kind on you hasn't it?

Mizuki: Maybe so.

Lightning Dust: What's in the cup?

He held it up.

Mizuki: Beautiful isn't it?

He drank it.

Nico: I've got a bad feeling about this.

He dropped the cup.

Mizuki: You know, for the first time in 150,000 years you pathetic ingrates should consider it an honor to be my first prey.

But then his body grew muscular and then black marks that looked like tiger stripes appeared on him and his teeth turned into Fangs! He GOT OROCHIMARU'S CURSE MARK!

Nico: WHAT THE FUCK!?

Lightning Dust: Now he's a real monster!

Mizuki laughed.

Me: Impressive. So you got Orochimaru's power.

Mizuki: Yes and now I will make you suffer! You get to see true perfection!

Me: Don't count on it. You don't know about this but I made sure that snake fucker bit the dust forever. He is dead and gone thanks to The Black Gates.

Mizuki: The Black Gates?

Me: As if I would ever tell you about them. But also when I fought you the 2nd time I wasn't nearly as powerful then as I am right now.

Mizuki: What do you mean by that?

Me: Watch.

I then went Super Angel Xelnaga Infinity! The energy and power I had was incredible!

Me: (Divine Echoing Elemental Voice of Hope and Love) **This is what I mean. I'm now Infinitely more powerful than ever before. Not even Orochimaru or Sasuke was a match for it.**

Mizuki: We'll see about that!

He went at me with incredible speed and then I kicked him in the stomach with devastating force and then punched him in the face with incredible power and knocked him down!

Mizuki: IMPOSSIBLE!

He got up.

Mizuki: NO! I REFUSE TO LOSE!

Lightning Dust: You just did.

Me: **You're still the brainless idiot who knows only how to betray and destroy! One would think that a man with your experience would know when to call it quits, you grey-haired loser and buffoon. You don't have any idea what you are up against.**

Mizuki: We'll see about that! (FLARES UP POWER!)

He got tiger fur and he was stronger. But not NEARLY Strong enough.

Nico: So you picked the tiger for yourself. Very impressive.

Mizuki: Yes it was fitting. And now I will make sure you suffer!

Me: **Oh really.**

I teleported and kicked him in the face and smashed him down and then I punched him in the stomach with devastating force and kicked him in the face and knocked him down.

Mizuki: THIS IS IMPOSSIBLE!

Me: **You are nothing more than a worthless bag of hot air. All talk and no action.**

Lightning Dust: Let's pour water on this furball!

But then rainbow fireballs rained down all over him and exploded on contact!

MASSIVE EXPLOSIONS!

Laney: Nice shooting Whirlwind.

Whirlwind: That wasn't from me.

?: It was from me.

We saw another Unicorn Dragon!

Nico: Another Unicorn Dragon?

Unicorn Dragon: Take a closer look Nico.

She reverted back and she was a girl with blue wings and blue clothes and blue hair and had a rainbow unicorn horn sticking out of the middle of her forehead.

Nico: Lillian Addams!

Lillian Addams: Been a long time Nico.

Wednesday: Are you one of the Addams?

Lillian Addams: No I have no relation to you or your family Wednesday.

Mizuki: So another pest has come.

Me: **But you obviously haven't done your homework about us.**

I formed a Rasenshuriken made of Wind and it was more powerful than a normal Wind Style: Rasenshuriken! It was emitting so much powerful wind style chakra that it was emitting an ear shattering shriek!

Nico: WHOA! WHAT POWER!

Eli: SO MUCH CHAKRA!

Me: **Try this on! WIND STYLE: TYPHOON RASENSHURIKEN!**

I threw it and it slammed into Mizuki and it sent him flying and it exploded with incredible power and force and he got hit with a blizzard made of countless chakra swords made of wind and it destroyed his entire chakra network at the cellular level and it also even destroyed his bones!

When the explosion faded Mizuki was down on the ground in a crater and he was a total mess!

Eli: Whoa what power!

Nico: Whoa! That was amazing!

We looked at him and Mizuki couldn't even move or get up!

Mizuki: (Weakly and Coughing up blood) WHAT HAVE YOU DONE TO ME!?

Me: **Destroyed you forever.**

Nico used his X-Ray vision and he saw that my technique completely obliterated his entire chakra network and destroyed his entire skeleton!

Nico: Holy fuck! That technique completely destroyed his entire skeleton and his entire chakra network!

Eli: My god! That is powerful!

Lillian Addams: Wow! No kidding!

Nico: So awesome! How about you finish him forever with the black gates?

Me: **Hmm. Nah I killed him twice. Using the Black Gates on a worthless freak like him is not worth the energy.**

I powered down and we tied him up.

Lightning Dust: What's your favorite memory of Nico?

Lillian Addams: I have a lot of them. But my favorite would have to be where me and Nico were in cooking class and we made an awesome and delicious cake made entirely out of different candies. It was called Rainbow Cake Multi-Layer Cake A La Nico En Lillian.

Me: Ooh that sounds tasty.

Nico: And boy was it ever. It was a cake made with different flavors of candies and everyone loved it so much that they ate the whole thing and they didn't leave us any.

Me: Wow! That cake must've been really good!

Eli: No kidding!

Lillian Addams: Me and Nico can make one for you guys to make up for it.

Fu: Boy we would like that.

Nico and Lillian hugged.

Nico: I really missed you.

Lillian Addams: Me too Nico. Me too.

Me: But Lady Tsunade is going to have one helluva field day when she hears this.

I went and picked up Mizuki and I snapped my fingers and I donned my awesome Shinobi uniform.

Camie: Cool outfit J.D.

Me: Thanks Camie. It's part of the uniforms we have in the Hidden Leaf.

Nico: Lets get some skittles for everyone and lets go home.

Me: First we got to find the cave he was in and how he made that formula.

We went and found the cave and like on his curse mark tattoo we found the table he used and the chemicals he got and more.

Nico: Wow he sure was busy on this planet.

Tsuyu: Very interesting stuff.

Me: But very unstable too.

Lola: Yeah.

We got the formula put in a container and we then went back to Earth after getting lots of Skittles.

Later I went to the Leaf with Mizuki in tow on my shoulder.

I went to the gate.

Izumo: Well hello J.D.

Me: Hello Izumo, Kotetsu. Sorry to come by like this but I have a really awesome development for Lady Hokage. Recognize this one.

I showed them Mizuki and they gasped!

Izumo: Mizuki!?

Kotetsu: But he is dead isn't he?

Me: Nope. He's alive and back. But we beat him. Funny story behind it.

Izumo: Well you better get over to the Hokage.

I went over to the office and knocked on the door.

Lady Tsunade: Come in.

I went in.

Me: Hello Lady Hokage.

Lady Tsunade: Oh Hello J.D.

Me: Sorry to bother like this Lady Hokage but I have a really awesome development happen to us on Nico's rescue.

I showed them Mizuki.

Shizune: (Gasp) Is that Mizuki?

Me: Yep. Funny story behind it.

I went over everything that happened and it was awesome.

Lady Tsunade: That is really amazing.

Shizune; You faced him on a planet made entirely out of Skittles Candy? That is really amazing.

Me: We've had a lot of encounters with planets made of food these last couple of weeks and they are awesome.

Shizune: Boy they sure are.

Lady Tsunade: But how did he come back?

Me: My guess is the Church of Necrom. They have been terrorizing the entire country for a while and they are causing a lot of problems for us even as we speak.

Lady Tsunade: I see. But you did good capturing Mizuki.

Me: I have a feeling that its only just begun. But thank you.

Lady Tsunade: You'll get S-Rank mission credit for this J.D.

Me: Thank you Lady Hokage.

I later went back home.

* * *

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Rainbow Dash are heading to Great Lakes City, and not only is Lincoln going to rescue the six girls there, but we're going to take down The Black Vipers, a gang who's been terrorizing Great Lakes City for years.

Lincoln: Wow, we're here in Great Lakes City, and I know what we're going to do here, not only am I going to rescue the six girls there, but we're going to take down The Black Vipers, a gang who's been terrorizing Great Lakes City for years.

Me: That's right, big guy, and I've heard about The Black Vipers Gang in Great Lakes City, they're a vicious gang of bad girls, and their goal is to destroy the entire world government and everything and enslave the Earth.

Nico: They're so looking at Life in Prison Without Parole for the rest of their lives, and we also found out that their leader, Kira, has a dark artifact called The Black Serpent Vessel of Apep, a black canopic jar with the cap in the shape of Apep's head.

Lincoln: No doubt given to her by The Church of Necrom. Well, we're going to destroy it for good, and send Kira and her Black Vipers to prison for life, and thanks for joining us, Rainbow Dash.

Rainbow Dash: You're welcome, Linky, this is going to be one awesome rescue.

Ronnie Anne: And it'll be good to get rid of Kira and her Black Viper Gang for good, they've terrorized Great Lakes City for the last time. Carlotta hated that witch, Kira, along with the rest of The Black Vipers, and they've caused nothing but trouble for so many years.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by The Black Viper Gang, and they're going to kill them. Lincoln also saw that their leader, Kira, had the symbol of The Church of Necrom on her forehead, along with The Black Serpent Vessel of Apep in her possession, proving The Church of Necrom gave her the dark artifact, and he saw an army of Fire Demons with Kira.

Lincoln: Guys, I found six girls, but they've been cornered by The Black Viper Gang, and they're going to kill them, and I saw their leader, Kira, had the symbol of The Church of Necrom on her forehead, along with The Black Serpent Vessel of Apep in her possession, proving The Church of Necrom gave her the dark artifact, and I saw an army of Fire Demons with Kira.

Elizabeth Gryffindor: I should've known The Church of Necrom were the ones who gave her The Black Serpent Vessel of Apep, and that army of Fire Demons with her, there's only one warlock in The Church of Necrom who's able to summon Fire Demons: Duncan Alarie.

Lincoln: Should've known that insane warlock was behind this.

?: (Polish Accent) Let's tear those world-conquering bitches limb from limb.

Suddenly, we saw the Duel Monster, Guardian Dreadscythe, appear before us.

Me: Wow, that's Guardian Dreadscythe.

Nico: Wicked.

Lincoln: And I'd recognize that Polish Accent from anywhere, I knew it's you, Zuzanna Achramowicz, but we'll have to talk later, we've got a gang of world-conquering bad girls to deal with.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Kira and the Black Vipers gang and Lincoln spreads his massive deep sapphire blue angel wings and pulled in the Fire Demons and he absorbed all of their flames and destroyed them, and that allowed the six girls to get to safety with us. When Kira and the Black Vipers gang saw us, they were really pissed.

Kira (Black Vipers Gang): How dare you get in the way of The Black Vipers, Team Loud Phoenix Storm?! Soon, we will destroy the government and we will enslave the Earth!

Lincoln: Not happening anytime soon, you anarchy-crazed psycho, you and your gang are heading straight for the slammer. But, first things first.

Lincoln fired a rainbow energy blast and it hits The Black Serpent Vessel of Apep and destroyed it, and it pissed Kira and The Black Vipers off, and then, Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Kira and The Black Vipers, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit them.

Then, Lincoln fired some rainbow energy blasts at Kira and The Black Vipers, which transformed into rainbow energy straitjackets and rainbow energy chains, and they wrapped around Kira and the Black Vipers tightly, so they can't escape, and Lincoln fired a blast of ice to freeze them, and he beamed the Black Vipers to the Neptune Cryoprison. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for The Black Vipers Gang of Great Lakes City. (To

Zuzanna Achramowicz) And it's so good to see you again, Zuzanna Achramowicz.

Zuzanna Achramowicz reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive black angel wings surging, and she reigned in the power of Guardian Dreadscythe, and she's dressed in a sleeveless red midriff top, red skirt, red pants, red sneakers, and long red and black sleeveless trenchcoat with reapers and darkness on the coattails, and Guardian Dreadscythe on the back, and holstered on her back is a massive and menacing scythe with a massive curved and very menacing sickle and a horned skull on one end of the long black shaft with red designs and on the other end is a curved downward-pointing blade.

Zuzanna Achramowicz: (Polish Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Zuzanna Achramowicz and they hugged, and Zuzanna Achramowicz was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Zuzanna Achramowicz: (Polish Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Zuzanna Achramowicz, she's another Guardian Angel of mine from Poland, and she has a powerful mastery over the powers of darkness and as we all saw, she has amazing pitch black angel wings.

Nico: Awesome, and that scythe she has on her back is really awesome and scary.

Lincoln: It's perfect for her since she got Gene-Slammed into Guardian Dreadscythe, but there's also something else you guys should know: she has a very terrible dark secret and it involves her mother and what happened to her.

We gasped in shock.

Me: And I'm going to guess it's really dark, so we'll hear about that later.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Zuzanna Achramowicz's neck with red gems on the gold thunderbolt links and red crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Zuzanna Achramowicz: (Polish Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Zuzanna.

Zuzanna Achramowicz had a smile on her face and tears in her eyes, as Lincoln wraps his abnormally massive and powerful muscular arms around her waist and Zuzanna Achramowicz wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Zuzanna Achramowicz's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Mao Lan, Cao Chun Yan, and Cao Rin Shen from Fighting Beauty Wulong, and Fujimi Suzu, Watanuki Fuuri, and Arco from Soni-Ani: Super Sonico the Animation.

Lincoln: Oh wow, it's Mao Lan, Cao Chun Yan, and Cao Rin Shen from Fighting Beauty Wulong, and Fujimi Suzu, Watanuki Fuuri, and Arco from Soni-Ani: Super Sonico the Animation.

Me: Awesome.

Lincoln: Are you girls okay?

Mao Lan: Yes, we're okay, thanks to you.

Then, when Mao Lan and the other four girls saw who it was that saved them from The Black Vipers Gang of Great Lakes City and Duncan Alarie's army of Fire Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large

Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Mao Lan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mao Lan: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Mao Lan, Cao Chun Yan, Cao Rin Shen, Fujimi Suzu, Watanuki Fuuri, and Arco with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out that the villains we went after we went after were Kira and the Black Vipers gang of Great Lakes City, and she had The Black Serpent Vessel of Apep, which is proof that The Church of Necrom was behind this, and they also saw Duncan Alarie's army of Fire Demons with her.

But, when Lincoln showed what we did to those world-conquering bad girls and Lincoln absorbing the fires from Duncan Alarie's army of Fire Demons along with destroying The Black Serpent Vessel of

Apep, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Zuzanna Achramowicz have a lot of catching up to do now that she's back in town, and later after the mission today, Elizabeth Gryffindor and Lincoln are going to deal with Duncan Alarie, and they're going to make that insane warlock pay for his crimes. And as for Kira and the Black Vipers, they were found guilty of their crimes of trying to destroy the U.S. Government and trying to enslave the Earth, and also, causing terror and destruction in Great Lakes City, and they were sentenced to eternity in the Neptune Cryoprison, where they were flash frozen and put in separate cells in Maximum Security Solitary Confinement and they'll never be free ever again.

---

After taking down Kira and the Black Vipers gang in Great Lakes City along with destroying The Black Serpent Vessel of Apep and destroying Duncan Alarie's army of Fire Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Zuzanna Achramowicz saw Lincoln working out like crazy, she had an atomic red blush on her face.

Zuzanna Achramowicz: (Polish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Zuzanna, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Zuzanna Achramowicz: (Polish Accent) That's incredible.

Nico: It sure is. So, Zuzanna, what's this terrible dark secret that you said involved your mother and what happened to you?

Zuzanna Achramowicz: (Polish Accent) You're not going to like it, Nico. One day, I'd come home from school, but as I walked in, I found out that my mother was trying to kill me, and I sensed that some sort of darkness had taken hold of my mother, and it wasn't the Church of Necrom's black magic. It was my own mother's obsession with the Dark Arts, when she was young, she was into the Dark Arts, but her obsession went way too far when she'd delved into Satanic sacrificial rituals and worshipping The Devil, and she tried to sacrifice me to The Devil, to prove her loyalty to The Devil. But, I used my own knowledge of The Dark Arts and bound her with a dark energy straitjacket, and I saw nothing but evil and darkness in her eyes. With a heavy heart, I had her sent to an insane asylum where she would remain there for the rest of her life.

We gasped in shock.

Me: My God.

Lincoln: We were also terrified when Zuzanna told us about that long ago, and she lost the bond she had with her mother.

Nico: It was because of her obsession with The Dark Arts and her loyalty to The Devil, and that dark obsession led to her own undoing. I'm sorry about what happened to your mother, Zuzanna.

Zuzanna Achramowicz: (Polish Accent) It's okay, Nico, and after I'd found out about what you guys were doing to The Church of Necrom, I decided to stay ahead of them and gathered the other dark artifacts they had in their possession.

Zuzanna Achramowicz took out the four other dark artifacts: The Black Bat Vessel of Camazotz, The Black Winged Vessel of Ahriman, The Black Bull Vessel of Moloch, and The Black Demon Vessel of Chernabog.

Lincoln 2: (Through The Rainbow Thunderbird and Rainbow Iris of Lincoln's Third Eye) No way, you've acquired The Black Bat Vessel of Camazotz, The Black Winged Vessel of Ahriman, The Black Bull

Vessel of Moloch, and The Black Demon Vessel of Chernabog and snatched them from their castle. That's truly incredible, Zuzanna.

Lincoln: It sure is. Now, we can destroy them for good.

Lincoln put the 9,500-lb barbell up and he fired four powerful rainbow energy blasts and destroyed The Black Bat Vessel of Camazotz, The Black Winged Vessel of Ahriman, The Black Bull Vessel of Moloch, and The Black Demon Vessel of Chernabog. Then, he went back to working out.

Nico: But, there's one last dark artifact we need to destroy, and it's Damian Alaister's medallion, the symbol of the result of their Satanic sacrificial ritual six years ago.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villain who triggered the alarm was Risky Boots, but when Lincoln saw the mark of The Church of Necrom on her forehead, it's proof that Duncan Alarie put her under his mind control.

Lincoln: Guys, I found out who triggered the alarm: it's Risky Boots, and you're not going to like it one bit, I saw that she has the mark of The Church of Necrom on her forehead, and that's proof that Duncan Alarie put her under his mind control.

Nico: That bastard.

Lincoln: Let's head down there and stop her, and after I free her, I'm going to break Duncan Alarie's arms and legs for what he did.

Shantae: And I sense Risky Boots is going to be a new member of Linky's harem, but she's also going to be mad when she finds out Duncan Alarie's the one who put that mind-control spell on her.

We then flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Risky Boots, and we landed in front of her. When the mind-controlled Risky Boots saw us, she was mad.

Audrey (Stitch!): She's trying to fight Duncan Alarie's mind-control, but her dark magic's powerless against Duncan Alarie's dark magic. Come on, we've got to give her a hand.

Suddenly, Audrey's purple eyes turned neon purple, and she was surrounded by a pink energy aura with ocean waves, pirate ships, and pirate skulls, and as she approached the mind-controlled Risky Boots, she left pink energy, ocean waves, pirate ships, and pirate skulls with every step.

Audrey (Stitch!): You're not that much of an evil person, Risky Boots. But, Duncan Alarie's gone too far putting you under his control, but that ends here and now. Now, I'm going to free you from that dark psychopathic warlock's influence.

Suddenly, Audrey was surrounded by a massive vortex of pink energy with ocean waves, pirate ships, and pirate skulls surrounding it, there's a pirate ship sailing around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Audrey emerged, but she was changed forever.

Audrey grew to 6'11" in height, she had pink highlights in the bangs of her short neck-length auburn hair, she has neon purple eyes and a pink energy aura with ocean waves, pirate ships, and pirate skulls surrounding her, she has a pirate ship emblazoned on her forehead, she has on skull earrings with pink gems for eyes and holding the Ocean and Eternity Kanjis in its hands, she also has a skull with pink gems for the eyes and the Ocean and Eternity Kanjis in its paws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolt links. Audrey has on a long-sleeved white blouse, sleeveless pink and black horizontal- striped top, black pants, black leather knee-high combat boots, and a long pink long-sleeved coat with ocean waves, pirate ships, and pirate skulls on the coattails, and a pirate skull surrounded by ocean waves on the back. Suddenly, Audrey felt a sharp pain on her back, and then, massive auburn angel wings with pink tips on the feathers and water dripping from the tips, sprouted out from her back. Audrey has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Audrey had a new greatsword in her right hand called Kukulkan's Seven Seas Greatsword of Pirate Justice, a brand-new greatsword with a pirate ship and the Mayan god of the seas, oceans, and storms, Kukulkan, etched on the 7'0" massive, wide, double-edged ocean blue blade, large skulls for the crossguard, large pink gem embedded in the rainguard, longer black handle, and four large skulls with pink gems for eyes and in their mouths and a large pink gem on the bottom of the skulls for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold skull with pink gems for eyes and a large pink gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji below the pirate skull that said, "Audrey, Good Pirate of The Seas, Dear Friend of Yuna Kamihara, Lilo, and Her Many Friends, Comic Book Reader and Leader of Her Pirate Club, Destroyer of Captain Khan, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Kukulkan, and Master of Ocean Waves, Pirate Ships, and Skulls"

オードリー、海の良い海賊、神原ゆなの親愛なる友人、リロと彼女の多くの友人、コミックブックリーダーと彼女の海賊クラブのリーダー、キャプテンカーンの破壊者、リンカーンラウドの愛する未来の妻、悪の殺し屋、混乱した、殺人、冷酷でサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、ククルカンの使者、そして海の波、海賊船、頭蓋骨のマスター

Audrey has transformed into SUPER ANGEL ETERNITY INFINITY PIRATE OCEAN MAELSTROM ANGEL OF SEVEN SEAS JUSTICE AND OCEAN PIRATE LOVE!

We were amazed by Audrey's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when the mind-controlled Risky Boots saw it, she fell into a rage and fired a blast of dark magic at her, but Audrey dodged it, and she fired a powerful blast of pink energy, ocean waves, skulls, and pirate ships, and it hit her and she hit the wall.

Yuna Kamihara: Whoa, Audrey's transformed, this is going to be one awesome battle.

Nico: Pirate of Good VS. Mind-Controlled Dark Magic Using Pirate, you said it, Yuna.

Lincoln: Wow, Audrey, you look beautiful. How do you feel?

Audrey (Stitch!): (Divine Echoing Cosmic Voice of The Maelstrom Pirate and Divine Ocean Love) I feel incredible, Linky. Now, shall we free Risky Boots from Duncan Alarie's mind control?

Lincoln: (Smiles) With pleasure, Audrey.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Audrey.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Hold on, Risky Boots, we're going to save you.

Audrey and Lincoln went after Risky Boots, who fired blasts of dark magic at them, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Skulls at the mind-controlled Risky Boots, and they exploded with incredible power as they hit her. Then, Audrey fired a chain of pink energy, which bound Risky Boots and she couldn't escape.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Nice work, Audrey, now to work my magic. DARK INFLUENCE PURIFICATION!

Lincoln spreads his massive deep sapphire blue angel wings with stars and they fired a powerful wave of rainbow energy, and as it hits Risky Boots, the rainbow energy wave then freed her from Duncan Alarie's control, and it also hit Duncan Alarie, who was watching from the shadows, and it burned him badly and he screamed in excruciating pain, because the rainbow energy wave was pure and he was pure evil. Risky Boots was freed from Duncan Alarie's influence and Varie got her to the infirmary in The World Tree Estate. We cheered wildly for what Audrey and Lincoln did as they holstered their massive greatswords on their backs and power down, and Audrey's new body, clothes, weapons, jewelry, and massive auburn angel wings are permanent.

Audrey (Stitch!): There we go, now Risky Boots has been freed. Thanks for helping me with freeing her from Duncan Alarie's influence, Linky.

Lincoln: (Smiles Warmly) You're welcome, Audrey.

Suddenly, Audrey wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Audrey's face, they kissed passionately as Audrey placed her hands on Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a pirate ship sailing behind them on the ocean and a herd of Buffalo running across the field, along with elemental forces and we cheered for them.

We went back home to The World Tree Estate, and back in their demonic castle, Duncan Alarie saw what Audrey and Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Duncan Alarie.

We then head into the Infirmary, and Risky Boots slowly opened her eyes, and she saw us, especially Lincoln and Audrey, who went up to her bed.

Risky Boots: Team Loud Phoenix Storm, but what happened?

Lincoln: You fell under the control of Duncan Alarie of The Church of Necrom, and that deranged warlock ordered you to attack us.

Risky Boots gasped in shock, and then, she remembered what Duncan Alarie did to her.

Risky Boots: Now, I remember what happened, I can't believe what that monster did to me. Thank you for saving me, Lincoln Loud and Audrey.

Lincoln: You're welcome, Risky Boots.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Risky Boots' neck with purple gems on the gold thunderbolt links and purple crystal links from their brand-new Crystal Necklace of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Risky Boots: (Surprised) A Thunderbird Necklace of Eternal Love, the same ones on Shantae and the others, does this mean…?

Lincoln: Yep, you're now a part of my harem and my many future wives, Risky Boots.

Risky Boots had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her and Risky Boots then wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Risky Boots' face and kissed her on the lips, and she also returned it, and we cheered for them.

Me: Oh yeah, way to go, big guy.

Nico: (Smiles) He saved Risky Boots from Duncan Alarie's forced mind control and she's now a part of his harem and one of his many future wives, now that's what I call an act of heroism and chivalry.

Elizabeth Gryffindor: And later on after our mission, Linky and I are going to face Duncan Alarie, and we're going to break that monster's arms and legs for what he did in mind-controlling Risky Boots.

Lincoln: That's right, Elizabeth, and I've got a feeling that today's mission is going to be a magical one.

Me: You said it, big guy.

---

Later it was time for Maxxine's first ever ambassador mission.

Tsukuyomi: This is gonna be awesome! I can't wait to see Sougo and everyone again.

Me: It'll be so awesome Tsukuyomi.

Nico: It sure will.

William: Anyone else want to go with Maxxine? Besides Wes and 1 Rabbid?

May: Well I want to go too and so does Double D and Iron Man.

Edd: Oh yes it will be most fun for us.

Nico: It sure will and Megan Kiraton and Sophia will want to go as well.

Sophia Nuremburg: Yes we do.

Megan Kiraton: You bet I do.

Nico: Cool.

Maxxine: This is gonna be awesome to meet the Zi-O Kamen Riders.

Me: Yep.

Nico: All right lets head on over there!

We were off to Japan.

We arrived in Japan and Sougo saw us.

Sougo: (sees Maxxine) Excuse me. I don't think I've seen you around here before.

Maxxine: Oh that's all right. I've been here many times before. Are you Sougo Tokiwa?

Sougo: I sure am.

Maxxine: Oh my name is Maxxine Stennson and it's awesome to meet you.

Me: She is also with us. Sougo it's an honor to meet you. We are Team Loud Phoenix Storm.

Sougo: Wow! It's an honor to meet you! And Nico it's awesome to see you again.

Nico: Same to you.

May: We heard so much about you and we are absolutely honored to meet you too.

Tsukuyomi: Sougo its been a while.

Sougo: Tsukuyomi! Wow!

Poromon: Hello, Sougo! Hello, Geiz!

Sougo: Poromon!

Geiz: You are as cute as ever.

Poromon: Thank you.

Me: But it's awesome to meet you all. The team for Zi-O is back together.

Eli: Boy it sure is. Tsukuyomi has been a huge and big help to the team.

Me: You won't believe how we found her.

Geiz: Where's your partner in crime?

Poromon: Poliwag's at the Estate.

Geiz: I see.

Sougo: How about we show you our base?

Me: Sure.

We followed them.

We arrived at the base of Zi-O.

Sougo: Here we are.

Nico: Just as good as I remember.

Me: Nice place.

Eli: I'll say.

Maxxine: Sure is a cool place.

Geiz: It sure is. And it's home.

Me: Cool. But we have so much to tell you guys.

We sat down.

Me: These last few weeks we have been meeting your fellow Kamen Riders and they are absolutely incredible.

Geiz: They sure are.

Sougo: Which Kamen Riders have you all met?

Me: We met Hibiki, Kabuto, Den-O, Kiva, Decade, Gaim, OOO, Saber, W, Ex-Aid and now you guys are the 10th group of Kamen Riders we met so far.

Nico: That's right.

Me: And we're almost finished with Phase 1 of our Kamen Rider Ambassador Missions.

Poromon: Yeah it's awesome.

Nico: Have you guys ever heard of the 20 Days of Darkness?

Geiz: I have and those were really awful for you guys.

Eli: They sure were. But some of the Kamen Riders helped us out big time during that time.

Me: They sure did. And we owe you guys a huge debt for it too.

Sougo: That is awesome that some of us helped you out.

May: It sure is.

Geiz: Maxxine, I don't know why. But I sense something inhuman inside you.

Maxxine: That's because I have Queen Nail in me.

Me: This is what she looks like.

I showed a hologram of her.

Me: Queen Nail is a creature called a Nyamuragiran Scorpioclaw. The Nyamuragiran Scorpioclaw comes from the volcano planet Nyamuragira. Named after Nyamuragira Volcano in the Democratic Republic of the Congo (Formerly Zaire), Planet Nyamuragira is located in the unknown zone of the universe 82 quadrillion light-years away from Earth. It is home to over 100,000 volcanoes that are all active and the sky is a storm filled with lightning. Volcanoes erupt all day long.

Geiz: Wow! That is amazing!

Sougo: That is reall cool!

Nico: It sure is.

Me: Oh I'm sorry some of us haven't introduced ourselves.

Edd: Greetings to you. My name is Eddward. But everyone calls me Double D. My name Edd has two D's.

Iron Man: I'm Tony Stark but you know me as Iron Man.

May: My name is May Chan and I'm Nico's awesome wife.

Megan Kiraton: I'm Megan Kiraton and I'm a huge Kamen Rider fan and I'm also a gene-slammer of the Poison Butterfly.

Sophia Nuremburg: I'm Sophia Nuremburg and I am an experiment that went to the world of Kamen Rider Build and I'm helping everyone be prepared for them in the future.

Me: Long story on that.

Eli: I'm Eli Winston Bullock and I'm J.D.'s little brother.

Me: We're not related by blood, but I've been looking out for him since he was little.

Wes Collins: And my name is Wes Collins, Leader of the Time Force Power Rangers.

Me: You might know them as the Timerangers here in Japan.

Geiz: Wow it's awesome to meet you all.

Wes: (sighs) And this is a Rabbid.

Me: Rabbids are really funny but they aren't the brightest light bulbs in the closet if you know what I mean.

Nico: They are really funny though.

Sougo: I guess you know why you were chosen as an ambassador for these missions. The two of us had evil destinies set up by evil people. But we used the powers related to said destinies for good.

Geiz: Ironic, isn't it? You were supposed to become Ohma Zi O, an evil king. And instead, you used his power to ultimately help the people you cared about. Including me.

Nico: That is very ironic.

Maxxine: Yeah no kidding. I was slammed with a creature that made me into a monster. But Queen Nail is no longer a monster anymore. She is my friend. And an awesome partner.

Eli: That's right. The Shredder did that to her.

Me: Now we are free of that monster for good.

May: Thank goodness.

Nico: Yeah no kidding.

Me: Maxxine has awesome friends inside and outside too. And now Sougo has a power that can save many people all at once as well.

May: Sougo, your dream to be a kind king? It's actually a good one. And as for the demon part, not all demons are bad.

Sougo: I'm glad to hear that from you, May. (sighs) I wish Woz were here to see you guys right now. But he's traveling the world at the moment.

Geiz: Honestly, I really do miss him.

Tsukuyomi: Really? You always seemed to hate him.

Geiz: Hey, I might have disliked the guy at first. But I grew to respect him.

Nico: Well, I'm sure you can tell him that when he comes back.

Me: But Woz is really awesome. I loved all those Rejoice lines he said. It reminded me of what a Squire would say from 1,000 to 1,500 years ago.

Eli: That is really awesome.

May: Yeah I love those lines too.

The Rabbid tried putting the Wizard Ridewatch on his wrist.

Geiz: Sorry, little guy. But you're too tiny to be a Kamen Rider.

Me: (Laughs) Got it admire his spirit though.

Eli: Yeah.

May: By the way did you meet Clyde and Syd?

Geiz: We sure did and they are helping us big time with the Timejackers.

Me: Awesome. My plan is really working perfectly. I gave them a really big mission to keep your friends the Timejackers busy till we meet you guys on the big day. Sometime later in September.

News reporter: Breaking news: What appears to be a monstrous version of Kamen Rider Build is on a rampage!

Sougo: Once again, Another Build's the start of a new era for me.

Me: Yep.

We saw that it was a Another Build AnotherRider!

Me: If Maria saw this she would be pissed!

Nico: No kidding.

Eli: Wait! I sense that someone familiar is that Build Another Rider.

Sougo: Who is it?

Eli then gasped.

Eli: It's Jock Jockerson!

WE GASPED IN SHOCK!

Me: Jock Jockerson!?

Nico: Oh boy!

We went and faced him! We faced him in the park!

Wes: Alright! Who are you?!

Another Build: (chuckles) Oh, don't tell me you've forgotten all about me!

Another Build detransformed and we were shocked to see who it was.

Nico: Jock?!

May: Not this clod!

Eli: You have a lot of nerve coming back here Jock!

Me: Especially after everything you did you big buff jerk!

Jock: You punks cost me everything! I was gonna be the hero everyone in Cornbury looked up to! And me and my pals were going to make sure you all were obsolete!

Me: That is total bullshit and you know it!

Sougo: You think being a hero is about fame?! No! Being a hero means protecting lives and showing compassion for others.

Jock: (laughs) Tough words, King Boy! I'll see if I can put them on your tombstone!

Me: Not if I put them on your tombstone first! Jock Loserson!

Nebula gas surrounded Jock before he came Another Build again.

Another Build: Believe me, Team Loud Loser Storm. This time, you're not gonna be taking my life so easily!

Nico: We'll see about that!

Sougo: That's what you think! Henshin! (presses the activator button of his ridewatch)

Zi-O Ridewatch: Zi-O!

Sougo inserts the left track of the Ziku Driver, presses the button on the top of the unit, and spins the front around, all the while an intricate clock face forms behind him

Ziku Driver (Zi-O): Rider Time! Kamen Rider! Zi-O!

As the Ziku Driver makes it's announcement, the clock face formed behind Sougo forms into a silver and black armor with pink accents, followed by the famous pink text visor settling into place.

Geiz presses the button on the top of his Ridewatch, activating it

Geiz Ridewatch: Geiz!

Ridewatch activated, Geiz slides the timepiece onto the right side of the Ziku Driver, much like Tsukuyomi before him. But instead of an astrolabe construct, the clock construct forming behind Geiz as he presses the button atop his Ziku Driver resembles a digital clock

Geiz: Henshin!

Geiz grabs the front of his Ziku Driver and spins it 360 degrees, causing the clock construct behind him to explode into yellow text and a mixture of red, yellow and silver watch bands, that eventually consolidate into Geiz's familiar red armor with yellow visor.

Ziku Driver (Geiz): Kamen Rider! Geiz!

Wes: Time for Time Force!

Wes went Time Force Red!

Me: Time to kick your butt like we did before! KIBAL LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON 🌙!

Just then, a familiar prophet appeared.

Woz: Rejoice! He is the one who inherits all Rider powers. Not only has Sougo Tokiwa taken up the mantle of Kamen Rider Zi O again.

But he has also joined forced with Team Loud Phoenix Storm! Including my old friends, Nico and Poromon! Truly, a new chapter indeed!

Nico: It sure is.

Me: Those are the lines I love!

Sougo: (shocked) Woz?

Woz: (smiles) My Demon King. Did you miss me?

Sougo hugged Woz out of happiness.

Sougo: Woz! I missed you man!

Woz: (laughs) My demon king, I missed you as well.

While this was going on, Another Build used his powers to try and take my powers. But he only copied them. Nevertheless, he consumed the new Fullbottles he got, which had Bane and Abomination's faces on them.

Bane! Abomination! Best Match!

With Bane and Abomination's super strength, he charged at Sougo while he was hugging Woz only for Geiz to kick him away.

Geiz: Woz, I'm honestly happy to see you too. But can the reunion wait until after Jock's dealt with?

Me: So he has bottles based on the Masters of Evil! This could be very useful for us later.

Nico: Yeah it will!

Me: You think you're so big and tough under all those muscles and that ego but all I see when I look at you Jock is nothing but a whiny little baby who thinks he is so big!

I slashed him all over the place.

Me: Try this one! WOLF MOON STYLE NINJA ART: BLADES OF

THE WOLF CRESCENT!

I fired blades of energy and blue fire and blasted and slashed Jock all over and then in a huge explosion all 310 core Fullbottles of the Masters of Evil came out and we caught them.

Me: Awesome! These are Masters of Evil Bottles. Lord Drakkon for me.

Nico: Myotismon for me.

Eli: Baron Mordo for me.

May: Loki here.

Edd: I got Zs'Skayr. Intriguing.

Iron Man: Grizzly too.

Maxxine: Mummy for me.

Tsukuyomi then avoided a psychic blast and saw the shooter.

Tsukuyomi: Ora!

Ora: (smirks) Welcome home, Tsukuyomi

Woz: My demon king! You, JD, Geiz, and Iron Boy deal with Another Build. Me, Lady Maxxine, Tsukuyomi, and Nico will deal with Ora. (activates Ridewatch)

Action! Touei! Future Time! (Chinese-themed electronic music) Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

Me: YEAH!

Nico: Lets do it!

Me: And besides we got an old score to settle with him anyway.

Maxxine: And Lady Maxxine I like that.

Me: Makes it sound like she is a princess.

Sougo: You're about to see one of the Ridewatches in action. (activates W Ridewatch)

Rider Time! Kamen Rider Zi-O! Armor Time! (Cyclone Memory-styled rock music) Cyclone! Joker! W! (low-pitched Joker Memory orchestral hit)

Sougo now donned W armor!

Me: Awesome! W was Nuju's missions last week. Philip and Shotaro would be proud.

Geiz: (activates Hibiki Ridewatch) Save some for me!

Rider Time! Kamen Rider Zi-O! Armor Time! (Orchestral fanfare mixed with Onkaku ringing) Hibiki!

Geiz had donned Hibiki Armor.

Me: YEAH! And Hibiki was the first of the Kamen Rider Ambassador Missions we did.

Sougo: That is really cool!

Me: Yep.

Nico: Ora! Have you been a good girl?

Ora: Why am I not surprised to see you here, Nico?

Nico smirked and then gave Ora a wet willie.

EEEWWWW!

Ora: HEY! STOP THAT!

Nico: (laughs) Oh, c'mon! I missed doing that to you!

Clyde and Syd came!

Clyde: Looks like the fun started!

Syd: Yeah it has!

Nico: Just in time guys!

Another Build used Dr. Polaris and Magneto's magnetic powers to magnetize Iron Boy and smack him to the ground several times.

I punched and kicked and slashed him all over.

Sougo: We may have gotten his Fullbottles. But he must've drank several of them before we confronted him. The powers are still in effect.

Another Build: Ha! Face it, Iron Loser! You don't have a chance against-

Geiz: (punches him from behind) Your gloating was all I needed to sneak up on you.

Me: And another thing, I'll be taking those powers back! Because THEY DON'T BELONG TO YOU!

I slashed him with an upright slash and then the rest of the bottles all came out and I got them.

Another Build: NOOO!

Ora tried to punch Maxxine but she caught her fist.

Ora: We might be enemies. But I do respect your bravery for fighting me even though you're an ordinary girl.

Maxxine: From you that means a lot. But I'm more than just an Ordinary girl!

Maxxine then had her eyes change yellow and she transformed into QUEEN NAIL!

Ora: WHAT THE FUCK!?

Queen Nail: I'm also Queen Nail!

Sougo: Now, we just have to get him knocked out of his Another Build State!

Me: Lets use a combo on him Sougo.

Sougo: You got it!

Me and Sougo: WOLF MOON ZI-O KAMEN WOLF PACK FIRESTORM!

Me and Sougo fired a wave of fire and it formed into Kamen Riders from over the course of 50 years on Wolves and they smashed into Another Build and he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked out and I caught his Kamen Watch!

Me: Cool! I could use this.

Ora placed the Kiva AnotherRidewatch into Queen Nail.

Ora: (smirks) Now, accept your destiny as Kamen Rider Kiva.

But then, the AnotherRideWatch popped right back onto her hand.

Queen Nail: Sorry. But I'll become a Kamen Rider the right way.

Ora: I suggest you lower your powers and accept your destiny. Otherwise, you won't like what I do with this next.

Queen Nail: Like I said, not happening.

Ora: Very well. You can do with the buffon as you wish. We will meet again.

Nico: Ora, you don't have to keep serving Swartz, you know? I admit you've killed a few people. But you can still change for the better.

Ora: Thank you for the offer. But I tried going against Swartz before. It didn't end well. (walks away)

Clyde: Hang on. We're not done with-

Woz: (stops him) Leave her. I know what she plans to do with that AnotherRidewatch next.

Nico: I think I have an idea.

Queen Nail: Me too.

Jock: I may not have my Another Build powers anymore. But I can stil t ake my true form. As Iron Maniac!

He pressed a button on his wristwatch and turned into Iron Maniac before firing repulsors at us. But we dodged them.

Iron Maniac: How do you like my newly recreated armor, Team Loud Loser Storm?! I think I feel at one with it!

Sougo: Well, it's not the first time one Another Rider had a second form.

Me: Like we didn't even see that coming!

Iron Maniac tried to fly above us but Geiz grabbed onto his legs.

Geiz: You call yourself the new Iron Boy and the New Kamen Rider Build?! You're a disgrace to both legacies of the originals! Heroes don't bully people. They protect them!

Me: And another thing Jock!

I jumped and slashed Jock's suit and shredded it into a million pieces!

Me: You don't deserve to call yourself a hero! LOSER!

His suit was destroyed!

Nico: And another thing, I have 2 people here to see you.

Jock's mom and dad came and THEY WERE NOT HAPPY AT ALL!

Sougo: (grabs Jock's wristwatch) You don't deserve this armor!

Sougo took it and gave it to me.

Mrs. Jockerson: I can't believe you were our son!

Mr. Jockerson: You are nothing but a heartless monster in human flesh!

Jock: But mom, dad!

Mrs. Jockerson: Don't you DARE CALL US THAT EVER AGAIN!

Mr. Jockerson: WE WERE NEVER YOUR PARENTS YOU FUCKING MONSTER!

Mrs. Jockerson: After everything you did during the 20 Days of Darkness and to Tyler and his friends you don't deserve anything! We are officially disowning you!

Mr. Jockerson: And you don't deserve to live another second!

I gave May my dagger to use on him.

Me: Go get him.

She took it.

Sougo: So, Maxxine. Now that Jock's threat is dealt with, wanna tell me about your background history?

Queen Nail: Sure but let me revert back first.

She reverted back and was human again but this time her clothes stayed on.

Me: Nice to know my spell works.

Maxxine: It does.

She revealed her history about how she was born into a very rich family and how she got slammed and more and all that. She came from a rich family and her father and mother were both got their fortune in computer engineering and they were awesome in making computers. Maxxine was going to college in learning all about how to be an engineer and the Shredder interrupted those plans. And the rest is history

Sougo: Woz, now that you're back, what do you plan on doing?

Woz: (smiles) My demon king. You may no longer be on the path to becoming Ohma Zi O. And these may now be times where you're free to kill evil human beings. (bows) But one thing that remains the same is my loyalty to you. Now and forever.

Me: That is true loyalty right there.

Then May KICKED Jock right in his crotch and then she stabbed him and disemboweled him and then she stabbed him in his heart and neutered him and it was painful for him! I used the King Midas Vengeance Curse on Jock and turned him into a solid gold statue and then Eli banished him to the Black Gates forever.

Nico: Good riddance.

May: That was for kidnapping me!

Me: Yeah you jerkass!

His spirit then appeared and Eli used the Black Gates on him.

Later we went back home.

William: Hey guys. How did it go?

Me: Really awesome!

I told everyone everything and it was both shocking and amazing.

William: Whoa! So Jock came!

Plankton: Wow! So that's one of my former teammates gone.

Me: Yep and 4 more to go.

Laney: Good riddance to that jerk.

William: Tomorrow, Joe Shimamura and Hassleberry should go with you.

Maxxine: Cool!

Me: This will be awesome.

Maxxine: (to Sougo) By the way, expect to see us tomorrow.

Me: We have you guys twice in a row because it's odd days today and tomorrow.

Sougo: I get it!

---

Later we were in our park and we had some fireworks.

Nico was doing something crazy!

Kalus: Nico, what the Hell are you doing?!

Nico: I took 10 M80s and stuck them all together.

UH OH!

Satsuki Uchiha: Are you trying to fully obliterate yourself?!

Nico: No I wanted to make a new firework. I call it Nico's bunker busting mega ultra super…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded on his hand and Nico screamed in pain!

Nico: (SCREAMS) HOLY CRAP!

NICO HAD ALL HIS FINGERS ON HIS HAND BLASTED OFF AND IT HURT LIKE A SON OF A BITCH!

Me: OH MY GOD! You blew off all your fingers!

Joe Swanson: What happened? (See's Nico's hand) OH MY GOD!

Nico: (laughs weakly) Oh, look at all my fingers. My poor fingers. Now, I've got no fingers left.

Cybertron Ransack: YOU THINK THIS IS A JOKE, BOSS?!

Maria: YOU NEED TO HAVE THAT LOOKED AT!

Nico: No need Maria.

Nico then regenerated all his fingers that were blasted off.

Nico: There.

Lola: Wow! That is awesome!

Outback: Geez, you almost gave me a Spark attack!

Nico: Sorry guys. But that was cool doing that.

Me: Also I didn't know Cybertronians can have heart attacks like that.

Outback: Yeah we have different anatomical structures than humans.

Nico: Wow.

Eli: Yeah.

Nico: But that was silly though.

May: Nico?

Nico: Yeah may?

POW!

May punched Nico in the face!

May: YOU IDIOT! What the hell were you thinking doing that?

Nico: Sorry but I deserve that.

Lois: You know Nico, Peter did the same thing and that happened too to him too.

Nico: That is stupid.

Lincoln: Nico, I AM glad that Jock's been dealt with. But I hope you realize that Ora's still out there, free to use the Kiva AnotherRidewatch for any purpose.

G1 Bombshell: Look, if Nico trusts Woz's judgement, so should the rest of us.

Maria: (growls) Stupid Jock making fun of Sento!

Me: I know what a clod! But he's gone for good now Maria. Thank goodness.

Lola: Yeah that big muscle-bound jerk had it coming.

Laney: Yeah! But this is cool that we have bottles for the Core 310 of the Masters of Evil.

Lana: It sure is cool.

Nico: Yeah it sure is. Anyway it's time to get ready for our next mission.

Me: What is it this time?

Nico: We are picking up a magical disturbance in New York City. There's a huge surge in magical energy there.

Me: I have a bad feeling about this guys.

Then Golden Glider, Machinedramon, Skulker, Patty & Selma, Professor XXXL, Grizzly, Zzzax, Mumbo Jumbo, Scorpion, and Kitty appeared.

Golden Glider: Can me, Machinedramon, Skulker, Patty & Selma, Professor XXXL, Grizzly, Zzzax, Mumbo Jumbo, Scorpion, and Kitty go with you guys?

Nico: You sure can. We're going to meet Balthazar Blake.

Eli: From The Sorcerer's Apprentice!? Oh wow I love that movie!

Me: Me too! That was an awesome movie!

Laney: Yeah it was!

King Mickey: It was nothing like what I did in Fantasia but it was just as amazing.

Teresa: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Well we have Skylanders Gene-slammers now so lets do one for Dark this time. Lets do one for Knight Mare next.

Me: Cool!

Knight Mare: This will be really awesome to see. A gene-slammer for one of me.

Nico: It sure will.

Lola: Wow!

Brittney: So it'll be one of the users of Darkness that goes with you next.

Nico: Yep.

Princess Luna: This will be interesting to see too.

Nico: Yep. First we're going to watch the movie for The Sorcerer's Apprentice and then we're going to head out.

Me: Cool!

Golden Glider: Lets get watching it then.

We went to the Living Room and we got to watching it. Lisa was out cold on the couch from a sugar crash from eating too many skittles.

In 740 AD, in England, the mighty magician Merlin has three apprentices; Balthazar Blake, Veronica Gorloisen and Maxim Horvath. Horvath betrays his master by joining forces with the evil sorceress Morgana le Fay. Morgana mortally wounds Merlin before

Veronica is able to rip Morgana's soul from her body and absorbs it into her own. As Morgana attempts to kill Veronica by possessing her from within, Balthazar stops her by imprisoning Morgana and Veronica in the "Grimhold", a magic prison in the shape of a nesting doll. Before dying, Merlin gives Balthazar a dragon figurine that will identify the Prime Merlinean, Merlin's descendant and the only one able to defeat Morgana. While he searches for his descendant throughout history, Balthazar imprisons Morganians, sorcerers who try to release Morgana, including Horvath, into successive layers on the Grimhold.

In 2000, in New York City, the Prime Merlinean is revealed to be 10-year-old Dave Stutler, who encounters Balthazar in his Manhattan antique store, after straying from his school field trip. When Balthazar gives Dave Merlin's dragon figurine, the statue comes to life and wraps itself around the boy's finger to form a ring. When Balthazar goes to retrieve a book meant to teach magic, Dave accidentally opens the Grimhold, releasing the imprisoned Horvath. While battling for possession of the Grimhold, Balthazar and Horvath are imprisoned in an ancient Chinese urn with a ten-year lock curse. Dave is then ridiculed by his classmates when he claims he saw magic, only to find the shop empty. He is faced with severe bullying, and is misdiagnosed with hallucination caused by a "glucose imbalance", whilst nevertheless keeping the ring.

Ten years later, Dave, now 20 years old, is a physics student at New York University, and meets his childhood crush Becky. He immediately becomes smitten with her, and repairs the transmitting mast of the radio station she works at after it is struck by lightning. The ten-year imprisonment curse of the urn ends, releasing Horvath and Balthazar. Horvath pursues Dave and the Grimhold. Balthazar rescues Dave, riding an animated steel eagle adapted from a Chrysler Building gargoyle. Dave initially refuses to help Balthazar, having been under psychiatric care since their first meeting, until Balthazar agrees to leave after finding the Grimhold. They track the Grimhold to Chinatown, where Horvath has released the next Morganian, Sun Lok. Dave defeats Sun Lok, and Balthazar retrieves the Grimhold. Dave changes his mind, deciding that he likes magic after all, and agrees to become Balthazar's apprentice. He also becomes romantically involved with Becky against Balthazar's wishes and advice, impressing her by playing the OneRepublic song "Secrets" with the Tesla coils he has been experimenting with.

Horvath enlists a youthful Morganian, celebrity magician Drake Stone to get back the Grimhold. They attempt to kill Dave, but Balthazar saves him. Cued by Horvath, Dave demands to know the truth about Balthazar's quest. Balthazar reveals that Morgana is trapped in the Grimhold with Veronica. Morgana, if freed, would cast a spell called "The Rising", which would revive sorcerers from the dead and enslave mankind. As Prime Merlinian, Dave will become powerful enough to cast spells without his ring (a focus, which for any other magician is the only way to channel their magic), and is the only one who can stop her. Despite Balthazar's disdain of his relationship with Becky, Dave convinces to allow him to meet her for a date. Dave tries to use magic to clean his lab, but loses control of his animated cleaning mops, which forces him to cancel his date with Becky. He is saved because of Balthazar's intervention and, disillusioned, decides to give up on magic, until Becky unknowingly changes his mind. He returns to his underground subway lab, just as Drake and Horvath try to kill Balthazar and steal the Grimhold. Horvath, having no more use for Drake, casts a parasite spell and steals Drake's magic and his ring.

Horvath releases the witch Abigail Williams, uses her to kidnap Becky at the radio station, then steals her magic and pendant focus. He threatens to kill Becky, therefore forcing Dave to surrender the Grimhold and his ring. Balthazar goes after Horvath in Battery Park, sure that Dave, without his ring, will be killed. Horvath releases Morgana, who begins the Rising Spell while Horvath animates the Charging Bull sculpture and commands it to attack Balthazar. Dave arrives and stuns Horvath with a Tesla coil tied to Balthazar's car while Balthazar's eagle flies away with the bull. Becky disrupts the Rising Spell, stunning Morgana. Balthazar takes Morgana, body and soul, from Veronica into himself, but Morgana escapes and tries to incinerate them. Dave attempts to stop her without his ring and succeeds, proving that he is the Prime Merlinean. Morgana shoots plasma bolts at the three and overwhelming Balthazar and Veronica's shield spells, kills Balthazar when he bodily intercepts a bolt meant for Veronica. Dave makes another, larger Tesla coil out of the square's lamp posts and power lines to overwhelm her and then fires a plasma barrage, which finally destroys her. He revives Balthazar by restarting his heart with plasma shocks, and Balthazar reunites with Veronica. Dave and Becky kiss, and fly to France for breakfast on Balthazar's eagle.

In a post-credits scene, Horvath retrieves his hat from Balthazar's shop.

---

When the movie was done we cheered wildly!

Me: Yeah! Awesome movie!

Laney: Always so awesome!

Patty: I think you guys have met Balthazar Blake before.

Selma: When you guys first met the Ghostbusters.

Me: Yes we sure did.

Camie: Get out! You guys met the legendary Ghostbusters!?

Me: We sure did and we helped them destroy Morgan Le Fey.

Tsuyu: That is so awesome!

Nico: It sure was!

Me: Now we know who are target is. But this is no ordinary sorcerer we're going to face guys. This is Morgan Le Fey and she is the most powerful evil sorceress that ever lived.

Nico: Yeah she is no laughing matter.

I went over her history.

---

**Morgana le Fay** is the main antagonist of Disney's 2010 live action fantasy adventure movie *The Sorcerer's Apprentice* . She is a legendary baneful sorceress who is aided by certain wicked spellcasters Maxim Horvath and Abigail Williams in her plan of raising the souls of the evil dead sorcerers ("Morganians" named after her) and destroying the world.

She was portrayed by Alice Krige, who also played Mary Bradyin *Sleepwalkers*, Christabella in the live action *Silent Hill* film, Gillian Booth in *Law & Order: Criminal Intent*, the Borg Queen in *Star Trek First Contact*, and Holda in *Gretel & Hansel* .

Morgana, once known as **Morgan Pendragon**, was a powerful witch and also the former apprentice of the legendary wizard named Merlin. After discovering her witchcraft abilities, Morgan asked Merlin to teach her magic and train her in the sacred arts of sorcery. As Merlin helped Morgan gain control over her powers, for years Merlin looked after Morgan with love and care, until she eventually betrayed him by practicing dark magic.

Morgana later engaged in an igniting feud against Merlin for quite some time, which culminated to latter's death. Merlin's hesitation when he overpowered her in their final duel and Veronica Gorloisen's decision to use the Human Fusion Spell on the powerful with indicated an unconfirmed history with the two; it is implied that Morgana was the senior to her fellow apprentices Balthazar Blake, Maxim Horvath, and Veronica Gorloisen, and that she formed a significant bond with Veronica as much as with Merlin. Unfortunately, their relationships became sour following Morgana's vile betrayal and foundation of Morganians, believing that spellcasters were more important than humanity. Regardless, she schemed to enslave the human race by casting a dark and powerful spell known as The Rising that would bend them to her will with the aid of the dead souls of past evil conjurers.

She succeeded in killing her mentor with the help of another traitor, a former Merlinean named Maxim Horvath. Her last words to Merlin, were "I am no one's servant.". Later she tried to kill Merlin's two apprentices Balthazar Blake and Veronica Gorloisen, Veronica sacrificed herself by absorbing Morgana's soul into her via the Fusion Spell and her lover Balthazar locked them both in the Grimhold.

Centuries later when Horvath succeed in breaking the final shell of the Grimhold with the energy of both the foolish and irrational illusionist named Drake Stone and the malevolent and cruel witch named Abigail Williams, Morgana, while possessing Veronica's body, was set free. She was able to perform the Rising ritual in order to raise the dead. As she busily chanting incantations, Balthazar comes to stop them, but is immediately overpowered by Horvath.

Luckily Becky, Dave's girlfriend's disturbed the antenna of one of the positioned satellite dishes and the signal that was to perfect the dark ritual, thus The Rising was incomplete. At the same time, it rendered both Morgana and Veronica unconscious just as Dave disarmed Horvath with a Tesla Coil, allowed Balthazar to blasted him aside.

Balthazar then absorbed Morgana's dark soul into himself using the same magic spell known as the Human Fusion Spell (also known as the Fusion Spell) to free Veronica. He then begged both her and Dave seal him and Morgana inside the Grimhold. Both Balthazar and Veronica were unwilling to do it, but suddenly, Morgana possessed Balthazar to taunt them, before broke free and escaped his body and materialized into a ghostly form of herself, composed of electron dust.

Morgana then attacked both Balthazar and Veronica in an act of revenge by unleashing a huge stream of fire, but is stopped by Dave, whom finally awakened his Prime Merlinean powers, conjured a fire shield to protected his fellow Merlineans. Undaunted, Morgana fires plasma bolts on her enemies, and as she attempted to fire another plasma bolt on Veronica, Balthazar unexpectedly jumped to its path, and mortally wounded as result.

With no one stood between them, the two spellcasters ultimately fought and David won by using the electric power of his makeshift Tesla Coils and his Prime Merlinean powers to exploit Morgana's weakness and destroyed her once and for all.

---

When I was done everyone was shocked.

Beekeeper: And she probably still remembers how we defeated her.

Me: Yeah! Morgan Le Fay has always been like an Elephant that Never Forgets. (To Raj) No offense.

Raj: (Indian Accent) None taken J.D.

Me: Yeah. Morgan Le Fay is also a really dangerous master of magic. She is not to be taken lightly as she is not called the most powerful evil sorceress that ever lived for nothing.

Nico: Yep. But lets head on over there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Duncan Alarie, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Duncan Alarie on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off.

Elizabeth Gryffindor: So, Duncan Alarie's finally on the move? Perfect, now, we have our chance to stop him once and for all.

Lincoln: That's right, Elizabeth, and he's going to regret messing with a true user of magic and the dark arts, not to mention what he did in using forced mind control on Risky Boots and making a dark alliance with The Black Vipers Gang of Great Lakes City.

Nico: You said it, big guy.

Eli: I hope Elizabeth turns him into a slug.

Lincoln: He sure is a total slimeball, Eli, but we'll just settle with imprisoning him just like what we had done to Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, and Douglas Griffin.

The Dark World black tarot box Nicholette had in her hands shook as Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, and Douglas Griffin screamed in insane rage.

Risky Boots: That monster's going to pay for mind-controlling me and forcing me to attack others for his own sick amusement.

Lincoln: That he will, Risky Boots, and he's going to regret crossing all of us, he and the rest of those Church of Necrom monsters.

Nico: And like you said, you guys are going to bring them to justice first, and then, you'll avenge all those they've killed, especially if they wind up getting a death sentence for their crimes in court.

Lincoln: That's right, Nico.

Me: And I hope you guys have got a way to kill them, once they get sentenced to death.

Lincoln: Ah, ah, ah, J.D., we're not going to give any spoilers, that'll ruin the surprise.

We were off to New York City.

---

NEW YORK CITY, NEW YORK

---

We arrived in New York City.

Nico: Here we are guys.

Me: Yep. New York City.

Eli: This is gonna be so cool.

Kitty: Maxim Hovarth is probably working for her too.

Me: Then we'll have to be ready for him too.

Nico: Its been a long time since we saw Balthazar.

Me: It sure has been a while.

Dr. Strange: But he must be doing okay too.

Nico: We'll find out.

We arrived at Balthazar's shop.

Me: Wow.

Balthazar: There's a bunch of familiar faces.

Meowth: Hey there, Balthazar!

Me: Been a long time Balthazar. How have you been?

Balthazar: Really good thank you. Wow you guys have increased in numbers since I helped you guys with the Ghostbusters.

Me: I know we've been really busy.

Eli: Yeah it sure has been a while.

Balthazar: I was kept up to date on your adventures and they have all been really amazing. You guys have done so much.

Me: Yeah that is an understatement.

Mumbo: I just happen to be a magician as well.

Balthazar: That I know Mumbo and it's awesome to meet a great one.

Mumbo: Oh why thank you.

Me: By the way Balthazar I take it you heard that the Church of Necrom is causing a lot of trouble for us.

Balthazar: I sure have and I've been trying to figure out how to destroy them.

Me: Well it looks like Lincoln and the Dark World Goths are already way ahead of you.

Lincoln: Yeah we sure are.

Lisa was on his back and she was snoring loudly and her stomach was grumbling.

Balthazar: What's with Lisa?

Me: Sugar Crash. We went to a planet made entirely out of Skittles this morning and she ate too many of them and she was out like this for over 4 hours now.

Nico: Wow.

Mumbo: That is so cool that you guys went to a planet made of skittles. That's one of my favorite candies.

Me: Mine too.

Balthazar: That is amazing that you guys are seeing planets made of food.

Me: I know and we always get hungry every time on them.

Nico: Boy do we ever.

Metal Man: Quick question. Did you know Dumbledore before meeting us?

Balthazar: As a matter of fact I sure do and I know him now. He is a great friend of mine.

Me: That's right you lived for over 1,300 years and that is so amazing.

Everyone: Wow!

Laney: That's amazing!

Lola: You're immortal? Wow.

Balthazar: Yes I am.

Sir George: That is great that we have a fellow immortal with us.

Me: Yeah it sure is Sir George.

Scorpion: A lot of things happened since J.D. and the others first helped out the Ghostbusters. Just this morning, J.D. and the others met the Zi- O Gang.

Balthazar: That is amazing and Nico I heard about you becoming Leader of the team earlier this year. You have my congratulations and Sheila and Eric you have my congratulations on your big wedding.

Sheila Loud: Thanks Balthazar.

Eric Loud: It was a really eventful wedding for us.

Me: Yeah no kidding.

Camie: But it's so awesome that we have all gone on so many awesome adventures.

Lemmy Koopa: How's Dave doing?

Balthazar: He's doing really well. He and Becky are on a date now.

Me: That's awesome that they are a couple. I think it's really cool that Becky is dating your awesome apprentice.

Balthazar: Yes it sure is.

Me: We also know a lot of magic too. Watch.

I fired a beam of energy and it turned a broom into a bunch of gold bars.

Balthazar: That's amazing!

Me: Our powers have been evolving tremendously over the years and we learned so much.

Nico: Yes we sure have been learning a lot.

Professor XXXL: Want a snow cone?

Balthazar: Why thank you.

He took one and it was good.

Balthazar: So, what else have you guys been up to?

Nico: Well, after we wasted Jock, we got 310 Fullbottles based on the core Masters of Evil members.

Skulker: Say what?

Me: Yeah Jock Jockerson came back and he was turned into AnotherBuild and we discovered that he had Fullbottles based on you guys.

Lily pulled out a case and in it was all the bottles for them.

Skulker: Wow! That is amazing!

Laney: Yeah it sure was when we heard about it.

Lana: It was really awesome though.

Me: We should explain the reason why we are here. We found out that Morgan Le Fay may somehow be coming back.

Balthazar: Yes I'm aware of that. Horvath is planning to resurrect her and bring her here so she can destroy everything.

Nico: Not if we have anything to say about it.

Me: Yeah. But we can't fight her and Horvath in the middle of a densely populated city as big as New York. So we'll have to take the battle to another planet to avoid having people get caught in the crossfire.

Nico: Good idea.

Dirge: There's also that punk, Drake Stone.

Nico: Yeah and we have to make sure he doesn't hurt anyone else too.

Laney: Yeah.

Qin: We have to get ready for anything that comes our way.

Grizzly: Can you tell Dave about this?

?: Tell me what?

We turned and we saw Dave Stutler and Becky!

Me: Dave! Wow!

Dave Stutler: Hey J.D.!

We went over high five and hugged.

Me: Awesome to see you again.

Dave Stutler: Same here.

Me: Oh guys I forgot to mention. Dave is my New York High School Buddy that I met online in a chat room.

Nico: Oh cool!

Top Man: By the way, Horvarth's back.

Dave Stutler: What!?

Me: And it gets worse. So is Morgan Le Fay.

Becky (SA): Oh man! That's bad!

Me: Yeah and now we are here to stop them.

Eli: Morgan is not going to get away with this.

Zzzax: Wanna head out to help stop them?

Balthazar: Absolutely.

Dave Stutler: Yeah we do!

Becky (SA): I've had enough of that witch to last an eternity!

Me: That's the spirit!

Nico: Lets go guys!

We were off.

We then came to an abandoned warehouse where the magic disturbance was at its strongest and then we were stopped by DRAKE STONE!

Nico: Drake Stone!

Astrotrain: Out of the way, Stone. We're not fighting you with so many people around.

Drake Stone: Not giving you guys a choice. Plus, I get to Use the area to my advantage.

Kamen Ride!

Roxy: I know that call anywhere!

Out came the Decade Kamen Riders!

Me: Hey guys!

Tsukasa: Awesome to see you all here.

Nico: Yeah!

Tsukasa: Don't worry about us. We'll take this jerk. (Takes out Rider card Of Kamen Rider Kabuto)

Kamen Ride: Kabuto!

He turned into Kamen Rider Kabuto.

Daiki: (takes out rider card of Ibuki) For the record, I CAN summon Evolt's Kamen Rider forms as backup. Except Blood Stalk.

Kamen Ride: Ibuki!

A clone of Kamen Rider Ibuki was summoned.

Roxy: I'll help you guys too.

Skulker: Don't forget your own Kamen Rider form.

Roxy: Oh I won't. HENSHIN!

KAMEN RIDE!

She went Gaim Decade!

Me: All right!

Alternate Chrysalis: Entrance time!

Me: Here we go.

Nico: Lets get him.

Horvarth was smiling malevolently and then suddenly the spirits of the Machines Elements of the Old West came in and swirled around him and then the area turned into the planet Glaren and the spirits converged and then a massive explosion of stars and lightning came out and there was a dragons roar and then out came us!

Nico: Hello Horvarth!

Horvarth: Team Loud Phoenix Storm!?

Me: That's right!

Maxim Horvarth: About time I get to fight Team Loud Phoenix Storm.

Kaito: (takes out Boukenger gear) Careful what you wish for.

Zocks: (takes out Magiranger gear) We have magic AND technology at our side.

Machinedramon: Giga Cannon!

Machinedramon fired energy blasts from his cannons and Kaito got hyper concrete for his weapons and Zocks summoned the Magi Staffs.

Nico: Yeh!

The blasts hit Horvarth and smashed him down.

But then Condiment King, Leonard, Mr. Mittens, Toiletnator, Fixer, Gramma Stuffum, Electrocutioner, Pyro, Grumblemon, and Hsi Wu appeared.

Nico: Condiment King, Leonard, Mr. Mittens, Toiletnator, Fixer, Gramma Stuffum, Electrocutioner, Pyro, Grumblemon, and Hsi Wu.

Hsi Wu: Boy some day huh?

Leonard: Nico we heard you blew your fingers off.

Nico: Yeah that was stupid.

Condiment King: You ok, Nico?

Nico: Of course I am.

Leonard: Because we heard differently.

May: I KNOW, RIGHT?!

Mr. Mottens: It's a good thing you can heal!

Toiletnator: Also, we heard you went to a Skittles planet.

Nico: Boy we sure did.

Fixer: Did you fight anyone there?

Me: Yes we did. It was Mizuki.

Fixer: That traitorous teacher from the Leaf?

Me: Yep. He is now back in prison where he belongs without a skeleton and without a chakra network.

Fixer: Holy crap! How did that happen?

Me: New technique I made that destroyed them.

Fixer: Geez!

Garbage Warrior then appeared for another round.

Garbage Warrior: You guys might as well have also called Jock "Another Iron Boy"!

Me: Hey that's not a bad idea.

Nico: Yeah good name for him.

Eli: Yeah!

We got the usual battles underway.

Fluttershy: That was a little funny.

Tornado Bolt: Yeah it sure was. It was so funny and silly.

Eli: But bros dream was in a quicksand canyon. Scary.

---

The Toiletnator was next.

Toiletnator: (to Layla) I heard you guys met gene-slammers for Nightmare Horse, Ice Queen, A Unicorn Dragon from Skylands, and Guardian Dreadscythe. What are their names?

Layla: You would like them. The Nightmare Horse Gene-Slammer is Ophelia Laurence and she is a goth girl. The Ice Queen is a girl named Cierra Kitomaru, the Unicorn Dragon is Lillian Addams and no she is not related to the Addams Family and the Guardian Dreadscythe is Zuzanna Achramowicz. They are all really awesome.

Rarity: Oh indeed they are darlings. They all have amazing style and fashion.

Sweetie Belle: But we found out that the Church of Necrom murdered Cierra's parents!

Toiletnator: Goodness! Boy they really crossed a line there didn't they.

Piper: It was really awesome! We met the Zi-O Kamen Riders for the first time and we also we took down Jock Jockerson that was turned into AnotherBuild. He also had Fullbottles that had all the powers of the Core 310 of the Masters of Evil.

Fixer: Wow! Fullbottles for Build that have our powers in them? How is that possible?

Piper: I have no idea. But that is really amazing. Now the Core 310 have all your powers in bottle form.

Sunset Shimmer: It sure is awesome! Now I have El Oso's powers and Piper has your powers.

Luster Dawn: Noted. But Lisa sure ate a lot of Skittles.

Twilight Sparkle: She sure did and Pinkie Pie eats that much sugar

Starshine Sparkle: Yeah that is really cool.

They fired waves of magic and smashed her down.

---

---

Electrocutioner was next.

Electrocutioner: (to Emerald) What was Nico thinking blowing his fingers off?! He could been completely obliterated!

Emerald Goldenbraid: We all were thinking the exact same thing. But it'll take more than 10 M80 fireworks to blast him apart. But it was amazing that Nico can regenerate his limbs like that.

Applejack: Just like how J.D. can do that.

Apple Bloom: That's right he sure can.

Flashwing: We've seen him do that before. Ship Org slashed off his arm and he grew it back.

Rainbow Dash: That's right J.D. mentioned that and that is amazing.

Scootaloo: It sure is awesome.

Soarin: You got that right. It's amazing that J.D. can regrow his limbs like that and now Nico can too.

Spitfire: Same as regrow his head like how Jack Jeebs can too.

Pyro: (to Vakama) Jock's now gone forever. Now, who's gonna get his former suit?

Vakama: Boy that's a really good question. I would have to think that one of us that DOESN'T have powers should get it.

Starlight Glimmer: Yeah I agree. It has to be someone that doesn't have powers like us.

Cozy Glow: We'll think of someone for that.

Hex: I agree there.

Lola: But it's good that Jock is gone. Now we have the rest of his former teammates to worry about later on in the future.

Lindsey Sweetwater: I agree too.

Pyro: Well someday we'll be free of them. By the way to you guys meet my Yost World self yet?

Vakama: Not yet but that will be awesome if he joins you guys in the future.

Pyro: Yes it sure will be awesome. Lets do it!

They fired waves of fire, magic, stars, bones and lightning and smashed him down.

---

## Earth, Princess Luna, Moondust, Snowdrop, Children of The Night, Tara, Lynn, Geoforce, Dark Skylanders, Blitzwing and Astrotrain VS Grumblemon

---

Grumblemon was next.

Grumblemon: (to Earth) Morgan Le Fay's no laughing matter. She might be just as powerful as Voldemort.

Earth: No Morgan Le Fay is far more powerful than Voldemort. She is not called the most Powerful Evil Sorceress that ever lived just for show. She is really that powerful.

Princess Luna: She sure is. I've read the stories about her and she is that powerful.

Moondust: She was also the dangerous enemy of King Arthur and Merlin.

Snowdrop: And her magic is so powerful that it makes all other wizards look like nothing today.

Gari: Yeah she is that powerful.

Tara: Morgan Le Fay is someone we beat before too.

Lynn: Yeah we sure did. We met the Ghostbusters and we beat her before too.

Geoforce: That was so awesome how we took her down before.

Princess Celestia: And we're glad that Balthazar has been doing so much over the years too.

Amber Morning: You got that right mom. He has been keeping up to date on our adventures too.

Spotlight: That is for sure.

Carol: Balthazar helped us before when we first met the Ghostbusters and that was awesome.

Vince: You got that right honey.

Maria: You said it guys.

Nico: It's so awesome.

May: We had a lot of fun on that one too.

Hsi Wu: You guys sure did and it was so awesome how J.D. called Walter Peck a Pencil Dickless Motherfucker.

They laughed at that one.

Nico: (LAUGHS) That was hilarious!

Hsi Wu: Yeah it sure was. Lets do it!

They fired waves of energy and light and smashed him down.

## Operation Overdrive Rangers, Megaforce Rangers, Nico, Eli, Nunnally, C.C., Lana, Lola, Lily, Lisa and Laney VS Garbage Warrior

Garbage Warrior was next.

Nico: This will be fun.

Nico teleported and opened Garbage Warrior's safe and in it was a bunch of books. They were called The Grimoires of The Magic Realm, they're grimoires with the symbols of the sorcerers, and inside these pages are powerful spells that are meant to destroy the evil Morgana Le Fay.

Nico teleported back with them.

Operation Overdrive Rangers: OVERDRIVE ACCELERATE!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! OPERATION OVERDRIVE!

The Megaforce Rangers went Operation Overdrive too!

Nico: Lets get him!

The Rangers summoned their Drill Cannons and they fired waves of elements, energy and more and the blasts all hit Garbage Warrior and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Garbage Warrior you have failed this world.

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and then out of a cloud of darkness came MORGAN LE FAY!

Me: Morgan Le Fay!

Morgan Le Fay: Long time no see, Team Loud Phoenix Storm.

Maria: Not long enough.

Me: You're looking good Morgan. These last 15 centuries have been really kind on you haven't they?

Morgan Le Fay: Indeed. Shame the Ghostbusters are not here. Now, they won't be able to help you stop me this time!

Troy: But you WILL be stopped again, Le Fay!

Me: Just like before we will stop you. Because we too have also grown more powerful as well.

Morgan Le Fay: We'll see. But J.D. I have some old acquaintances of yours that want to play with you again.

Me: Oh really? And who are they pray tell?

She used her magic and RESURRECTED THE AKATSUKI!

We gasped!

Me: I've been wanting another crack at the Akatsuki again.

Nico: You face them J.D. And we'll handle Morgan.

Me: You got it.

Hailey Timaeus: First for the fusions we'll summon all our fusions.

Joan Critias: Lets do it!

Gina Hermos: YEAH!

They did so and it was awesome.

Megaforce Rangers: LEGENDARY RANGER MODE! MYSTIC FORCE!

The Megaforce Rangers turned into the Mystic Force Rangers!

We pulled out our Zenkai Cannons.

Everyone: (TURNS DIALS) BURNING SUPER SENTAI POWER!

We summoned all of the Super Sentai!

Nico: Time for some buttkicking!

Crag: Come on guys!

Ripping Friends, May, Lincoln, Luna and Lynn: IT'S RIPPING TIME!

Everyone went at Morgan Le Fay!

## J.D. VS Akatsuki

I was facing the Akatsuki and Orochimaru who was from another universe was first.

Me: I will never forgive you for your crimes Orochimaru. You ruined the lives of countless innocent people.

Orochimaru: Then the best thing for me to do is to take your body.

Me: Just what I would expect from someone as fucked up as you. Can't say the same thing for all of your followers that challenged me. They all died at my hands because of my power.

Orochimaru: Then lets test just how strong your power is.

Me: All right then. But just so you know, you are about to face the very pinnacle of my power. I'm not the same as I was when I faced you 150,000 years from now.

I then flared up my power and it was incredibly intense! My aura turned into a rainbow aura and the skies darkened with storm clouds and lightning struck all over the place with powerful tornadoes and the powerful elemental forces swirled around me and my power was skyrocketing at an astronomical rate. Then I unleashed the full extent of my power and in a massive and powerful flash of light, I transformed. I was now in my Super Angel Infinity Xelnaga form and Orochimaru couldn't believe what he was seeing. My power was far stronger than anything he had ever encountered. The level of chakra I had was mindbogglingly powerful along with several other things.

Orochimaru then licked his lips with delight with that long tongue of his.

Orochimaru: Magnificent. With your body I will become a god and I will be invincible and truly immortal.

Me: (Divine echoing elemental Voice of hope and love) **I think not Orochimaru. Now it's time for you to pay for your crimes.**

Orochimaru: If you think you ca…

POW!

I went at him without warning and punched him in the stomach with devastating force and I kneed him in the face and kicked him in the face with devastating force. The sheer brute force of my power sent Orochimaru flying and he crashed into a rock and he got up and belched up a huge amount of blood.

Orochimaru: This can't be! He only had three punches that made contact!

I swooped in and punched Orochimaru in the face with devastating force and threw him into a rock. He got up and he couldn't believe that I was overwhelming him with incredible power and strength.

Me: **Your crimes against nature are completely unforgivable. You think you have the right to play God and turn all of the people who follow you into a bunch of fucked up mutant barbarian freaks of nature. But you are nothing more than a sad and fucked up megalomaniacal fuckpot that has absolutely no respect for the value of human life at all. You fucking disgust me!**

Orochimaru was enraged.

Me: **You're now about to see that I can be just as merciless to anyone. Including you. I'm far more powerful than you ever will be and I am now going to make sure that you never get your hands on anyone else. Including the power of the Uchiha.**

Orochimaru: A bold statement from a weakling leader!

Me: **Hmm. Yes and a "Weakling" was the only kind of person you can handle. I remember that you were there in the Forest of Death during the Chunin Exams to see if that fuckpot Sasuke was enough for you to handle. But all you've encountered was the source of your downfall. And to think that you would lay claim to all of your followers. You thought that you would bind them to you with the Curse Mark. You had no idea the kind of Evil that Sasuke had. He made even the Masters of Evil quake with fear. He wanted revenge so badly that he would do anything to get it. Even hurt the very village he called home and even the people that lived there. They all feared him. You wanted his body right? But what you really wanted was the Sharingan. But how to get it? Itachi was out of the question. So you came after Sasuke, the fucked up lunatic runt of the clan. Isn't that right? And they say that you are the genius out of the 3 Legendary Sannin. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that**

**Sasuke has, genius like yours looks pretty ordinary. The way you covet the power of the Uchiha, the way you fill yourself up with medicines and go leaping from body to body. It's downright fucking disgusting. As the most powerful fighter in the universe, all I see when I look at you is a fucked up miserable fuckweed and a pedophilic wretch. And on top of that I fucking hate your style you ruthless fuckkicker! What is it that you are hoping to accomplish? Scurrying from one hideout to the next, conducting your pathetic experiments, using up peoples lives one after the other, trying to unlock the mysteries of nature. You toy with peoples lives for the sake of this worthless, fucked up and disgusting, vain and ridiculous cause of yours. YOU FUCKING DISGUST ME!**

I went at him and kicked him in the face with devastating force and punched him in the stomach and sent him flying and I fired a massive blast of fire at him and it hit him in the chest and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOMMMMMM!

Orochimaru fired a powerful snake at me and I fired a blast of lightning at it and it went right through it and electrocuted Orochimaru all over and I kicked him in the face and stomach and punched him in the stomach and slashed him in the eyes with my sword and he screamed in excruciating pain and I punched him in the stomach and I teleported and kicked him in the back with devastating force and Orochimaru belched up a lot of blood and I fired a powerful blast of wind and cut off his arms and legs and I teleported and punched him in the chin with a devastating uppercut and sent him flying and I teleported again and dealt him a devastating spinning axe kick to his back and heard something snap. He screamed in pain and I teleported and flew at him with tremendous speed and kicked him in the stomach with devastating force and sent him crashing into the ground with incredible force. He got up from a crater and he looked really sick. Then he started inflating as he was about to throw up. He was really getting sick and then his neck inflated and then suddenly he threw up a lot. He threw up a blue haired girl and she had purple clothes on and was from the Hidden Cloud! But that wasn't all that Orochimaru threw up. He threw up his Sword of Kusanagi and even a lot of blood.

Me: **I wish I hadn't seen all that.**

Orochimaru's energy levels were fading fast and he was starting to get weaker and weaker at a rapid level. Then Orochimaru changed into an old man! He had long grey hair and he looked like he was over 150 years old and his chakra level completely vanished.

I then tied up Orochimaru and he was never going to torment anyone ever again. Sakura brought the girl over to us for healing.

I was facing Dark Konan next.

Me: **Your way to true peace is one that's filled with omnicide and annihilation.**

Dark Konan: I will do what I must to bring true peace.

Me: **That path to true peace is nothing but one filled with evil and cold blooded murder. I won't let you do it.**

I flared up my power.

Me: **I won't let you succeed.**

I spread my wings and Dark Konan spread pitch black angel wings made of paper.

Dark Konan: And the wrath of the Dark Angel is gonna come for you.

(ANGEL OF DARKNESS BY ALEX C. PLAYS)

I flew faster than a laser and kicked her in the face and then I teleported and kicked her in the back sent her flying into the air. I then teleported up to the air and Dark Konan fired black origami cranes at me and I fired powerful energy blasts and they hit the cranes and exploded with incredible power.

KRABBBBOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBOOOOOOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

I then fired a powerful Kamehameha Wave at Dark Konan and Dark Konan used her Paper Clone to get away. The blast hit the Clone and it exploded with incredible power.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then sensed Dark Konan behind her and I spun around and punched her in the face and sent her skidding on the ground and Dark Konan got up and she then used her Paper Chakram.

Me: **You won't win Dark Konan! WATER STYLE NINJA ART: MAELSTROM SUPER SLICE DISK!**

I formed a powerful disk of pure water and it was powerful enough to slash through even the strongest metal in the universe and she threw it and Dark Konan threw a huge Paper Chakram and the two disks collided and exploded with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Dark Konan was blown back and she spread her black wings and I fired a powerful barrage of energy blasts and Dark Konan fired her Paper Shower.

The blasts collided with the paper and exploded all over the place.

Massive fiery explosions were blowing much of the area apart and setting much of the area on fire in a massive sea of fire.

When the smoke cleared, Dark Konan was panting in exhaustion and I wasn't even in the least bit exhausted.

Me: **It's over Konan. Your reign of terror with the Akatsuki is over. I won't let you or anyone else destroy the very planet we call home.**

Dark Konan: Then if I go down, I'll take you with me!

Dark Konan then used her ultimate and most powerful technique:

Sacred Paper Emissary Jutsu!

But I was ready for her.

Dark Konan: SACRED PAPER EMISSARY JUTSU!

Then all 600,000,000,000 Paper Bombs detonated and everyone all felt the incredible extent of 10 minutes of powerful explosions at an unprecedented and incredible scale!

---

The explosions were so strong, so powerful and so devastating that they could be seen all the way from space as they were destroying much of the planet at an incredible level! For 10 long minutes we saw the explosions go and when the smoke cleared, there was a massive crater..

Dark Konan: At last. I've won.

Me: **You may want to look again!**

Dark Konan: WHAT!?

When the smoke lifted, I flew up to her in a powerful rainbow force field of pure light and energy and there wasn't a single scratch on me!

Dark Konan: IMPOSSIBLE!

Me: **Nothing is impossible.**

Dark Konan: That technique was enough to destroy this entire planet!

Me: **It's over for you Dark Konan. I won't let you hurt anymore innocent people.**

Dark Konan: You should've died! What the hell are you!?

Me: **I am the answer to all that is evil!**

Dark Konan: I HATE YOU!

My aura flared up with incredible power!

I then fired a massive Kamehameha Wave right at Dark Konan and it slammed into her and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Dark Konan was beaten and knocked out and I tied her up.

Next up was Deidara.

Deidara: You will be destroyed by my art!

I flew faster than a laser and punched him in the face with devastating force and I fired a powerful fireball and it hit Deidara and exploded.

KRABBBOOOOOOOOOOOOOMMM!

Deidara flew on his bird of clay and he threw a bunch of owls made of clay at me and I fired a powerful blast of wind and cut them up and they exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMM!

I fired massive blasts of fire and Deidara fired powerful wings of fire and the blasts of fire collided and they hit the clay and they exploded.

Fire embers and debris rained down from the explosions and set much of the land on fire and it was intense. Deidara fired a bunch of snakes made of clay at me and they wrapped around me and I flared up an aura of lightning and neutralized them. I punched Deidara in the stomach and kicked him in the face. I punched him in the face and stomach numerous times and kicked him in the chest and I fired a powerful blast of lightning and it went into his right hand mouth and it overloaded his hand and blew it open from the inside and blew his whole right hand off.

Me: **You still haven't changed at all Deidara. Even after all that time in hell, you still haven't learned anything except only how to destroy. One would think a man with your kind of experience would learn how to just stop, give up and walk away you blond hair gay bitch. In all honesty I don't know what Lord Onoki was thinking when he was training you. Letting a mentally unstable fuckpot like you be a member of the Rock's Explosion Corps is beyond me. Just look at you, you are nothing but a fucked up freak of nature.**

Deidara then went at me while bleeding profusely and he punched and kicked at me and I dodged all of his strikes like they were nothing. I kicked him in the face and pushed him back.

Me: **EXPLOSION STYLE: LANDMINE FIST!**

After establishing direct contact with their opponent through a simple punch, the user utilises Explosion Release to subsequently generate an enormous explosion from the opponent's insides. This explosion is powerful enough to completely obliterate an opponent far larger than the user. Due to the directionality of the blast, the user minimises any potential repercussions, such as being struck by resultant debris and even recoil appears to be completely negated.

I punched Deidara and a massive explosion blew Deidara far and sent him crashing into a rock. He got up. He sent a massive armada of spiders and birds and creatures made of his clay and I ran fast as they were exploding and I fired a massive barrage of fire and lightning and earth blasts as well as powerful atomic energy blasts and they were blowing much of the landscape apart in powerful and deadly explosions. The explosions were decimating the desert landscape around us all over.

---

The explosions were going all over the planet like wildfire and more. It was a massive war zone! The landscape of the desert had massive flaming embers all over and it was all on fire.

When we stopped, Deidara was panting hard and he was getting weaker and weaker because of using so much chakra all at once. I on the other hand wasn't in the least bit exhausted.

Me: **It's over Deidara. You're finished.**

Deidara: I am far from finished!

Me: **There's no point in continuing this fight. You're too weak to do anything.**

Deidara: I will not die until you die with me!

He ripped off his shirt and unstitched a seal on his chest and it was another mouth and he fed it clay.

Me: **Not this time!**

I teleported and used my powers to strip him of his chakra and powers and I put them in a special chakra sword. It's called the Explosion Landmine sword.

Deidara: WHAT DID YOU DO TO ME!?

Me: I stripped you of your powers and you are never going to be a shinobi again.

Deidara: I HATE YOU!

My power flared up.

Me: **Hell is just too good for you Deidara. Besides it's best to let the 5 Kage deal with monsters like you.**

One by one I defeated all of the Akatsuki and tied them all up. Until it was only Pain and me. I was facing the Deva Path. The other paths were tied up and I gave the Animal Path her own free will and she agreed to join the M.O.E.

Me: The only one that's going to feel pain is you. Just like it was when I destroyed you 150,000 years from now.

Pain: Then the time has come for us to end this.

Me: I couldn't agree more. But I'm not the same person that beat you the last time we fought. I'm far more powerful than ever before.

I then flared up my power and the sky darkened with storm clouds and lightning struck everywhere and the ground was shaking incredibly violently and my aura turned rainbow color and then I unleashed the full extent of my power!

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

Pain shielded himself with his arm as a massive cloud of dust blew him back. When the dust cleared I was now in my Super Angel-Ebonwu 100,000 Elemental Phoenix form.

Pain: WHAT!? You've changed!

Me: (Divine voice) **This is my ultimate power. Now, lets dance.**

I teleported and without warning I appeared and punched Pain in the stomach with devastating force and kicked him in the face and sent him skidding and Pain got up and threw a bunch of Chakra Disruption blades at me and I teleported and flew in the air. I fired powerful blasts of fire and Pain saw them coming.

Pain: ALMIGHTY PUSH!

Pain formed a powerful barrier of gravity and the blasts hit the barrier and bounced off.

Me: **Still the same tricks I remember.**

I fired powerful blasts of lightning and they hit him and electrocuted him all over and I fired powerful blasts of water and drenched him and then I fired powerful blades of wind and cut him up good. I fired a Kamehameha Wave and The blast hit him and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I flew at Pain and punched him in the face and fired an energy blast at him and it hit him and exploded.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Pain fell to the ground.

He got up and I landed.

Me: **Impressive.**

Pain: You are just as impressive as you were when we fought.

Me: **Indeed. But to tell you the truth, when we fought 150,000 years from now I was holding back my true power and now you are seeing it first hand.**

Pain: So you were holding back during our fight. How foolish.

Me: **You are the true fool. Just a delusional false god that wants to destroy everything.**

I fired a Force Wind blast and blew him back and went at him and I kicked him in the air and teleported and he fired a powerful barrage of rocks at me and I fired a powerful barrage of fire energy blasts at the missiles and they hit them and exploded with incredible power.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM

Pain then fired a powerful Rock blast and I fired a Special Beam Cannon blast and the blast collided with the rock and exploded with incredible power.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I flew past him and fired powerful energy blasts at him as well as fire and lightning and light and dark energy blasts and Pain fired more rocks at me and they hit the blasts all at once and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful and so devastating that it shook much of the landscape and set much of it on fire.

We then went at each other and I punched him in the face and a massive thunderous shockwave was felt when I punched him and I kicked him in the stomach and punched him in the face and kicked him in the stomach and then he punched at me and I blocked his punch and then we clasped hands. Then we flared up our auras of power and they clashed as they mixed and then the entire planet was shaking at a tremendously powerful and violent level. The storm clouds over the land had powerful lightning striking everywhere as rocks and pebbles were lifting off of the ground and the planet was cracking apart. I then punched him in the face with devastating force and sent him crashing into the ground and he exploded out and he went at me and I unsheathed my sword.

Me: **Try this on!** (Echoing) **RAGE OF INFERNO!** 超弾動閃煌斬

I fired a massive vortex of powerful fire and powerful blades of light and obliterated the entire centipede in a massive explosion of fire!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then went at Pain and kicked him in the back.

Me: (Echoing) **THUNDERBOLT CUT! 雷光斬**

I fired a massive barrage of energy from my sword as well as a powerful blast of lightning and it hit him head on and explode.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The blast sent him flying.

But then I got an unexpected surprise as he was sent flying.

(GIREI Plays)

He formed a small black sphere of gravity and had it go into the air.

Pain: PLANETARY DEVASTATION!

The black sphere of gravity began to draw in a tremendous amount of rock, earth and dust and I got out of the way of what was happening and what I saw up in the sky was nothing short of unbelievable! What I saw was a massive sphere of rock forming right in the sky! It was getting bigger and bigger as it kept on drawing in more and more rock and earth.

Me: **HOLY SHIT!**

I saw it keep drawing in more earth from the surface and it was as big as a huge moon!

Me: **Unbelievable! If Pain drops that massive sphere of rock, he'll destroy the entire planet!**

I fired a massive energy blast right at it and it hit the giant ball of rock and exploded with unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLY DEVASTATING EXPLOSION OF UNFATHOMABLE POWER!

The explosion was so massive, so powerful and so devastating that it shook the entire planet with incredible force and it was unbelievable! When the smoke cleared 10 minutes later, all that was left of it were flaming rocks and debris and there was a massive crater in the ground as the flaming rocks were raining down everywhere.

I landed on the ground and we faced each other.

Me: **You were trying to destroy the entire planet weren't you Pain?**

Pain: Yes and to make sure that you die with it.

Me: **You've really lost your mind Pain. All that talk about trying to find peace and how you were going to use your power to kill everyone to get it. You haven't changed at all since we last fought 150,000 years from now. You are still the same fucked up monster I remember destroying all those centuries hence.**

I stood in a stance and I had three of my fingers pointed at him and my aura was flared up.

Me: **FINAL IMPACT!**

I fired a powerful energy blast at Pain and it hit him and went all the way through him as it blasted a huge hole all the way through his chest and it killed him in an instant. Or so I thought. I saw him get up and he had a huge hole in his chest.

Me: **That was impressive that you survived that. But you are never gonna be welcome here.**

Pain: YOU BASTARD!

Me: **Says the pot calling the kettle black you shitkicker!**

Pain came at me.

Pain: WHY DON'T YOU GIVE UP!?

Me: **I don't think so.**

I teleported and kicked him in the stomach with devastating force and knocked him out.

And then I tied him up.

I had all the Akatsuki defeated.

Me: **You all put up one helluva challenge for me in 150,000 years. But I'll leave your fates up to the Five Kages.**

I powered down.

Me: And don't even think about teleporting out. These energy ropes neutralized all your jutsu and your chakra.

Animal Path: But J.D. spared me because I have promise to be a good member of the Masters of Evil. He gave me free will.

Me: Lets get helping everyone else out.

We went back to help destroy Morgan Le Fay!

POW!

The Decade Kamen Riders were giving Drake a run for his money!

Drake Stone: Who the Hell do you guys think you are?!

Tsukasa: We're just passing through Kamen Riders. Remember that!

Roxy: And they are the kinds of Kamen Riders that can kick your twisted fucking ass!

They punched and pulverized him all over the place and smashed him down and tied him up.

Tsukasa: So, I heard J.D. and the rest met Sougo.

Roxy: They sure did and it was so awesome.

Tsukasa: That is so cool.

Roxy: Lets go help everyone.

They went to help us.

We went at Morgan Le fey and I punched her in the face and she went flying and we flew into the air and Morgan fired powerful blasts of fire at us and I fired powerful fire energy blasts and they collided with all of them and exploded with incredible power.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Lincoln fired powerful blasts of lightning and they hit Morgan and he kicked her in the face and sent her flying.

Morgan fired powerful blasts of fire and Nico fired powerful energy blasts of pure fire and the blasts collided and exploded.

Me: Can't you come up with anything different!?

Morgan: I'm only getting started you fool!

Morgan fired a powerful blast of lightning and fire and I fired a powerful energy blast and the blasts collided and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it blew some of the water away in a massive tsunami.

I punched Morgan and she blocked it and she punched at me and I blocked it and we locked and clasped hands. Then we flared up our auras! Mine was made of pure fire and Morgan's was made of pure lightning! Our powers mixed and clashed and the whole planet shook violently and water spiraled up into the sky and lightning struck everywhere Lola fired a powerful blast of fire and it hit Morgan in her back and exploded and I dealt a powerful headbutt and knocked Morgan away and Nikiya kicked Morgan into the sky.

Elizabeth Gryffindor: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Duncan Alarie.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Duncan Alarie, a dangerous warlock and another member of The Church of Necrom.

Nicholette Torrington: Duncan Alarie, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, and Douglas Griffin, along with us arresting Kira and the Black Vipers gang of Great Lakes City and putting Risky Boots under your mind control.

Duncan Alarie: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Just then, Risky Boots went up to Duncan Alarie, and she then delivered an extremely strong kick to Duncan Alarie's crotch, and he screamed in agonizing pain and he covered his crotch in pain, and she came back to us.

Nico: Awesome kick, and that'll show you, Duncan Alarie, you heartless bastard.

Elizabeth Gryffindor: And now, your rampage ends here and now, Duncan Alarie.

Suddenly, Elizabeth Gryffindor's yellow eyes turned neon yellow and she was surrounded by a red energy aura with darkness, demons, and dark magic, she unholstered her massive Goldd, Wu-Lord of Dark World-themed sword from her back, and as she approached Duncan Alarie, she left red energy, darkness, demons, and dark magic with every step.

Elizabeth Gryffindor: You just don't even know when to quit, do you?

We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Duncan Alarie, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Elizabeth Gryffindor was surrounded by a massive vortex of red energy with darkness, dark magic, and demons surrounding it, there's Goldd, Wu-Lord of Dark World flying around the vortex, and inside the vortex is a red phoenix. Then, as the vortex faded, Elizabeth Gryffindor emerged, but she was changed forever.

Elizabeth Gryffindor has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Elizabeth Gryffindor has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS LORD DEMON ANGEL OF DARK JUSTICE AND GRYFFINDOR DARK MAGIC LOVE!

We were amazed by Elizabeth Gryffindor's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Duncan Alarie saw it, he went fucking crazy and fired a blast of darkness to kill her, but Elizabeth Gryffindor fired a powerful blast of red energy with darkness, demons, and dark magic, and it hits Duncan Alarie and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Elizabeth Gryffindor's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Duncan Alarie, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Elizabeth, you look beautiful. How do you feel?

Elizabeth Gryffindor: (Divine Echoing Cosmic Voice of the Dark Lord and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Duncan Alarie his rightful punishment?

Lincoln: (Smiles) With pleasure, Elizabeth.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Elizabeth Gryffindor.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Duncan Alarie.

Elizabeth Gryffindor and Lincoln went after Duncan Alarie, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, red energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Duncan Alarie, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Duncan Alarie: Arise from the Fires of Hell, Fire Demons, and incinerate the mortals and this pathetic world to ashes!

Duncan Alarie summoned a massive army of Fire Demons as they rose from the ground, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, and he sucked out the fire powers and abilities of The Fire Demons and as Lincoln gained a massive, the army of Fire Demons were destroyed and their spirits were sent back to Hell forever, and that pissed off Duncan Alarie even more.

Elizabeth Gryffindor: (Divine Echoing Cosmic Voice of the Dark Lord and Dark Divine Love) Linky, shall we do the honors in putting Nigel Tinuviel in his place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Selene.

Elizabeth Gryffindor: (Divine Echoing Cosmic Voice of the Dark Lord and Dark Divine Love) Such a gentleman.

Elizabeth Gryffindor and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Duncan Alarie, who ran at them with murder and insane rage in his eyes.

Elizabeth Gryffindor and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Elizabeth Gryffindor and Lincoln fired the massive red energy balls, which transform into red energy beams, and as the two red energy beams hit Duncan Alarie, Lincoln and Elizabeth Gryffindor began sucking out and absorbing all of Duncan Alarie's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Elizabeth Gryffindor as her red energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Elizabeth Gryffindor and Lincoln were done, Duncan Alarie was rendered completely powerless and completely drained of his powers.

Duncan Alarie: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Duncan Alarie.

Elizabeth Gryffindor: (Divine Echoing Cosmic Voice of the Dark Lord and Dark Divine Love) And now, you're finished.

Elizabeth Gryffindor opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Duncan Alarie, the now powerless and insane warlock of The Church of Necrom, was imprisoned inside of a black tarot card with Goldd, Wu-Lord of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Duncan Alarie imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, and Douglas Griffin were put into. We all cheered wildly for what Elizabeth Gryffindor and Lincoln as they holstered their massive greatswords and powered down, and Elizabeth Gryffindor's new body, clothes, weapons, jewelry, and massive red angel wings are permanent.

Elizabeth Gryffindor: Gotcha, you bastard! Thank you for helping me take down Duncan Alarie, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elizabeth.

Suddenly, Elizabeth Gryffindor wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Elizabeth Gryffindor's face, they kissed passionately as Elizabeth Gryffindor's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Goldd, Wu-Lord of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and six more to go.

Me: That's right, Nico.

Helena Hufflepuff: Which means the next Church of Necrom member to show their face tomorrow is Cole Sullivan, the last of the thirteen low-ranking members of The Church of Necrom.

Lincoln: That's right, Helena, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Cole Sullivan's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage. And I'd hate to ask, but is Cole Sullivan related to Carmen Sullivan?

Lincoln: I was afraid to answer it, but yeah, he is related to that insane witch, because Cole Sullivan is Carmen's younger brother.

Me: Just like in the case of Nigel Alaister being the younger brother of Damian Alaister, which makes it another reason to piss them off even more by capturing him, right, big guy?

Lincoln: You guessed it, J.D.

Gramma Stuffum: Looks like Morgan Le Fay got her just desserts!

Electrocutioner: Damn right she did!

Me: You got that right. But I certainly was not expecting Morgan to resurrect all of the members of the Akatsuki that we face.

Nico: No kidding. That was a total surprise. But J.D. I'm so proud of you for capturing all of them and having the Animal Path join the Masters of Evil.

Me: Aw it was nothing.

Animal Path: I'll make a great member of the group. But I'm gonna be in a lot of pain for a few days when I get these Chakra Rods taken out of me.

Me: We'll try and help out in any way we can. But the 5 Kage are going to be having one helluva field day when they see the Akatsuki alive and captured.

Nico: Boy no kidding there.

Pyro: (to the Decade team) You guys helped too.

Tsukasa: Of course we did.

Me: And we owe you guys big time.

Grumblemon: See you guys in August.

Me: Yep.

Tsukasa: See you then. And tell Sougo I said hi.

Me: We will.

They teleported back to Japan.

Lillian Addams: I'm gonna love it here with you guys.

Hsi Wu: You don't regret it.

Nico: You are going to love it girls.

Me: Nico we got to report this to Lady Hokage even if she is in the middle of a council meeting.

Nico: I agree. But great job today everyone.

Me: Thanks Nico. Lets go get our guests over to the Leaf.

Girl Jordan: This is gonna be good.

Balthazar: (To the viewers) Remember folks, never mess with the forces of magic and things you have no knowledge of understanding.

Nico: Good advice.

We went to the Leaf and I snapped my fingers and we were in Shinobi outfits.

In the Council Room, the clan heads were all talking about what was going on with the Leaf so far.

Lady Tsunade: Now lets go over the market status.

But then the doors bursted open and in came a shinobi.

Shinobi: Lady Hokage you are not going to believe this!

We came in.

Me: Hello Lady Hokage, Ladies and Gentlemen of the honorable council. Sorry to barge in like this but we have had a really incredible development happen to us.

Lady Tsunade: What is it.

We came in with the Akatsuki all captured and the council all gasped in shock!

Shikaku Nara: The Akatsuki!?

Shibi Aburame: But they're all dead.

Me: It's a really strange story.

We told everyone everything and how it all happened on the Planet Glaren and more and it was so awesome.

Lady Tsunade: Wow! You guys have really been busy.

Me: Yeah that is an understatement.

Shizune: Boy first capturing Mizuki on a planet made entirely out of Skittles Candy and now capturing all the Akatsuki minus Obito on the planet Glaren all in one day.

Choza Akimichi: You guys have been really busy.

Kakashi: I'll say. Way to go guys.

Me: It was really epic.

Nico: Boy it sure was.

Lady Tsunade: Wow. ANBU take the Akatsuki to the T&I for information gathering.

They did so.

Me: Well we're sorry to interrupt you all in this meeting. But we just wanted to tell you all what happened on our mission.

Lady Tsunade: No worries guys. You all will be receiving Quadruple Z Rank Mission Credit for this. Good job.

Me: Thank you Lady Hokage.

We later went back to the estate and we went to enjoy the rest of the day and then we went to sleep.

THE END

Another awesome fanfic done.

The Sorcerer's Apprentice was a really awesome movie from 2010 and Nicholas Cage did a really awesome job in that movie back then. So did Alice Krieg who played as Morgan Le Fay and it was amazing and awesome. The first two parts for the Dream Rescues were for a canyon filled with quicksand pits and a taffy factory. The 3rd part for Nico's rescue was for a planet made of skittles candy and it was awesome. The 4th part was for Great Lakes City and it was awesome. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. No dream rescues next time sorry. This will be a funny rescue as Nico, Maggie, Knight Mare of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily go camping with SpongeBob in the SpongeBob episode The Camping Episode and Squidward is going to get mauled by a sea bear and it will be awesome and funny. We're also going to meet a gene-slammer for Knight Mare's kind named Olivia Shenlong. Olivia Shenlong is one of Nico's friends. From China in heritage she is one of Nico's awesome friends from gym class and she is powerfully athletic and skilled in dodgeball and has a knowledge of all the great stunts known. She is a daredevil too. And for Lincoln's rescue tomorrow, Lincoln and his group are heading to Lunan XII in the Sombrero Galaxy, and they're going to deal with that extremely corrupt and ruthless businessman and a drug dealer in the Land of Waves, Gatō, who's been brought back from the dead by Cole Sullivan, and Gatō still wants revenge on us for killing him long ago, this time, he's getting The Black Gates. Also they will meet a gene-slammer for Castle of Dark Illusions named Mira Michaels and she is a goth girl that has a really nasty history with Margaret White, Carrie's mom and she has been trying to bring her to justice for a long time. The next chapter is gonna be a really awesome one as Nico attempts the most insidious food challenge ever as he takes down 45 Death Sandwiches from the Regular Show episode Sandwich of Death! This is gonna be awesome!

See you all tomorrow.

# DEATH SANDWICH CHALLENGE

This chapter is a parody of the Regular Show episode Sandwich of Death

Walking through the ocean was Nico, Maggie, Knight Mare of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were walking to SpongeBob's house to go Camping with him and Patrick.

Me: A good day of camping underwater is gonna be really fun for us.

Kaalia: You said it J.D.

May: It will be so fun.

Applejack: Boy howdy I could use a little rest after battling Morgan Le Fay.

Nico: That was awesome.

Zocks: I think so too.

Chloe Bourgeois: You said it.

Me: And this is the first time we've ever gone camping underwater.

Eli: It's gonna be so much fun.

Nico: Thanks for coming with me, Maggie.

Maggie: No problem Nico. Even though I'm already in the group it will be fun.

Knight Mare: This is gonna be so cool meeting a gene-slammer of one of my kind here.

Nico: It sure will. And it's night time so it's going to be perfect for it.

Laney: It sure will.

Lisa Loud: (Groans) I should not have eaten all those skittles.

Nico: You'll be all right Lisa.

Lisa had a huge block of ice on her head from a huge headache she got from eating too much sugar.

Maggie: I can't believe you sat out the entire mission.

Lisa Loud: Yes I know and I apologize for that but I ate so much sugar confectionaries that I got a sugar rush that lead to a big crash.

Rainbow Dash: Yeah a sugar crash will do that to you.

Nico: I didn't know you like skittles that much Lisa.

Lisa Loud: Oh they were some of the best I've ever had 2nd elder brother and it was amazing and scrumptious.

Lincoln: They sure were.

Me: But it was a really eventful day too. We captured the entire Akatsuki as well as kill Morgan Le Fay.

Nico: Boy we sure did. That was so awesome.

Me: It sure was.

Nico: Lisa, did you at least listen to the part where I told you about us getting rid of Jock?

Lisa Loud: No I did not Nico and for that I'm sorry.

Me: Well when you're out from eating that much sugar Nico, you're really out cold.

Nico: Oh yeah. I've had that happen to me before many times. I know that feeling.

Eli: Yeah same here and Lola knows the feeling right?

Lola: I sure do Eli. I love candy as much as anyone.

Me: Yeah Lisa was as hyper as Billy when he was pretending to be Tuxedo Man and you know how much his mom hates that.

Nico: Boy that is too funny.

Lisa Loud: Indeed it was.

Nico: And I also got my fingers blown off.

Lisa Loud: I heard about that from earlier. That was really intense.

Me: Nico put 10 M80 fireworks together and he blasted his fingers off.

May then kicked Nico in his butt!

CLANG!

Nico: OW!

May: That's for being such an imbecile!

Nico: I said I was sorry!

Me: But Nico regenerated his fingers. We discovered that he can regrow not just his head but any part of his body.

Lisa Loud: That is amazingly interesting.

Nico: And we need you to analyze the Fullbottles that Jock got when he tried taking my powers.

Lisa Loud: I will get right on that Nico.

Nico: Good.

Maggie: But it's amazing that we got many Fullbottles for the powers of the Masters of Evil.

Me: That was amazing that Jock had all those.

Laney: It sure was cool.

Camie: I can't wait to see if there are more for every single member of the M.O.E.

Kaoruko: That would be so awesome to see.

Arrietty: It sure would.

Nico: Oh look we're here.

SpongeBob: [to Patrick] Squidward's gonna come camping with us! [both climb out of tent and giggle]

We came.

Nico: Hey guys.

Patrick: Oh Hiya Nico.

SpongeBob: Hey guys. Ready to have fun camping?

Me: You bet we are.

Squidward: [emerges with large camping backpack] Now you'll see how a real… [falls face forward on the ground, squished by the immense backpack]… outdoorsman does it!

Me: Hey Squidward.

Maggie: Awesome that we're coming camping with you guys.

SpongeBob: We sure are excited.

Squidward: Oh hey guys and yes it is. [climbs out from underneath; pulls pouch from backpack] Here we are, my remote-controlled, self-assembling tent. Watch and learn. [SpongeBob takes out binoculars, Patrick a notepad and a pair of half-moon glasses; Squidward tosses pouch into the air and presses the remote, but the power fizzles and the tent appears, unassembled in a pile on the ground]

Me: Looks like it still has some bugs in it.

SpongeBob: That was great, Squidward, but how do you get inside?

Patrick: Yeah, it's all crushy-looking.

Squidward: It isn't put up yet, you idiots. [grumbles, picking up the tent and fiddling around with it and accidentally rips it] Huh?

SpongeBob: [still acting like he and Patrick are taking notes] Customization!

Patrick: Genius!

Squidward: [Squidward beats on the tent with a wooden stick] Bah! Bah! Bah!

SpongeBob: He's tenderizing the ground!

Patrick: Of course!

[Squidward is still struggling with the tent]

SpongeBob: Write that down! Write that down! [Patrick still appears to be taking notes, but there is just a tic-tac-toe game in progress on his notepad]

Squidward: [gives the pile a huge kick; it automatically becomes an assembled tent] Huh? Voila. [the perfect tent collapses to pile form again; Squidward pushes it out of the way]

Maria: Here Squidward.

She set up his tent for him.

Squidward: Oh thank you Maria. But what could compare to just lying out under the stars? [takes a lone blanket and places it on the ground; SpongeBob and Patrick applaud and cheer wildly and vigorously] Well, I've worked up an appetite as big as all outdoors. Time for a little grub. I suppose you two are gonna stew up some twigs and rocks, right?

SpongeBob: [laughs] Nope, we've got something even better - Marshmallows. [pulls out "Marsh King" bag and pops a marshmallow into his mouth] Mmm-mm. Just like the astronauts eat.

Me: I love Astronaut Marshmallows.

We got to setting up our tents and we finished instantly.

Squidward: (to Lisa) So, yeah. You missed a lot of stuff while you were asleep. Including the demise of one of Plankton's former teammates.

Lisa Loud: Yes and I'm sorry about that. I was out cold from a sugar crash hence why I have a block of ice on my head.

Me: Yeah we went to a planet made of Skittles earlier this morning and Lisa got a sugar rush and she was out the whole mission. Sugar Crash.

Squidward: I see.

Patrick: [has round fishbowl over his head like the helmet of an astronaut suit; imitates static noise] Patrick to SpongeBob. Patrick to SpongeBob. Do you read me? Over.

SpongeBob: [also has "helmet". Imitates static noise] SpongeBob to Patrick. I read you. Over.

Patrick: [static] Patrick to SpongeBob. I like going. [static] Over.

SpongeBob: [static] SpongeBob to Patrick. [static] Me too.

Me: (Wearing an astronaut helmet on) (Imitates static noise) J.D. to SpongeBob. I think astronauts are so cool. Especially with walking in space. Over.

[Patrick and SpongeBob start to repeatedly exchange static noises.

Squidward is annoyed.]

Nico: Oh come on Squidward that is really funny and cute.

May: Yeah it sure is.

SpongeBob: SpongeBob to Patrick, help yourself. Over. [holds out Marsh King bag]

Patrick: Yummy! [takes marshmallow and crams it into his mouth, smashing his "helmet"] Patrick to SpongeBob! The deliciousness has landed!

Zocks: Maybe we can give Jock's former suit to Flint.

Nico: That works perfectly.

Squidward: Well, you three astronauts can eat marshmallows. I'm gonna have a can of Swedish Barnacle Balls, [holds up can so we can read its label] just as soon as I can get my can opener.

SpongeBob: But Squidward, didn't you take a can opener when you hiked out here?

Squidward: Why would I bother? We're ten feet from my house.

SpongeBob: But this is the wilderness! It just doesn't seem to fit the camping spirit.

Patrick: Pretty weenie.

Me: Don't worry about it.

I pulled out a can opener from my backpack.

Me: Here Squidward.

Squidward: Oh thanks J.D.

He used it and opened the can and I gave him a bowl.

Lola: Want me to heat it up for you Squidward?

Squidward: Sure Lola.

She used her fire powers and cooked the meatballs for him.

Kaito: Squidward, I hope you realize who's coming after us here now that we're camping.

Squidward: What do you mean?

Me: I have a feeling it's gonna be someone or something that you know and don't like.

[Patrick, sitting across from him, sets his on fire and tries to blow on it to cool it down, but the marshmallow flies off and hits Squidward in the face. Patrick gets another marshmallow and repeats the same thing twice. After two marshmallows to the face, Squidward ducks, but the third marshmallow has a boomerang effect and hits Squidward in the back of the head]

Me: That is silly.

Squidward: Okay. Besides spitting molten food stuffs at me, what else do you do for fun?

SpongeBob: Well, after a long day of camping, it's nice to unwind with a nice, relaxing campfire song. I call this one "The Campfire Song Song". Let's gather 'round the campfire, and sing our campfire song. Our C-A-M-P-F-I-R-E S-O-N-G song. And if you don't think that we can sing it faster, then you're wrong. But it'll help if you just sing along…

Patrick: Bum! Bum! Bum!

Both: [Patrick slightly behind SpongeBob in the words] C-A-M-P-F-I-R-E S-O-N-G song! C-A-M-P-F-I-R-E S-O-N-G song!

SpongeBob: And if you don't think that we can sing it faster, then you're wrong! But it'll help if you just sing along…

Patrick: Sing another song…

SpongeBob: C-A-M-P-F-I-R-E S-O-N-G song! Patrick!

Patrick: SONG! C-A-M-P-F-I-R-E…

SpongeBob: Squidward! [silence] Good! It'll help… it'll help… if you just sing along! [SpongeBob smashes his ukulele like a guitar at the end of a rock show. Patrick does the same with his drum set] OH YEAH! Ahh, now, wasn't that relaxing?

Me: That was a great song guys!

Eli: Don't you think so Squidward?

Squidward: No! This is relaxing. [holds up clarinet and begins playing "Kumbaya" awfully; SpongeBob and Patrick look alarmed]

SpongeBob: Oh, no! I'll save you, Squidward! [picks up marshmallow and slingshots it at Squidward; it goes up his clarinet and sticks in the back of his throat; SpongeBob comes over to assist him] Squidward, are you all right? That's it, chew, chew, and swallow. There, better?

Squidward: Better?! I was just fine until you lodged that ballistic junk food into my windpipe!

Me: What did you do that for SpongeBob?

SpongeBob: But I had to! It's too dangerous to play the clarinet badly out here in the wilderness! It might attract… [whispers] a sea bear.

Me: A Sea Bear?

Squidward: [in a low, cautious tone] A sea bear? You mean like the ones that… [In an angry tone] don't exist?!

SpongeBob: What are you saying?

Squidward: There's no such thing! They're just a myth!

SpongeBob: Oh, no, Squidward, sea bears are all too real! It says so in the Bikini Bottom Inquirer! [holds up cheesy tabloid newspaper]

Squidward: [reads cover story] "I Married a Sea Bear"?

Me: Who would marry a sea bear?

Patrick: Yeah, and Fake Science Monthly! [holds up newspaper]

Squidward: [reads] "Sea Bears and Fairy Tales Are Real"? That's the stupidest thing I've ever heard!

Me: Unicorns and fairy tales are all too real.

Squidward: Yeah that's true.

Patrick: Well, maybe it is stupid, but it's also dumb!

SpongeBob: Patrick's right, Squidward. Sea bears are no laughing matter. Why, once I met this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy's cousin…

Me: We get the idea SpongeBob.

Nico: Yeah.

Squidward: You're right! I should be more careful. In fact, why don't you tell me all of the things I shouldn't do if I want to keep the sea bears away?

Maria: I feel like I'm starting to get a huge sense of deja-vu.

SpongeBob: Okay, that's easy. First off, don't play the clarinet.

Squidward: Okay. Then what?

SpongeBob: Never wave your flashlight back and forth really fast.

Patrick: Flashlights are their natural prey.

Squidward: You're kidding.

SpongeBob: Don't stomp around. They take that as a challenge.

Patrick: Yeah.

Squidward: [writes on notepad] Go on.

SpongeBob: Don't ever eat cheese.

Squidward: Sliced or cubed?

SpongeBob: [whispers with Patrick] Cubed; sliced is fine.

Squidward: Yeah, yeah, and?

SpongeBob: Never wear a sombrero…

Patrick:… in a goofy fashion!

SpongeBob: Or clown shoes.

Patrick: Or a hoop skirt.

SpongeBob: And never…

Patrick: Ever…

SpongeBob: Ever…

Patrick: Duh!

Both: Screech like a chimpanzee!

Squidward: Wow! That's amazing how many things can set a sea bear off!

Both: [huddling together, shuddering] They're horrible!

Eli: Uh oh.

Just then, we all heard growling.

Kaito: (gets out Denziman gear) Looks like the Sea Bear came early!

Zocks: (gets out Battle Fever gear) Squidward, get back. We'll handle this!

Me: (Stomach Growls) Uh false alarm guys. That was my stomach.

Kaito: Oh sorry.

Squidward: And… and suddenly I have the sense we're all in danger!

Both: Why?

Squidward: I don't know… [runs off and returns with a flashlight, clown shoes, hoop skirt, sombrero, and tray full of cubed cheese; a diabolical look is on his face] Just a feeling!

SpongeBob: [horrified] No.

Me: YOU WOULDN'T DARE!

Squidward: Yes.

SpongeBob: No!

[Squidward begins making chimp noises]

Squidward: U! UHUHU!

Nico: HE WOULD!

Both: Squidward, please don't!

[Squidward continues hooting, stomping, and waving flashlight around]

Squidward: Uh! Uh! Ah! Ah! Ah! Ah! Ah! Ah! Uh! Uh! Uh! Uh! Uh! Ah! Ah! Ah!

Patrick: SpongeBob, what are we gonna do? A sea bear's sure to come and eat us!

SpongeBob: Don't worry, Patrick. I'll draw us an anti-sea-bear circle in the dirt. [takes stick and draws circle around himself and Patrick]

Squidward: [continues to do screeching like a chimpanzee] Uh! Uh! Ah! Ah! Ah! Ah! Ah! Ah! Uh!

Patrick: Good thinking! [holds up another issue of Fake Science Monthly] All the experts say it's the only defense against a sea bear attack.

Squidward: [ends to screeching] Uh! Uh! Uh! Ah! Ah! Ah! Ah! [laughing] Ha! Ha! Ha! You guys are so gullible! See? I did everything that attracts a sea bear, and nothing happened! If sea bears really exist, why didn't one show up?

SpongeBob: Maybe it's because you're not wearing your sombrero in a goofy fashion.

Squidward: Oh, pfft, sorry! How silly of me! You mean like this? [Squidward tilts his sombrero to the right, laughing, but something off-screen takes the hat and turns it upside-down instead]

SpongeBob: No. Like that.

[camera zooms out to show the sea bear that inverted Squidward's sombrero; it looks like a giant fish with the head of a bear and claws on its fins.]

Me: Is that a Sea Bear? It looks a piranha with a bears head on it and claws on the fins.

Sea Bear: (GROWLS FEROCIOUSLY!)

[Squidward sees the sea bear and screams while it roars and chases him while he runs; it begins to maul [off-camera] the screaming Squidward while SpongeBob and Patrick are still huddled inside their anti-sea-bear circle]

Maria: OKAY NOW I'M GETTING DEJA-VU!

SpongeBob: Squidward, are you okay?

Squidward: [looking bruised and battered] No.

SpongeBob: Quick! Jump inside our anti-sea-bear circle before he comes back.

Patrick: [brings the anti-sea-bear circle and drops it at his and SpongeBob's current position] Yeah. Sea bears often attack more than once.

Squidward: Are you crazy? A dirt circle won't stop that monster. I'm running for my life!

Both: No!

[the sea bear comes back and resumes mauling Squidward]

SpongeBob: Don't run! Sea bears hate that!

Squidward: Thanks for the tip. I guess I'll just limp home, then.

Both: Nooooooo!

Just as the Sea Bear Came back and Kaito used the Denzi Punch and Zocks used the dances of Battle Fever J and knocked the Sea Bear Down!

Me: That is one mean tempered bear!

We got Squidward into the circle.

Kaito: You rest up, Squidward. We'll take it from here.

Squidward: Okay!

Squidward was REALLY BADLY MANGLED UP!

Squidward: I guess this is what I get for trying to hurt you guys back then.

Nico: No Squidward it's not.

But then a shadow field appeared and it was pitch black.

Knight Mare: This is like what I do with my shadows.

?: That's from me.

Then we saw another Knight Mare!

Knight Mare 2: I'll take this guy on.

Nico: Olivia Shenlong? Whoa!

Olivia reverted back and she was a girl dressed in all black and had purple eyes and she had the symbol for the Dark Skylanders on her shirt and even had a black crescent moon emblazoned in the middle of her forehead.

Olivia Shenlong: Awesome to see you again Nico. We can catch up after I tame this bear.

She fired a beam of darkness and entombed the Sea Bear in a bubble and then Fluttershy used her stare on it and made it listen to her and the Sea Bear was put into the Masters of Evil as one of our frenemies.

Nico: That did it!

Olivia Shenlong: Now we can catch up. Awesome to see you again Nico.

Nico: You too Olivia.

Maggie: What's your favorite memory of Nico?

Olivia Shenlong: I have a lot of them. But my favorite memory is when me and Nico were on the playground and then we saw a local bully about to hurt a kid and then I jumped and kicked him in the back of the head. He and his goons went after me and I punched and kicked them all over the place. Then they went after me some more but ran up the wall and then jumped and landed behind them and gave them atomic wedgies, tied their underwear together in a knot and then tied them to the flagpole.

Me: Whoa! What a daredevil move!

Nico: Olivia is a big time daredevil. She can do all kinds of amazing daredevil stunts.

Eli: Like how Kick Buttowsky does it.

Laney: That is so awesome and amazing.

Eli: Yeah.

Lola: What happened to those clods?

Olivia Shenlong: Well they got sent to juvie and their parents disowned them and made them the states problem.

Nico: Good riddance.

Me: Yeah.

Varie: But that was really amazing.

Nico and Olivia hugged.

Nico: I really missed you.

Olivia Shenlong: Me too Nico. Me too.

Me: This was an awesome camping adventure.

Eli: It sure was.

SpongeBob: Lets turn in for the night.

We went and did so in our tents.

Later in the morning we returned home.

Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Haiku are heading to Lunan XII in the Sombrero Galaxy, and not only is Lincoln going to rescue the five girls there, but we got word our old enemy, Gatō, has come back from the dead, and he still wants revenge on us for killing him long ago.

When we arrived on Lunan XII, it was an awesome planet inhabited by Lunanian Werewolves, and they knew of our adventures, and they were honored to meet us.

Lincoln: Wow, we're here on the planet Lunan XII, and I know what we're going to do here, not only am I going to rescue the five girls there, but we got word our old enemy, Gatō, has come back from the dead, and he still wants revenge on us for killing him long ago.

Me: That's right, big guy, and I can guess that The Church of Necrom was behind bringing that evil and extremely corrupt and ruthless businessman and drug dealer from the Land of Waves back from the dead.

Nico: Just like what happened with Mizuki yesterday on the planet of Skittles.

Lincoln: I was just about to say, Nico, and J.D. was right, Mizuki was brought back by Duncan Alarie of The Church of Necrom yesterday. Now, they're going too far bringing back the dangerous enemies of The Leaf from the dead, except for The Akatsuki, which was the fault of Morgan Le Fay. And thanks for joining us, Haiku.

Haiku: You're welcome, Lincoln, and we'll make sure Gatō never comes back from the dead again.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Gatō and his men, and they're going to kill them. Lincoln also saw that Gatō had the symbol of The Church of Necrom on his forehead, proof that The Church of Necrom brought him back from the dead, and he also had an army of Holy Demons with him.

Lincoln: Guys, I found the five girls, but they've been cornered by Gatō and his men, and they're going to kill them, and I also saw Gatō had the symbol of The Church of Necrom on his forehead, as it meant that The Church of Necrom brought him back from the dead, and he also has an army of Holy Demons with him.

Helena Hufflepuff: I should've known The Church of Necrom were the ones who brought him back from the dead, and that army of Holy Demons with him and his men, there's only one warlock in The Church of Necrom who's able to summon Holy Demons: Cole Sullivan.

Lincoln: Carmen Sullivan's insane brother, and the last of the thirteen low-ranking members of The Church of Necrom, I should've known that insane warlock was behind this.

?: Let's put an end to that heartless gangster once and for all.

Suddenly, we saw the Duel Monster, Castle of Dark Illusions, appear before us.

Me: Wow, that's Castle of Dark Illusions.

Nico: Wicked, and did the Castle of Dark Illusions speak.

Lincoln: It sure did, and I'd recognize that voice from anywhere, I knew it was you, Mira Michaels, but we'll have to talk later, let's get rid of Gatō once and for all.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Gatō and his men, and Lincoln fired powerful blasts of darkness and destroyed Cole Sullivan's army of Holy Demons, and it allowed the five girls to get away. When Gatō saw us, he was pissed off big time, and so were we.

Me: Gatō, I should've known you'd come crawling out for more.

Gatō: And I still owe you for all of the humiliation that you dealt me. Men, kill them all!

Gatō ordered his men to attack, but then, we saw two female Lunanian Werewolves charge at them, and they ripped them apart, and it pissed Gatō off big time.

Female Lunanian Werewolf: Okay, Lincoln, they're all yours.

Lincoln: Thanks for the assistance, you two. (To Gatō) And now that your men are gone, you're next.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Gatō, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Lincoln slashed off Gatō's arms as he screamed in excruciating pain, and then, he decapitated Gatō, and as soon as his spirit appeared, Lincoln banished Gatō The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: And this time, Gatō, don't you even dare come back. (To Mira Michaels) And it's so good to see you again, Mira Michaels.

Mira Michaels reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive purple angel wings, and she reigned in the power of Castle of Illusions, and she's dressed in a purple sleeveless blouse, sleeveless purple top, purple skirt, purple pants, purple sneakers, and long purple sleeveless trenchcoat with castles, illusions, and darkness on the coattails, and Castle of Illusions on the back, and holstered on her back is a large Castle of Illusions-themed greatsword with Castle of Illusions etched on the 7'0" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem surrounded by purple angel wings for the pommel.

Mira Michaels: You too, Lincoln, it's been a long time.

Lincoln went up to Mira Michaels and they hugged, and Mira Michaels was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Mira Michaels: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Mira Michaels, she's another Guardian Angel of mine from Michigan. She's a goth girl that likes to dress up in dark shades of purple, and she has a really powerful form of umbrakinesis that has the ability to make her target's worst nightmares come to life.

We gasped in awe at what Lincoln told us about Mira Michaels' powerful form of umbrakinesis.

Me: Whoa, that's so awesome, and that means fear has a new name.

Mira Michaels: That's right, J.D., and also, I have a really horrible history with both Scoots and Carrie White's mom Margaret, and I've been trying to bring Margaret White to justice for a long time.

We gasped in shock.

Lincoln: That's right, I remembered you were trying to bring that religious fanatic to justice, but I'm afraid you're too late. Sakura Avalon transformed into her Super Angel Infinity form, and she killed Christina Hargenson, and not only did Sakura banish her to The Black Gates, but she also banished her evil boyfriend, Billy Nolan, and Carrie's mother, Margaret White, to The Black Gates as well.

Mira Michaels: Oh, that's right. But, they deserved their fates long ago.

Me: You said it, Mira.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Mira Michaels's neck with purple gems on the gold thunderbolt links and purple crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Mira Michaels: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Mira.

Mira Michaels had a smile on her face and tears in her eyes, as Lincoln wraps his abnormally massive and powerful muscular arms around her waist and Mira Michaels wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Mira Michaels' face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Natsunagi Hiwa, Kamakura Kanna, Ohana Kaaifue, Shirosawa Shion, and Takigawa Ranko from Hula Fulla Dance.

Lincoln: Oh wow, it's Natsunagi Hiwa, Kamakura Kanna, Ohana Kaaifue, Shirosawa Shion, and Takigawa Ranko from Hula Fulla Dance.

Nico: Awesome.

Lincoln: Are you girls okay?

Natsunagi Hiwa: Yes, we're okay, thanks to you.

Then, when Natsunagi Hiwa and the other four girls saw who it was that saved them from Gatō and his men, along with Cole Sullivan's army of Holy Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Natsunagi Hiwa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they lean down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Natsunagi Hiwa: (Seductively and rubs her right hand on Lincoln's

massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Natsunagi Hiwa, Kamakura Kanna, Ohana Kaaifue, Shirosawa Shion, and Takigawa Ranko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened on Lunan XII and they were really amazed at the planet and seeing the Lunanian Werewolves. But, they were shocked when they found out that the villains we went after we went after were Gatō, who was brought back from the dead by The Church of Necrom, and they also saw Cole Sullivan's army of Holy Demons with Gatō.

But, when Lincoln showed what he did to that ruthless gangster and destroying Cole Sullivan's army of Holy Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Mira Michaels have a lot of catching up to do now that she's back in town, and later after the mission today, Helena Hufflepuff and Lincoln are going to deal with Cole Sullivan, and they're going to make that insane warlock pay for his crimes.

* * *

After finally getting rid of Gatō and this time for good and destroying Cole Sullivan's army of Holy Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Mira Michaels saw Lincoln working out like crazy, she had an atomic red blush on her face.

Mira Michaels: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mira, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mira Michaels: That's incredible.

Nico: It sure is. So, Mira, what memories did you have with Lincoln?

Mira Michaels: Oh, I remembered this one time, Lincoln and I were working on a school project, but as we were working, Lori barged in and ordered him to be an ottoman so she can paint her raptor claws that she calls fingernails, but Lincoln said no, and he has a school project. But, Lori got so mad, she was going to kill him, but I fired a powerful blast of darkness at her, and it made her worst fears come to life: Bobby breaking up with her for good, her siblings hating her forever, and her dreams of going to Fairway being reduced to ashes. Lori ran for her life and she hid in her room.

We were amazed.

Me: Whoa, now that's really powerful.

Nico: Even more powerful than Scarecrow's fear gas. I wonder what'll happen if we were to use that for interrogations on criminals?

Lincoln: That's not a bad idea, Nico. In fact, Anko could get along great with Mira, and the rest of the ANBU.

Me: I'll see about talking to Anko and recommend it, big guy.

Inuyasha: And Lincoln, I don't know if Kagomi or I told you about this, but…

Lincoln: I know what you're about to say, Inuyasha. I found out that Towa Higurashi and Setsuna are the twin daughters of Sesshomaru and Rin, and Moroha is yours and Kagomi's daughter. Well, this I've promised, I'll take good care of Moroha, Higurashi, and Setsuna.

Our jaws opened wide when Lincoln said that.

Me: I didn't know that Moroha is yours and Kagomi's daughter, Inuyasha.

Nico: And we also didn't know that Higurashi and Setsuna are the twin daughters of Sesshomaru and Rin, that was a surprise. But, Lincoln is going to take care of them, he's a man of his word.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villain who triggered the alarm was Osamu Kirin.

Moroha: Oh great, it's Osamu Kirin.

Lincoln: I remembered you girls telling me about him, that he's the second incarnation of the qilin daiyōkai Lord of the Eastern Lands, Kirinmaru, and he's abandoned his own humanity. This guy's got to be destroyed and banished to The Black Gates for good.

We then flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Osamu Kirin, and when we landed in front of him, he was enraged.

Osamu Kirin: So, the famous Team Loud Phoenix Storm has arrived. Perfect, now I can destroy all of you and have my revenge on you, Towa, for killing me long ago.

Lincoln: You deserved to die long ago, Osamu Kirin, and I already know of the fact that Cole Sullivan of The Church of Necrom brought you back from the dead.

Suddenly, we saw the mark of The Church of Necrom appear on Osamu Kirin's forehead.

Towa Higurashi: Should've guessed that insane warlock had a hand in this.

Setsuna: Now, he's really crossed a serious line bringing that monster back.

Moroha: And we've had it up to hear with you to last an eternity.

Suddenly, the brown eyes of Towa Higurashi, Setsuna, and Moroha turned neon brown, and they were surrounded by colored energy auras with elemental forces, and mythological demons, and as they approached Osamu Kirin, they left colored energy, elemental forces, and mythological demons with every step. Suddenly, Towa Higurashi, Setsuna, and Moroha were surrounded by massive vortexes of colored energy with elemental forces surrounding it, there were mythological demons running around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes faded, Towa Higurashi, Setsuna, and Moroha emerged, but they were changed forever.

Towa Higurashi grew to 6'11" in height, she had autumn highlights in the bangs of her short neck-length silver hair with paradise pink streak, she has neon magenta eyes and a silver energy aura with ice, dog demons, and snow surrounding her, she has a dog demon emblazoned on her forehead, she has on dog demons earrings with purple gems for eyes and holding the Ice and Eternity Kanjis in its paws, she also has a dog demon with purple gems for the eyes and the Ice and Eternity Kanjis in its paws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Suddenly, Towa Higurashi felt a sharp pain on her back, and then, massive silver angel wings with autumn tips on the feathers and ice and snow falling from the tips, sprouted out from her back. Towa Higurashi has on a Ring of The Phoenix with silver gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

There's an autumn kanji right below Sesshomaru and Rin that said, "Towa Higurashi, Loving Half-Human Half-Dog Demon Daughter of Sesshomaru and Rin, Loving Older Sister of Setsuna, Dear Niece of Inuyasha and Friends, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Member of The Demon Slayer Syndicate, Destroyer of Osamu Kirin, and Master of Ice, Snow, and Dog Demons"

Suddenly, Moroha had a new greatsword in her right hand called Inuyasha's Greatsword of Fire Dog Demon Justice, a brand-new greatsword with Inuyasha and Kagomi Higurashi, etched on the 7'0" massive, wide, double-edged red blade, large red dog heads for the crossguard, large red gem embedded in the rainguard, longer black handle, and four large red demon dog heads with red gems for eyes and in their mouths and a large red gem on the bottom of the demon dog heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold demon dog head with red gems for eyes and a large red gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Moroha has transformed into SUPER ANGEL ETERNITY INFINITY FIRESTORM YOKAI SLAYER ANGEL OF INFERNO YOKAI JUSTICE AND DIVINE LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Towa Higurashi, Setsuna, and Moroha, including their parents, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes. But, when Osamu Kirin saw it, he fell into a rage and transformed into his true demon form and tried to kill them, but the girls fired three powerful silver, blue, and red energy blasts with demon dogs, fire, ice, poison, and light, and they hit Osamu Kirin and he hit back first into a wall.

Inuyasha: Incredible, Moroha's transformed.

Sesshomaru: Same with Towa Higurashi and Setsuna, amazing.

Me: This is going to be awesome.

Lincoln: Wow, Towa, Setsuna, Moroha, you three look beautiful. How do you feel?

Towa Higurashi: (Divine Echoing Cosmic Voice of The Arctic Dog

Demon and Divine Love) We all feel incredible, Linky.

Setsuna: (Divine Echoing Cosmic Voice of The Poison Dog Demon and Divine Love) Now, shall we get rid of Osamu Kirin once and for all?

Moroha: (Divine Echoing Cosmic Voice of The Firestorm Dog Demon and Divine Love) And send Cole Sullivan even further into an insane rage?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Towa Higurashi, Setsuna, and Moroha.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Consider this your last day alive, Osamu Kirin, and Cole Sullivan, if you're watching this from the shadows, we're coming after you next.

Lincoln, Towa Higurashi, Setsuna, and Moroha went after Osamu Kirin, and they fired powerful blasts of rainbow energy, silver energy, blue energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dog Demons at Osamu Kirin, and they exploded with incredible power as they hit him. Then, they slashed at him with their massive greatswords and left nasty scars on him that wouldn't heal, and the girls chained him up with rainbow energy chains.

Towa Higurashi: (Divine Echoing Cosmic Voice of The Arctic Dog Demon and Divine Love) Okay, Linc, he's all yours.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Thanks, girls. (To Osamu Kirin) And now, this is the end for you, Osamu Kirin.

Lincoln used his Death Wing Life Drain as he spreads his massive deep sapphire blue angel wings with stars and fired powerful red energy blasts, and as they hit Osamu Kirin, Lincoln began sucking out and absorbing Osamu Kirin's powers and abilities and Lincoln also drained Osamu Kirin of his life force, as Lincoln gained a massive power boost. Then, as soon as Lincoln was done, Osamu Kirin was reduced to being a mummified husk, and as soon as his spirit appeared, Lincoln, Towa, Setsuna, and Moroha banished him to The Black Gates forever. We cheered wildly for what they did as they holster their massive broadswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Towa, Setsuna, and Moroha are permanent.

Then, Lincoln made two clones of himself and they went up to the girls and wrapped their abnormally massive and powerful muscular arms around the girls, who then wrapped their arms around the thick muscular necks of Lincoln and his clones, and Lincoln leaned down to their faces and they kissed passionately, and we cheered wildly for them. We then head back to The World Tree Estate, and as soon as that happened, Cole Sullivan roared in insane fury when he saw his second plan foiled, and he was now really pissed off.

Lincoln: (Smirks) Serves you right, Cole Sullivan.

Inuyasha: He deserves it, and Moroha, I'm so proud of you, you've now become a beautiful woman.

Sesshomaru: Same with you and Setsuna, Towa, and we both know Lincoln will take good care of all three of you.

Towa Higurashi: He will indeed, Father, and he's indeed everything we've heard: a brave, strong, and powerful man who loves his friends and family with all his heart, determined, courageous, and he's not afraid to defend those he loves.

Me: Uh oh, looks like you're famous, especially around the ladies, big guy.

Lincoln: Now, now, J.D., don't try to give me a swollen head.

We shared a laugh.

Later it was time for Maxxine's second Ambassador Mission.

Me: This is gonna be awesome and I have a feeling we're going to face a good AnotherRider again.

Nico: I have an awesome feeling too.

Me: I hope we face two of them this time.

Eli: Me too. I want to try my power against AnotherSaber.

Me: That would be awesome bro.

William: Anyone else want to come with Maxxine? Besides 1 Rabbid, Joe, and Hassleberry?

Ophelia Laurence: I'll go. I want to try my hand at this. I also want to see how I do against my own archenemy.

Me: If that's your choice Ophelia then we won't stop you.

Maxxine: And I want to have Sydney and the girls come too.

Nico: Awesome!

Sydney: It'll be awesome to meet the Zi-O Kamen Riders.

Nico: It sure will. We need to tell them which riders helped us during the 20 Days of Darkness.

Me: Yep.

Nico: All right lets head out.

We were off to Japan.

We arrived in Japan.

Sougo: Hey guys!

Me: Awesome to see you all.

Maxxine: Sougo, meet my boyfriend.

Tyranno: Awesome to meet you all. I'm Tyranno Hassleberry. Dinosaur Duelist of Duel Academy.

Sougo: Awesome to meet you.

Maxxine: And these are my fellow Underground City girls.

Sydney: Awesome to meet you. My name is Sydney Burlington.

Nanette: I'm Nanette Allbright.

Sheila Loud: I'm Sheila Loud.

Georgina: Georgina Montgomery.

Rice: Rice Fitzgerald.

Kendra: Kendra Armstrong.

Irena: Irena Malloy.

Kita: (British Accent) Kita Birmingham.

Natalia: (Russian Accent) Natalia Somonmenchikov.

Evelyn: And I'm Evelyn Burmingham.

Sougo: Awesome to meet you girls.

Me: Sydney, Nanette, Sheila, Georgina, Rice and Kendra all had previously done Ambassador Missions and big missions earlier this year. Maxxine is the last member of them to go for Phase 1.

Sougo: Awesome!

Ophelia Laurence: And it's awesome to meet you too. My name is Ophelia Laurence and I'm the gene-slammer for Nightmare Horse.

Sougo: Wow it's an honor and a pleasure.

We then saw Junichiro come out.

Poromon: (to Junichiro) Hi, Mr. Tokiwa!

Junichiro: Well Poromon and Nico it's awesome to see you and J.D. Knudson it's an honor to meet you too.

Me: Same to you Mr. Tokiwa.

Nico: Awesome to see you again as well.

Junichiro: And don't worry. I know all about Sougo's Kamen Rider identity. He told me after Swartz's first defeat.

Me: Great. Because when we take on Swartz in September we're going to give him the Black Gates and kill him forever.

Eli: Yeah what he has done is just pure evil.

Nico: Yeah. But also we owe many of the Kamen Riders big time for helping us big time in the 20 Days of Darkness.

Me: Oh and Sougo, Tsukasa says hello.

Sougo: You guys had Tsukasa help you guys?

Me: Yep. Against Morgan Le Fay yesterday.

Nico: It was so awesome.

Sougo: Awesome! By the way which Kamen Riders helped out during those times?

Nico: The ones we've met this year who appeared during those dark days are Touma, Takeru, Shinnosuke, Haruto, Gentaro, Tsukasa, and Soji.

Me: So it was Saber, Ghost, Drive, Wizard, Fourze, Decade and Kabuto.

Eli: Wow that is awesome.

Nico: Yep.

Sougo: That is so awesome. Did I appear too?

Me: No unfortunately. But we owe all you guys big time for helping us out during those times. We owe you all a huge debt.

May: Yeah we sure do. It's awesome,

Megan Kiraton: I think that is amazing though.

Geiz: Any luck on those Fullbottles Jock had?

Me: Lisa is running an analysis on them right now. She couldn't do it yesterday because she had a nasty sugar crash and a brutal headache.

Sougo: I know that kind of feeling.

Nico: Yeah no kidding there.

Me: Also Sougo, Kamen Rider originally came out in 1971 and Zi-O was made to commemorate the 50th anniversary of the series. So awesome.

Sougo: That is so cool that we have been around for half a century.

Me: It sure is.

Geiz: If Jock had spent less time gloating, maybe he would've torn Double D apart before I punched him.

Me: In the end Jock Jockerson was one thing and one thing only and that was nothing but talk. He was all bark and no bite. A true bag of hot air.

Nico: Yep. A True piece of fucking trash.

May: And now he is a solid gold statue and his spirit is in the Black Gates forever.

Nico: Good riddance.

Ophelia Laurence: Yeah what a jerk.

Sophia Nuremburg: Yeah no kidding. But also guys I have something you need to know. I didn't get the chance to show you all

yesterday.

She showed her Jagan Eye.

Sophia Nuremburg: I am one of the unholy experiments done in the world of Kamen Rider Build. They gave me this Jagan Eye.

Me: I was really pissed off about that. What those douchebags were doing over there was really playing with fire.

I told them everything about what me and Maria did in the world of Kamen Rider Build and more and it was awesome.

Sougo: Whoa! That is awesome.

Nico: So, any Another Rider trouble?

Woz: Funny you should ask.

Woz showed us a newspaper about reports of Another Kiva attacking.

Me: Another Kiva!

Eli: Now we're talking!

But then the news came on TV.

Reporter: There is also reports of another Fourze Kamen Rider attacking too! And he has switches that are imbued with the powers of all 310 members of the Masters of Evil as well!

Nico: Fourze too!?

Me: Whoa! And he has switches for all the Core 310 of the Masters of Evil?! Wow!

Megan Kiraton: First Build for Fullbottles and now Fourze for Switches. This is gonna be awesome.

Sougo: Maxxine, do you want to be a Kamen Rider for my team?

Maxxine: I would be honored!

Sougo gave her a Zi-O belt along with a Rider Watch for Fourze!

Maxxine: Cool!

Nico: Lets go get them!

We were off!

We were off.

Nico: It's entrance time.

Geiz: Doing an entrance already?

Nico: Our next mission will involve a nice place.

Geiz: That makes sense.

We went over.

The Another Riders were causing mayhem and Then the spirits of the elements of the Magical Planes appeared and swirled around them and blasted them all over and then they converged and then a rumble was heard and then out of the ground came a volcano and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It erupted and a phoenix cry was heard and out came us!

Nico: Knock knock!

We jumped down and I kicked the Another Fourze in the face and smashed it down.

Another Kiva: (to Sougo) I remember you. You're that lovely boy I met.

Sougo: Nice to see you too, Yuko Kitajima.

Nico: Boy how can I forget you Yuko. You were a false love for Sougo.

Another Fourze: And its been a while monkey tail Nico.

Nico: That voice! I was hoping I would never have to see you again Veronica Gallagher!

Another Fourze: Nice to see that you remember me.

She reverted back and was a girl with blond hair and blue eyes and she had the face of an angel but the heart of a devil!

Me: You know her Nico?

Nico: Unfortunately yes. She is one of the bullies that went to our school and me and one of my friends got her in trouble.

Sophia Nuremburg: I haven't forgotten what you did Veronica!

Veronica Gallagher: Sophia!? What happened to you? You look totally different and amazing.

Sophia Nuremburg: I will take that as a compliment but I haven't forgotten what you did to Nico and so many kids! You were going to hurt them all over!

May: People like you make me sick!

Me: You're just a heartless bully Veronica.

Ora then appeared.

Sougo: So this is what you used the Kiva Another Ridewatch for?

Ora: I figured I'd give you a second chance to rescue her. And as for the other one, she begged me to Give her the Power of Fourze.

Me: So you gave her Fourze and gave her Astroswitches imbued with all the powers of the Masters of Evil members too. Nice.

Ora: Thanks.

Clyde and Syd came.

Clyde: And that is a mistake!

Syd kicked Ora in the back.

Me: Nico do you want to take on Another Fourze?

Nico: No I've had my fun with her years ago. You go get her J.D.

Me: With pleasure.

Nico: Ora the offer to join the M.O.E. is still open. You can still be a perfect member for them too.

Ora: Thanks but I'll pass.

With a glass shattering effect, Yuko became Another Kiva.

3, 2, 1!

Blue smoke surrounded Veronica as she became Another Fourze.

Maxxine and Sougo: Henshin!

They went Zi-O! Maxxine's Kamen Rider Zi-O form for Fourze was really cool! It was a mix of Fourze and Meteor! She had a space ship sword as well as a switch console that had all 40 switches on it on her arm and she also had all the powers they had as well as those of Meteor!

Maxxine: This is so cool!

Nico: You look awesome Maxxine!

Tyranno: Yeah way to go!

Me: YEAH! Now for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!)

I turned into Wolf Moon 🌙!

Nico: This is gonna be awesome!

May: Lets get them! IT'S RIPPING TIME!

May went at Another Fourze and smashed and pulverized her all over the place.

Then I slashed Another Fourze all over with my scythe.

Woz: Rejoice! Maxxine Stennson has achieved the newest chapter in her life. She has become one of the few Female Kamen Riders in history. (to Maxxine) Now, you just have to name your new form.

Maxxine: Kamen Rider Celestial!

Me: Hey that is a great name!

Tyranno: I like it!

Nico: Yeah!

May: That is a great name!

Sougo: I think I can do this!

Me: We know you can do it Sougo!

I slashed Another Fourze!

Me: Veronica why did you Bully Nico! Why!?

Another Fourze: Why? WHY!? BECAUSE I HATE HIM!

Nico's aura flared up with incredible power!

Me: That's not a good reason! Why did you hate him?

Another Fourze: Because he was doing so much good for so many people and I was left with nothing!

But then I saw intense pain in Veronica's eyes.

Me: (GASP) You have been abused by your father! You were raped and beaten by him weren't you!?

Another Fourze: How did you know that?

Me: I can see it in your eyes. You hated Nico because you were hurting and lashing out on other people to vent your frustration.

Another Fourze: That's (CLUTCHES HEAD) (SCREAMS)

Me: Veronica! FIGHT IT!

Another Fourze: HELP ME J.D.!

Me: Okay! WOLF MOON STYLE NINJA ART: STARS OF THE WOLF MOON NIGHT!

I fired waves of blue fire and they formed into shooting stars and they hit Another Fourze and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down and I caught her Rider Watch and then my arm got a really awesome device on it that had switches for all 310 powers of the Core M.O.E. and the 9 planets and the Sun!

Me: COOL!

I went over to Veronica and I helped her up.

Me: Veronica? I'm sorry you went through all that. But your father did this to you because he hated you.

I analyzed her mind and what I saw WAS 100 Times worse than I thought! It was like what happened with Taylor! She killed her own mom and her dad made it look like an accident and because of that he THREATENED HER LIFE! He threatened to kill her if he told anyone!

Me: (GASP) That heartless monster!

Another Kiva: Come to your queen!

Arms Monsters appeared around Another Kiva.

Sougo: I forgot she can do that.

Nico fired waves of energy and blasted the Arms Monsters into dust.

Sougo: Time to use Zi O II form!

Rider Time! (Sytheziser tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Sougo became Zi O II

Nico: OH YEAH!

Geiz: I'll use Geiz Revive as well!

Rider Time! Kamen Rider Geiz! Re-vi-i-ve Goretsu~! Goretsu!

Geiz became Geiz Revive.

Eli fired waves of Force Lightning and electrocuted her all over.

Maxxine: Lets see what this form can do.

She activated the powers of Fire, Venus and Sword and she got an awesome and powerful Venusian Fire Sword!

Maxxine: Awesome!

Nico: That is so cool Maxxine!

Megan Kiraton: Wow!

Nico: Now lets finish her.

Sophia Nuremburg: SWORD OF THE CRIMSON FLAME! 邪王炎真紅犠剣

Sophia formed a sword of pure red fire hotter than the sun and she slashed Another Kiva and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico caught her Rider Watch!

Nico: Got it.

I went over with Veronica and she was crying hard.

Nico: Veronica?

Me: I found out why she was being such a bully to you Nico.

Nico: What is it?

I told him everything and it was shocking and horrifying! We gasped in horror!

Nico: Oh man! Veronica is… is all that true?

Veronica Gallagher: (CRYING HARD) YES NICO YES! I'M SO SORRY! I'm sorry I did all those things to you!

She told him that it wasn't her fault and that her dad MADE HER into a monster because he threatened to kill her if she didn't do what he said!

Nico then had tears stream down his face and hugged her.

Ora: (firing psychic blasts at Clyde) I hope you're satisfied with having saved the woman that was Another Kiva, Zi O.

Zi-O: Oh I'm not but yeah I had to.

Clyde deflected the blasts back.

Clyde: Ora the offer will always be open.

Syd: That's right!

Syd fired leaf blasts at her and smashed her all over.

Ora was knocked down.

Ora: (to Nico) I will consider your offer, Nico. But for now, I will leave all of you to comfort your former bully. (gestures to Yuko) And to decide her fate. Celebrate your victory while you still can. Because Heure's coming for you next. (walks away)

Me: We know he has potential to be in the M.O.E.

Nico: Veronica it's all right. It's all right.

Veronica Gallahger: Nico (CRYING) How can you say that!? Look at me! Look what my father did to me! He took everything from me! I loved my mom! And he killed her and threatened me!

May: Veronica listen! We can get justice for her! You did nothing to deserve this! There's someone on the team that knows how you feel and she knows what you went through. But please let us help you.

Me: That's right Veronica. Your father is a monster that must pay the ultimate price for his crimes.

Sougo: If it makes you feel better, you fought well as Another Fourze.

Veronica Gallagher: I did?

Me: Yeah you did.

Medic then appeared.

Me: Medic.

Medic: Looks like I got here in time. Sorry I missed the battle.

Me: No worries.

Medic looked at Veronica and she saw broken and bruised bones and hurt organs.

Medic: I got this.

She healed up Veronica.

Veronica Gallagher: Wow! I feel better and renewed.

Ophelia Laurence: I think I might have found my archenemy.

Medic: So you are one of J.D.'s friends?

Ophelia Laurence: Yes my name is Ophelia Laurence and I'm a Nightmare Horse Gene-slammer.

Medic: Awesome to meet you.

Ophelia Laurence: Same here.

Woz: Ah, one of Kamen Rider Drive's enemies.

Nico: Yep.

Medic: That's right.

May: I helped out in the Kamen Rider Drive world and I killed Nira.

Me: I remember that. (GROWLS) I HATE THAT FUCKING SON OF A BITCH! HE MURDERED SHINNOSUKE'S FATHER! May snapped his fucking neck!

Medic: Good riddance. I never liked that guy.

Me: I hated him 1,000 times.

Nico: I hated him 1,000,000 times.

Ophelia Laurence: Wow. What a monster. But lets see how we do. This will be my first ever usual battle.

Medic: I'm quite a dancer and a fighter too.

Ophelia Laurence: So I have heard.

Medic: Then lets dance.

Medic and Ophelia went at each other and Medic fired energy blasts and Ophelia fired blasts of Blue Fire and the blasts collided and exploded all over the place.

While Medic and Ophelia battled, Sougo noticed the Another Ridewatches turned into Regular Ridewatches.

Sougo: I get it. Now that they're with us, the Ridewatches are purified.

Nico: Sweet!

Me: Another awesome and valuable tool for all of us. Also Nico, I now have this amazing device on my arm that enables me to use all the powers of the 310 Core M.O.E. Members.

Nico: Wow! That is awesome!

Geiz: I bet the same thing happened with the Build one as well.

Me: I agree. And yes it did happen.

May: That's right.

Nico: I know.

Ophelia and Medic were really battling.

She fired waves of blue fire at Medic and spread wings of blue fire and formed a sword of fire and slashed her down.

Medic: Wow! You are really awesome.

Ophelia Laurence: You are an awesome fighter Medic. You heal people awesomely and even put up an awesome fight too.

We later came back home.

William: How did it go?

Me: Really awesome!

We told everyone everything and they were amazed and shocked for what happened with Veronica.

Maria: That heartless monster!

Taylor went over to her.

Loud House Taylor: Veronica, I know how you feel. I lost my mother the same way. My father killed her and he got sent to prison.

Me: Now we're going to do the same thing to your father too.

William: Next time, Astro Boy and Mummy should go with you.

Maxxine: Good idea. And it'll be awesome.

Me: I have a feeling that Another Gaim is next.

Lola: That will be awesome.

---

Later we were back in Japan and we were walking along the beach.

Charmcaster: So, who are we going to see?

Me: Well I have been thinking about what Witchblade of Mighty Morphin said a while back and how she is the namesake of Witchblade and that one day we should meet Masane who is also Witchblade. So I decided that we're going to take up on her word and we're going to recruit Masane.

Nico: I like it.

Eli: I heard she is really powerful and has a lot of incredible fighting strength.

Me: Yep and she and her adopted daughter are going to make great members of the team.

Laney: I heard she is really pretty too.

Me: Oh yeah.

We got to a bunch of people relaxing and sitting in the sun.

Nico: Wow.

Me: There she is.

We saw Masane and she was a brown hair woman in a white bikini and had a voluptuous appearance.

Camie: Wow she is beautiful.

Tsuyu: She sure is.

Me: Yep.

We went up to her.

Me: Scuse me?

Masane: Yes?

Me: Are you Masane Amaha?

Masane: Yes I am.

Me: Awesome to meet you. We are Team Loud Phoenix Storm and it's an honor to meet you.

Rihoko: Oh wow! You guys are my heroes.

Nico: I'm glad we are.

Masane: Oh it's awesome to meet you all.

Ryo: You look pretty normal to me.

Masane: Well on the outside yes. But on the inside I am a Witchblade.

Me: Well it now is gonna be awesome having you with us if you are interested.

Masane: I would be honored to join you.

Rihoko: Me too! I love all your adventures.

Me: (Chuckles) Yeah they are awesome aren't they.

Nico: Yeah.

Masane: But it looks like we're going to battle my enemies too.

Eli: If they come we'll give them a good fight they won't like.

Me: We'll kill them all on the spot without a shred of mercy.

Nico: Yeah we heard a lot about them and they will pay for their crimes.

Laney: They sure will.

Headstrong: Lori's actually a big fan.

Lori: I sure am. And you have literally been one of my favorite heroes for a long time.

Masane: That is so cool. I'm truly honored.

Me: Also you were given an awesome gift and are also a great warrior like all of us too.

Masane: I should tell you my story first.

Me: Okay.

She told us everything.

---

Masane Amaha (real name Yasuka Ohara) is the main protagonist of the anime series, Witchblade. She was chosen by the Witchblade during the Great Quake that sunk a part of Tokyo. Introduced as a woman on the fringes of society, she and Rihoko were kicked out of a domestic shelter. Soon afterwards, they were being chased by the NSFW's Child Welfare agency. They fled to the recovering Tokyo, where, soon after arriving, they were found and brought in for questioning and negotiations. After some debate, she relinquishes custody of Rihoko to the NSFW, but soon afterwards, she has a change of heart and tries to take Rihoko back.

She is voiced by Mamiko Noto in the Japanese version and by Jamie Marchi in the English version.

Six years later, Masane would come back to Tokyo with Rihoko after being on the run from NSWF's Child Welfare Division. They wanted to take Rihoko from her because she has no memory of her before the earthquake, and she may not even be Rihoko's real mother (which she finds out later that she isn't her real mother, but still wants her as her own daughter). The Witchblade soon awakens after Masane is taken to jail after stealing a police car in an effort to get Rihoko back from NSWF's Child Welfare Division. While in jail, she was attacked by a machine that could take on human form and was on a killing spree. The Witchblade then awakened and Masane became the new wielder. She destroyed the machine without breaking a sweat.

After all that, Masane would soon come to find herself working for the government to help them destroy the Ex-Cons, machines that escaped six years ago during the Great Quake. Later on, she would face off against two other Witchblade wielders that worked for a huge corporation that was trying to overthrow the government. Masane would eventually come to defeat them but, soon after, the Witchblade starts breaking down her body which leads to her death. Rihoko would then become the new wielder of the Witchblade.

---

When she was done we were shocked!

Me: Oh man that is horrible.

Nico: So Witchblade kills you later on?

Masane: Yeah.

Me: Not if I can help it.

I fired a beam of magic and it went into her bracelet and purified it.

Masane: I'm actually very happy that one of the Trinity of Violence is a big fan of me. I'm pretty violent in battle too.

Me: You sure are. You're one awesome fighter too.

Lola: (pouts) Hey! Me and Lynn are part of the Trinity of Violence too!

Pipes: But you two aren't Witchblade experts.

Lynn:… touché.

Nico: But still it's awesome that you are amazing in battle like that.

Lori: Yeah you literally are a true warrior with the heart of a great mother.

Masane: Thanks Lori.

Rihoko: Yeah mom is the greatest!

Nico: (Chuckles) She sure is.

Masane and Rihoko joined us and we went back to the estate.

* * *

Donna Diego: Veronica, I honestly wasn't expecting you to become Another Fourze.

Maria: Shame you didn't use any of those Astroswitches.

Veronica Gallagher: I know but it was a strange experience for me. I was lost in the power it had.

Nico: It's not a good feeling I know.

Me: I already called Sheila and Tom and they went to go arrest your so-called father.

Eli: Yeah they sure did.

Masane: No one should ever have to go through all that.

Laney: Yeah that was horrible.

May: Yeah it sure was.

Then Mr. Mittens, Condiment King, Leonard, Toiletnator, Fixer, Gramma Stuffum, Electrocutioner, Pyro, Grumblemon, and Hsi Wu appeared.

Mr. Mittens: Can me, Condiment King, Leonard, Toiletnator, Fixer, Gramma Stuffum, Electrocutioner, Pyro, Grumblemon, and Hsi Wu go with you guys?

Nico: Yes you all sure can. We're going to do this.

He turned on the TV and a commercial was on.

Announcer: Thousands of years ago, in the most ancient of dojos, the most delicious sandwich in the world entered our realm.

(The sandwich flies out of the volcano and a man on a sidewalk catches it and eats it.)

Announcer: The only problem is if you eat it wrong… You'll die.

Man: Huh?

(The man explodes. Then the scene cuts to a shirtless man holding the sandwich.)

Announcer: Fortunately, men discovered the correct way to eat it.

(The man's pants get ripped into jean shorts and a mullet wig appears on his head.)

Announcer: With cut-off jean shorts and the proper haircut.

(The man holds the sandwich up, then the scene cuts to a montage of random guys with jean shorts and mullets eating the sandwich in different ways.)

Announcer: (Sings) Death Sandwich! Death Sandwich! If you don't eat it right, you're gonna DIE tonight! It's the Death Sandwi-i-i-i-i-ich!

Announcer: So come on down to "Death-Kwon-Do Pizza & Subs."

Man: (Points to the camera) And remember, eat it right or you'll die!

Announcer: If you have what it takes to eat the Death Sandwich then you are going to love this. It's the 45 Death Sandwich Challenge! Eat 45 Sandwiches in under 95 minutes and you get this awesome T-Shirt that says you're immortal and this awesome hat that says King of Sandwiches as well as a year supply of the hottest spiciest sandwiches we have! If you think you're ready for it!

Nico: What do you think?

Mr. Mittens: Whoa! That is gonna be sweet!

Nico: Yep. And I'm ready for it.

Me: I have a feeling this is gonna be like the challenge I did.

Eli: Me too bro. But Nico can do it. He is immortal and all that.

Masane: Yeah he is!

Hsi Wu: Masane Amaha! Wow it's an honor to meet you.

Lori: She is a Witchblade and I've literally been a big fan for a long time. Let me show you.

She went to her room and came back with a huge collection of Witchblade Manga and a Masane Action Figure.

Lori: Big fan. It's a hidden secret I've had for a long time.

Lincoln: Wow! Lori this is so cool!

Leonard: That is awesome Lori.

Nico: Yeah.

Cybertron Ransack: Boss, before I tell you that you're once again trying to kill yourself, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm hoping to do one for Sunburn's kind next. And don't worry I'm immortal. I've been around you guys for a long time and I am not going to die.

Cybertron Ransack: Oh good.

Me: But a Phoenix Dragon is a cool idea.

Lola: Yeah so one of the Fire Users next.

Me: Including Sunburn for this one.

Sunburn: It will be awesome to go with you Nico.

Nico: Yep.

Pyro: I like the sound of that Gene Slammer.

Me: Me too.

Nico: Yep.

Camie: But it's awesome that there are Skylander Gene-slammers too.

Lola: That is awesome.

Nico: Yep. It sure is.

Masane: But this will be an awesome thing to see you eat Nico.

Me: It sure will.

Nico: All right lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Cole Sullivan, Carmen Sullivan's younger brother, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Cole Sullivan on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off. If his insane sister's watching, wait until she sees what we're going to do to him.

Helena Hufflepuff: So, Carmen's insane younger brother is on the move? Perfect, now, we have our chance to stop him once and for all.

Lincoln: That's right, Helena, and he's going to regret messing with a true user of magic and the dark arts, not to mention what he did in bringing Gatō and Osamu Kirin back from the dead to kill us yet again.

Nico: You said it, big guy.

Eli: I hope you guys really make him suffer badly.

Lincoln: You bet we will, Eli, and just like what we've been doing to Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, and Duncan Alarie, he's going to get the same treatment as the rest of them.

Balthazar: That's right, I saw you and Elizabeth use your combo on Duncan Alarie yesterday, and you sucked out and absorbed their powers and after rendering them powerless, you imprison them inside a black tarot card and put them in the Dark World-themed tarot box.

Lincoln: That's right, Balthazar, and once we've captured them all, we're going to bring them straight to court first, and then, once they've been found guilty, we'll make sure the spirits of their victims get the eternal rest they've been denied.

Nico: And that means if Damian Alaister and the rest of The Church of Necrom get a death sentence, Lincoln and The Dark World Goth Girls are going to be the ones to kill them.

Balthazar: Ah, I see, that's indeed a perfect plan you all have formed.

Lincoln: Thank you, Balthazar. Now, let's head for the park and I hope your appetite is ready for a big challenge at The Park.

Nico: (Smirks) You know me, big guy, my appetite's ready for anything, especially when it comes to food.

We were off.

We were walking to the restaurant.

Impact Man: Why couldn't it be a simple Cheese Sandwich?!

Mordecai: Yeah Nico this is gonna be a dangerous one for you. That sandwich almost killed Benson and we had to go all the way to Thailand to get the antidote.

Nico: Wow that must've been a brutal trip.

Benson: It was.

Me: But Nico is ready for this.

Nico: Yes I am.

We arrived at Death-Kwon-Do Pizza & Subs.

Nico: Death-Kwon-Do Pizza & Subs.

Eli: Sounds like a nice place.

Me: Yep.

Hsi Wu: I'll stay in the air in case anyone tries to interrupt us.

Nico: Okay.

He went into the sky.

We went in.

We saw that it was a nice place.

Me: Nice restaurant.

Nico: Yep.

We went up to the cashier and it was Sensai.

Sensai: May I help you?

Nico: One Death Sandwich Challenge please.

Everyone gasped that Nico was going to do that challenge!

Sensai: You are a brave man Nico.

Freon: I hope you know what you're doing, Nico.

Nico: Don't worry. I do.

Nico was ready for it. At a table, Nico was ready for it.

They brought out a huge tray full of 45 Death Sandwiches.

Nico: They sure look tasty.

Sensai: Thank you. You have 95 minutes to eat them.

Nico: I'm ready.

Sensai: Go.

Nico got to eating them and they were awesome and delicious.

Condiment King: Want some of my condiments with those?

Nico shook his head for no.

Condiment King: Nico already ate 5 sandwiches in at 5 minutes.

Me: Wow he is really ready for this.

Sensai: Oh no.

He went over to him.

Sensai: No, don't (walking back to Mordecai but Benson pushes him back)

Benson: Eh. (Muscle Man, High Five Ghost and Skips are behind Benson) Let him finish.

And we stand with them ready to fight.

(Sensai whistles and the restaurant staff come in and stand behind the waiter)

Sensai: Step aside.

Muscle Man: Why don't you make us bro?

Me: You even touch Nico and we're going to kill you!

Eli: Yeah! So back off if you know what's good for you!

Masane: And we're not bluffing!

Me: Nico is finishing that challenge and he is going to win whether you like it or not!

(Staff start fighting with the park members and us.)

POW BIFF KROW!

I punched 3 men down.

Valon: (Australian Accent) Anyone else getting a sense of deja-vu, mates?

Heidi: Definitely me Valon. Grandpa had this happen to him and Nico and everyone defended him while he was eating the Eggcellent Challenge.

Valon: That's right mates. We defended J.D. while he was eating that.

Eli: Now it's our turn for Nico.

Laney: Yeah!

Me: Nico you continue eating and we'll make sure these douchebags don't get near you.

Nico nodded.

Gramma Stuffum: (German Accent) Are you sure you don't want any of my food to go with that?

Nico shook his head for no.

Me: Your food would fatten those guys up Gramma Stuffum. Make them eat that.

Gramma Stuffum: Oh good idea!

She summoned her deep fried boars and jellied squids and more.

Me: Attack!

Crag: Come on guys!

Ripping Friends, Lincoln, May, Luna and Lynn: IT'S RIPPING TIME!

We went at the staff and pulverized them.

Laserbeak: (Sees Flint getting out a wristwatch) Flint, what are you doing?

Zenkaigers Flint: Trying out Jock's former armor. With a lot of modifications.

She put it on and then she pressed a button and then donned her own Iron Man armor! It was a pink version of it and it had awesome weapons of many kinds and it was really awesome! It even had the Rangers and Sentai Symbols on it!

Zenkaigers Flint: Oh wow!

Me: Wow! Flint you look awesome!

Zocks: Lets get them!

Kaito: Lets!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Will and the mascots danced to his song and it was awesome!

Zenkaigers: ZENKAI CHANGE!

They transformed!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガオーン

Magine: MAGICAL POWER! ZENKAI MAGINE! ゼンカイマジーヌ

Vroon: RUMBLING POWER! ZENKAI VROON! ゼンカイブルーン

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

All: The Six assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Me: YEAH!

Zenkaigers Flint: Presenting, Iron Pirate!

Fixer: Definitely better than Jock's design and name!

Me: It fits perfectly.

Eli: Yeah it does.

Sensai had a meat sword ready!

Olivia Boone: A meat sword? I eat swords like those for breakfast with cheese on them.

Sensai: Really and who are you?

Olivia Boone: My name is Olivia Boone, Descendant of Daniel Boone, The Greatest Frontiersman that ever lived.

Sensai: Then show me.

She did a mountain lion call and a bunch of mountain lions came and mauled him.

Olivia Boone: Now that is cool.

Zuko: You guys are getting roasted!

He fired a wave of fire and burned them.

Grumblemon: If anyone has an Astroswitch or Fullbottle of me, now would be a good time to use it!

Earth: I do.

Me: And so do I.

I flicked the Grumblemon Switch and Earth Switch put on a wrist device and shook the bottle and inserted it and punched the ground and a crack formed and smashed down the employees.

Me: (Echoing) SEISMIC SLEDGE!

I smashed my fist into an employee's face with the force of Grumblemon's sledge!

Cross Crow: (Russian Accent) Try to disturb Nico, will you?!

He punched and smashed a bunch of Employees.

Electrocutioner: Does anyone want to try a Fullbottle or Astroswitch of me next?

Me: I'll use it.

I flicked Electrocutioner's Switch and fired waves of lightning and electrocuted them all over.

Eye Five: Nico's almost done!

Me: Keep going man!

Toiletnator: Someone use an Astroswitch or Fullbottle of me next!

Me: Okay.

I flicked the switch for Toiletnator and fired waves of toilet paper and tied up an employee.

Nico only had 2 sandwiches left.

Me: 2 Sandwiches left!

Nico shoved them both into his mouth and ate them and swallowed and he was done at 25 minutes in!

Nico: DONE!

We cheered wildly!

Me: YEAH!

Nico: (BELCHES LOUDLY!)

Leonard: Nice job, Nico!

Nico: They we're really tasty and delicious!

Me: Boy you were really hungry.

Nico: Yep.

Sensai: I don't believe it! Nico you are the first to ever beat that challenge! (Bows in respect) I bow to a great eater like you.

Nico: (Bows) Oh thank you.

Employee: Big deal! He is not gonna get his prizes.

Me: Time to collect his prizes!

Nico: I'm getting my prizes.

Block Man: Give Nico what he won!

Employee: NEVER!

Me: Then we'll make you bro!

Muscle Man: You know who else would make you? My mom!

Then Evil Green Ranger, Duskmon, Koragg, Gentleman Ghost, Robo Roxy, Gizmo, Larxene, Evil Star, El Oso, and Unicorn appeared.

Nico: (Burps) Scuse me. Evil Green Ranger, Duskmon, Koragg, Gentleman Ghost, Robo Roxy, Gizmo, Larxene, Evil Star, El Oso, and Unicorn.

Evil Green Ranger: You stuffed, Nico?

Nico: (BURPS) I can still go for the battles.

Duskmon: Good.

Me: (LAUGHS) After eating all that you shouldn't eat anything else for the rest of the day.

Koragg: And congratulations for winning.

Nico: Thanks.

Gentleman Ghost: How was camping, by the way?

Nico: It was really awesome thanks.

Robo Roxy: Eat any s'mores?

Me: We sure did and we ate marshmallows like the kinds that the astronauts eat.

Eli: Nothing is more delicious than Astronaut Marshmallows.

Robo-Roxy: You got that right.

?: I agree there.

A figure came out and it was Barakouzza from episode 18 of Jungle

Fury!

---

Barakouzza served Grizzaka. Grizzaka summoned him and ordered him to attack Ocean Bluff and destroy the Power Rangers. He attacked the city and encountered the Rangers. Barakouzza could, like a cowboy, fire two water jets from his arms, which also possessed electric shocks. After a brief fight on the ground, Barakouzza enlarged himself and fought with the Rangers' Zords. However, RJ again transformed into a werewolf and attacked his friends. Barakouzza escaped and returned to Grizzaka, reporting to him. The monster then returned to the city and attacked the electric station, where he fought only two Jungle Fury Rangers, Theo and Lily. The heroes were quickly outmatched and he summoned Rinshi to battle them. However, Casey and RJ then arrived and aided their friends. After the battle, Barakouzza was destroyed with the attack from the Wolf Morpher. Grizzaka revived him as a giant using the power of Zocato. Barakouzza fought the Rangers and easily defeated the Wolf Pride Megazord with his water jets. He was destroyed by the Jungle Master Megazord and Wolf Pride Megazord; the latter dealing the killing blow with its Spin Fury attack

---

Casey Rhodes: Barakouzza!

Barakouzza: Been a while rangers.

Me: I remember you! You were sent to attack Ocean Bluff and destroy the Power Rangers.

Barakouzza: Yep good memory.

Me: But it was scary how RJ was a Werewolf too.

Nico: No kidding too.

Barakouzza: Despite my name, I don't hold the barracuda spirit.

Nico: You're the Archerfish Spirit and that is cool.

Me: Archerfish are awesome. They get their food by spitting water at bugs and knocking them into the water.

Barakouzza: Yep that's right.

We got the usual battles underway.

---

MJ, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Piper Willowbrook, Jean Grey, Scream and Toxin VS Evil Green Ranger - Nico's Rescue

M.J.: Yeah it sure was awesome.

Twilight Sparkle: And it was underwater too.

Starshine Sparkle: In the ocean. It was really awesome too.

Sunny Starscout: Yep it was funny as well.

Spyro: Yeah and a sea bear showed up and mauled Squidward.

Piper Willowbrook: That was so scary.

Jean Grey: Boy it sure was.

Evil Green Ranger: Yeah no kidding there. Lets do it!

They fired waves of magic and fire and smashed him down.

Bear and it'll make a great member of the M.O.E.

---

Duskmon was next.

Duskmon: (to Jeri) Squidward getting mauled by a Sea Bear must've been very painful. But at least it'll make a great addition.

Jeri Katou: It sure will be a great addition. But that sea bear is gonna hate Squidward forever.

Leomon: Yes it sure will.

Princess Luna: That Sea Bear mauled Squidward all over the place.

Moondust: Yeah it sure did.

Snowdrop: That is one mean tempered bear.

Gari: It sure was.

Blackout: Yeah what an attitude.

Akira: No kidding there.

Iron Man: Yeah that was awful.

Duskmon: Boy no kidding there. Lets do it!

They fired waves of darkness and energy and smashed him down.

---

Sarah, Applejack, Apple Bloom, Earth Skylanders, Raven, Tara, Starfire, Concrete Man and Impact Man VS Koragg - Lincoln's Rescue

---

Koragg was next.

Koragg: (to Sarah) I heard Lincoln's rescue was in Lunan XII. How

was it?

Sarah: It was awesome! And we took down Gato.

Koragg: Gato? As in the first ever villain that Naruto and everyone killed?

Sarah: That's right and he ruled over the Wave with an iron fist until they killed him.

Applejack: Now he is dead and given the Black Gates.

Apple Bloom: Yeah what a jerk. He had it coming.

Flashwing: What a monster!

Raven: The Knights of the New Fire gave the Wave their hope and courage back.

## Yugi Moto, Eli, Starlight Glimmer, Cozy Glow, Undead Skylanders, Roach, Marina, 2D Man and Freon VS The Gentleman Ghost - Meeting a Castle of Dark Illusions Gene-Slammer

The Gentleman Ghost was next.

Gentleman Ghost: (to Yugi) I heard you guys met a Castle of Dark Illusions Gene-Slammer. What's her name?

Yugi: Her name is Mira Michaels and she is awesome.

Eli: She sure is. And she is a powerful darkness master.

Starlight Glimmer: I agree there too. But she has an amazing power too.

---

Mira Michaels: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mira, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mira Michaels: That's incredible.

Nico: It sure is. So, Mira, what memories did you have with Lincoln?

Mira Michaels: Oh, I remembered this one time, Lincoln and I were working on a school project, but as we were working, Lori barged in and ordered him to be an ottoman so she can paint her raptor claws that she calls fingernails, but Lincoln said no, and he has a school project. But, Lori got so mad, she was going to kill him, but I fired a powerful blast of darkness at her, and it made her worst fears come to life: Bobby breaking up with her for good, her siblings hating her forever, and her dreams of going to Fairway being reduced to ashes. Lori ran for her life and she hid in her room.

We were amazed.

Me: Whoa, now that's really powerful.

Nico: Even more powerful than Scarecrow's fear gas. I wonder what'll happen if we were to use that for interrogations on criminals?

Lincoln: That's not a bad idea, Nico. In fact, Anko could get along great with Mira, and the rest of the ANBU.

Me: I'll see about talking to Anko and recommend it, big guy.

Inuyasha: And Lincoln, I don't know if Kagomi or I told you about this, but…

Lincoln: I know what you're about to say, Inuyasha. I found out that Towa Higurashi and Setsuna are the twin daughters of Sesshomaru and Rin, and Moroha is yours and Kagomi's daughter. Well, this I've promised, I'll take good care of Moroha, Higurashi, and Setsuna.

Our jaws opened wide when Lincoln said that.

Me: I didn't know that Moroha is yours and Kagomi's daughter, Inuyasha.

Nico: And we also didn't know that Higurashi and Setsuna are the twin daughters of Sesshomaru and Rin, that was a surprise. But, Lincoln is going to take care of them, he's a man of his word.

FLASHBACK ENDS

Gentleman Ghost: That is most amazing there.

Cozy Glow: You got that right.

Hex: Yeah it sure was awesome.

Lie Ren: No kidding there! But that was terrible that these sandwiches nearly killed Benson and they can LITERALLY Kill people too!

Pinkie Pie: Yeah that is awful that they can do that.

Featherweight: I would call a sandwich like that a form of capital punishment.

Sprocket: But this gives us a great idea. Use the Death Sandwich as a form of execution.

Bloom: Yeah that would be so cool.

Zuko: I agree there too.

Azula: Same with me too.

Whirlwind: Yeah but Tom and Sheila went and arrested him and he was brought to federal court for trial.

Gwen T.: Yeah what he did was unforgivable.

El Oso: (to Sunset) (Spanish Accent) It's horrible how the Death Sandwich nearly killed Benson. How'd he get saved back then?

Sunset Shimmer: He got saved by Mordecai and Rigby taking him to get the Sandwich of Health. Because Benson was a jerk and he ate their sandwich before they could.

Pipsqueak: (British Accent) Benson was such a jerk to them back then.

Sunburn: Yeah no kidding.

Jeri: Benson had to learn the hard way.

Takato: He sure did.

For Renee Ravenclaw, her wand is called Ravenclaw's Wisdom, it's a long blue-colored wand with a raven head on the long grip of the wand.

For Helena Hufflepuff, her wand is called Hufflepuff's Honesty, it's a long yellow-colored wand with a badger on the long grip of the wand.

For Elizabeth Gryffindor, her wand is called Gryffindor's Courage, it's a long red-colored wand with a gold lion head on the long grip of the wand.

And for Selene Slytherin, her wand is called Slytherin's Cunning, it's a long green-colored wand with a snake coiled around the long grip of the wand.

Once in hand, they'll get a massive power and energy increase.

Nico teleported back with them.

Helena Hufflepuff: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Cole Sullivan.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Cole Sullivan, Carmen Sullivan's insane younger brother, a dangerous warlock and another member of The Church of Necrom.

Nicholette Torrington: Cole Sullivan, Carmen Sullivan's insane younger brother, I should've known you'd be the next one to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, and Duncan Alarie, along with us killing Gatō and Osamu Kirin, whom you brought back.

Cole Sullivan: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Lincoln fired a blast of light at Cole Sullivan, and he screamed and hissed like a vampire, and he was major leagued pissed off even more.

Helena Hufflepuff: That's not going to happen, Cole Sullivan, and now, your rampage ends here and now.

Suddenly, Helena Hufflepuff's light blue eyes turned light blue, and she was surrounded by a light blue energy aura with darkness, demons, and dark magic, she unholstered her massive Ceruli, Guru of Dark World-themed sword from her back, and as she approached Cole Sullivan, she left light blue energy, darkness, demons, and dark magic with every step.

Helena Hufflepuff: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Cole Sullivan, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Helena Hufflepuff was surrounded by a massive vortex of light blue energy with darkness, dark magic, and demons surrounding it, there's Ceruli, Guru of Dark World flying around the vortex, and inside the vortex is a red phoenix. Then, as the vortex faded, Helena Hufflepuff emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Helena Hufflepuff grew from 6'5" to 6'11" in height, she had blue highlights in the bangs of her long flowing light blue hair, she has light blue eyes and a light blue energy aura with demons, darkness, and dark magic surrounding her, she has Ceruli, Monk of Dark

World emblazoned on her forehead, she has on demon earrings with light blue gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Ceruli, Monk of Dark World with light blue gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with light blue crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links. Helena Hufflepuff has on a sleeveless blue, sleeveless dark blue top with two horizontal blue stripes, blue skirt, dark blue bellbottom pants with light blue flowers on it, blue sneakers, and long blue sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Ceruli, Monk of Dark World surrounded by demons, darkness, and dark magic on the back and the Hufflepuff House crest on top of Ceruli, Monk of Dark World of Dark World. Suddenly, Helena Hufflepuff's massive light blue angel wings grew much bigger for her new body, and the large light blue feathers have black tips. Helena Hufflepuff has on a Ring of The Phoenix with light blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Helena Hufflepuff's massive Ceruli, Monk of Dark World-themed sword was suddenly surrounded by a kaleidoscope of light blue energy, darkness, demons, and dark magic, and when the sword emerged, it was transformed into Ceruli, Monk of Dark World's Demon Greatsword of Darkness Monk Justice, it's a brand-new greatsword with Ceruli, Monk of Dark World etched on the 7'0" massive, wide, double-edged blue blade, large blue badger heads for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and four large blue badger heads with blue gems for eyes and in their mouths and on the bottom of the light blue badger heads is a large light blue gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with light blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Ceruli, Monk of Dark World's head with blue gems for eyes and a large light blue gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, Book of Vile Darkness, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and

Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. Helena Hufflepuff has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS MONK DEMON ANGEL OF DARK JUSTICE AND HUFFLEPUFF DARK MAGIC LOVE!

We were amazed by Helena Hufflepuff's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Cole Sullivan saw it, he went fucking crazy and fired a blast of darkness to kill her, but Helena Hufflepuff fired a powerful blast of blue energy with darkness, demons, and dark magic, and it hits Cole Sullivan and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Helena Hufflepuff's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that crazy warlock, Cole Sullivan, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Helena, you look beautiful. How do you feel?

Helena Hufflepuff: (Divine Echoing Cosmic Voice of the Dark Monk and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Cole Sullivan his rightful punishment?**

Lincoln: (Smiles) With pleasure, Helena.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Helena Hufflepuff.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Cole Sullivan.**

Helena Hufflepuff and Lincoln went after Cole Sullivan, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Cole Sullivan, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Cole Sullivan: Demons cast from the accursed light of Heaven, descend upon this world and destroy this pathetic world!

Cole Sullivan summoned a massive army of Holy Demons as they rose from the ground, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, and he sucked out the powers and abilities of The Holy Demons and as Lincoln gained a massive power boost, the army of Light Demons were destroyed and their spirits were sent back to Hell forever, and that pissed off Cole Sullivan even more.

Helena Hufflepuff: **Linky, shall we do the honors in putting Cole Sullivan in his place?**

Lincoln: **Ladies first, Helena.**

Helena Hufflepuff: (Divine Echoing Cosmic Voice of the Dark Monk and Dark Divine Love) **Such a gentleman.**

Helena Hufflepuff and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Cole Sullivan, who ran at them with murder and insane rage in his eyes.

Helena Hufflepuff and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Helena Hufflepuff and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Cole Sullivan, Lincoln and Helena Hufflepuff began sucking out and absorbing all of Cole Sullivan's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Helena Hufflepuff as her light blue energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Helena Hufflepuff and Lincoln were done, Cole Sullivan was rendered completely powerless and completely drained of his powers.

Cole Sullivan: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Cole Sullivan.**

Helena Hufflepuff: (Divine Echoing Cosmic Voice of the Dark Monk and Dark Divine Love) **And now, you're finished.**

Helena Hufflepuff opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Cole Sullivan, the now powerless and insane warlock of The Church of Necrom and Carmen Sullivan's younger brother, was imprisoned inside of a black tarot card with Ceruli, Monk of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Cole Sullivan imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, and Duncan Alarie were put into. We cheered wildly for what Helena Hufflepuff and Lincoln as they holstered their massive greatswords on their backs and powered down, and Helena Hufflepuff's new body, clothes, weapons, jewelry, and massive blue angel wings are permanent.

Helena Hufflepuff: Gotcha, you bastard! Thank you for helping me take down Cole Sullivan, Linky.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Suddenly, Helena Hufflepuff wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Helena Hufflepuff's face, they kissed passionately as Helena Hufflepuff's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Ceruli, Monk of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and five more to go.

Me: That's right, Nico.

Rene Ravenclaw: We've taken down the thirteen low-ranking members of The Church of Necrom, which means the next Church of Necrom member to show their face tomorrow is Douglas Moreau, one of the five high-ranking members of The Church of Necrom.

Lincoln: That's right, Renee, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Douglas Moreau's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage.

Lincoln: But, we've got to watch ourselves now and be even more on guard, since this is one of the five high-ranking members of The Church of Necrom we're going to be dealing with.

Me: Yeah, he's not going down without a fight, but he'll put up more of a fight than the thirteen low-ranking members of The Church of Necrom.

Nicholette Torrington: Those five are definitely going to put up more of a fight than the thirteen low-ranking members, so Lincoln's right, we've got to be on guard even more around those five.

Unicorn: You should be proud of yourself for winning, Nico.

Nico: Of course I am.

El Oso: That's good.

Evil Star: But promise not to do challenges that put you at risk, okay?

Nico: I'll try not to.

Larxene: Good enough.

Gizmo: (to the employee) Alright, barf brain. Give Nico his prize!

The employee was badly beaten up and mangled into pulp.

Employee: (Badly hurt and dazed) All right.

They gave Nico his shirt and cap and gave him a thousand years of sandwiches.

Nico: Thank you.

Nico had become the first ever to win that challenge.

Nico: But this was so awesome. Great job everyone! Thanks for defending me while I ate it.

Me: No problem man. You guys did the same for me now we are even.

Nico: Yep.

Mordecai: (To the viewers) This was an awesome food adventure. The next one is going to be awesome.

Muscle Man: You know who else loves awesome adventures for food?

May: I know what's coming here.

Muscle Man: MY MOM!

Mordecai, Rigby, me, Nico, Muscle Man and High Five Ghost: OOOOOOOOOHHHHHH!

We laughed at that.

We later went back home and enjoyed the rest of the day and went to sleep.

THE END

---

Another awesome fanfiction complete.

This was an awesome and fun one. This chapter was a parody of the Regular Show episode Sandwich of Death and that was a really awesome adventure. Benson ate Mordecai and Rigby's sandwich and he was going to die. Stupid idiot! The episode aired on January 28, 2013 and it was really funny. The first part of the chapter was for the awesome SpongeBob episode called The Camping Episode and that was a cool one too. That's one of my all time favorites and it was awesome and great seeing SpongeBob and Patrick go camping even though it was only 10 feet from their home. But it was awesome. The episode aired on April 3rd, 2004 and it was awesome. The second part was for where we go to the planet Lunan XII and it was cool. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. This will be a epic rescue as Nico, Arkayna, Sunburn of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to Whitecap Bay from the 4th Pirates of The Caribbean and we're going to meet mermaids there as well as a gene-slammer for a Phoenix Dragon, one of Sunburn's kind named Jane Logan Clayton. Jane is from England and she is one of Nico's awesome friends and she went to cooking classes with him and boy does she know how to make an awesome super spicy batch of gumbo and stew. She also has a mischievous side with her and hates bullies. We're also going to battle mermaids from the dark side of the legend. For Lincoln's rescue tomorrow, Lincoln and his group are heading to the planet Celtica in the Unknown Zone and

and they're going to deal with Darkstar, who's been brought back from the dead by Douglas Moreau of The Church of Necrom, and he'll be under Douglas Moreau's control, unlike what happened with Drusilla Draven when she brought back Giselle Razor. Darkstar will go to the Masters of Evil Prison. We're also going to meet a gene-slammer for Waterdragon Fairy named Diane Sellington and she is a girl from Florida and loves the tropical climates and she has immensely powerful water powers that are the strongest ever seen. She also has a massively powerful hatred towards Billy McLean for what he did to her best friends Courtney and Sammy. And even Amy for hurting her sister and killing her father. BRACE YOURSELF FOR THE ULTIMATE RAGING TEMPER EXPLOSION FROM MAY as she goes on a warpath to find the man that stole all the food in the city all for himself! Also it's going to be a parody of Crocker named Lord Crockpot! He is the main bad guy from the Fairly Oddparents episode called The Hungry Games and that was a parody of the Hunger Games and Chloe Carmichael is going to love this one. But MAY IS GOING TO BE EXTREMELY PISSED OFF LIKE A HIPPOPOTTAMUS INFECTED WITH RABIES! SO GET READY TO SEE MAY AT THE MADDEST WE'VE EVER SEEN! AND SHE IS GOING TO TRANSFORM AGAINST CROCKPOT AT HER MOST POWERFUL EVER!

See you all tomorrow!

# MAY ON THE WARPATH OF HUNGER

BRACE YOURSELVES GUYS, MAY IS ANGRY AND YOU ARE NOT GOING TO LIKE HER WHEN SHE IS ANGRY!

Sailing on our ship across the ocean was Nico, Arkayna, Sunburn of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were over the Caribbean Sea. Something is telling me that we're going to be in for a really awesome and epic battle.

Nico: So the next rescue is over in the Caribbean.

Me: I have a feeling this is gonna be so awesome.

Eli: I hope we don't face Davy Jones again. I hate that monster for killing Ariel's mother!

Me: We all do Eli.

May: Yeah he was the worst.

Laney: What he did was absolutely unforgivable.

Ibara: I can tell about that.

Nico: Thanks for coming with me, Arkayna

Arkayna: Anytime Nico. This is gonna be so awesome. And we get to sail on the ocean too.

Me: Boy we sure do and it's so awesome.

Applejack was hurling her guts out over the side.

Nico: I forgot that Applejack gets seasick.

Eli: Oh man.

Nico: Arkayna, I'll never forget the day we met you and your team.

Arkayna: I know and that was such an amazing honor to meet you guys.

Me: And I'll never forget our first mission to Gemina. That's when me and Zarya met and we fell in love.

Eli: That was so awesome bro.

Lana: It sure was. And that was when we took down Tazma.

Nico: Yep.

Me: That also began the series of missions we had taking down all of the Mysticon's major enemies.

Camie: Wow! That is amazing!

Himiko Toga: You guys must've had a lot of fun on those missions.

Me: Oh we sure did.

Tsuyu: Who were the enemies of the Mysticons?

Me: Well their biggest enemy of all was the evil Lich Queen, Necrafa. She was the ultimate personification of pure evil. Eons ago the predecessor Mysticons before Arkayna and her team defeated her and sealed her into another dimension at the cost of their own lives. But their enemies were some of the worst we've ever seen. First we faced Tazma, then we faced Mallory, Kasha and Willa of the Vexicons as well as a dark version of Eartha. And then the big mission came when we took down Necrafa and that battle threatened to tear the entire planet and the universe apart.

Eli: Yeah that was epic!

Nico: It sure was. J.D. unleashed his ultimate power on all of those monsters.

Me: I sure did. But if Necrafa ever comes back she is DEFINITELY getting the Black Gates for sure.

Lincoln: You got that right.

Nico: Does this mean J.D.'s like your brother in law?

Arkayna: Yes it does and I'm so happy for my sister.

Me: I am too. But man Arkayna that was really shocking for you to see that Zarya was your long lost twin sister and she was hiding in plain view all this time.

Arkayna: Yeah it was. But that was because we didn't want our enemies to find her and use her for evil.

Me: I completely understand on that.

Kaito: Me and Shu are part of your family too.

Nico: That's true because Kaito has Zarya like a little sister.

Me: Yeah that's true. Arkayna was also the first to ever do an Ambassador Mission.

Nico: That's right we started those in November last year.

Me: But I think we started the Blue Dragon World as a test.

Lola: Yeah that was a cool one to hear about.

Arkayna: That was amazing though.

Nico: Actually, the Aligned Transformers world was a test.

Me: Oh right. But that really was a very awesome and successful venture.

Laney: It sure was! That was so awesome.

Me: And thus our Ambassador Mission Program was made.

Arkayna: That's true.

Me: And everyone has done an awesome job so far in the last 7 months.

Arkayna: Boy they sure have and it is really awesome.

Lola: Yep.

Fu: My favorite has been with the Kamen Riders. It was so awesome to meet them.

Me: That is true Fu. Also we owe the Kamen Riders all big time for helping us out during the 20 Days of Darkness.

Fu: That's true and we sure do.

Juran: (to Arkayna and Zarya) Although, the days you 2 transformed involved Officer X.

Arkayna: I know. That was intense.

Zarya: But it was so awesome and epic.

Me: Yes it sure was. And we had a lot of fun on those missions too.

Eli: They sure were awesome as well.

Camie: It sure was cool! By the way Arkayna what is Drake City like on the planet Gemina?

Arkayna: It's really amazing and I am the princess of Drake City. The city is an amazing and beautiful place. But before J.D. and everyone came, Gemina was overrun with bad guys.

Nico: Many of them were their major enemies.

Me: Yep.

Nicole: Yeah no kidding there.

Camie: What kind of creatures live on Gemina?

Me: All sorts of awesome creatures. There are elves, dwarves, dragons, mermaids, gryphons, phoenixes, many creatures and it is awesome.

Lola: Yeah it's really amazing.

Lana: I'll say.

Me: Yep.

May: Nico, in case I lose it today, I'm trusting you to come up with a contingency plan to stop me.

Nico certainly didn't expect that from his own wife.

Nico: (sweats nervously) Um… no problem, May.

Me: (In my head) Uh oh. I have this feeling that something is going to make explode.

We arrived at our destination.

We were at WHITECAP BAY!

Me: Whitecap Bay.

Eli: (GULP)

Nico: I think Jack Sparrow's been here before.

Me: Yes he has.

Fu: I've got a really bad feeling about this guys. I have a feeling we're going to battle Mermaids from the Dark Side of the legend.

Camie: What's the dark side of the legend of the Mermaid?

Me: Well for centuries many people believed that mermaids were savage and ruthless bloodthirsty monsters. They lure sailors to their deaths.

Camie: (GULPS)

Zarya: Yeah scary.

Nico: Yeah. But they will come.

We pulled up to the shore and then we went over to the lighthouse.

Nico: Okay we're going to turn day into night and then we're going to use manmade light from the lighthouse to attract mermaids to us.

Me: This is gonna be awesome.

Laney: Yep.

Me: Everyone stand ready. When the mermaids from the dark side of the legend come, they will come in the hundreds of thousands.

Nico: Yep.

Nico used his magic and blocked out the sun with a total solar eclipse and turned day into night.

Me: Hear we go.

I lit the lighthouse and shined it onto the water.

Eli: Now we wait.

Arkayna: Maybe we should put gasoline into the water to kill the mermaids with.

Me: Now where would the fun in that be? That would be too quick.

Nico: We've always like the thrill of battle.

Arkayna: Oh.

Zarya: Are they even going to come?

Me: Oh they will. The light will draw them to us like flys to a bug zapper. Also my mermaid sense will know when they are near.

Camie: Mermaid Sense?

Me: It's a power I have had since I was a child. I have this power that enables me to sense for mermaids.

Camie: Wow that is amazing.

Me: Yep. And the bait is going to be that boat with fake meat dummies on it.

Nico: Nice. Like going fishing.

Lola: Yep.

Me: Like when we killed Blackbeard

Nico: There's also the possibility that the next Gene Slammer will see it too.

Me: Yep.

We waited and then 20 minutes later, my mermaid senses picked up something.

Me: (Senses something) They're here. Many of them.

Nico: Stand ready. The minute they get those dummies, blast them.

Eli: Right.

May: I'm ready.

Zarya: Same here.

Me: But I sense a bunch of other mermaids that are good and part of the light side. I'll use my magic to mark those for us to see.

Nico: Good idea.

I used my magic to do so.

Then we saw a mermaid pop out of the water and then she grabbed a dummy.

Nico: FIRE!

We fired a bunch of energy blasts and smashed the dark side mermaids all over.

Me: All right you bloodsucking fish demons! COME AND GET US!

Dark Mermaid: WITH PLEASURE!

Zocks: (Singing and dancing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Me: YEAH!

Zenkaigers: Change Zenkai!

Zocks: Change Twokai!

The Zenkaigers transformed!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガオーン

Magine: MAGICAL POWER! ZENKAI MAGINE! ゼンカイマジーヌ

Vroon: RUMBLING POWER! ZENKAI VROON! ゼンカイブルーン

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

All: The Six assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Nico: OH YEAH!

May: IT'S RIPPING TIME!

Lincoln: LETS GET THEM!

We walked out on the water and slashed the Dark Side Mermaids all over the place and spilled their blood all over the place.

Nico pulled a pin on a grenade and threw it into the water.

Me: They never saw grenades before.

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Blood and guts splattered all over.

The dark mermaids fired cables of seaweed at us and I grabbed them.

Me: This will be a shock to you!

I channelled lightning and it went through the seaweed and electrocuted them all over and they exploded!

KRASPLAT KRASPLAT KRASPLAT! KRASPLAT!

Nico: That was awesome and clever!

Eli: Yeah!

Me: Light mermaids coming.

They came and we saw 5 mermaids. 1 had blond hair and a pink tail and another had black hair and a black tail and 3 of them had blond hair and blue tails.

Syrena: Awesome you all came.

Me: Syrena. Awesome to see you again.

Syrena: Same to you too. Been a while.

Nico: Yeah it sure has been a while.

Ryrena: Awesome you know Team Loud Phoenix Storm.

Syrena: I sure do.

Maria: I got this.

Maria formed balls of water for them and got them over to us.

Nico threw another grenade into the water.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Eli: Chew on this!

Eli fired waves of Force Lightning and electrocuted Dark Side Mermaids all over and they exploded!

May: Now this is gonna be awesome. I've always wanted to try this one. SIRENS SONG STYLE NINJA ART: MAELSTROM OF THE CARNAGE STORM!

May sang a song divinely and she caused a powerful whirlpool and it shredded numerous Dark Mermaids into blood and guts!

Nico: WHOA Nice one May!

Me: Yeah!

Nico: Jack's missing out!

Laney: Yeah he sure is!

Nico: It's like fighting pirates on Easter of 2020 all over again!

Lola: Yeah!

Lola fired waves of fire and fireballs and they blasted Dark Mermaids all over and incinerated them!

Varie: Now to bring this battle to the ocean Floor!

She pulled out the Trident of Poseidon and slashed the ocean and formed water wall and we were on the ocean floor and the Dark Mermaids were not happy with us.

Varie: In the name of Neptune you bad mermaids are going down!

Camie: Wow! That was so awesome!

Sirius: Boy it sure was!

Himiko Toga: Yeah!

The Dark Mermaids were coming at us like cockroaches!

Nico fired Electro's lightning into the water and electrocuted the dark mermaids all over the place and they exploded and splattered blood and guts all over the place!

Me: It's like fighting the mermaids we faced in the Mediterranean all over again!

Tsuyu: That must've been as bloody as this battle!

Me: It was.

I flicked Firefly's switch along with the switch for the planet Mars and I formed a sword for Mars and I slashed and incinerated many Dark Mermaids!

Me: Lets see how they like this!

I flicked Dark's switch and activated the switch for Uranus and I formed an ALIEN Ξ SCYTHE!

Me: Cool! To quote Dark, "Here's your warning: YOUR ASSES ARE ABOUT TO BE KICKED!"

I slashed numerous dark mermaids and they shattered into dust!

Nico: Those Kamen Rider items for Dark and the others sure are handy!

Me: Boy they sure are and this is really cool!

Nico: Though, we should probably start assigning each item to a specific person in the future.

Me: Good idea. Lets see how they like this.

I flicked the switches for Stinky Butt and Venus.

Me: Sniff on this bitches!

Nico: Wait.

Nico picked me up and held me like a bazooka.

Nico: Okay J.D. give it everything you got!

Me: With pleasure!

I groaned and then…

KRAFFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRR

I fired a massive flaming blast of fire from my butt and it hit numerous dark mermaids and incinerated them!

Laney: YEAH! WOW! That was cool!

Nico: Dark's Legend Items are random since they're linked to his Antitrix.

Me: That is interesting though. Lisa is making more and more Astroswitches and Fullbottles for us that have all the powers of ALL OF the members of M.O.E.

I flicked the switches for Marluxia and Earth.

Me: Sniff on these!

I punched the ground and formed a massive bunch of predatory flowers and they ate the dark mermaids for lunch!

Nico: And let's not forget the Fuestles from the previous Ambassador mission.

Me: That's right we got those now and they have the powers of the Masters of Evil too.

Eli: Boy this is crazy that we have Another Kamen Riders that possess all the powers of the members of the Masters of Evil.

Me: No kidding bro but this is awesome that we can use their powers in these awesome Astroswitches, Fuestles and Fullbottles.

I flicked the switches for Kaos and the planet Saturn.

Me: Chew on this!

I formed a ring of Saturn and then it formed the elemental powers of the Skylanders around the rings and then I threw it and it slashed and sliced and diced numerous Dark Mermaids all over and destroyed them.

Nico: COOL!

Me: Yeah.

Nico: Don't forget the Fuestles are from Wataru's team.

Me: I know and they have the great monsters of horror in them.

Eli: That is so awesome.

Lola: Yeah!

But then a massive blast of fire exploded out and incinerated the rest of the Dark Mermaids into nothing.

Syrena: Whoa! Nice job Lola!

Lola: I didn't do anything.

Then we saw a phoenix dragon!

Me: A phoenix Dragon!

Phoenix Dragon: (In a girls voice) (British Accent) That takes care of those fiends.

Nico: That voice. Jane Logan Clayton?

Phoenix Dragon: Awesome to see you again Nico.

She reverted back and was a girl with fire angel wings and had red clothes and the symbol for the Fire Skylanders on her skirt.

Jane Logan Clayton: Now that is how you deal with rotten mermaids.

Syrena: Thank goodness.

Varie: Lets get back onto land and catch up.

We did so and the sun came back.

Arkayna: What's your favorite memory of Nico?

Jane Logan Clayton: I have a lot of them but my favorite is when me and Nico made the spiciest chili ever in cooking class. We call it Showdown Cajun Gumbo Chili. It was made with meat, beans, spices and 75 different kinds of hot sauces from the hottest peppers in the world.

Nico: I remember that! There was this one girl that loved it so much. She also had fire breath from it and then burned a local bully to a crisp.

Me: Wow that is lethal chili! I hope I get to try some.

Laney: That sounds like awesome chili.

Nico: Yep.

Nico and Jane hugged.

Nico: I really missed you.

Jane Logan Clayton: By George me too Lincoln. Me too.

Me: But this was a bloody battle.

Lola: Yeah it sure was.

Arkayna: But it was really fun too.

Me: It sure was.

Nico: Yep. Lets head home.

We did so.

Lincoln also called Ben and the others here to join us as soon as they got the word that Darkstar has returned from the dead.

Lincoln: Wow, we're here on the planet Celtica.

Nico: You said it, Lincoln, this place sure is beautiful.

Lincoln: And I know what we're going to do here, not only am I going to rescue the seventeen girls here, but we got word that Darkstar has returned from the dead and he wants revenge on us for killing him years ago.

Me: That's right, big guy. I can't believe that energy-draining vampire's come back from the dead.

Ben: And there's no doubt in my mind that The Church of Necrom had a hand in bringing him back from the dead.

Michael Morningstar: Now, they've really crossed a serious line this time.

Lincoln: You said it, Michael, and I want to thank you guys and Twilight for joining us, Ben.

Twilight Sparkle: You're welcome, Linky, and you've got a plan to disable his powers?

Lincoln: Yep, remember the Talisman Cards of The Universe we got from our treasure battle? I've got a spell to use to disable his power-draining abilities, which'll last for 72 hours, which gives us enough time for us to kill him.

Nico: Awesome, and I didn't forget about the Talisman Cards of The Universe, this is going to be so awesome.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seventeen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seventeen girls, but they've been cornered by Darkstar, and he's going to drain them of their energy. Lincoln also saw that Darkstar had the symbol of The Church of Necrom on his forehead, proof that The Church of Necrom brought him back from the dead, and he also had an army of Werewolf Demons with him.

Lincoln: Guys, I found the seventeen girls, but they've been cornered by Darkstar, and he's going to drain them of their energy, and I also saw that Darkstar had the symbol of The Church of Necrom on his forehead, proof that The Church of Necrom brought him back from the dead, and he also has an army of Werewolf Demons with him.

Renee Ravenclaw: I should've known The Church of Necrom were the ones who brought him back from the dead, and that army of

Werewolf Demons with him, there's only one warlock in The Church of Necrom who's able to summon Werewolf Demons: Douglas Moreau.

Lincoln: One of the five high-ranking members of The Church of Necrom, Nigel's younger brother, and one of Damian's two enforcers, I should've known that insane warlock was behind this.

?: Let's put an end to that power-hungry energy vampire once and for all.

Suddenly, we saw the Duel Monster, Waterdragon Fairy, appear before us.

Nico: Wow, that's the Waterdragon Fairy, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Diane Sellington, but we'll have to talk later, we've got to stop Darkstar once and for all.

We rushed on over and Lincoln took out one Talisman Card of The Universe and he said a powerful incantation as the talisman card was surrounded by rainbow energy and he threw it, and it latches onto Darkstar's back and disabled his powers, and Lincoln fired rainbow energy balls and elemental forces at Darkstar, and Lincoln fired powerful blasts of silver energy and killed Douglas Moreau's army of Werewolf Demons, and it allowed the seventeen girls to get away. When Darkstar saw us, he was pissed off big time, and so were we.

Ben: I should've known it was only a matter of time before you showed up, Darkstar.

Darkstar: And don't think I forgot about the humiliation you dealt me years ago, Ben, and now, I will have my revenge.

Darkstar tried to fire a black energy blast, but nothing happened.

Lincoln: Nice try, Darkstar, but we were prepared, and I disabled your powers, and now, it's time for you to die once again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Omnitrix Brigade, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Darkstar, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln fired a dark energy blast using Darkstar's own powers, and as it hits Darkstar, Lincoln sucked out all of Darkstar's powers and energy and we teleported him to the Masters of Evil prison. We cheered wildly as we holster our weapons and power down.

Lincoln: And that's it for Darkstar and this time for good. (To Diane Sellington) And it's so good to see you again, Diane Sellington.

Diane Sellington reverted back to normal, and she's a beautiful 17-year-old girl with long flowing pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive pink angel wings, and she reigned in the power of Waterdragon Fairy, and she's dressed in a sleeveless green midriff top, green shorts, green sneakers, and long green sleeveless trenchcoat with fairies and ocean waves on the coattails, and Waterdragon Fairy on the back, and holstered on her back is a large Waterdragon Fairy-themed greatsword with Waterdragon Fairy etched on the 7'0" massive, wide, double-edged pink blade, large green fairy wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large pink gem surrounded by green angel wings for the pommel.

Diane Sellington: You too, Lincoln, it's been a long time.

Lincoln went up to Diane Sellington and they hugged, and Diane Sellington was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Diane Sellington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Diane Sellington, she's one of my Guardian Angels from Florida and she loves the tropical climates and she has immensely powerful water powers that are the strongest ever seen.

Me: That's amazing.

Lincoln: And get ready for this: she also has a massively powerful hatred towards Billy McLean for what he did to her best friends Courtney and Sammy, and even Amy for hurting her sister and killing her father.

Nico: Whoa, that's intense. But, we also hate Billy McLean and Amy for what they've done, and we're humiliating them and now they're nothing but laughingstocks.

Diane Sellington: Awesome. Oh, Lincoln, you should also get rid of Douglas Moreau's army of Werewolf Demons before he could retrieve them.

Lincoln: On it.

Suddenly, the army of Douglas Moreau's Werewolf Demons dissolved into darkness, and they also left behind Rider Watches and they're for Lincoln and his sisters. They merged with their Bracelets of The Champions of The Universe, and then, they got devices on their arms that had all 310 Core Powers of The Masters of Evil.

Lincoln: Looks like Douglas Moreau sent his Werewolf Demons to steal those Rider Watches from Ora, so The Church of Necrom could use them. When Ora finds out what Douglas Moreau did on Maxxine's mission, she's going to be pissed off at that insane warlock.

Me: You said it.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Diane Sellington's neck with pink gems on the gold thunderbolt links and green crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Diane Sellington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Diane.

Diane Sellington had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and Diane Sellington wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Diane Sellington's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the seventeen girls, and when Lincoln saw them, he immediately recognized them. The seventeen girls are Tenko Kuugen and Kou from Our Homes Fox Deity, Aigasaki Kohana from Magic-Kyun! Lincoln: Later on, we're going to face The Empress Siren, that's right, Risky Boots. (To the girls) Are you girls okay?

Tenko Kuugen: Yes, we're okay, thanks to you.

Then, when Tenko Kuugen and the other sixteen girls saw who it was that saved them from Darkstar and Douglas Moreau's army of Werewolf Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Tenko Kuugen: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seventeen Thunderbird Necklaces of Eternal Love appeared on the necks of Tenko Kuugen, Kou, Aigasaki Kohana, Higashihongan Sanae, Kurano Kiriha, Nijino Yurika, Theiamillis Gre Fortorthe, Aika Maki, Clariausa Dawra Fortorthe, Kasagi Shizuka, Ruthkhania Nye Pardomshiha, Sakuraba Harumi, Aqua Ninfea the Water Lily Siren, Eureka Koraru the Coral Siren, Isabella Gwanbeolle the Tubeworm Siren, Nora Ankō the Angler Fish Siren, and Soey Zhāngyú the Octo Siren with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened on Celtica and they were really amazed at the planet. But, they were shocked when they found out that the villain we went after was Darkstar, who was brought back from the dead by The Church of Necrom, and they also saw Douglas Moreau's army of Werewolf Demons with him.

But, when Lincoln showed what he did to that energy vampire and destroying Douglas Moreau's army of Werewolf Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Diane Sellington have a lot of catching up to do now that she's back in town, and later after the mission today, Renee Ravenclaw and Lincoln are going to deal with Douglas Moreau, and they're going to make that insane warlock pay for his crimes.

Plus, Lincoln and his sisters showed everyone the new devices he and his sisters got when they got the Rider Watches that Douglas

Moreau stole from Ora, and they knew Ora's going to be pissed when she finds out Douglas Moreau was the thief who stole them from her.

Maxxine: I can't believe Douglas Moreau sent his Werewolf Demons to steal some Rider Watches from Ora. She's going to be pissed when she finds out on my next mission.

Lincoln: You bet she will, and I'll explain it to her that Douglas Moreau was the one who did this, and we'll also tell her that we're going to make him pay for this.

William: Good idea, Lincoln. Plus, we can't deny Renee's chance to shine when you two get after that musclehead.

Lincoln: He's not the only Church of Necrom musclehead, there's also Nigel Moreau, William, but he'll be for tomorrow.

Nico: Right.

---

After finally getting rid of Darkstar and this time for good and destroying Douglas Moreau's army of Werewolf Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Diane Sellington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Diane Sellington: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Diane, and now, I can also defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Diane Sellington: That's incredible.

Nico: It sure is. So, Diane, what memories did you have with Lincoln?

Diane Sellington: Oh, I remember this one time, Lincoln and I were swimming at the local swimming pool, and I was giving Lincoln some swimming lessons. We were having fun, but then, Lynn busted in and tried to get Lincoln out so she can do her so-called sparring with him, but we both knew that it's code for beat him up, make him cry, and laugh at his suffering, so he said no, and Lynn was about to pulverize him, but I fired a powerful blast of water at her and got her all wet. Lynn looked like she's about to explode, but two people stopped her: it was Margo and Polly, and not only that, but they saw what she tried to do when she busted in. So, they restrained her and dragged her back to The Loud House, and by the time Lincoln and I came back, Mr. and Mrs. Loud told us they've already heard everything from Margo and Polly, and Lynn got grounded for nine weeks, and she was put into an isolation cube in the basement.

We cheered not only for what Diane Sellington did, but also for Margo and Polly.

Nico: Whoa, so you weren't the only hero to save Lincoln from Lynn's wrath, but also, Margo and Polly as well, nice.

Polly: We had to do it, Nico, we had to restrain Lynn, we knew what kind of person Lynn becomes when Dark Lynn takes over.

Margo: Yeah, and she should've known better, and it really taught her a lesson: we may be friends with Lynn, but when Dark Lynn takes over to cause her brother pain and suffering, that's when we have to intervene. Plus, I can't believe Douglas Moreau had the guts to steal Rider Watches from Ora, so The Church of Necrom could use them to get revenge.

Lincoln: Looks like our constant humiliations on The Church of Necrom have driven them even further into madness.

TLPS Mr. Wolf: Which is exactly right where you want them, right, Lincoln?

Lincoln: Yep, and me and my sisters weren't the only ones who got the Rider Watches when Douglas Moreau's army of Werewolf Demons dissolved.

We saw Nico, Eli, Nicole Knudson, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, and The L-ementals also have devices on their arms that had all 310 Core Powers of The Masters of Evil.

Sherlock Hound: (British Accent) The Church of Necrom's actions have already proven there's no line they're not afraid to cross, whether it's resurrecting old villains that you all have killed in the past to summoning demons to murder.

Crash Bandicoot: Which is why they need to be stopped once and for all.

Nico: My thoughts exactly.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villain who triggered the alarm was Empress Siren.

Lincoln: Looks like I was right that we were going to face Empress Siren later on today, and I also saw that she has the mark of The Church of Necrom on her forehead. Looks like Douglas Moreau just doesn't know when to take a hint.

Nico: Either they're relentless or just plain psychotic and stupid.

Lincoln: I'm going to have to go with both, Nico. But, we can't ignore the threat that Empress Siren poses. Come on, gang, we've got an evil siren to destroy.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Empress Siren, and when we landed in front of her, she was enraged, and even more when she saw Risky Boots and Aqua Ninfea the Water Lily Siren, Eureka Koraru the Coral Siren, Isabella Gwanbeolle the Tubeworm Siren, Nora Ankō the Angler Fish Siren, and Soey Zhāngyú the Octo Siren with Lincoln.

Empress Siren: You have a lot of nerve to show your faces here, traitors!

Risky Boots: Yeah, well, you have a lot of nerve coming back from the dead, Empress Siren, and this time, we're going to make sure that you stay dead and gone for good.

Suddenly, Risky Boots' purple eyes turned neon purple and she was surrounded by a purple energy aura with ocean waves, dark magic, pirate ships, and pirate skulls, and as she approached Empress Siren, she left purple energy, ocean waves, dark magic, pirate ships, and pirate skulls with every step.

Risky Boots: I don't know what crossed my mind allying with someone like you, Empress Siren, but now, I've got a chance to make things right, and make sure that you never rise again from the dead.

Suddenly, Risky Boots was surrounded by a massive vortex of purple energy with ocean waves, dark magic, and pirate skulls surrounding it, there's a pirate ship sailing around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Risky Boots emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Risky Boots grew to 6'11" in height, she had purple highlights in the bangs of her purple hair and she has on her large pirate hat with a skull symbol, which keeps her long growing hair in, she has neon purple eyes and a purple energy aura with ocean waves, dark magic, pirate ships, and pirate skulls surrounding her, she has a pirate ship emblazoned on her forehead, she has on golden skull earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has a skull with purple gems for the eyes and the Dark and Eternity Kanjis in its paws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Risky Boots has on a purple bikini top that looks like the upper half of a skull, deep purple pants lined with a white rim that looks like a jaw bone, black leather knee-high combat boots, and a long purple long-sleeved coat with ocean waves, dark magic, pirate ships, and pirate skulls on the coattails, and a pirate skull surrounded by ocean waves and dark magic on the back. Suddenly, Risky Boots felt a sharp pain on her back, and then, massive deep purple angel wings with red tips on the feathers, sprouted out from her back. Risky Boots has on a Ring of The Phoenix with deep purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Risky Boots had a brand-new greatsword in her right hand called Seven Seas Greatsword of Pirate Justice and Dark Magic Redemption, it's a brand-new greatsword with a pirate ship and the symbol of The Redemption Squad etched on the 7'0" massive, wide, double-edged deep purple blade, large skulls for the crossguard, large red gem embedded in the rainguard, longer black handle, and four large deep purple skulls with purple gems for eyes and in their mouths and a large red gem on the bottom of the deep purple skulls for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, her new large gold Belt of Elemental Bravery with a gold skull with deep purple gems for eyes and a large red gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a red kanji below the pirate skull that said, "Risky Boots, Former Captain of The Pirate Master, Member of The Redemption Squad, Former Enemy of

Shantae and The Genies, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Empress Siren, and Master of Ocean Waves, Pirate Ships, Dark Magic, and Skulls"

危険なブーツ、海賊マスターの元キャプテン、償還分のメンバー、ShantaeとGeniesの元敵、リンカーンラウドの将来の妻を愛する、悪のスレイヤー、錯乱、殺人、冷酷な、とサディスティックできそこない、驚くべきと強力な教師の驚くべきと強力な学生、皇后サイレンの駆逐艦、海の波、海賊船、暗い魔法、および頭蓋骨のマスター

Risky Boots has transformed into SUPER ANGEL ETERNITY INFINITY PIRATE OCEAN MAELSTROM DARK MAGIC ANGEL OF SEVEN SEAS JUSTICE AND REDEMPTION AND DARK MAGIC PIRATE LOVE!

We were amazed by Risky Boots' Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Empress Siren saw it, she fell into a rage and fired a blast of lightning at her, but Risky Boots fired a powerful blast of deep purple energy with dark magic, pirate ships, skulls, and ocean waves, and they hit Empress Siren and really hurt her.

Lincoln: Wow, Risky Boots, you look beautiful. How do you feel?

Risky Boots: (Divine Echoing Cosmic Voice of The Dark Magic Pirate and Divine Redemption) I feel incredible, Linky. Now, shall we deal with my former cohort?

Lincoln: (Smiles) With pleasure, Risky Boots.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Risky Boots.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing havoc are over, Empress Siren.

Risky Boots and Lincoln went after Empress Siren, who then continued to fire lightning at them, but Lincoln absorbed the lightning blasts, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Skulls at Empress Siren, and they exploded with incredible power as they hit her. Then, Lincoln stripped Empress Siren of all of her powers by using the power stripping curse Nico used on Xemnas, and he and all of us made them our own, and Risky Boots and Lincoln fired black energy blasts of The Black Gates at the powerless Empress Siren, and they hit and banished her to The Black Gates forever. We cheered wildly for what Lincoln and Risky Boots did as they holstered their massive greatswords on their backs and powered down, and Risky Boots' new body, clothes, weapons, jewelry, and massive purple angel wings are permanent.

Risky Boots: That's it for that monster. Thanks for helping me take down Empress Siren for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Risky Boots.

Suddenly, Risky Boots wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Risky Boots' face, they kissed passionately as Audrey placed her hands on Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a pirate ship sailing behind them on the ocean and a herd of Buffalo running across the field, along with elemental forces and we cheered for them.

We went back home to The World Tree Estate, and back in their demonic castle, Douglas Moreau saw what Risky Boots and Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he flew into an insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Douglas Moreau.

Renee Ravenclaw: But, he'll get his just desserts after our main mission today.

* * *

Later it was time for Kopaka's final Ambassador Mission.

Kopaka: This is my final mission.

Me: It sure is.

William: Anyone else want to go with Kopaka? Besides Mikey, Shoutmon, and 4 Rabbids?

May: I'll go too.

Kameo: I will as well.

Jeri Katou: I want to go as well myself.

Me: Okay.

Nico: This will be awesome.

Me: I hope we face Another Rider on this one as well to close this one out with a bang.

Nico: Me too. This will be awesome.

We were off to Japan.

We arrived in Japan.

Hiiro: Hey guys!

Kopaka: Guys, meet Mikey Kudo.

Mikey Kudo: Awesome to meet you guys.

Shoutmon: And I'm his partner Shoutmon.

Me: We had a really awesome adventure with Mikey and his team called the Fusion Fighters.

Nico: Boy we sure did.

May: Awesome to meet you guys. I'm May Chan, Nico is my husband.

Kameo: My name is Kameo, Master of the 10 Elements of Power.

Jeri Katou: And I'm Jeri Katou of the Digimon Tamers.

Hiiro: Awesome to meet you all.

Kameo: Same here.

Nico: I think I have the perfect setup for the Ex Aid team. It'll consist of J.D., Kopaka, Emu, Hiiro, and Taiiga. Just need one more.

Nicole Knudson: I'll go too. As the goddess of video games I think this will be so fun for me.

Nico: Awesome!

Me: Yeah it will!

Emu: I have a feeling this will be awesome when we face the next Bugster.

May: I feel it too.

Just then, the TV turned on to reveal a familiar Bugster in human skin.

Me: UH OH!

Ren Amagasaki: Greetings, Kamen Riders!

Emu: Ren Amagasaki!

Me: Ren Amagasaki!

Nico: The Lovelica Bugster?

Me: I remember him! He was crazy!

Ren Amagasaki: It's come to my attention that not EVERYONE was brought back to life thanks to the efforts of your new friends. Meet me near the Genm Corps Building in one hour.

With that, the TV turned off.

Me: I have a feeling he is up to something. And it's VERY familiar.

Nico: But lets see what he wants.

We were off.

Mikey Kudo: I don't get it. J.D. brought ALL of Kamen Rider Chronicle's victims back to life. Who could he have missed?

All of us didn't catch the troubled look on Hiiro's face.

Kuroto: I've got a feeling on who it is. But just to be sure, we need to find Amagasaki.

Me: I have that same feeling too.

Nico: Same with me.

Eli: Yeah.

We later arrived.

Ren Amagasaki: Ah, Kamen Riders. How glad of you to make it.

Kopaka: Alright. What are you up to?

Me: Yeah what's all this about?

Ren Amagasaki: Why, I'm about to offer young Brave over here the chance to bring back 1 more victim of ours.

Hiiro: And who would that be?

Ren Amagasaki chuckled and brought out a Gashat with a data of a person inside. Who Hiiro saw made him gasp.

We gasped too!

Me: Saki?

Eli: Hiiro's girlfriend Saki?

Me: Uh oh.

Ren Amagasaki: All you have to do is kill all your friends over there and I will let her go. Starting with Ex Aid.

With that, the Bugster tossed Hiiro a gun.

Kameo: Hiiro, don't-

Emu: (stop her) No. This is something he has to decide for himself.

Hiiro stared at the gun for a few seconds. And then, he shot himself in the shoulder before screaming in pain.

Me: OOH! OUCH!

Hiiro: That is something I will never use a gun on! And that is killing my friends! I will never turn to the dark side!

Me: I better get Varie here just in case.

Nicole: Yeah.

Hiiro: Not to mention that I betrayed my friends once. I won't do that again!

Kuroto: Plus, unlike me, you're not a God! You don't have the means to bring her back.

Me: Yeah you don't have that kind of power!

Ren Amagasaki: I would've found said means eventually!

Me: Don't count on it!

I snapped my fingers and beamed her over to us and then in a flash of light she was resurrected!

Nico: Whoa!

Saki woke up and she saw Hiiro wounded.

Saki: Hiiro, what happened?! And why is your shoulder bleeding?

Nico: We'll explain later. After this Kingpin knockoff is dealt with!

Me: And I sense another force coming. Right there!

I fired an energy blast and it hit a wall and exploded and out came ANOTHERKABUTO!

Eli: Another Kabuto!

Kameo: Oh man!

May: This is gonna be dangerous!

Another Kabuto: Been a long time Nico!

Nico: That voice. I didn't expect you to become AnotherKabuto, Jordan Lector!

He detransformed and he was a black haired kid with a grey shirt and it had blood all over it and he had red pants.

Me: WHOA!

Nico: You are exactly like your fucked up father Jordan!

Me: How do you know him Nico?

Nico: Jordan is an old enemy of mine. He is the illegitimate son of the wacko cannibal serial killer Hannibal Lector!

We gasped!

Me: This kid is just as fucked up as his dad!

Eli: The Apple Doesn't fall Far From the Tree!

May: This guy is a monster!

Ren Amagasaki: This time, things will play out differently. (to Parado) I still have to make you pay for your betrayal.

Infection! Let's Game! Bad Game! Dead Game! What's your name?! The Bugster!

Ren Amgasaki tuned into the Lovelica Bugster.

Kopaka, Emu, and Hiiro: Henshin!

They transformed and were ready!

Me: This guy will soon be dead.

Nico: You face Another Kabuto J.D. and we'll face Ren.

Me: Okay. KIBAL LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON 🌙!

Me: You are just as fucked up in the head as your dad Jordan!

Lovelica Bugster: Oh, girls. Kindly give our helper a hand.

A harem of maids appeared at Jordan's side as his skin shattered away from him, revealing his Another Kabuto form.

Me: Now those Bugsters dressing up like maids really cracked me up. But this will too.

I took off my coat and folded it up and then I took off my boots and some weights.

Me: I save this only for those that are fast like the Kabuto Kamen Riders.

I dropped my stuff and then…

KRASSSSMAAAAAAAAAAAAAASSSSSSSSSHHHHHHHHHH!

It crashed into the ground with a massive and thunderous crash!

When the dust cleared they were in a huge crater.

Me: Ahh that is better.

I was ready.

Another Kabuto: Bring it on and I'll eat your liver and heart! (LAUGHS INSANELY)

Me: Sorry Mr. Fuckydoodle but I'm afraid my organs have been taken off the menu.

I went at him with incredible speed and slashed him all over the place with incredible force and power!

May: IT'S RIPPING TIME!

She went and smashed Lovelica Bugster all over with incredible force!

Hiiro: This is for trying to use Saki to manipulate me! Time to go Legacy Gamer Level 100!

Gachan! Level Up! Tadoru rekishi! Mezameru kishi! Taddle Legacy~!

He went LEVEL 2!

Nico: YEAH!

Eli fired a blast of Force Lightning and electrocuted the Bugsters all over.

Nicole Knudson: Do what my dad does and get yourself a real girl!

Nico slashed Lovelica Bugster and smashed him all over the place.

I slashed Another Kabuto and kicked him in the face and then I saw that he had 310 Zectors that were each imbued with the powers of the Masters of Evil.

Me: So you have Zectors for each of the Masters of Evil.

Another Kabuto: Yes.

He used Waffle Woman's Zector and I saw that they weren't sentient and they each had their powers. He fired Strawberry bombs and I threw them back and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Nice try! Now for this! WOLF MOON STYLE NINJA ART: NIGHT OF THE FURIOUS WOLF PACK!

I fired a massive blast of fire and it formed into a powerful wolf pack and then it hit Another Kabuto and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I got his Kabuto Rider Watch and then i got the 310 Masters of Evil Zectors.

Me: Wow! This is awesome that we have Masters of Evil Zectors.

I saw that they looked like different insects but they had the symbols of the members of the Masters of Evil members on them. So awesome.

Jordan was down and I went over to him.

Me: You and your twisted father can have all the blood and guts you want. In Hell!

I slashed his head off and killed him!

The Maids were charging at me.

Me: Come get some bitches!

When suddenly, Saki threw one to the ground.

Kameo: Saki, it's too dangerous!

Saki: I don't know what's going on. And I may not be a Kamen Rider! But that doesn't mean I'm defenseless!

Me: Wow that was great!

I formed a Wolf Moon Sword.

Me: Saki use this!

I gave it to her and she and I slashed and killed numerous Maids.

Me: These bitches give real maids everywhere a bad name!

Saki: They sure do! But what has happened?

Me: You were dead for a long time Saki.

As we were killing Maids I told her everything and she was shocked and amazed!

Kameo turned into 40 Below.

She fired waves of ice and froze the Maids all over and then fired waves of ice and froze him to the ground.

Nico: Nice one!

Saki and me were slashing numerous Maids all over.

Saki: Wow Hiiro has really changed so much.

Me: Not just him, but so have his team. And you can join him too as well.

Saki: I would be honored.

Parado: (to Lovelica Bugster) You always were obsessed with love. Which was creepy!

Nico: Yeah you are just an ugly and disgusting rapist!

Luvelica Bugster then went ballistic!

They fired waves of elements and energy.

Nico: But you brought all this on yourself.

Nico fired a wave of energy and magic and he cursed him with what we would call a fate worse than death! ETERNAL LIFE AS A HUMAN! He was forever cursed to walk the earth as a human that will never die and live forever. You won't be able to die through conventional means and will always be alone. Just like Salem was.

Emu: We WERE going to kill you. But this punishment is more fitting instead. Now, you'll face justice for all the crimes you've caused.

Me and Saki came back.

Me: And it will not be pretty.

Ren Amagasaki: (to Kuroto) How could you side with Ex Aid?

Kuroto: Emu, Nicole, Poppy, and Kopaka showed me how to be good. In a way you and my former father never could.

Me: That's right Ren. This curse will be with you forever.

Nico: Yep.

Me: Send him to the Neptune Prison, Nico?

Nico: Yep. He had this coming for killing so many innocent people.

I teleported him to the Neptune Prison and put him in the supermax solitary confinement wing.

Eli: Good riddance.

Emu: Kopaka, ever since I met you, I've seen you as the big brother I've always wanted.

Kopaka: Oh Emu, I'm so honored and I'm glad you think that.

Saki: That is so awesome.

Hiiro: It sure is. Saki I'm so happy you are back.

Saki: I am too. And you are an awesome Kamen Rider too. (Hands me the Wolf Moon Sword) Here J.D.

Me: Nah you can keep it Saki. You fought really well with it and you earned it.

Saki: Oh wow! Thank you J.D.

Me: Anytime Saki.

Nico: Now we have all the people killed by Kamen Rider Chronicle restored and we have Ren in prison.

Me: Yep. All that's left is to face our primary target on the big day. Some time in September.

May: Yep that is for sure.

We later came back.

William: Hey guys. How did it go?

Me: Went really awesome and well.

We told them what happened and more and it was amazing and cool.

William: Wow! That was awesome!

Me: It sure was. And now we have Zectors that have the powers of the M.O.E.

Nico: Yeah we sure do.

Maria: Whenua, for your first mission, 2 Rabbids and Yusei should go with you.

Whenua: Wow! This will be so cool! I get the Fourze Kamen Riders right?

Me: Yep and you're going to love Gantaro and his friends as well as the powers they use.

Nico: They will be in for an amazing surprise when we show them our abilities to use Astroswitches for the M.O.E.

May: Yeah.

Nico: May, you, William, and Maria come with me. We need to make a stop.

May: Okay.

William: I have a feeling this will be awesome.

Maria: Same here.

Me: Have fun guys.

They were off and we got to watching TV and the Ripping Friends, Lynn, Luna and Lincoln were having a dip in their Wet Cement Tub.

Lynn: Ahh this is the life.

Chunk: Boy you said it Lynn.

Luna: Yeah taking a dip in Wet Cement is so relaxing dudes.

Lincoln: It sure is.

Crag: Man there's nothing like a nice refreshing dip in wet cement.

Luna: Boy you said it dudes.

Me: Boy you guys love to relax in Wet Cement.

Chunk: You know it J.D.. After a hard day of having big missions and thinking up ways to rip the secrets from nature, I can't get enough of this soggy concrete.

He picked up some concrete and dropped it with a glop.

Rip: Can you not get enough kid?

Chunk: I said that didn't I?

Rip: Well here have some more!

SPLAT!

He covered him in cement.

SPIT!

Chunk: DARN YOU! Why I'll… (Hardens) HEY! I'm Hardening!

He tried to get out but he couldn't.

Chunk: You knew that would happen didn't you!?

Slab laughed.

CRASH!

He broke out with brute strength.

Chunk grabbed some cement.

Chunk: NOW I'll show you!

Rip punched the Cement and covered Chunk completely and we all started laughing.

Me: (LAUGHS) That is awesome and funny!

Laney: Yeah!

Crag: (Laughs) A little horseplay ever now and then is good for them.

Lincoln: (Laughs) That is true.

---

Meanwhile in the park Nico and the group were looking.

Maria: Nico, what are we looking for here?

Nico: Not what. Who.

They arrived at an awesome primordial oasis hidden in under the park and it was the home of Kole and Gnarrk!

Nico: Wow!

William: So this is the home of Gnark that Kole was telling us?

Nico: Looks like it.

May: Wow.

They then saw a 3,000,000 year old caveman and it was Gnarrk!

Nico: Hi. Gnarrk, right?

Gnarrk: Gnarrk my name. You Team Loud Phoenix Storm.

Nico: That's right.

May: Wow! Kole told us so much about you.

Gnarrk: Gnarrk miss Kole.

Nico: You are more than welcome to join us to visit her.

Maria: Yeah.

Nico: And I see you've improved your English. No offense.

Gnarrk: None taken. Gnarrk will be happy to see Kole.

May: Yes you will.

They went back to the estate.

They came back.

Me: Hey guys.

Nico: Hey, Kole. Look who's here!

Kole: Hey Gnarrk!

They hugged.

Gnarrk: Gnarrk happy to see Kole.

Kole: I am happy too.

Me: Wow! He's a 3,000,000 year old caveman.

Nicole: That is awesome.

Lola: So cool.

Nico: Uh why is Chunk a big block of Cement?

Me: They were horseplaying in wet cement and it was funny. One sec.

I punched the cement covering Chunk and smashed him out.

Chunk: Whew! Thanks J.D.

May: One of these days I should try that.

Me: Yeah.

Nico: I'm gonna eat an apple. And then, we can discuss about what we know about the Another Riders that we've fought so far.

Me: Okay.

Nico went to the fridge and then got an apple.

Nico: (Chomp) Mmm. Okay.

May came back down while angry for some reason.

May: (sighs) Nico, can I go for a walk somewhere? You can still have your discussion.

Nico: Uh oh are you hungry?

May: Starving.

Me: Lets go to Lynn's Table for some grub.

Nico: Good idea.

We were off.

---

We were walking to the restaurant.

Maria: Nico, before our discussion, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Oh right. Mandatory question. I'm going for Flashwing's kind next.

Flashwing: A Gene-slammer for me. That would be one that shines really bright.

Twilight Sparkle: It sure would be awesome.

Me: I agree there and that would be awesome to meet one of Flashwing's kind too.

Nico: Yep. I'm going to get one Skylander Gene-slammer for each element before I go back to Ben 10 Aliens.

Me: That makes sense.

We arrived at the restaurant and we went in.

Nico: Good morning Lynn's Table Crew!

Lynn Sr.: Hey guys! Usual order?

Nico: You know it and we're hungry.

Lynn Sr.: Coming right up!

We went to our table.

Maxxine: So far, most of the Another Riders we've faced have been faces from our past.

Me: Yeah that is amazing.

Veronica Gallagher: It sure is and I was turned into Another Fourze.

Me: Yeah and we found out that Hannibal Lector's evil son was Another Kabuto.

May: That was crazy.

Tsukuyomi: Yuko Kitajima is the only one so far who's had the same Another Rider powers.

Nico: Yeah that was awesome though.

Me: She had Kiva Powers. That was really awesome.

Nico: It sure was.

Dawn (Pokemon): I think it's so awesome that you guys are battling Villain Kamen Riders that have the powers of many riders from over the course of 20 years.

Me: It sure is awesome. So far we faced Kiva, Fourze, Kabuto and Build. That was awesome.

Nico: And Jock had Another Build's powers.

Me: He sure did. That was so awesome.

Lisa Loud: Oh I have just finished my latest invention for you all.

She pulled out a case and gave us a bunch of Fullbottle Power devices.

Lisa Loud: These are my latest invention. They are called the Fullbottle power harnessers and amplifiers.

Me: Cool!

Nico: What can they do Lisa?

Lisa Loud: They activate the powers of the Masters of Evil in Fullbottle form and can even enhance their powers 1 to 1,000-fold.

Nico: Wow that is awesome!

Mordecai: Good thing they each all had a lot of collectibles.

Me: No kidding. Mind if I try it out?

Nico: Go for it.

I put on a harnesser and I pulled out the bottle for Lord Drakkon and I went over to Flip and the jerks.

Me: Lets see what they can do.

I shook it and inserted it and then I fired a beam of green energy and it hit Amy and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Amy was burned and charred all over and she was toast.

Me: Whoa! What power!

Nico: Wow! That was awesome!

Eli: This is so cool!

Lola: Yeah it sure is!

Lisa Loud: Looks like my newest invention is hereby ruled a success.

Me: Yes it sure is Lisa.

Benson: We still have to be careful. Now, we don't even know who the remaining Another Riders could be.

Eli: I have a feeling the next one will be Gaim.

Me: That will be an awesome one to see.

Laney: Yeah it sure will. Lockseeds for the 310 core members of the M.O.E. That would be awesome to see.

Lola: It sure will. And their powers are in their favorite fruits too.

Lana: Yeah.

Lillian Hale: That will be awesome.

Benson: I meant we don't know the human identities of the remaining ones.

Eli: I know.

Nico: But also it'll be cool to see that though.

Me: Yeah.

Tsukuyomi: But we still have to be ready for them though.

But then we saw smoke and then there was an explosion!

Maria: What the Hell was that smoke?!

Nico: There was an explosion too!

Lynn Sr. Then screamed!

Lynn Sr.: ALL THE FOOD IN THE KITCHEN WAS STOLEN!

Me: What the?!

Nico: All the food is gone!

Eli: OH NO!

May then had an intense fire aura around her and her eyes were glowing red with incredible rage, fury and hatred and she also was INCREDIBLY PISSED!

May: (ENRAGED) I'LL TELL YOU NOBODY STEALS MY FOOD AND LIVES!

Nico then screamed and jumped into my arms in fright!

Me: OOF! You're giving me a hernia Nico!

Nico: May scares me like this!

Camie: What's wrong with May?

Brock: One thing that'll drive May over the edge is someone swiping her food.

Me: Yeah and when she is like this whoever took her food better start praying and writing their will.

Camie: Whoa is she pissed!

Eli: I think that is an understatement.

Nico looked at a tranquilizer dart in his hand, uncertain if he really wanted to use it on his own wife.

Eli: (Senses something) Wait! I think HE took the food.

We saw a guy that looked like CROCKER!

Me: Is that Crockerfucker!?

Chloe Carmichael: No wait! That's Lord Crockpot! We made him up when we turned the world into The Hungry Games.

Eli: Is that a Parody of the Hunger Games?

Chloe Carmichael: Yes it's my favorite show and I love dressing up like Katniss in that one. But she went by another name and it was Ketchup Everdream.

Me: Cool!

Eli: Yeah!

Me: Nico can you get out of my arms please? You're really giving me a cramp.

Nico: Oh sorry. (Gets down) But I got to stop May before she…

Katniss: Uh Nico she left!

We saw that May was running after Crockpot!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Douglas Moreau, Nigel Moreau's younger brother and one of the two enforcers of The Church of Necrom, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Douglas Moreau on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off. Looks like our big fight against one of the five high-ranking members of The Church of Necrom is about to begin.

Renee Ravenclaw: You said it, Linky, so Douglas Moreau's finally on the move, perfect, now we've got a chance to make that insane warlock pay for his crimes.

Lincoln: Along with bringing Darkstar and Empress Siren back from the dead to kill us, but like I said yesterday, Douglas Moreau and the other high-ranking members of The Church of Necrom will put up a fight even more than the thirteen low-ranking members.

Nico: Right, Lincoln. Now, let's get going, May's already on the warpath and she's going to rip Lord Crockpot limb from limb.

Lincoln: Right.

Me: Even though he's a parody of Crocker, we're so going to enjoy ripping Crockpot apart limb from limb.

Nico: You said it. Come on, guys, we got a food-stealing Crockpot to kill.

Nico shot the tranquilizer at May, hitting her in the shoulder and making her feel dizzy. But her body got rid of the tranquilizer and she just kept on going!

Nico: OH MAN! I forgot that our bodies don't get tranquilized anymore.

Me: We got to go after her before she gets herself killed!

Nico: Lets go!

We went after May.

Nico: May, please calm down!

May: STAY OUT OF MY WAY NICO! I WILL KILL THAT MONSTER FOR SWIPING MY LUNCH!

Nico: May.

Me: AT LEAST LET US HELP!

May: FINE!

We got to the castle of Crockpot and we went in and killed all his guards!

Manaphy: Mama, please!

Eli: Manaphy there is no stopping her! She is a bloodthirsty monster out to kill whoever took her food!

Jessie: He's right! Remember what happened with me and James?

Me: Wait this happened to you before?

Ash: Yeah it was with me, Dawn and Brock. May was staying with us for the next contest and Team Rocket took her food and she went ballistic like she is now.

Dawn: I remember that! That was crazy!

Nico: Whoa!

We went further into the castle and we saw that May slaughtered and massacred all of Crockpot's guards ALL BY HERSELF!

Nico: HOLY SHIT!

Eli: She really mutilated them!

We followed the trail of bodies and we got to the main room and we saw May facing Crockpot!

Me: Look!

We saw piles and piles of food being hoarded by Crockpot!

Maria: There's our food!

Crockpot: You mean MY FOOD! I will eat it all for me and I will not let anyone have it! (LAUGHS INSANELY)

May: YOU GIVE ME MY LUNCH BACK!

Crockpot: (Gives her the stink eye and flips the bird at her) FUCK OFF YOU BITCH!

We gasped!

OH HE DID NOT JUST GO THERE!

Nico: (GROWLS IN RAGE) THAT DOES IT! NO ONE INSULTS MY WIFE LIKE THAT!

May: (GROWLS IN FURY AND RAGE) YOU MOTHERFUCKING ASSHOLE PISSHEAD!

Eli: Her power is rising fast! That means only one thing!

Maria: While May's transformation's going on, I'll use one of Speed Demon's Legend Rider items.

Me: Go for it! I've had enough of this asswipe to last an eternity!

Nico: ME TOO!

Maria activated Speed Demon's Bottle and used his super speed and got all the food out of the castle and back to the restaurant.

Maria: Damn, I'm good!

Lynn Sr.: Thanks Maria. That was amazing!

Maria: You're welcome Mr. Lynn. These new devices Lisa made for the Fullbottles was absolutely awesome!

Lynn Sr.: That is my awesome little genius.

ZOOM!

Maria went back.

She arrived.

Maria: And now, I have to walk all the way back to the others.

Nico: Maria you just got here 10 seconds ago.

Maria: Oops. Sorry. But wow! This is awesome!

Me: Yeah it is!

Maria: Did I miss anything?

Me: May Started her transformation.

Nico: Yep.

May: (Growling Angrily) I've had it up to hear with you, you selfish, food-stealing Crockpot!

Suddenly, something inside May's mind really snapped as her blue eyes turned neon ice blue and she was suddenly surrounded by an ice blue energy aura with snowflakes, ice crystals, ice phoenixes, and ice dragons, she unholstered her Destroyer of The Villains Teams sword from her back, and as she angrily approached Lord Crockpot, she left ice blue energy, snowflakes, ice crystals, ice phoenixes, and ice dragons with every step.

May: It's bad enough that you're a parody of the crazy, fairy-obsessed loon that we all hate so much, and we're glad that he will soon be gone for good. (Getting Extremely Pissed Off Big Time) But, what you did in stealing all of the food in the city all for yourself and deny everyone the food you're hoarding… YOU HAVE CROSSED ONE FUCKING LINE TOO MANY, YOU PSYCHOPATHIC, FUCKED-UP, FOOD STEALING, FOOD HOARDING, FAIRY-OBSESSED LOON, AND NOW, I WILL RIP YOU LIMB FROM FUCKING LIMB FOR WHAT YOU'VE DONE, AND I WILL RIP YOUR BLACK HEART OUT OF YOUR CHEST AND EAT IT RIGHT IN FRONT OF YOUR FACE!

We gasped at the extreme rage coming from May, and when Nico heard it, his jaw really hit the floor.

CLANG!

Nico: (Stunned) Holy… Crap!

Me: SHE IS REALLY INFURIATED!

Ash: Oh man, and none of us have forgotten what happened whenever someone steals May's food, she loses it big time.

Nico: I still haven't forgotten what happened three years ago. HIT THE DECK! SHE'S GOING TO EXPLODE!

We ran for cover, and then, May screamed like an extremely pissed off madwoman and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

A massive explosion of energy blasted out and she was then surrounded by a massive vortex of ice blue vortex with snowflakes and ice crystals surrounding it and the ice crystals formed on the floor, there's an ice phoenix and ice dragon flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, May emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

May grew to 6'11" in height, she has ice blue highlights in the bangs of her short brown hair, she has neon ice blue eyes and an ice blue energy aura with snowflakes, ice crystals, ice phoenixes, and ice dragons surrounding her, she has an ice phoenix and ice dragon emblazoned on her forehead, she has on silver ice dragon and ice phoenix earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its claws, she also has an ice phoenix and ice dragon with ice blue gems for the eyes and the Ice and Eternity Kanjis in its claws for the second pendant, along with the golden dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links, and her necklace that she got from Nico on her birthday. May has on a beautiful sleeveless ice blue blouse with snowflakes on it, sleeveless red midriff top with ice blue phoenix on it, ice blue shorts with snow on them, black leather knee-high combat boots, and long sleeveless ice blue trenchcoat with snowflakes, ice crystals, ice dragons, and ice phoenixes on the coattails, and on the back is an ice phoenix and ice dragon surrounded by ice crystals and snowflakes. Suddenly, May felt a sharp pain on her back, and then, massive brown angel wings with ice blue tips on the feathers and ice falling from the tips, sprouted out from her back. May has on a Ring of The Phoenix with ice blue gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger and her wedding ring on her left pinkie finger.

Suddenly, May's massive Destroyer of The Villains Teams sword was surrounded by a kaleidoscope of ice blue energy, ice crystals, snowflakes, ice phoenixes, and ice dragons, and when it emerged, it was transformed into Tsnovinar's Ice Phoenix Dragon Greatsword of Snowstorm Justice, it's a brand-new greatsword with Tsnovinar, the Armenian Goddess of the Sea, etched on the 7'0" massive, wide, double-edged ice blue blade, large ice blue dragon heads for the crossguard, large ice blue gem embedded in the rainguard, longer black handle, and four large ice blue phoenix heads with ice blue gems for eyes and in their mouths and a large ice blue gem on the bottom of the ice blue phoenix heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with ice blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold dragon head with ice blue gems for eyes and a large ice blue gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Duel Monster Fusion Spellbook on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji right below the ice phoenix and ice dragon that said, "May Chan, Young and Energetic Pokémon Coordinator from Petalburg City, Loving Daughter of Hoenn Pokémon League Petalburg City Gym Leader Norman and Loving Older Sister of Max, Loving Wife of Nicholas Chan, Loving Mother of Videl, Fasha, Matthew, Ken, and Manaphy, Loving Friend of Ash and Friends, Destroyer of The Pokémon Villain Teams, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Tsnovinar, and Master of Ice, Snow, Ice Phoenixes, Ice Dragons, and Pokémon"

May has transformed into SUPER ANGEL ETERNITY INFINITY ARCTICSTORM ICE DRAGON PHOENIX ANGEL OF SNOWSTORM JUSTICE AND DIVINE ICE LOVE!

We were amazed by May's Super Angel Eternity Infinity transformation, and when Nico saw it, he had an atomic red blush on his face, blood leaking out of his nose, hearts in his eyes, and steam coming out of his ears. But, when Lord Crockpot saw it, he spazzed out and tried to attack her, but May fired a powerful ice blue energy blast with ice phoenixes, ice dragons, snow, and ice, which hits Lord Crockpot, and froze him. May punched the block of ice and it shattered and Lord Crockpot was really freezing, but May attacked him with her massive greatsword leaving nasty scars on him, and she also broke his spine on her knee.

Nico: (Winces) Ooh, that's never going to heal.

Then, May slashed off his crotch and he screamed in excruciating pain, and the boys covered their manhoods.

Lincoln: (Winces) And neither is getting your manhood slashed off like that, that's brutal!

May: (Divine Echoing Voice of Ice Cold Love and Hope) **YOU PISSED OFF THE WRONG GIRL!**

Maria: You're dead, Crockpot! And we really are using your full name!

Nico: YEAH!

Me: You pissed off a mad dog Crockerfucker!

Eli: YEAH!

Nico: BIG TIME! MAKE THAT TWO FUCKING MAD DOGS!

Laney: YEAH!

We then were pulverizing and smashing him into pulp!

Nico shot Crockpot in the throat with Deadshot's gums.

BANG! BANG BANG!

Nico: TAKE THAT YOU SON OF A FUCKING BITCH!

Me: Take your stinking hands off our food you damn fucking stupid fuckface!

I then hit a coconut with a baseball bat and it smashed Crockpot in his slashed off crotch with incredible force!

KRACRUNCH!

Eli: (WINCES)

Nico: Nice!

Lincoln gave the rest of the team their own Rider Watches, which merged with their Bracelets of The Champions of The Universe and devices and they have all 310 Core Powers of The Masters of Evil on their left arms.

Lincoln: Lets get him! FOOD ELEMENT STYLE: APPLES!

Lincoln and his harem: FOOD FINAL SMASH: FOOD HADOUKEN BARRAGE!

They fired food shaped Hadoukens at Lord Crockpot!

The blasts all hit him and exploded!

He was down.

Maria: Any last words?

He was gurgling from the shots and hurting all over.

May: **THIS IS FOR MY FOOD!**

She plunged her hand into CROCKPOT'S CHEST AND THEN RIPPED OUT HIS OLD ROTTEN BEATING HEART! AND THEN SHE ATE IT RIGHT IN FRONT OF HIM AS HE DIED IN AN INSTANT!

Nico: OH YUCK! (VOMITS ALL OVER THE FLOOR)

Me: At least it wasn't on me thankfully!

May then used the Black Gates on Crockpot!

She powered down.

May: Serves that freak right!

Maria: That was only Crockpot. The real Crocker might make a return appearance with Burns soon.

Nico: And when he does we'll be ready for him.

?: You Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last time!

Renee Ravenclaw: (British Accent) I should've known there's no mistaking that insane scream from anywhere. You can come out now, Douglas Moreau.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old very muscular teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Douglas Moreau, Nigel Moreau's insane younger brother, a dangerous warlock and Enforcer and one of the five high-ranking members of The Church of Necrom.

Nicholette Torrington: Douglas Moreau, Nigel Moreau's younger brother and Enforcer of The Church of Necrom, I should've known you'd be the first of the five high-ranking members of The Church of Necrom to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, and Cole Sullivan, along with us killing Darkstar and Empress Siren, whom you brought back from the dead.

Douglas Moreau: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Renee Ravenclaw: (British Accent) That's not going to happen, Cole Sullivan, and now, your rampage ends here and now.

Suddenly, Renee Ravenclaw's orange eyes turned neon orange, and she was surrounded by an orange energy aura with darkness, demons, and dark magic, she unholsters her massive Renge, Gatekeeper of Dark World-themed sword from her back, and as she approached Douglas Moreau, she left orange energy, darkness, demons, and dark magic with every step.

Renee Ravenclaw: (British Accent) You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Douglas Moreau, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Renee Ravenclaw was surrounded by a massive vortex of orange energy with darkness, dark magic, and demons surrounding it, there's Renge, Gatekeeper of Dark World flying around the vortex, and inside the vortex is a red phoenix. Then, as the vortex faded, Renee Ravenclaw emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Renee Ravenclaw's massive orange angel wings grew much bigger for her new body, and the large orange feathers have black tips. Renee Ravenclaw has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Renee Ravenclaw has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS GATEKEEPER DEMON ANGEL OF DARK JUSTICE AND RAVENCLAW DARK MAGIC LOVE!

We were amazed by Renee Ravenclaw's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Douglas Moreau saw it, he went fucking crazy and fired a blast of darkness to kill her, but Renee Ravenclaw fired a powerful blast of orange energy with darkness, demons, and dark magic, and it hits Douglas Moreau and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Renee Ravenclaw's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that musclebound crazy warlock, Douglas Moreau, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Renee, you look beautiful. How do you feel?

Renee Ravenclaw: (Divine Echoing Cosmic Voice of the Dark Gatekeeper and Dark Divine Love) (British Accent) **I feel incredible, Linky. Now then, shall we deliver Douglas Moreau his rightful punishment?**

Lincoln: (Smiles) With pleasure, Renee.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Renee Ravenclaw.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Douglas Moreau.**

Renee Ravenclaw and Lincoln went after Douglas Moreau, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, orange energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Douglas Moreau, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Douglas Moreau: Werewolf Demons, emerge from the forests and rip the mortals to shreds!

Douglas Moreau summoned a massive army of Werewolf Demons, large and muscular werewolves with red eyes, horns on their heads, and massive demon wings on their backs, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, and he fired powerful silver energy blasts at the massive army of Werewolf Demons, and they killed the Werewolf Demons as the demon characteristics were destroyed. Then, Lincoln sprouted out his eleven massive, long, and powerful werewolf tails with large black wolf heads, and they went at the corpses of the dead Werewolves and devoured them, and their powers were assimilated by Lincoln, and this pissed off Douglas Moreau badly, as he took out a vial of red liquid and he drank it.

Then, they saw his eyes turn yellow and the pupils into slits and brown fur sprouted all over his body, which grew much bigger as his huge muscles grew much larger and his ears turned into pointed wolf ears, and he had a wolf's snout, and he had horns on his head and massive demon wings sprouted out from his back. Douglas Moreau turned into a Werewolf Demon and he went at Lincoln and Renee Ravenclaw, but they dodged his attacks, and they fired powerful blasts of silver energy and destroys the demon wings and horns.

Renee Ravenclaw: (Divine Echoing Cosmic Voice of the Dark Gatekeeper and Dark Divine Love) (British Accent) **Linky, shall we do the honors in putting Douglas Moreau in his place?**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Ladies first, Renee.**

Renee Ravenclaw: (Divine Echoing Cosmic Voice of the Dark Gatekeeper and Dark Divine Love) (British Accent) **Such a gentleman.**

Renee Ravenclaw and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Douglas Moreau, who roared in anger and ran at them with murder and insane rage in his eyes.

Renee Ravenclaw and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Renee Ravenclaw and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Douglas Moreau, Lincoln and Renee Ravenclaw began sucking out and absorbing all of Douglas Moreau's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Renee Ravenclaw as her orange energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Renee Ravenclaw and Lincoln were done, Douglas Moreau was rendered completely powerless and completely drained of his powers, and he changed back to normal.

Douglas Moreau: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're**

**powerless, Douglas Moreau.**

Renee Ravenclaw: (Divine Echoing Cosmic Voice of the Dark Gatekeeper and Dark Divine Love) (British Accent) **And now, you're finished.**

Renee Ravenclaw opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Douglas Moreau, the now powerless and insane warlock of The Church of Necrom and Nigel Moreau's younger brother, was imprisoned inside of a black tarot card with Renge, Gatekeeper of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Renee Ravenclaw imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, and Cole Sullivan were put into. We cheered wildly for what Renee Ravenclaw and Lincoln as they holstered their massive greatswords on their backs and powered down, and Renee Ravenclaw's new body, clothes, weapons, jewelry, and massive orange angel wings are permanent.

Renee Ravenclaw: (British Accent) Gotcha, you bastard! Thank you for helping me take down Douglas Moreau, Linky.

Lincoln: (Smiles Warmly) You're welcome, Renee.

Suddenly, Renee Ravenclaw wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Renee Ravenclaw's face, they kissed passionately as Renee Ravenclaw's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Renge, Gatekeeper of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and four more to go.

Me: That's right, Nico.

Silvia Excelsior: Which means the next high-ranking Church of Necrom member to show their face tomorrow is Nigel Moreau, one of the five high-ranking members of The Church of Necrom, and Douglas' older brother.

Lincoln: That's right, Silvia, and you and I are going to put a stop to that insane warlock and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Nigel Moreau's plans and foil them at every turn, and that'll get her so mad, it's bound to send him into a blind rage.

Lincoln: But, like with Douglas Moreau, we got to watch ourselves now and be even more on guard, since Nigel Moreau's another of the five high-ranking members of The Church of Necrom we're going to be dealing with.

Me: Yeah, he's not going down without a fight, and from what we saw, Douglas Moreau was able to transform into a Werewolf Demon when he drank that potion.

Nicholette Torrington: The same thing's going to happen with Nigel Moreau tomorrow.

Lincoln: That's right, Nicholette.

Vypra and the Masters of Evil appeared.

Vypra: Guys are you all okay?

Loki: We felt a massive energy increase and I knew it was… (See's Crockpot's badly mutilated body) Oh my god! Is that Crocker!?

Me: No it's Lord Crockpot.

Chloe Carmichael: Long and ugly story.

We told them everything about what happened and it was crazy.

Vypra: Oh man! So May got really pissed off when her food got taken from her!?

Nico: Yeah she sure did.

Eli: May got so mad and it was beyond all forms of fury.

Me: She was on level 20 of Squidward's Stages of Rage for Completely Nuts!

Squidward: It's a rage gauge I made to show how big my rage was when I was around SpongeBob.

Vypra: Holy bat wings!

Loki: Wow! May must've been really infuriated at Crockpot there.

Nico: No kidding and she ate his heart.

Vypra: Nice one!

Me: It wasn't the real Crocker but now all our food is safe.

Loki: Boy that is for sure. Wow!

Nico: Well lets head back to the restaurant and get some food for real.

Vypra: Good idea.

Jessie: Believe me Vypra. We have had to learn the hard way in seeing May get angry like this when her food has been stolen.

James: Yes we took her food a while back and she went after us the same way.

Ash: Well it wasn't NEARLY as bad as it was now.

Nico: That's because she didn't have her powers back then. But today was Infinitely Worse.

Me: Yep.

Vypra: Wow I had no idea this happened before.

Me: None of us did. But it also happened during the Weredog Attack.

Carly Atlas: I remember that! May was really mad back then and it was because her picnic got stolen by Weredogs.

Max (Pokemon): Yeah that was rough.

Bonnie (Pokemon): It sure was.

Laney: Boy no kidding. One thing is for sure though, if you steal May's food you have dug your own grave.

Lucy Loud: That is a wicked thing.

Me: Yep.

We went back to the restaurant and we got our food and we had an awesome lunch. Lesson here is you make May mad by stealing her food and you just dug your own grave! May apologized to us for going off like that. But we forgave her and we later enjoyed the rest of the day and went to sleep. May had a massive headache from her anger and she was going to be asleep for the rest of the day.

THE END

Another awesome fanfic done.

HOOWEE! This was the maddest we've ever made May in this one. I saw this happen in Pokemon Diamond & Pearl and let me tell you, when someone swipes May's food you had better write your will and make peace with your maker. Because when she gets mad THERE IS NO STOPPING HER! She will smash your face into the ground with indiscriminate fury until there is nothing left! Especially if the culprits are Team Rocket. But this was a really awesome chapter for a non-combat one. Now we know what happens when you make May mad. She got mad like this over in the Weredog battle chapter but NOT NEARLY as mad as she was in here. It was a good chapter though. This was a mixture of both Pokemon and the Fairly Oddparents episode The Hungry Games. That episode was a parody of the awesome Hunger Games movies. Except instead of just being in a dystopian society where it was a world divided into districts, it was in a world where EVERYONE was starving because of a madman's hoarding of all the food in the world all for himself and that madman was Crocker who was portrayed as LORD Crockpot. Funny huh? That episode aired on November 3rd, 2016 and man was it funny and awesome especially with how Chloe idolizes a parody of Katniss first part was for Whitecap Bay from the 4th Pirates of the Caribbean Movie and that was my favorite part of that movie. So cool. The second part was for visiting the planet Celtica and that was awesome too. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks Guys. Nico, Clay, Flashwing of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are heading to Canterlot High and then we're going to Equestria and help Sunset Shimmer get her friends memories back by solving the mystery of how it happened and we're going to stop Wallflower from using the Memory Stone on Sunset and friends and destroy it once and for all. Good thing we're all impervious to Equestrian magic and can use Equestrian magic. And we're also going to meet a gene-slammer for Flashwing's kind named Minami Qintinilla. Minami is a girl born in Japan but was adopted by a family in Mexico and she lived in Nico's neighborhood and she has an awesome power that enables her to grow crystals and jewels and make beautiful jewelry. It's why she is awesome in being Nico's Jewelry Class Partner. For

Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the 1997 Playstation survival videogame, Nightmare Creatures, and they're going to save London from the creatures created by Adam Crowley, who's a member of The Brotherhood of Hecate, and was brought back from the dead by Nigel Moreau. And we're going to meet a gene-slammer for Tainted Wisdom named Lisa Elmar Montgomery Burns and she is the Illegitimate Daughter of Mr. Burns and she knows so many incredibly horrible and terrible secrets of her so-called dad. And during the exercise scene she is going to reveal 20 horrible revelations about him that will shake us to the core and we'll give the government a file on him that she put together that is over 1,000 pages thick. For the next chapter we're going to face an old foe from the past as we go into a sequel for the Goosebumps book Calling All Creeps and we're going to face Ricky Beamer who has escaped from prison and is back to get revenge on us for putting him there. But also NICO IS GOING TO BE SUPER SUPER PISSED AT HIM FOR WHAT RICKY SAID TO HIM IN CHAPTER 841! This is gonna be awesome as we show Ricky what a horrible monster he has become and we're going to send him back to prison where he belongs. This time there will be no mercy on him.

See you all tomorrow.

# REVENGE OF THE CREEPS

This chapter is a sequel to chapter 841

At the estate we were getting ready to head to Canterlot High School. Nico, Clay, Flashwing of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily Were heading there because I sensed that something was seriously wrong.

Nico: We better be ready for anything guys.

Me: Yep and we will be.

Eli: Yeah.

Nico: Thanks for coming with me, Clay.

Clay: Anytime Nico. This is gonna be more fun than a rattlesnake drinking root beer.

Nico: Yeah it sure will. Are we all ready?

We nodded.

Nico: All right lets go!

I formed my scythe and slashed the fabric of time and space and formed a portal and we arrived in the Human World in Canterlot High.

Me: Here we are.

Laney: I got a feeling something huge is going on here.

Eli: Yeah I got that same feeling.

Nico: Clay, you might have the Earth Element. But you also have a soft heart.

Clay: Thank y'all very much for thinking so pardner. It's been a big job for me as the Earth Element but I've been a huge help to everyone.

Me: He sure has.

Eli: Yeah.

Nico: Hey look there's Sunset.

We saw Sunset Shimmer heading to the statue.

Nico: Lets go.

We went up to her.

Me: Sunset!

Sunset Shimmer: Hey guys!

Me: What's going on?

Lana: Yeah what is happening?

Sunset Shimmer: I don't know. But I'll tell you all as best as I can.

She went and did so and we were shocked! We found out that something was erasing everyone's memories of Sunset being their friend and everyone was starting to hate her again!

We gasped!

Nico: Whoever did this is gonna be in big trouble!

Me: Big time.

Sunset Shimmer: Well we better go through the portal.

Sunset Shimmer went through the portal and then I cut open and portal and then we went through and went to Equestria.

Sunset Shimmer: Twilight!

Sunset was trying to walk and she lost her balance.

Princess Twilight Sparkle: Sunset?

Sunset Shimmer: Aah! Oops! [laughs] I was trying to hug you.

They hugged.

Me: Looks like that went well.

Princess Twilight Sparkle: Hey guys!

Me: Awesome to see you again Twilight.

Princess Twilight Sparkle: Yeah you too J.D.

Nico: Yep.

Princess Twilight Sparkle: So, what's been happening?

Me: Well it's not good. Something is going on with Sunset's friends in our world.

We told her everything.

Princess Twilight Sparkle: This is bad, Sunset. It's way beyond anything I've ever heard of.

Me: Whatever and whoever is causing this has to be stopped and fast.

Himiko Toga: I agree there.

Princess Twilight Sparkle: Although…

Sunset Shimmer: What?

Princess Twilight Sparkle: I just had an idea. But you might not like it.

Me: What is it?

Sunset Shimmer: I'll do anything to get my friends back, Twilight.

Princess Twilight Sparkle: There is one pony who might be able to help, but I don't know if you two want to see each other.

Sunset Shimmer: Who?… Oh.

Me: Oh boy.

Nico: Looks like we're heading to Canterlot.

Me: Yep.

Clay Bailey: Me, Nico, and the rest of us will go and find whoever's been erasing memories.

Me: And we will gladly help out.

Nico: Yeah! But lets all do it together.

We were then off to Canterlot.

Me: Sunset whatever happens, you have our support.

Sunset Shimmer: Thanks guys.

We arrived at the throne doors.

[doors open]

Princess Celestia saw Sunset and she was NOT HAPPY at all to see her.

Me: (Quietly) Stand ready for things going south guys.

Nico and everyone nodded.

Me: Greetings Princess Celestia and Princess Luna. We are Team

Loud Phoenix Storm and we are all humans from the planet Earth. We have come to you because well.

Nico: I'm sure you have some history with Sunset here.

Princess Twilight Sparkle: Sooo, Princess Celestia… [nervous laugh] You'll never guess who's back! Actually, maybe you can guess, 'cause she's right here. But, um…

[beat]

Eli: (In his head) Stand by for trouble.

Princess Twilight Sparkle: [whispering, to Sunset] Am I helping?

We shook our heads.

Sunset Shimmer: [sighs] Princess Celestia, the last time we saw each other, I was your snide little pupil who betrayed and abandoned you.

Me: (In my head) If only she knew the real truth about Grogar poisoning her mind.

Princess Twilight Sparkle: [whispering] I wouldn't have said it that way. [clears throat] What Sunset means to say is-

Sunset Shimmer: I mean that I come before you a changed pony, humbly asking for forgiveness, guidance, and knowledge.

Princess Celestia went up to her.

[tense music]

Sunset Shimmer: Or I can just go, and you never have to see me again.

She put her hoof on her face and smiled.

Princess Celestia: I've missed you, Sunset Shimmer.

Sunset Shimmer: I… I'm so sorry.

They hugged.

Princess Twilight Sparkle: [squee]

Me: (Sighs in relief) That was close. Princess we apologize for coming in but we need your help with something very huge.

Nico: Something is going down with Sunset Shimmer's friends in our world and we need guidance to find out who or what is causing this.

Kaoruko: Someone is causing everyone in our world to hate Sunset.

Me: Yep.

We told her everything.

Princess Celestia: This is very serious.

Nico: Clay, what's one good memory you don't want to forget?

Clay: That's easy. My friends and my awesome bonds with them.

Sunset Shimmer: That's great.

We were walking down the hall.

Princess Celestia: I am not familiar with the exact spell that could have erased your friends' memories. But it sounds like Equestrian magic is at work in your world.

Eli: That explains why my Equestrian Magic detector here on my watch was buzzing off the hook.

Princess Luna: Hmm. Indeed. The toilings of this nefarious enchantment could portend unimaginable catastrophe if left unchecked.

Sunset Shimmer: [stifles giggle]

[slap!]

Me: I agree with Princess Luna. Someone obviously has it out for Sunset Shimmer and we need to find out who or what is causing

this.

Sunset Shimmer: Yeah. (To Princess Luna) Sorry. I'm just used to hearing you say no student parking in the faculty lot. Heh-heh.

Princess Luna: This "faculty lot" you speak of sounds like a place of great power.

Sunset Shimmer and Princess Twilight Sparkle: [giggle]

Me: No it's not like that Princess Luna. We humans have much different buildings, cultures and ways of getting around than what is going on here in Equestria.

Nico: Yeah our ways are totally unique.

Eli: It's true.

Princess Luna: I see. I have so many curiosities about your world too.

Princess Celestia: The answers you seek are in the Canterlot Library.

Me: Then we better get over there.

We went over to the Canterlot Library and we saw lots of books.

Himiko: Wow look at all the books.

Sunset Shimmer: There's over a million books in here.

Princess Twilight Sparkle: I wish! But don't worry. You're looking at somepony who knows this place like the back of her hoof.

Me: We've actually seen you here many times before on lots of our adventures Twilight.

Princess Twilight Sparkle: Where are you going, Princess Celestia?

Princess Celestia: To the restricted section.

Princess Twilight Sparkle: There's a… a reh… a reh… a reh…

[hyperventilating]

Sunset Shimmer: Breathe, Twilight.

Me: The Restricted Section is really interesting.

Kaoruko: Wow.

We went to a shelve and Princess Celestia and Luna used their magic.

[clank!]

They pulled 2 books at the same time and a secret door opened.

[door opening]

Twilight's jaw dropped and Sunset closed it.

Miku Yuuki: That is really amazing.

We went down the hallway.

Nico: Clay, I hope you aren't mad that your sister and her crew joined us in the battle against Thanos.

Clay: Not at all. It was great having her and her gang help out.

Me: Yeah that was great.

We went down an ancient hall.

[bats squeaking]

The doors opened and we were in a big room filled with books on restricted knowledge!

Princess Twilight Sparkle: [prolonged gasp] Oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh! So many books all unread! Ancient historical artifacts! [gasps] I just… I thought… ! I can't… ! [wheezes]

Eli: Wow! Not even the Jedi Library had ancient books like this.

Me: This is amazing.

Nico: Me and the team will never forget coming here the first time.

Laney: That was so cool.

Rarity: Oh it sure was darlings. It was amazing.

Starlight Glimmer: I thought so too.

Sunset Shimmer: You sure you're up for helping me go through all this stuff?

Princess Twilight Sparkle: Don't take this away from me!

Me: We'll gladly do everything we can to help you Sunset.

Princess Celestia: I should warn you, however. The archives' mechanical catalog has not been… well-maintained.

She pulled a lever.

[cranking]

Sunset Shimmer: [coughing]

[machine falling apart]

Me: Whoa looks like it hasn't been updated or used in quite a while.

Lana: Yeah but I can fix it up for you all.

Princess Twilight Sparkle: Guess we'll have to read everything! (Looks at all the books) C'mon! No way! Can you believe they have Canterlot Cantabiles Volume Thirty-One? You heard me! Thirty-One! Sunset, that's when it gets gooooooooood! [gasps] Over here! An original Windigo Weather Warning from the pre-Equestrian era! Oh, my goodness! I can't! I just can't!

Me: Like a kid in a candy store.

Aylene C.: (Laughs) That is true.

Sunset Shimmer and Princess Celestia: [laugh]

Vroon: There are so many books here!

Me: You haven't seen anything yet.

Nico: Me and the team were in here the first time and we saw lots of awesome things in here.

We got to reading everything and man was there were TONS AND TONS OF BOOKS TO READ!

Me: Wow look at all this. It shows how much power the staff of the Storm King had.

Rainbow Dash: That is amazing.

Fluttershy: It sure is.

Sunset Shimmer: [yawning, tiredly] Did you know Chancellor Puddinghead tried to pass a law mandating Earth ponies drink carrot juice at every meal? I do. Know that. Now.

Me: That is really interesting.

Lisa Loud: I must agree there as well.

Princess Twilight Sparkle: Awww. Sounds like you got to read all the fun books. [yawns] We should probably take a break from looking…

Sunset Shimmer: [sighs]

Princess Twilight Sparkle: Because I found something!

We came over.

Nico: What is it?

Princess Twilight Sparkle: You're familiar with The Seven Trials of Clover the Clever?

Sunset Shimmer: Obviously. Why?

Me: The Seven Trials of Clover the Clever? Yeah we sure know that one.

Princess Twilight Sparkle: Well, first of all, these date back to before the founding of Equestria. Look at this.

Sunset Shimmer: "The Memory Stone". That sounds promising.

Me: Yeah.

Princess Twilight Sparkle: It belonged to an evil sorceress who was practically invincible. With the Memory Stone, she could erase any memory from anypony. Even fragments of memories.

Sunset Shimmer: Fragments like… memories of me being nice?

Princess Twilight Sparkle: Mm-hmm.

Me: That must explain it!

Applejack: Yeah that must be why no one remembers Sunset doing all those great things.

Princess Twilight Sparkle: Clover the Clever knew the sorceress had to be stopped and the Stone destroyed, so she chased her across land and sea. But every time she got close, the sorceress would erase her memory and escape. But she kept finding her.

Sunset Shimmer: How?

Princess Twilight Sparkle: These scraps of parchment. She secretly wrote everything down so she'd know what had happened and where to go next. Like a trail of bread crumbs.

Sunset Shimmer: Clever! Ohhhh. Clover the- Yeah, got it.

Me: That is very interesting and ingenious.

Eli: It sure is.

Nico: Boy I remember hearing all about that when we were here the first time ourselves.

Varie: That brings back some memories.

Sunset Shimmer: What happened on the other side of this portal?

Princess Twilight Sparkle: The last page is missing. Clover must've hid it to keep anypony else from finding the Memory Stone. Sunset, what if the Memory Stone ended up in your world?

Sunset Shimmer: And someone is using it to make everyone hate me again?

Sunset Shimmer and Princess Twilight Sparkle: But who?

Me: Only one way to find out. If it's who I think it is then we're going to really have a hard time talking to her.

I used my Omnitrix and activated Clockwork's Time Rewind and it rewound and then we saw a green pony with a familiar head of green hair come in and she swiped the page from the scroll! The page was a map!

Me: That's Wallflower Blush!

Fluttershy: Oh dear!

Nico: Uh oh!

Clay: We gotta get to the school ASAP!

Me: There's no telling what could happen if we let Wallflower use that stone any further.

Princess Twilight Sparkle: I agree. I better go with you too.

Sunset Shimmer: Same with me.

?: I'll go as well!

A Flashwing came out.

Flashwing 2: (Spanish Accent) Figure you're all going to need some help with this.

Nico: That voice. Minami Qintinilla?

Flashwing 2: Awesome to see you again Nico.

Nico: Same here.

She reverted back and she was a girl with pink hair and purple clothes and had Rainbow Crystal Wings and had the kanji for Crystal in the middle of her forehead.

Nico: Aweosme. We can catch up later. Right now we got to stop Wallflower.

We went back to the castle and Twilight and Sunset went through the portal and I slashed a portal open and we went through it.

We saw Twilight and friends!

Me: Girls!

Human Rainbow Dash: Hey J.D.

Human Rarity: What is Sunset doing here!?

Me: That's why we're here. We came to tell you that Sunset is completely changed.

Applejack: Give me one reason why we should believe that Sunset Shimmer's changed.

Clay: I swear by my honor as a Texas Citizen that Sunset Shimmer is a good person now.

Applejack: (gasps) Okay, you're definitely telling the truth!

Rainbow Dash: Don't tell me you're falling for that too!

Applejack: He swore on his honor as a Texas Citizen. That's very sacred!

Me: People from Texas tell the truth. But it's time for you guys to see that you are more closer than you think. (Snaps fingers)

I restored their memories with just a snap of my fingers.

Nico: There.

Human Pinkie Pie: Oh Sunset!

She hugged her and cried.

Sunset Shimmer: It's okay Pinkie.

Human Fluttershy: Who would cause this to us?

Me: Wallflower Blush. Come on!

We went to find her and we found her in the parking lot!

Sunset Shimmer: Wallflower? Wallflower, stop!

Wallflower Blush: You remember my name?

Sunset Shimmer: I remember everything! The Memory Stone, how I acted, all of it!

Wallflower Blush: What?! How?! I erased the whole afternoon!

Me: I brought all those memories back Wallflower! Don't you see? You're playing with a very dangerous artifact that has magic beyond anything you know!

Sunset Shimmer: Listen. I used to be just like you. Sure, I was popular, but I was lonely.

Me: Many of us know that feeling.

Wallflower Blush: You're nothing like me, and I'm not lonely, because I have… plants! That sounded less lonely in my head.

Sunset Shimmer: I'm sorry, Wallflower.

Wallflower Blush: No, you're not. You're just trying to look good in front of your friends! And it's working! Gah! How am I supposed to get back at you if nothing I do matters?! I hate you!

Sunset Shimmer: [gasps]

Sunset's aura flared up with incredible force!

Me: Wallflower you don't mean that do you?

Wallflower Blush: I wanted to teach you a lesson by erasing your friends' good memories of you. But obviously that didn't work. But what if I erased all their memories of high school?

Me: Wallflower how can you say that!? You are jealous of Sunset because she was getting all the attention and you weren't!

Sunset Shimmer: You can't! You'd be stealing their memories of each other!

Wallflower Blush: They'll think of each other the way you think of me! Which is not at all!

She was about to use the Memory Stone but I slashed it out of her hand with my scythe and Eli grabbed it and put it in a magic box!

Minami Qintinilla: Wallflower listen! You don't have to erase everyone's memories to get the friendships you want.

Me: That's right Wallflower. You can't do this. Friendship is not just about the memories that you make. It's about the bonds of love and joy you have with them. Just like I have learned with everyone.

Nico: That's right. It's all about love, hope, forgiveness and all the good things that form brotherhood and sibling bonds.

Wallflower Blush: I'm so ashamed. When I first found the Memory Stone, I only erased little things - awkward hellos, saying the wrong thing, literally any public speaking…

Twilight Sparkle: I've had plenty of awkward moments I wish I could erase, too.

Me: We all have.

Wallflower Blush: But it's no excuse. I was so used to erasing memories that I got completely carried away. I'm sorry for everything.

She hugged Wallflower.

Sunset Shimmer: It's okay. I'm sorry, too. I may have stopped being mean, but a Great and Powerful bunch of friends and a great team all helped me realize I still wasn't very nice to you. Everyone matters, Wallflower. No matter how insignificant or invisible they feel.

Clay: Minami, what's your favorite memory of Nico?

Wallflower Bush: While we're talking about memories, to make up for what I did, I'll volunteer to erase 2 bad memories that all of you have. So, are there any that you all would like to forget?

Me: Hmm. Let me see. I want to forget about the 20 Days of Darkness. But that is a really powerful event that made us all closer together than ever. OH DAMN! There's so many bad memories out there! I can't decide.

Nico: Boy me neither!

Eli: Me neither!

Minami: First here's my good memory for Nico is where we were in jewelry class and me and Nico made an amazing and really awesome jewelry and we made an awesome art show together. We got awesome praise for it from top notch art collectors and we got billions in cash for it.

Rarity: Oh my! That must've been some really amazing Jewelry.

Minami: It sure was. Watch.

She used her powers and made an awesome magnificent diamond, ruby, sapphire and 18K gold necklace and it was all without tools and all that.

Rarity: (GASP) Oh my that is a magnificent work of art darling!

Varie: That is beautiful!

Nico: Wow yeah it is.

Nico and Minami hugged.

Nico: I really missed you.

Minami: Me too Nico.

Wallflower Blush: Alright. It's decided. No more memories are being erased.

Me: I didn't have any memories to erase anyway. What's important is that we all have to learn from the past so that we can never do any of the bad stuff ever again.

Wallflower Blush: Yeah you're right. And guys I'm sorry for everything I did.

Miku Yuuki: It's not your fault Wallflower. I had to go through the same thing myself. I was always alone too.

Wallflowe Blush: Really?

Miku Yuuki: Yeah it was not a good feeling.

Nico: Yeah.

We went back home and we put the Memory Stone in the vault to make sure it can never be used again.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco

Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Sarah Gunnerson are heading to Victorian London in the year 1834, and not only is Lincoln going to rescue the four girls there, but we're going to save London from the creatures created by Adam Crowley, once a respected man of science now turned mad scientist and occultist, and was brought back from the dead by Nigel Moreau.

We also got word that Lum Invader was kidnapped and dragged here, so she could be killed by the nightmare creatures and Adam Crowley by Nigel Moreau, now The Church of Necrom has crossed one line too many.

Lincoln: Whoa, we're here in Victorian London in the year 1834, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to save London from the creatures created by Adam Crowley, once a respected man in the field of science now turned mad scientist and occultist and self-appointed member of The Brotherhood of Hecate, and was brought back from the dead by Nigel Moreau.

Me: That's right, big guy.

Nico: And we also got word that Lum Invader was kidnapped and dragged here, so she could be killed by the nightmare creatures and Adam Crowley by Nigel Moreau.

Nicholette Torrington: This hadn't been the first time this happened, we remembered what happened when Betty Boop was kidnapped by those Satanic Goth bastards.

Lincoln: Either way, Nigel Moreau's going to pay for this later, and thanks for joining us, Sarah.

Sarah Gunnerson: You're welcome, Lincoln.

Me: I've played this game long ago, and it was really scary, but it did include a historical event in London's history, The Great Fire of 1666, and a real life figure, Samuel Pepys.

Diana Lombard: That's right, but from what I remember in English history, the real life Samuel Pepys was an English diarist and naval administrator. He served as administrator of the Navy of England and Member of Parliament and is most famous for the diary he kept for a decade while still a young man.

Lincoln: That's right, Diana, and his diary, instead of recording the dark rituals of The Brotherhood of Hecate, his diary recorded a combination of personal revelation and eyewitness accounts of great events, such as the Great Plague of London, the Second Dutch War, and the Great Fire of London.

Sherlock Hound: (British Accent) That's right, and he'd never join a demon-worshipping organization like The Brotherhood of Hecate. Now, let's get going, we must save London from Adam Crowley's evil mutant beasts or all of London will be destroyed.

We met up with Ignatius Blackward, a priest and occult expert and Nadia Franciscus, daughter of Dr. Jean Franciscus of New Orleans and was murdered by Adam Crowley who stole The Diary of Samuel Pepys, and we travelled throughout London, killing Adam Crowley's evil army of Nightmare Creatures, created through the defiling of the bodies of the dead, along with killing zombies and werewolves that are lurking throughout the cities in London. Then, we made our way to Westfinster, and the place was in flames and the city was in chaos.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, and among them was Lum Invader, but they've been cornered by Adam Crowley, who turned into a monster, and he's going to kill them. Lincoln also saw that Adam Crowley had the symbol of The Church of Necrom on his forehead, proof that The Church of Necrom brought him back from the dead, and he also had an army of Vampire Demons with him.

Lincoln: Guys, I found the four girls, and among the four is Lum

Invader, but they've been cornered by Adam Crowley, who turned into a monster, and he's going to kill them. Lincoln also saw that Adam Crowley had the symbol of The Church of Necrom on his forehead, proof that The Church of Necrom brought him back from the dead, and he also had an army of Vampire Demons with him.

Silvia Excelsior: I should've known that The Church of Necrom were the ones who brought that evil sorcerer back from the dead, and that army of Vampire Demons with him, there's only one warlock in The Church of Necrom who's able to summon Vampire Demons: Nigel Moreau.

Lincoln: The second one of the five high-ranking members of The Church of Necrom, Douglas' older brother, and the second of Damian's two enforcers, I should've known that insane warlock was behind this.

?: Let's get rid of that evil sorcerer once and for all.

Suddenly, we saw the Duel Monster, Tainted Wisdom, appear before us.

Nico: Whoa, that's the Duel Monster, Tainted Wisdom, wicked.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Lisa Elmar Montgomery Burns, but we'll have to talk later and I'll explain everything later, right now, we've got to stop Crowley and Nigel Moreau's army of Vampire Demons.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Adam Crowley, and Lincoln fired powerful blasts of sunlight and killed Nigel Moreau's army of Vampire Demons, and it allowed the four girls to get away. When Adam Crowley saw us, he roared in fury at us.

Lincoln: It's over, Crowley, your army of nightmare creatures are dead and your dreams of plunging the world into eternal darkness are about to come to an end here and now.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds

from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Sarah Gunnerson, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Adam Crowley, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln slashed off Adam Crowley's wings, arms, legs, and beheaded Adam Crowley with his massive greatsword, and Lincoln fired a black energy blast of The Black Gates and banished Adam Crowley to The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: Now, London is safe from Adam Crowley and The Brotherhood of Hecate once and for all. (To Lisa Elmar Montgomery Burns) And it's so good to see you again, Lisa Elmar Montgomery Burns.

Lisa Elmar Montgomery Burns reverted back to normal, and she's a beautiful 18-year-old girl with long flowing dark red hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji for Wisdom tattooed on her forehead, she has massive dark red angel wings, and she reigned in the power of Tainted Wisdom, and she's dressed in a sleeveless red blouse, sleeveless red dress top, red skirt, black pants, red sneakers, and long red sleeveless trenchcoat with darkness and brains on the coattails, and Tainted Wisdom on the back, and holstered on her back is a large Tainted Wisdom-themed greatsword with Tainted Wisdom etched on the 7'0" massive, wide, double-edged dark red blade, large dark red wings for the crossguard, large dark red gem embedded in the rainguard, longer black handle, and large red gem surrounded by dark red angel wings for the pommel.

Lisa Elmar Montgomery Burns: You too, Lincoln, it's been exactly six years since we last met.

Lincoln went up to Lisa Elmar Montgomery Burns and they hugged, and Lisa Elmar Montgomery Burns was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Lisa Elmar Montgomery Burns: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her? And judging by her middle and last name, she's related to that evil bitter vulture, Mr. Burns.

Lincoln: Indeed I do, Nico, but she's not like him. This is Lisa Elmar Montgomery Burns, she's the illegitimate daughter of Mr. Burns and she knows so many incredibly horrible and terrible secrets of her so-called dad, and she absolutely hates her so-called dad with every fiber of her being.

Me: Whoa, so there's at least one illegitimate child in Mr. Burns' family who hated him.

Lincoln: That's right, J.D., and for over 16 years since the day she was born and using her powerful 1,000 IQ Brain and smarts, she gathered evidence of EVERYTHING he's done over the course of his entire life and more and how it damaged much of the world almost beyond repair. Lisa swore to bring her so-called dad to justice for his crimes against the world and everyone in general.

Nico: Whoa, so, she's been gifted with a powerful 1,000 IQ brain and smarts, and for over 16 years, she's gathered evidence of everything Burns has done over the course of his entire life and more and how it damaged much of the world almost beyond repair.

Me: In order to bring her so-called dad to justice for his crimes against the world and everyone in general.

Eli: She may get the chance after all.

Lisa Elmar Montgomery Burns: I sure will, Eli. J.D. already banished Jock to The Black Gates, and there's a 100% chance that my so-called Dad, along with Denzel Quincy Crocker, are the ones that are the next ones to appear on the ambassador missions.

We were stunned at how smart she really is.

Nico: Wow, she's good.

Me: You said it.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Lisa Elmar Montgomery Burns' neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklaces of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Lisa Elmar Montgomery Burns: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you are now part of my harem and one of my many future wives, Lisa.

Lisa Elmar Montgomery Burns had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and Lisa Elmar Montgomery Burns wraps her arms around Lincoln's thick muscular neck, and he leaned down to Lisa Elmar Montgomery Burns' face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Lum Invader from Urusei Yatsura, Hana from Kung-Fu Love, Elysse Aldo Mordish and Tita Mu Koshigaya from Plastic Little.

Lincoln: Oh wow, it's Hana from Kung-Fu Love, Elysse Aldo Mordish and Tita Mu Koshigaya from Plastic Little, and I was right that Lum Invader was here.

Nico: Kidnapped and dragged here to be killed by Adam Crowley and his army of Nightmare Creatures by Nigel Moreau of The Church of Necrom.

Lincoln: He'll pay dearly for this, Nico. (To the girls) Are you girls okay?

Lum Invader: Yeah, we're okay, thanks to you.

Me: Glad you're all right Lum. After we helped you a while back.

Lum Invader: Same here.

Then, when Lum Invader and the other three girls saw who it was that saved them from Adam Crowley and Nigel Moreau's army of Vampire Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Lum Invader: Lincoln, oh man, thanks for saving us from Adam Crowley, and from Nigel Moreau's army of Vampire Demons.

Lincoln: You're welcome, Lum, and it's a pleasure to meet the rest of you.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and hugged their waists in their

abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Lum Invader: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) Whoa, and you've definitely become even more of a man since the last time we met, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Lum Invader, Hana, Elysse Aldo Mordish, and Tita Mu Koshigaya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was Adam Crowley, who was brought back from the dead by Nigel Moreau of The Church of Necrom, and among the girls Lincoln rescued was Lum Invader, who was kidnapped and dragged to 1834 London to be killed by Adam Crowley and his army of Nightmare Creatures by Nigel Moreau.

But, when Lincoln showed what he did to that mad sorcerer and destroying Nigel Moreau's army of Vampire Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Lisa Elmar Montgomery Burns have a lot of catching up to do now that she's back in town, and later after the mission today, Silvia Excelsior and Lincoln are going to deal with Nigel Moreau, and they're going to make that insane warlock pay for his crimes.

Lisa Elmar Montgomery Burns: And I've also got 20 horrible revelations about my so-called dad that I've got share with all of you.

Lincoln: And we've got a feeling we're not going to like any of them, since we've heard even more revelations about your so-called dad from the other Guardian Angels.

Me: Yeah, and they're really bad.

Nico: The worst.

---

After getting rid of Adam Crowley and his army of Nightmare Creatures, along with Nigel Moreau's army of Vampire Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Lisa Elmar Montgomery Burns saw Lincoln working out like crazy, she had an atomic red blush on her face.

Lisa Elmar Montgomery Burns: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lisa, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lisa Elmar Montgomery Burns: That's incredible.

Nico: It sure is. So, Lisa, what are these 20 horrible revelations about your so-called dad?

Lisa Elmar Montgomery Burns: You're not going to like any of the 20 horrible revelations about that monster.

Lisa Elmar Montgomery Burns proceeded to tell us about the 20 horrible revelations about her so-called dad, and we weren't going to like it one bit.

1. He attempted to murder his mother Daphne Burns by "pulling the plug" for having an extramarital affair with President William Howard Taft, not expecting her to live for five more decades.

2. Burns was once a biochemist and bio-terrorist before opening the Springfield Nuclear Power Plant.

3. He terrorized a lot of immigrant workers when he was a kid back in the 19th century.

4. He's forced children to work for him under terrible conditions, a great example of this is from the episode "Undercover Burns".

5. In "Marge Gets a Job", Mr. Burns sexually harasses Marge Simpson, causing her to feel uncomfortable. Burns later fires Marge when Burns finds out that she is married.

6. Burns had Smithers edit footage of his Attempted Treason by putting Homer in his place; this resulted in Homer being arrested and sent to prison.

7. He's bribed many officials and authorities to look the other way, allowing him to do whatever he wanted.

8. He murdered his ten older siblings, so he could get his hands on the family fortune, and bribed the authorities to say the ten older siblings died under "mysterious circumstances".

9. Burns absconded with the specially-printed trillion-dollar bill to Europe as the United States' contribution to the reconstruction of the continent.

10. He tried to run for Governor until Marge ruined his chances by serving a three-eyed fish for dinner in front of the media. In the end, he echoes Charles Foster Kane by crying out his name in rage and vows for the rest of his life to make Homer Simpson's life miserable.

11. In the Simpsons Comics 69 story, "In Burn$ We Tru$t", he takes over the First Church of Springfield, which he uses in order to help spread his influence, with him stating that it is a sin for all environmental organizations, including the Environmental Protection Agency, Green Peace, and "Lisa Simpson's Tree Hugging Society". It is later revealed that he plans to ascend to the position of Pope, so that he can have tax-free access to all of the Vatican gold. However, when he learns that the church is not Catholic, he promptly quits

(much to everyone's glee), but only on the condition that Reverend Lovejoy will grant him permission to Heaven when he dies.

12. It is revealed in the comic "Big House Homer" that he sold plutonium to third-world countries for vacation money.

13. In "Bart Gets Hit by a Car", Mr. Burns hit Bart, yet drove off after Smithers suggested to take him to the hospital.

14. He's tried to destroy the ecosystem more than once, but is always foiled by Lisa Simpson.

15. He amused himself by injuring hapless immigrant workers, and it transitioned to him abusing his own workers.

16. Mr. Burns is a traitor not only to America, but to the entire world, because his crimes have also affected the world.

17. He controls an anti-democratic paramilitary force in Latin America.

18. He tried to have Homer and his kids killed for trying to expose the corruption of Springfield to the world.

19. He tried to kill her when she was gathering evidence about his actions, but she fled into hiding, but not before she killed her former father's hitmen.

20. When she was three, her mother, Jasmine Burns, was murdered by Mr. Burns thanks to men hired by Smithers, and that deepened her resolve to have him brought to justice.

When Lisa Elmar Montgomery Burns was done, we were really horrified and shaken to our core about the 20 horrible revelations.

Nico: (Shocked and Horrified) Oh, damn. We always knew Burns was a monster, but after what you told us, this really horrified us, Lisa.

Lincoln: And to find out that he murdered your mom when you were three, that really deepened your resolve to bring him to justice, Lisa.

Lori: Your so-called dad's a literal monster, Lisa, and he deserves to die for his crimes.

Lisa Elmar Montgomery Burns: No surprise there, Lori, and thanks to gathering all of the evidence on that bitter old vulture, I've put together a file on him.

Lisa Elmar Montgomery Burns got out a very thick file and when it lands on the table, it shook, and we were stunned.

Nico: Damn, that's a really thick file you put together, Lisa.

Lisa Elmar Montgomery Burns: Thanks, Nico, and it's over 1,000 pages thick.

Lincoln: 1,000 pages thick?! Is there truly no end to the evil your so-called dad is capable of inflicting?!

Me: It'll end with Mr. Burns getting The Black Gates, and he'll be erased from existence forever.

Nico: You said it, and if Crocker's with him, that'll make things even better, because we'll get to kill two birds with one stone.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villain who triggered the alarm was Geese Howard.

Lincoln: Geese Howard?!

Luna: But, that's impossible, you killed him long ago, dude. (Realizes something) Oh no.

Lincoln: I was just about to say, Luna, and I also saw that he had the mark of The Church of Necrom on his forehead. Looks like Nigel Moreau just doesn't know when to take a hint.

Nico: That bastard.

Lincoln: Looks like I've got to resort to stronger measures: Geese Howard's getting The Black Gates, and someone's going to give

Nigel Moreau the finger. Let's go, gang, it's time to get rid of Geese Howard once and for all.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Geese Howard, and when Geese Howard saw us, he was enraged, and the mark of The Church of Necrom on his forehead is glowing even more.

Geese Howard: You! I will destroy all of you for killing me long ago!

Lincoln: Not happening, Geese Howard. I thought you'd stay dead after we got rid of you the first time, but Nigel Moreau decided to mess things up for us and bring you back. Well, consider this your first and last day alive.

Lum Invader: And we've had it up to hear with you to last an eternity.

Suddenly, Lum Invader's blue eyes turned neon blue, and she was surrounded by a green energy aura with lightning bolts, tigers, and Oni, and as she approached Geese Howard, she left green energy aura with lightning bolts, tigers, and Oni with every step.

Lum Invader: You just don't even know when to stay dead, do you, Geese Howard. You have caused so much pain and suffering for your own sick amusement and any who get in your way, you killed them in cold blood. That's indeed unforgivable, now, I will see to it that you never rise from the dead to cause trouble ever again.

Suddenly, Lum Invader was surrounded by a massive vortex of green energy with lightning bolts and Oni surrounding the vortex, there's a tiger and Oni running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Lum Invader emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lum Invader grew to 6'11" in height, she has the voluptuous body of a goddess, she has blue highlights in the bangs of her long green hair and two horns on top of her head, she has neon blue eyes and a green energy aura with lightning bolts, tigers, and Oni surrounding her, she has a Tiger and Oni emblazoned on her forehead, she has on tiger head earrings with blue gems for eyes and holding the Thunder and Eternity Kanjis in its hands, she also has a Tiger and Oni with blue gems for the eyes and the Thunder and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolt links. Lum Invader has on a sleeveless tiger-striped midriff top, tiger-striped skirt, tiger-striped leather knee-high combat boots, and a long sleeveless tiger-striped trenchcoat with lightning bolts, tigers, and Oni on the coattails, and a Tiger and Oni surrounded by lightning bolts on the back. Suddenly, Lum Invader felt a sharp pain on her back, and then, massive deep green angel wings with blue tips on the feathers, sprouted out from her back. Lum Invader has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Lum Invader had a brand-new greatsword in her right hand called Tiger Oni Greatsword of Electric Justice, it's a brand-new greatsword with a Tiger and Oni etched on the 7'0" massive, wide, double-edged green blade, large tiger heads for the crossguard, large blue gem embedded in the rainguard, longer black handle, and four large tiger heads with green gems for eyes and in their mouths and a large blue gem on the bottom of the tiger heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, her new large gold Belt of Elemental Bravery with a gold tiger head with green gems for eyes and a large blue gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a green kanji below the Tiger and Oni that said, "Lum Invader, Loving Daughter of Mr. Invader, Electric Oni Alien From Oniboshi, Amazing Friend of Many, Defender of The Earth, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of Geese Howard, Pulverizer of Perverts and Rapists, and Master of Tigers, Oni, and Lightning"

ラムインベーダー、氏インベーダーの愛情のある娘、Oniboshiから電気鬼エイリアン、多くの驚くべき友人、地球の擁護者、リンカーン大声の将来の妻を愛する、悪のスレイヤー、錯乱、殺人、冷酷な、そしてサディスティックなできそこない、驚くべきと強力な教師の驚くべきと強力な学生、ガチョウハワードの駆逐艦、変態と強姦のPulverizer、およびトラ、鬼、および雷のマスター

Lum Invader has transformed into SUPER ANGEL ETERNITY INFINITY TIGER ONI ALIEN ANGEL OF ELECTRIC LOVE AND ALIEN ONI JUSTICE!

We were amazed at Lum Invader's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Geese Howard saw it, he fired an energy wave to kill her in cold blood, but Lum Invader fired a green energy blast with lightning, tigers, and Oni and it hits the evil crime lord.

Lincoln: Wow, Lum, you look beautiful. How do you feel?

Lum Invader: (Divine Echoing Cosmic Voice of The Electric Tiger Oni Alien and Divine Love) **I feel incredible, Linky. Now, shall we finally get rid of Geese Howard once and for all?**

Lincoln: (Smiles) With pleasure, Lum.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Risky Boots.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing havoc are over, Geese Howard, and this time, stay dead.**

Lum Invader and Lincoln went after Geese Howard, who continued firing energy waves at them, but they dodged them, and they fired powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Tigers, Oni, and Aliens at Geese Howard, and they exploded with incredible power as they hit him. Then, Lincoln had activated the switches on his device for Electro and Saturn, and he forms a ring of Saturn surrounded by Electro's lightning, and he sent it at Geese Howard and it hit him and electrocuted. Then, Lum and Lincoln fired a powerful black energy wave of The Black Gates and as it hits Geese Howard, he was banished to The Black Gates forever. We cheered wildly for what Lum Invader and Lincoln did as they holster their massive greatswords on their backs and power down and Lum Invader's new body, clothes, weapons, jewelry, and massive green angel wings are permanent.

Lum Invader: That's it for that cold-blooded heartless crime lord. Thanks for helping me get rid of Geese Howard once again, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lum.

Suddenly, Lum Invader wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Lum Invader's face, they kissed passionately as Lum Invader placed her right hand on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw an Oni, along with a pack of Tigers and a herd of Buffalo running across the field, along with elemental forces and we cheered for them.

We went back home to The World Tree Estate, and back in their demonic castle, Nigel Moreau saw what Lum Invader and Lincoln did and foiled his latest scheme again, and it pissed him off so badly, his red eyes turned blood red with insane rage and he roared in insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that crazy warlock screamed in insane rage.

Lincoln: (Smirks) Serves you right, Nigel Moreau.

Silvia Excelsior: But, don't worry, you'll also get your just desserts just like your insane younger brother yesterday.

Lum Invader: And for what he did, please let me kick him hard right in the crotch before you and Silvia Excelsior get after him.

Lincoln: You got it, Lum.

Me: Just like what happened with Risky Boots doing the same thing to Duncan Alarie. I hope he really screams in pain.

Lincoln: That just proves just how heartless and evil The Church of Necrom members truly are, they also have no respect for women whatsoever. But, I can't help but get the feeling that we're going to face someone who said some pretty nasty words to you and sent you into a bout of depression, Nico.

Nico: I've got that same feeling as well, Lincoln.

Lisa Elmar Montgomery Burns: And I've just sent the file I put together on my former father to the government, and the President's issued a kill-on-sight for Charles Montgomery Burns, and if Crocker is also there, we're also given the kill-on-sight order on that insane fairy-obsessed loon as well.

Nico: Awesome.

---

Later it was time for Maxxine's 3rd Ambassador Mission.

Nico: This will be awesome.

William: Anyone else want to go with Maxxine? Besides 1 Rabbid, Mummy, and Astro Boy.

Lincoln: Me and my siblings will go. I have something I need to talk to Ora about.

Me: I have a feeling it must be important and it involves the Church of Necrom.

Lincoln: Yeah it does.

Twilight Sparkle: And me and my friends will go with too.

Wallflower Blush: I want to go too.

Me: Wow. Okay then.

Nico: All right lets head out.

We were off.

We arrived.

Sougo: Hey guys!

Maxxine: Guys, meet my archenemy.

Mummy: Awesome to meet you. I am Theplu'fania but everyone calls me Mummy. I am what's called a Thep Khufan.

Me: They are a race of mummy aliens from the planet Anur Khufos.

Lincoln: And it's awesome to meet you guys. My name is Lincoln Loud and these are my siblings.

Everyone introduced themselves.

Sougo: Awesome to meet you all!

Wallflower Blush: It's an honor.

Me: Lincoln is here to talk to Ora. Have you guys ever heard of the Church of Necrom?

Sougo: No we haven't.

Me: They are a malevolent satanic cult that has been terrorizing all of America for a long time.

I told them everything and they were shocked and horrified!

Sougo: Those guys are all pure evil!

Nico: I have the perfect setup for the Zi O team. It'll consist of Maxxine, J.D., Tsukuyomi, Geiz, Woz, and Sougo.

Me: Cool!

Eli: This is gonna be so awesome.

Laney: Yeah it sure will be cool.

Me: Yep and I have a very strong feeling that we're going to meet AnotherRiders for Ghost and Gaim next.

Lana: This is gonna be so awesome.

Tsukuyomi: It sure will.

Geiz: So, let me get this straight. The Church of Necrom stole Another Ridewatches from the Time Jackers?

Me: Yeah. I'm afraid so. These monsters are beyond all forms of pure evil.

Nico: Countless people were slaughtered all because of them.

Eli: They want to destroy everything.

Lola: They are that insane and pure evil.

Lily: We're going to kill them when we capture them all.

Sougo: I have a feeling you guys will still get another 310 Ridewatches when you fight Another Zi O

Woz: We wish you luck on fighting whoever that is.

Me: Not that we'll need it but thanks.

Nico: But so far we're getting awesome new tools that help us.

Me: Yeah we sure are.

Lisa Loud: And my latest inventions have been very helpful as well.

Me: Lisa made these awesome Fullbottle Gauntlets for us.

We showed them and they were awesome.

Sougo: Wow that is cool.

Tsukuyomi: (hears screams) Those must be the next Another Riders.

Me: Lets get them!

Lincoln: Yeah!

We went to face them and we saw that they were ANOTHER GHOST AND GAIM! Just like we suspected!

Me: Another Ghost and Gaim!

Nico: Nice!

Eli: This is gonna be good.

Sougo: I remember you. You're the police officer, Makimura!

Makimura: So nice you remember me, Sougo. You probably also remember that all crimes must be punished!

Maxxine: Even the small ones?!

Makimura: Even the small ones.

Another Gaim: (In a girls voice) Been a long time J.D.

Me: That voice. I haven't heard that voice in 8 years. Its been a long time Elisa Logan.

She de-transformed and it was a girl with blond hair and she had blue eyes and green clothes.

She was a 17 year old girl!

Nico: Whoa!

Me: You were much younger than I remember Elisa. Last time we saw each other you were like 9?

Elisa Logan: That's right! And I lost everything because of you!

Me: What do you mean? What did I do?

Elisa Logan: You don't remember!? It was 8 years ago today! You got me in big trouble and expelled me and my parents banished me to Siberia! I went through 8 years of hell in the cold! I swore I would get my revenge!

I then had a memory relapse and I remembered that I only want to get Elisa into detention. It was after she stood up for a kid and I was defending her for it but it had an unexpected result! I was trying to get her detention. NOT GET EXPELLED AND HAVE THAT HAPPEN!

Me: I remember that now! Elisa listen! I never intended for you to get expelled! You defended that girl and you did a great did but I never intended for you to get expelled or shipped off to Siberia! I was trying to help you. I'm sorry!

Elisa Logan: How could you not remember that?

Me: Because I lost my memories! I hit my head while doing a daredevil stunt in gym class and I lost my memories. I had total amnesia. I couldn't remember anything. Where I was, who I was, where I came from, nothing! I was a lost shadow stuck in a world I didn't know. It took me years to start my life back and then I got my head hit again and I regained my memories. Most of them. But now I remember that day. Elisa, I'm sorry!

Elisa Logan: No you're not!

Me: Elisa I would never do anything like that to hurt you! I was trying to help you.

Elisa Logan: Then prove it!

Ora then appeared and so did Heure!

Mummy: Ora? You're here too?

Ora: I merely came to watch Heure fight.

Me: Heure, buddy! How've you been?

Heure: Always the friendly one, aren't you, Nico?

Nico: Yeah.

Suddenly, Ora saw that Lincoln has on a device that had all 310 Core Powers of The Masters of Evil on his abnormally massive and powerful left muscular arm, along with Lincoln's sisters having on the same devices that had all 310 Core Powers of The Masters of Evil on their left arms, and it shocked her.

Ora: How did you all acquire a Rider Watch of your own?!

Lincoln: Before I explain, did you notice someone sneak in and steal any Rider Watches that you had in your possession hours earlier?

Ora remembered seeing a 17-year-old very muscular male teen with black hair, red eyes, and he was dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots, and he took off with some Rider Watches.

Ora: I remembered seeing a 17-year-old very muscular male teen with black hair, red eyes, and he was dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots, and he took off with some Rider Watches, and he disappeared into darkness.

Lincoln: That was an enemy of ours who goes by the name of Douglas Moreau, who's an Enforcer and one of the five high-ranking members of a demonic cult named The Church of Necrom. He stole the Rider Watches so he and his goons can use them to get revenge on us for constantly foiling their plans to destroy every living thing on Earth, and that also includes you.

Ora gasped in horror.

Ora: What?!

Clyde and Syd appeared.

Clyde: Yeah, and they're really really bad, after the Satanic sacrifices of their parents, they went on a multi-state murder-spree killing tens of thousands of innocent people in ten states, and this was six years ago.

Sougo: THEY DID ALL THAT!?

Me: Yeah it was terrible! They are beyond all forms of pure evil!

Ora: Oh no.

Lincoln: But, we're going to make sure that he and the rest of The Church of Necrom pays dearly for what they did, and I hope you do take Nico's offer to join The Masters of Evil truly to heart, Ora. You said it's useless to rebel against Swartz, but you know in your heart it's not true, after all, you tried it once before. Just think about that, alright?

Lincoln's words would eventually hit Ora deep in her heart.

Makimura emitted a black smoke before revealing his Another Ghost form. Fruit juice explodes from Elisa before her Another Gaim form was revealed.

Maxxine and Sougo: Henshin!

They transformed!

Me: Wallflower, this is for you.

I gave her a Belt too along with the Gaim Rider Watch!

Wallflower Blush: Oh wow! Now it's my turn!

She put it on.

Wallflower Blush: HENSHIN!

She turned into an awesome green Gaim Themed Kamen Rider Zi-O! AWESOME!

Nico: COOL!

Woz: Rejoice! The full Zi O team has been assembled! Now, may every hero in the Multiverse benefit from their true powers! And may all the villains in the Multiverse tremble at their feet! And in addition, Wallflower Bush has turned into a Kamen Rider based on Gaim. (to Wallflower) Now, to name your new form.

Wallflower Blush: Kamen Rider Eden!

Me: Hey Not bad!

Nico: That's a great name!

Eli: I like it!

Twilight Sparkle: That is amazing!

Sunset Shimmer: Wow! That is awesome!

Nico: Soon we'll get you girls Zi-O forms too.

Me: Think of it as Maxxine's way of finishing this all with a bang.

Twilight Sparkle: I like it and J.D. those Rejoice speeches are awesome.

Me: Yeah they sure are and they remind me of what it was like back over 1,000 to 1,500 years ago.

Nico: It sure does.

Me: Now for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Sorry about this Elisa but you are just not yourself!

Sougo: I think I can do this!

Eli: We know you can do it!

Luna, Lincoln and Lynn: IT'S RIPPING TIME!

We went at them!

Nico snuck behind Heure… and gave him a wedgie!

HOING!

Nico: Wedgie time!

Heure: Not the wedgie again!

Luan: (LAUGHS) That was a good one Nico!

Luan fired blast so flight and blasted Another Ghost all over.

I slashed Another Gaim all over.

Me: Elisa, Listen! I'm trying to help you!

Another Gaim: I don't need your help!

She put in a Lockseed in the shape of a plum and it had a bat with the symbol of the Lightspeed Rescue Rangers and the M.O.E. on it!

Me: Vypra's Lockseed and she loves plums!

I flicked the switch for Vypra and used the power of Pluto.

She fired waves of dark and light energy and I fired waves of light and dark ice energy and the blasts all collided and exploded and formed into huge crystals of light and darkness.

Me: COOL!

Geiz: Time for Geiz Revive again!

Rider Time! Kamen Rider Geiz! Revi-Revi-Revi! Revi-Revi-Revi! Revi-i-ve Shi-ppu! Shippu!

Geiz once again became Geiz Revive.

Sougo: J.D., get ready for something you probably saw before!

Me: And I have a feeling I know what it is!

Rider Time! Kamen Rider Zi-O! Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! Grand Zi-O~!"

Sougo became Grand Zi O.

Me: OH YEAH!

Nico: That is AWESOME!

Laney: Wow! 20 Years of Kamen Riders all on him!

Me: Boy all the Kamen Riders we met are gonna have their minds blown when they join us and help you out on the big day!

Nico: Boy are they ever!

Twilight Sparkle: Yeah they are!

Fluttershy: That is really amazing. And each panel is each Kamen Rider from over the course of 20 years.

Rainbow Dash: That is AWESOME!

Wallflower: It sure is cool!

Me: Yeah it is! One sec. Elisa this is for your own good! WOLF MOON STYLE NINJA ART: METEOR FRUITS OF THE WOLF PACK!

I fired a beam of energy into the sky and it rained down blue fire fruits and they had wolf heads on them and they hit Another Gaim and she exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Rider Watch and then it formed into a Grand Zi-O version of Gaim! It had ALL THE FRUITS OF GAIM ON IT! EVERY SINGLE FRUIT FROM THE LOCK SEEDS WAS ON IT!

Me: WHOA This looks awesome!

Then I saw all over the ground Lockseeds! They were the 310 core Lockseeds of the Masters of Evil!

Me: Whoa!

I used my speed and picked them all up.

Me: Awesome!

Heure tried to punch Mummy but it didn't do much damage.

Mummy: (laughs) That tickles!

Nico: You can't punch a creature made of bandages.

Heure: Oh crap.

Mummy wrapped him around and then pulled hard and spun him around like a top! He spun so fast that it was unbelievable! Then Heure turned green around the gills and then he threw up in the bushes!

Laney and Wallflower slashed and blasted Another Ghost all over.

Sougo tapped the statue of Ghost.

Then 2015 appeared and then Takeru of Kamen Rider Ghost arrived and blasted Another Ghost all over the place!

Me: Awesome!

Nico: That was awesome!

Me: Yeah!

Sougo: By the way J.D. I heard from Hiiro that you took off your coat when you faced Another Kabuto. Is that true?

Me: It sure is. You won't believe how heavy it is.

Sougo: How heavy?

Me: I have magic weights in my coat that make me feel like I weigh as much as the moon.

Sougo was FLABBERGASTED!

Heure: (to Clyde) Your buddy Lincoln can keep those Ridewatches. The next 310 ones that you get from Another Zi O will be for the rest of your friends.

Clyde: Thanks.

Me: I have a feeling the next ones after this will be for OOO and Saber.

Nico: Me too.

Me: First lets finish this guy!

Another Ghost: Why are you all stopping me?! I thought you would've enjoyed watching all criminals getting what they deserved!

Lori: Because not all crimes deserved to be punished! Some are actually understandable!

Me: That's right! And you fall into that category!

I flicked the switches for Kaos and Neptune!

Me: Your fellow Another Riders gave us awesome powers. KAOS NEPTUNE DOOM SHARK TSUNAMI!

I sent a massive swarm of Doomsharks and they attacked Another Ghost and he EXPLODED!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His Ghost Rider Watch landed in Lucy's hands.

Me: Another Ghost you have failed this city!

Laney: And look all over the ground.

We saw his 310 Eyecons!

We picked them all up.

Makimura: (weakly) I've also failed in my duties.

Maxxine: No, you didn't. Just keep doing them.

Me: Just get up and try again.

Sougo: Yeah.

Me: Sougo, in 2 days we have something awesome coming. I sense that we'll face Wizard, OOO and Saber Another Riders next.

Nico: That will be awesome.

Lola: Yeah it will!

Eli: Awesome!

We went over to Elisa as Rarity was consoling her.

Geiz: (to Elisa) Are you calm now?

Elisa: (Crying) I'm sorry guys.

Me: Elisa it's not your fault. You were just driving by anger. Elisa I was telling the truth. I didn't mean for this to happen to you.

Eli: Yeah Elisa. Big bro is really sorry.

Applejack: What happened was awful and terrible.

Rainbow Dash: Yeah Elisa. J.D. is sorry this happened.

Lola: He would never do anything that crazy to you.

Elisa: Really?

Me: Elisa, I have incredibly tremendous power, but I have learned so much over the last 6 years.

Elisa: You have really changed so much J.D. You grew from that little boy I remember.

Me: I know. So have you. You have changed too. Elisa, I'm sorry this happened to you. But I promise we'll have a stern talk to your parents later on. I promise that I will make things up to you. We'll talk it over at my old school in Colorado. They should have let you explain things and not rush to judgement like that!

Nico: Yeah no kidding!

Me: Yeah.

Nico: But we'll worry about that later.

Sougo: (to Maxxine) Next time, you're gonna see an awesome fusion.

Maxxine: I can't wait Sougo.

Rainbow Dash: But this will be awesome!

Later we came back.

William: Hey guys! How did it go?

Me: Really awesome!

We told everyone what happened and it was awesome.

William: Whoa! So now we got Eyecons and Lockseeds too! This is awesome!

Aylene C.: Boy it sure is!

Varie: Wow! So awesome.

William: Next time, Marty can come with you.

Maxxine: Awesome! I would like that.

Me: Yeah.

Nico: I'm gonna take a nap for a bit. Wake me when something happens.

Jessie: (Pokemon) Okay. Have a nice nap.

Nico went to sleep in his room on his sofa.

Nico: Ahh. (Snores)

We were watching TV.

Me: So far things have been quiet.

May: Boy relaxing in Wet Cement is awesome.

Slab: Glad you find it fun.

Crag: Yeah it is great.

Me: Yeah.

I was scrolling through channels.

May: Guys I'm sorry I went ballistic like that yesterday.

Me: It's okay May.

Max: My sister has always hated it when people swipe her food. One time at school someone took her burger and then she got so mad that she punched and pulverized him into pulp.

Me: Geez!

Eli: Brutal.

Me: Whoa! Nico your wife is scary when she gets mad.

I then spotted the news.

Reporter: Breaking news. Police have found a 402nd Murdered Bully on the streets and he was all brutally dismembered and his body parts were strewn all over the street!

Me: Oh man!

I went to Nico's room!

Me: Nico wake up!

Nico: Huh?

Me: A massive string of murders has been going on and 402 people dead!

Nico: What!?

Nico went with me.

We arrived.

Yue: We're sorry to wake you, Nico.

Nico: No worries.

Me: Look at the bodies.

We saw the bodies all slashed up and mutilated like they were from some sort of animal!

Nico: GOOD GOD!

Me: What a mess!

Laney: Looks like werewolves did that!

Me: That wasn't werewolves. I recognize those claw marks.

I flashed back to the events of chapter 841 and I remembered seeing strange claw marks on a building.

Me: Those Claw Marks are from the Creeps!

We gasped!

Me: And if the Creeps are here then this means only one thing! RICKY BEAMER HAS ESCAPED FROM PRISON!

Suddenly, Eli sensed a nasty disturbance in the Force: it was Ricky Beamer, he's escaped from prison and he's back to get revenge on us for putting him there.

Nico: Whoa, Eli, what's wrong?

Eli: Bro is right Nico! I sensed a disturbance in The Force, and Nico, you're not going to like it: Ricky Beamer's escaped from prison and he's back to get revenge on us for putting him there.

Nico: WHAT?! THAT HEARTLESS, HORRIBLE, LITTLE MONSTER'S BROKEN OUT?!

Lincoln: Nico, calm down. We'll get him, okay. We're going to show Ricky what a horrible evil little monster he's become and we're going to send him back to prison where he rightfully belongs.

Nico calmed down, as he puts his hands on Lincoln's shoulders.

Nico: Thanks for calming me down, Lincoln. But, I'm still super pissed at Ricky for what he said to me that sent me into that bout of depression.

Lincoln: (Smirks) Which is why you're going to verbally chew him out for what he said.

Qin: And I'm also joining in as well, the same goes with my parents.

Mrs. Chen: That's right, how dare he say that to you, Nico.

Mr. Chen: He deserves absolutely no mercy for what he said to you.

Nico: (Smiles) Thanks, Qin and Mr. and Mrs. Chen, and you too, Lincoln.

Lincoln: You're welcome, bro.

Nico and William had hit something. Those two things probably didn't exist anymore. May screamed some very choice words. Maria just buried her head into her hands, and Qin sighed. Nautilator felt like throwing up, and Eddy shot one of the training bags.

Nautilator: Are you fragging kidding me?!

Me: I'm afraid so guys!

King Kai: J.D., Nico! Can you hear me!?

Me: King Kai! Its been a while. Yes we hear you.

King Kai: Yes it has been a while and you are right. But I'm afraid it's worse than you think. The Church of Necrom is responsible for releasing Ricky Beamer and they gave him a massive army of Creeps and they have been killing numerous bullies all over the city left and right!

Me: So the victims he killed were all bullies!

King Kai: That's right!

Swerve: I know some of us might hate bullies. But even they didn't deserve this fate!

Maria: No, they didn't!

Me: Ricky Beamer has gone too far now! Even though he is still a kid, what he did is unforgivable!

Eli: Yeah!

Me: But that's not what infuriates me about Beamer!

Camie: What did he do?

I clenched my fist tight to the point where blood poured out through my knuckles.

Me: He hurt Nico by saying that Nico let Qin's parents die!

Everyone gasped in shock and horror!

Snaptrap: I think what we all need is to take a deep breath and calm down.

Me: (Takes a deep breath) (Calms down) Sorry. Every time I think about it, it makes me so angry that I want to rip the planet in two. But what really makes me mad at him is that he went through the worst kind of Cruel Irony.

Eli: He wanted to destroy bullies and now he is one.

Me: Yeah.

Lola: He really makes me mad too.

Qin: I hate that kid! What he said to Nico was really low!

Wallflower Blush: Yeah no kidding there!

Camie: What book did he appear in?

Me: It was this one.

I showed them Calling All Creeps.

Camie: Oh man I remember reading that one.

Then Koragg, Evil Green Ranger, Duskmon, Gentleman Ghost, Robo Roxy, Gizmo, Larxene, Evil Star, El Oso, and Unicorn appeared.

Koragg: Can me, Evil Green Ranger, Duskmon, Gentleman Ghost, Robo Roxy, Gizmo, Larxene, Evil Star, El Oso, and Unicorn accompany you all today?

Nico: Yes you can. But I will personally make sure that Ricky Beamer suffers for this!

Evil Green Ranger: Wait that evil kid that hurt you is back!?

Me: Yes. The Church of Necrom released him from prison.

El Oso: (Spanish Accent) That fiend!

Sunset Shimmer: We won't let him get away with this!

Hard Man: Nico, I know you're pretty pissed right now. But which Gene Slammer do you think you'll meet next?

Nico: I am hoping to go meet a gene-slammer for one of Echo's kind next.

Echo: Ooh lets make some noise! (Rock Music)

Luna: ROCK ON DUDES! Looks like Me, Sam and Echo will go with you on that.

Me: YEAH ROCK ON!

Nico: And there's only one people I know that fits that description. Michelle Torrington.

Nicholette: My little sister!? Wow!

Nico: Your little sister is an Echo Gene-Slammer!? Whoa!

Qin: I remember Michelle. She has the most beautiful voice anyone ever heard. She was an awesome and amazing member of the Quantum Pals.

Nico: Yeah.

Evil Green Ranger: Lincoln, I still think we should've just taken the Church of Necrom out while we still had the chance.

Lincoln: Don't worry we will.

Me: We just got to roll with the flow. The Dark World Goths want to do this little by little before bringing them down for good so we got to just trust them on this. I promise you that we will bring back all those that they killed. We're not going to let them get away with this any longer.

Flywheels: First, we need to go capture a few Creeps for interrogation.

Nico: Right. Lets go!

We went down to the city.

Then we got to searching.

We were looking around.

El Oso: Should be some here somewhere.

Nico: Hmm.

Eli set up bear traps and then covered them with an illusion set up by the Force.

We waited and then…

CLANG!

We caught a Creep in a trap.

Me: Gotcha lizardlips!

Kitten: More incoming!

Kaito: (takes out Timeranger gear) Leave them to us!

Zocks: (takes out GoGoV gear) We haven't used any gears yet.

Me: Go for it!

Zocks used the GoGoV's Rescue powers and Kaito used the TimeRanger's Time Powers.

They smashed and pulverized the Creeps all over and then we tied them up.

Me: Okay!

Nico: Lets bring them back to the estate for questioning!

We did so and we got them interrogated. Ino, Inoichi and Ibiki were with us.

Unicorn: Lana, make sure to prepare your scariest bugs for the battle ahead.

Lana: You got it.

Me: All right you lizard freaks! We're going to ask you a bunch of questions and you're going to tell us what we want to know about Ricky Beamer and what he is planning. Cooperate and we'll let you live. Now what is Ricky planning!?

Creep: We don't know!

I grabbed him.

Me: That's not the answer I want! Better tell the truth or else this!

I pulled out a pair of finger scissors and I threatened to snip off his fingers!

Commander Mars: Let Phage threaten him!

Me: Go for it.

Phage: WHAT IS RICKY PLANNING!

Creep: THAT IS SO UGLY!

Phage roared ferociously!

Phage: ANSWER US!

Creep: OKAY OKAY! He wants revenge on Nico and you guys and he thought that they best way to do it was by killing all the bullies everywhere in the city! The Church of Necrom offered us a huge bounty to kill you guys!

Me: As I thought.

Duskmon: Thank you. You get to go to jail now.

We teleported them to jail.

Nico: Now we know what they are going to do.

Eli: Lets go destroy Beamer.

Nico: I got a score to settle with that douchebag.

Tsukuyomi: (to me and the Louds) Careful. If you don't keep your anger in check, you guys will be on the right track to becoming Another Riders.

Razorclaw: (face palming) It's been nice knowing you, Tsukuyomi.

Me: Not necessary Tsukuyomi.

Nico: Yeah it won't be needed. Besides, Ricky is my problem.

Me: Yeah.

Raythor: (to Kaito) FYI, I did threaten Beamer before.

Kaito: Cool.

Me: Now it's personal. But first…

I snapped my fingers and resurrected all those he slaughtered.

Nico: Nice.

Robo Roxy: Let's get ready for the battle ahead. I'll do that by gathering some Tronics.

Nico: Okay.

Me: Nico, I've had it with that monster to last an eternity, I know it's against our code be we should just kill him and make sure he never hurts anyone again.

Nico: No J.D. I know what he did was horrible but he is still a kid and he needs to spend every second of his worthless life in prison.

Me: Oh you're right.

Lola: After what he did to you Nico, he needs to be put down like a mad dog!

Nico: I know but let me handle it.

Tsukuyomi: (to me and the Louds) Careful. If you don't keep your anger in check, you guys will be on the right track to becoming Another Riders.

Razorclaw: (face palming) It's been nice knowing you, Tsukuyomi.

Me: Not necessary Tsukuyomi.

Nico: Yeah it won't be needed. Besides, Ricky is my problem.

Me: Yeah.

Gentleman Ghost: Besides, there's not enough Another Ridewatches for all the Louds right now.

Me: I agree.

Nico: Are we all set?

We nodded.

Me: Now it's personal.

Nico: Yep.

Eli: Ricky Beamer you will pay for your crimes.

Iris Chandler then appeared.

Bright Man: (to Iris Chandler) Thanks for coming, Iris.

Iris Chandler: No problem Bright Man. Before we fight I want to try and talk some sense into Ricky first.

Laney: Okay.

Me: Nico, I know you hate Ricky as much as we do but if he hurts you like he did before, go apeshit on him. No offense.

Nico: None taken but yes I will.

Evil Star: (sees the bugs in Lana's jar) How many bugs are in there?

Lana: I dunno. Lots of them.

Evil Star: Oh.

Nico: All right lets go.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed

a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Nigel Moreau, Douglas Moreau's older brother and the second enforcer of The Church of Necrom, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Nigel Moreau on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off that his schemes have been foiled.

Silvia Excelsior: So, Nigel Moreau's finally on the move, huh? Perfect, now we've got a chance to make that insane warlock pay for his crimes.

Lincoln: Along with bringing Adam Crowley and Geese Howard back from the dead to kill us, and for kidnapping and dragging Lum Invader to Victorian London for her to be killed by Adam Crowley and his army of Nightmare Creatures, and just like yesterday with Douglas Moreau, Nigel Moreau is bound to put up even more of a fight.

Eli: By drinking that potion that'll transform him into the demon creature that they summon. But, why didn't we see the same thing with the thirteen low-ranking members?

Lincoln: Only the five high-ranking members of The Church of Necrom are capable of creating those potions and not the thirteen low-ranking members, and we'll expect the same thing from Carmen Sullivan, Michael Devlin, and Damian Alaister.

Me: So, we've really got to be on guard when those three come after us.

Nico: And it's too bad you can't be able to use the Nightmare Demons' Vengeance Curse on Ricky Beamer, Lincoln, not without getting the attention of Michael Devlin, who can summon Nightmare Demons.

Lincoln: That's okay, Nico, which is why I'm holding off on using that curse until Michael Devlin's been dealt with. But, we'll settle with beating Ricky Beamer black and blue.

Nico: That's a good idea. Alright, gang, let's go, it's time to teach that horrible creep, Ricky Beamer, a lesson he'll never forget, and this time, (Eyes glowing red) there'll be no mercy on him.

Slugfest: Okay. If any of you guys want to use any Legend Rider Items, now's the time.

Me: Okay.

I flicked the switches for Lord Drakkon and Cavalier and Mars and I formed a dragon sword and I used the Lockseed for Dragonfruit and Lord Drakkon and Then the Fullbottles for Firefly and Electro.

At the park we saw 2 guards.

Gizmo: Let em rip on those barfbrain guards!

I fired blasts of lightning and energy and smashed them down.

Nico: Entrance time.

We went at the park.

Ricky Beamer was waiting and then all of a sudden the spirits of the elemental fury force appeared and smashed him all over and then the area turned into the planet Glaren. The spirits converged and then a massive storm of leaves appeared and swirled around him and then out came a bunch of fairies and then out came us.

Nico: Ricky Beamer prepare to have your butt kicked!

Me: You will pay for everything you've done!

Nico: (grins) Space is here!

Ricky: (confused) Say what?

Blackfire: It just came out, okay!

Me: Fourze reference?

Nico: Yep. Getting good at figuring those out.

Me: Yeah.

Nico: Let's settle this man to man!

Ricky: Bring it on!

Larxene: Wait. Gentaro has two catchphrases?

Me: Yes he does.

Nico and Ricky went up to each other.

Laney came out in a referee costume.

Laney: All right, you guys, I want a clean fight. No rough stuff. Go back to your corners when the bell rings and come out fighting.

DING DING!

[Nico then starts beating up Ricky Beamer with boxing gloves.]

BLAM! BAM BOOF POW!

Patrick: The champ takes a swift uppercut to the jaw. [punches himself]

SpongeBob: Ricky is against the ropes. A left, a right.

Patrick: How can a man stand it?

BLANG BAM WHAM SMASH BOOF BOP WHAM!

Me: YEAH GO NICO!

Then Scorcher, Abomination, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Multiplex, and Springfield Bullies appeared.

Me: Scorcher, Abomination, Shade, Dark Laser, Demyx, Roman

Goodwin, Ssserpent, Roquefort, Multiplex, and Springfield Bullies.

Scorcher: Sorry Ricky coming back pissed you guys off.

Maria: It's okay, Scorcher.

Abomination: The Hell it is! Now, you guys could possibly be turned into Another Riders any minute now!

Me: Not helping Emil.

Jimbo: Just promise me we can have a crack at Ricky when this is over!

Me: Oh we will.

Shade: (to Maria) We heard there was a memory problem involving Sunset.

Maria: There sure was.

Dark Laser: I hope she was okay.

Sunset Shimmer: I'm okay but thank you.

Me: Also another thing, we won't be able to be turned into Another Riders because our powers won't let that happen.

Abomination: Oh right. I forgot about that. Just being cautious

?: Sounds like the fight got underway.

A figure came out and it was GENERATION 3 CHEMICAL BOT from episode 22 of RPM!

---

The Generation 3 Chemical Bot was created by Tenaya 7, and was equipped with toxins capable of putting all of the citizens of Corinth to sleep. Tenaya 7 was ordered to take the Chemical Bot into the city and attack, and they did. Rangers Gold and Silver battled the Grinders, while the other Rangers took on Chemical Bot. They managed to beat Chemical Bot and force him to retreat. However, during the battle, Chemical Bot dropped a red bottle of toxin.

Later Chemical Bot showed up at the Corinth Air Supply Systems. He placed a yellow chemical into the air supply machines. This toxin then caused all the men in Corinth to fall asleep. The red chemical that he had lost, would have caused all the women to fall asleep as well.

With only Summer, Gemma, Dr. K and Vasquez at City Command, the women of Corinth did not have much time. Summer laid out a plan, while Gemma made upgrades to the Road Attack Zord & Dr. K worked on an antidote.

When Chemical Bot returned with Tenaya 7 & Grinders, Summer and Gemma showed up to fight them. They held them off for as long as they could, and then Summer ordered Vasquez to initiate Operation City Storm. Vasquez used the city's Weather Controls to create a large Tornado Storm that blasted the Grinders with lightning and blew the Chemical Bot away with a tornado.

The Chemical Bot tried to escape, but Ranger Red caught up to him. Thanks to Dr. K finding an antidote, the male Ranger Operators were able to rejoin the battle. So Ranger Red used the Road Attack Zord in Battle Mode to fight Chemical Bot. With the Zord's Burnout Attack, Chemical Bot was out.

Venjix made Chemical Bot grow and the Ranger Operators, except for Ranger Red who was low on power, downmorphed their Zords. They weakened Chemical Bot with their individual Zord attacks, and then destroyed him with attacks from the ValveMax & Mach Megazords.

---

Gemma: Generation 3 Chemical Bot!

Generation 3 Chemical Bot: Been a while rangers.

Me: I remember you! You were sent to put the entire city asleep with your chemicals so that it would have been destroyed without any opposition. But you dropped the red poison which would have done the job.

Generation 3 Chemical Bot: That's right. Good memory.

Me: Never missed an episode.

Generation 3 Chemical Bot: (to Summer and Gemma) Can I be honest? I liked the girl power you two showed against me!

Summer Landsdown: I'm glad you liked that.

Gemma: That was fun.

Me: Girl Power Rocks!

Maria: Yeah it does!

We got the usual battles underway.

## Jason Lee Scott, Sunset Shimmer, Fire Skylanders, Winx Club Layla, Layla Williams, Snaptrap and Nautilator vs Steven Hudak A.K.A. Scorcher - Nico's Rescue

Scorcher was first.

Scorcher: (to Jason) Nico really helped Sunset in his rescue today. A shame he and the others didn't choose for any bad memories to be erased.

Jason Lee Scott: I know but I think it was for the best. The Memory Stone was far too dangerous to use.

Sunset Shimmer: Yeah it sure is. What happened to me was awful but Wallflower let her jealousy consume her.

Sunburn: Thank goodness it wasn't beyond the point of no return.

Layla (Winx): Yeah thank goodness for that.

Layla Williams: I agree there too.

Scorcher: Thank goodness. Lets do it!

They fired waves of fire, water and leaves and smashed him down

---

Ripster, Rarity, Sweetie Belle, Water Skylanders, Ninja Steel Rangers, Gemini Man and Hard Man VS Abomination - Wallflower getting the Memory Stone

---

Abomination was next.

Abomination: (to Ripster) Wallflower getting the Memory Stone was very dangerous. But at least it won't cause anymore damage.

Ripster: Thank goodness too. It's in the vault where it will never cause anymore damage.

Rarity: Oh I agree there darlings. What happened was bad.

Sweetie Belle: Thank goodness we're impervious to magic.

Gill Grunt: That is true.

Brody: And we can use Equestrian Magic too.

Abomination: That is for sure. Lets do it!

They fired waves of water, jewels, ice and energy and smashed him down.

---

Black Widow, Starlight Glimmer, Cozy Glow, Undead Skylanders, Luan, Eddy, Flywheels and Stranglehold VS Shade - Lincoln's Rescue

---

Shade was next.

Shade: (to Black Widow) I heard Lincoln's rescue was in Victorian London. How was it?

Black Widow: It was really awesome. They went into the world of the 1997 video game Nightmare Creatures and that was an awesome one.

Starlight Glimmer: We went to the year 1834 and we killed the Brotherhood of Hecate and Adam Crowley. They all got what they deserved.

Cozy Glow: Boy they sure did and that game was really scary!

Hex: Yeah it was. But we got rid of them forever.

Luan: No kidding. That was a good rescue for Link.

Eddy: It sure was.

Shade: Wow! That was a good one. Lets do it!

They fired waves of stars, lightning, magic and bones and light and smashed him down.

---

Sabrina Mason, Pinkie Pie, Featherweight, Tech Skylanders, Kimiko, Omi, Jinx and Kitten VS Dark Laser - Meeting a Tainted Wisdom Gene-slammer,

---

Dark Laser was next.

Dark Laser: (to Sabrina) I heard you guys met a Tainted Wisdom Gene-slammer. How was it?

Sabrina Mason: Her name is Lisa Elmar Montgomery Burns and she is the illegitimate daughter of Mr. Burns.

Pinkie Pie: Yeah we found out something big about her too.

Featherweight: We sure did.

---

Lisa Elmar Montgomery Burns: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lisa, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lisa Elmar Montgomery Burns: That's incredible.

Nico: It sure is. So, Lisa, what are these 20 horrible revelations about your so-called dad?

Lisa Elmar Montgomery Burns: You're not going to like any of the 20 horrible revelations about that monster.

Lisa Elmar Montgomery Burns proceeded to tell us about the 20 horrible revelations about her so-called dad, and we weren't going to like it one bit.

1. He attempted to murder his mother Daphne Burns by "pulling the plug" for having an extramarital affair with President William Howard Taft, not expecting her to live for five more decades.

2. Burns was once a biochemist and bio-terrorist before opening the Springfield Nuclear Power Plant.

3. He terrorized a lot of immigrant workers when he was a kid back in the 19th century.

4. He's forced children to work for him under terrible conditions, a great example of this is from the episode "Undercover Burns".

5. In "Marge Gets a Job", Mr. Burns sexually harasses Marge

Simpson, causing her to feel uncomfortable. Burns later fires Marge when Burns finds out that she is married.

6. Burns had Smithers edit footage of his Attempted Treason by putting Homer in his place; this resulted in Homer being arrested and sent to prison.

7. He's bribed many officials and authorities to look the other way, allowing him to do whatever he wanted.

8. He murdered his ten older siblings, so he could get his hands on the family fortune, and bribed the authorities to say the ten older siblings died under "mysterious circumstances".

9. Burns absconded with the specially-printed trillion-dollar bill to Europe as the United States' contribution to the reconstruction of the continent.

10. He tried to run for Governor until Marge ruined his chances by serving a three-eyed fish for dinner in front of the media. In the end, he echoes Charles Foster Kane by crying out his name in rage and vows for the rest of his life to make Homer Simpson's life miserable.

11. In the Simpsons Comics 69 story, "In Burn$ We Tru$t", he takes over the First Church of Springfield, which he uses in order to help spread his influence, with him stating that it is a sin for all environmental organizations, including the Environmental Protection Agency, Green Peace, and "Lisa Simpson's Tree Hugging Society". It is later revealed that he plans to ascend to the position of Pope, so that he can have tax-free access to all of the Vatican gold. However, when he learns that the church is not Catholic, he promptly quits (much to everyone's glee), but only on the condition that Reverend Lovejoy will grant him permission to Heaven when he dies.

12. It is revealed in the comic "Big House Homer" that he sold plutonium to third-world countries for vacation money.

13. In "Bart Gets Hit by a Car", Mr. Burns hit Bart, yet drove off after Smithers suggested to take him to the hospital.

14. He's tried to destroy the ecosystem more than once, but is

always foiled by Lisa Simpson.

15. He amused himself by injuring hapless immigrant workers, and it transitioned to him abusing his own workers.

16. Mr. Burns is a traitor not only to America, but to the entire world, because his crimes have also affected the world.

17. He controls an anti-democratic paramilitary force in Latin America.

18. He tried to have Homer and his kids killed for trying to expose the corruption of Springfield to the world.

19. He tried to kill her when she was gathering evidence about his actions, but she fled into hiding, but not before she killed her former father's hitmen.

20. When she was three, her mother, Jasmine Burns, was murdered by Mr. Burns thanks to men hired by Smithers, and that deepened her resolve to have him brought to justice.

When Lisa Elmar Montgomery Burns was done, we were really horrified and shaken to our core about the 20 horrible revelations.

Nico: (Shocked and Horrified) Oh, damn. We always knew Burns was a monster, but after what you told us, this really horrified us, Lisa.

Lincoln: And to find out that he murdered your mom when you were three, that really deepened your resolve to bring him to justice, Lisa.

Lori: Your so-called dad's a literal monster, Lisa, and he deserves to die for his crimes.

Lisa Elmar Montgomery Burns: No surprise there, Lori, and thanks to gathering all of the evidence on that bitter old vulture, I've put together a file on him.

Lisa Elmar Montgomery Burns got out a very thick file and when it lands on the table, it shook, and we were stunned.

Nico: Damn, that's a really thick file you put together, Lisa.

Lisa Elmar Montgomery Burns: Thanks, Nico, and it's over 1,000 pages thick.

Lincoln: 1,000 pages thick?! Is there truly no end to the evil your so-called dad is capable of inflicting?!

Me: It'll end with Mr. Burns getting The Black Gates, and he'll be erased from existence forever.

Nico: You said it, and if Crocker's with him, that'll make things even better, because we'll get to kill two birds with one stone.

FLASHBACK ENDS

Dark Laser: My goodness! He's worse than we thought! But he will soon get what's coming with him.

Sprocket: Yeah he deserves this.

Kimiko: Yeah no kidding there.

Omi: (Tibetan Accent) I agree there too.

Dark Laser: I agree too. Lets do it!

They fired waves of metal, gears, lightning and energy and smashed him down.

---

---

Irma Lair: It was really awesome! Maxxine and team took down Another Ghost and Another Gaim.

Princess Luna: It was really cool to see.

Moondust: I agree too. It was so awesome that they took on Another Ghost and Gaim. But the Gaim one was a friend from J.D.'s past that J.D. unintentionally got expelled. He never meant for that to happen as he was helping her.

Blackout: Yeah that was awful.

Ariel: Yeah that was amazing though.

Eli: And now we have Eyecons and Lockseeds for the Core 310 M.O.E.

Melody: That is so cool!

Demyx: Wow boy it sure is. Lets do it!

They fired waves of water and darkness and smashed him down.

---

## Bertrand, Fluttershy, Tornado Bolt, Life Skylanders, Spiderman, Mary Jane, Raythor and Miranda VS Roman Goodwin - Bully Massacre

---

Roman Goodwin was next.

Roman Goodwin: (to Bertrand) That bully massacre shouldn't have happened. Not even they deserved to be torn apart like that.

Bertrand: Blame the Church of Necrom for that.

Fluttershy: Yes they brought Ricky Beamer out and gave him an army of Creeps.

Tornado Bolt: Yeah no kidding! They have had this coming to them.

Stealth Elf: Yeah no kidding too.

Spiderman: Yeah no kidding there.

Mary Jane: Yeah. If Our code didn't allow it we would gladly kill Ricky.

Roman Goodwin: Yeah no kidding. Lets do it!

They fired waves of red fire, leaves, flowers, grass and energy and smashed him down.

---

## Kimiko, Rainbow Dash, Scootaloo, Air Skylanders, Fiona (Loud House), Fiona (Shrek), Fiona Hernandez, Razorclaw and Hun Gurr VS Ssserpent - Ricky Beamer is a monster

---

Ssserpent was next.

Ssserpent: (to Kimiko) Ricky Beamer is a monster. And the only Goosebumps hero to fall from grace.

Kimiko: Yeah no kidding! He went from a hero to a villain.

Rainbow Dash: What he did was horrible and was all from Cruel Irony.

Scootaloo: Yeah what a monster.

Whirlwind: Literally.

Fiona (Loud House): Yeah he deserves to be locked up.

Fiona (Shrek): He brought all this on himself.

Fiona Hernandez: Yeah no kidding there.

Ssserpent: I agree there too. Lets do it!

They fired waves of fire, wind, lightning and rainbows and smashed

him down.

---

Raven, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Koji, Luan, Bright Man and Shade Man VS Roquefort - The Church of Necrom really loves to piss us off

---

Roquefort was next.

Roquefort: (to Raven) The Church of Necrom really loves to piss us off. We should've just used the superlaser to kill them all the first time.

Raven: That would blow the entire city and part of the planet to space dust too.

Twilight Sparkle: Yeah that would not be a good thing. Too extreme.

Starshine Sparkle: Yeah I agree there too.

Spyro: We don't want to do that.

Koji: No way.

Luan: yeah no kidding.

Roquefort: Yeah. Lets do it!

They fired waves of darkness and magic and smashed him down.

---

Rex Salazar, Applejack, Apple Bloom, Earth Skylanders, RPM Rangers, Slugfest and Overkill VS Danton Black A.K.A. Multiplex - What Ricky said to Nico back then was horrible!

---

Multiplex was next.

Multiplex: (to Rex) What Ricky said to Nico back then was horrible! It's not his fault that Qin's parents died!

Rex: Yeah he wasn't even there when it all happened. So how can it be his fault?

Applejack: Yeah that low-down miserable sidewinder!

Apple Bloom; What a monster!

Flashwing: Yeah he has no right saying that!

Scott Truman: Yeah what a fiend!

Multiplex: What a fiend! Lets do it!

They fired waves of energy, earth, rock and crystal and apples and smashed him down.

---

Sam S.L., Princess Celestia, Amber Morning, Light Skylanders, Sakura Avalon, Li, Mewtwo and Blackfire VS The Springfield Bullies - May was really pissed yesterday

---

The Springfield Bullies were next.

Kearney: (to Sam) May was really pissed yesterday.

Dolph: But then again, who can blame her?

Sam S.L.: May was infuriated and scary too.

Princess Celestia: Boy she sure was scary back then.

Amber Morning: Yeah it was scary.

Spotlight: No kidding.

Sakura Avalon: But she really smashed Crockpot to dust.

Li: She sure did.

Jimbo: I agree too. Lets do it!

They fired waves of light and magic and smashed them down.

---

RPM Rangers, Megaforce Rangers, Me, May, Eli, Nunnally, C.C., Lana, Lola, Lisa, Lily and Laney VS Chemical Bot.

---

Generation Three Chemical Bot was next.

Me: This is gonna be so awesome.

I teleported and opened his safe and in it was a pair of blasters for all of us. They were called the Destroyers of The Creeps, it's a pair of blasters that have the anti-Creep symbol, and they're perfect for Ricky Beamer, if he regains his Creep form, and The Creeps, if they also return as well.

Me: Cool blasters.

I teleported back with them.

RPM Rangers: RPM! GET IN GEAR!

They transformed and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! RPM!

The Megaforce Rangers went RPM too!

Me: It's buttkicking time!

The Rangers formed the RPM Enforcer!

I put in an engine cell with a rainbow dragon in the shape of the number 67,000.

Me: Engine Cell Activate!

We fired waves of energy and elements and the blasts all hit Chemical Bot and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead.

Me: Chemical Bot you have failed this world!

Troy Burrows: Rangers that's a Super Mega Win.

---

Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: Who does Ricky Beamer think he is accusing Nico of letting Qin's parents die like that!?

Fiona Hernandez: He doesn't know what he's talking about! What he is saying has absolutely no meaning at all. But he is a prime example of what happens with him in cruel irony.

Himiko Toga: Yeah he totally became the very thing he had been sworn to defeat but in the end Cruel Irony bit him in the butt big time.

Apple Bloom: Yeah we had to learn the same thing too with Babs.

Sweetie Belle: Yeah we booby trapped the float for the harvest day parade and we found out the hard way that she was being bullied too.

Scootaloo: It was not fun at all.

Diamond Tiara: Take it from me. I know how Ricky feels myself. I used to be a bully too until I changed my ways.

Silver Spoon: Same with me. I was a jerk myself as well. It was not pretty.

Misty Tredwell: But at least many of us learned not to do it again too.

Pink Ranger Slayer: No kidding. Being a bully is an absolute nightmare.

Fiona Hernandez: It sure is and to be honest I feel sorry for all bullies everywhere because deep down inside they aren't very happy at all.

Pink Ranger Slayer: No they aren't. And I feel sorry for them too. Lets do it!

They fired waves of fire and energy and smashed her down.

---

## Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: Why would the Church of Necrom release a monster like Ricky Beamer?

Marie Hernandez: For revenge on Nico and the world. Ricky was bullied himself back then and he turned into the very thing he hated.

Ibara Shiozaki: It's the ultimate case of Cruel Irony.

Frozen Fright: Yeah what he is doing is pure evil.

Thunder Terror: He came from a loving family and then some smartass stupid bullies ruined it by tuning him into the very monster he had sworn to destroy. Because he destroyed him too.

Magma Gloom: What a ruthless monster!

Toxic Horror: Yeah Ricky is now a true monster too.

Louie PoisonSea: How can he be that crazy and evil?

Weddinmon: He just is. Ricky is a totally lost cause. After everything he did he just threw away it all just to become a powerful monster. Lets do it!

They fired waves of lightning and elements and smashed her down.

---

Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever, RD Lucy and Carly Atlas VS Marcel Bonaparte

---

Marcel was next.

Marcel: What the hell was Ricky Beamer thinking becoming a bully like that?

Nicole Hernandez: It's the true worst case of cruel irony. What happened to Ricky ended up turning him into a monster. I feel sorry for him because what happened to him made him into a true monster that is completely irredeemable.

Marcel: I agree there. My ancestor would not be happy to see him like this.

Star Swirl: I agree there. Being a bully doesn't mean that you have to be superior to everyone because you're taller, stronger, rich or anything like that. It's what your friends can do to help you not become like that and make sure it doesn't happen that counts.

Rockhoof: (Scottish Accent) Aye. What happened to the poor lad speaks volumes.

Somnambula: (Egyptian Accent) What happened to him was horrible.

Mistmane: Yeah and those bullies should be the ones that get locked up. Not Ricky.

Flash Magnus: Yeah what happened to Ricky was awful.

Mage Meadowbrook: Also I think him becoming a creep was awful too.

Gusty: Yeah but also J.D. was not kidding about them looking like Alligator People from that B-Movie from 1957.

Clover the Clever: That was really cool though.

Carly Atlas: It was awesome to see that though. But I too feel sorry for Ricky. What he said to Nico though really crossed the line there.

Marcel: I agree there. Nicole can you and your sisters cure him of his disease and remove his dark side?

Nicole: Hmm. You know that might work.

Marcel: Awesome. Lets do it!

They fired waves of darkness and energy and smashed him down.

## Natasha Hernandez the Red-Eyes Zombie Dragon Gene-Slammer, Princess Celestia, Princess Luna, Princess Cadance, Minuette, Twinkleshine, Lemon Hearts, Moondancer, Lyra Heartstrings, Sunset Shimmer, Twilight Sparkle, Brittney Knudson and Misty Tredwell VS Su Yung

Su Yung was next.

Su Yung: That was so scary hearing about how May went after that parody of Crocker like that.

Natasha Hernandez: Boy it sure was but this was a crazy version of Crocker that was after all the food in the world and not Fairies. Thank goodness for that.

Princess Celestia: We have never seen May get that mad before and it was amazing how she went after Crockpot like that with such incredible fury.

Princess Luna: It sure was scary though. But it was amazing how she gets REALLY mad whenever her food gets swiped like that.

Princess Cadance: No kidding. Wow! She went all out bonkers on Crockpot.

Minuette: Oh she sure did! May was incredibly fierce back then.

Twinkleshine: She can get really scary when she is mad like that.

Lemon Hearts: You're not kidding there on that. That was amazing.

Moondancer: Yeah no kidding! May really was brutal there.

Lyra Heartstrings: Not even a tranquilizer dart was able to stop her!

Sunset Shimmer: Yeah that was intense! We have never seen May get that mad before.

Twilight Sparkle: It was so scary that Nico jumped into J.D.'s arms in terror and fright.

Brittney: No kidding there! Nico got scared big time bad.

Misty Tredwell: He sure did. It was crazy seeing May go ballistic like that too.

Su Yung: Wow May must've really been incredibly pissed off at Crockpot for that. Lets do it!

They fired waves of magic and darkness and smashed her down.

---

Catherine Iroh Lan Kai the Firebird Gene-Slammer, Layla

## MacKenzie, Sakura Avalon, Madison Taylor, Chelsea, Rita, Nikki, Meilin Rey, Kero, Li, Yue (Cardcaptors), Carly Atlas and Misty Tredwell VS Admiral Zhao

Admiral Zhao was next.

Admiral Zhao: How in the world did Wallflower get the map to the Memory Stone?

Catherine Iroh: Boy that is a mystery all on its own. But we think that she went through the portal to Equestria somewhere in the forest and then snuck into the Canterlot Library Restricted Section and then took the map that lead to it.

Layla MacKenzie: That is an amazing mystery though.

Sakura Avalon: And she was really jealous of Sunset Shimmer. I feel bad for her.

Madison Taylor: Boy me too. Poor girl.

Chelsea: But that was good we were able to save her from herself.

Rita (Cardcaptors): Yeah that was a really good thing too.

Nikki: It sure was. But yeah that was bad she was able to find it.

Meilin: It sure was. That stone was dangerous.

Admiral Zhao: What did you guys do with it?

Kero: We put it in the vault and in our forbidden artifacts safe.

Li: It will never hurt anyone in there.

Yue: That is for sure.

Carly Atlas: We don't want that to happen to anyone else. But it's good that everyone was impervious to Equestrian Magic.

Misty Tredwell: Boy thank goodness for that as well.

Admiral Zhao: No kidding there. Lets do it!

They fired waves of fire and magic and smashed him down.

---

## Himiko Toga, Princess Platinum, Commander Hurricane, Chancellor Puddinghead, Smart Cookie, Private Pansy, Clover the Clever, Penance and RD Carol VS LeFou

---

LeFou was next.

LeFou: So Maxxine's third Ambassador mission had Another Gaim Rider in it? That is amazing!

Himiko Toga: It sure was amazing! And we got Eyecons and Lockseeds for the Core 310 members of the Masters of Evil. They are fruit Lockseeds that have your symbols on them and they have all your powers too.

Silvia Excelsior: I should've known there's no mistaking that insane scream from anywhere. You can come out now, Nigel Moreau.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old very muscular teen male with long black hair going down to his neck, pale skin, red eyes, sadistic and insane grin on his face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Nigel Moreau, Douglas Moreau's insane older brother, a dangerous warlock and

Enforcer and another of the top five high-ranking members of The Church of Necrom.

Nicholette Torrington: Nigel Moreau, Douglas Moreau's older brother and Enforcer of The Church of Necrom, I should've known you'd be the second of the five high-ranking members of The Church of Necrom to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, and Douglas Moreau along with us killing Adam Crowley and Geese Howard, whom you brought back from the dead.

Nigel Moreau: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves!

Just then, Lum Invader marched up to Nigel Moreau, and she delivered a really strong kick to Nigel's crotch, and he screamed in excruciating pain and covered his crotch. Lum Invader came back to us, and we all cheered for what she did, and this served to further piss Nigel Moreau off big time.

Silvia Excelsior: Awesome kick, Lum, and now, your rampage ends here and now, Nigel Moreau.

Suddenly, Silvia Excelsior's pink eyes turned neon pink and she was surrounded by a dark purple energy aura with darkness, demons, and dark magic, she unholsters her massive Sillva, Warlord of Dark World-themed sword from her back, and as she approached Nigel Moreau, she left dark purple energy, darkness, demons, and dark magic with every step.

Silvia Excelsior: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Nigel Moreau, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Silvia Excelsior was surrounded by a massive vortex of dark purple energy with darkness, dark magic, and demons surrounding it, there's Sillva, Warlord of Dark World flying around the vortex, and inside the vortex is a black phoenix. Then, as the vortex faded, Silvia Excelsior emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Silvia Excelsior grew from 6'5" to 6'11" in height, she had black highlights in the bangs of her long flowing dark purple hair, she has neon pink eyes and a dark purple energy aura with demons, darkness, and dark magic surrounding her, she has Sillva, Warlord of Dark World emblazoned on her forehead, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Sillva, Warlord of Dark World with dark purple gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolt links. Silvia Excelsior has on a sleeveless dark purple open blouse, sleeveless black midriff top, black skirt, purple stockings, purple sneakers, and long dark purple sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Sillva, Warlord of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Silvia Excelsior's massive pitch black angel wings grew much bigger for her new body, and the large pitch black feathers have dark purple tips. Silvia Excelsior has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Silvia Excelsior's massive Sillva, Warlord of Dark World-themed sword was surrounded by a kaleidoscope of dark purple energy, darkness, demons, and dark magic, and when it emerged, it was transformed into Sillva, Warlord of Dark World's Demon Greatsword of Darkness Warlord Justice, it's a brand-new greatsword with Sillva, Warlord of Dark World etched on the 7'0" massive, wide, double-edged dark purple blade, large black wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Sillva, Warlord of Dark World's head with dark purple gems for eyes and a large dark purple gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a purple kanji below Sillva, Warlord of Dark World that said, "Silvia Excelsior, Gene-Slammer of Sillva, Warlord of Dark World, Powerful Angel of Darkness, Powerful Member of The Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Griselda Huffington, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Celine Wendova, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Destroyer of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Dark Magic"

Silvia Excelsior has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS WARLORD DEMON ANGEL OF DARK JUSTICE AND DARK MAGIC LOVE!

We were amazed by Silvia Excelsior's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nigel Moreau saw it, he went fucking crazy and fired a blast of darkness to kill her, but Silvia Excelsior fired a powerful blast of dark purple energy with darkness, demons, and dark magic, and it hits Nigel Moreau and sent that insane warlock crashing back first into a wall.

Nicholette Torrington: Holy crap, now Silvia Excelsior's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that musclebound crazy warlock, Nigel Moreau, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Silvia, you look beautiful. How do you feel?

Silvia Excelsior: (Divine Echoing Cosmic Voice of the Dark Warlord and Dark Divine Love) I feel incredible, Linky. Now then, shall we deliver Nigel Moreau his rightful punishment?

Lincoln: (Smiles) With pleasure, Silvia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Silvia Excelsior.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Nigel Moreau.

Silvia Excelsior and Lincoln went after Nigel Moreau, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, dark purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Nigel Moreau, and they exploded with incredible power as they hit the crazy warlock, and he became even more pissed off big time.

Nigel Moreau: Vampire Demons, take flight into the skies and drink their blood!

Nigel Moreau summoned a massive army of Vampire Demons, vampires with red eyes, horns on their heads, and massive demon wings on their backs, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, and he fired powerful blasts of sunlight at the massive army of Vampire Demons, and they killed the Vampire Demons and as they exploded into a mess of blood, and Lincoln absorbed every last drop of the massive river of blood into his abnormally massive and powerful muscular body, and this pissed off Nigel Moreau badly, as he took out a vial of red liquid and he drank it.

Then, they saw his eyes turn red and the pupils into slits and his canine teeth then grew into vampire fangs, he had horns on his head and massive demon wings sprouted out from his back. Nigel Moreau turned into a Vampire Demon and he went at Lincoln and Silvia Excelsior, but they dodge his attacks, and they fired powerful blasts of energy and destroys the demon wings and horns.

Silvia Excelsior: (Divine Echoing Cosmic Voice of the Dark Warlord and Dark Divine Love) Linky, shall we do the honors in putting Nigel Moreau in his place?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Ladies first, Silvia.

Silvia Excelsior: (Divine Echoing Cosmic Voice of the Dark Warlord and Dark Divine Love) Such a gentleman.

Silvia Excelsior and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Nigel Moreau, who roared in anger and ran at them with murder and insane rage in his eyes.

Silvia Excelsior and Lincoln: VOX PENICULUS POWER ABSORPTION KARMA BLAST!

Silvia Excelsior and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Nigel Moreau, Lincoln and Silvia Excelsior began sucking out and absorbing all of Nigel Moreau's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Silvia Excelsior as her dark purple energy aura with darkness, demons, and dark magic flared up and she was really massive power and energy boost to her infinite power and energy. When Silvia Excelsior and Lincoln were done, Nigel Moreau was rendered completely powerless and drained of his powers, and he changed back to normal.

Nigel Moreau: What did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Nigel Moreau.

Silvia Excelsior: (Divine Echoing Cosmic Voice of the Dark Warlord and Dark Divine Love) And now, you're finished.

Silvia Excelsior opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Nigel Moreau, the now powerless and insane warlock of The Church of Necrom and Douglas Moreau's older brother, was imprisoned inside of a black tarot card with Sillva, Warlord of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Renee Ravenclaw imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, and Douglas Moreau were put into. We cheered wildly for what Silvia Excelsior and Lincoln as they holstered their massive greatswords on their backs and powered down, and Silvia Excelsior's new body, clothes, weapons, jewelry, and massive orange angel wings are permanent.

Silvia Excelsior: Gotcha, you bastard! Thank you for helping me take down Nigel Moreau, Linky.

Lincoln: (Smiles Warmly) You're welcome, Silvia.

Suddenly, Silvia Excelsior wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist and he brought her into a hug, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Silvia Excelsior's face, they kissed passionately as Silvia Excelsior's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Sillva, Warlord of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and three more to go.

Me: That's right, Nico.

Scarlet Rosenburg: Which means the next high-ranking Church of Necrom member to show their face tomorrow is Carmen Sullivan, another of the five high-ranking members of The Church of Necrom, Damian's girlfriend, and Insane Supporter of The Church of Necrom.

Lincoln: That's right, Scarlet, and you and I are going to put a stop to that insane witch and make him pay for everything that she's done.

Nico: And as always, we'll be on guard for Carmen Sullivan's plans and foil them at every turn, and that'll get her so mad, it's bound to send her into a blind rage.

Lincoln: But, like with The Moreau Brothers, we got to watch ourselves now and be even more on guard, since Carmen Sullivan's another of the five high-ranking members of The Church of Necrom we're going to be dealing with.

Me: Yeah, she's not going down without a fight, and she'll also transform into the very demon she's able to summon.

Lincoln: With the help of their potion.

Nicholette Torrington: But, we're going to make sure that insane witch pays for everything she has done in the past.

Nico: Take that.

Demyx: There. Now, Ricky won't hurt anymore people.

Roman Goodwin: No, he won't.

Me: Yeah.

Ssserpent: Only reason he's going back to prison is because of what caused his fall into grace to begin with.

Nico: His dark side is guys.

Ricky Beamer then went up to Nico.

Ricky Beamer: Nico I'm so sorry I said all that to you. I was just so fed up with everything happened to me that I snapped. I don't deserve to go back to Earth for everything I did. So I'm requesting that you all banish me to a jungle planet.

Nico: No Ricky. You were punished more than enough. So we'll let you go and give you community service by having you work in the park.

Ricky Beamer: Fair enough.

Lisa Burns: I'm really gonna love it here with you guys.

Roquefort: You won't regret it, Lisa.

Multiplex: (to the Springfield Bulies) Now, I believe you three were promised something.

Jimbo: Righteous!

Me: And you can use this.

I showed them an obstacle course called THE SUSHIMAKER! (BLOODCURDLING SCREAM!)

[We had Dark Ricky put on it and then he falls off the diving board and lands into the tub of boiling lava. He jumps out in pain, hits the spring and flies into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Dark Ricky falls onto the conveyor belt and it takes him to the rolling wheel with sharp metal on it.]

Dark Ricky: No, no, no, no, no!

[Dark Ricky gets rolled on by the sharp metals, leaving his face bruised. Dark Ricky gets pummeled by boxing gloves until he becomes liquid. The liquefied Dark Ricky falls onto a chair. Four robotic arms grab him, stretch him and roll him up into a ball. He is placed into a cannon and it fires Dark Ricky far off into the distance until he hits the high school bell. He falls in front of the front doors just as the high school students march out and trample on top of him.]

Dark Ricky: Ow…

Kearney: The Sushimaker Rocks!

Dolph: That was awesome!

SpongeBob: It was my idea when we made it.

Me: Awesome idea SpongeBob.

Nico: Yeah that was funny.

Iris Chandler: (To the viewers) Remember this guys, if you are a bully, you will get your butt kicked by us.

Nico: Yep. Being a bully will lead to getting your butt kicked. Great job everyone. Lets head home.

We went back home and Dark Ricky was put back in the Neptune Prison. We enjoyed the rest of the day and we later went to sleep.

THE END

---

Another Awesome chapter done.

This was a really awesome chapter. This was a sequel to the Goosebumps book Calling All Creeps. I think it's time we got the hatred over Ricky Beamer stopped and all that. Some of the elements are from different SpongeBob episodes. The first part where Ricky was beat up by Nico like that was based on the Boxing Begonia beating up Squidward in the episode Scavenger Pants and that was really funny too. That episode aired on November 10th, 2017 and it was awesome and cool. The part where Dark Ricky was thrashed by the Sushimaker is from the SpongeBob episode Life Insurance and that was really funny and awesome. That one aired on March 18th, 2017 and it was funny. The first part for the chapter was for the Equestria Girls episode Forgotten Friendship and that was cool! That one aired on February 17th, 2018 and it was awesome. Also for part 2 that was for the old game from 1997 called Nightmare Creatures and that was a scary one! I never played that one before but it was awful. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. For Nico's next rescue, that is gonna be a cool one as Nico, Layla of the Winx Club, Echo of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily, head to Bikini Bottom and Squidward is gonna be giving us a great Scavenger Hunt and we're going to be having a really funny one. And we're going to meet a gene-slammer for Echo's kind named Michelle Torrington and she is Nicholette's little sister. Michelle is Nico's friend from Cooking Class and she also went to Music Class and she has one of the most incredibly divine singing voices ever known and she has the powers of the legendary sirens and can hypnotize anyone bad with her awesome voice. For Lincoln's rescue tomorrow, Lincoln and his group are heading to the Mexican Temple from Tekken 3, and Lincoln and his group are going to face and destroy the main enemy from Tekken 3, Ancient Ogre, who's been resurrected by Carmen Sullivan. And we're going to meet a gene-slammer for Number 96: Dark Mist named Isabella Excelsior and she is Sylvia Excelsior's little sister and she is a goth girl. She also has a massive and powerful revelation about Abraham Simpson and that Homer should hate his dad even more. It's really powerful and brutal. The next chapter is gonna be a wicked strange one as we face the Ministry of Pain in their prime as they were back over 75 years ago. Mastermind, Counterpart and Cohort are back to do a huge crime spree. Usually minor crimes like robberies and all that. But get ready as we face them. We're going to put those guys back in prison.

See you all tomorrow.

# RETURN OF THE MINISTRY OF PAIN

Walking through the ocean was Nico, Layla of the Winx Club, Echo of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were walking through Bikini Bottom and heading to SpongeBob's neighborhood.

Nico: It sure will be awesome.

Eli: I'll say.

Arrietty: I have a feeling this one is gonna be so cool.

Echo: Yeah it will be.

Nico: Layla, your ambassador missions won't feature a Kamen Rider. But it'll involve the Earthbound series.

Layla: Cool!

Me: That's one of the games of the Super Smash Brothers universe that we haven't covered yet.

Lincoln: That will be awesome to see too.

Nico: It sure will.

Me: It'll be awesome to meet Ness and his friends.

Laney: It sure will. And Lincoln can go with you on that one because he was officially added to the Super Smash Bros. Roster 3 years ago.

Lily: Yeah awesome idea.

Nico: I agree.

Layla: It sure will be awesome to meet Ness and friends.

Me: I agree too. That game came out in 1994. So awesome.

Camie: It sure is.

Nico: What I'm really concerned is about the Tabuu guy Mario and the others fought before.

Me: That was the leader of the Subspace Army and he was tough.

Nicole Knudson: That is true. But he was amazing though.

Laney: He sure was.

Layla: But we'll handle it.

Lola: Yeah.

Nico: I remember fighting that boss all the time ever since Brawl came out. And I always had fun kicking his ass.

Eli: That was so awesome. I liked doing that too.

Fu: That is really awesome too.

Nico: Yep. We're here.

We arrived at Conch Drive and we went into Squidward's home.

Me: Hey Squidward.

Squidward: Oh hey guys!

SpongeBob: Squidward gave us an awesome Scavenger Hunt.

Lana: Cool!

Twilight Sparkle: I love Scavenger Hunts.

Sunset Shimmer: This is gonna be fun!

Lana: What's the first item!

Squidward: Um, oh, uh, well, let's see. [takes out a roll of toilet paper and pretends to read something on it] Bring back the rare Desert Sandwich.

Me: Ooh!

Nico: Lets get searching then.

[SpongeBob and Patrick giggle and began searching all over the place to look for Squidward's "Desert Sandwich." SpongeBob looks for it in the phonograph.]

SpongeBob: Sandwich?

[Patrick looks for it under Squidward's picture.]

SpongeBob: [looks for it in Squidward's nose, which causes him to scream] Sandwich? Sandwich? [lets go of Squidward's nose]

Squidward: [straightens out his nose] Not in here! The sandwich is only found deep in the Bikini Badlands, out there!

Patrick: [he and SpongeBob stop looking] Oh.

We went outside.

[SpongeBob and Patrick stop at a sign pointing to the Goodlands and to the Badlands.]

SpongeBob: Goodlands, half a league.

[SpongeBob and Patrick observe the Goodlands. There, they see jellyfish swimming around, flowers and trees dancing, sun and rainbow shining down and a sea unicorn skipping along.]

Me: Cute place.

SpongeBob: Badlands, 20,000 leagues?

[SpongeBob and Patrick observe the Badlands. There, they see a dried-up wasteland with a volcano, a cactus, and a skeleton with sea urchins crawling out. SpongeBob and Patrick are stunned.]

Me: (GULPS)

Eli: This is gonna be brutal.

Nico: Also, you guys will think I'm crazy. But just to spite Crocker and Burns when we see them again, we'll apologize for all the shit we did to them.

Layla: Say what?!

Nico: Only because I want to see if said apologies cause them pain.

Me: Ooh want to see if kind gestures hurt.

Nico: Exactly.

Me: Well here we go.

We went to the Bikini Badlands.

[The scene changes to us traveling the Badlands. WE become exhausted from the high temperatures and are very thirsty since we had no drinking water with us. SpongeBob and Patrick collapsed from exhaustion.]

Me: (Sweating and exhausted) Man is it hot!

Patrick: So… thirsty. [rings SpongeBob's sweat and drinks it for water] Oh.

SpongeBob: [dried up and very weak] It's no use. We'll never find the rare Desert Sandwich.

Me: We got to keep looking!

Nico: Yeah!

[Suddenly, a sand tornado appears out of nowhere. We all scream in terror and sand gets into oureyes. The sand tornado lifts us in the air and starts to carry us away. Meanwhile, back at Squidward's house, Squidward is in his bathrobe, dancing with "The Nutcracker Suite" again. The door opens and Squidward flies backward. We all then arrive.]

SpongeBob: Squidward! We did it! We brought back the first item!

[A sand tornado comes through the door and into the living room.]

Squidward: Sand? [sand is blown in Squidward's face]

[The sand tornado dies down, revealing a witch within it. The witch cackles.]

Me: She is going to soon be in the Masters of Evil.

Squidward: [spits out the sand] Witch? [the witch cackles] Oh, good grief! Not that kind of sand witch! The Desert Sandwich has tomatoes and bread and-and-mayo.

Sand Witch: No worries, I used to work at an evil deli. [creates a sandwich with her magic] Ta-da!

Squidward: Oh, looks pretty good. [takes a bite and spikes poke out from his cheeks; he screams as the sandwich comes to life and bites his nose] Get it off! Get it off! [gets mauled by the sandwich monster]

[The sand witch cackles.]

Nico: Hang on, Squidward!

Nico grabbed the Sandwich Monster.

Fluttershy used the stare on it and calmed it down.

Fluttershy: There we go.

Me: Wow that is one ferocious sandwich. The Sand Witch is definitely M.O.E. Material.

SpongeBob: What's next on our scavenger hunt, Squidward?

Squidward: Hmm… oh. [sees a picture of a flower] Mm-hmm. Your next item is the Boxing Begonia! [spins the globes and points to the location] It only grows in the deepest canyon of the Mariana Trench.

SpongeBob and Patrick: Ooh! [giggle as they run out the door]

Me: Looks like we're going 36,000 feet down.

We were off.

Nico: (telepathically to Squidward) Also, have you seen any sign of Another Riders anywhere?

Squidward: (Telepathically to Nico) No I haven't Nico.

Nico: Okay.

[The scene changes to SpongeBob and Patrick and us looking down at the deepest canyon of the Mariana Trench.]

Patrick: It's so straight-downy.

Me: Well it's 36,000 feet deep.

Nico: Yeah but we've been down this trench before.

SpongeBob: Don't worry, Patrick. A scavenger is always prepared. [pulls out a rope, ties it to a nearby rock and goes to climb down, but the rope isn't long enough] The rope is too short! We need another one!

Patrick: [throws down a rope] Here!

SpongeBob: Thanks, Patrick! Where'd you get another rope?

Patrick: From that rock!

Me: Patrick you idiot!

[Patrick slips off the edge and falls down into the canyon with SpongeBob, crashing into some stalagmites in the process. They both crash to the ground below the canyon.]

CRASH!

We flew down.

SpongeBob: Found it!

[The scene changes back to Squidward's house where Squidward resumes his dancing. SpongeBob and Patrick swing into his house through the window with the Boxing Begonia they found.]

SpongeBob: We're back!

We came in.

Squidward: What? But-but it's not possible! [becomes amazed at the Boxing Begonia's beauty] Boxing Begonia? It's beautiful…

[The Boxing Begonia comes to life and starts beating up Squidward with boxing gloves.]

BLAM! BIFF WHOMP BIFF WHAM!

Patrick: The champ takes a swift uppercut to the jaw. [punches himself]

SpongeBob: Squidward is against the ropes. A left, a right.

Patrick: How can a man stand it?

[Squidward falls flat on the floor, knocking out his dentures.]

SpongeBob: Oh, and the champ is down!

Patrick: [holding up the Boxing Begonia] The winner!

[The scene changes to a beaten-up Squidward pacing back and forth.]

Me: Boy that Begonia really did a number on you.

Nico: No kidding.

Eli: Yeah.

Squidward: How do you keep finding everything?

SpongeBob: [meditating] You have to keep your skull… numb.

Patrick: Yeah, we're numb skulls!

Me: Yeah but this is fun.

Squidward: [sighs and takes out a book] Your next mission is to find [points to the picture of the Loch Ness Monster] the Loch Ness Monster and bring him back… alive.

SpongeBob: Ooh, the Loch Ness Monster?!

Me: Looks like we're going to Scotland.

Patrick: Oh, so good! Oh, so good! [takes out a notebook and a pencil; he sharpens his pencil with his bellybutton] What color?

Nico: Lets go!

[The scene changes to SpongeBob and Patrick and us rowing our boat upside-down in Loch Ness, Scotland.]

SpongeBob: Stroke! Stroke! Stroke! Stroke! Stroke! Stroke!

Patrick: How are we gonna find a monster in the dark? I can't see anything.

SpongeBob: We don't have to find it. It'll find us. [pulls out some bagpipes and plays music with it]

[As SpongeBob plays music with his bagpipes, a shadowy creature swims around and looms over us. SpongeBob and Patrick wail in fright. Meanwhile, back at Squidward's house, Squidward resumes his dancing and is playing with his clarinet while wearing a beautiful, purple hat and a scarf.]

Squidward: [sighs] I'm the greatest. [hears a knock at the door] And here comes the worst. [takes off his hat]

SpongeBob and Patrick: [enters] We're back!

Me: And we have a guest.

[The Loch Ness Monster smashes through the wall above the front door with his head.]

Squidward: [shuddering] The lo-lo- The Loch Ness Monster?! How did you find it?

SpongeBob: Oh, simple. [takes out his bagpipe] Bagpipes.

Squidward: [grabs the bagpipe] It likes bagpipe music? [the bagpipes blow air out]

Patrick: No, it hates it.

[The Loch Ness Monster roars, grabs Squidward with his mouth, and swallows him whole with the bagpipes.]

The Loch Ness Monster: Ahh…

SpongeBob: But it sure loves to eat 'em.

Me: No kidding.

---

French Narrator: (French Accent) One very long digestive tract later…

---

[Squidward is completely worn out from nearly being digested from the Loch Ness Monster. SpongeBob and Patrick bounce on the sofa while Squidward sits in agony.]

SpongeBob and Patrick: Give us another one! Give us another one! Give us another one!

Squidward: Alright. Next, see if you can find the next Gene Slammer.

Me: This will be awesome.

Nico: Where is it?

Squidward: I saw a dragon that looked like Echo in Jellyfish Fields.

Kaito: We've got our gears ready in case there's trouble.

Me: Awesome.

Nico: Lets go guys.

Maria: Also Nico I saw a bunch of crab skeletons in the Bikini Badlands too. Those were the cheapskates we banished there.

Nico: Wow I remember that.

We were off to Jellyfish Fields.

Lily: I love going to Jellyfish Fields.

Nico: Me too.

We were walking through Jellyfish Fields.

Me: Here we go.

Zocks: Any sign of trouble?

Nico: So far nothing.

Eli: But we're keeping our eyes open.

We walked around and kept our eyes peeled. But then we heard a really divine song.

Laney: Whoa who is singing that?

Nico: That's from our gene-slammer.

Me: Yeah.

Kaito: (takes out Abaranger gear) Let's give her a hand!

Zocks: (takes out Dekaranger gear) King Jellyfish could be another recruit.

Me: I agree there.

Nico: Same with me.

Zocks summoned the D-Wapper and Kaito summoned the Abaranger Quill.

Nico: Lets kick some butt!

We went to face King Jellyfish!

Kaito used the Abaranger quill to summon a huge bowling ball.

Me: Lets bowl!

Kaito rolled it and then he sent it at King Jellyfish and smashed him down.

BOWLING CRASH!

Echo 2: YEAH!

Nico: Michelle Torrington it's awesome to see you.

Echo 2: You too Nico.

Michelle reverted back and we saw that she is a girl that had blue hair and blue clothes and also had the kanji for song emblazoned in the middle of her forehead.

Michelle Torrington: But this was awesome battling King Jellyfish.

Lincoln: It sure is. Your sister is part of the team too.

Michelle Torrington: I heard about that and she and her team got their hands full with the Church of Necrom.

Eli: They sure do.

We came back.

Squidward: Looks like you guys are all done.

Me: Yes we are.

Nico: Yep.

Layla: But this was a great hunt. (To Michelle) What's your favorite memory of Nico?

Michelle Torrington: I have a lot of them. But my favorite is when I used my song and brought a bunch of bad guys over to us and we pulverized an entire gang of them over to us.

Laney: That is awesome.

Nico: Yep it was cool.

Lola: That sure is cool.

Nico and Michelle hugged.

Nico: I really missed you.

Michelle Torrington: Me too Nico. And I have missed my sister too.

Eli: She'll be happy to see you.

Me: Yeah she sure will.

Squidward: But this was a fun Scavenger huh?

Lola: It sure was.

Twilight Sparkle: Just like the fun I had with my brother.

Kaito: I hope King Jellyfish isn't too mad.

Zocks: Me too.

Me: He probably will cool off now that he's part of the M.O.E.

Apple Bloom: But this was really fun though.

Applejack: Yeah it sure was.

Lola: We had a lot of fun here.

We later went back home.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Girl Jordan are heading to the Mexican Temple from Tekken 3, and not only is Lincoln going to rescue the fourteen girls there, but we're also going to face and destroy the main enemy from Tekken 3, Ancient Ogre, who's been resurrected by Carmen Sullivan.

Lincoln: Wow, we're here at the Mexican Temple from Tekken 3, and I know what we're going to do here, not only am I going to rescue the fourteen girls there, but we're also going to face and destroy the main enemy from Tekken 3, Ancient Ogre, who's been resurrected by Carmen Sullivan.

Me: That's right, big guy.

Nico: And from what we were told by Jin, the Ancient Ogre was the one who's responsible for what happened to his mother, Jun Kazama.

Lincoln: That's right, Nico.

TLPS Mr. Wolf: But, while you guys were at Bikini Bottom, me and the crew were at Japan with Jin, and we found Jun Kazama. But, when we found her, she was in some sort of coma, it's as if she's not going to wake up from her coma, unless we get rid of the Ancient Ogre.

Lincoln: If we destroy the Ancient Ogre, that'll wake Jun Kazama up. And thanks for joining us, Girl Jordan.

Girl Jordan: You're welcome, Linky. This is going to be awesome.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of fourteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fourteen girls, but they've been cornered by the Ancient Ogre, and he's going to kill them. Lincoln also saw the Ancient Ogre had the symbol of The Church of Necrom on his forehead, that's proof The Church of Necrom brought him back from the dead, and he also had an army of Shadow Demons with him.

Lincoln: Guys, I found the fourteen girls, but they've been cornered by the Ancient Ogre, and he's going to kill them. I also saw the Ancient Ogre had the symbol of The Church of Necrom on his forehead, that's proof The Church of Necrom brought him back from the dead, and he also had an army of Shadow Demons with him.

Scarlet Rosenburg: I should've known that The Church of Necrom were the ones who brought that ancient alien back from the dead, and that army of Shadow Demons with him, there's only one witch in The Church of Necrom who's able to summon Shadow Demons: Carmen Sullivan.

Lincoln: The third of the five high-ranking members of The Church of Necrom, Damian Alaister's girlfriend, and Fanatical Supporter of The Church of Necrom, I knew that insane witch was behind this.

?: Let's get that ancient alien and destroy him!

Suddenly, we saw the Duel Monster, Number 96: Dark Mist, appear from a mist of darkness.

Nico: Wicked, that's Number 96: Dark Mist.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Isabella Excelsior.

Silvia Excelsior: Isabella's here? Oh, that's awesome, but we'll have to talk later, we've got an ancient alien to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at the Ancient Ogre, and Lincoln fired powerful blasts of light from his massive deep sapphire blue angel wings and killed Carmen Sullivan's army of Shadow Demons, and it allowed the fourteen girls to get away. When the Ancient Ogre saw us, it glared at us.

Lincoln: It's over, Ancient Ogre, you're not going to hurt anyone ever again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's

Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after the Ancient Ogre, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln sprouted his eleven massive, long, and powerful white werewolf tails with Cell's suction stingers, and once he stabbed them into Ancient Ogre's arms, chest, legs, stomach, and back, Lincoln began absorbing the ancient alien's bio-energy and Lincoln's rainbow energy aura flared up as he was gaining a massive power boost, and Lincoln was assimilating its powers, abilities, and memories, and he saw that the Ancient Ogre's a bio-weapon left on Earth by an unidentified race of aliens millennia ago. Then, as soon as Lincoln was done absorbing Ancient Ogre's bio-energy and absorbing him into his body, all that's left of the ancient alien was it's various types and pieces of old Aztec jewelry and a large golden helmet/crown with very long orange hair, and its' small round shield that's said to be the fabled Stone of The Sun, the Aztec Calendar. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that destructive ancient alien. (To Isabella Excelsior) And it's so good to see you again, Isabella Excelsior.

Isabella Excelsior reverted back to normal, and she's a beautiful 17-year-old girl with long flowing purple hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the number 96 tattooed on her forehead, she has massive black angel wings, and she reigned in the power of Number 96: Dark Mist, and she's dressed in a short-sleeved black blouse, sleeveless black midriff top, black skirt, purple stockings with stars, purple sneakers, dark purple fingerless gloves, and long black sleeveless trenchcoat with darkness on the coattails, and Number 96: Dark Mist on the back, and holstered on her back is a large Number 96: Dark Mist-themed greatsword with Number 96: Dark Mist etched on the 7'0" massive, wide, double-edged black blade, large black wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and large dark purple gem surrounded by black angel wings for the pommel.

Isabella Excelsior: You too, Lincoln, it's been a long time, and it's also good to see you too, Silvia.

Silvia Excelsior: You too, Isabella.

Lincoln went up to Isabella Excelsior and they hugged, and Isabella Excelsior was also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Isabella Excelsior: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you and Silvia know her?

Lincoln: Indeed we do, Nico, this is Isabella Excelsior, she's another of my many Guardian Angels, and she's the little sister of Silvia Excelsior and she's a goth girl like her, and she knows all about the Dark Arts and the powers of dark magic.

Nico: Wow, just like when we met Michelle Torrington, and we found out she's the little sister of Nicholette Torrington.

Silvia Excelsior: That's right, Nico, and even though Isabella may not be a Dark World Goth Girl Gene-Slammer, but she's just as important to us as anyone, and she's an honorable member of The Dark World Goth Girls.

Lincoln: That's right.

Isabella Excelsior: And I saw your fight against Nigel Moreau yesterday, that was so awesome, it's about time you guys took the fight to The Church of Necrom.

Lincoln: Yep, and later on after our mission, Scarlet Rosenburg and I are going to face off against the Insane Supporter of The Church of Necrom and Damian Alaister's girlfriend, Carmen Sullivan.

Isabella Excelsior: Awesome, and I've got a massive and powerful revelation about Abraham Simpson and it's going to make Homer hate his dad even more.

Nico: Uh oh.

Me: This is going to be both powerful and brutal.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Isabella Excelsior's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklaces of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Isabella Excelsior: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means, just like your sister, Silvia, you are now part of my harem and one of my many future wives, Isabella.

Isabella Excelsior had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and Isabella Excelsior wraps her arms around Lincoln's thick muscular neck, and he leaned down to Isabella Excelsior's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them. The fourteen girls are Sarah Phillips from Liberty's Kids, Aviva Corcovado from Wild Kratts, Princess Sara from the 1986 cartoon Wildfire, Tess Darrett from the cartoon Pole Position, Niko from The Adventures of the Galaxy Rangers, Serena from Dino-Riders, Amalthea from The Last Unicorn, Blanche the Zombie Girl and Duzer the Gorgon Girl from Gravedale High, Princess Gwenevere, Fallon, and Tamara from Princess Gwenevere and the Jewel Riders, Calamity Jane from the 1990s cartoon The Legend of Calamity, and Jennifer "Pepper Ann" Pearson from Pepper Ann.

Lincoln: Oh wow, it's Sarah Phillips from Liberty's Kids, Aviva Corcovado from Wild Kratts, Princess Sara from the 1986 cartoon Wildfire, Tess Darrett from the cartoon Pole Position, Niko from The Adventures of the Galaxy Rangers, Serena from Dino-Riders, Amalthea from The Last Unicorn, Blanche the Zombie Girl and Duzer the Gorgon Girl from Gravedale High, Princess Gwenevere, Fallon, and Tamara from Princess Gwenevere and the Jewel Riders, Calamity Jane from the 1990s cartoon The Legend of Calamity, and Jennifer "Pepper Ann" Pearson from Pepper Ann.

Me: Awesome, and I remembered seeing their cartoons long ago, they were awesome.

Lincoln: Nice. (To the girls) Are you girls okay?

Sarah Phillips: Yes, we're okay, thanks to you.

Then, when Sarah Phillips and the other thirteen girls saw who it was that saved them from Ancient Ogre and Carmen Sullivan's army of Shadow Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Princess Gwenevere: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Princess Gwenevere: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Thunderbird Necklaces of Eternal Love appeared on the necks of Sarah Phillips, Aviva Corcovado, Princess Sara, Tess Darrett, Niko, Serena, Amalthea, Blanche the Zombie Girl, Duzer the Gorgon Girl, Princess Gwenevere, Fallon, Tamara, Calamity Jane, and Jennifer "Pepper Ann" Pearson with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the TLPS World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was Ancient Ogre, who was brought back from the dead by Carmen Sullivan of The Church of Necrom, and they also saw her army of Shadow Demons.

But, when Lincoln showed what he did to that ancient alien and destroying Carmen Sullivan's army of Shadow Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Isabella Excelsior have a lot of catching up to do now that she's back in town, and later after the mission today, Scarlet Roseburg and Lincoln are going to deal with Carmen Sullivan, and they're going to make that insane witch pay for his crimes.

We went into the infirmary, and we saw Jun Kazama was finally moving as she held Jin's hand, and her eyes slowly opened.

Jin Kazama: Mother?

Jun Kazama: Jin… W-what happened?

Jin Kazama: You're here in the infirmary of Team Loud Phoenix Storm's World Tree Estate. You've been in a coma for six years because of Ogre. But, Team Loud Phoenix Storm destroyed the beast and saved you, and they also saved me.

Jun saw that her son no longer has the Devil Gene, but he now has massive pure black true angel wings. Then, Jun hugged her son in happiness and he also returned it. Then, Lincoln and Asuka Kazama came up to her.

Jun Kazama: Thank you for saving me, Lincoln.

Lincoln: You're welcome, Mrs. Kazama.

Jun Kazama: And it's so good to see you again, Asuka, you've gotten so big.

Asuka Kazama: You too, Aunt Jun, it's been years since I last saw you.

They hugged and we all had tears in our eyes and a smile on our faces: Lincoln's reunited Jin Kazama with his mother by destroying Ancient Ogre.

Jun Kazama: And I've heard about what you all did to Kazuya and Heihachi. I should've known that those two would never change.

Lori: Especially what your son told us about them, and what they've done to him.

Lincoln: Along with Devil Jin, the physical manifestation of The Devil Gene that was inside your son. But, he's gone for good, and Jin also stripped Kazuya of his Devil Gene and destroyed it for good, and we threw them both in prison for their crimes.

Jun Kazama: Looks like there's no chance of me ever forgiving them for what they did to Jin.

Me: It's alright, Jun. They brought this on themselves for what they've done.

Jun Kazama was welcomed into the team, and Jin has his mother back and Asuka has her aunt back as well.

* * *

After getting rid of Ancient Ogre and destroying Carmen Sullivan's army of Shadow Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Isabella Excelsior saw Lincoln working out like crazy, she had an atomic red blush on her face.

Isabella Excelsior: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabella, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Excelsior: That's incredible.

Nico: It sure is. So, Isabella, what's this massive and powerful revelation about Abraham Simpson?

Isabella Excelsior: You're not going to like it, Nico. I was looking into Abraham Simpson's record and his history, and I suddenly found something that's really bad: I found out that miserable old coot's tried to get rid of Mona Simpson when he soon found out she was alive and well by trying to run her over with a car.

We gasped in horror, including Homer, Bart, Lisa, Maggie, Marge, Becky, Moe, Lenny, Carl, Sideshow Bob, Barney, and their friends, and it also made Homer really really mad.

Homer: WHY, THAT ALCOHOLIC, LOUSY, GOOD-FOR NOTHING… !

Me: I can't believe that crazy old coot would do something like this.

Marge: My God.

Bart Simpson: Now, I'm really glad we cut our ties with him after everything he's done.

Lisa Simpson: Now, there's truly no forgiveness for someone whose heart is as dark as the night itself.

Lincoln: My thoughts exactly. This is truly an unforgivable act he almost committed, and now, that's just further proof why we deserves to be in the Saturn Insane Asylum for the rest of his days.

Isabella Excelsior: He's truly nothing more than a miserable, senile old coot, who's been nothing more than a bad father and a bad husband.

Mona Simpson: Now, I'm truly glad that I divorced that miserable old man for what he did in hurting my son.

Isabella Excelsior: He truly is a monster, he doesn't deserve to leave the asylum.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villain who triggered the alarm was Lady Kale, Princess Gwenevere's evil powerhungry aunt.

Princess Gwenevere: Lady Kale, but how?! She was destroyed when we used Merlin's Jewel box to release the magic of the Crystal Palace.

Lincoln saw that Lady Kale has the mark of The Church of Necrom on her forehead, which means that Carmen Sullivan's brought her back from the dead.

Lincoln: Yes, she was, but it looks like Lady Kale has been brought back from the dead. Looks like Carmen Sullivan just doesn't know when to take a hint.

Nico: That insane bitch!

Lincoln: Looks like I've got to resort to stronger measures: Lady Kale's getting The Black Gates, and someone's going to give that insane witch, Carmen Sullivan, the finger. Let's go, gang, we've got an evil powerhungry spiteful former princess to destroy once and for all.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Lady Kale, and when Lady Kale saw us, she was enraged especially when she saw Princess Gwenevere, Fallon, and Tamara, and the mark of The Church of Necrom on her forehead is glowing even more.

Lady Kale: You little pest, I will destroy you and your friends for what you did in destroying me!

Princess Gwenevere: That's never going to happen, Lady Kale. I thought you'd stay dead after we got rid of you the first time.

Lincoln: But, Carmen Sullivan decided to mess things up for us and bring you back. Well, consider this your first and last day alive.

Princess Gwenevere: And I've had it up to hear with you to last an eternity.

Suddenly, Princess Gwenevere's blue eyes turned neon blue, and she was surrounded by a pink energy aura with winged unicorns, jewels, and light, and as she approached Lady Kale, she left pink energy, winged unicorns, jewels, and light with every step.

Princess Gwenevere: Mom was right to have banished you long ago, you were nothing more than an evil, selfish, greedy, powerhungry, spiteful witch who never cared about anyone except for yourself. You've caused nothing but pain and suffering to all those around you in your quest to plunge the world into darkness, but now, I will see to it that you never rise again.

Suddenly, Princess Gwenevere was surrounded by a massive vortex of pink energy with jewels and lights surrounding it, there's a winged unicorn flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Princess Gwenevere emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Princess Gwenevere grew to 6'11" in height, she has the body of a goddess, she has pink highlights in the bangs of her long yellow hair tied up in a ponytail, she has neon blue eyes and a pink energy aura with winged unicorns, jewels, and light surrounding her, she has a winged unicorn emblazoned on her forehead, she has on winged unicorn earrings with pink jewels for eyes and the Light and Eternity Kanjis in its horn, she also has a winged unicorn with pink gems for eyes and the Light and Eternity Kanjis in its horn for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolt links. Princess Gwenevere has on a pink sleeveless dress top with a phoenix holding the sun in its claw, pink skirt, pink pants, pink leather knee-high combat boots, and a long sleeveless pink trenchcoat with jewels, winged unicorns, and light on the coattails, and a winged unicorn surrounded by jewels on the back. Suddenly, Princess Gwenevere felt a sharp pain on her back, and then, massive pink angel wings with yellow tips on the feathers, sprouted out from her back. Princess Gwenevere has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Princess Gwenevere had a brand-new greatsword in her right hand called Avalon's Jeweled Greatsword of Light Justice, it's a brand-new greatsword with a winged unicorn etched on the 7'0" massive, wide, double-edged pink blade and surrounding the winged unicorn are the Sun Stone, Moon Stone, Heart Stone, Forest Stones, and the Dark Stone, large unicorn heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, and four large unicorn heads with blue gems for eyes and in their mouths and a large pink gem on the bottom of the unicorn heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, her new large gold Belt of Elemental Bravery with a gold unicorn head with blue gems for eyes and a large pink gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and

Equestrian Peace on her left hip and Eater of Sins revolver holstered on her right hip. There's a blue kanji below the winged unicorn that said, "Princess Gwenevere, Leader of The Jewel Riders, Princess of Avalon, Loving Daughter of Queen Anya and King Jared, Awesome Teammate of Fallon and Tamara, Loving Future Wife of Lincoln Loud, Destroyer of Lady Kale and Morgana, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Wielder of The Sun Stone, Special Friend and Partner of Sunstar, and Master of Jewels, Light, and Unicorns"

グウェネヴェレ王女、ジュエルライダーのリーダー、アバロンの王女、アーニャ女王とジャレド王の愛する娘、ファロンとタマラの素晴らしいチームメイト、リンカーンラウドの愛する未来の妻、ケールとモルガナの女性の駆逐艦、悪の殺し屋、混乱した、殺人、冷酷でサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、サンストーンの妻、サンスターの特別な友人でありパートナー、そして宝石、光、ユニコーンのマスター

Princess Gwenevere has transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL ENCHANTED JEWEL WINGED UNICORN ANGEL OF CELESTIAL LOVE AND JEWELED JUSTICE!

We were amazed by Princess Gwenevere's Super Angel Eternity Infinity transformation, when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Lady Kale saw it, she fell into a black rage and fired a blast of darkness to kill her, but Princess Gwenevere dodged it, and she fired a powerful blast of pink energy with jewels, winged unicorns, and light, and it hits Lady Kale and sent her flying and crashing back first into a nearby tree.

Fallon: Wow, Princess Gwenevere's transformed.

Tamara: And now, she's going to put an end to Lady Kale once and for all.

Scarlet Rosenburg: And I'm going to be the one to give Carmen Sullivan who's watching us the finger after Lady Kale has been destroyed, just to make sure that witch knows she's next.

Lincoln: Wow, Lady Gwenevere, you look beautiful. How do you feel?

Princess Gwenevere: (Divine Echoing Cosmic Voice of The Jeweled Alicorn and Celestial Divine Love) **I feel incredible, Lincoln. Now, shall we put an end to Lady Kale once and for all?**

Lincoln: (Smiles) With pleasure, Princess Gwenevere.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Princess Gwenevere.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing havoc and destruction are over, Lady Kale, and this time, stay dead.**

Princess Gwenevere and Lincoln went after Lady Kale, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, pink energy, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Alicorns at Lady Kale, and they exploded with incredible power as they hit him. Then, Lincoln had activated the switches on his device for Vexen and Pluto, and he punches his large left fist into the ground and sends a powerful wave of ice at Lady Kale and it hits her and freezes her.

Then, Princess Gwenevere and Lincoln attacked Lady Kale with their massive greatswords, leaving a ton of slash marks on her. Then, they fired a powerful black energy wave of The Black Gates and as it hits Lady Kale, she was banished to The Black Gates forever. We cheered wildly for what Princess Gwenevere and Lincoln did as they holstered their massive greatswords on their backs and powered down and Princess Gwenevere's new body, clothes, weapons, jewelry, and massive pink angel wings are permanent.

Princess Gwenevere: And this time, don't you even dare come back, Lady Kale. Thank you for helping me with getting rid of Lady Kale, Linky.

Lincoln: (Smiles Warmly) You're welcome, Princess Gwenevere.

Suddenly, Lady Gwenevere wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Princess Gwenevere's face, they kissed passionately as Princess Gwenevere placed her right hand on Lincoln's massive and wide muscular right pec, and right behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and jewels, and we cheered for them.

Scarlet Rosenburg: Now, we're finally rid of Princess Gwenevere's evil ex-aunt once and for all, and Carmen Sullivan, if you're watching this from the shadows. (FLIPS THE FINGER)

We went back home to The World Tree Estate, and back in their demonic castle, Carmen Sullivan saw what Princess Gwenevere and Lincoln did and foiled her latest scheme again, and when she saw that Scarlet Rosenburg flipped her the finger, it pissed her off so badly, her red eyes turned blood red with insane rage and she roared in purely insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that insane witch screamed in insane rage.

Lincoln: (Smirks) Serves you right, Carmen Sullivan.

Scarlet Rosenburg: (Smirks) But, don't worry, you'll get your just desserts later today, you insane witch! And she's just lucky I flip both fingers at her, that'd really piss her off.

Nico: (Smirks) Along with her equally demonic boyfriend, Damian Alaister.

Lincoln: (Smirks) But, he'll get his just desserts soon, they all will.

Me: You said it, big guy.

---

Later it was time for Whenua's first ever Ambassador Mission and we were going to meet the Fourze Kamen Riders. I've been looking forward to this one for a while.

Me: I can't wait to me Gantaro and the Fourze Kamen Riders.

Nico: Me neither. They are gonna be in for a surprise when we show them the Astroswitches we got.

Lola: That is gonna be so awesome.

William: Anyone else want to go with Whenua? Besides Yusei and 2 Rabbids?

Nicole Knudson: I will go.

May: Same with me.

Nico: Cool! This is gonna be really awesome.

Lola: Yeah it sure is.

Nico: All right lets head out.

We were off to Japan.

We arrived in Japan.

Ryusei: (sees Whenua) Another Zodiarts? It's a… black one this time.

Gentaro: First of all, why are you hesitating like that?

Ryusei: Because I don't want to sound racist!

Gentaro: That's understandable. And second, one Zodiarts' looks like J.D. Knudson. Don't you think we should hear them out?

Ryusei: We can sort it all out after we're done.

With that, Ryuei slides a switch on his belt, activating it

Meteor Driver: Meteor, Ready?

While this goes on, Gentaro is busy flipping the red switches on his belt downwards before grabbing the lever.

Fourze Driver: 3! 2! 1!

Ryusei and Gentaro: Henshin!

With that, Gentaro pulls the lever and is surrounded by some sort of construction field resembling a Stargate almost while Ryusei is surrounded by cosmic energy, causing him to take the form of a meteor and fly into Whenua before returning back to the point he originated from, at which point the suits are revealed. Ryusei is shown in a black suit resembling a star map and decorated with a blue shoulder pad and sash connector and blue comet looking helmet with red eyes atop a silver base, with a strange device on his right wrist and an odd blue point on his left thumb. Meanwhile, Gentaro appears clad in white and black with huge orange eyes and accents of the same orange, and four unique points on his wrists and ankles: an orange circle on his right wrist, a blue X on his right ankle, a yellow triangle on his left ankle, and a black square on the left wrist.

Gentaro: (Throwing his arms up in his classic pose) Space is here! Time to settle this, man-to-man.

Ryusei: Time to decide your fate. (to Gentaro): I'll take the… black one. You can have the other one.

Gentaro: Right!

With that, Ryusei charged at Whenua. Meanwhile, Gentaro walked up to me.

Gentaro: J.D., if that's really you, I'm sorry about this.

In case that was really me, Gentaro decided to throw a punch at one of my non vital body parts. Said non vital body part? My shoulder.

I then grabbed his punch.

Me: Yes Gentaro it's me

Gentaro: Oh wow! It really is you!

Nico: That's right. And don't worry. Whenua is with us.

Whenua: It's all right Ryusei. I mean you all no harm.

Ryusei: Whoa!

They powered down.

Gentaro: Sorry about the confusion.

Nico: (to Ryusei) So, why were you hesitating on your words earlier?

Ryusei: Because when you think about it, black sometimes sounds racist.

Nico: As long as you don't say racist words about African Americans, it's fine.

Ryusei: Okay.

Gentaro: But it's an awesome honor to meet you guys.

Me: Same here.

Nico: Yeah.

We introduced ourselves,

Yusei: (sighs) And these are Rabibds.

Me: Rabbids are funny but they are not the brightest light bulbs in the closet if you know what I mean.

Eli: Yeah they are funny though.

Nico: Yeah they sure are.

Gentaro: They are awesome though.

We went to Gentaro's school.

Whenua: This is a really nice school.

Gentaro: It sure is.

Me: Just as awesome as what we have seen on TV.

Eli: Yep.

Me: I hope we reprimand that teacher of yours that was giving you all a hard time.

Gentaro: You mean Mr. Ohsugi? Oh, he actually became a nice guy.

Me: Oh. Okay.

Eli: Just as long as he doesn't go back to being a pain.

Gentaro: He won't.

We then saw a bunch of people.

Gentaro: Meet the rest of my friends!

We met Kengo Utahoshi, Yuki Jojima, Miu Kazashiro, J.K, Shun Daimonji and Tomoko Nozama

Me: An honor to meet you guys.

Yuki Jojima: You too J.D.

Miu Kazashiro: It's an honor.

Nico: Gentaro, your dream to make friends with every good person is something I admire. Almost like Twilight and the others.

Me: That is a really awesome dream too.

Eli: I agree.

Nicole: It's really awesome and you have an amazing and powerful dream too.

Gentaro: I'm glad you think so.

Nico: Also, don't freak out. But we managed to obtain Astroswitches of our own.

Me: It's a really strange story.

We showed them the Astroswitches we have and they were awesome!

Eli: These switches are for the members of the Masters of Evil.

Nico: It's true.

Ryusei: How did you get these?

Nico: We got them from Gentaro's Another Fourze counterpart.

Me: It's true. We have the Zi-O Kamen Rider Ambassador Missions currently in progress and they are so awesome.

Eli: We sure do.

Nicole: Yeah so far we have been having an awesome time with Sougo and team.

Nico: Boy we sure have.

Gentaro: At least thanks to Nico, we don't have to worry about my existence being threatened because of the Another Riders.

Me: That's for sure.

Nico: Absolutely true to that.

Eli: Yep/

One of the Rabbids tried switching an Astroswitch on only for it to do nothing. With a frustrated yell, he banged it on a desk while the other Rabbid was about to eat some chalk.

Gentaro: No! Don't eat that. It's not food!

Nico: Rabbids are not the brightest creatures.

Me: But they are really funny too.

Nicole: Yeah they sure are.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Whenua: (hears explosion) And that… would be trouble.

Nico: Time for us to kick some Zodiart Butt.

Eli: Yeah this is gonna be so awesome!

Gentaro: I wonder which Zodiarts' are facing us again.

Me: We'll find out.

We went to the park and we saw the Virgo, Leo, Serpens and Ursa Major Zodiarts!

Me: The Zodiarts of Virgo tbe Maiden, Leo the Lion, Serpens the Snake and Ursa Major the Great Bear!

Nico: Cool!

Me: This is gonna be awesome.

Nico: Eli, sense if they're people who got turned into those things.

Gentaro: Either way, we know what to do by now!

Gentaro and Ryusei: Henshin!

They transformed!

Gentaro: Space is here! Time to settle this, man-to-man.

Ryusei: Time to decide your fate.

Nico: It's time to kick some butt!

Eli: Virgo and Leo would make awesome M.O.E. Members.

Nico: I agree.

Me: All right then. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Gentaro charged at Virgo.

Nico: By the way, during the 20 Days of Darkness, I never did get to thank you for helping out against Oogie while I was… out of it.

Me: That's right we owe you big time for that. You appeared on the 6th day of the 20 Days of Darkness in Halloween Town.

Gentaro: That's right I remember that! I'm glad I was able to help out.

Me: We owe you and your fellow Kamen Riders big time for that.

Nico: And don't worry. Oogie recently got his just desserts. And Lana made dessert out of him.

Me: Yeah Lana ate him for lunch. She loved eating all his bugs. It was funny. Also we gave Oogie the Black Gates.

Gentaro: Good riddance.

Virgo Zodiart: Yes indeed.

Me: By the way Virgo you are one of my favorites out of all the Zodiarts. Eveb though I am not a Virgo. I was born a Libra.

Virgo Zodiart: I'm honored.

Ryusei: You know we still have to fight you guys, right?

Virgo Zodiart: I know.

We fired waves of elements and energy and blasted the 4 Zodiarts all over.

Me: Lets see how they like this.

I flicked the switches for Evilseed and Saturn and then I formed a saucer of rose thorns and threw it and it smashed into the Ursa Major Zodiart and it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Gentaro: Hey, Nico. Let's both use switches at the same time!

Nico: You got it!

Nico activated Firefly's switch and the Mars Switch and Gentaro activated the Fire Switch.

Nico: YEAH!

The result: Fire came out from us!

Nico: YEAH!

Me: WHEW! HOT!

Gentaro: YEAH!

They fired blasts of fire and they hit the Serpens Zodiart and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Me: 2 down and 2 to go.

Nico: Consider this your initiations!

Virgo Zodiart: And it is awesome.

Me: You would be a great archenemy of our teammate Songbird of the Avengers.

Virgo Zodiart: I would be honored to be her archenemy.

Nicole: Awesome.

Nico: Yeah!

Ryusei: So, do we keep fighting or that it?

Virgo Zodiart: Nah. Me and Leo know when we are beat and we will gladly join the Masters of Evil

Nico: Boy that was easy.

Me: Yeah it sure was.

Eli: But it was so fun.

Whenua: It sure was.

Virgo Zodiart: Yeah and it was amazing how your teamwork was amazing.

Gentaro: Nico, even through the 20 Days of Darkness, I'm glad you didn't forget about how much our friends mean to you.

Nico: I'm glad I didn't either.

Me: That's because Nico has some of the best friends anyone ever has.

Eli: That is for sure.

Nicole: And he has the most awesome team ever that loves him.

Eli: And the most awesome Wife for him too.

Nico: Yep.

Yusei: It's weird how this time, no Another Rider showed up.

Whenua: Either Swartz is on high alert ever since the Church of Necrom intruded on his plans. Or he's got something big in the works.

Nico: Those are very strong possibilities.

Gentaro: The Church of Necrom?

Me: They are a really dangerous malevolent cult that has been terrorizing all of the country with intense savagery and more.

Nico: Ugly story on that.

Yusei: Yeah.

We later came back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone what happened and it was awesome.

May: Wow! That was amazing. And the Virgo and Leo Zodiarts are perfect for the M.O.E.

William: Next time, Devon should go with you.

Whenua: Cool! It'll be awesome to have Devon meet Gentaro.

Later Nico was in thought and then he called Jorgen. Then there was an explosion!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM

Jorgen: (Arnold Schwarzenegger Accent) Hello, Nico. I was just lifting weights. Something on your mind?

Nico: Remember when you showed Timmy a reality where he doesn't exist?

Jorgen: Yes. Why?

Diane: Diane not liking where this is headed.

Nico: I want you to show me a reality where I still do exist but never met J.D. and the others. And I want you to be honest about it.

All of us gasp at this.

Maria: I did NOT see this coming!

Me: Me neither!

Jorgen: Nico, are you sure about this? You might not like what you're going to see.

Nico: Yes I'm sure.

Me: Well he wants to be curious.

Nico: Yeah.

Jorgen took Nico to the world.

Nico: Well, so far, this reality isn't different from ours.

Jorgen: Were you expecting a barren wasteland? Team Loud Phoenix Storm DOES still exist here.

Nico: Wow!

Jorgen: But you are in for a great surprise.

We saw Jorgen's counterpart first.

Nico: Wait. Why are we viewing your counterpart first?

Jorgen: Because I'm the one showing you all this. I eventually retire from my position in Fairy World and have a family with Tooth Fairy. Timmy becomes ruler of Fairy World in my place.

Nico: Wow! Timmy becomes ruler of Fairy World? That is amazing.

Jorgen: It sure is. And yes I would love to have an awesome family with the Tooth Fairy.

Nico: You and the Tooth Fairy are perfect for each other Jorgen.

Jorgen: Thank you.

We agred.

Then it shows the White House in Washington D.C. and I'm in the White House.

Ingrid Giraffe: Wait. Is that J.D. in the President's office?

Me: Me as President of the United States!? Wow that is so cool!

Jorgen: It is. Because he's the most powerful person on the planet, he's offered the position of President of the United States.

Me: That is so cool!

Eli: Wow! Bro you would be awesome as President!

Me: Well I would make a better president than Lex Luthor.

We laughed at that.

A.U. Me: And now that Trump has been dealt we America is on the road to becoming a magnificent country like everyone has dreamed of.

Me: That is something I would do.

We then saw Maria.

Bugly: Is that all of us in front of Maria?

Jorgen: Since Nico never met you guys, Maria is appointed the new leader of the Decepticons. And here, all she had to do was kill the Megatron and Starscream of this universe.

Maria: Wow! That is so cool that I'm the Leader of the Decepticons!

Nico: You definitely have what it takes to be one sis.

Maria: Yeah I sure do.

Carol: That's my best friend and awesome sister for you.

William: Me fighting alongside J.D. against Hydra? Nice!

Jorgen: Since you're still the leader of the Redemption Squad, you also become the second in command of Team Loud Phoenix Storm.

Me: That is awesome! William you would make a really great second in command.

William: Boy yeah I would.

We high five.

Nico: That is really awesome.

Eli: It sure is.

Nico: Me and Myotismon are still good with each other here?

Jorgen: You two eventually made peace with each other after the Digimon Emperor's first demise. He ended up becoming your second Digimon partner. Together, you would put together your own team consisting of Poromon, Poliwag, the Patrangers, the Lupinrangers, Qin, and the Megaforce Rangers. Keiichiro, Kairi Yano, Qin, Emma, and Troy would be your main supporters.

Nico: Whoa!

Me: That is so cool!

Nico: What is my team called?

Jorgen: It's called Team Chan Elemental Alchemy.

Me: Wow that is a cool name!

Brittney: Named after the 4 great elemental creatures of Alchemical Myth. That is really awesome.

Qin: Wow! Nico you and I would do many awesome great things like that.

Emma: Yeah we sure would.

We then saw Nico and Qin getting married.

Qin: (blushes) Me and Nico are married?!

Jorgen: Nico might not have met May in this universe. But here, he still remembers you. You two would finally confess your feelings and tie the knot.

Me: I knew you two were awesome childhood friends but that is so awesome that you two would get married like that.

Laney: That is so awesome and adorable.

Nico: Yeah it sure is.

Me: Yeah.

We then saw the grave of Albert, Rita's dad and the Loud Kids were all crying.

Lincoln: This is Pop Pop's grave!

Jorgen: (sadly) Your Pop Pop passed away in his sleep here at the end of 2019 with all of you by his side. I promise you that he died with a smile.

Me: Oh man. Lincoln, guys I'm sorry.

Lori: (Crying) Oh Pop-Pop.

Nico: Lori it'll be all right.

Me: Remember guys this is not happening in our universe.

Lori: (Feels better) Oh right.

We then saw Alfred's grave.

Batman: I take it this is Alfred's grave?

Jorgen: With J.D. starting the use of the Black Gates in 2019, Joker knew his time would be up. So, having learned your secret identity, he waged one last battle with you. While he still got the Black Gates, Alfred ended up dying as a result.

Me: Whoa man!

Nico: Whoa.

Me: At least I got rid of the Joker. And I was using it on Batman's major enemies? That is amazing.

Lana: Yeah no kidding.

Nico: Yeah many of them deserve the Black Gates.

Me: No kidding. And to be honest I actually knew about the Black Gates long ago. I just forgot I had the power to use them.

Nico: That's all right.

We then saw Gabriel Agreste's grave.

Gabriel: Wait. This grave is mine!

Jorgen: The battle of Paris did play out the same way. But after Emile was revived, Lila tried to get one last revenge shot at Adrien and Marinette… only for you to save your son and take the blow instead.

We gasped!

Nico: Oh man!

X-Squad Lila Rossi: That is awful! I can't believe my Prime Universe self would do something like this!

Laney: No kidding!

Me: But that shows how strong and loving your father is Adrien.

Adrien: Yeah and I love my dad.

Gabriel: I love you too son.

We even saw that Lila Rossi made her own Supervillain Group.

Marinette: And here, she still broke out and is now leading a supervillain group?!

Jorgen: It's called the Sinister 12. Psyphon is considering on making a Masters of Evil exclusive version in the future. Here, the members of Lila's group are Vilgax, Green Goblin, Red Skull, Megatron, Shao Kahn, Xehanort, Gisele Razer, Maleficent, Aggregor, Slade, and Xemnas.

Me: Whoa! That sounds like a really nefarious group!

Nico: I like the name. The Sinister 12. Much better than the Sullen 6.

Laney: Yeah no kidding.

Me: Wow! And it has all of the most hated enemies that we have faced and killed over the last 6 years.

Nico: No kidding!

We saw that Flash was dead too!

Flash: So, even after everything, I still die.

Jorgen: Cadmus isn't involved. But Luthor and Brainiac do fuse again. They get defeated, but at the cost of your life. But rather then turn out like the Justice Lords, the main Justice League members instead disband and leave things to the supporting members and the other heroes.

Nico: Whoa!

Me: That is amazing! So the torch was passed on to all the Justice League members that helped out.

Nico: Wow!

We then saw a green hair guy with May instead of Nico and it was Drew!

Brock: Hey is that Drew?

Jorgen: Yes it is.

Tailgate: So, Drew is May's husband instead of Nico?

Nico: Okay. Hopefully, he's just as good as me.

Jorgen: (growls) The hell he is! He DOES treat his Pokemon nicely. But is neglectful of May.

Me: Whoa! Brock wasn't he a really arrogant Pokemon Trainer that you all met that poked fun of May?

Brock: Yeah he was. He would always make fun of her and get her really angry.

Max (Pokemon): Yeah I hated that guy!

Me: From the looks of things I would not like him too.

Dawn (Pokemon): At least he's not as bad as Paul was.

Me: No I think Paul was 1,000 times worse.

Jorgen: The future I showed you is FAR from bad. But many terrible things happened there that didn't here because of you. Still think you don't deserve a place on Team Loud Phoenix Storm?

Nico: No. Now, I know that me and J.D. meeting was destined to happen!

Notacon: That's the spirit!

Me: That's what we like to hear Nico. But seeing what went on in that Universe was really cool! I'm amazed I became president.

Maria: And I turned into the new Decepticon Leader.

William: And I turned into the Second in Command.

Laney: Yeah that was really cool though.

Nico: It sure was and I'm honestly glad that I'm now with you guys!

Then Abomination, Scorcher, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Multiplex, and Springfield Bullies appeared.

Abomination: Can me, Scorcher, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Multiplex, and Springfield Bullies go with you guys?

Kearney: (to Jorgen) You can tag along as well.

Jorgen: I would like that.

Nico: And yes you all can come with.

Me: But we saw an amazing Alternate Universe where Nico wasn't with the team.

Roman Goodwin: We saw that and it was amazing.

Demyx: And Nico, you and Qin would have been perfect together in that one.

May: They sure would and Nico has known Qin since they were younger.

Eli: That is true.

Scorcher: It sure is. And Lincoln we're sorry about your Pop Pop in that universe.

Lincoln: Me too.

Sunny Tennyson: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do a gene-slammer for Spotlight's kind next.

Spotlight: Wow! One for the Light Skylanders next. That is so awesome.

Me: It will shine amazingly.

Laney: Yes it sure will.

Me: Yeah! So Lillian will probably be going with you because she is the Guardian of Light.

Flurry Heart: Or me because I'm the Princess of Light.

Nico: That's true.

Me: Yep.

Jimbo: (to Jorgen) One last thing. Do the Masters of Evil still exist there?

Jorgen: Yes. Minus Myotismon of course.

Dolph: Better than nothing.

Me: That is awesome.

Eli: At least we hold on to our awesome Frenemies.

Nico: That is true.

Laney: Yeah. Anyway what's our mission?

Me: Well you guys will think this is crazy. The Ministry of Pain is back!

We gasped!

Nico: Those old coots!?

Lana: I thought they were sent to a nursing home!

Me: Well they somehow regained their youth. But in order to understand them more, we got to go to the Mayor of Townsville for more info.

Harley: (to Batman) I'm sorry that my former puddin caused Alfred's death.

Batman: I appreciate that Harley.

Me: Alfred is a good friend Bruce. He helped you out a lot too.

Nico: He sure did. Well lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it's none other than Carmen Sullivan, Damian Alaister's girlfriend and insane fanatical supporter of The Church of Necrom, and she's coming to kill us for revenge for ruining her schemes, and she's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Carmen Sullivan on the move?

Lincoln: That's right, Nico, and she's coming to kill us all for revenge for ruining her schemes, and she's major leagued pissed off that we killed Ancient Ogre and Lady Kale, who she resurrected from the dead.

Scarlet Rosenburg: So, Damian Alaister's insane girlfriend is finally on the move, huh? Perfect, now we've got a chance to make that insane witch pay for her crimes.

Lincoln: You said it, Scarlet.

Lori: After all the trouble Carmen's caused us, along with her demonic boyfriend, Damian, I hope you two piss Damian off big time by subjecting Carmen Sullivan to the same kind of treatment you guys literally gave to Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna.

Lincoln: We will, Lori. But, for Damian Alaister, I've got a lot more planned for him.

Nico: Well, when that day comes, you make sure he's bleeding and crying for mercy like a little baby.

Nicholette Torrington: Oh, we intend to do just that, and a whole lot more for everything he's done in the past.

Bertha Sellington: Yeah, we'll make him pay for everything he and his fucked-up friends have caused everyone in the past six years.

Lincoln: Along with all those they've heartlessly murdered.

Nico: You said it, big guy. Alright, team, let's head on out, we've got a huge crime spree to stop!

We were off.

## TOWNSVILLE SECTOR

We were walking to Townsville City Hall.

Scorcher: If Luthor did this as a contingency plan…

Nico: Scorcher don't even talk about that.

Me: These are criminals from the 1940's and they terrorized all of Townsville while we were all at war back in 1944. The Mayor will tell us everything.

Iguanus: (to Maria) So, most of my buddies had to be hit with a combo for them to join up but all you had to do was defeat Megatron and Starscream?

Maria: Yeah that was really something.

Nico: Boy it sure was.

Scorcher: That is awesome that you were the leader of the Decepticons in that universe.

Maria: Boy it sure was.

Aligned Megatron: And you would make a great leader.

Armada Starscream: Yes I agree there.

Me: Me too.

Dark Laser: I bet my former pal Crocker is still dead.

Jorgen: In that universe, after discovering an alternate power for Fairy World, Crocker was the first to be killed by the Black Gates.

Me: Good riddance.

Nico: Yeah. That we can agree on. Just like what will happen to him soon.

Eli: Yeah no kidding.

Timmy Turner: I've had enough of that insane nutbag to last an eternity.

Lola: Many of us have.

Teen Titans Thunder: (to May) Please bear no I'll feelings against Qin.

May: I would never do that to someone that loves Nico like I do. Me and Qin have grown really close like sisters over the years.

Qin: And I'm really honored that May thinks that about me.

Nico: I'm glad you do Qin.

Me: Same here. But that was so cool that you and Nico got hitched.

Nico: (Blushes) Yeah it was.

Demyx: And Skulker is thinking about joining our version of the Sinister 12.

Me: I have a feeling this will be interesting to see in the future.

Nico: It sure will be awesome.

Laney: But what was shocking was seeing that Lila Rossi killed Gabriel in that universe.

Me: Yeah no kidding! That wretched bitch went too far in that one.

Pam: Here we are at the Mayor's Office!

Me: Yep.

We went in and went to the Mayor's office.

Me: Hello Mr. Mayor.

Mayor of Townsville: Oh hello everyone. I can't get this pickle jar open.

Me: Let me get that.

I opened it for him.

Mayor of Townsville: Thanks. So what can I do for you?

Me: Well we have an urgent situation.

Shade: But first. How've you been?

Mayor of Townsville: Really good guys. Thanks to you all for saving me from myself last year.

Me: Glad we could help.

Mayor of Townsville: Yeah and Nico congratulations on becoming Full Time Leader.

Nico: That was 5 months ago but thank you.

Mayor of Townsville: You're welcome.

Bitstream: And let's not forget that on that day, Trump died.

Mayor of Townsville: Yep. So what's up?

Me: Well it's bad. The Ministry of Pain has returned.

Mayor: (scared) The Ministry of Pain?!

(He runs screaming across the room and falls to his knees at the window.)

Mayor: We're doomed! We're all doomed! No wonder you three gave up like little babies.

Buttercup: (flying into view) Little babies?! We could've taken them out in a snap!

Mayor: Yeah, funny joke there, Buttercup. (despondently) You're doomed! We're all doomed.

Bubbles: (flying into view) Really, Mayor. These guys are easy pickings!

Buttercup: Blossom won't let us fight because-

Mayor: She's smart!

(Close-up of Blossom, looking proud of herself.)

Mayor: (from o.c.) You three are no match for the Ministry of Pain!

(This knocks her out of her reverie. He crosses the office again.)

Me: Mr. Mayor its been over 75 years since they did any crimes and they were past their prime to do anything.

Nico: Yeah.

Mayor: I'm telling you, these guys are evil! They almost took this in 1942. (He stops at a globe.)

Blossom: The world?

Mayor: No! My juice-bar globe!

(He flips open the top half of the globe to reveal a juice dispenser inside.)

Me: That's spiffy.

Mayor: And with them out of retirement, they'll surely try to take it over again.

Blossom: The juice-bar globe?

Mayor: No! The world!

Me: We won't let that happen.

Ssserpent: We'll, somehow, they became young again.

Me: Yeah a Dark Orb might have done that.

Blossom: So what do you suggest we do, Mayor?

Mayor: (crossing past them, rummaging in the closet) Hide! And hope they will return to defeat them once more!

Blossom: Who's "they"?

(Cut to the desk. The Mayor steps into view, carrying an old movie projector.)

Mayor: The only superhero team to have ever bested the Ministry of Pain. (He points the projector at the camera.) Watch.

(The machine starts up, and the screen is filled with the flicker of its lamp. A newsreel begins, with a company logo-a clock face superimposed on a picture of the world-appearing by the title. The announcer reads this off.)

Announcer: Cogswell News Presents… Time Pieces. "We Watch the World."

(The number 1944 fills the screen and is replaced by soldiers, planes, and tanks engaged in combat.)

Announcer: 1944. The world is at war.

(A map appears; an island marked "Evil Isle" is seen off the Pacific coast.)

Announcer: And though our enemies are an ocean away, the presence of evil exists upon our own shores.

(An American flag is seen waving on a pole; turn down from it to a city skyline.)

Announcer: Take one city of Townsville, USA, which is under constant siege- (Wipe to black, with the Ministry's skull in the center.) -by the Ministry of Pain.

(The three villains from the picture appear left to right as they are named they are from the picture Mastermind was looking at before. The Ministry of Pain are younger here with Counterpart being muscular and Cohort being a little taller )

Announcer: Mastermind, Counterpart, and Cohort serve up a constant feast of villainy.

(Cut to the silhouettes of two caped figures standing atop a globe.)

Announcer: Who will stop these nasty no-gooders?

(The light comes up; the taller figure looks similar to Captain America, and a cross between Batman but with a cape and without a shield, and the shorter one wears an outfit similar to that of Batman's sidekick Robin.)

Announcer: Why, Captain Righteous and Lefty, that's who.

(The two heroes light into the Ministry. With Captain Righteous flipping mastermind over his shoulder, Lefty punching cohort who's glasses almost fall off, Captain Righteous punches Mastermind as Lefty tackles Counterpart to the ground.)

Announcer: That's it, boys. Give 'em what for. (Cut to a jail cell, in which the three villains are now imprisoned.) Ho-ho! Looks like the Ministry of Pain won't be getting a taste of freedom for a long, long time.

(Cut to the Captain and Lefty being thanked by citizens.)

Announcer: Thank you, Captain Righteous. Thank you, Lefty- (Turn up to the flag again.) -for putting the "I can" back in "Amer-I-can"!

(The newsreel ends. Back to the Mayor at his desk.)

Me: Wow!

Mayor: Yeah pretty cool huh?

Captain America: Captain Righteous looked so much like me back then.

Robin: And Lefty looked so much like me too.

Me: Very similar and cool. Not only that but that is really amazing seeing what they were like all those years ago.

Nico: It sure is.

Sideways: They can do that. We need to figure out if any Another Rider is gonna attack us again.

Me: Sideways that was 77 years ago. Captain Righteous and Lefty are way past their prime to battle them.

Sideways: Oh right.

Nico: And besides that was then and this is now. We are the only ones that will stop them now.

Eli: Yeah they may have their youth again but we will always be young and powerful.

Roman Goodwin: Sideways does bring up one good point: The fact that any Another Rider might attack us.

Me: I agree. But we'll be ready for them when the time comes. Besides Roman, they have been giving us awesome tools.

Roman Goodwin: They sure have.

Sinestro: All we can do now is go after the Ministry of Pain.

Me: That's right. Now that they are back in their prime we don't have to worry about pulverizing them into dust when they are old.

Nico: Thank goodness for that too.

Me: This is more than gonna make up for it when we met Miranda.

Miranda Mureau: I agree there. This will be awesome.

Laney: Boy I remember that.

Nico: Yeah.

Roquefort: My cheese ninjas will lend a hand.

Nico: Awesome!

Roquefort: And Nico here's some cheese for you.

Roquefort gave Nico some cheese.

Nico: Thanks Roquefort.

Nico ate some cheese.

Nico: Lets get them!

We went to the bank.

Gilda: Entrance time!

We went for the bank and then the Ministry of Pain now 77 years younger than they were before was robbing the bank and then the spirits of the fire of Prehistoric Fury came in and swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted over them and a Phoenix cry was heard and then we came out.

Nico: Ministry of Pain.

Me: Nice to see you guys again.

Mastermind: So the famous Team Loud Phoenix Storm is here.

Me: Yes that's right. You guys look much better this way than when you were before. You got 77 years taken off of you.

Counterpart: Yes we do look good.

Cohort: All the stuff we lost is back with us.

Nico: Feels good to be young.

Multiplex: Then maybe, you won't mind fighting this army!

Multiplex made 310 clones of himself.

Nico: Wait lets not fight in the Bank. It's too cramped. Lets take this to a much more open area.

Mastermind: Good idea.

We went to the park.

Me: Much better.

Nico: Yeah.

Me; By the way Mastermind how did you get young again?

Mastermind: Why this.

He showed that he had a Dark Orb imbedded in his wrist!

We gasped!

Me: I knew it was a dark orb!

Nico: Wow!

Me: Regardless you 3 look so much better this way. Much better than you were before.

Then Wiggum, Chalmers, Kalin, Firebrand, Man Boy, Femme Fetale, Trapster, Kangor, Saix, and Spot appeared.

Nico: Wiggum, Chalmers, Kalin, Firebrand, Man Boy, Femme

Fetale, Trapster, Kangor, Saix, and Spot.

Spot: Awesome to see you guys here.

Chalmers: I agree. And the Ministry of Pain was a group I remember years ago.

Me: I didn't know that Gary. They were a group back when my grandfather was fighting in World War II.

Nico: Yeah but they are really amazing.

Isabella Excelsior: And it's awesome. That's why after we face them I would like to have them as my archenemies.

Wiggum: Boy that can be arranged.

Silvia Excelsior: My little sister is growing up fast.

Nico: She sure is.

Wiggum: You guys heard right. The Sinister 12 will be a subgroup in our team.

Me: Cool! Just like how I was making branch teams for the team myself.

Nico: That is awesome. Who are the members?

Chalmers: Skulker, Yost Electro, Stacey, Emperor Z, Yost Crimson Dynamo, Evil Clayface, Fracture, Psyphon, Kuroto Dan, Heart, Ryubei Sonozaki, and Dogranio Yaboon

Maria: Nice!

Me: Sweet!

Kalin: If you want, starting tomorrow, each member will be an extra battle one day at a time.

Nico: That's not a bad idea.

Me: Yeah.

Firebrand: (to Nico) We heard you went on a scavenger hunt for Squidward.

Nico: We sure did.

Man Boy: Was it fun?

Nico: You bet it was.

Me: We had a lot of fun on that one.

Duplicator then appeared.

Me: Duplicator, back for round 2.

Duplicator: Yep.

Me: Awesome.

Duplicator: I'm glad Officer X is in jail now. Jerk ripped off my lines!

Nico: But he did say them really well and awesome.

Laney: He sure did.

Nico: Yep.

We got the usual battles underway.

---

Homer, Bart, Pinkie Pie, Featherweight, Tech Skylanders, Vakama, Tahu, Notacon and Dash VS Wiggum - Nico's Rescue

---

Chief Wiggum was first.

Wiggum: (to Homer) I hope Nico had fun in the scavenger hunt on his rescue. And he even got new members for us.

Homer: Yeah we sure did and it's awesome!

Bart: It sure is! I think it's amazing.

Pinkie Pie: It sure is! The Sand Witch, Boxing Begonia, King Jellyfish, the Loch Ness Monster, amazing!

Featherweight: Yeah it sure is!

Sprocket: It's so awesome too.

Vakama: You bet it is.

Tahu: I agree too.

Wiggum: Those are awesome recruits. Lets fo it!

They fired waves of donuts, metal, gears, lightning and energy and fire and smashed him down.

## Stella, Princess Celestia, Amber Morning, Light Skylanders, Squirrel Girl, Sandy, Michael Morningstar and Sunny Tennyson VS Chalmers - Squidward's Scavenger Hunt

Chalmers was next.

Chalmers: (to Stella) It might not have been intended. But Squidward's Scavenger Hunt was actually fun.

Winx Club Stella: I agree. It was really awesome too.

Princess Celestia: Everyone had a lot of fun on that one.

Amber Morning: Yeah they did! It was really awesome and the Bikini Badlands was really scorching hot.

Spotlight: Yeah it sure was!

Squirrel Girl: Yeah whew! No kidding!

Sandy Cheeks: It was amazing though.

Chalmers: That is really awesome. Lets do it!

They fired waves of light and nuts and smashed him down.

---

Morpheus, Rarity, Sweetie Belle, Water Skylanders, Silverstream, Gilda, Gabby, Giganta and Harley Quinn VS Kalin - Lincoln's rescue

---

Kalin was next.

Kalin: (to Morpheus) I heard Lincoln went to a Mexican Temple for his rescue. How was it?

Morpheus: It was really fun.

Rarity: Oh indeed it was darlings. It was really amazing.

Sweetie Belle: And it was so awesome to see it too.

Gabby Griffin: Yeah it was great!

Kalin: Wow that is cool. Lets do it!

They fired waves of blue fire, water, jewels, ice and energy and smashed him down.

---

Kevin Reynolds, Sunset Shimmer, Pipsqueak, Fire Skylanders, Captain America, Bugly and Iguanus VS Gary Gilbert A.K.A. Firebrand (Marvel) - Meeting a Number 96: Dark Mist Gene-Slammer

---

Firebrand was next.

Firebrand: (to Kevin) I heard you guys met a Number 96: Dark Mist Gene-Slammer. What's her name?

Kevin Reynolds: Her name is Isabella Excelsior and she is Silvia Excelsior's little sister.

Sunset Shimmer: She is really awesome as a Number 96: Dark Mist.

Pipsqueak: (British Accent) And she told us a horrible revelation about Abraham Simpson.

* * *

Isabella Excelsior: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabella, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Excelsior: That's incredible.

Nico: It sure is. So, Isabella, what's this massive and powerful revelation about Abraham Simpson?

Isabella Excelsior: You're not going to like it, Nico. I was looking into Abraham Simpson's record and his history, and I suddenly found something that's really bad: I found out that miserable old coot's tried to get rid of Mona Simpson when he soon found out she was alive and well by trying to run her over with a car.

We gasped in horror, including Homer, Bart, Lisa, Maggie, Marge, Becky, Moe, Lenny, Carl, Sideshow Bob, Barney, and their friends, and it also made Homer really really mad.

Homer: WHY, THAT ALCOHOLIC, LOUSY, GOOD-FOR NOTHING… !

Me: I can't believe that crazy old coot would do something like this.

Marge: My God.

Bart Simpson: Now, I'm really glad we cut our ties with him after everything he's done.

Lisa Simpson: Now, there's truly no forgiveness for someone whose heart is as dark as the night itself.

Lincoln: My thoughts exactly. This is truly an unforgivable act he almost committed, and now, that's just further proof why we deserves to be in the Saturn Insane Asylum for the rest of his days.

Isabella Excelsior: He's truly nothing more than a miserable, senile old coot, who's been nothing more than a bad father and a bad husband.

Mona Simpson: Now, I'm truly glad that I divorced that miserable old man for what he did in hurting my son.

Isabella Excelsior: He truly is a monster, he doesn't deserve to leave the asylum.

FLASHBACK ENDS

Firebrand: Oh my goodness! That is horrible! Homer's dad is a monster!

Sunburn: Yeah he is an absolute madman.

Captain America: He is pure evil. Now I see why Mona put down "Tell Your Father that he is a Mean S.O.B." On her recipe cards.

Firebrand: No kidding. Lets do it!

They fired waves of fire and energy and smashed him down.

---

Man Boy: That is awesome! They will make amazing recruits.

Tornado Bolt: They sure will.

Stealth Elf: I agree there myself.

Martian Manhunter: I agree too.

Ms. Martian: They sure will be awesome.

Man Boy: I agree too. It would be awesome if we had all the 12 Celestial Zodiarts with us. Lets do it!

They fired waves of leaves, flowers, grass and energy and smashed him down.

---

Alexis, Rainbow Dash, Scootaloo, Air Skylanders, Batman, Batgirl, Robin, Pam and Crimson VS Femme Fatale - Jorgen showing Nico an Alternate World

---

Femme Fatale was next.

Femme Fatale: (to Alexis) It's amazing that Jorgen showed Nico and you guys an Alternate World. What was it like there?

Alexis: We saw a lot of amazing things happen in that world! The team was still around but we had many outcomes happen. Firstly we saw that Timmy Turner was ruler of Fairy World.

Femme Fatale: Wow Timmy Ruling Fairy World!? That is cool!

Alexis: Yep and we saw that Maria was made the leader of the Decepticons. That was awesome.

Femme Fatale: That is cool! And they had to kill Megatron and Starscream still right?

Alexis: Yep. William was made Second in Command of the team too. Nico made his own team called Team Chan Element Alchemy consisting of Poromon, Poliwag, the Patrangers, the Lupinrangers, Qin, and the Megaforce Rangers. Keiichiro, Kairi Yano, Qin, Emma, and Troy are his main supporters. And Myotismon is his second Partner Digimon.

Femme Fatale: Wow! That is amazing!

Alexis: Yeah it is. Nico and Qin also got married.

Femme Fatale: That is awesome! I knew they were awesome childhood friends but that is awesome.

Alexis: Yep. Also J.D. became the President of the United States.

Femme Fatale: Wow! J.D. would definitely make an awesome president. He has the smarts and leadership skills to be one.

Alexis: Yep and sadly the Loud kids grandpa passed on.

Femme Fatale: Oh no.

Alexis: Yeah. Also J.D. used the Black Gates earlier than before and he used it the first time on Denzel Crocker.

Femme Fatale: Wow! That is amazing!

Alexis: Yeah and he also used it on Batman's enemies but also Alfred died.

Femme Fatale: Oh no.

Alexis: Yeah but also the events of what happened in Paris played out still but Gabriel was killed by Lila Rossi.

Femme Fatale: That insane witch!

Alexis: Yeah. And Lila made her own group called The Sinister 12 and they are some of the most evil enemies we killed over the years: Vilgax, Green Goblin, Red Skull, Megatron, Shao Kahn, Xehanort, Gisele Razer, Maleficent, Aggregor, Slade, and Xemnas.

Femme Fatale: Oh my! That is awful!

Alexis: Yeah. Flash died and the Justice League disbanded leaving it in the hands of all the heroes that joined it.

Femme Fatale: Oh my.

Alexis: And we found out that May got married to Drew, he was a Pokemon Trainer she did not like.

Femme Fatale: I think I was told about Drew. He was an arrogant kid.

Rainbow Dash: Yeah he sure was.

Scootaloo: May was not happy with him at all in that world.

Whirlwind: No she wasn't!

Batman: But it was amazing that all that would have happened if Nico didn't meet everyone.

Robin: Nico meeting us was destined to happen.

Batgirl: I agree there. It was awesome.

Femme Fatale: I agree there too. So amazing. Lets do it!

They fired waves of lightning, wind, rainbows and energy and smashed her down.

---

## Rocket Raccoon, Applejack, Apple Bloom, Earth Skylanders, Lightspeed Rescue Rangers Bludgeon and Bitstream VS Trapster - The Ministry of Pain back

---

Trapster was next.

Trapster: (to Rocket) I can't believe the Ministry of Pain are back. And as young people!

Rocket Raccoon: No kidding! They weren't nearly like that when J.D. first met them. They were REALLY old men passed their prime.

Applejack: Yeah they were a big crime trio back 77 years ago.

Apple Bloom: And now thanks to a Dark Orb they have their youth back.

Flashwing: Yeah that was something. Now we don't have to worry about them being old.

Carter Grayson: That is for sure.

Trapster: Yeah no kidding. I've read so much about the Ministry of Pain. They were not to be taken lightly. Lets do it!

They fired waves of apples, rock, earth, crystals and energy and smashed him down.

---

## Randy Cunningham, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Jaune, Nora, Pyrrha, Lie Ren, Cybertron Menasor and Sideways VS Kangor - Ministry of Pain went from Old to Young

---

Kangor was next.

Kangor: (to Randy) (Jamaican Accent) It's amazing that the Ministry of Pain went from Old to Young, mon. Now, they'll have no problem in battle.

Randy Cunningham: No kidding! They have had 77 years taken off of them and it was amazing that they are young now.

Twilight Sparkle: The Ministry of Pain were not a big crime group but they did all kinds of terrible things back in the 1940's.

Starshine Sparkle: Yeah while everyone was fighting our enemies in World War II and the Korean War, they were causing a lot of problems.

Sunny Starscout: No kidding and back then Captain Righteous and Lefty stopped them back then. They looked so much like Captain America and Robin do now.

Spyro: Yeah they sure did and that was back over half a century ago.

Jaune: It was awesome. The Mayor showed us an old Newsreel from back then about the Ministry of Pain.

Nora Valkyrie: It was really awesome.

Pyrrha: I agree there too.

Lie Ren: I think so too.

Kangor: That is something mon. Lets do it!

They fired waves of magic and energy and smashed him down.

---

## Carol, Starlight Glimmer, Cozy Glow, Undead Skylanders, Sakura Haruno, Ino, Hinata, Tenten, Fu, Karin, Sinestro and Power Girl VS Saix - The Ministry of Pain would be perfect for the M.O.E.

---

Saix was next.

Scarlet Rosenburg: I should've known there's no mistaking that insane chalkboard screech from anywhere. You can come out now, Carmen Sullivan.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old female teen with long black hair, pale skin, red eyes, sadistic and insane grin on her face, and dressed in a black long-sleeved dress and black heels. It was Carmen Sullivan, Damian Alaister's girlfriend, a dangerous and insane witch and the Fanatical Supporter of The Church of Necrom and the third of the top five high-ranking members of The Church of Necrom.

Nicholette Torrington: Carmen Sullivan, Damian Alaister's girlfriend and the Fanatical Supporter of The Church of Necrom, I should've known you'd be the second of the five high-ranking members of The Church of Necrom to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, Douglas Moreau, and Nigel Moreau, along with us killing Ancient Ogre and Lady Kale.

Carmen Sullivan: Shut up, bitch! You all have ruined our master's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves! And I will enjoy hearing all of your screams of pain and suffering! (CACKLING INSANELY)

Scarlet Rosenburg: That's not going to happen, Carmen Sullivan, and I'm not surprised to see you're still as insane as ever, and now, your rampage ends here and now.

Suddenly, Scarlet Rosenburg's scarlet red eyes turned neon scarlet red, and she was surrounded by a scarlet red energy aura with darkness, demons, and dark magic, she unholsters her massive Scarr, Scout of Dark World-themed sword from her back, and as she approached Carmen Sullivan, she left scarlet red energy, darkness, demons, and dark magic with every step.

Scarlet Rosenburg: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Carmen Sullivan, you insane witch, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Scarlet Rosenburg was surrounded by a massive vortex of scarlet red energy with darkness, dark magic, and demons surrounding it, there's Scarr, Scout of Dark World flying around the vortex, and inside the vortex is a black phoenix. Then, as the vortex faded, Scarlet Rosenburg emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Scarlet Rosenburg grew from 6'5" to 6'11" in height, she had black highlights in the bangs of her long scarlet red hair, she has scarlet red eyes and a scarlet red energy aura with demons, darkness, and dark magic surrounding her, she has Scarr, Scout of Dark World emblazoned on her forehead, she has on demon earrings with scarlet red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Scarr, Scout of Dark World with scarlet red gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with scarlet red crystal links from her merged Crystal Necklace of the Buddha and scarlet red gems on the gold lightning bolt links. Scarlet Rosenburg has on a sleeveless scarlet red blouse, sleeveless scarlet red top, scarlet red skirt, scarlet red stockings, scarlet red sneakers, and long scarlet red sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Scarr, Scout of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Scarlet Rosenburg's massive scarlet red angel wings grew much bigger for her new body, and the large scarlet red feathers have black tips. Scarlet Rosenburg has on a Ring of The Phoenix with scarlet red gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Scarlet Rosenburg's massive Scarr, Scout of Dark World-themed sword was surrounded by a kaleidoscope of scarlet red energy, darkness, demons, and dark magic, and when it emerged, it was transformed into Scarr, Scout of Dark World's Demon Greatsword of Darkness Scout Justice, it's a brand-new greatsword with Scarr, Scout of Dark World etched on the 7'0" massive, wide, double-edged dark scarlet red blade, large black angel wings for the crossguard, large scarlet red gem embedded in the rainguard, longer black handle, and a large scarlet red gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with scarlet red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Scarr, Scout of Dark World's head with scarlet red gems for eyes and a large scarlet red gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound

Scarlet Rosenburg has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS SCOUT DEMON ANGEL OF DARK JUSTICE AND DARK MAGIC LOVE!

We were amazed by Scarlet Rosenburg's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Carmen Sullivan saw it, she went fucking crazy and fired a blast of darkness to kill her, but Scarlet Rosenburg fired a powerful blast of scarlet red energy with darkness, demons, and dark magic, and it hit Carmen Sullivan and sent that insane witch crashing back first into a wall.

Nicholette Torrington: Holy crap, now Scarlet Rosenburg's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that insane witch, Carmen Sullivan, crashing back first into a wall, and really pissed her off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Scarlet, you look beautiful. How do you feel?

Scarlet Rosenburg: (Divine Echoing Cosmic Voice of the Dark Scout and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Carmen Sullivan her rightful punishment?**

Lincoln: (Smiles) With pleasure, Scarlet.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Scarlet Rosenburg.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Carmen Sullivan.**

Scarlet Rosenburg and Lincoln went after Carmen Sullivan, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, scarlet red energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Carmen Sullivan, and they exploded with incredible power as they hit the insane, and she became even more pissed off big time, as she screeched in anger.

Carmen Sullivan: Shadow Demons, rise from the shadows of night and plunge this world into eternal darkness!

Carmen Sullivan summoned a massive army of Shadow Demons, humanoid black demons with horns on their heads and massive demon wings on their backs, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, and he fired powerful blasts of sunlight at the massive army of Shadow Demons, and they killed the Shadow Demons and they disintegrated into darkness, and this pissed off Carmen Sullivan badly, as she took out a vial of red liquid and he drank it.

Then, they saw her red eyes turn even more red and the pupils into slits and she was covered in darkness, she had horns on her head and massive demon wings sprouted out from her back. Carmen Sullivan turned into a Shadow Demon and she went at Lincoln and Scarlet Rosenburg, but they dodge his attacks, and they fired powerful blasts of energy and destroys the demon wings and horns.

Scarlet Rosenburg: (Divine Echoing Cosmic Voice of the Dark Scout and Dark Divine Love) **Linky, shall we do the honors in putting Carmen Sullivan in her place?**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Ladies first, Scarlet.**

Scarlet Rosenburg: (Divine Echoing Cosmic Voice of the Dark Scout and Dark Divine Love) **Such a gentleman.**

Scarlet Rosenburg and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Carmen Sullivan, who roared in anger and ran at them with murder and insane rage in his eyes.

Scarlet Rosenburg and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Scarlet Rosenburg and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Carmen Sullivan, Lincoln and Scarlet Rosenburg began sucking out and absorbing all of Carmen Sullivan's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Scarlet Rosenburg as her scarlet red energy aura with darkness, demons, and dark magic flared up and she was gaining a really massive power and energy boost to her infinite power and energy. When Scarlet Rosenburg and Lincoln were done, Carmen Sullivan was rendered completely powerless and drained of her powers, and she changed back to normal.

Carmen Sullivan: No, what did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Carmen Sullivan.**

Scarlet Rosenburg: (Divine Echoing Cosmic Voice of the Dark Scout and Dark Divine Love) **And now, you're finished, you insane witch.**

Scarlet Rosenburg opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Carmen Sullivan, the now powerless and insane witch of The Church of Necrom and Damian Alaister's girlfriend, was imprisoned inside of a black tarot card with Scarr, Scout of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Renee Ravenclaw imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, Douglas Moreau, and Nigel Moreau were put into. We cheered wildly for what Scarlet Rosenburg and Lincoln as they holstered their massive greatswords on their backs and powered down, and Scarlet Rosenburg's new body, clothes, weapons, jewelry, and massive scarlet red angel wings are permanent.

Scarlet Rosenburg: Gotcha, you insane bitch! Thank you for helping me take down Carmen Sullivan, Linky.

Lincoln: (Smiles Warmly) You're welcome, Scarlet.

Suddenly, Scarlet Rosenburg wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Scarlet Rosenburg's face, they kissed passionately as Scarlet Rosenburg's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Scarr, Scout of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and two more to go.

Me: That's right, Nico.

Giselle Harrington: Which means the next high-ranking Church of Necrom member to show their face tomorrow is Michael Devlin, the fourth of the five high-ranking members of The Church of Necrom and Damian's second-in-command.

Lincoln: That's right, Giselle, and you and I are going to put a stop to that insane psychopath and make him pay for everything that he's done.

Nico: And as always, we'll be on guard for Michael Devlin's plans and foil them at every turn, and that'll get him so mad, it's bound to send him into a blind rage.

Lincoln: But, as always, we got to watch ourselves now and be even more on guard, since Michael Devlin's yet another of the five high-ranking members of The Church of Necrom we're going to be dealing with.

Me: Yeah, he's not going down without a fight, and he'll also transform into the very demon he's able to summon.

Lincoln: With the help of their potion.

Nicholette Torrington: But, we're going to make sure that insane psycho pays for everything he has done in the past, and in The Church of Necrom's name.

Lincoln: Along with in the name of Damian Alaister.

We went up to the Ministry of Pain.

Mastermind: (Scared) What are you guys gonna do to us?

Femme Fetale: (smirks) I've got an idea!

---

French Narrator: One hour later…

---

All of us, including the Ministry of Pain, were eating ice cream.

Me: (Slurps)

Mastermind: I honestly thought you guys were gonna kill us!

Trapster: Nah! For putting up a good fight, you've earned a treat.

Me: (Slurps) Ahh. You said it.

Kangor: And you'll make good members, mon.

Michelle Torrington: I'm gonna love it here with you guys.

Isabella Excelsior: Same with me. This is gonna be great.

Saix: You won't regret it.

Spot: Did you like reuniting with your sister?

Michelle Torrington: Me and Isabella both liked reuniting with our sisters.

Isabella Excelsior: We sure did.

Laney: It was awesome.

Me: And now we have 2 members of the Church of Necrom left.

Nicholette Torrington: Yep. This is gonna be awesome.

Me: And we're going to make sure they all pay.

Nico: Yep. But great job today everyone. We have had a really awesome day here.

Me: Boy did we ever.

Nico: Yep.

Blossom: (To the viewers) You always have to respect the elderly and always show love to them because they are full of wisdom and experiences.

Nico: That is for sure.

We later went back to the estate and enjoyed the rest of the day before going to sleep.

THE END

---

Another awesome chapter done.

This was a great chapter. The episode of the Powerpuff Girls called Fallen Arches was really cool. And to be honest, Blossom made a really awesome and very wise point in that one. They should respect their elders and that is exactly what she did and we are proud of her for sticking up with that. 77 ywars have passed since the Ministry of Pain did their last crime. Fallen Arches came out on July 28th, 2000 and it was awesome and great. The first part was for the awesome

SpongeBob episode called Scavenger Pants and that was a really funny and awesome one. SpongeBob and Patrick went on an awesome Scavenger Hunt and found awesome stuff. And the Boxing Begonia that beat up Squidward was funny! That episode aired on November 9th, 2017 and it was awesome and funny. The second part was for the game Tekken 3. Never played that game before but it looked really cool. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. For Nico's next rescue, that is gonna be a cool one as Nico, Koji, Spotlight of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily, head to Ponyville to help out with making all sorts of desserts for the dessert festival later on in the chapter. And we'll also inadvertently discover Pinkie Pie's secret party planning cave. Also we're going to meet a gene-slammer for Spotlight's kind named Hikari Yukimura. Hikari is Nico's friend from Japan and she is a master of Light and has an awesome love for science. And she is a great fisherman. For Lincoln's rescue tomorrow, Lincoln and his group, along with Lincoln Casagrande A.K.A. Cult Lincoln are heading out into the city, and Lincoln and his group are going to face and destroy Joseph Seed, who has been resurrected by Michael Devlin of The Church of Necrom. But, for this one, everyone is also heading out as well to confront his men, who've also been resurrected by Michael Devlin. And we're also going to meet twin gene-slammers. They are both sisters. One is for Sun Dragon Intl named Sol Rodriguez and the other for Moon Dragon Quilla is Luna Rodriquez. They both are from Mexico and also are Ronnie Anne's penpals and they have powers over the sun and the moon. They both have intensely powerful revelations to reveal about Mr. Burns and Joe Quimby. The next chapter is gonna be a crazy one as we go up against James's crazy fiancee Jessebelle from Pokemon and she is REALLY GOING TO DO whatever it takes to make sure HE

IS HERS!

See you all tomorrow

# RICH BATTLES AND CRAZY FIANCEES!

Nico: That is so cool!

Lola: Yeah it is.

Nico: You even have your own archenemy as well.

Koji: I sure do. Magma of the 10 Terrors.

Me: That is awesome. After the 20 Days of Darkness we got to facing each member of them and that was awesome. We faced Magma the first time in Camp Kidney.

Nico: And that was after Sampson got a jellyfish on his head and then went on a crazy shenanigans spree.

Lola: It was funny. But man did we get seriously hurt!

Lana: Yeah no kidding!

Me: And Mary got sick from eating all that pudding that Sampson turned Leaky Lake into.

Laney: YUCK! She was bedridden for a while.

Me: No kidding! She was hurling her guts out for days.

Eli: No kidding.

Nico: I have a feeling that it'll be your turn today too.

Koji: And I'm looking forward to it. So awesome.

Me: Me too.

Spotlight: I have a feeling this is gonna be amazing meeting a gene-slammer for my kind.

Me: Yeah it sure will be.

Nico: Skylanders Gene-slammers are awesome.

Lola: I have this feeling they did this to themselves on purpose to combat Team Rocket.

Me: I have that feeling too.

Nico: Pinkie what are you and the Cakes going to make for the Dessert Festival?

Pinkie Pie: You guys will love it! It's the Marzipan Mascarpone Meringue Madness!

Nico: Oh boy!

Me: (Drools) That is one of my favorite cakes made by you and the Cakes Pinkie.

Laney: (Drools) Me too!

Camie: Boy that cake must be really delicious!

Me: Oh it's the best ever Camie. It was so incredibly tantalizing. But as we were on the train to deliver it to the Canterlot National Dessert Competition, Pinkie Pie described it with amazing deliciousness that it was irresistible.

Fluttershy: Oh it was so good.

Rarity: It sure was and we couldn't resist taking a big bite out of it.

Rainbow Dash: Yeah it was really awesome.

Pinkie Pie: Boy was it ever! All that rich creamy goodness of the marzipan, combined with the tart tanginess of the mascarpone, blended perfectly with the smooth, silky sweetness of the meringue. That's why I call the Marzipan Mascarpone Meringue Madness the "MMMM".

Camie: (Drools) Oh boy!

Tsuyu: That sounds like my kind of cake.

We arrived at Sugarcube Corner.

Me: Here we are.

Camie: Wow I always love coming to Sugarcube Corner.

Me: Me too.

Laney: So many awesome treats.

Kaito: Hey, what's this?

Pinkie Pie: (panics) No! Don't touch that!

He pushed a cream button and then we heard clicking and then a trap door opened from under us.

Me: Uh oh.

We screamed as we fell and then we landed in a dark room!

GROANS

Twilight Sparkle: Ugh. Is everypony alright?

Me: (Groans) I'm okay. But someone is crushing me!

Nico: Sorry dude I landed on you.

Me: OW! Nico you are really heavy.

May: But where are we?

Fluttershy: I can't tell if my eyes are open or closed.

Rainbow Dash: I think I can see a little bit.

[crash]

Rainbow Dash: Gah! Nope.

Eli: I think I found a light switch.

[light flickers on]

We saw a secret party cave and it was full of party decorations and everything!

Main cast sans Pinkie: Ooooh…

Me: Whoa! Wow! This is amazing!

Nico: Wow!

Applejack saw a file cabinet and in it was a bunch of files

Applejack: Look at these! Pinkie Pie's made files for everypony in town!

Fluttershy: With exactly what kind of parties we like.

Me: Wow! That is very well organized!

Rainbow Dash: Pinkie Pie has a secret party-planning cave?! How cool is this?!

Nico: Wow no kidding!

Varie: Wow! Pinkie this is so cool!

Fluttershy: [reading] "Twilight Sparkle likes vanilla ice cream, red balloons, dancing…"

Twilight Sparkle: That's right!

Fluttershy: "But she's afraid of quesadillas."

Twilight Sparkle: No, I'm not! They're just so… [shudders] cheesy.

Me: They are filled with other things besides cheese Twilight.

Twilight Sparkle: Oh right.

Pinkie Pie: (sighs) Alright, you got me. This is my secret cave.

Me: Wow! Pinkie this is so cool!

Lincoln: Yeah you plan awesome parties in here.

Me: You really put a lot of awesome and amazing work into all the parties you make for us.

Nico: I agree. Pinkie this is awesome!

Eli: Yeah Pinkie this is amazing.

Laney: It sure is awesome.

Me: You put so much hard work and dedication into your parties and they are some of the best we've ever seen Pinkie.

Lincoln: And that's what makes you, Leni and Cheese Sandwich all awesome at planning them.

Pinkie Pie: Oh thank you guys! I'm so happy that you all think that.

Me: You're welcome Pinkie.

Koji: I think this is where we'll find the Gene Slammer.

Me: And you're right. Look!

We saw a light and out came A Light Dragon!

Spotlight: Wow!

Spotlight 2: (Japanese Accent) I had a feeling you would find me here.

Nico: Hikari Yukimura!? Wow!

Spotlight 2: Awesome to see you again Nico.

Nico: Lets get back up so we can talk.

Me: Okay. But Pinkie your party planning cave is amazing.

Pinkie Pie: Thanks J.D.

Me: You're welcome.

Laney: We had no idea you were so well meticulously organized with your parties.

Rainbow Dash: She might be more organized than you Twilight.

Twilight Sparkle: Lets not get carried away.

Me: Yeah.

We went up and got to the main room and Hikari reverted back and she was a girl with blond hair and yellow clothes and yellow eyes.

Hikari Yukimura: That is awesome though.

Me: I definitely see why you are one of Spotlight's kind now. Your first name Hikari means Light.

Hikari Yukimura: That is correct.

Nico: Maybe you and Batman can compare caves.

We laughed.

Pinkie Pie: Maybe my cave is not nearly that big but yeah.

Nico: Shall we get cooking?

We agreed.

We got to cooking and making awesome desserts and cakes.

Starlight Glimmer made an awesome purple cake with aqua blue frosting on it.

Eli made an awesome bunch of little cupcakes.

Pinkie and the Cakes made the MARZIPAN MASCARPONE MERINGUE MADNESS!

Lana: (Slurps) Oh wow!

Rarity: There's one of our most favorite cakes.

Sirius: Wow that cake looks so delicious.

Me: Yep.

Hikari Yukimura: Making cakes and desserts is always fun.

Me: It sure is.

Koji: What's your favorite memory of Nico?

Hikari Yukimura: I have a lot of favorites but I would say that my favorite is when me and Nico were over in Japan and we caught a really huge shark. We made really amazing shark fin soup.

Nico: That was awesome.

Me: Wow. Awesome. You're quite the fisherman Hikari.

Nico: She's the best ever. Her dad and family work for the Tokyo Fish Market and they catch fish for them all the time.

Laney: That is so cool!

Lola: It sure is.

Nico: I really missed you.

Hikari Yukimura: Me too Nico. I would hug you but I've got frosting on my hands.

Nico: Oh. Okay then.

We got lots and lots of desserts ready and it was awesome!

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Fabia are heading to the city, and not only is Lincoln going to rescue the six girls there, but we got word that Joseph Seed has returned from the dead, and one person's to blame for it: Michael Devlin of The Church of Necrom.

Lincoln also asked Lincoln Casagrande to join us as well, and since Michael Devlin also brought Joseph Seed's men back from the dead, everyone on the team is out in force killing Joseph Seed's men and sending them to The Black Gates, and The Masters of Evil are with us as well.

Lincoln: Whoa, so our rescue's taking place here in the city, and I know what we're going to do here, not only am I going to rescue the six girls there, but we got word that Joseph Seed has returned from the dead, and there's one person's to blame for it: Michael Devlin of The Church of Necrom.

Nico: I knew that Michael Devlin's an insane psychopath, but to resurrect Joseph Seed, that's one line crossed too many times.

Me: You said it, and we also found out that insane psychopath also resurrected Joseph Seed's men as well, that's going too far.

Lincoln: Too bad for both Joseph Seed and Michael Devlin, we were prepared for this event, and while the rest of the team is out killing Joseph Seed's men, we're going to kill Joseph Seed, who's hiding out in an abandoned warehouse. And I want to thank you and Lincoln Casagrande for joining us, Fabia.

Fabia: You're welcome, Lincoln. When J.D. told me about what happened to your cult counterpart, I was really horrified.

Nico: Same with everyone else who hadn't joined the team long ago, Fabia, it was awful.

Lincoln Casagrande: But, this time, we're going to make sure that monster never comes back to torment me and my family ever again.

Lincoln: You said it.

Suddenly, we saw a huge muscular thug heading right for us, and we were about to attack him, but Lincoln Casagrande ran to him and he grabs the thug by his thick muscular neck. Suddenly, we saw Lincoln Casagrande sucking out the thug's massive muscle mass, and when he was done, the thug's now as thin as a rake. But, then, we saw Lincoln Casagrande's eyes turn neon orange and he was surrounded by an orange energy aura with angels, light, and crosses. Then, we saw him grow to 7'5" in height and his neck thickened as his upper and lower body muscles suddenly started to grow and it caused his shirt to explode and we saw that he now had abnormally massive and powerful upper and lower body muscles and eight-pack abs. We saw that he now has a lion emblazoned on his forehead, he has lion head stud earrings with orange gems for eyes and the Light and Eternity Kanjis on its heads and his Crystal Necklace of The Buddha with orange crystal links and a lion head with the Light and Eternity Kanjis on its head for the pendant on his bare chest. He has on a pair of large dark blue jeans with gold crosses on the legs, white loincloth around his waist, and a pair of large ankle-high silver combat boots, and he has a lion with angels surrounding it tattooed on his now wider and more muscular back, he has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on his right ring finger and unlike his prime counterpart who has on a Blue Lantern Ring, he has on a White Lantern Ring on his left ring finger.

Then, he felt a sharp pain on his now wider and more muscular back, and then, massive white angel wings with orange and purple tips, sprouted out from his now wider and more muscular back, and he now has a new greatsword in his large right hand called Archangel's Avenger Greatsword of Heavenly Justice, it's a brand-new greatsword with an ornate golden cross etched on the 7'0" massive, wide, double-edged silver blade, large gold lion heads for the crossguard, large orange gem embedded in the rainguard, a longer black handle, four large gold lion heads with purple gems for eyes and orange gems inside its mouths and a large orange gem on the bottom of the gold lion heads for the pommel. He has on his brand-new large gold cuff Bracelets of The Champions of The Universe with orange gems on his wrists, large gold Belt of Elemental Bravery with large gold lion head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and his Eater of Sins revolver holstered on his left hip. There's an orange kanji below the lion that said, "Lincoln Casagrande A.K.A. Cult Lincoln, Former Member of The Cult Loud Family Now Member of The Casagrande-Santiago Family, Destroyer of Joseph Seed and The Eden's Gate Cult, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, True Angel and Hero, Warrior of Heaven, Former Member of Eden's Gate, Defender of Innocent Lives, and Master of Heavenly Light and Lions"

リンカーンカサグランデA.K.A.カルト・リンカーン、カルト・ラウド・ファミリーの元メンバー、カサグランデ・サンティアゴ家のメンバー、ジョセフ・シードの駆逐艦、エデンの門のカルト、邪悪な、殺人、冷酷、そしてサディスティックなろくでなし、驚くほど強力な学生の驚くべき強力な学生であり、強力な教師、真の天使と英雄、天国の戦士、エデンの門の元メンバー、罪のない生活の擁護者、天国の光とライオンのマスター

Lincoln Casagrande has transformed into SUPER ANGEL ETERNITY INFINITY HEAVENLY CELESTIAL LION ANGEL OF HEAVENLY JUSTICE AND CELESTIAL LIFE!

Me: Whoa, awesome!

Nico: Nice.

Lincoln Casagrande: (Divine Echoing Cosmic Voice of The Heavenly Lion and Divine Justice) Whoa, now I feel incredible, awesome.

Lincoln: Joseph Seed's in big trouble when he sees you now, Lincoln Casagrande.

Ronnie Anne: Big time.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Joseph Seed, and he's going to kill them. Lincoln also saw Joseph Seed had the symbol of The Church of Necrom on his forehead, that's proof The Church of Necrom brought him back from the dead, and he also had an army of Nightmare Demons with him.

Lincoln: Guys, I found the six girls, but they've been cornered by Joseph Seed, and he's going to kill them. I also saw Joseph Seed had the symbol of The Church of Necrom on his forehead, that's proof The Church of Necrom brought him back from the dead, and he has an army of Nightmare Demons with him.

Giselle Harrington: I should've known that The Church of Necrom were the ones who brought that evil cult leader back from the dead, and that army of Nightmare Demons with him, there's only one psychopath in The Church of Necrom who's able to summon Nightmare Demons: Michael Devlin.

Lincoln: I knew that insane psychopath had a hand in this.

?: (Spanish Accent) Let's get that evil cult leader!

?: (Spanish Accent) And make him pay for everything he's done!

Suddenly, we saw the Duel Monsters, Sun Dragon Intl and Moon Dragon Quilla, appear before us.

Nico: Whoa, that's Sun Dragon Intl and Moon Dragon Quilla, awesome.

Lincoln: And I'd recognize those Spanish accents from anywhere, I knew it was you, Sol Rodriguez and Luna Rodriguez.

Ronnie Anne: Awesome, Sol and Luna are here, but we'll have to talk later, we've got a cult leader to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Joseph Seed, and Lincoln's massive deep sapphire blue angel wings with stars turned midnight blue, and fired powerful blasts of moonlight from his massive angel wings and destroyed Michael Devlin's army of Nightmare Demons, and it allowed the six girls to get away. When Joseph Seed saw us, he was enraged, and even more so when he saw Lincoln Casagrande.

Joseph Seed: How dare you show your face here, Isaac! You have betrayed us!

Lincoln Casagrande: (Divine Echoing Cosmic Voice of The Heavenly Lion and Divine Justice) No, it was because of you that you led me down a path of evil, but it was thanks to everyone years ago, they'd brought me back from the darkness, and I now have a new family. You deserved to die for what you and your twisted cult have done long ago.

Lincoln: And now, we're going to make sure you stay dead once and for all, Joseph Seed.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Fabia, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Joseph Seed, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln and Lincoln Casagrande sliced off Joseph Seed's arms and legs, and then, they sliced off Joseph Seed's head, and as soon as his spirit appeared, Lincoln Casagrande banished him to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Lincoln Casagrande's new body, clothes, weapons, jewelry, and massive white angel wings are permanent.

Lincoln: And that's it for you once and for all, Joseph Seed. (To Sol and Luna Rodriguez) And it's so good to see you both again, Sol and Luna Rodriguez.

Sol Rodriguez reverted back to normal, and she's a beautiful 17-year-old girl with long flowing sunlight yellow hair, sunlight yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the Sun tattooed on her forehead, she has massive sunlight yellow angel wings, and she reigned in the power of Sun Dragon Intl, and she's dressed in a short-sleeved sunlight yellow blouse, sleeveless yellow dress top, long sunlight yellow skirt with black lace designs, sunlight yellow sneakers, and long sunlight yellow sleeveless trenchcoat with suns and dragons on the coattails, and Sun Dragon Intl on the back, and holstered on her back is a large Sun Dragon Intl-themed greatsword with Sun Dragon Intl etched on the 7'0" massive, wide, double-edged sunlight yellow blade, large sunlight yellow dragon heads for the crossguard, large sunlight yellow gem embedded in the rainguard, longer black handle, and four large sunlight yellow dragon heads with sunlight yellow gems for eyes and in their mouths and on the bottom of the four large sunlight yellow dragon heads is a large sunlight yellow gem for the pommel.

Sol Rodriguez: (Spanish Accent) You too, Lincoln, it's been a long time.

Luna Rodriguez: (Spanish Accent) And it's also good to see you too, Ronnie Anne.

Ronnie Anne: You too, Sol and Luna.

Lincoln went up to Sol and Luna Rodriguez and they hugged, and Sol and Luna Rodriguez were also surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you two when you were twelve, and as you can see, I really grew a lot since then.

Sol Rodriguez: (Spanish Accent) Ay, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Luna Rodriguez: (Spanish Accent) You sure have, you can crush a watermelon with those abnormally massive and powerful muscles and land a plane on that now wider and more muscular back.

Nico: Wow, Lincoln, you and Ronnie Anne know them?

Lincoln: Indeed we do, Nico, the Sun Dragon Intl is Sol Rodriguez and the Moon Dragon Quilla is Luna Rodriguez, Sol's sister, they're my Guardian Angels from Mexico.

Ronnie Anne: And they're also my pen pals who I've written to many times. They've not only helped out and defended Lincoln, they've helped me out a lot of times, especially against that Unibrow Brat, Becky.

Lincoln: And they've battled Lori at her worst and even saved me from many incidents of her wrath.

Nico: Whoa, so they've not only defended and saved you from many incidents of Lori's wrath, whom they've battled when she's at her worst, but they've also helped Ronnie Anne many times, especially against that Unibrow Brat, Becky, awesome.

Sol Rodriguez: (Spanish Accent) And we've got some intensely powerful revelations about Mr. Burns and Joe Quimby.

Lincoln: As if those two weren't as bad enough, I've got a feeling it's going to be really bad.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Sol Rodriguez's neck with sunlight yellow gems on the gold thunderbolt links and sunlight yellow crystal links from her brand-new Crystal Necklaces of the Buddha which merged with her Thunderbird Necklace of Eternal Love, and a Thunderbird Necklace of Eternal Love appeared around Luna Rodriguez's neck with midnight blue gems on the gold thunderbolt links and midnight blue crystal links from her brand-new Crystal Necklaces of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sol and Luna Rodriguez: (Spanish Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sol and Luna.

Sol and Luna Rodriguez had smiles on their faces and tears in their eyes, as Lincoln made a clone of himself and his wrapped his abnormally massive and powerful muscular arms around Sol's waist and his clone wrapped his abnormally massive and powerful muscular arms around Luna's waist, and the girls wrapped her arms around the thick muscular necks of Lincoln and his clone, and they leaned down to Sol and Luna's faces and kissed them on the lips, and they also returned it, and we cheered for them.

Sol and Luna Rodriguez: (Spanish Accent) Que guapo!

Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Caitlin Cooke, Jennifer Ann Masterson, and Nicole "Nikki" Wong from 6teen, Lauren "Lo" Ridgemount, Emma, and Fin McCloud from Stoked.

Lincoln: Oh wow, it's Caitlin Cook, Jen Masterson, and Nikki Wong from 6teen, Lo Ridgemont, Emma, and Fin McCloud from Stoked.

Nico: Awesome.

Lincoln: Are you girls okay?

Nikki Wong: Yeah, we're okay, thanks to you.

Then, when Caitlin Cook and the other five girls saw who it was that saved them from Joseph Seed and Michael Devlin's army of Nightmare Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of

Caitlin Cooke: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Caitlin Cooke: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Caitlin Cooke, Jennifer Ann Masterson, Nicole "Nikki" Wong, Lauren "Lo" Ridgemount, Emma, and Fin McCloud with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS

World Tree Estate, and now, we were finally rid of Joseph Seed and his Eden's Gate Cult for good. Lincoln, Ronnie Anne, Sol and Luna Rodriguez have a lot of catching up to do now that they're back in town, and later after the mission today, Giselle Harrington and Lincoln are going to deal with Michael Devlin, and they're going to make that insane psychopath pay for his crimes.

Jen Masterson: I can't believe that psychopath dragged us here to get us killed by Joseph Seed, he's going to regret this.

Nikki Wong: He and his lowlife leader, Damian Alaister.

Lincoln: Don't worry, Nikki, Michael Devlin's going to pay for this later on today.

Ronnie Anne: Yeah, and once he's been dealt with, the last one left to capture is Damian Alaister.

Nicholette Torrington: And he'll be even more dangerous than the other members of The Church of Necrom, since we've been constantly foiling their schemes for the last sixteen days, and have driven them all to the brink of madness.

Lincoln: That's right, so we've really got to be on guard for Damian Alaister when that day comes. But, first we've got to deal with Michael Devlin, and he's not done with trying to kill us just yet.

Nico: You got that right.

---

After getting rid of Joseph Seed and his men, along with destroying Michael Devlin's army of Nightmare Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sol and Luna Rodriguez saw Lincoln working out like crazy, they had an atomic red blush on their face.

Sol Rodriguez: (Spanish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Luna Rodriguez: (Spanish Accent) That's really amazing.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sol and Luna, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Luna Rodriguez: (Spanish Accent) That's incredible.

Nico: It sure is. So, Sol, Luna, what are these intensely powerful revelations about Mr. Burns and Joe Quimby?

Sol Rodriguez: (Spanish Accent) You won't like it. I found out that Mr. Burns is even lower than you all first thought and from what you heard from the others: I found out that Mr. Burns had his men murder a group of FBI agents that were sent to arrest him for his crimes, and he went into hiding as soon as word of their murders reached the local FBI office. I swore that if that vulture showed his face again, I would incinerate him into ashes.

Luna Rodriguez: (Spanish Accent) And I found out that Joe Quimby is also even lower than you all first thought and from what you heard from the others: I found out that Joe Quimby had hired a bunch of hitmen to kill the President of the United States, since his extortion of The US Government and kidnapping of the President's daughter were both ruined. But, I killed them by firing a blast of moonlight at them, and I swore if he ever came back, he'd die a painful death.

We gasped at the intensely powerful revelations about Mr. Burns and Joe Quimby.

Me: Whoa, now those are very powerful.

Lincoln: The president's already given us the kill-on-sight in case we see Mr. Burns, and the same also goes with Crocker.

Nico: And the same thing will also go for Quimby, if he dares to return from the dead again. But, just in case, I'd better call the President.

Nico called the President, and when he told them of what Luna Rodriguez told us about Quimby, he'd given us the order to kill Quimby, should he dare to return from the dead.

Nico: It's already done, I've called the President, and he gave us the kill-on-sight order on Quimby, should he dare come back from the dead.

Eli: Nice one.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villains who triggered the alarm were Double from Mega Man X and Hatchiyak, a machine that was created by the Tuffle scientist Dr. Lychee to eradicate the Saiyans.

Nico: (Gasps) That's Hatchiyak, the machine that was created by the Tuffle scientist, Dr. Lychee to eradicate the Saiyans!

Mega Man X: Along with Double.

King Vegeta: I thought that Hatchiyak was destroyed long ago.

Nico: Along with Double. (Suddenly realizes) Oh boy!

Lincoln saw they had the mark of The Church of Necrom on their foreheads, which means Michael Devlin's brought them back from the dead.

Lincoln: They were, but it looks they've been brought back from the dead. Looks like Michael Devlin just doesn't even know when to take a hint.

Vegeta: Damian's right-hand man has gone too far bringing back Hatchiyak and Double. We've got to get rid of them, and send them to The Black Gates.

Lincoln: That's exactly what I was about to say, Master Vegeta, and someone's going to flip the bird at Michael Devlin for what he just did. Let's go, gang, we've got two evil machines to destroy.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Double and Hatchiyak. When they saw us land, they were enraged, and it got worse for Hatchiyak when it saw all of the Saiyans with us.

Hatchiyak: (Robotic Voice) I shall destroy all Saiyans and avenge Dr. Lychee's death!

Double: And none of you will ever leave here alive.

Lincoln: That's never going to happen, you two. This time, the both of you will die a brutal death, and it'll send a message to the one who brought you back from the dead.

Kale: And we've had enough of you both to last an eternity.

Caulifla: I hope you're both ready to die.

Suddenly, Kale and Caulifla were surrounded by yellow energy auras with phoenixes, great apes, fire, and ice, they unholstered their massive swords from their backs, and as they approach Double and Hatchiyak, they left phoenixes, great apes, fire, and ice with every step. Suddenly, Kale and Caulifla were surrounded by massive vortexes of yellow energy with fire and ice surrounding them, there's a phoenix flying and Great Ape running around the vortexes, and in the vortexes are a blue and pink phoenix. Then, as the vortexes, Kale and Caulifla emerged, but they were changed forever.

Caulifla has transformed into SUPER SAIYAN-ANGEL ETERNITY INFINITY ARCTIC FIRESTORM SAIYAN PHOENIX ANGEL OF INFERNO JUSTICE AND DIVINE LOVE!

We were amazed by the transformation of Kale and Caulifla, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes. But, when Double and Hatchiyak saw it, they fell into a black rage and fired blast of energy to kill them, but Kale and Caulifla dodged it, and she fired a powerful blast of blue energy with phoenixes, fire, ice, and Great apes, and it hits the machines and sent them flying and crashing back first into a nearby tree.

Nico: Whoa, Kale and Caulifla have transformed into their Super Saiyan-Angel Eternity Infinity forms, just like me, awesome.

Me: This is going to be one awesome battle.

Lincoln: Wow, Kale, Caulifla, you both look beautiful. How do you feel?

Kale: (Divine Echoing Cosmic Voice of The Arctic Phoenix Saiyan and Divine Love) **We feel incredible, Linky.**

Caulifla: (Divine Echoing Cosmic Voice of The Inferno Phoenix Saiyan and Divine Love) **Now, shall we destroy Double and Hatchiyak for good, and flip Michael Devlin the bird for what he did?**

Lincoln: (Smiles) With pleasure, ladies.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Kale and Caulifla.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You two are heading for the scrap heap, but let's take this to a different planet.**

Lincoln took the battle to Planet Glaren, and then, Kale, Caulifla, and Lincoln went after Hatchiyak and Double, who fired energy blasts at them, but they dodged them, and they fired powerful blasts of rainbow energy, pink energy, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Alicorns at Lady Kale, and they exploded with incredible power as they hit him.

Then, Lincoln flipped the switches on his device for Pyro and Mercury.

Lincoln: **FIRESTORM WOLF MASSACRE!**

Lincoln fired a powerful blast of fire, which transformed into a massive pack of wolves, and they went at Hatchiyak and Double, and mauled them badly. Then, Lincoln, Kale, and Caulifla attacked the evil machines with their massive greatswords, and left painful scars on them, and they stabbed Hatchiyak with their massive greatswords, and they began sucking out and absorbing all of the hate he had in him, and their auras flared up extremely as they gained an extremely massive power and energy boost, and the righteous fury of Lincoln's infinite power caused the kanjis that were etched onto the stomachs of The Church of Necrom to glow, and they screamed in excruciating pain. Then, they sent the two robots flying, and they fired three powerful black energy blasts at Double and Hatchiyak, and they were sent to The Black Gates and we also got Double's weapons and assimilated Hatchiyak and Double's powers, and we came back home. We cheered wildly for what Lincoln, Kale, and Caulifla did to Hatchiyak and Double as they holster their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive black angel wings of Kale and Caulifla are permanent.

Caulifla: That'll teach those two evil machines. Thanks for helping me and Kale get rid of Double and Hatchiyak, Linky.

Kale: She's right, you did an amazing job in helping us get rid of those evil machines, Linky, and you showed them no mercy as always.

Lincoln: (Smiles Warmly) You're welcome, Caulifla and Kale.

Suddenly, Lincoln made a clone of himself, and he wrapped his abnormally massive and powerful muscular arms around Caulifla's waist and his clone wrapped his abnormally massive and powerful muscular arms around Kale's waist, which took them by surprise, and Caulifla and Kale wrap their arms around the thick muscular necks of Lincoln and his clone and their chests were pressed against the massive and wide muscular pecs of Lincoln and his clone, which brought an atomic red blush to their faces. Then, as Lincoln and his clone both lean down to Caulifla and Kale's faces, they kissed passionately as Caulifla and Kale then placed her right hands on the massive and wide muscular right pecs of Lincoln and his clone, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw two Great Apes flying an energy blast from their mouths into the air and the blasts exploded in a colorful firework display, a herd of Buffalo running across the field, along with elemental forces, and we cheered for them.

Caulifla: Now, we're rid of both Double and Hatchiyak for good, and Michael Devlin, if you're watching this from the shadows. (FLIPS THE FINGER)

We went back home to The World Tree Estate, and back in their demonic castle, Michael Devlin saw what Caulifla, Kale, and Lincoln did and foiled his latest scheme again, and when he saw that Caulifla flipped him the finger, it pissed him off so badly, his red eyes turned blood red with insane rage and he roared in purely insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that insane witch screamed in insane rage.

Lincoln: (Smirks) Serves you right, Michael Devlin.

Giselle Harrington: (Smirks) But, don't worry, you'll get your just desserts later today, you insane psychopath.

Nico: He sure will, and Lincoln, Caulifla, and Kale, you guys did an amazing job getting rid of Double and Hatchiyak.

Lincoln: Thanks, Nico, and now, Michael Devlin will soon be on the move wanting revenge.

Goku: What Michael Devlin did just proves what kind of an insane psychopath he truly is, and you and Giselle will definitely show him no mercy, right, Lincoln?

Lincoln: You got that right, Master Goku.

Later it was time for the final mission of Maxxine's Ambassador Missions.

Me: I have a feeling this is gonna be an awesome Ambassador Mission to close out your missions Maxxine.

Maxxine: This is gonna be so awesome.

William: Anyone else want to go with Maxxine? Besides 1 Rabbid and Marty?

Kaito: Me and my team will go.

Me: Awesome!

Trixie Lulamoon: And I will go too because The Great and Powerful Trixie will be having a lot of fun on this one too.

Laney: Cool!

May: And may I go as well?

Nico: Sure May.

Me: Awesome.

Sol Rodriguez: We'll all go too.

Luna Rodriguez: It'll be awesome to meet Sougo and team.

Nico: All right then lets head out!

We were off to Japan!

We arrived.

Sougo: Hey guys!

Maxxine: Sougo, these are the Zenkaigers.

Kaito: Awesome to meet you.

Zocks: We heard so much about you.

Magine: Yeah it's awesome that you have 20 years of Kamen Riders with you.

Me: Zi-O is a really awesome one too.

Trixie Lulamoon: And it's an honor to meet you. I'm Trixie Lulamoon but I like to be called The Great and Powerful Trixie!

Me: Trixie is a magician and she knows a lot about magic.

Sougo: Awesome!

May: Awesome to meet you guys. My name is May and I'm Nico's awesome wife.

Sougo: Awesome to meet you!

Me: Oh and these are all of Lincoln's Guardian Angels.

They saw the number of girls Lincoln knows.

Sougo: WHOA! That is a lot of girls you know Lincoln?

Lincoln: We've been friends for a long time Sougo.

Me: Lincoln knows a lot of them and they are all Gene-Slammers too.

Sol Rodriguez: It's so awesome to meet you.

Luna Rodgriguez: Same here.

Then Tsukasa and Daiki came.

Me: Tsukasa, Daiki!

Tsukasa: Hey guys!

Me: Sorry Roxy isn't here to help you out.

Tsukasa: No worries.

Nico: Tsukasa? What are you and Daiki doing here?

Tsukasa: We helped Sougo and the others out before, remember?

Nico: Right! I remember.

Eli: Yeah me too!

Me: That was so awesome though.

Sougo: Tsukasa!

Tsukasa: Been a while Sougo!

They high five.

Sougo: Maxxine, what's your favorite part of your transformations into Queen Nail?

Geiz: And what do you like the most when you're Queen Nail?

Maxxine: I like the part where I sprout my tail. Also I like doing all sorts of stuff but I don't know what Specifically.

Nico: But we'll figure something out.

Me: Yeah. Also Twilight and friends all have a request they would like to make for you.

Twilight Sparkle: We would like to become Zi-O Kamen Riders.

Sougo: Cool! I believe we can work something out.

Daiki: The battles for this mission might be the toughest ones yet. Fortunately, I brought some backup.

Daiki showed us Kamen Rider cards of Evol, Wiseman, and Aqua.

Nico: That's Evolto's Kamen Rider form.

Daiki: J.D. might have gotten rid of it. But we can still use it on our side.

Me: Nice! And yes there's no reason why we can't use those powers for good.

Lola: Yeah that's gonna be awesome!

Me: Yeah. Any AnotherRider's causing problems?

Sougo: Well we got confirmed sightings of 6 of them.

Me: Which ones?

Sougo: W, Wizard, Saber, OOO, Den-O and Drive.

Me: Whoa! This is gonna be big.

We arrived and faced them!

Nico: Okay! Who the fuck are you?!

Another W: Don't tell us that you've already forgotten about your old pals!

Another W then detransformed into 2 people. 2 familiar people.

It was DENZEL CROCKER AND MR. BURNS!?

Nico: Crocker AND Burns?!

Me: I knew we would one day face you two again!

Crocker: HA! I WILL TIE YOU TO A FUCKING ROCK AT LOW TIDE AND WATCH THE CRABS EAT YOU! YOU MAKE ME SO CRAZY!

Me: Too late for that you fuckwad. You are nothing more than a sad and pathetic excuse of a monster.

Nico: Yeah!

Crocker then got so mad that it made his turn red and he was EXPLOSIVELY MAD!

Crocker: (ENRAGED SCREAMING) GAAAAHH! I HATE YOU MORE THAN LIFE ITSELF! YOU MAKE ME SICK JUST LOOKING AT YOU! I HATE YOU MORE THAN ALL OF LIFE ITSELF! (My rainbow fire aura flared up with incredible power) I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU! HAATTTEE HAAATTTEEE! HAAAATTTEEE! HAAAAAAATTTTTEEEEE! HAAAAAATTTTTTTTEEEEEEE! HHHHAAAAAAAAAAAATTTTTTTTTEEEEEEE! HHHHHAAAAAAAAAAATTTTTTTTTEEEEEEEEEEE! IIIIIIIII HHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAAAAAAAAAAAATTTTTT
YYYYYYYOOOOOOOOOOOOOOOOOOUUUUU!

Crocker's hatred was so incredibly powerful that it defied all description and our auras flared up with incredible intensity and it was so powerful and so strong that it was Infinitely more powerful than anything.

Me: Thanks for the power boost Crockerfucker!

Lisa Elmar Burns went up to her dad.

Lisa Elmar Burns: Hello "Dad."

Mr. Burns: So I have a daughter.

Me: (sighs) I know I'm the last person that you two want to hear from right now. And I…

Burns makes a fart noise.

Me: I can't apologize enough for…

Crocker makes a fart noise as well while laughing.

Nico: (gets annoyed) I know that you two are mad, but from the bottom of my heart…

Burns makes fart noises again.

Nico: I really am sorry, I'm just trying to…

Crocker and Burns kept making fart noises.

Tsukasa: (telepathically to me) Don't blow off any limbs until we're all transformed.

Me: (Telepathically to Tsukasa) I know.

Burns: (smugly) I'm sorry. What were you gonna say?

Me: I was saying…

Burns and Crocker kept making fart noises but Geiz had enough.

Geiz: HEY! J.D.'S JUST TRYING TO APOLOGIZE!

Burns: AND WE JUST WANT J.D. TO GO TO HELL! (to me) You ruin our lives and our plans and you think "I'm sorry" is gonna cut it?!

Crocker: (laughs) Cut it! (makes fart noise)

Burns: That's enough, Crocker! We're off it now!

Tsukuyomi: Considering the kind of people you two are, you both have no right to reprimand J.D.

Me: And another thing, that apology? I never meant ANY of it!

I punched Crocker in the face and smashed him down.

Me: Here's what I think.

I farted in their faces and burned them with intense fire.

Laney: YEAH!

Me: We've had enough of you douchebags to last 1,000,000 eternities!

Nico: That is for sure!

Me: And who are the others?

They detransformed and we saw that AnotherOOO was Gregory Goyle!

Me: Gregory Goyle, Another one of Malfoy's failed flunkies!

Eli: I was expecting him to be with Malfoy!

AnotherSaber was actually Akahoshi, from the Hidden Star!

Lincoln: Akahoshi!

And AnotherWizard was actually my old enemy Jack Kindell!

Me: And Jack Kindell! I thought you were dead!

Jack Kindell: You remember me J.D. I'm Flattered.

Nico: You know him J.D.?

Me: Unfortunately yes. Jack was a biological weapons engineer that was working for a terrorist organization that I destroyed years ago. I destroyed his entire operation as he was making a dangerous supervirus that was going to destroy everything.

Heure appeared.

Sougo: Do you have any idea what you've done, Heure?!

Heure: (sighs) Don't look at me. This was Swartz's idea.

Nico: Goyle, why are you doing this?!

Goyle: (ashamed) (British Accent) I'm sorry. I wanted to turn myself in. But Burns and Crocker forced that Another Ridewatch into my body.

Me: You sons of fucking bitches!

Nico: Yeah! Lets get them!

Me: I'll face Crockerfucker and Burns!

Akahoshi simply turned into Another Saber with a bright light. Jack Kindell was surrounded by flames before becoming Another Wizard. Another OOO's suit spreads out from Goyle's silhouette before he became the Another Rider. Finally, a whirlwind surrounded Crocker and Burns before they became Another W again.

Another W: Now, count up your sins against us!

Me: Actually it's the other way around! You should count up your sins on yourselves! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Maxxine and Sougo: Henshin!

They transformed!

Sougo gave Twilight Sparkle and friends their own belts and their own Rider Watches!

Rainbow Dash: AWESOME!

Nico: Go for it girls!

They put them on.

Twilight and Friends: HENSHIN!

They transformed! Twilight was a purple Zi-O Kamen Rider for Magic, Sunset was red for Fire, Fluttershy was green for Life, Rainbow Dash was light blue for Air, Applejack was brown for Earth, Pinkie Pie was gold for Tech, Starlight Glimmer was grey for Undead, Rarity was blue for Water, Princess Celestia was yellow for Light and Princess Luna was Black for Dark and Trixie was neon blue for all the elements.

Woz: Rejoice! We have now bare witness to the mighty and amazing powers of the elemental force princesses becoming great knights of the king. What be their form names?

Twilight Sparkle: Kamen Rider Magic!

Sunset Shimmer: Kamen Rider Fire!

Fluttershy: Kamen Rider Life!

Rarity: Kamen Rider Water!

Applejack: Kamen Rider Earth!

Pinkie Pie: Kamen Rider Tech!

Starlight Glimmer: Kamen Rider Undead!

Princess Celestia: Kamen Rider Light!

Princess Luna: Kamen Rider Dark!

Trixie Lulamoon: Kamen Rider Harmony!

Me: AWESOME!

Nico: Wow!

Lincoln: Way to go girls!

Rainbow Dash: This is awesome!

Geiz: Hey, J.D.. See if you find this familiar.

Armor Time! (Techno-Rock music) Progrise! Zero-One!

Geiz now donned the ZeroOne Armor.

Me: ROCK ON GEIZ! YEAH!

Tsukasa: (gets out Zi O card) Let's see if you guys can see.. double. (to Lincoln) Sorry, Lincoln. I know puns are Luans thing.

Lincoln: No worries.

Kamen Rider: Zi-O

Tsukasa turned into a copy of Sougo's rider form. Meanwhile, Daiki got out the three Rider cards he mentioned earlier along with a card with the face of a certain friend of Aruto's.

Kamen Ride: Vulcan!

Kamen Ride: Evol!

Kamen Ride: Aqua!

Kamen Ride: Wiseman!

Clones of the 4 riders appeared before the Evol clone charged first, tackling Another W to the ground.

Me: YEAH! Save some for us!

Clyde and Sid appeared.

Clyde avoided a psychic blast from Heure. He was about to fire again when his communicator rang.

Heure did the Time Out sign.

Heure: Excuse me. I have to take this. (answers it) Hello?

Swartz: Heure. Where are you?

Heure: I'm battling Zi O's friends right now. Another W is battling J.D. even as we speak. They're actually evenly matched.

Swartz: Get rid of Crocker and Burns. Now.

Heure: What?! But I thought-

Swartz: I thought Burns and Crocker would both be able to get rid of Zi-O! But what I failed to initially realize is that Crocker and Burns will get rid of us after Zi-O and Team Loud Phoenix Storm!

Heure: But what about Zi O? He'll live to fight another day!

Swartz: I'll settle for killing him in August! This is not me begging! This is me giving you the one order I thought I'd never hear myself giving out! Help Team Loud Phoenix Storm get rid of Crocker and Burns. NOW!

Heure: Yes, sir. (hangs up)

Clyde: Trouble from your boss?

Heure: You guys owe me big time for this.

Syd Chang: Okay.

I slashed Crocker and Burns all over with my scythe!

Me: Burns you have cheated death for far too long! WOLF MOON STYLE NINJA ART: WOLF PACK METEOR SHOWER!

I fired waves of blue fire and rained down fireballs and blasted AnotherW All over with massive fiery explosions!

Me: (sighs) One. I failed to find some way to get rid of the evil in your hearts. Two, I let that evil grow, I let it be nurtured until it consumed you two."

Another W: What are you talking about?!

Me: I'm counting my sins. Three. I failed to realize that I could've just met your younger selves and brought them into the estate where you guys would still show positive emotions.

Another W: SHUT UP!

Me: Four. I didn't put you two out of your misery when I still had the chance. And five, I let you two become this monster by not hunting you two down immediately!

Another W: WE SAID SHUT UP!

Another W charged at me and threw a punch at me…

Armor Time! (modernized Japanese music) Soiya! Gaim~

Only for the punch to be blocked by Sougo, who was in the Gaim Armor.

Sougo: You're still missing 5 more, dude! (to Another W) Six, (chuckles) he still slips into the habit of doing things recklessly sometimes. (pushes Another W back)

Eon Kid: Seven, he forgot that there might not have been ANY good in Crocker and Burns to begin with.

Nico: Eight, whenever he gets emotional, he pushes his loved ones away, when it doesn't do any good!

Kaito: Nine, he thinks he's alone in fights against scum like you. But he's not!

Heure: Which brings us to ten. He always shows off his power because he's afraid of being seen as weak. When he's not as long as he has his friends and family.

Me: (shocked) Heure…

Heure: (in denial) Don't get used to me helping you, J.D. This is only under Swartz's orders.

Me: Fair enough and yes all that is right. But it's part of me being human! Unlike these two!

Nico: Yeah!

The Vulcan clone fought Another Saber, The Wiseman clone fought another Wizard, and the Aqua Clone fought another OOO.

Kaito: (takes out Ryusoulger gear) Let's give them a hand, Zocks!

Zocks: (takes out Kiramager gear) Right behind you.

They summoned the Ryosoulger swords and even smaller Mashins.

They blasted them all over.

Another W started choking me until he suddenly let go.

Burns: What are you doing, fool?!

Crocker: I'm the one who gets to kill J.D. Knudson! Not you!

Burns: He ruined my life first!

Crocker: Hey, see if I care!

Geiz: Why'd they let you go?

Sougo: Because they're fighting over who gets to kill J.D. They can't agree on anything, which puts their Another Rider form at a disadvantage. Unlike Shotaro and Philip.

Me: And even if they can choke me I can't die anyway. I'm immortal and invincible.

Nico: Lets get them.

Me: These two should spend some time apart!

I had my scythe blade glow blue and I slashed them both in half down the middle!

Woz: Let us show these fools a TRUE fusion.

Rider Time! Kamen Rider Zi-O! Trinity Time! Mittsu no chikara! Kamen Rider Zi-O! Geiz! Woz! T-rin-i-ty~! Trinity!

Nico: YEAH!

Me: Now lets give them a true combo!

Me, Nico and Woz: TRINITY WOLF SAIYAN BURST!

We fired a massive blast of energy and the blast hit Burns and Crocker and obliterated them in a massive and powerful explosion!

EXTREMELY MASSIVE EXPLOSION!

They were dead and then we saw Gaia Memories on the ground and they were the Gaia Memories that had all the 310 powers of the Core M.O.E.!

Me: Cool!

Nico: Gaia Memories for the M.O.E.

Their spirits appeared.

Me: Just like in that Alternate world.

I drew kanjis on them.

Me: You two have caused too much pain and suffering. UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

The spirits of all those they terrorized appeared and found them guilty and they were banished into oblivion forever!

Zi O Trinity grabbed Another Saber and Another Wizard by the heads.

Zi O Trinity: Apologies. But we must discipline the nanny goats! The hard way! (slams them into the ground)

Eli: HEY! THAT'S MY LINE!

Maxxine: Let it go, Eli. The three of them have earned this moment.

Nico: Yeah buddy.

Me: Besides Burns and Crocker are dead and given the Black Gates.

Eli: Good riddance.

Laney: Yeah. 2 more of Plankton's team are dead.

Nico: Yep.

Geiz: With Burns and Crocker gone, taking out the remaining Another Riders should be easy!

Nico: Oh it will.

Nico slashed Another Saber.

Me: And for the record, I was only saying all that to get Crocker and Burns pissed.

Eli: Nice.

Tsukuyomi: Honestly, this is the first time I'm even seeing an Another Rider for Saber.

Me: First for me too! Lets see what the Eyecons can do.

I pulled out my Lord Drakkon Eyecon.

Me: Lord Drakkon and Sir Lancelot!

I put it in my device.

Nico: Sir Lancelot!? Cool!

Eli: The Traitorous Knight of the Knights of the Round Table!

I formed a dragonic sword and slashed AnotherSaber all over and then I slashed him in half and then he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and then 310 Wonder Ride Books of the Core 310 of the Masters of Evil fell and we caught them.

Me: "Lord Drakkon's Empire of The Dragon." Wow!

Nico: "Myotismon, the Crimson Vampire King." Wow!

Eli: "Baron Mordo, the Sorcerer of Magic and Darkness." Awesome!

Another OOO: Please! Help me!

Nico: Don't worry, Goyle. You've suffered enough.

Me: If Greeeds can lose medals then you can too.

I slashed Another OOO and countless medals came out and Eli turned on the Medal Tank and sucked them all in.

Lola: Yeah!

Me: Twilight, girls, go get him!

Twilight Sparkle: Right!

Twilight and friends: HARMONY BLITZ RIDER SLASH!

They fired a massive blast of elemental blades and they hit Another OOO and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and we all got Rider Watches for W, Saber and OOO.

Me: YEAH!

We picked up Core Medals also for the 310 M.O.E.

Me: Cool!

Goyle was weak and exhausted.

Goyle: Thank you.

He was unconscious.

Sougo: All that's left is Another Wizard!

Me: Yeah!

Eli: I'll face this one.

Eli formed his sword and then slashed him all over and then fired a Force Blast and knocked him down. Then he slashed him in half and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

We got A Wizard Kamen Rider Watch too. We also got 310 Rings for the Core 310.

Me: A Lord Drakkon Ring! Awesome!

Nico: These 4 villains have failed this city!

Me: 5 of you count Crocker and Burns sharing 1 body.

Nico: True.

Rarity: This was so amazing darlings!

Pinkie Pie: BEST AMBASSADOR MISSION EVER!

Laney: Boy it sure was!

Lola: Yeah!

Me: Yeah this was awesome!

Applejack: YEEHAW! This was so fun!

Lola: Yeah!

Sougo: Maxxine, ever since I met you, I've begun to see you as a big sister. And I really am an only child.

Maxxine: Oh Sougo. I'm so honored.

They hugged.

Nico: Boy that was awesome to finish Zi-O with a bang.

Me: Yeah it was!

Eli: We had a lot of fun with this one.

May: We sure did! And the best part is that we destroyed 3 of Plankton's former teammates.

Me: That makes 2 more to go. Vlad Plasmius and Goobot.

Tsukuyomi: I'm sorry, Nico. But I've been apart from Sougo and Geiz for far too long. I need to stay with them for a while.

Nico: I understand.

Woz: I understand too. But as for me, I must accompany Lord Nico and the others.

Geiz: What?! Why?!

Nico: Lord Nico? I like that.

Woz: It won't be long before Kamen Rider teams start joining. Besides, I might be needed in case new forms are gained.

Sougo: (smiles sadly) I'll miss you, Woz.

Woz: This is not goodbye, my demon king. I promise we will meet again!

Me: Woz has more than earned a spot in the team and he also will be part of the Redemption Squad.

Eli: Also if Swartz attacks we'll be ready for him.

Heure came.

Heure: I'm sorry about sending Crocker and Burns.

Me: They were bad ideas from the start.

Geiz; (to me) Take care, J.D. And don't forget about your friends. It took me a long time for me to figure that out.

Me: I won't ever forget my friends Geiz. Thank you.

Tsukuyomi: (to Maxxine) Don't think of this as a goodbye, Maxxine. Think of it as a see you later.

Maxxine: You can count on that Tsukuyomi.

Sougo: (to Nico) Keep being a good leader, Nico.

Nico: And you keep working to be the kindest demon king there is. Like I said before, not all demons are evil.

Me: That is for sure.

Eli: You got that right.

Later we returned home.

William: Hey guys. How did it go?

Me: It was epic!

We told everyone everything and it was amazing.

William: WHOA! Good riddance to Crocker and Burns.

Nico: Yep.

Plankton: Thank goodness.

Nico: Yeah.

Homer, Lenny, Carl, Moe, Bart, Barney and Smithers: (Singing) NA NA NA NA! NA NA NA NA! WAY HEY HEY GOOD BYE!

Nico: Good riddance!

William: Elyon, for your first mission, 3 Rabbids and Tyler Navarro should come with you.

Elyon: Awesome! I can't wait to see who I'm getting.

Me: You'll like it. It's for the Wizard Kamen Riders next.

Will Vandom: Awesome!

---

Later we were over at the Gotham Royal York Dessert Festival.

Me: Wow! Look at all the people with their desserts.

2012 Leatherhead: Lots of deserts here!

Maria: Now now. Don't be greedy.

Nico: Some of those we made with the Cakes.

Me: Boy we sure did.

Eli: Yeah and those were awesome to make.

Celica: How are you feeling, Goyle?

Goyle: Really tired.

Me: You'll be better soon.

Nico: Yeah.

Varie: He'll be exhausted like this for a while but he'll be all right.

Goyle: Oh I have news about Malfoy. I found out that in the future he will be one of the monsters for an upcoming Kamen Rider mission.

Me: Did he say which one?

Goyle: Unfortunately no.

Me: Then we'll have to wait and see.

Nico: Yeah. But Maxxine you did really awesome.

Maxxine: It was my time to shine.

We got some awesome desserts. Including the Marzipan Mascarpone Meringue Madness cake.

Camie: (Eating) Mmm! So delicious!

Me: I told you it was that good.

Apeface: Poromon, there's plenty for everyone!

Poromon growled at him.

Apeface: Nevermind! (Sees Fluttershy acting weird) You okay, Fluttershy?

Her stomach was growling loudly.

Fluttershy: Uh oh. Where's a trash can?

Nico: Over there!

She went over to it and hurled her guts out.

Varie pat her back.

Fluttershy: (VOMITS)

Rainbow Dash: I hope she's okay.

Shanan went over and looked her over.

Shanan: Hmm. You look okay.

Sakura Haruno: I think I know.

She put her hand on her stomach.

Sakura Haruno: It's just as I thought.

Fluttershy: What is… (GASP) You mean!?

Shanan: I don't believe it!

Sakura Haruno: Yep you're pregnant!

Broadside: More cakes, Manaphy?

Manaphy: We got enough for everyone.

Fluttershy: Guys I found out why I'm acting sick.

Me: What is it?

Fluttershy told us the news and we gasped.

Lincoln: Fluttershy is it… (OVERJOYED) Oh Fluttershy!

Fluttershy: We're having more kids Linky!

Lincoln and Fluttershy hugged.

Mirage Daffodil: Mommy we're having more kids!

Butterfly Rose: Wow! Brothers or sisters!

They hugged them too.

We cheered wildly for Fluttershy.

Nico: Congratulations Fluttershy!

Laney: Yeah!

Horsea: Are we gonna let good food go unfinished?

Arixam: That won't happen, Horsea.

Me: Besides we're just taking in the excitement.

Nico: Yeah and this is awesome cake.

Mary Knudson: It sure is. Also we're really happy for Fluttershy and Lincoln.

Me: And 2 days before the big mission with Max and everyone.

Lola: No kidding.

Qin: But we're really happy for them.

Nico: Yeah.

Starlight Glimmer: Fluttershy will be the first of us to have kids for real.

Me: Yep.

We later came back to the estate.

Nico: That was an awesome Dessert Festival.

Camie: Boy it sure was.

Sirius: The desserts were all delicious.

Lola: You got that right.

Nico: Now it's time to get ready for our next mission. We're going to James's house so we can talk to them about how crazy his fiancee Jessebelle is as well as figuring out a way to deal with her.

Me: Wow! About time we decide on that one.

Then Saix, Wiggum, Chalmers, Kalin, Firebrand, Man Boy, Femme Fetale, Trapster, Kangor, and Spot appeared.

Saix: Can me, Wiggum, Chalmers, Kalin, Firebrand, Man Boy, Femme Fetale, Trapster, Kangor, and Spot hang out with you guys?

Nico: Yes you all can.

Camie: Who is Jessebelle?

Me: She is James's crazy fiancé. I should explain. James actually came from a REALLY rich family and his parents arranged for him to be married to a girl named Jessebelle. Here.

I showed a photo of her and she looked so much like Jessie!

Camie: Whoa! Jessebelle looks so much like Jessie.

Me: That was our first reaction too. We thought that Jessie had a twin sister and we were never told about it.

Jessie: But she is nothing like me.

Me: Yeah. But her history is deep.

I told them everything.

---

Jessebelle (in Japanese: ルミカ, Rumika) is the main antagonist in the Pokémon episodes "Holy Matrimony!" and "The Treasure is All Mine!". She was in an arranged marriage with James which was arranged from a young age causing the latter to flee from his home upon realizing how controlling and psychotic she was. In both of her appearances, she is seen attempting to force him into their marriage and morph him into a "proper gentleman".

She was voiced by Megumi Hayashibara in Japanese. In English, she was voiced by Rachael Lillis in her first appearance and by Michele Knotz in her second appearance.

Childhood

Jessebelle and James surprisingly spent a lot of time together as children, and their parents decided to arrange a marriage between them because of it. After this had happened, James found out that Jessebelle was truly snobby, controlling and abusive and fled home to avoid being married to her, leaving behind his beloved Growlithe known as Growlie.

Holy Matrimony

She appeared in this episode after James' parents faked their deaths in order to trick him into returning home. Upon hearing of the fortune he would inherit Jessie and Meowth come with a plan and dress in awful "invisible suits" in order to steal the fortune however upon entering they realize James' parents where still alive which James angrily tells them he knew since they always do schemes like that to force him to return. His parents play along with the act for a while until they reveal Jessebelle much to James horror. Meowth comments on the resemblance between her and Jessie which Jessie angrily scolds him for.

Later they remove Jessie and Meowth from the premises as well as Ash, Brock and Misty who were watching from a higher level. In the dungeon and begins to whip James who in return runs and dodges the whip. This causes Jessebelle to release her Vileplume which paralyzes James stopping him from fleeing and escaping. Before preparing for their wedding James is rescued from an unlikely source his old Growlithe named Growlie who saves him. Jessebelle puts up one final fight with her Vileplume however Growlie and Pikachu burn her Vileplume alive causing it to chase Jessibelle until she accidentally knocks James' parents into a pond and is last seen in this episode running back to the mansion with Vileplume following her, giving James time to flee.

The Treasure is All Mine

After her previous defeat, Jessebelle visits one of James' family summer homes after being alerted by the butler Sebastian about James being there. After her confrontation with him involving her Vileplume (now healthy again) attacking him, Ash, Brock, Jessie and Meowth James tells Ash to make Pikachu blast him off which he does however he doesn't realise that Jessebelle actually went with him and Meowth instead of Jessie. Her final appearance is her chasing James and Meowth down the beach.

---

When I was done they were shocked.

Sirius: That girl is a monster!

Duplica: Yeah no kidding.

Me: Yeah.

Tsuyu: And they arranged for her to be married to James? That is totally loveless!

Nico: Yeah my thoughts exactly.

Weather Vane: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for one of Cynder's kind next.

Cynder: Cool! A gene-slammer for me. I'm going to like that.

Lola: Yeah.

Spyro: That will be awesome to see.

Me: Yep so it'll be one of the Goths of Darkness even though they go with you already or one of the Dark Signers.

Nico: Yep.

Lola: This is gonna be awesome.

Wiggum: Just a few more bites. And then, we head out.

Me: Okay. Guys you won't believe the size of the mansion James lived in before he joined Team Rocket.

Ash: Yeah it's huge.

Brock: James lived in a mansion that was as big as J.D.'s mansion was when he first moved to Michigan.

Allie Wilde: Wow that is amazing.

Lucy (Pokemon): That must be an amazing mansion.

Nico: It was. But we also made it clear to Jessebelle that if she wants to get to James she would have to go through us and that would be like having to take on the entire universe.

Me: Yep.

Gru: Want a bite, Poliwag?

Poliwag: I'm full but thanks.

Nico: Okay everyone lets get going.

Spot: I'll use my portals to get us there.

Nico: Okay then.

James: (Sighs) Looks like I'm heading home to confront my past.

Me: You'll be all right James.

Eli: Jessebelle and James would definitely be a match made in Hell.

Nico: Yeah no kidding. But an arrange marriage is absolutely loveless.

Laney: I agree there. True love comes from the heart and not from because the family said so.

Me: Yeah. James and Jessebelle are a truly toxic couple.

Spot: Someone should bring a Machamp just in case.

Lynn: I got a Machamp with me.

Me: And Jessebelle has a Vileplume with her. My Moltres and Galarian Moltres will really give them a run for her money.

Nico: Yeah! Lets head out!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Michael Devlin, the insane psychopath and the evil second-in-command of The Church of Necrom, and he's coming to kill us for revenge for ruining his schemes, and he's now major leagued pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Michael Devlin on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's major leagued pissed off that we killed Joseph Seed, Hatchiyak, and Double, who he resurrected from the dead.

Giselle Harrington: So, Damian Alaister's insane second-in-command is finally on the move, huh? Perfect, now we've got a chance to make that insane psychopath pay for his crimes.

Lincoln: You said it, Giselle.

Vegeta: And this means your plan's almost complete, Lincoln.

Lincoln: That's right, Master Vegeta. Once all the members of The Church of Necrom have finally been captured, then, we'll bring them to justice in a court of law, that way, we can get justice for all those they've killed over the last six years. Then, once they get sentenced to death, then, The Dark World Goth Girls and I will be the ones to kill them.

Nico: Those monsters deserved to die for their crimes, and Lola's right: they're that insane and evil, and they're even worse than all of the other villains we've destroyed in the past six years.

Me: You got that right, Nico, and they've killed so many people, and all for their devotion to Necrom. They're nothing more than a malevolent cult of monsters who don't deserve to live a single second further.

Nico: You said it, J.D. Alright, team, let's head on out, we've got a crazy fiancée to stop!

Spot opened a portal and we were off.

---

We arrived at the grounds of James's estate.

Nico: Here we are.

Eli: Whoa! Is all this land for James?

Me: Yep this is just the start of his mansion land.

Chef Pepperjack: I sampled so many recipes!

Nico: You sure did but lets focus.

We got to walking and then we arrived at the mansion.

Nico: There it is.

Everyone gasped! It was a massive and huge mansion that was as big as a whole castle!

Sunset Shimmer: James that is your mansion!?

Applejack: Oh my stars! That is really huge!

Rarity: It's an amazing mansion!

Daphne: Wow! James your house is awesome! It's just as big and luxurious as my mansion.

James: Yes it is.

Trapster: Think they're expecting us?

James: They are.

Nico: Well we'll be ready for them.

Me: Boy it feels like forever since we were here though.

Laney: Yeah.

We went up to the door and we knocked on it.

Answering it was the butler Hopkins.

Hopkins: Yes?

James: Um Hello Hopkins.

Hopkins: Why Master James! You're back! Please come in.

We all went in.

We saw that the house was as amazing as ever.

Eli: Whoa! James your home is amazing!

Lola: Yeah it is.

Killer Frost: Hopkins, I assume you heard about what's been going on lately.

Hopkins: Ah yes I have. I have been keeping track of everything that was going on with all of you ever since you came last time and I must say that I am amazed that James has come so far in your adventures.

Me: We all are. But James is actually here to confront some demons.

Nico: He is here to face his past. He needs to talk to his mother and father about Jessebelle.

Hopkins: I see.

Kalin: She probably came crying about what happened last time.

Me: When we first met Duplica.

Duplica: I remember that. You showed that you have the legendary Bird Pokemon.

Nico: That's right I remember that.

Camie: That is so cool that you have the legendary Bird Pokemon.

Me: I know.

Carly Atlas: We have so many awesome Pokemon.

Hopkins: Yes and I am amazed about that J.D.

Me: If I may ask, how is James's mom and dad able to afford an amazing mansion like this?

Nico: Yeah do you guys have a diamond mine or something?

Hopkins: Oh it's actually finding bottle caps.

Me: Bottle caps?

James: Yes my family has made a fortune in collecting extremely rare bottle caps. It's how we got our vast wealth and fortune.

Fluttershy: That is interesting.

Rainbow Dash: Wow.

Me: Wow bottle caps worth as much as diamonds. That is amazing.

Needle Man: One way or another, this forced marriage is ending. Now.

Me: I agree there. There is no true love in an arranged marriage.

Hopkins: I agree there. And to be honest I was completely against it but I didn't show it.

Me: I see.

We arrived in the living room and we saw James's mom and dad.

James's Dad: Ah welcome home son.

James's Mom: And Team Loud Phoenix Storm it's good to see you again.

Me: Same to you.

Nico: We apologize for the rough first impression we had on you all 3 years ago.

James's Mom: That's quite all right. My goodness you all have ground in so many numbers over these last couple of years.

Fiona Hernandez: Yeah we sure have.

Maria Hernandez: We just keep adding more and more to the team.

Carly Atlas: We sure do.

We saw down and we had some tea.

Me: (Slurp) Mmm. Good tea.

James's Mom: Yes it's Darjeeling Chamomile tea.

Me: Very soothing.

Man Boy: Do you two know how much stronger J.D. and the others have gotten?

James's mom: Unfortunately no.

Me: We've gotten far more powerful than ever.

Nico: Yeah we have changed tremendously over the last 3 to 3 and a half years since we were here the last time.

Hopkins: It's all true man. I've kept up to date on J.D. and the teams adventures since they were here the last time and it is amazing how far that they have ascended.

He showed on his phone news stories about many of our adventures from 2018 to today and it was incredible.

James's Dad: Oh my.

Me: Yeah we've really grown not just in numbers but also in strength and power.

RD Lucy: We just need a single snap of our fingers to kill both of you for what you've caused.

Woz: You dare force your son into marriage?!

Nico: Guys stand down. Let us talk to them peacefully without the use of violence.

Woz: I apologize my lord.

Nico: Forgiven. But please hear us out. But first James has something he would like to say.

James: Yes. Mom, dad, a lot has happened to me over the years and I don't want to marry Jessebelle. I know this would be a dangerous blow to you all but I don't want to marry someone I don't love. I want to marry someone that I have true love for and not in a loveless arranged marriage. Jessebelle wanted me to do things her way and do things that I didn't like.

James told them everything and it was both shocking and sad.

James's dad: Oh my goodness. James we had no idea you were hurting this much inside.

James's mom: Yes indeed. We should have heard you out instead of looking the other way.

Firebrand: If anything, Jessie is more suitable to James.

Jessie: Do you really think so Firebrand?

Firebrand: Well I'm no matchmaker but you and James have known each other for as long as you can remember. But it's possible.

Jessie: That's true.

James's Dad: I understand son. But thank you all for sticking by James ever since you all destroyed Team Rocket.

Me: You're welcome sir. But it's not just Team Rocket that we destroyed. All the major villain teams are gone too.

Dawn (Pokemon): That's right they are.

James's Dad: That is good.

Sixshot: You know, J.D. Back when you were stressed about Xehanort, you should've just clobbered Jessebelle.

Me: I would have but as a gentleman it goes against my nature to hit a woman. Only on rare occasions would I have done so. Like if the woman was rotten to the core and all that.

Sixshot: Oh I get it. That is a good reason.

Nico: Yeah it sure is.

Femme Fatale: That's nice of you to say, J.D.

Me: Thank you. I got to at least show some form of dignity and respect somehow.

Nico: That's true.

Ace: It probably doesn't matter anyway since Jessebelle's probably on her way here right now.

Eli: She's right. I sense her coming.

Me: And when Jessebelle faces James she is gonna want to take him by force no matter how much she rejects him. But you know what they say. Hell Hath no Fury like a Woman Scorned.

Nico: Yeah no kidding.

Eli: She's 20 miles and closing.

Kangor: (Jamaican Accent) We're still using our entrance in her, mon.

Nico: I know. Okay since there's an arena in here it will be perfect for the battle. Okay I have a plan.

Nico gathered us all together and our plan was to use a dummy with a genjutsu put on it by Yakumo to make it look like James and then when she gets close we spring the trap for the entrance and confront her.

We got our trap all set and then hid and then Jessebelle came in.

Jessebelle: There you are James! You will be mine!

Fire Man: Entrance time!

We went at her.

Jessebelle: You won't escape me this time!

But then the spirits of the Brains and Brawn of Elemental Power came and swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and then we came out.

Nico: Hello Jessebelle good to see you.

Jessebelle: Well Team Loud Phoenix Storm! You won't stand in the way of me and James.

Me: Uh that is not James.

She saw that I was right and that she was duped!

Jessebelle: Vileplume, Sleep Powder!

Chalmers: (to Woz) Careful! Don't let it touch you!

I blew the Sleep Powder back and it hit her Vileplume and it fell asleep.

Nico: There. Now we can talk. James has something he would like to say before we fight.

James told her off and that enough was enough but Jessebelle was not going to take that lying down!

Then Chillyfish, Hydros, Iceage, Brain Freezer, Vexen, P'andor, Magma, El Diablo, Drakkon, Molten Man and Koragg appeared.

Nico: Chillyfish, Hydros, Iceage, Brain Freezer, Vexen, P'andor, Magma, El Diablo, Drakkon, Molten Man and Koragg.

Me: 11 of you guys?

Koragg: I'm an extra.

Me: Cool.

Aylene C.: Oh hey B.F.

Brainfreezer: Hey babe. What's happening?

Aylene C.: Just having a lot of fun.

Chillyfish: How do you like being part of the team, Woz?

Woz: I like it very much!

Hydros: Good to know.

Me: Awesome.

Iceage: We have to make up for Tsukuyomi leaving us somehow.

Me:Yeah.

Vexen: (to Nico) You did good preparing for the dessert festival.

Nico: Boy we sure did and the desserts we made are awesome.

P'andor: (Russian Accent) And it was worth it.

Me: It sure was.

Nojoke appeared.

Nojoke: It's no joke that James doesn't need to be in a forced marriage.

Nico: You're not kidding there.

Lana: Yeah.

Stacey then appeared too.

Stacey: I guess you guys heard about me and the rest of the Sinister 12.

Me: Boy did we ever and it's awesome that the M.O.E. has an amazing branch team like I made with several of them for the team.

Stacey: That is true.

Eli: Yeah it sure is.

Stacey: All I ask is that you guys be patient for the rest of my team.

Nico: Don't worry we will.

Me: This is gonna be awesome to face them.

Lola: Yeah it will.

We got the usual battles underway.

Gi, Rarity, Sweetie Belle, Water Skylanders, Loud House Taylor, Francis, Arixam and Pump Man VS Chillyfish - Nico's rescue

---

Chillyfish was first.

Chillyfish: (to Gi) Nico's rescue wasn't really a rescue. Just a preparation for a party.

Gi: It sure was cool though. Also it was for the Gotham Royal York Dessert Festival.

Rarity: Oh it sure was and all those desserts were really delicious.

Sweetie Belle: They most sure were delicious!

Gill Grunt: I agree there too. They were really awesome too.

Taylor: They sure were awesome.

Francis: And tasty.

Chillyfish: That was awesome. Lets do it!

They fired waves of ice, water, jewels and fire and smashed him down.

## Azulongmon, Rainbow Dash, Scootaloo, Air Skylanders, Dana, Becky, Whitney, Carol, Weather Vane, and Protoboy VS Hydros the Ice Titan - Pinkie Pie's awesome Party Planning Cave

Hydros was next.

Hydros: (to Azulongmon) Pinkie Pie has an awesome Party Planning Cave. Just like Batman has his Batcave.

Azulongmon: That is really awesome.

Rainbow Dash: Boy it sure is! I think it's really awesome how Pinkie has that.

Scootaloo: It sure is cool!

Whirlwind: Yeah I agree too. Pinkie does all her awesome party planning in there.

Dana: That is so awesome and cool.

Becky: Yeah she puts so much work and effort into her parties.

Whitney: It's great she does so much.

Carol: I agree there too.

Hydros: Me too as well. Lets do it!

They fired waves of lightning, energy, rainbows and wind and

smashed him down.

---

Samus Aran, Janeen Aran, Sunset Shimmer, Pipsqueak, Fire Skylanders, Noah, Gru, and Megamind VS Iceage - Lincoln's Rescue

---

Iceage was next.

Iceage: (to Samus) I heard Lincoln fought Joseph Seed in his rescue. How was it?

Samus: It went really well and Lincoln Casagrande destroyed him for good.

Janeen Aran: Yeah that was so cool. Now we have officially seen the last of Project At Eden's Gate.

Sunset Shimmer: The Church of Necrom brought him back and we destroyed him.

Pipsqueak: (British Accent) What that cult did was horrible.

Sunburn: You're not kidding there.

Noah Carver: I agree. They deserved to be destroyed.

Iceage: Boy no kidding there. Lets do it!

They fired waves of fire and smashed him down.

---

Bloom, Fluttershy, Tornado Bolt, Life Skylanders, Aquaman, Mera, Dreamcatcher and Chef Pepperjack VS Brainfreezer - Fluttershy Pregnant

---

Brainfreezer was next.

Brain Freezer: (to Bloom) I didn't expect Fluttershy to get pregnant. I hope she gives birth in time for the mission with the Dino Squad.

Bloom: I have a feeling she will. And we're going to be so excited for her kids to come.

Fluttershy put her hand on her stomach.

Fluttershy: I am too and it's gonna be so great for me.

Tornado Bolt: I can't wait to meet her new kids and Mirage and Butterfly's new siblings.

Stealth Elf: We all can't wait.

Aquaman: It'll be a joyous event.

Mera: Yes it sure will.

Brainfreezer: I'm happy for you Fluttershy. Lets do it!

They fired waves of fire, leaves, flowers and grass and smashed him down.

## Lana Loud, Applejack, Apple Bloom, Earth Skylanders, Lana (Pokemon) Poison Ivy and Killer Frost VS Vexen - Meeting Sol & Luna the Sun Dragon Intl and Moon Dragon Quilla Gene-Slammers

---

Vexen was next.

Vexen: (to Lana) I heard you guys met Sol & Luna the Sun Dragon Intl and Moon Dragon Quilla Gene-Slammers.

Lana: We sure did and they are twins from Mexico and they are friends Ronnie Anne knows.

Applejack: They sure are and they are also Lincoln's Guardian Angels.

Apple Bloom: They sure are and we found out something terrible about Burns and Quimby.

---

Sol Rodriguez: (Spanish Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he's got one awesome tan.

Luna Rodriguez: (Spanish Accent) That's really amazing.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sol and Luna, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Luna Rodriguez: (Spanish Accent) That's incredible.

Nico: It sure is. So, Sol, Luna, what are these intensely powerful revelations about Mr. Burns and Joe Quimby?

Sol Rodriguez: (Spanish Accent) You won't like it. I found out that Mr. Burns is even lower than you all first thought and from what you heard from the others: I found out that Mr. Burns had his men murder a group of FBI agents that were sent to arrest him for his crimes, and he went into hiding as soon as word of their murders reached the local FBI office. I swore that if that vulture showed his face again, I would incinerate him into ashes.

Luna Rodriguez: (Spanish Accent) And I found out that Joe Quimby is also even lower than you all first thought and from what you heard from the others: I found out that Joe Quimby had hired a bunch of hitmen to kill the President of the United States, since his extortion of The US Government and kidnapping of the President's daughter were both ruined. But, I killed them by firing a blast of moonlight at them, and I swore if he ever came back, he'd die a painful death.

We gasped at the intensely powerful revelations about Mr. Burns and Joe Quimby.

Me: Whoa, now those are very powerful.

Lincoln: The president's already given us the kill-on-sight in case we see Mr. Burns, and the same also goes with Crocker.

Nico: And the same thing will also go for Quimby, if he dares to return from the dead again. But, just in case, I'd better call the President.

Nico called the President, and when he told them of what Luna Rodriguez told us about Quimby, he'd given us the order to kill Quimby, should he dare to return from the dead.

Nico: It's already done, I've called the President, and he gave us the kill-on-sight order on Quimby, should he dare come back from the dead.

Eli: Nice one.

FLASHBACK ENDS

Vexen: Oh my goodness! Thank goodness Quimby now has that kill-on-sight order. Also I'm glad that Burns and Crocker are both dead.

Flashwing: We all are and that's 2 more dirtbags gone.

Lana (Pokemon): Yeah 2 of the most hated people on the planet are now gone forever. People all over Dimmsdale are partying like there is no tomorrow.

Vexen: Good riddance. Lets do it!

They fired waves of ice, earth, rock, crystal and apples and smashed him down.

Koji: We sure do and I can't wait to face the remaining Another Riders. I hope we face Vlad Plasmius as Hibiki.

Starlight Glimmer: That would be fitting for him because the monsters that the Hibiki Kamen Riders faced were very similar to demons.

Cozy Glow: To be honest I was expecting Plasmius to be Another Ghost because he is half ghost like Danny Phantom.

Hex: I just can't believe that he hates Danny's dad like that and they were best friends in college back then!

Thetis: No kidding there. And all because his father was an idiot. But he is a great ghost hunter too.

Luna: You got that right dudes. Jack Fenton is a great guy.

Girl Jordan: Yeah I agree too. He may be an idiot but he is a great father.

Magma: I agree there as well. I'm sorry Jack and Vlad hate each other now. Lets do it!

They fired waves of light, lightning, magic, stars, bones, water and energy and smashed him down.

---

Lord Drakkon was next.

Drakkon: (to me) Jessebelle REALLY IS A Jessie Twin in a way. Except she's not on our side.

Me: I know. That was my first reaction too when we first met her. We all thought that Jessie had a twin sister and didn't tell us about it. But she is not Jessie's sister at all. We ran a DNA Test and found out that Jessie and Jessebelle are not related at all. They just are like body doubles.

Lord Drakkon: That is really amazing though.

Me: I know. It sure is. And everyone says that I looked like Elvis Presley reincarnated.

Everyone laughed at that one.

Princess Celestia: No kidding there. That is amazing.

Moondust: Boy me too mom. Also I think Kaz is much happier with Kendra.

We regrouped

Jessebelle: Why can't you accept our love, James?

James: Because this is forced love! Can't you let me be happy as my own person and pursue my own path?

Jessebelle: You mean a path of betrayal? All Ketchum and his pals have done when you were in Team Rocket was treat you like a person one minute and blast you off the next! (Ash winces at this) Not to mention how the people of Gotham Royal York turned against you during the 20 Days of Darkness! And they did it to you again recently because of Team Buktu. How many times must you make friends only for them to turn on you?!

Me: Lady you need a better life.

Nico: I agree there.

Me: Also we would NEVER turn on James not after we took him, Jessie and Meowth in when we destroyed Team Rocket forever. Also James is a great guy and many Grass Pokemon love him as with Victreebel and Carnivine chewing on his head as well as Cacnea hugging his face and that is cute and funny. Also James collects bottle caps too! We even find them on the street for him and bring them to him. We even give him the bottle caps from our beer bottles whenever the mascots drink beer to him.

Laney: That's right! And James is a great friend! We would never turn on him like that!

Dawn: Also from time to time Ash and me and Team Rocket helped us.

Me: Yeah!

Nico: I don't even known how many times they were blasted off.

Me: But you need to realize that friends can do anything for you! And they love you!

Jessebelle: I don't care! James is mine!

Jake: Lady, you really need to get a new boyfriend!

Me: And fast!

Maxxor: By the authority of the Tribal Alliance, we're taking you down by force!

Me: Now as a gentleman I would never hit a woman like you. So I'll use my elemental blasts and powers.

Nico: Very respectful of you J.D.

Me: Like I said, I got to have some form of dignity and respect. But here is this! Articuno, Zapdos, Moltres, time for action!

I activated it and it had the spirit of Catherine O'Leary in it.

CATHERINE O'LEARY & FIREFLY!

Me: Catherine O'Leary? She was the woman whose cow started the Great Chicago Fire.

Nico: By kicking over a lit lantern. That was back in 1871 and the buildings were all so close together back then too.

Me: 75% of the entire town was destroyed too.

I fired a blast of fire and it went at Jessebelle and she dodged it.

Laney: The famous botanist Carl Linnaeus!

Me: He was an 18th Century Botanist that was known as the Father of Modern Taxonomy.

Nico: Cool!

Otto Osworth: Wow! I've known those scientists for a long time.

Laney formed plant fists and smashed the ground and tied up Jessebelle!

Me: Now lets see what the Wonder Ride Books can do.

I pulled out my book for Lord Drakkon and I opened it and read a verse.

Me: "Drakkon was known to strike fear into his enemies as he ruthlessly and savagely butchered all the footsoldiers that stood in his way and he mowed them down as a one man army."

Drakkon then did all that and slashed and mauled numerous footsoldiers that Jessebelle summoned and they were destroyed all over.

Me; That is for sure.

?: You Dark World bitches, along with you miserable Louds, have ruined all of Damian Alaister's and The Church of Necrom's plans for the last time!

Giselle Harrington: I should've known there's no mistaking that insane chalkboard screech from anywhere. You can come out now, Michael Devlin.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old male teen with crazy blood red hair going down to his neck, pale skin, blue eyes which turned blood red, sadistic and insane grin on her face, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots. It was Michael Devlin, dangerous and extremely deranged psychopath and warlock and the second-in-command of The Church of Necrom.

Nicholette Torrington: Michael Devlin, the deranged psychopath and second-in-command of The Church of Necrom, I should've known you'd be the fourth of the five high-ranking members of The Church of Necrom to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, Douglas Moreau, Nigel Moreau, and Carmen Sullivan, along with us killing Joseph Seed, Hatchiyak, and Double.

Michael Devlin: Shut up, bitch! You all have ruined Master Damian's plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, we will destroy all of you ourselves! And I will enjoy hearing all of your screams of pain and suffering! (LAUGHING INSANELY)

Giselle Harrington: That's not going to happen, you insane psychopath, and now, your rampage ends here and now, Michael Devlin.

Suddenly, Giselle Harrington's purple eyes turned neon purple, and she was surrounded by a purple energy aura with darkness, demons, and dark magic, she unholsters Snoww, Unlight of Dark World's staff from her back, and as she approached Michael Devlin, she left purple energy, darkness, demons, and dark magic with every step.

Giselle Harrington: You just don't even know when to quit, do you? We've beaten you down so many times and in those many times, you fled with your tail between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Michael Devlin, you insane psychopath, and now, I'll see to it that you'll pay for the crimes that you've committed long ago.

Suddenly, Giselle Harrington was surrounded by a massive vortex of purple energy with darkness, dark magic, and demons surrounding it, there's Snoww, Unlight of Dark World flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Giselle Harrington emerged, but she was changed forever.

Giselle Harrington has on a short-sleeved black dress top, black skirt, brown pants, black shoes, and long black long-sleeved trenchcoat with darkness, demons, and dark magic on the coattails, and Snoww, Unlight of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Giselle Harrington's massive dark brown angel wings grew much bigger for her new body, and the large dark brown feathers have black tips. Giselle Harrington has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Giselle Harrington's Snoww, Unlight of Dark World's staff began merging with the Snoww, Unlight of Dark World-themed sword Lincoln gave her and it was surrounded by a kaleidoscope of purple energy, darkness, dark magic, and demons, and when it emerged, it was transformed into Snoww, Unlight of Dark World's Demon Mage's Staff of Dark Unlight Justice, it's a brand-new mage's staff with a massive purple orb mounted right on top of four large ivory white raven heads with red and light blue green gems for eyes and a small ivory white dragon wrapped around one end of the long dark purple shaft and on the other end of the long dark purple shaft is a red gem on top of four smaller ivory white raven heads with red and light blue green gems for eyes and on the bottom of the four smaller ivory white raven heads is a large dark purple split crescent moon with the large purple sphere on it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Snoww, Unlight of Dark World's head with red and light green gems for eyes and a large white gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and Eater of Sins revolver holstered on her left hip. Giselle Harrington has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS UNLIGHT DEMON MAGE ANGEL OF DARK JUSTICE AND DARK MAGIC LOVE!

We were amazed by Giselle Harrington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Michael Devlin saw it, he went fucking crazy and fired a blast of darkness to kill her, but Giselle Harrington fired a powerful blast of scarlet red energy with darkness, demons, and dark magic, and it hit Michael Devlin and sent that insane psychopath crashing back first into a wall.

Nicholette Torrington: Holy crap, now Giselle Harrington's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Nicholette, and she sent that insane psychopath, Michael Devlin, crashing back first into a wall, and really pissed her off even more. This is going to be good.

Me: You said it.

Lincoln: Wow, Giselle, you look beautiful. How do you feel?

Giselle Harrington: (Divine Echoing Cosmic Voice of the Dark Demon Mage and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Michael Devlin his rightful punishment?**

Lincoln: (Smiles) With pleasure, Giselle.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds

unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Giselle Harrington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Damian Alaister and The Church of Necrom are finally over, Michael Devlin.**

Giselle Harrington and Lincoln went after Michael Devlin, who continued firing blasts of darkness at them, but they dodged them, and they fired powerful blasts of rainbow energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons at Michael Devlin, and they exploded with incredible power as they hit the insane psychopath, and he became even more pissed off big time, as he screamed in insane anger.

Michael Devlin: Nightmare Demons, rise from the shadows of The Dream World and turn the dreams of the mortals into eternal nightmares!

Michael Devlin summoned a massive army of Nightmare Demons, humanoid black demons with horns on their heads and massive demon wings on their backs, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, which changed from deep sapphire blue into midnight blue, and he fired powerful blasts of moonlight magic from his massive angel wings at the massive army of Nightmare Demons, and they killed the Nightmare Demons and they disintegrated into darkness, and this pissed off Michael Devlin badly, as he took out a vial of red liquid and he drank it.

Then, they saw his red eyes turn even more red and the pupils into slits and his pale skin turned black, he had horns on his head and massive demon wings sprouted out from her back. Michael Devlin turned into a Nightmare Demon and he went at Lincoln and Giselle Harrington, but they dodge his attacks, and they fired powerful blasts of energy and destroys the demon wings and horns.

Giselle Harrington: (Divine Echoing Cosmic Voice of the Dark Demon Mage and Dark Divine Love) **Linky, shall we do the honors in putting Michael Devlin in his place?**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Ladies first, Giselle.**

Giselle Harrington: (Divine Echoing Cosmic Voice of the Dark Demon Mage and Dark Divine Love) **Such a gentleman.**

Giselle Harrington and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Michael Devlin, who roared in anger and ran at them with murder and insane rage in his eyes.

Giselle Harrington and Lincoln: **VOX PENICULUS POWER ABSORPTION KARMA BLAST!**

Giselle Harrington and Lincoln fired the massive red energy balls, which transformed into red energy beams, and as the two red energy beams hit Michael Devlin, Lincoln and Giselle Harrington began sucking out and absorbing all of Michael Devlin's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Giselle Harrington as her purple energy aura with darkness, demons, and dark magic flared up and she was gaining a really massive power and energy boost to her infinite power and energy. When Giselle Harrington and Lincoln were done, Michael Devlin was rendered completely powerless and drained of her powers, and he changed back to normal.

Michael Devlin: No, what did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Michael Devlin.**

Giselle Harrington: (Divine Echoing Cosmic Voice of the Dark Demon Mage and Dark Divine Love) **And now, you're finished, you insane psychopath.**

Giselle Harrington opened her Destroyer of the Church of Necrom grimoire, and she found the page and she fired a blast of darkness, and as it hit Michael Devlin, the now powerless and insane psychopath of The Church of Necrom and Damian Alaister's second-in-command, was imprisoned inside of a black tarot card with Snoww, Unlight of Dark World on the back of the black tarot card with darkness, demons, and dark magic, and she put the tarot card with Michael Devlin imprisoned inside the black tarot card box with the symbols of the Dark World Duel Monsters on top, where Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, Douglas Moreau, Nigel Moreau, and Carmen Sullivan were put into. We cheered wildly for what Giselle Harrington and Lincoln as they holstered their massive weapons on their backs and powered down, and Giselle Harrington's new body, clothes, weapons, jewelry, and massive dark brown angel wings are permanent.

Giselle Harrington: Gotcha, you insane psychopathic bastard! Thank you for helping me take down Michael Devlin, Linky.

Lincoln: (Smiles Warmly) You're welcome, Giselle.

Suddenly, Giselle Harrington wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down to Giselle Harrington's face, they kissed passionately as Giselle Harrington's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Snoww, Unlight of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Hah, that's another Church of Necrom asshole put down, and only one more to go.

Me: That's right, Nico.

Nicholette Torrington: Which means the last high-ranking Church of Necrom member to show their face tomorrow is Damian Alaister, the sadistic and insane leader and founder of The Church of Necrom.

Lincoln: That's right, Nicholette, and you and I are going to show that sadistic and insane bastard no mercy and make him pay for everything that he's done. But, as always, we've got to watch ourselves now and be even more on guard, since Damian Alaister's the sadistic and insane leader of The Church of Necrom.

Me: Yeah, he's not going down without a fight, and he'll also transform into the very demon he's able to summon.

Lincoln: With the help of their potion.

Nicholette Torrington: But, we're going to make sure that fucked-up, murderous, and insane bastard pays for everything he and the rest of his fucked-up friends have done in the past, and in Necrom's name.

Renee Ravenclaw: You said it.

Lincoln: Yeah. (Eyes turn red) Get ready, Damian Alaister, your days of causing havoc and mayhem are about to come to an end tomorrow, and you deserve no mercy for everything you've done!

We head back home to enjoy the rest of our day, and then, we went to sleep, and in the demonic castle of The Church of Necrom, Damian Alaister saw everything that happened, and he screamed in extremely insane rage.

Damian Alaister: I can't believe this, they've ruined every single one of our plans and they captured all of the members! That's it, tomorrow, I will destroy all of Team Loud Phoenix Storm myself! I will avenge you, Lord Necrom and I will destroy every last single living thing on this pathetic world! (LAUGHING DEMONICALLY)

DAMIAN ALAISTER WANTS ONE LAST BATTLE, HE'S ABOUT TO GET WHAT HE DESERVES!

Another awesome fanfic done.

Jessebelle was one very crazy fiancee for James and believe me it was a very toxic relationship from the very beginning. She only appeared in 2 episodes in the entire Pokemon series. The first one was Holy Matrimony from season 1 and that one aired on March 13, 1999. And the second time was in Diamond and Pearl and that one aired on April 17th, 2010 and out of the entirety of the series over the course of 26 years, those were the only 2 times she appeared. Jessebelle needs to be in the series more often. Also I was shocked when I saw that Jessebelle looked so much like Jessie. But I was too young to see that they looked the same and more. The first part was for where we prepared for a festival and it was awesome and cool. The second part was to deal with Joseph Seed from Farcry. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. For Nico's next rescue, that is gonna be a cool one as Nico, Raven, Cynder of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily head to Azkaban and we're going to find any major evil wizards and kill them and destroy anyone that still has ties to Voldemort. Also we're going to meet a gene-slammer for one of Cynder's kind named Cindy Lou Robinson. Cindy Lou Robinson is Nico's friend from Gym Class and she is a goth girl and also has the power to summon the spirits and ghosts of the undead. She also has the powers of dark magic and can even make people do stupid and crazy things. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Planet Vegeta, and Lincoln and his group are going to face and destroy Evil Vegeta, who along with Raditz and Nappa, have been brought back from the dead by Damian Alaister, who's now gone completely off the deep end and slipped into eternal madness due to the past seventeen days of us foiling every last one of the murderous plots of The Church of Necrom. We're also going to meet a gene-slammer for Royal Cookpal Prince Curry named Saanvi Venkatanarasimharajuvaripeta and she is from India and is a great Curry Chef and she knows how to make 50 different kinds of curries including the most hottest Curry EVER! The next chapter is going to be an awesome one as we face Kyurem from the Pokemon movie Kyurem and the Swords of Justice, a legendary 3 Musketeers Pokemon Team and we're going to battle the strongest and powerful Dragon Type Pokemon ever known, KYUREM!

See you all tomrrow

Flying over the North Sea was Nico, Raven, Cynder of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading to Azkaban, the toughest maximum security prison in all of the world of Wizardry for the most evil wizards that ever terrorized the world. Mirage Daffodil and Butterfly Rose were filling in for Fluttershy.

Himiko Toga: So we're heading to Azkaban?

Me: Yep. This is the Alcatraz of Wizards and it's home to the most evil wizards that ever terrorized the world.

Eli: Yeah these guys in here are bad news.

Varie: And they make me sick just looking at them.

Nico: No kidding. Sorry Fluttershy couldn't come with on our rescue Twilight.

Twilight Sparkle: Well it's for the best because she is having a child soon.

Me: Yep and we took her to the doctor for a sonogram and she is having 4 girls.

Lincoln: And I'm so happy!

Mirage Daffodil: And I'm so happy and excited to meet our new sisters!

Butterfly Rose: Me too!

Camie: We're all really happy for Fluttershy.

Me: It's really nice of you girls to fill in for your mother while she is on maternal leave.

Mirage Daffodil: We're glad we can do so.

Nico: Thanks for coming with me, Raven.

Raven: I'm glad I can come. Especially if it involves anything that deals with magic.

Starlight Glimmer: What is Azkaban anyway?

Me: The toughest maximum security prison ever for wizards that are pure evil.

I told them all about it.

---

Azkaban was a fortress on an island in the middle of the North Sea. It served the magical community of Great Britain as a prison for convicted criminals. Azkaban was built in the 15th century and it had been in use as a detention facility since 1718. Using certain Charms, Azkaban was hidden from the Muggle world, and was Unplottable.

As of Eldritch Diggory's visit in the 1730s or 1740s, a graveyard had been established on the island to accommodate those who have died in the prison. Most of the prisoners inside its walls died of despair, having lost the will to live. This was due to the presence of Dementor guards on the island. Dementors drained people of all happiness and left them with their worst memories. Long-term exposure usually led to insanity and even death. However, as of 1998, Dementors no longer dwelled in Azkaban, and Aurors have replaced them as guards.

While other wizarding prisons existed, such as Nurmengard (which was used exclusively to hold its creator Gellert Grindelwald's enemies and eventually himself), Azkaban was the only known fortress to be the "official" holding ground for British wizarding criminals.

Wands were not allowed in Azkaban, given the nature of the criminals kept there. Visitors had to weigh their wands with a Wand Weigher and then hand their wands over to the security desk as per the Dementor's wishes, as there could be no possibility a prisoner could take a wand and use it to escape. Broomsticks or any other flying devices were also forbidden entry into the prison, and had to be left in the security entrance.

The island in the North Sea on which the wizard prison was built had never appeared on any map, wizard or Muggle. Its first known resident, Ekrizdis, practised the worst kinds of Dark magic and constructed a fortress on the island, luring Muggle sailors there to torture and murder them. After his death, the various concealment charms placed on the island faded, and the Ministry of Magic became aware of the mysterious site's existence. Those who entered the deserted fortress to investigate discovered, among other horrors, an infestation of Dementors. The wizarding authorities of the time considered destroying the fortress, but, fearing reprisal by the dark entities or the island itself, decided against such action, and the Ministry allowed the sizeable colony to remain; the island was thus left unmolested and unchecked for many years, perhaps decades, until the International Statute of Secrecywas established.

Due to the impracticality of using small, local prisons, which could result in bangs, smells and light shows if inmates escaped, plans for a single, purpose-built wizarding prison on some remote Hebridean island were made at the passing of the International Statute of Secrecy. However, when Damocles Rowle was elected Minister for Magic in 1718, he insisted on using Azkaban instead, seeing the Dementors as a potential asset: putting them to work as guards would save expense, time, and lives. This plan was eventually put into motion and, despite protests, Azkaban remained the magical prison of Great Britain until the end of the Second Wizarding War, primarily due to its seemingly zero breakout rate. From that point on, the Dementors served the Ministry as the guards of Azkaban, as the arrangement allowed them to feed on the emotions of the prisoners within its walls. Opposition to the use of Azkaban did manifest, however.

Somewhere between 1733 and 1747 Minister Eldritch Diggoryvisited Azkaban, and was horrified at the inhumane levels of despair and insanity that the Dementors induced in the prisoners. He formed a committee to find alternative solutions or mitigating measures, the least of which was to remove the Dementors; even this, however, met opposition from those who feared a mainland invasion if the Dementors were deprived of their food source. Diggory died of Dragon Pox while in office, and thus the campaign to find an alternative to Azkaban's Dementors stalled. Reversing his predecessor's position, when Minister Hesphaestus Gore took office, the prison was renovated and reinforced. No serious opposition to the continued use of the prison arose in the next few centuries, and no Minister considered closing the prison until the Minister of Magic Kingsley Shacklebolt began major reforms of the entire Ministry in 1998.

Since 1717, using any of the three Unforgivable Curses on another human being has carried the punishment of a life sentence in Azkaban (unless there is sufficient evidence that the caster did so under the influence of the Imperius Curse, or legal exceptions made by the Ministry of Magic as in the case of Aurors in the First Wizarding War).

It was during the First Wizarding War that Bartemius Crouch Senior, Head of the Department of Magical Law Enforcement at the time, sentenced many suspects to Azkaban without a trial. While this allowed many Death Eaters to be imprisoned without giving them a chance to escape by manipulating courts, it also resulted in wrongful imprisonment of innocents, such as Sirius Black. Many citizens of the magical community supported this move, due to the terror of Lord Voldemort gripping the nation; it was only when the war ended and peace began to sink in did people saw Crouch's actions were too harsh. It was also during the first war that Alastor Moody, famous Auror, captured many Death Eaters, which resulted in " *half the cells in Azkaban are full thanks to him* ".

During the Second Wizarding War, in which the Death Eaters took over the Ministry, the prison also fell into their usage. They released all of their comrades and falsely cleared them, while sentencing many innocent Muggle-borns and other enemies of theirs to Azkaban under sham trials and trumped-up charges. Also, the Dementors were given more areas to reign upon than simply guarding the inmates. Some Muggle-borns did not survive the ordeal in Azkaban, a reason why Dolores Umbridge was given a life sentence after the Death Eaters and Lord Voldemort were defeated.

Azkaban earned a reputation as a horrific place, mostly due to the Dementors. Because of these creatures, most prisoners eventually went insane and slowly died under the Dementors' depressive influence, having lost their will to live and even stopped eating. Even those who survived to be released would remain traumatised by their experiences within the prison: Marvolo Gaunt was left heavily weakened during his six-month sentence, which may have been a contributing factor to his early death, while Rubeus Hagrid could remember how miserable he was there even long after his release. Even Sirius Black and Bellatrix Lestrange's physical appearances were telltale signs of their deterioration within the prison, losing most of their great aristocratic looks.

The Dementors' primary concern was their supply of human emotions to feed upon and, disregarding the prisoners' release terms, seemed unhappy to let them go. However, many denizens of the wizarding community remained happy that it was the Dementors who guard the prisoners, believing that they were what kept these dangerous people inside the remote fortress. On the other hand, there had been many who opposed the idea of keeping Lord Voldemort's most dangerous followers in the hands of such dark creatures, fearing that their loyalty could easily be swayed to Voldemort's side through bargains of which the Ministry could not compete with, perhaps one day handing the prisoners the key to their unjust freedom.

Being an unregistered Animagus was punishable by a sentence in Azkaban, as Hermione Grangerthreatened to expose Rita Skeeter as one to the authorities.

Being in possession of a "true" Time-Turner, one that allowed the user to travel back into the past beyond the five-hours safety boundary, was punishable by a sentence in Azkaban, as Theodore Nott was placed in Ministry custody upon being found in possession of a prototype, and Harry Potter noted that Draco Malfoyin possessing the finalised version would have been sentenced as well had the Ministry found out. It is unclear if the relevant laws directly referred to uncontrolled time-manipulation, or if the ban was on using experimental artefacts of great power in general.

During the 1990-1991 school year, Alastor Moody took Jacob's sibling, then a seventh-year Hogwartsstudent, to Azkaban to speak with convict Kazuhiro Shiratori, a Dark Wizard affiliated with 'R'. He had previously requested to speak to Jacob's sibling specifically in Azkaban to give them incriminating information about Burke, another Dark Wizard and 'R' member at the Ministry headquarters. While speaking to him caged in the Interrogation Room, Shiratori allowed Jacob's sibling to read his mind with Legilimency, where they learnt that Burke was located in the Romanian Dragon Sanctuary. After completing this assignment however, Jacob's sibling was requested back to Azkaban.

Later when they and Moody visited Azkaban again, Azkaban was placed into an emergency lockdown, in which the facility was completely shut off with the Dementors on patrol, as Patricia Rakepick, an inmate, had escaped her cell. Jacob's sibling was separated from Moody when a portcullis closed between the entrance, and was told to hide from the Dementors by Moody before he could rescue them, as they were still holding their wand and would be deemed a foe by the Dementors. They found Rakepick, their former professor and nemesis in the Interrogation Room and was forced to escape with her from the Dementors. After escaping into the cell blocks, Jacob's sibling repelled a Dementor with the Patronus Charm before Rakepick did the same using their wand. After a dishevelled Rakepick refused to re-enter Azkaban and was determined to escape, Jacob's sibling disarmed her with wandless magic and left her in the prison, after she admitted she had to pay for her failures. They were found by Moody after the lockdown ended and Rakepick was returned to her cell. They also heard a weird howling noise in the prison during the incident.

Azkaban was guarded by Dementors until most of them revolted and joined Lord Voldemort. As a result, Voldemort's Death Eatersescaped together to rejoin their master in both 1996 and 1997.

There was most likely an Anti-Apparition Charm or Anti-Disapparition Jinx on Azkaban; if there hadn't been, wizards and witches could simply have Apparated from the prison to the outside world. However, since it is debatable that most witches and wizards needed a wand to Apparate, this might be irrelevant, as none of the prisoners maintained possession of their wands. Most of the prisoners would barely have had enough strength to Apparate anyway, as the mere presence of Dementors, particularly in large numbers, inhibited the use of magical powers.

Before the Dementors' revolt, the only people ever to escape the prison were Barty Crouch Jnr and Sirius Black, in 1982 and 1993, respectively. Barty Crouch Jnr was smuggled out by his father, Barty Crouch Snr, and replaced by his dying mother using Polyjuice Potion, while Sirius was able to escape by changing into his Animagus form of a dog. Another mass breakout occurred in 1997 (most likely in the summer) but was covered up by the Ministry for political reasons.

There was a graveyard on the island outside the wall of Azkaban where the Dementors buried prisoners who had died. However, if the dead prisoner had a relative who was not a criminal, the relative in question had the right to pick up the corpse for a proper burial, as Barty Crouch Snr had the right to pick up the body that was disguised as his son, though he chose not to due to fear of being exposed of committing a jailbreak.

Although the prison was in the middle of the ocean with iron walls protecting it, it was unnecessary to keep prisoners inside, as Remus Lupin stated, because the prisoners were already trapped in their own heads due to the intense depression caused by the Dementors. As Sirius indicated, most prisoners went insane after a short while, and some even stopped eating, preferring death to their lives within Azkaban.

Visits to the island were heavily restricted, as only respectable

Ministry officials were noted to be allowed to visit with any possible relatives. An example is when Barty Crouch Snr and his wife were allowed a deathbed visit to their imprisoned son due to the former's high status in the government; they took advantage of this privilege to smuggle Barty Jnr out of prison. The Minister for Magic was also allowed to visit the prison, as to check out on certain prisoners on their conditions, as Cornelius Fudge did on Sirius Black. Arthur Weasley visited Azkaban on business once.

Azkaban prisoners were brought to the prison by Aurors, making Aurors the only officials who regularly visited the prison but only to hand over prisoners (before they replaced the Dementors as guards). John Dawlish was one official said to have been escorting prisoners during the Death Eater's reign over the Ministry.

Escaping from Azkaban was a serious offence, punishable by the worse-than-death Dementor's Kiss. Sirius Black was fated to this, if he had not been rescued beforehand, and Bartemius Crouch Jnr suffered from it when his escape became public. Such a punishment was probably because the escaped prisoners in question were too dangerous to be simply re-confined into the prison, as they could easily escape again.

After the end of the Second Wizarding War and Kingsley Shacklebolt's appointment as Minister for Magic in 1998, those who had been prosecuted and imprisoned by the Muggle-Born Registration Commission were set free. The Dementors, which had proved untrustworthy and brought about excessively inhumane living conditions for the prisoners, were removed from Azkaban's island and replaced by Aurors, who from that point took turns guarding the prison and regular fieldwork.

A number of surviving Voldemort supporters and Death Eaters were imprisoned in the aftermath, and any Ministry officials who knowingly and willingly went with Voldemort's ideologies during the time when the Ministry was under his control were sentenced to Azkaban, the most prominent being Dolores Umbridge, for her crimes against humanity (and, more specifically, Muggle-borns). The new security system had proven effective, as no breakouts had occurred since it was implemented, Even so, it remained a rather grim place in which to serve out one's sentence, with Daniel Page describing it as " *cold,* *silent, lonely."* after he visited his mother there in the summer of 2010.

When I was done they were shocked.

Sunset Shimmer: Wow that is amazing.

Me: Yeah it sure is. Hence why we call it the Alcatraz of the Wizarding World.

Sirius: So what will we be doing in Azkaban?

Nico: We're going to kill the rest of Voldemort's followers and give them all the Black Gates.

Me: Good riddance to those douchebags.

Nico: Raven, are you happy that your dad's gone?

Raven: Absolutely.

Camie: Who was Raven's dad?

Me: You would not like him Camie. Raven has had a tremendous number of issues with him for a long time. His name was Trigon the Terrible and he was the ultimate personification of Pure Evil.

I went over Trigon's history.

---

Trigon, also known as Trigon the Terrible, is the overarching antagonist of the 2003 series Teen Titans, appearing as a minor antagonist in Season 1, the main antagonist of Season 4, and a posthumous antagonist in Season 5. He is also one of the two main antagonists (alongside his 2013 incarnation) of Cartoon Network's eighth animated feature film Teen Titans Go! vs. Teen Titans. He is the father and archenemy of Raven who seeks to conquer the universe.

In Season 1, he was voiced by Keith Szarabajka who also played Daniel Holtz in Angel. In Season 4, he was voiced by Kevin Michael Richardson, who also played Mammoth in the series, The Joker in The Batman, Captain Gantu in the Lilo and Stitch franchise, Dark Laser in The Fairly OddParents, Temutai in Kung Fu Panda: Legends of Awesomeness, Goro in the Mortal Kombat game series, Chairman Drek in the Ratchet & Clank video game, Black Samurai in Scooby-Doo! and the Samurai Sword, Doug the Pimple in Family Guy, Tartarus in Halo 2, Sarevok Anchev in Dungeons & Dragons, Shredder in the 2012 Teenage Mutant Ninja Turtles series, Tombstone in The Spectacular Spider-Man Demongo in Samurai Jack, Skallox in Green Lantern (2011 Animated Series), Sir Morton in the Ben 10 Franchise and Kamek in the Illumination's Upcoming Mario animated film.

Teen Titans (2003)

Trigon first appears, unnamed and with a different appearance from his actual introduction, in the season 1 episode "Nevermore" as a manifestation of Raven's anger within her mind. Beast Boy and Cyborg see her fighting the evil copy to free herself of the anger she had while fighting Dr. Light.

Trigon later appears as the main antagonist in the fourth season. Trigon resurrects the Titans' foe Slade to force Raven into releasing him upon the Earth. In the three-part finale "The End", Trigon finally emerges and destroys the Earth; the Titans are spared by a fraction of Raven's power, which she had given them before releasing Trigon.

While Robin and Slade find Raven, Trigon uses Nega Beast Boy, Nega Cyborg, and Nega Starfire to attack their good selves. The 3 titans win by outsmarting their evil copies. Slade gets his flesh back by killing The Guard.

The Teen Titans are joined by Slade, so they launch an all-out assault on Trigon, but are ultimately too weak to defeat him. In the end, it is Raven who defeats him, using her own powers to banish Trigon, undoing the destruction he had caused in the process and the potential conquest of every world in the cosmos by his demonic followers.

Trigon possesses vast reality manipulation powers, enabling him to reshape the surface of the Earth on a whim, revive the dead (either as superpowered undead servants or flesh and blood), and rip the fabric of space to transport his army vast distances. He can bring a person's inner darkness to life, creating an exact replica of that person, down to their powers and memories. He also possesses more generic superhuman abilities such as firing energy blasts, creating force-fields, and controlling fire, the latter of which he can impart to his servants.

Despite being claimed to be the incarnation of pure evil and the source of all darkness, Trigon's ultimate weaknesses are his ego personality, obsession with power, sheer arrogance, and pure overconfidence; he had every opportunity of wiping out the Teen Titans when he had the chance, but instead he chose not to by merely stating that their rescue plan of Raven and their existence presented "no threat" to him. It is clear that Trigon failed to realize that he inadvertently underestimated the Teen Titans as well as his own daughter, which lead to his own downfall.

When I was done everyone was shocked!

Sirius: That is horrible!

Laney: No kidding and he was one of the most powerful adversaries we've faced.

Nicole: But he was incredibly strong too.

Nico: And he was big.

Me: He sure was. He turned the entire planet into a molten hellish world. But the TTG Version of Trigon is really funny. He cracks me up every time.

Eli: Yeah his jokes are hilarious.

Arrietty: They sure are.

Qin: I think they are awesome.

Me: And he just joined the Masters of Evil a while ago and it's really awesome.

Nico: Yeah. That is so awesome.

Me: Yeah he is really funny.

Nico: I hope the Prime version of Trigon never comes back for a long time.

Nicole: Don't worry Nico, me and Raven made sure that will never happen. We gave him the Black Gates.

Nico: Good. But that was one of the most epic battles we've seen.

Tsuyu: Wow! That is awesome.

Nico: Raven, since Beast Boy's with Tara, do you have a crush on Aqualad?

Raven: I haven't thought about it yet. But I think I have a crush on Naruto.

Me: Ooh! That's cool!

Sunset Shimmer: Wow that is awesome.

Me: Yeah it is. Bro would love having you in his family.

Raven: Thanks J.D.

Nico: It makes sense, given how similar you two are.

Me: That is true. Naruto and Raven both have similar backgrounds.

Eli: Yeah I agree.

Raven: I'm glad you think so.

Nico: With any luck, most of the dirtbags probably got killed by the Dementors.

Me: We'll soon find out.

We arrived at Azkaban.

Eli: Whoa!

Twilight Sparkle: Wow so this is Azkaban.

Laney: Yeah this is it.

Lola: And we're going to make all of Voldemort's followers a forgotten memory.

Me: After today his twisted ambitions will be nothing but a forgotten memory.

We went into the building.

We went in and we saw a dead wizard on the floor.

Nico: (sees the corpse of an evil wizard) Don't bother with the Black Gates. This one was dead before we got here.

Me: Looks like someone got to this one before we got here.

Cynder: These are lightning burns.

Laney: Our gene-slammer must be here too.

Nico: Yeah. Lets go get them.

We went for the evil wizards!

Nico: Lets see how they like this.

Nico activated the Eyecon for Myotismon!

ELIZABETH BATHORY AND MYOTISMON!

Me: Elizabeth Báthory the 16th Century Countess of Hungary!

Eli: Whoa!

Lucy Loud: Wicked.

Nico fired a blast of darkness and it slammed into the evil wizards and he sucked in all of their blood and got their magic!

Nico: Tasty blood!

Magine: Let me show you dirtbags the power of good magic! Mmm-mmm-Magine!

She fired washtubs at them and smashed their faces in.

Eli: Lets see what my Eyecon can do.

He activated his Eyecon for Baron Mordo!

MERLIN AND BARON MORDO!

Nico: The Great Merlin! Wow!

Eli fired a wave of magic and it turned the evil wizards into bowls of frogs legs.

Lana: Marinette is going to have Frogs Legs for lunch!

Nico: Wow!

Me: Nice job bro.

Brittney: Lets see what mine can do.

She activated her Eyecon for Rex Goodwin of the Condor!

MONTEZUMA AND REX GOODWIN!

Nico: Montezuma, the Emperor of the Aztec Empire!

Brittney fired a massive blast of purple fire and it formed into a Condor and incinerated numerous evil wizards.

Kaito: (gives Magine Dekaranger gear) Magine, since magic is your specialty, you take the lead.

Magine: (takes said gear) Thanks, Kaito!

Zocks: (takes out Abaranger gear) Don't leave me out.

Magine used the D-Wapper and Zocks summoned the Wing Pentact.

Zocks drew a hole and the Evil Wizards fell into it with a thud.

Me: And I'll try this out as well.

I pulled out a Blue Gear and it had the symbol for the Kamen Rider Saber Team!

Nico: Whoa is that a Kamen Rider Gear?

Me: Yep.

Lisa Loud: It's part of mine and Stewie's latest experiment. We made Kamen Rider Zenkai Gears and the Saber Gear is the test.

Me: Lets see if it works.

I used the gear and it summoned a more powerful version of the King Cross Sword and it had all the powers of the Wonder Ride Books we all have! It looked like a rainbow version of it.

Nico: COOL!

Me: Touma is not going to believe this when we help him on the big day. ETERNAL PHOENIX, BRAVE DRAGON, HOKUTO PHOENIX!

I activated said books and then fired a wave of stars and fire and they formed into dragon and 2 phoenixes and they slammed the Evil Wizards in the pit and obliterated them in an instant!

Zocks: By the way, that hole leads into the Warp.

Nico: Looks like they were holding on to the walls of the pit.

Me: Not for long and Lisa your experiment is a success.

We saw more wizards coming.

Nico: They're like cockroaches.

Raven: Azerath Metrion Zinthos!

She fired a wave of darkness and obliterated them all over the place.

Nico: Show no mercy, Rae!

Raven: That was good.

?: Let me get some of that action in!

We saw another Cynder appear!

Cynder: Is that another me!?

Nico: I know that voice anywhere. Been a while Cindy Lou Robinson.

She reverted back and we saw that she a girl with purple hair and black and purple clothes and had the Skylander Symbol for Undead on her shirt.

Cindy Lou Robinson: Same here Nico. It's awesome to see you again.

Cindy fired a massive blast of lightning and obliterated the rest of the Evil Wizards.

Nico: Good riddance.

Laney: That was awesome!

Raven: And the Dementors?'

Cindy Lou Robinson: They are now my servants.

Cindy had a bracelet around her arm and it was for the Dementors.

Cindy Lou Robinson: The Dementor's Kiss is going to automatically banish any bad guy that is beyond pure evil to the Black Gates forever.

Nico: Whoa! That is awesome!

Haiku: It sure is.

Raven: What is your favorite memory of Nico?

Cindy Lou Robinson: I have a really good one. Me and Nico were in math geography class and I saw a local bully girl causing trouble and then I used my dark magic to make her dance like a stripper and Nico covered his eyes and then she got in so much trouble and was expelled for it.

We laughed hysterically.

Lola: That is funny!

Me: Yeah! Awesome!

Nico: That was awesome.

Nico and Cindy hugged.

Nico: I really missed you.

Cindy Lou Robinson: Me too Nico.

Me: Lets blow this popsicle stand.

Nico: Good idea.

We later went back home.

Vroon: I'm glad we're using Kamen Rider gears again. But I wanted to use one. I didn't the last time!

Zocks: Me and Magine didn't exactly use any either. So, you're not alone.

Nico: Don't worry there will be new ones to come.

Me: Saber is only the beginning.

Eli: Yeah!

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Z-Fighters, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Gwen Tennyson are heading to Planet Vegeta, and not only is Lincoln going to rescue the eleven girls there, but we got word that Evil Vegeta, along with Raditz and Nappa, have been brought back from the dead by Damian Alaister, who's now gone completely off the deep end and slipped into eternal madness due to the past seventeen days of us foiling every last one of the murderous plots of The Church of Necrom.

Lincoln: Wow, we're here on Planet Vegeta, and I know what we're going to do here, not only am I going to rescue the eleven girls there, but we got word that Evil Vegeta, along with Raditz and Nappa, have been brought back from the dead by Damian Alaister, who's now gone completely off the deep end and slipped into eternal madness due to the past seventeen days of us foiling every last one of the murderous plots of The Church of Necrom.

Nico: That's right, big guy. Looks like us constantly foiling of every last murderous plot Damian and his fucked-up friends for the past seventeen days have caused Damian Alaister to go completely off the deep end and slip into eternal madness.

Me: And this is right before Vakama's big mission tomorrow, it'll be good to finally get rid of Damian Alaister and The Church of Necrom once and for all.

Lincoln: You said it, J.D., and I want to thank you and the Z-Fighters for joining us, Gwen.

Gwen Tennyson: You're welcome, Lincoln.

Paragus: If Damian was capable of bringing back Raditz, Nappa, and the evil version of Vegeta, who else is he capable of bringing back from the dead.

Nico: I'd rather not find out. That demonic fucked-up bastard and the rest of his cronies have crossed one line too many over the past seventeen days hiring villains we've never faced off against before, not to mention bringing the villains that we've killed in the past back from the dead.

Goku: But, knowing Damian, he's going to cross one more line later on today after our exercise at the gym.

Lincoln: But, we'll be ready for whoever Damian brings back from the dead to kill us again, Master Goku.

Lori: You said it, Lincoln.

Nicholette Torrington: And I'm looking forward to making that monster pay for everything he and the rest of his goons have done in the past.

Giselle Harrington: We all are, Nicholette. All those times they've tried to destroy us, not to mention finding out the two extremely dark revelations about The Church of Necrom, that gives us another reason to not only bring them to justice.

Lincoln: But, that gives us a reason to kill them, Giselle. That day six years ago when they murdered their parents in their Satanic ritual, they've already abandoned their humanity and became monsters who're driven by a thirst for blood, and wanting to bring death and destruction to mankind, they must die!

Nico: You said it, big guy.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Evil Vegeta, Raditz, and Nappa, and they're going to kill them. Lincoln also saw that Evil Vegeta, Raditz, and Nappa had the symbol of The Church of Necrom on their foreheads, that's proof

The Church of Necrom brought them back from the dead, and they also had an army of Darkness Demons with them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Evil Vegeta, Raditz, and Nappa, and they're going to kill them. I also saw that Evil Vegeta, Raditz, and Nappa had the symbol of The Church of Necrom on their foreheads, that's proof The Church of Necrom brought them back from the dead, and they also had an army of Darkness Demons with them.

Nicholette Torrington: I should've known that The Church of Necrom were the ones who brought that evil version of Master Vegeta, along with the two traitorous Saiyans, back from the dead, and that army of Darkness Demons with them, there's only one fucked-up bastard in The Church of Necrom who's able to summon Darkness Demons: Damian Alaister.

Lincoln: The sadistic and insane leader and founder of The Church of Necrom, just as I thought.

?: (Indian Accent) Those evil Saiyans, let's get them!

Suddenly, we saw the Duel Monster, Royal Cookpal Prince Curry, appear before us.

Nico: Whoa, that's Royal Cookpal Prince Curry, awesome.

Lincoln: And there's no mistaking that Indian accent from anywhere, I knew it was you, Saanvi Venkatanarasimharajuvaripeta, but we'll have to talk later, we've got three evil Saiyans to destroy.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Evil Vegeta, Raditz, and Nappa, and Lincoln fired powerful blasts of light from his massive deep sapphire blue angel wings with stars and destroyed Damian Alaister's army of Darkness Demons, and it allowed the eleven girls to get away. When Evil Vegeta, Raditz, and Nappa saw us, they were enraged.

Nico: I should've known Damian Alaister would stoop that low as to bring you three back from the dead, but this is the last time we ever have to deal with you three.

Lincoln: You said it, Nico. Let's get them!

incoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Gwen Tennyson, The Z-Fighters, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholsters his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Evil Vegeta, Raditz, and Nappa, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit them.

Then, Lincoln and Nico attacked the three evil Saiyans with powerful one-handed swings of their massive greatswords, leaving nasty scars on them, and they also gave the evil Saiyans a powerful punch to their stomachs, causing them to cough up massive amounts of blood. Then, Lincoln fired a Big Bang Attack at the three evil Saiyans made of black energy from The Black Gates, and he fired it, and it hits Evil Vegeta, Raditz, and Nappa, and exploded, and banished them to The Black Gates. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for those three evil Saiyans. (To Saanvi Venkatanarasimharajuvaripeta) And it's so good to see you again, Saanvi Venkatanarasimharajuvaripeta.

Saanvi Venkatanarasimharajuvaripeta reverted back to normal, and she's a beautiful 17-year-old girl with long flowing black hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive red angel wings, and she reigned in the power of Royal Cookpal Prince Curry, and she's dressed in a beautiful long pink and orange saree dress, red shoes, and long red sleeveless trenchcoat with fire and curries on the coattails, and Royal Cookpal Prince Curry on the back, and holstered on her back is a large Royal Cookpal Prince Curry-themed greatsword with Royal Cookpal Prince Curry etched on the 7'0" massive, wide, double-edged orange blade, large pink angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large pink gem surrounded by angel wings for the pommel.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Saanvi Venkatanarasimharajuvaripeta and they hugged, and Saanvi was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you two when you were fourteen, and as you can see, I really grew a lot since then.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Saanvi Venkatanarasimharajuvaripeta, she's one of my Guardian Angels from Calcutta, India, and she's also one of the most amazing Curry Chefs in the world. She knows how to make over 50 different kinds of Curries and she knows one of the most lethal kinds of curries ever known in the world. She knows a powerful Carolina Reaper Curry named Infernus!

Nico: Infernus, what's that?!

Lincoln: It's a curry made with Carolina Reaper extract and some of the deadliest peppers in the world. It's not only good but it's REALLY DEADLY!

Me: Whoa! Wait, I've heard about it, anyone who dares to eat that curry, it's not exactly pretty.

Eli: Yikes!

Me: I'm sure it sounds delicious and awesome. But wow your name is really hard to pronounce.

Saanvi: I know. But it's cool.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Saanvi's neck with orange gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Saanvi.

Saanvi Venkatanarasimharajuvaripeta had a smile on her face and tears in her eyes, as Lincoln then wrapped his abnormally massive and powerful muscular arms around Saanvi's waist and Saanvi wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Saanvi's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them. The eleven girls are Cleo Carter from Tutenstein, Sharon Esther Spitz from Braceface, Lt. Lucy Mai from Alienators: Evolution Continues, Jo Misra and Allie Campbell from Famous 5: On The Case, Sara Murphy from Milo Murphy's Law, Rose Cinderella, Astoria Rapunzel, Joy LeFrog, and Ling Ling IronFan from Regal Academy, and Sadie Josephine Sparks from Sadie Sparks.

Lincoln: Oh wow, it's Cleo Carter from Tutenstein, Sharon Esther Spitz from Braceface, Lt. Lucy Mai from Alienators: Evolution Continues, Jo Misra and Allie Campbell from Famous 5: On The Case, Sara Murphy from Milo Murphy's Law, Rose Cinderella, Astoria Rapunzel, Joy LeFrog, and Ling Ling IronFan from Regal Academy, and Sadie Josephine Sparks from Sadie Sparks.

Nico: Awesome.

Lincoln: Are you girls okay?

Sadie Sparks: Yes, we're okay, thanks to you.

Then, when Sadie Sparks and the other ten girls saw who it was that saved them from Evil Vegeta, Raditz, Nappa, and Damian Alaister's army of Darkness Demons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Sadie Sparks: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sadie Sparks: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and

handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Cleo Carter, Sharon Esther Spitz, Lt. Lucy Mai, Jo Misra, Allie Campbell, Sara Murphy, Rose Cinderella, Astoria Rapunzel, Joy LeFrog, Ling Ling IronFan, and Sadie Josephine Sparks with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villains we went after on Planet Vegeta were Evil Vegeta, Raditz, and Nappa, who were brought back from the dead by Damian Alaister, and they also saw his army of Darkness Demons there.

But, when Lincoln showed what we did in destroying the evil Saiyans, along with destroying Damian Alaister's army of Darkness Demons, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Saanvi have a lot of catching up to do now that she's back in town, and later on after the mission today, Nicholette Torrington and Lincoln are finally going to deal with Damian Alaister, and they're going to make that sadistic and insane bastard pay for all of the crimes he and the rest of his fucked-up friends have committed for the last six years, along with terrorizing the country, and also, for trying to kill us over the past seventeen days.

---

After getting rid of Evil Vegeta, Raditz, and Nappa on Planet Vegeta, along with destroying Damian Alaister's army of Darkness Demons, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Saanvi Venkatanarasimharajuvaripeta saw Lincoln working out like crazy, she had an atomic red blush on their face.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently

7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Saanvi, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) That's incredible.

Nico: It sure is. So, Saanvi, what memories did you have with Lincoln?

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) I remembered this one time, Lincoln and I were cooking some amazing Chicken Curry for lunch and Lynn Sr. was also in the kitchen with us. But, then, Lori busted in and ordered Lincoln to clean her room, but Lincoln told her no, and he was busy. But, Lori got so angry, she was about to attack him: big mistake since her dad was here with us, and I wasn't going to let that selfish, self-entitled, control freak get out of this. I decided to make one of the hottest curries ever: Kerala Chicken Curry, but to make it really hot for Lori, I added in an extra tablespoon of Kashmiri Chilli Powder, and when Lori ate it, her mouth was completely on fire, and Lynn Sr. knew why I did it since he saw the whole thing. So, after Lori was done cooling her big mouth off, Mr. Loud grounded Lori for ten weeks since he saw her whole act, and he took away her cell phone, and she swore she'd get us for that.

We laughed hysterically at what Saanvi did to Lori.

Nico: (Laughs Hysterically) Oh man, now that's what I call a case of hot and spicy justice!

Luna: I also saw the whole thing, dude. That was really slick of Saanvi to do that to Lori, that'd teach her.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) Thank you, Luna. Oh, and Lincoln, since I know you, J.D., Nico, Laney, and Lynn are True Spice Demons, look what I've made.

Saanvi then took out five bowls of her hottest Curry ever, Infernus, and our Geiger counters went off the charts when we saw the nuclear red hot liquid in the bowls.

Me: Whoa, that's really hot!

Nico: So, that's Infernus?!

Lincoln: Yep. You ready?

Me: You bet.

Lincoln, me, Nico, Laney, and Lynn ate the bowl, and then, we were entombed inside five powerful tornadoes of rainbow fire that exploded out of nowhere as we were gaining an extremely massive power boost, and the spicy tattoos on me, Nico, Lincoln, Laney, and Lynn were leaking out blood. Then, the tornadoes of rainbow fire died down as we sucked in the rainbow fire and explosions.

Nico: Whew, that was one really hot and deadly Curry, Saanvi.

Lincoln: No one else would even dare to eat it, Nico, not only is it that good and hot, it's also one of the most deadliest Curries ever. You'd have to be a True Spice Demon to eat this.

Me: Whew, you said it, big guy. But, that was one deadly Curry Saanvi made.

Lori: Literally.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer to see what triggered the alarm, and when he saw who it was that triggered it, we were in for a shock: the villains who triggered the alarm were Deep Blue, another of Zoey Hanson's enemies, the demon, Demigra, and the Swamp Witch.

Zoey Hanson: (Gasps) It's Deep Blue.

Chronoa: Along with Demigra.

Cattleya: Along with The Swamp Witch, I thought those three were killed long ago.

Reina: (Realizes something) Oh no.

Lincoln saw that Deep Blue, Demigra, and The Swamp Witch have the mark of The Church of Necrom on their foreheads, which means Damian Alaister's brought them back from the dead.

Lincoln: They were, but it looks like Damian Alaister's brought them back from the dead in yet another plan to kill us.

Paragus: I was right that Damian Alaister would bring back more villains to kill us, but these three are among the most destructive villains we've met long ago.

Vegeta: Which means we've got to give those three The Black Gates once and for all.

Lincoln: And Nicholette is going to give Damian Alaister the finger for what he just did. Come on, gang, time to put the kibosh on Damian Alaister's final plot to kill us.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy blasts at Deep Blue, Demigra, and The Swamp Witch. When they saw us land, they were enraged.

Demigra: You fools will never stop us, we will have our revenge on you all for killing us!

Lincoln: Not going to happen, Demigra. This time, all three of you will die a brutal death, and it'll send a message to the sadistic and insane psychopath who brought you back from the dead.

Chronoa: And we've had it with all three of you to last an eternity.

Suddenly, the eyes of Suno, Chronoa, and Cheelai turned neon, and they were surrounded by colored energy auras with elemental forces and mythological animals, and as they approach Deep Blue, Demigra, and The Swamp Witch, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Suno, Chronoa, and Cheelai were surrounded by massive vortexes of colored energy with elemental forces surrounding the vortexes, there's mythological animals flying around the vortexes, and in the vortexes are three colored phoenixes. Then, as the vortexes faded, Suno, Chronoa, and Cheelai emerged, but they were changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suno grew to 6'11" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long flowing red hair, she has neon brown eyes and a red energy aura with flames, phoenixes, and dragons surrounding her, she has a phoenix and a dragon emblazoned on her forehead, she has on phoenix earrings with red jewels for eyes and the Fire and Eternity Kanjis in its claws, she also has a phoenix and dragon with red gems for eyes and the Fire and Eternity Kanjis in their claws for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolt links. Suno has on a sleeveless yellow midriff top with a red phoenix on it, white skirt, pink pants, black leather knee-high combat boots, and a long sleeveless red trenchcoat with phoenixes, dragons, and flames on the coattails, and a dragon and Phoenix surrounded by fire on the back. Suddenly, Suno felt a sharp pain on her back, and then, massive red angel wings with yellow tips on the feathers, sprouted out from her back. Suno has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Cheelai has transformed into SUPER ANGEL ETERNITY INFINTY ARCTICSTORM DRACONIC PHOENIX ANGEL OF ARCTIC JUSTICE AND ICY LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Suno, Chronoa, and Cheelai, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes. But, when Demigra, Deep Blue, and The Swamp Witch saw them, they fell into a black rage and fired blasts of energy to kill them, but the girls dodged them, and they fired powerful blasts of red and purple energy with phoenixes, dragons, ice, fire, and clocks at Demigra, Deep Blue, and The Swamp Witch, and they exploded with incredible power as they hit them.

Lincoln: Wow, Suno, Chronoa, Cheelai, you three look beautiful. How do you all feel?

Suno: (Divine Echoing Cosmic Voice of The Firestorm Draconic Phoenix and Divine Love) We feel incredible, Linky.

Chronoa: (Divine Echoing Cosmic Voice of The Chronological Draconic Phoenix and Divine Love) Now, then, shall we destroy Demigra, Deep Blue, and The Swamp Witch once and for all?

Cheelai: (Divine Echoing Cosmic Voice of The Arctic Draconic Phoenix and Divine Love) And piss off Damian Alaister even more by flipping the bird at that sadistic and insane psychopath?

Lincoln: (Smiles) With pleasure, ladies.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Suno, Chronoa, and Cheelai.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of causing chaos and destruction are over, Demigra, Swamp Witch, and Deep Blue, but let's take this to a different planet.

Lincoln took the battle to Planet Glaren, and then, Kale, Caulifla, and Lincoln went after Demigra, Deep Blue, and The Swamp Witch, who fired energy blasts at them, but they dodged them, and they fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Dragons at Demigra, Deep Blue, and The Swamp Witch, and they exploded with incredible power as they hit them.

Then, Lincoln flipped the switches on his device for Electro and Saturn.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) SATURN ELECTROSTORM FURY!

Lincoln fired massive waves of powerful Saturn and rainbow super lightning at Demigra, Deep Blue, and The Swamp Witch, and they were electrocuted severely. Then, Lincoln, Suno, Cheelai, and Chronoa fired blasts of red energy at Demigra, Deep Blue, and The Swamp Witch, and as they hit them, Lincoln, Suno, Cheelai, and Chronoa sucked out their powers and abilities, and they and the rest of us made them our own. Then, Lincoln, Suno, Cheelai, and

Chronoa attacked Demigra, Deep Blue, and the Swamp Witch with their massive greatswords, and they left nasty scars on them, and even drew blood. Then, they sent the three villains flying, and they fired three powerful black energy blasts at Demigra, Deep Blue, and The Swamp Witch, and they were sent to The Black Gates and we also assimilated their powers and abilities, and we came back home. We all cheered wildly for what Lincoln, Suno, Cheelai, and Chronoa did to Demigra, Deep Blue, and The Swamp Witch as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Suno, Cheelai, and Chronoa are permanent.

Chronoa: And now, you three monsters will never return to torment anyone ever again. Thank you for helping us get rid of Demigra, Deep Blue, and The Swamp Witch, Linky.

Suno: Yeah, and we stopped another murderous plot made by Damian Alaister.

Cheelai: Yeah, and you really showed those three monsters absolutely no mercy, that was really amazing.

Lincoln: (Smiles Warmly) You're welcome, Suno, Cheelai, and Chronoa.

Suddenly, Lincoln made two clones of himself, and he wrapped his abnormally massive and powerful muscular arms around Suno's waist and his clones wrapped their abnormally massive and powerful muscular arms around Cheelai and Chronoa's waist, which took them by surprise, and Suno, Cheelai, and Chronoa wrap their arms around the thick muscular necks of Lincoln and his clones and their chests were pressed against the massive and wide muscular pecs of Lincoln and his clones, which brought an atomic red blush to their faces. Then, as Lincoln and his clones lean down to Suno, Cheelai, and Chronoa's faces, they kissed passionately as Suno, Cheelai, and Chronoa then placed her right hands on the massive and wide muscular right pecs of Lincoln and his clones, and right behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces, and we cheered for them.

Cheelai: Now, we're finally rid of Demigra, Deep Blue, and The Swamp Witch once and for all, and Damian Alaister, if you're watching this from the confines of your demonic castle. (FLIPS THE FINGER)

We went back home to The World Tree Estate, and back in their demonic castle, Damian Alaister saw what Lincoln, Suno, Cheelai, and Chronoa did and foiled his latest and final scheme again, and when he saw that Cheelai flipped him the finger, it pissed him off so badly, his red eyes turned blood red with insane rage and he roared in purely insane rage, and we heard it from the World Tree Estate. Grace covered Nanua's ears when that insane bastard screamed in even more insane rage.

Lincoln: (Smirks) Serves you right, Damian Alaister.

Nicholette Torrington: (Smirks) But, don't worry, you'll get your just desserts later today, you sadistic and insane bastard, and you and the rest of your fucked-up friends will pay the price for everything you all have done six years ago.

Later it was time for Whenua's 2nd Ambassador Mission with the Fourze Kamen Riders!

Gentaro: Whenua, this is Nadeshiko Misaki. Also known as Kamen Rider Nadeshiko.

Ryusei: She's also a SOLU organism.

Nadeshiko: It's an honor to meet you all.

Whenua: Same to you.

Me: It's an honor to meet you as well.

Nico: Same to you.

Twilight Sparkle: We are honored as well.

Gentaro: Why don't we talk more at the cafeteria? It's lunchtime anyway!

Nico: Good idea.

We went to the cafeteria.

Twilight: I have to say, Gentaro. Your school is just as good as the School of Friendship.

Gentaro: And that's awesome. Especially considering how similar you and I are.

Twilight: Yep. We both believe in the power of friendship. And-

SPLAT!

Just then, a pie hit Gentaro's face. He then saw Yuki point to Shun innocently.

UH OH!

Gentaro: (smirks) Nice try, Yuki. I know that was you!

Gentaro threw some sauce at Yuki but it hit Shun's face instead.

SPLAT!

Devon: I know where this is going!

Me: Me too! INCOMING!

Eli: HIT THE DECK!

Shun: FOOD FIGHT!

I formed a force field to protect us from the food as it was being flung everywhere!

Nico: (LAUGHS) Just like what happened on Remnant with Nora and everyone.

Devon: That was awesome though.

Mirage Daffodil: It sure was.

Outside, a group of figures were watching the whole thing.

?: That's right. Enjoy your food fight. The real battle's about to begin!

Eli then sensed it.

Eli: We got company.

We looked and saw the figures.

Me: Looks like we found our targets!

Gentaro: Whenua, before the battles start, would you like to be a Kamen Rider for my team?

Whenua: I would be honored Gentaro only if you let Twilight and friends be riders too.

Gentaro: Fair enough.

Me: We got Astroswitches for some of their archenemies that we got from the enemies of the Zi-O Kamen Riders and they are imbued with the powers of the Masters of Evil.

Starlight Glimmer: It's true and they are amazing.

Me: Yeah it's really cool.

Mirage Daffodil: We'll gladly give a belt to our mom and she'll come next time.

Nadeshiko: Good idea.

We went to face the group.

Nico: Whoever's out here, thanks for waiting for the food fight to finish!

Out came the figures.

We saw Pisces and Aries Zodiarts and also we saw Another Riders for Den-O and Blade!

Me: Pisces and Aries Zodiarts!

Nico: And Another Riders for Den-O and Blade! We haven't met the Blade Kamen Riders yet.

Me: Those are 2004's Kamen Riders.

Eli: Whoa!

Twilight Sparkle: This is gonna be awesome.

Me: It's buttkicking time!

Gentaro and Whenua: Henshin!

They transformed and were ready!

Twilight Sparkle: Lets do it!

Twilight Sparkle and friends minus Fluttershy: HENSHIN!

They transformed!

Twilight Sparkle - Kamen Rider Andromeda!

Sunset Shimmer - Kamen Rider Phoenix!

Applejack - Kamen Rider Hercules!

Rarity - Kamen Rider Lynx!

Pinkie Pie - Kamen Rider Camelopardalis!

Starlight Glimmer - Kamen Rider Eridanus!

Rainbow Dash - Kamen Rider Aquila!

Princess Luna - Kamen Rider Delphinus!

Princess Celestia - Kamen Rider Cygnus!

And Fluttershy will be Kamen Rider Columba!

Nico: COOL!

Eli: That is awesome!

Ryusei: What will you call yours, Whenua?

Whenua: Kamen Rider Grus!

Nico: After Grus the Crane. How awesome.

Me: I already know what my Kamen Rider Fourze form would be called.

Nico: Kamen Rider Lupus?

Me: Yep. After Lupus the Wolf.

Eli: Awesome choice bro.

Me: But first lets see who our Another Riders are.

Another Blade: Been a long time J.D.

He detransformed and I saw that it was another old enemy of mine. It was Lance Remington, a local bully that I got in trouble at school years ago.

Me: Lance Remington!?

Lance Remington: Nice to see that you remember me after all these years.

Me: I was hoping I would never have to see your ugly face again after everything you did Lance.

Nico: You know him J.D.?

Me: Yes unfortunately. His name is Lance Remington. He's an old enemy of mine from the 3rd Grade. I got him in trouble for hurting a bunch of kindergartners and he got shipped off to

Siberia.

Lance Remington: Yes and that was hell for me! I had my life stolen because of you!

Me: You brought all that on yourself.

Nico: And who is our Den-O friend.

Another Den-O: Er uh you should know.

Me: Wait only one person I know makes that Er Uh line. Mayor Joe

Quimby!

He detransformed and it was the former mayor of Springfield! JOE QUIMBY!

Nico: Joe Quimby. Nice of you to show your face here. Now I can kill you by order of the President.

Devon: Don't leave me out! Activate Beast Power!

He transformed!

Devon: UNLEASH THE BEAST!

Me: YEAH! Now for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Quimby's Another Den O suit pieces surrounded and then clamped onto him. Lance was covered by a blue card with Another Blade's face on it before turning into the Another Rider.

Another Blade: We have a score to settle Knudson.

Me: Looks like we do Lance.

Nico: And I'll deal with Quimby.

Eli: I'll face the Aries Zodiart.

Twilight Sparkle: And the rest of us will face the Pisces Zodiart.

Me: Lets get them!

Gentaro charged at the Pisces Zodiart.

Gentaro then kicked it down.

I slashed Another Blade all over.

Another Blade: You took everything from me!

Me: No you did that yourself!

I flicked the switches for Carmen Dillo and Mercury.

Me: ARMADILLO SPEEDING STAMPEDE!

I fired a massive rolling herd of Armadillos made of energy and smashed him down all over the place.

Me: Nice!

Shun came out.

Yuki: Shun, the food fight's over!

Shun: I know. But lunchtime's over as well anyway! (throws mashed potatoes at Another Den O)

SPLAT!

It hit him in the face.

Another Den-O: HEY!

Nico: Nice throw.

Another Den-O: Why you rotten…

Nico kicked him in the face.

Nico: Try this on!

Nico flicked the switches for King of Flan and The Sun!

Nico: SOLAR FLAN DELUGE!

Nico fired a wave of glowing Flan as bright as the sun and it hit Another Den-O and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Nico grabbed the Den-O Rider Watch.

Nico then fired a wave of energy and obliterated Joe Quimby and used the Black Gates on him and destroyed him.

Nico: So much for the Former Mayor of Springfield. And the new recruits of the M.O.E. Switches that Lisa made work perfectly!

Nico went up to Shun.

Nico: Thanks, Shun!

Shun: I may not be a Kamen Rider. But I don't have to be one to be a hero!

Nico: You were great though.

Shun: Who was that guy though?

Nico: That was the former mayor of Springfield, Oregon. Mayor Joe Quimby. Ever heard of him?

Shun: No.

Nico: You would not like him at all.

I slashed Another Blade.

Me: Now lets see how you like this.

I flicked the switches for Zen-Aku and the Moon.

Me: WOLF MOON SHINEBLADES!

I fired a bunch of blades of moonlight from my scythe and they hit Another Blade and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the Rider Watch for Blade and then I went over and tied up Lance.

Ryusei: Two down! Two to go!

Eli: Lets use a combo ion Pisces, Ryusei.

Ryusei: You got it!

Ryusei flicked the Saturn Switch.

Eli and Ryusei: SATURN FORCE RINGDANCE!

They fired waves of Force Lightning and Saturn Rings and they slashed Pisces Zodiart all over and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico caught the Pisces Zodiart Switch!

Nico: Pisces will be perfect for the M.O.E.

Gentaro: And then, there was one!

Nico: Yep.

Aries Zodiart: Bring it on!

Gentaro: Twilight and girls lets use a combo on this guy!

Twilight Sparkle: Yeah!

Sunset Shimmer: Lets do it!

Gentaro and Twilight and Friends: STELLAR ZODIAC BURST!

They fired waves of energy and elements and the blasts all hit Aries Zodiart and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was defeated and Nico grabbed the switch.

Nico: Aries will be a great addition to the M.O.E. too.

Eli: YEAH!

Nico: But those 2 Zodiarts and the 2 Another Riders have all failed this city.

Whenua: Are those Rider Tickets?

Me: They sure are.

We picked them all up and they were tickets imbued with the powers of the M.O.E. as well.

Me: We don't have any items from the Blade Kamen Riders yet.

Nico: We're going to meet them in the next set of Ambassador Missions in 2023.

Me: Wow less than a year.

Eli: Yep.

Shun went up to Lance.

Shun: (to Lance) I used to be like you once. Until Gentaro showed me that I can have friends!

Lance: Really?

Shun: Yes.

Me: But you're still going back to prison.

I snapped my fingers and beamed him to the Jupiter Prison.

We later came back.

May: How did it go guys?

Nico: Really awesome and amazing.

We told them everything and it was awesome and cool.

May: Wow! That was amazing!

Laney: So Diamond Joe Quimby is gone now!? Good riddance.

Jared: Yeah no kidding.

Me: Yep.

May: Goliath and the Cortez Kids should go with you next time.

Whenua: Awesome! It'll be great for them to meet my archenemy and the great Cortez kids.

Nico: Yep.

---

Maria was then watching something. And she wanted to show it to us.

Metal Man: What are you showing us right now, Maria?

Maria: Well, since Joker is gone forever, we're now free to watch Robot Chicken sketches featuring him without fear of losing our shit.

Nico: Cool!

Eli: Lets get to watching.

We got to watching the sketch.

---

The Joker: (laughing sinisterly in his hideout) Beware, Gotham City, nothing can stop… The Joker! (Batman immediately swoops in, and starts graphically beating up the Joker into submission. A time card then appears reading "Moments later…" and continues to show Batman beating down the Joker. Before he lands another punch, he shakes his wrist out of numbness, then lands the punch, then stops.)

Batman: No! One more punch would kill you! And I won't kill you!

The Joker: That means somehow I win! I go to jail, escape, kill people, go to jail! Rinse and repeat-

Batman: Yes, I know, it's an endless cycle. But I'm sworn to let the courts do their work. (to himself) Now what to do? Hmmm… (Scene immediately cuts to a courtroom.)

Judge Brown: And due to a persuasive testimony of the Batman, (aside glance) thank you, Batman, the court has decided upon the death penalty. (bangs gavel)

Batman: (to Joker) It's uh… it's out of my hands.

Commissioner Gordon: Maurice P. Joker, for 2391 counts of murder, and many other crimes that seem minor next to 2391 counts of murder, you have been sentenced to death. Have you any last words?

The Joker: (in an almost sincere voice) I know Jesus has forgiven me.

Police Officer: Is that a joke?

The Joker: (sobbing) No!

Police Officer': Here we go.. (The police officer then pulls the switch for the electric chair the Joker is strapped to, and he starts to become violently electrocuted.)

Police Officer: That's not right.

(Everyone else except for Gordon and Batman gasp as Joker screams louder and his eyes burst.)

Commissioner Gordon: Keep going until he's dead! It would be monstrous to stop now!

The Joker: (as he's still being electrocuted) AAAHHH! FUCK YOU, DORK KNIGHT! (Everyone else except for Gordon and Batman throw up in revulsion, soon the Joker shows no sign of movement.)

Police Officer: Oh, oh- (He and a fellow officer investigate the body, and tap it, only to see it react one final time before his head explodes.)

Commissioner Gordon: (nervously backing away) I didn't know- I-I didn't know…

Batman: Wait! (Opens Gordon's palm, to see that one of the shock sponge pads was ripped off the electric chair helmet.) But why?

Commissioner Gordon: (somberly) For Barbara. (Batman grips Gordon, almost threatening to knock him out, until he pulls out the other shock sponge pad. They both laugh it off, both imitate Joker being electrocuted.)

Gordon: (Starts dancing) Go, Gordon! Go, Gordon!

(CUTS TO STATIC)

---

When it was done we were laughing hysterically and it was so funny!

Lola: (LAUGHS) SO FUNNY!

Nico: (LAUGHS) That was really funny and awesome!

Batman: (facepalms) If I knew the electric chair was an option, I would've done it a long time ago.

Me: Yeah but not very many states still do it. Florida is the only state that still does the Electric Chair.

Nico: Yeah that's right. But that was really silly though.

Eli: It sure was.

Aylene C.: That was a really funny one though.

Fluttershy: It was really funny.

Fluttershy was eating a cabbage salad with Brussels Sprout flavored ice cream!? YUCK! But it was part of the natural process.

Mirage Butterfly: Gentaro now has you as a Kamen Rider for Fourze mom. You are going to be known as Kamen Rider Columba.

Nico: Yep.

Batman: But that clip was cool.

Thunderblast: That death was gruesome though. Is it possible for an electric chair death to go that far?

Me: I think it is. But you got to admit though it was fitting.

Eli: I agree there.

Nico: Yeah but that was a really funny clip still.

Varie: It sure was. But the smell from the Joker being burned like that would be horrible.

Sunset Shimmer: I agree there.

Punch: That part where his body moved one last time was unexpected.

Nico: No kidding there.

Lola: Yeah. But that was awesome.

Eli: Yep.

Lucy Loud: It was wicked though.

Lana: The Joker had it coming.

Me: But this was just a sketch though. Too bad it didn't happen earlier. But at least the Joker is gone forever.

We went over to Fluttershy.

Slog: How are you feeling, Fluttershy?

Fluttershy: Oh getting really big.

Her belly was huge.

Fluttershy: (Gets mad) YOU GOT A PROBLEM WITH THAT!?

Slog: Whoa sorry!

Me: It's all right Slog. She's not getting mad at you on purpose. It's part of the natural process of pregnancy. Mood Swings.

Slog: Oh good.

Fluttershy: Yes sorry about that.

Me: It'll be over shortly Fluttershy. Just try and hold on until tomorrow morning and you'll be back with us by then.

Fluttershy: I will.

Nico: I have just the mission for us today.

Me: Awesome!

Nico: And Fluttershy since you are on maternal leave I'm afraid you won't be able to come.

Fluttershy: I know Nico.

Me: But Lincoln will make a Shadow Clone to keep you company.

Lincoln: Yeah.

Lincoln did so.

Rainbow Dash: Pickle and Barley Barrel, Front and center!

They came.

Pinkle & Barley Barrel: REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Rainbow Dash: I need you guys to help Lincoln's shadow clone take care of Fluttershy while we're away.

Pickle Barrel: Yes ma'am!

Barley Barrel: You got it!

Then Iceage, Chillyfish, Hydros, Brain Freezer, Vexen, P'andor, Magma, El Diablo, Drakkon, and Molten Man appeared.

Iceage: Can me, Chillyfish, Hydros, Brain Freezer, Vexen, P'andor, Magma, El Diablo, Drakkon, and Molten Man go with you guys?

Nico: Yes you all can. And you're going to like this mission. We're going to meet the Swords of Justice and we're going to face the strongest dragon Type Pokemon ever, Kyurem!

We gasped!

Me: Whoa! Last time we did that was back 2 years ago in the Ural Mountains of Russia when we were on Total Drama.

Nico: Yep.

Fuse Man: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm going for Magic next so I'm hoping to do one for Spyro's kind next.

Spyro: Cool! A purple dragon Gene-slammer. This will be awesome to see.

Nico: It sure will.

Me: So it'll be someone who knows all about magic next like Twilight Sparkle, Trixie Lulamoon, or Lincoln. He has been learning all about Magic.

Nico: Or it can be Star Swirl the Bearded.

Star Swirl: Interesting.

Fluttershy: I'm sorry I can't be with you all for the usual battles today.

P'andor: (Russian Accent) Relax, Fluttershy. Your kids will represent you in the usual battles.

Mirage Daffodil: Yeah mom you just get ready for tomorrow.

Butterfly Rose: We'll gladly represent for you.

Fluttershy: Oh thank you kids.

They hugged her.

Me: That is true family bonds there too.

Nico: Yep.

Camie: Have you guys really faced Kyurem before?

Me: We sure have. It was back on Total Drama All Stars.

I went over what happened in chapter 651.

---

It at the estate. I was sparing with Hitmonchan and it was was proving to be an incredibly powerful sparring partner. It was giving me one helluva workout and I was sweating like there was no tomorrow.

Me: (Panting) Wow! You are a perfect sparring partner Hitmonchan. You deserve a break.

I called him back into his pokeball.

Me: Wow! After I shower it's time for some horseback riding.

---

I went back inside and everyone was watching TV and playing card games. I was dripping sweat.

Me: Whew! Hey guys.

Lori: Wow! J.D. you literally worked up a sweat.

Lynn: I'll say. I don't sweat that much in a day.

Me: I was sparring with Hitmonchan and he puts up as much of a fight as Master Goku and Master Piccolo combined.

Lincoln: Boy you really worked up a sweat.

Me: I sure did. After I shower I'm gonna go horseback riding. Any of you want to come with me?

Lincoln: I'll gladly come with.

Laney: Same here.

Xerneas: I'll go too.

Me: Okay.

I went to take a shower.

---

We were in the forests outside of St. Louis, Missouri. Me and Lincoln were riding our Rapidash and Laney was flying on her Flygon. Xerneas was holding onto me.

Laney: Wow! Look at all these trees.

Lincoln: The beauty of nature is so amazing.

Then we saw a Mothim.

Me: Hey it's a Mothim.

It was squeaking frantically.

Xerneas: It says that a woman named Cheryl is hurt and wants us to follow it.

Me: Uh oh. Show us Mothim!

We flew after the Mothim and we saw a woman with long green hair and green eyes and green clothes and her leg was caught in a bear trap.

Me: Oh no.

We got off our Rapidash and Flygon and ran to help.

Me: Are you Cheryl?

Cheryl: I sure am.

Me: Hold on we'll get you out of this.

Me and Xerneas grabbed the trap and pulled and we got her leg out. Cheryl's leg was bleeding bad.

Laney: That injury is bad. Hold on Cheryl.

Laney got out her first aid kit and started tending to Cheryl's wound.

Me: Are you all right Cheryl?

Cheryl: I am now thanks to you.

Me: Oh I'm sorry. I'm J.D. Knudson, leader of Team Loud Phoenix Storm.

Cheryl: Oh wow! I've read so much about you all.

Me: Your Mothim told us where to find you and we found you out here.

Laney: My name is Laney Loud.

Lincoln: I'm her big brother Lincoln Loud.

Xerneas: And I'm Xenia. It's a pleasure to meet you Cheryl.

Cheryl: Same here.

Me: I think Ash told me that he, Dawn and Brock helped you find the legendary Amber Castle and the enchanted honey of Vespiquen and Combee.

Cheryl: That's right. I'm a treasure hunter and my father's dream was to find the Amber Castle and the enchanted honey.

Me: You and my daughter Nicole all have something in common. She's a treasure hunter too. But I'll bet that honey must've been amazing.

Cheryl: It was.

Laney: That's as good as I can do it.

Me: Can you walk Cheryl?

Cheryl: I think so.

She tried to get up but her leg was badly hurt and she fell and I caught her.

Me: I think your leg might be broken Cheryl. We're gonna have to get you to the infirmary at Team Loud Phoenix Storm Estate.

Cheryl: Okay.

Then a Liepard, a Magcargo and a Marill came out.

Me: Hey it's a Liepard, a Magcargo and a Marill. They are so awesome.

I threw 3 pokeballs and caught them.

Me: Okay. Lets get you to our infirmary Cheryl.

Laney: You can ride on Flygon.

Cheryl: Thank you Laney.

Me: Okay now I'm going to help you up Cheryl. Now don't take this the wrong way.

Cheryl: Okay.

I lifted her up bridal style and place her behind Laney.

Me: Okay. Hold on tight to Laney okay.

Cheryl: Thank you so much J.D.

Me: You're welcome Cheryl.

We went back to the estate. Cheryl was amazed at what she was seeing from the air. The surface of the planet went on forever and the view was amazing.

Cheryl: The view of the land is so amazing!

Laney: It sure is. The beauty of the planet goes on forever.

We arrived back at the estate. I opened the door and I Cheryl was holding on to my shoulder.

Me: Hold on Cheryl you're gonna be all right.

Ash and friends saw her.

Ash: Cheryl!

Dawn: It's great to see you.

Me: Easy guys. Her leg is broken.

Brock: What happened?

Laney: We were in the forests of Missouri and her Mothim showed us that her leg was caught in a bear trap.

Xerneas: So we pulled it off her and we got her here.

We put Cheryl in a bed in the infirmary and Lisa wrapped her leg in a cast.

Lisa: There we go. The bear trap fractured your leg in 3 places and I'm afraid You'll have to rest that leg for 10 to 12 weeks. You should be back on your feet in 4 weeks with crutches.

Cheryl: Thank you all so much.

Me: You're welcome Cheryl. Get some rest and if you need anything let us know.

Cheryl: I will J.D.

Me: And Brock, No funny business. Misty told me about how you instantly fall head-over-heals with beautiful girls. So don't even try anything.

Brock: Oh please. You know I would never… (Goes over to Cheryl and kneels down) You are so beautiful and so…

I grab Brock by his ear and pull him out of the infirmary.

Me: Love has an extremely funny way of dealing with you Brock. Sorry Cheryl. He gets like this all the time.

Cheryl: It's all right.

Cheryl was on the road to recovery. But it was gonna take a while.

## Part 2: The Start of a Canadian Sequel

---

In my room, I was packing my things.

Me: (To the Viewers) Today is another great day guys. Today starts day 1 of the most popular show in all of North America: TOTAL DRAMA ISLAND! But this one is gonna be much different than the one me and Naruto attended. It's called Total Drama All Stars World Tour Style! They altered the show to make it have a Heroes VS Villains theme but with a Total Drama World Tour style flare. We're gonna go around the world and do all kinds of awesome challenges that many would find to be death sentences. When me and Naruto were on the show, we dominated the whole show as the Atomic Owls. This time it's gonna be different. We're not gonna be called the Atomic Owls this time. They really raised the stakes in this season and the prize money is now much bigger than ever before. The winner gets the biggest prize in the history of the world: $10 Decillion. That's 10 with 33 zeroes! Unbelievable! This time however it's not gonna be just me and Naruto. Nico, May, Maria, William, Lincoln, and Lynn are gonna participate. It's gonna be so awesome having us all on the show!

I finished packing.

Me: All set. Now to head downstairs.

I went to my closet and pulled out an awesome leather vest. It had the Atomic Owls logo on the back.

I take my suitcase and slide down to the living room. We were all at the front door.

Me: Are you all excited to see us on TV?

Lori: We sure are J.D.

Lana: It's gonna be so cool seeing you guys travel the world and do challenges in different places!

Laney: I don't think our global trip had that.

Me: No it did not.

Lincoln: This is gonna be so awesome!

Nico: We're gonna have an awesome time!

May: We sure are.

Me: You guys know how to reach us right?

Lola: We sure do J.D.

Me: Okay then. Well that's it guys. We'll see you all in a few weeks.

Everyone: Bye guys.

We took a bus to the docks.

Bus Driver: Good luck on Total Drama guys.

Me: Thanks man. It's gonna be awesome!

Bus Driver: Win that money guys.

Naruto: We will.

Lightning: Lightning is ready for some action! Sha-yeah!

Lynn: Me too!

Lincoln: Lets head on over.

Duncan: I'm excited man. I'm ready to kick some major butt.

The Bus Driver left.

Me: Chris said to meet him at Toronto Pearson International Airport. Lets go.

We dashed and flew and we went all the way across the United States Canada Border into Ontario, Canada. Along the way Nico caught a Wingull. We crossed the lake and we were in Toronto, Canada. We arrived at the airport.

Me: Here we are guys. Toronto Pearson International Airport.

We saw a massive Antonov Plane, the largest aircraft ever built by Russia.

Me: We're flying in an Antonov Miri Plane!? Awesome!

Shockwave and Wheeljack we're there too.

Shockwave: That's right J.D. We're gonna be helping Chris out with the challenge ideas.

Me: Sweet!

We saw Chris McLean.

Chris: Hey guys! You're early.

Me: We like being early Chris. How have you been since the Sore Loser Fiasco?

Chris: Been doing good. Lets go in the plane and we'll show you around.

Me: Okay.

Chris: Duncan. I didn't expect you and Lightning to be here before I even announced the contestants.

Duncan: The two of us have been hanging with J.D. and the others for a while.

Chris: I can see that. Lets go.

We went into the plane and it was a breathtaking feat.

Me: Wow! Chris this plane is awesome! I can't wait to get started.

Maria: It's great to be a contestant on this show!

Chris: I know.

We went over our backgrounds and Nico's background shocked Chris and Chef.

Chris (to Nico): So let me get this straight. You killed Ken by accident. And his parents still blamed you for his death?!

Nico: That about sums it up.

Chef (sarcastically): Well, I guess you guys should go to prison, right? After all, you killed your share of villains!

Lynn: Actually, we already explained things to Ken's parents. And they really feel bad about blaming Nico for Ken's death.

Nico: So what? Am I just supposed to just forgive them for all the stuff they said to me?

Chris: Nico, take it from someone who's put several contestants through dangerous challenges. It's probably time for you to just forgive Ken's parents and move on.

Chef: Yeah, man! All these bad feelings you have towards them isn't healthy.

Me: I agree with Chef man. Having all those bad feelings is not good for you. You have to learn to let things go and move on. I know it's tough. But you have to move on.

Nico: (Sigh) You're right J.D. Thanks for that.

Me: No problem. No one can stay mad at anyone forever.

Lincoln: That's true.

Me: Also we have some things to discuss.

We asked Chris to bring back contestants like Heather, Scott, Amy and Eva.

Chris: You sure you want me to include contestants that are like Scott and Heather? I mean, I did promise you guys that I wouldn't.

Nico: We've changed our minds. Just make sure to have them voted off early.

Me: And how about this rule for you?

We went over a new rule for Chris and we discussed that if anyone does Anything and I mean ANYTHING like with Amy, Scott, Heather and Eva, they'll get automatically voted off the plane. But we're not kicking them out of the plane like they did in Total Drama World Tour.

Chris: I like it J.D.

Me: Yeah. Also you're gonna be watching everyone like a hawk and besides what fun would this be if there wasn't a villain to disgrace and ruin?

Chris: That's true and that's a really good point.

Chef: Yeah.

Me: Also we're gonna have some special help for you.

Chris: For the challenges?

Me: Yep. Shockwave and Wheeljack here are gonna help you with that.

Chef: So you guys are gonna help out with setting up challenges.

Shockwave: That is correct.

Chris: Just don't do anything that'll get someone killed! I was lucky enough to get a new season started.

Wheeljack: We'll try not to.

Chris: Good.

We went over the footage of the previous shows and it showed that Heather, Eva, Scott and Amy had done more terrible things than anyone else on the show and they were pure evil incarnate. We had to make sure that the contestants would never do stuff like this again.

An intern came and it was time for the other contestants to arrive.

---

The Show began.

Chris: It's time for another awesome season of Total Drama. This time it's gonna be an all star season with a World Tour twist. Lets welcome our contestants. First is our greatest contestant of all time. Please welcome back the Leader of the World Famous Team Loud Phoenix Storm: J.D. Knudson.

Me: Hello everyone! Great to be back.

Chris: Lets also welcome back his brother, the famous Shinobi of the Leaf and son of the 4th Hokage: Naruto Uzumaki Namikaze.

Naruto: Thanks Chris and I'm ready to rock it like last time.

Chris: I know. We also have new contestants with them. First of our newest contestants is Nicolas Chan.

Nico: Thank you all.

Chris: And his awesome girlfriend May.

May: Hey guys!

Chris: Making his debut is Lincoln Loud and his older sister Lynn

Loud.

Lincoln: Hello.

Lynn: Sup sports fans?

Chris: We also have the leader and 2nd in command of Team Loud Phoenix Storm's Redemption Squad: William Dunbar and Maria Rockell.

William: Hello everyone!

Maria R.: What's up?

Chris: And we have members of our original cast coming back as well as the members of Revenge of The Island, Pakitew Island and our sister show The Ridonculous Race coming on.

Chris welcomed Jo, Anne Maria, Geoff, Sierra, Brick, Lindsey, Beth, Katie, Sadie, B, Beardo, Brick, Cody, Dakota, Dave, DJ, Ezekiel (Who's back to normal), Harold, Justin, Leshawna, Max, Rodney, Sam, Scarlett, Sky, Staci, Topher, Trent, and Tyler.

Chris: I know. I'm sorry Geoff.

Geoff saw us.

Geoff: Wow! J.D. Knudson it's so awesome to meet you man.

Me: Pleasure to meet you too Geoff. Congratulations on your engagement with Bridgette.

Geoff: Thanks man and we're now officially husband and wife.

We cheered for them.

Me: Congratulations you guys.

Bridgette: Thanks J.D.

Chris: I'm happy for you all.

We also had Kitty, Emma, Crimson, Ennui, Taylor and Blaineley with us. It was gonna be so cool!

Jo (to Lightning and Duncan): You two won't even be a challenge!

Lightning: You really think so?

Duncan: Try telling that to Red Herring, Hun, Fireball McPhan, and Titanic Twist.

Me: You better watch yourself Jo. Your overconfidence and sports pride will be your downfall.

Lynn: That's true.

Lightning: Lightning likes it. Sha-Blam!

Me: The Atomic Owls are back in business. But I have a feeling we're not gonna be called that.

Chris: And you're right. This season is a whole new theme. We're doing a Heroes VS Villains theme.

Me: I like it!

Chris called all of the Atomic Owls the Angelic Doves. Our logo was a yellow circle with a dove flying with a halo over it's head and rainbow light was shining in the background. Taylor, Crimson and Blaineley were placed on our team. And Chris called the Villains team the Devilish Bats. Their logo was a red circle with a demonic bat with devil horns on its head and fire burned in the background.

Chris (sternly): Alright. Now let me make one thing clear. The old me might've tolerated sore losers and cheaters on this show. But the new me isn't gonna stand for it. If I find out that you've been doing things that would make the Legion of Doom proud, you will be voted off after a challenge is done. Got it?

We nodded.

Me: Way to grow a backbone Chris.

Chris: I know. You'll find out what our first challenge is later. We got some flying to do.

Me: This is gonna be awesome!

Chris: I know. The first challenge is in the Ural Mountains in Central Russia.

Me: The Ural Mountains. That's 13,000 miles away.

I added the Angelic Doves logo to the back of my vest and we were on our way to the Ural Mountains.

* * *

We were flying at an incredible speed over the Atlantic Ocean. I was talking to Lori on my laptop as we flew.

Me: So we're heading over to the Ural Mountains in Central Russia and our first challenge is gonna be a tough one.

Lori: We're literally rooting for you J.D. It's gonna be so awesome seeing you all do some amazing challenges.

Me: It's gonna be awesome Lori. I don't know what our first challenge is but I have a strong feeling it's gonna be awesome.

Chris: We'll be landing in a couple of hours so I'll explain the first challenge to you all.

Me: It's time for our first challenge.

Chris: The first challenge will be very cool for most of you! We're heading into a mine in the Ural Mountains to face the Boundary Pokemon, Kyurem!

Me: Kyurem?

Chris explained that we have to face Kyurem with the help from the legendary Pokemon called the Swords of Justice: Cobalion, Virizion, Terrakion and Keldeo.

Me: I've heard about the legendary Swords of Justice. They are a Pokemon group that is very similar to that of the Three Musketeers. They help both Humans and Pokemon alike.

Nico: That is so cool!

Me: What kind of pokemon is Kyurem?

Chris: He's a Dragon Type Pokemon.

Me: Let me see here. Lori, can you put Iris on please?

Lori: Sure.

Iris was on.

Iris: What's up J.D.?

Me: The first challenge is for us to take on a dragon Pokemon called (In Slow Motion) Kyurem.

Iris gasped in horror when she heard the name of that pokemon.

Me: Uh oh. Sounds like you know something about Kyurem.

Iris: Yes. The elder of my village The Village of Dragons told me about Kyurem once. I asked her what the strongest Dragon Type Pokemon is and she told me that Kyurem came into being with Zekrom and Reshiram. Kyurem was bestowed with unsurpassed strength and power. Kyurem is constantly giving off a harsh freezing wind. Kyurem is the most powerful dragon type pokemon in the world!

We gasped when we heard everything she said.

Me: Are you serious Iris!? Kyurem is THAT powerful!?

Iris: He is. Kyurem is that powerful. He has the power to transform and that allows him to wield the power of Reshiram and Zekrom.

Me: Unbelievable. If Kyurem is as strong as you say he is Iris then we're in for one heck of an extremely wild ride.

Iris: That's right J.D. Kyurem beat Keldeo and the Swords of Justice the first time and it showed us how powerful Kyurem is.

Me: Unreal.

Nico: I can't believe Kyurem is that powerful.

Lincoln: Me neither.

Lynn: A pokemon like him must be incredibly tough.

Me: But a Pokemon like Kyurem would be an amazing challenge for all of us. The Most Powerful Dragon type Pokemon taking on all of us.

Then we got a huge surprise when a Meloetta appeared right in my lap.

Me: (Gasp) Oh wow. A Meloetta.

Iris: How did Meloetta get there?

Me: It sure surprised me.

Nico: Same here.

Lincoln: Ash told me a lot about Meloetta. It's a pokemon that is full of surprises. They are usually very shy and tend to appear when you least expect it.

Me: I believe it.

Nico: Would you like to be one of my pokemon Meloetta?

Meloetta agreed and Nico caught it with a Master Ball.

Iris: I wish you all luck guys.

Me: Thanks Iris. Nico is gonna try to catch Kyurem.

Iris: If he does that will make him a legend in the world of Dragon

Type Pokemon.

Me: He already is a legend. When we killed Team Rocket he caught Mewtwo and broke their control on him.

Mewtwo: That's right. It's true.

Me: I agree. Thanks guys. We'll let you all know how the challenge went. Or you'll see it on TV.

Lori: We will J.D. Be careful.

Me: Will do.

The call ended.

Me: I'm ready for anything Chris.

Chris: Great. And you'll be awesome for the challenge.

Lynn: OH IT IS ON!

Lincoln: Okay! Operation Win Nico A Kyurem is a go!

Me: You got it buddy.

Gwen: This is gonna be so awesome!

Taylor: I've heard you guys caught a lot of Pokemon.

Me: We sure did Taylor.

D.J.: Will we be hurting animals on this journey?

Me: D.J. I promise you no animals will be hurt. And you heard Chris. As long as we all play by the rules and make sure that villains get their just desserts nothing will happen.

D.J.: Thanks J.D. I feel very protected.

I give him the thumbs up.

Sierra was hugging Cody too tight and she made him hurl his guts

out.

Me: Uh Sierra.

Sierra: Oh sorry.

Geoff: Hey Lincoln I heard you won the Big Kahuna of Hawaii contest.

Lincoln: I sure did Geoff. It was an awesome day for me on our global trip.

Me: Lincoln defied the impossible by performing one of the most impossible moves in all of surfing: The Reverse 720 Topside Surf.

Bridgette gasped.

Bridgette: That move is completely impossible!

Me: Lincoln succeeded in pulling it off Bridgette. I'm so proud of him.

Lynn: Me too J.D. Dad taught him how to surf and that was awesome!

Bridgette: That's awesome Lincoln!

Geoff: Way to stuck the surf dude.

Chris: You guys have a lot of talent.

Me: Not to brag but yeah.

Later we arrived at our destination.

---

We went into an abandoned mine and we were accompanied by Cobalion, Virizion, Terrakion and Keldeo - The Swords of Justice!

Me: It's an honor to meet the legendary Swords of Justice.

Cobalion: You too J.D.

Virizion: We heard so much about your adventures and how you have done so much for the world.

Terrakion: You all have a strong heart for everyone you care about.

Keldeo: That's right.

Me: We get that a lot and we have to do everything we can to deliver justice swiftly to our enemies. As long as evil exists in this universe, nothing and no one will be safe from the darkness it casts.

Lincoln: That's right.

We got into a huge cave and out of the shadows came Kyurem.

Kyurem is a gray and blue, bipedal Pokémon of indefinable but seemingly draconic basis. Kyurem has a blue head and snout and has yellow eyes without pupils, has a pair of pointed light bluish horns on its head and a yellow crest on its skull. Three pointed teeth jut out the bottom of either side of its jaws, which are frozen shut by the ice covering its head. Its long, gray neck has lines running around its whole body, legs, arms and tail. It has two arms, each with its own claw and each arm is jointed together from its oddly shaped blue wings, which are believed to be used for flying and storing cold air. Each wing has two spikes of ice. The ice covering the wings can break, revealing gray tendril-like appendages on Kyurem's back. The right side of its body seems to be damaged in some way, as the wing and horn on its head on that side are shorter; the right side of its head also has a spiked edge near its jaw hinge that is absent from its left. Its legs are somewhat slender, and has three sharp ice-like claws on each enormous foot. Its tail has three blue conical spikes on its tip, and appears to be some sort of propulsion device or a container of energy; exactly what it is based on is unclear, but it may be a damaged turbine.

Kyurem has two alternate forms, White Kyurem and Black Kyurem, which are formed by combining with Reshiram and Zekrom, respectively, and share many aspects of their designs with them. It can use Absofusion on their respective Dragon Stones to change to White or Black Kyurem. When transformed into either, its legs are just like before, but shorter and the middle toe becomes ice. As

White Kyurem, it has some extra icy details on the legs. Its tail resembles that of Reshiram or Zekrom, but they are attached to the body with three gray parts of skin. The tail is capable of movement and contains four holes: they are horizontal on White Kyurem and vertical on Black Kyurem. The torsos of each form are similar, but White Kyurem's torso is more slim than Black Kyurem's bulky torso. Its shoulders are covered in 'squares' of ice with two pins protruding from each which can come out and 'plug in' the aforementioned holes. As White Kyurem, it has thin arms with two rings and three claws each, wings between the rings on its forearms, and its right arm and wing are frozen. As Black Kyurem, it has Zekrom's arms, but more muscular and without wings, and its left arm and wing are frozen. Its neck is the same shape, but becomes upright; White Kyurem uses Reshiram's fur and Black Kyurem uses Zekrom's skin. In both forms, the ice covering one of Kyurem's jaws (upper for White Kyurem, lower for Black Kyurem) has partially disappeared, allowing it to move its mouth. During battle, Black Kyurem and White Kyurem enter Overdrive mode and tubes sprout from its back to its tail. In White Kyurem's case, the ends of its hair and wings become fiery and its tail acquires fiery highlights. In Black Kyurem's case, parts of its right arm and the tip of the horn on the back of its head turn blue, while its tail lights up with electricity. In Kyurem VS. The Sword of Justice, Kyurem can also change into Black Kyurem or White Kyurem without fusing by channeling the power of powers of both Reshiram and Zekrom it has within itself.

Kyurem generates a powerful, freezing energy inside itself, but its body became frozen when the energy leaked out. Due to an old legend, it may be assumed Kyurem may be hostile towards Pokémon and humans, due to the fact it supposedly ate them if they were found outside at night. It is said to be an extraterrestrial Pokémon according to folklore. Kyurem is the only Pokémon that can learn Glaciate, while its alternate forms White Kyurem and Black Kyurem can respectively learn Ice Burn and Freeze Shock instead. White Kyurem and Black Kyurem can also learn Reshiram's and Zekrom's signature moves Fusion Flare and Fusion Bolt, respectively.

Me: Wow! So that's Kyurem.

Nico: His power is unreal. I can't believe he's that strong.

Lynn: This is gonna be interesting.

Lincoln: It sure is.

Gwen: I'm ready.

Kyurem: So you all have come to challenge me?

Me: We have Kyurem. If we win Nico will catch you and if you win you can go.

Kyurem: You have a deal.

Me: At least he's a pokemon of honor. Lets get him guys!

We powered up and transformed and we all went at Kyurem and he fired a massive blast of fire and I fired a blast of energy and he dodged it and the energy blast blew a hole into the wall.

Me: He's really strong! This is gonna be tougher than we first thought.

Nico: Guys, we need to weaken this Kyurem. Then, I'll catch it with a Master Ball!

Me: Okay.

Lincoln: Lets do it!

Lynn: Yeah!

Lightning: Sha-Blam!

We all went at Kyurem and bombarded him with energy blasts and more. Anne Maria was more concerned about her good looks more than the challenge.

Lightning hit Kyurem with a powerful punch and William fired blasts of fire from his blaster at it.

Lightning: It's combo time William! Sha-Pow!

William: You got it Lightning!

William and Lightning charged and were enveloped in an aura of pure fire.

Lightning and William: FIRESTORM PUNCH ASSAULT!

They hit Kyurem with devastating power.

With one light blast of lightning Lincoln weakened Kyurem.

Nico: Now Master Ball go!

Nico threw a Master Ball and caught Kyurem.

Me: You did it Nico!

Nico: YES!

Cody: Way to go man!

Chris: The Angelic Doves win the first challenge!

We cheered.

Me: This was so awesome!

Chris: I'm glad you all had fun. Now, let me review the footage to make sure everyone followed the rules.

Me: Okay.

Chris looked over what everyone on the villains did and all he saw was Anne Maria styling and standing there doing nothing.

Chris: Well it looks like Anne Maria is out.

Anne Maria: What!?

Chris: Refusing to take part in the challenge is an automatic elimination from the show.

Anne Maria: It's not my fault I have to worry about my looks!

Chris (to Anne Maria): So while everyone else was fighting for their lives, you were admiring yourself?!

Anne Maria: Why do you care? You just want ratings.

Chris: Things change! J.D. and the others made me a better person. Who do you think told them about Heather, Amy, Eva, and Scott, huh? Do you know that I didn't even want someone like you as a contestant? Most of the others thought I was crazy bringing in a Jersey Shore Reject who cares only about herself and her good looks!

Anne Maria: Hey, I'll have you know-

Chris: UH UH! THIS IS WHERE YOU ZIP IT! THE ADULT IS TALKING! What if someone got killed by that Kyurem because you were lazy, huh? Big deal right? Because that's on you. And if you died because of that Pokemon, I feel like that's on me.

Nico: Anne Maria you have failed this challenge.

Me: You said it man. (We high five) But.. (Gulps) Chris remind me never to get on your bad side.

Chris: I know.

Anne Maria was eliminated. In the cargo hold there was a section for the eliminated contestants.

We got on the plane and set out for our next destination.

Me: Great job guys.

Lincoln: Thanks J.D.

Me: So how you liking being on Total Drama, Lincoln?

Lincoln: It is AWESOME!

Lynn: I have a feeling that the next challenge is gonna be just as awesome as this one.

William: I have a feeling too.

Maria: And I can't wait.

Chris: Well the first challenge is done and a competitor was eliminated thanks to the new rules enforced. We have another great challenge ahead. Who will get sent to the loser section next? Find out next time on TOTAL.. DRAMA.. ALL STARS!

FLASHBACK ENDS

Everyone was amazed!

Nico: Yeah those were fun times.

Chris McLean: That was really awesome though.

Mason Brown: Back then, I wasn't part of the team.

Avior: And the Masters of Evil didn't exist.

Me: No this was back 3 and a half years ago. It was awesome though.

Nico: Boy it sure was.

Laney: We had a lot of fun on that one.

Eli: That is so cool.

Me: Many of us weren't with the team back then though.

Lana: Yeah that's true.

Nico: Yep. And it looks like we're heading to the Ural Mountains in Russia 🇷🇺.

Brain Freezer: Is it cold there?

Me: Somewhat. We're going to need our sweaters and jackets just in case.

Nico: Okay.

We went and got our jackets and sweaters.

Nico: Okay we're all set?

We nodded.

Nico: All right we're off.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Damian Alaister, the sadistic and insane leader and founder of The Church of Necrom, and he's coming to kill us for revenge for ruining his schemes, and he's now beyond major leagued pissed off, and completely gone off the deep end and descended into eternal madness. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Damian Alaister finally on the move?

Lincoln: That's right, Nico, and he's coming to kill us all for revenge for ruining his schemes, and he's beyond major leagued pissed off that we killed Evil Vegeta, Raditz, Nappa, Demigra, Deep Blue, and The Swamp Witch, and he's completely gone off the deep end and really descended into eternal madness.

Nicholette Torrington: So, Damian Alaister's finally on the move, huh? Perfect, now the time's finally arrived for us to make that bastard pay for everything he and his fucked-up friends have done in the past.

Lincoln: I've already sent in all of the evidence of The Church of Necrom's crimes from those six years, along with all the crap they've been doing to us to the police: summoning demons to torment me, hiring villains we haven't faced off against before to kill us, not to mention resurrecting villains we've faced off against in the past to kill us. We've already got the order to capture them and bring them in to face justice for their crimes in court, and once they've been handed down the most harsh sentence, which is death, we'll be the ones to end their lives, Nicholette.

Nicholette Torrington: Excellent job, Linky. Now, your plan's almost coming to fruition at last. All that's left is capture Damian Alaister, and drag him and his fucked-up friends before a court of law, and once the judge hands down their sentence, it's goodbye to The Church of Necrom forever.

Nico: So, that's part of the plan you had, Lincoln. This is going to be the biggest trial of the century, and one that forever seal the fates of Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna.

Lincoln: That's right, Nico.

Me: And you also intend to destroy that medallion Damian Alaister has in his pocket, right, big guy?

Lincoln: If anything, he'll have it on his neck, so all we got to do is beat him down and then, we get the medallion and destroy it.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And I know of the necklace that Griselda spoke about: it's known as The Necklace of Necrom, this dark artifact was given to that insane maniac after their dark Satanic sacrificial ritual six years ago.

Nico: And if you guys destroy it, it'll cause them to age until they're 23 years old: the age they would have been if they hadn't done their Satanic sacrificial ritual six years ago.

Lincoln: Yep, and they'll be tried as adults, and then, you know what that means?

Nico: (Smirks) Death Sentence. Awesome plan, big guy. Alright, gang, let's go.

Lincoln: Yeah, and you better be ready, Damian Alaister. (Eyes turn red) Your days of causing havoc and mayhem are about to come to an end, and you deserve absolutely no mercy for everything that you and your fucked-up insane friends have done!

With that we were off to the Ural Mountains of Russia.

URAL MOUNTAINS, RUSSIA

We arrived.

Me: Here we are guys.

Lugnutz: Think King Arthur would be glad to see Kyurem?

Nico: I think he would.

Eli: I agree too.

Me: But lets not forget guys. Kyurem is not to be taken lightly. Iris told us a lot about how powerful he is and he is a true force to be reckoned with.

Lola: Yeah his power is incredible.

Lord Drakkon: Well, we're not killing it.

Me: No we would never. But we already caught a Kyurem before. This time we'll have Kyurem join the Masters of Evil.

Nico: Awesome. Kyurem will make great addition to the M.O.E.

Me: We learned that Kyurem has a good sense of honor here.

Lola: That is a good thing.

Meta Knight: Let us be off then.

Me: Wait Meta Knight. We can't approach Kyurem and take him on directly.

Nico: J.D. is right. Last time we faced him we took him on head on. It was thanks to our teamwork that we beat him the last time.

Eli: Wow.

Me: So learning from past experiences we need to form a plan.

Nico: That's right.

Molten Man: Why not keep using the Eyecons and other Legend items? It's been working out so far.

Nico: We'll keep that option open. But Mark it'll take more than just our Eyecons and Legend items.

Me: That's right. We all got to work together.

Eli: Yeah.

Nico: Not only that but without a doubt Kyurem will have the Swords of Justice frozen like before. So we got to find them and free them as well.

Gyro Man: We also shouldn't cause an avalanche

Nico: Agreed.

We then saw the mine.

Me: There's the mine. Just like when we were here before.

Laney: Sure is a creepy place.

Me: But Kyurem is definitely in there. I feel the cold he has as well as the energy present.

El Diablo: Why don't I melt the Swords out?

Nico: You will be handy for that. But the Swords of Justice are also Pokemon. They are Cobalion, Terrakion and Virizion.

El Diablo: Oh.

Nico: Yep. Lets go.

We went into the mine.

Charmcaster: El Diablo's idea is still good.

Nico: I said that already.

Charmcaster: Oh.

Me: Guys lets focus.

Nico: This cold is starting to get to you guys.

We came to a huge chamber.

Me: Wow look at this.

Nico: Just like the last time.

Hydros: Good thing I'm made of ice.

Me: That is a good thing.

Nico: Look there.

We saw the Swords of Justice.

Nico: There they are.

We went to them.

Nico: Okay El Diablo do your stuff.

He fired a blast of fire and thawed them out.

Cobalion: Ah thank you everyone.

Terrakion: We are forever in your debt.

Virizion: Yes thank you.

Cobalion: Keldeo is going to fight Kyurem.

Me: Whoa man.

Bowser Jr: I'll use my fire breath to warm you guys up.

Terrakion: Thank you.

We formed a fire for them.

Nico: We should be just about ready to take on Kyurem.

Lola: Yeah.

Tundra Man: Yeah. If we can handle a Pokemon as powerful as Kyurem before we can do so again.

Iris: I agree there.

Magma: As soon as you guys are warm enough, we'll go after him.

Virizion: Thank you.

Me: Kyurem is close though.

Nico: But we're ready for him.

Vexen: I believe we should go confront Kyurem now

Nico: I agree. Lets do it.

We got ready.

I fired an energy blast to get his attention.

Kyurem's eyes glowed and he came out. Then the spirits of fire and ice came out and then swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above him and a phoenix cry was heard and then we came out.

Nico: Hello Kyurem.

Kyurem: Team Loud Phoenix Storm. Been a long time since I saw

you.

Me: 3 to 3 and a half years to be precise.

Avatar June: This won't be like before!

Me: That's right and as you can see there is a lot of us now.

Nico: Yeah.

Kyurem: I'm ready for you all. And I won't go down like I did the last time.

Keldeo: We'll see about that.

Me: Yeah!

Nico: It's showtime!

Kyurem: Do you mean that? Or is that another catchphrase?

Chillyfish: Probably a bit of both!

Nico: Yeah!

Me: I think that one is from Kamen Rider Wizard.

Nico: Yep.

Laney: Cool!

But then Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Doctor Octopus appeared.

Nico: Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Doctor Octopus.

Skinner: Is it cold in here or is it just me?

Me: Nice reference with Simon Phoenix there.

Skinner: Thanks.

Me: But it's not just you. It's really freezing.

LaGrange: No kidding. We also have a new recruit for you all.

A figure came out and it was Apsara!

---

Apsara's favorite dish is curry and she is very passionate about the dish, especially more if it is spicy. Her taste for spiciness goes as far as pouring 8 hot chili pepper into Yukari's green curry that contain frog, lizard, and grasshoppers. When one of the pepper shaker fell into the curry and the lid popped open, pouring all of its content, Apsara - to Yukari's distress - continue to pour more pepper in.

She easily becomes enraged if someone insults curry and doesn't like it, like Kokoa. She force fed tons of enchanted curry to Kokoa, turning her into her first "curry zombie" as she got carried away and filled the fountains with curry sauce, spreading her curry plague. This eventually leads the victim to have their skin tone changed to pure yellow and their lips become puffy and swollen from constant eating of spicy foods. They constantly babble curry as a part of their vocabulary; ether by moaning them or by simply replace similar sounding words with them, an example being "carry" or "worry." The victims continue to search out more curry until Apsara releases them from her spell or they eat something cooler like Mizore's cooking that partially broke the spell on Tsukune. A special case is Moka, who had her Rosario removed. This undid most of the transformation the curry caused except for the skin tone, though she did say curry like three times, twice without meaning to - despite her displeasure.

---

Me: Apsara! Awesome to see you again.

Apsara: (Hindu Accent) You too J.D.

Twilight Sparkle: Who is she?

Me: That's Apsara. She's the cooking teacher of Yokai Academy. She is also an Aspara, the Storm Spirits of Hindu and Buddhist Myth and she also makes a really awesome and great curry.

Naruto: And she tried to use her curry to control everyone but we stopped her.

Apsara: Yes and I'm sorry about that. But I joined the Masters of Evil because I needed money.

Me: That's understandable. Who have you chosen for your archenemy?

Apsara: I picked Saanvi Venkatanarasimharajuvaripeta.

Saanvi: I'm honored that you would pick me.

Silver Samurai: Congratulations on getting another set of Kamen Riders items.

Nico: Thanks!

Mole Man: You've earned it.

Snake: Especially after killing Quimby.

Me: Yeah he came back somehow and we don't know how.

Eli: Yeah. I think it was the Church of Necrom.

Me: And were down to their leader now.

Lola: Yep.

LaGrange: We also heard you killed a lot of evil wizards.

Nico: We sure did. That was awesome.

Grodd: Were any Dementors there as well?

Me: Yep and they are now with Cindy Lou Robinson here.

Cindy Lou Robinson: Yeah they are now my servants.

?: That is cool!

A figure came out and it was Kiaido from episode 28 of Gokaiger!

---

The strongest bounty hunter in the universe, Kiaido believes that only two things truly matter: money and battle. Throughout his career, he brings in 150 people which gives him over 100 million Zagin.

Facing Captain Marvelous and nearly killing him years ago, Kiaido intentionally stabs himself to create a weak spot on his chest to make the fight more interesting, though this ultimately lets Captain Marvelous escape.

Though hired by Barizorg to eliminate the Gokaigers, Kiaido refuses to follow orders as he wants to kill the pirates at their strongest. However, with Gai Yuki's help, the Gokaigers manage to defeat Kiaido through the Great Power of the Jetmen.

---

Eli: Kiaido! Wow you're the strongest Bounty Hunter of them all and you like money and battle. Also you faced Captain Marvelous and nearly killed him and you were hired to kill the Gokaigers.

Kiaido: That's right Eli. Good memory.

Nico: Eli knows so much about the Sentai Ranger teams and their enemies.

Kiaido: Too bad I wasn't adapted in America.

Me: Yeah what a rip!

Nico: I think it's because Jetman was never adapted. Would've been nice if it was though.

Me: Yeah that would have been nice.

Lola: Jetman was awesome.

Me: Yeah it sure was. But it was really amazing seeing that wedding scene when we met the Zenkaigers. That was awesome.

We laughed.

Lola: Yeah it was adorable!

Jayden Shiba, Sunset Shimmer, Pipsqueak, Fire Skylanders, Captain Marvel, White Tiger, Squirrel Girl, Slog and Wildfly VS Kenuichio Harada A.K.A. Silver Samurai - Nico's rescue

Silver Samurai was first.

Silver Samurai: (to Jayden) Nico and the others really took out a lot of Death Eaters in his rescue. And more Kamen Rider Legend Items were tested out.

Jayden Shiba: They sure were and it's so awesome that we destroyed them. Now the world is Voldemort Free.

Sunset Shimmer: Thank goodness for that.

Pipsqueak: (British Accent) Yeah the world is now a much better place without those monsters following Voldemort.

Sunburn: They don't deserve to be remembered for their crimes.

Captain Marvel: I agree there.

White Tiger: I agree there as well.

Squirrel Girl: Monsters like them deserve to be forgotten. Hell is too lenient for them.

Silver Samurai: I agree too. Lets do it!

They fired waves of fire and energy and smashed him down.

Starlight Glimmer: Yeah we sure had fun on that and we take on the leader of the Church of Necrom soon.

Cozy Glow: This is gonna be good.

Hex: No kidding there.

Mole Man: Boy I agree there too. What the Church of Necrom did is beyond pure evil and they will finally get what's coming to them.

Ingrid Third: They sure will.

## Vert, Rarity, Sweetie Belle, Water Skylanders, Jaden, Alexis, Syrus, Chumley, Bastian, Thunderblast and Lugnutz VS LaGrange - Meeting a Royal Cookpal Prince Curry Gene-Slammer

---

LaGrange was next.

LaGrange: (to Vert) I heard you guys met a Royal Cookpal Prince Curry Gene-Slammer. What's her name?

Vert: Her name is Saanvi Venkatanarasimharajuvaripeta.

LaGrange: Wow that's a hard name to pronounce.

Rarity: Oh it sure was but she makes really amazing curry.

Sweetie Belle: She sure does and it's really good stuff. And we found out something awesome about her.

---

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Saanvi, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) That's incredible.

Nico: It sure is. So, Saanvi, what memories did you have with Lincoln?

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) I remembered this one time, Lincoln and I were cooking some amazing Chicken Curry for lunch and Lynn Sr. was also in the kitchen with us. But, then, Lori busted in and ordered Lincoln to clean her room, but Lincoln told her no, and he was busy. But, Lori got so angry, she was about to attack him: big mistake since her dad was here with us, and I wasn't going to let that selfish, self-entitled, control freak get out of this. I decided to make one of the hottest curries ever: Kerala Chicken Curry, but to make it really hot for Lori, I added in an extra tablespoon of Kashmiri Chilli Powder, and when Lori ate it, her mouth was completely on fire, and Lynn Sr. knew why I did it since he saw the whole thing. So, after Lori was done cooling her big mouth off, Mr. Loud grounded Lori for ten weeks since he saw her whole act, and he took away her cell phone, and she swore she'd get us for that.

We laughed hysterically at what Saanvi did to Lori.

Nico: (Laughs Hysterically) Oh man, now that's what I call a case of hot and spicy justice!

Luna: I also saw the whole thing, dude. That was really slick of Saanvi to do that to Lori, that'd teach her.

Saanvi Venkatanarasimharajuvaripeta: (Indian Accent) Thank you, Luna. Oh, and Lincoln, since I know you, J.D., Nico, Laney, and Lynn are True Spice Demons, look what I've made.

Saanvi then took out five bowls of her hottest Curry ever, Infernus, and our Geiger counters went off the charts when we saw the nuclear red hot liquid in the bowls.

Me: Whoa, that's really hot!

Nico: So, that's Infernus?!

Lincoln: Yep. You ready?

Me: You bet.

Lincoln, me, Nico, Laney, and Lynn ate the bowl, and then, we were entombed inside five powerful tornadoes of rainbow fire that exploded out of nowhere as we were gaining an extremely massive power boost, and the spicy tattoos on me, Nico, Lincoln, Laney, and Lynn were leaking out blood. Then, the tornadoes of rainbow fire died down as we sucked in the rainbow fire and explosions.

Nico: Whew, that was one really hot and deadly Curry, Saanvi.

Lincoln: No one else would even dare to eat it, Nico, not only is it that good and hot, it's also one of the most deadliest Curries ever. You'd have to be a True Spice Demon to eat this.

Me: Whew, you said it, big guy. But, that was one deadly Curry Saanvi made.

Lori: Literally.

FLASHBACK ENDS

LaGrange: WHOA That must've been some really lethal and hot curry!

Pinkie Pie: What a party pooper!

Featherweight: Yeah and a total jerk!

Once in hand, they'll get a massive power and energy increase.

Nico: Medals this time huh?

Me: You are still just as fun as a challenge as you were the last time.

Atomic Skull: But you'll be a great addition to our ranks.

Calamitous: We just need to find you an archenemy.

Kyurem: I'm sure you'll find someone. Now, what shall we do now?

Skinner: Maybe we can watch the Robot Chicken sketch that J.D. and the others watched this morning.

Doctor Octopus: We were only told about it just now.

Nico: Well we first have to deal with the last member of the Church of Necrom and then bring those jerks all to trial!

?: (Enraged Screaming) You fucking Dark World bitches, along with you miserable Louds, have ruined all of The Church of Necrom's plans for the last fucking time!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Tahu, Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming.

Nicholette Torrington: And now, we've approached the final battle, and I should've known there's no mistaking that insane fucked-up scream from anywhere. You can come out now, Damian Alaister.

An inverted pentagram with Necrom on top of it drawn in blood red infernal energy appeared in the skies, and then, a mist of darkness came out and as it landed, the mist of darkness faded revealing a 17-year-old male teen with long black hair going down to his neck, pale skin, blood red eyes and dark red sclera due to insanity, and dressed in a long long-sleeved black coat, black shirt, black pants, and black ankle-high boots, and on his neck is a black metal necklace with five blood red gem inside the inverted pentagram pendant. It was Damian Alaister, the sadistic and insane leader and founder of The Church of Necrom.

Nicholette Torrington: Damian Alaister, the sadistic and insane leader and founder of The Church of Necrom, I should've known I should've known you'd be the last of the five high-ranking members of The Church of Necrom to come out after we took down Jocasta Belladonna, Jezebel Lanira, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Cole Sullivan, Douglas Moreau, Nigel Moreau, Carmen Sullivan, and Michael Devlin, along with killing Evil Vegeta, Raditz, Nappa, Demigra, Deep Blue, and The Swamp Witch, whom you resurrected!

Damian Alaister: Shut up, bitch! You all have ruined my plan to bring Lord Necrom into this pathetic world, so that we could destroy all of mankind and bring back The Dark Ages, and now, I will destroy all of you ourselves, especially you, Lincoln Loud, for killing Lord Necrom! And I will enjoy hearing all of your screams of pain and suffering! (LAUGHING INSANELY)

Nicholette Torrington: That's never going to happen, Damian Alaister, and now, your rampage ends here and now once and for all!

Suddenly, Nicholette Torrington's purple eyes turned neon purple, and she was surrounded by a dark purple energy aura with darkness, demons, and dark magic, she unholstered her massive Zure, Knight of Dark World sword from her back, and as she approached Damian Alaister, she left dark purple energy, darkness, demons, and dark magic with every step.

Nicholette Torrington: You just don't even know when to quit, do you? We've beaten you and your fucked-up friends down so many times and in all those many times, you and your fucked-up friends fled with your tails between your legs and howling like a wounded animal. That's it, I've had it up to hear with you, Damian Alaister, and now, I'll see to it that you'll pay for the crimes that you and your fucked-up friends have committed long ago.

Suddenly, Nicholette Torrington was surrounded by a massive vortex of purple energy with darkness, dark magic, and demons surrounding it, there's Snoww, Unlight of Dark World flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Giselle Harrington emerged, but she was changed forever.

(IMPERATRIX MUNDI AT 1:45 TO 2:14)

Giselle Harrington grew from 6'5" to 6'11" in height, she had black highlights in the bangs of her long flowing dark purple hair, she has neon purple eyes and a purple energy aura with demons, darkness, and dark magic surrounding her, she has Zure, Knight of Dark World emblazoned on her forehead, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Zure, Knight of Dark World with dark purple gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Nicholette Torrington has on a sleeveless black vest, sleeveless black midriff top, black skirt, dark purple pants with designs on them, dark purple sneakers, and long black sleeveless trenchcoat with darkness, demons, and dark magic on the coattails, and Zure, Knight of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Nicholette Torrington's massive dark purple angel wings grew much bigger for her new body, and the large dark purple feathers have black tips. Nicholette Torrington has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Nicholette Torrington's massive Zure, Knight of Dark World sword and Zure, Knight of Dark World's sword began merging and was surrounded by a kaleidoscope of purple energy, darkness, dark magic, and demons, and when it emerged, it's been transformed into Zure, Knight of Dark World's Demon Knight Sword of Darkness Justice, it's a brand-new greatsword with Zure, Knight of Dark World etched on the 7'0" massive, wide, double-edged dark purple blade, large black angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Zure, Knight of Dark World's head with dark purple gems for eyes and a large dark purple gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, her Dark World Grimoire, and rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and Eater of Sins revolver holstered on her left hip. Nicholette Torrington has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS DEMON KNIGHT ANGEL OF DARK JUSTICE AND DARK MAGIC LOVE!

We were amazed by Giselle Harrington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Damian Alaister saw it, he went even more fucking crazy and he fired a blast of darkness to kill her, but Nicholette Torrington fired a powerful blast of dark purple energy with darkness, demons, and dark magic, and it hit Damian Alaister and sent that sadistic and insane bastard crashing back first into a wall.

Michelle Harrington: Holy crap, now Nicholette Torrington's transformed into her Super Angel Eternity Infinity form, that's so awesome!

Nico: That's right, Michelle, and she sent that sadistic and insane bastard, Damian Alaister, crashing back first into a wall, and really pissed him off even more. This is going to be good.

Me: You said it. This is going to be one epic final battle against The Church of Necrom.

Lincoln: Wow, Nicholette, you look beautiful. How do you feel?

Nicholette Torrington: (Divine Echoing Cosmic Voice of the Dark Demon Knight and Dark Divine Love) **I feel incredible, Linky. Now then, shall we deliver Damian Alaister his rightful punishment?**

Lincoln: (Smiles) With pleasure, Nicholette.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and he joined Nicholette Torrington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing mayhem and chaos in the name of Necrom are finally over, Damian Alaister, and now, you will pay for everything you and your fucked-up friends have done!**

Nicholette Torrington and Lincoln went after Damian Alaister, who continued firing blasts of darkness at them like the fucked-up lunatic he's become, but they dodged them, and they fired powerful blasts of rainbow energy, dark purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Demons right at Damian Alaister, and they'd exploded with incredible power as they hit the sadistic and insane bastard, and he became even more pissed off big time, as he screamed in insane anger.

Damian Alaister: Darkness Demons, rise from the darkness of Hell and destroy them all!

Damian Alaister summons an extremely massive army of Darkness Demons, humanoid black demons with horns on their heads and massive black demon wings on their backs, and they were about to attack, but Lincoln spreads his massive deep sapphire blue angel wings with stars, which changed from deep sapphire blue into white, and he fired powerful blasts of sunlight from his massive angel wings at the massive army of Darkness Demons, and they killed one group of Darkness Demons and then, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Griselda Huffington, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, Celine Wendova, and Clara St. Clarice joined in and they transformed into their Super Angel Eternity Infinity forms and attacked the remaining massive groups of Damian Alaister's army of Darkness Demons and destroyed them, and they disintegrated into darkness, and they then joined Lincoln and Nicholette Torrington, and this pissed off Damian Alaister badly, as he took out a vial of red liquid and he drank it.

Then, they saw his red eyes turn even more red and the pupils into slits and his pale skin turned black, he had horns on his head and massive demon wings sprouted out from his back. Damian Alaister turned into a Nightmare Demon and he went at Lincoln and the Dark World Goth Girls, but they dodge his attacks, and they fired powerful blasts of energy and destroys the demon wings and horns, and Damian Alaister screamed in excruciating pain.

Nicholette Torrington: (Divine Echoing Cosmic Voice of the Dark Demon Knight and Dark Divine Love) **Linky, shall we do the honors in putting Damian Alaister in his place?**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Ladies first, Nicholette.**

Nicholette Torrington: (Divine Echoing Cosmic Voice of the Dark Demon Knight and Dark Divine Love) **Such a gentleman.**

Nicholette Torrington and Lincoln formed massive red energy balls in the palms of their hands, and they condense them to the size of their bodies, and they aimed them at Damian Alaister, who roared in anger and ran at them with murder and insane rage in his eyes.

Nicholette Torrington and Lincoln: **VOX PENICULUS POWER**

**ABSORPTION KARMA BLAST!**

Nicholette Torrington and Lincoln fired the massive red energy balls, which transform into red energy beams, and as the two red energy beams hit Damian Alaister, Lincoln and Nicholette Torrington began sucking out and absorbing all of Damian Alaister's dark powers and dark magic, and Lincoln's rainbow energy aura with Thunderbirds, Phoenixes, Angels, Buffalo, and Elemental Forces flared up, and he was gaining a really massive power and energy boost to his infinite power and energy, and the same thing happens to Nicholette Torrington as her dark purple energy aura with darkness, demons, and dark magic flared up and she was gaining a really massive power and energy boost to her infinite power and energy. When Nicholette Torrington and Lincoln were done, Damian Alaister was rendered completely powerless and drained of her powers, and he changed back to normal

Damian Alaister: (Enraged Screaming) No, what did you do to me?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **We sucked out and absorbed all of your dark powers, abilities, and dark magic, and now, you're powerless, Damian Alaister.**

Lincoln and the Dark World Goth Girls piled on and they began brutally pulverizing Damian Alaister all over the place, knocking out a couple of his teeth, punching him hard in the stomach and causing him to belch out massive amounts of blood. Then, Lincoln grabbed the Necklace of Necrom and tossed it into the air and he fired a rainbow energy blast, destroying it, and it caused Damian Alaister and all of the other members of the Church of Necrom who are still inside the black tarot card prisons and in the Dark World-themed tarot box to age until they were now 23 years old. Then, Lincoln threw one mean punch and knocked Damian Alaister down.

Nicholette Torrington: (Divine Echoing Cosmic Voice of the Dark Demon Knight and Dark Divine Love) **And now, you're finished forever, you sadistic and insane bastard.**

Lincoln fired two rainbow energy blasts, which transformed into a rainbow energy straitjacket and rainbow energy chains and bound

Damian Alaister, so he couldn't escape, and he was put into a gurney, and the same thing happened to Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna as they were freed from their tarot card prisons, but were also bound rainbow energy straitjackets and rainbow energy chains and put into gurneys, so they didn't escape. We cheered wildly as Lincoln and the Dark World Goth Girls holstered their weapons and powered down, and Nicholette Torrington's new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Lincoln: Now, for the next part of the plan.

Me: Time to take them to trial.

Lincoln snapped his fingers and we were all inside the Gotham Royal York Courtroom, and everyone is there in attendance including all of The Masters of Evil. When Katie Rockell came into the room and sat on the chair, the trial began: this was also part of Lincoln's plan, once they were captured, The Church of Necrom would be put on trial for their crimes. Thanks to the evidence presented and sent in, the jury deliberated for ten minutes, and they came back with a verdict: Guilty on All Charges, and the courtroom cheered.

Katie Rockell: These gruesome murders and crimes you all have committed over the last six years, not to mention what you tried to do in killing Team Loud Phoenix Storm in the past seventeen days have proved one thing: you all have an utter disregard for human life and you sold your souls to an evil being who sought to destroy everything in existence. Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna, because of what you all have done, all eighteen of you are hereby sentenced to death.

Everyone cheered at the news, and the punishment indeed fits the crime: Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna were sentenced to death by firing squad, and as promised, Lincoln and the Dark World Goth Girls would be the ones to kill them.

Lincoln: But, that's not the only surprise in store for you and your friends, Damian. After I destroyed The Necklace of Necrom, it also freed the souls of all those you and your fucked-up friends have killed from the walls of your castle, and your castle's now nothing more than a crumbling ruin.

We saw the spirits of the parents of Damian Alaister and his fucked-up friends appear, along with all those they've killed on their rampage throughout the ten states in the country, and they were here to see the execution of The Church of Necrom. Later on, we were outside, and Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna were chained up to the posts with rainbow energy chains, and they were really pissed off.

Damian Alaister: You think you all have won?! Savor this moment for it will be your last. (To the Mane 12) Can't you all feel it, soon, Evil Starlight Glimmer will return from the dead, and you will all perish!

Twilight Sparkle: You think we're going to believe that?! Starlight Glimmer and Linky got rid of her and her army of Equalists in the Live Action Transformers Universe.

Lincoln: We did, Twilight. (Suddenly Finds Out) You bastard, you sabotaged our attack, didn't you?!

We gasped in horror.

Nico: Linc, you mean Damian Alaister used his black magic to interfere, and instead of sending Evil Starlight Glimmer to The Black Gates…?!

Lincoln: She was sent to Oblivion by being Super Hakaied.

Me, Eli, and Nico: (Growling Angrily) You sadistic, demented, out-of-control, insane, demonic bastard from Hell!

Lincoln: That's also another reason why you also deserve to die. But, before we kill you all, answer us this: when is Evil Starlight Glimmer going to return?

King Kai: (Telepathically) I can answer that, Lincoln: Evil Starlight Glimmer's going to return on September 16th, once she regains her powers, and she'll gather an army of Equalists to kill you all.

Lincoln: That's only three months away, so we've got plenty of time to prepare for her. Thanks for the info, King Kai.

King Kai: (Telepathically) You're welcome. Now, give those monsters the send-off.

Lincoln: (Smirks) With pleasure, King Kai.

Then, Lincoln, Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Griselda Huffington, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Celine Wendova, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice formed nineteen massive black energy balls with the colors representing the Dark World Monsters, except for Lincoln's massive black energy ball which has rainbow colors inside it.

Lincoln and The Dark World Goth Girls: This is the end for you and The Church of Necrom, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta

Belladonna, and don't you even think about returning. DARK WORLD BLACK GATES JUDGEMENT BOMB BARRAGE!

Lincoln and the Dark World Goth Girls fired the nineteen black energy balls, and as they hit Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna, they exploded with incredible power, killing them and banishing all of them to The Black Gates, erasing all of them from existence forever.

Mr. Alaister: Thank you all for what you've done. What Damian, Nigel, and their friends have done has proven that they truly are nothing but pure evil since the day they were born, now, our souls can finally rest in peace.

Then, Cienna Kitomaru was hugged by her parents, who came to see her, as tears came down from her eyes.

Cienna Kitomaru: (Japanese Accent) Mom, Dad!

Mr. Kitomaru: It's okay, sweetheart, it's okay. (To Lincoln) And it's so good to see you again, Lincoln, and you've indeed gotten so big the last time we saw you.

Lincoln: Likewise. Its been a long time Mr. and Mrs. Kitomaru.

Mr. Kitomaru: You sure have grown into an awesome young man.

Mrs. Kitomaru: (Japanese Accent) Indeed, and we also want to thank you for what you've done in avenging our deaths, and we want you to promise us this: please look after our daughter.

Lincoln: I will, Mr. and Mrs. Kitomaru, I will.

Cienna's parents smiled, and then, light shined down from the Heavens, and the spirits of all those killed by Damian Alaister and his fucked-up friends were able to pass on to Heaven, and now, their souls can finally rest in peace, and we had tears in our eyes and a smile on our faces.

Me: It's over. The Church of Necrom has been silenced forever.

Nicholette Torrington: And now, it's finally over. Thanks for helping me with taking Damian Alaister down for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nicholette.

Suddenly, Nicholette Torrington wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down Nicholette Torrington's face, they kissed passionately as Nicholette Torrington's arms were still wrapped around Lincoln's thick muscular neck, and behind them was a Thunderbird, Phoenix, Angel, and Zure, Knight of Dark World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Nico: Alright, The Church of Necrom are finally gone for good. (Growls) But, I'm still pissed off that bastard sabotaged the attack that should've sent Evil Starlight Glimmer to The Black Gates.

Me: Looks like Damian Alaister wanted to give us one last "Fuck You" before Lincoln and The Dark World Goth Girls killed him and his fucked-up friends.

Lincoln: Either way, at least, now we know we're going to face Evil Starlight Glimmer on September 16th along with an army of Equalists, but we'll be more than ready for them.

Iris: Yeah and we will be ready for them all. (To the viewers) The Church of Necrom is now gone forever but the damage they did was absolutely irreparable. But we're now free of them. Also we now have to get ready for tomorrow.

Nico: Yes we do. Great job everyone. We now have Kyurem in the M.O.E. and we got rid of the Church of Necrom forever.

Me: We sure did. Now it's going to be awesome to have you all meet Max and team.

Nico: Yeah it sure will be.

Me: Now I have unfinished business to take care of with Victor Veloci. Get ready Veloci, (Eyes Glow Red) Your last day on Earth is tomorrow and you will pay for your crimes!

We went back home to the estate and went to sleep.

Meanwhile in Florida, Max and his team were getting ready for tomorrow.

Max (Dinosquad): I'm really excited to see J.D. again and it'll be awesome to see Vakama too.

Fiona (Dinosquad): Me too! And it'll be awesome to have him and all of the team help us.

Caruso: You got that right.

Max (Dinosquad): Yeah it is! Lets Dino Up!

They transformed and roared and they went at the screen and it turned red.

TO BE CONTINUED!

Another awesome fanfic done.

This chapter was based on the Pokemon movie Kyurem VS The Sword of Justice and that was a really awesome and amazing movie for Pokemon. One of my all time favorites. It aired in 2012 and it was the 15th movie for Pokemon. It was really awesome and this chapter was also a sequel to chapter 651. The first part was where we took down ALL of the evil wizards in Azkaban and it was great! The second part was where we went to planet Vegeta and we got to not only see what Nico's home planet was like but we also took down Evil Vegeta, Nappa and Raditz. Riding on our Rapidash was Nico, Nick Russell, Spyro of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading over to a city that I went to a while back.

Eli: So what is this place you went to bro?

Me: You'll see Eli. It's a place I went to a while back and there was a huge event going on.

Nico: I have a feeling this will be good.

Xenia: I have that feeling too.

Nico: Thanks for coming with me, Nick.

Nick: No problem Nico. It's going to be so awesome going with you on your rescue.

Lola: It's always fun.

Nico: Nick, how does it feel to have all the 10 Terrors with us?

Nick: It feels amazing and it's awesome having them as some of the Digidestined archenemies.

Me: They may not be part of the Core 310 yet but they are awesome.

Momo: They sure are.

Toru: Boy I'll say.

Laney: It's really awesome that they are now their archenemies.

Nico: The best part is that after Octomus' first demise thanks to you guys, the rest have stopped calling him the Master.

Me: That is awesome.

Nico: Yes it is.

Nick: And we're glad for that.

Me: Yep.

We saw that we were at our destination.

Me: Here we are.

We were at Dark City.

Nico: Dark City?

Me: I was here a while back and there was a really powerful feud here.

Nico: Really?

Me: Yep.

We went into the city.

Nick: I've got a very bad feeling about this.

Me: And that bad feeling is what you will see soon. When I was here the first time there was a terrible battle between 2 Pokemon Gyms here. The Yaz and Kaz Gyms. They were locked in a brutal Hatfield's & McCoys caliber battle with each other for who will be the most superior gym leader.

Nico: WHOA!

Me: Yep. And I sent them packing. I beat them both up and sent them flying.

Nico: Wow!

Lincoln: And I was with him back then.

Me: Yep.

Nick: We're gonna have to subdue both of them.

Me: Yep. After we beat them up.

Nico: I think Ash told me all about those guys and how they were just a bunch of Pokemon street brawler thugs.

Eli: Yes he did. I remember battling those clods too. They were nothing but a bunch of morons.

Laney: No kidding.

Gaon: Their Pokemon deserve better.

Nico: I agree there.

Me: Yep.

Then we heard shouting.

Xenia: Here they come.

We saw THE YAZ AND KAZ GYMS!

Eli: There they are.

Me: Here they come.

Eli: Yep.

We stood ready to fight. And they came up to us.

Nick: Hey. Sorry to bother you. Actually, we're not sorry at all!

Kaz Leader: YOUSE GUYS!?

Me: That's right us!

Eli: We're going to ask you this one time. You can either stop this brutal battle or we'll make you do it by force.

Lola: So what is it going to be!?

Yaz Leader: How about option three? WE KILL YOU ALL!

Me: We tried asking nicely. Now you guys are going to pay the price.

Kaito: (takes out ToQger gear) Option 2 it is then.

Zocks: (takes out Kyoryuger gear) Don't say we didn't warn you.

Kaito activated the rail attack and Zocks activated the Kyoryugers Samba Dance Attack.

Nico: Time to kick these so-called Gym Leaders Butts.

Xenia: That is for sure!

Xenia fired an arrow and it hit the Yaz Leader in his leg and he screamed in pain.

Laney: You don't have the right to call yourselves Pokemon Trainers!

Nico: By all means, call out your Pokemon. We dare you.

Kaz: YOUSE GOT IT! GO ELECTABUZZ!

They called out all their POKEMON!

Me: Now the fun begins. Lets see how you like facing the most powerful Pokemon ever known!

I got down and prayed to Arceus!

Me: Arceus if you can hear me, we have a situation here where we have 2 gyms that are battling each other and turning a city into a bloody war. We have to stop them and we need your help to do so.

Then a mighty flash of light blasted out and out came ARCEUS!

Arceus: I have heard your prayer J.D. and this madness must stop now.

Nico: (to Electabuzz) Hey! You only work for those two. So, I'm gonna give you a chance to ditch them and come work for us!

Kaz Leader: Don't listen to that monkey tailed weirdo! THUNDER PUNCH HIM!

But then he formed his fist full of lightning and then punched the Kaz Leader in the face and knocked him down.

Electabuzz warbled.

Me: Consider that his resignation from you!

Lola: Yeah!

Arceus blasted the Kaz Leader with a blast of energy and burned him all over.

Nico: (to Electabuzz) Smart choice. Now, you choose your new trainer.

He then went to Rainbow Dash!

Rainbow Dash: AWESOME! I have Electabuzz with me.

Nico: You sure do.

I punched a Kaz Gym Member and then the Kaz Leader grabbed a metal pipe.

Kaz Leader: I WILL KILL YOU!

Me: So that's how you want to do it!

I then pulled out some Slappers!

Me: I only use these when I have to. Thank goodness my poisonous blood neutralizes the addictive effects.

I then slapped 10 Slappers on my shoulders, arms and chest and then I got really buffed up and stronger.

Me: YEAH!

The Kaz leader went at me and I picked up a big heavy barrel and smashed him on his head and then he punched at me and his punches weren't even making me flinch.

Me: Nice.

Then…

KRAPOW!

I smashed my fist into his face and sent him crashing into the door of a building.

Nico: Let's see if some Eyecons can help!

Twilight Sparkle: Lets see what they can do.

Twilight activated her Eyecon for Kaos.

DAI VERNON AND KAOS!

Nico: Dai Vernon was a great magician from the 20th Century.

She fired a blast of magic and then blasted numerous Yaz Members.

I then punched the ground and upheaved the land and smashed a bunch of Kaz gym members down!

Nico: Bane would be proud, J.D.

Me: So would Jackson Chappell. He made the Slappers. But that's why I only use them when it's absolutely necessary.

Nico: Good and smart.

Eli: Yeah!

Laney: Yeah that is awesome.

Me: It's amazing that the coach of the team that football team was facing was cheating with them.

Lola: Yeah.

Toru: That is crazy!

Toru went invisible and she snuck behind the Yaz leader and gave him an Atomic Wedgie!

Nico: That's a more vicious version of what I usually gave Heure when I was with Sougo!

Me: You got that right. But if you think that one was bad, watch this.

I jumped and then I gave a Yaz Trainer an atomic wedgie that was so powerful and lethal that he screamed in excruciating pain!

Nico: (WINCES) OOH! THAT MUST'VE HURT!

Eli: BYAKUGAN!

Eli activated the Byakugan and he saw that the Atomic Wedgie that I gave the trainer FUSED IN WITH HIS PELVIS! GIVING HIM A PERMANENT WEDGIE! OUCH!

Eli: Ooh! That must've hurt!

Lana: No kidding!

Nico: Also, I hope Fluttershy's doing okay.

Lincoln: Don't worry I have a shadow clone watching her.

Nico: Awesome.

May: Lets finish this up.

Me: I agree.

I pulled off the slappers and got back to my normal size.

Me: Good thing they are reusable.

Lola: Yep.

Suddenly a massive wall of fire exploded out and burned many of the Yaz & Kaz members and smashed them down.

Lola: WHOA!

Nico: Nice job Lola!

Lola: I didn't do that!

Nico: Nick was that you?

Nick: No it wasn't.

?: That was from me.

We saw another Spyro!

Spyro: Another me!?

Spyro 2: Looks like the battle is done.

Nico: Nina Nefertiti!? Whoa!

Spyro 2: Awesome to see you again Nico.

She reverted back and was a girl with purple hair and purple eyes and clothes and she had the Skylanders Magic symbol on her skirt.

Nina Nefertiti: That is awesome.

Sunset Shimmer: Yeah! And are you related to…

Nina Nefertiti: No I may share the same name as the great Egyptian Queen, but I am not related to her.

The Yaz and Kaz members were defeated.

Me: I hope you guys have all learned your lesson.

Eli: Until you guys decide to get along and be friends, you guys are not getting Pokemon until then.

Rainbow Dash: I agree there!

Mirage Daffodil: You got that right!

Nico: Arceus, thank you for your help.

Arceus: It was my pleasure Nico.

He teleported back.

Camie: That is so cool that you have the power to summon Arceus.

Me: Arceus is the most Powerful Pokemon ever. He's not called the God Pokemon for nothing.

Lola: Yeah he is really powerful.

Nina Nefertiti: That was so cool though.

Spyro: Boy I'll say. Nina you look amazing as one of my kind.

Nina Nefertiti: Thanks Spyro.

Nick Russell: What's your favorite memory of Nico?

Nina Nefertiti: Well I have a lot of them. My favorite is where me and Nico went into the Thailand Jungle and we found the Ring of Nang Kwak.

Me: The god of Wealth in Thai Myth.

Nina Nefertiti: Yep. Its power is to grant wealth to anyone the caster will choose. Me and Nico used its power to make the Philippines rich. That was amazing. Also I'm an explorer and a jungle adventurer.

Nicole Knudson: Wow that is awesome. Awesome to meet a fellow adventurer.

Laney: Yeah we go on awesome treasure hunts too and they are so awesome.

Eli: We sure do.

Nico and Nina hugged.

Nico: I really missed you.

Nina Nefertiti: Me too Nico.

Me: This was an awesome rescue though.

Lola: Yeah it sure was.

Momo: We got a ton of awesome Pokemon too.

Sirius: Boy we sure did.

Mirage Daffodil: And I got a Scyther too.

Nico: Yeah!

Me: And Eli how did you learn how to do the Byakugan?

Eli: I got the same power you got bro. I have the power to acquire new powers by seeing them.

Me: Your powers are starting to evolve.

We later went back home.

We arrived back and Fluttershy was sitting on the coach watching TV and her animal friends were keeping her company.

Me: Hey Fluttershy.

Fluttershy: Oh hello everyone. How did the rescue go?

Me: Really well.

Mirage Daffodil: It was awesome.

Fluttershy: Oh I'm so glad.

Nico: Fluttershy, hang in there, okay?

Fluttershy: I'll be okay guys.

Me: Just hang on till after the Ambassador mission.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Right Suzuki are heading to New Mouse City, and not only is Lincoln going to rescue the four girls there, but we're also going to meet Geronimo Stilton, his 12-year-old nephew Benjamin, his sister Thea, his prank-playing jokester cousin, Trap, and Pandora Woz, and we're also going to face Shadow and have her recruited into The Masters of Evil and send Sally Ratmousen and Simon Squealer straight to prison.

Plus, we got word that Princess Elena now Queen Elena was ambushed and kidnapped by Simon Squealer and Sally Ratmousen, and when Eli heard it, it pissed him off badly.

Lincoln: Wow, we're here in New Mouse City, and I know what we're going to do here, not only am I going to rescue the four girls there, but we're also going to meet Geronimo Stilton, his 12-year-old nephew Benjamin, his sister Thea, his prank-playing jokester cousin, Trap, and Pandora Woz, and we're also going to face Shadow and have her recruited into The Masters of Evil and send Sally Ratmousen and Simon Squealer straight to prison.

Me: That's right, big guy.

Nico: And we also got word that Princess Elena now Queen Elena was ambushed and kidnapped by Simon Squealer and Sally Ratmousen.

Me: I know, and when Eli found out, he's really really pissed off now. Queen Elena's like a sister to him, and what Simon Squealer and Sally Ratmousen did just crossed a line.

We saw that Eli's eyes were red with anger and hate towards Sally Ratmousen and Simon Squealer, and there was already thoughts of murder on his mind, and Lori and Leni were keeping Eli restrained, so he doesn't do anything reckless.

Lincoln: A really big one, guys, and Lola's already getting to work on sending the crimes of Sally and Simon to the police, and thanks for joining us, Right.

Right Suzuki: You're welcome, Lincoln.

?: Ah, I'm glad that all of you could make it, Team Loud Phoenix Storm.

Suddenly, we saw who it was coming this way, it was Geronimo Stilton, head of The Rodents' Gazette, his 12-year-old tech-savvy nephew Benjamin, his sister Thea Stilton, his prank-playing jokester cousin, Trap Stilton, and Pandora Woz.

Lincoln: Geronimo Stilton, Benjamin Stilton, Thea Stilton, and Pandora Woz, just the mice we've been looking for, it's a pleasure to meet you all.

Geronimo Stilton: You too, Lincoln. What brings you all here to New Mouse City?

Nico: We got word that one of your enemies, Shadow, the elusive thief is here, and not only are we going to have her recruited into

The Masters of Evil, but we're also going to send Sally Ratmousen and Simon Squealer straight to prison.

Benjamin Stilton: And from I remember from your rescues, Lincoln, the villains you face are about to kill the girls you're going to rescue.

Geronimo Stilton: Benjamin, pull up the footage from the Daily Rat. There's still time to save the four girls. But first, we'll face Shadow and get her recruited into The Masters of Evil, and then, once the four girls call for help, we'll head on over and restrain Sally Ratmousen and Simon Squealer, so they don't even try to escape.

Benjamin pulled up the footage of what his Benpad caught: it was indeed Sally Ratmousen and Simon Squealer, along with Shadow, and they had the four girls tied up and gagged, and among the girls was indeed Queen Elena.

Nico: Whoa, that's some awesome tech work, Benjamin.

Benjamin Stilton: Thanks, Nico. The Benpad is capable of anything from video games, accessing the Internet, accessing the New Mouse City record archives, GPS tracking, editing, facial scan and recognition, interface with other computers, call-up maps, GPS, make calls, send emails, even shoot videos and pics.

Me: Nice.

Suddenly, we heard the alarm ring at the New Mouse City museum. Benjamin accessed the cameras, and he saw it was Shadow, the elusive thief, and she's making off with some stolen artifacts. We also saw it on the Benpad.

Lincoln: Shadow's on the move, let's go, gang.

We rushed for the museum, and when we arrived at the museum, we eventually saw Shadow, who'd maintained her cool when she saw us.

Shadow (Geronimo Stilton): Ah, so the famous Team Loud Phoenix Storm's arrived, along with the Stiltons.

Lincoln: Yeah, and we're here to take you down, and have you recruited into Vypra's Masters of Evil.

Shadow (Geronimo Stilton): Okay, then. But, you'd be wasting time, Sally Ratmousen and Simon Squealer are going to…

But, before she could finish, Lincoln moved swiftly and took her down by pinning her to the floor and putting her in an armlock.

Thea Stilton: Whoa, that was really awesome! Shadow didn't even see it coming.

Then, Lincoln let her up, and she was impressed by what Lincoln just did, and she returns the stolen artifacts.

Shadow (Geronimo Stilton): I must admit, you really caught me off-guard, alright then, I'll be heading to The Masters of Evil's HQ.

Lincoln beamed Shadow to the Masters of Evil's HQ, and alerted Vypra of what just happened today.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they're about to be dropped into a pool of sharks by Sally Ratmousen and Simon Squealer, who are at The Daily Rat, and among the four girls was indeed Queen Elena.

Lincoln: Guys, I found the four girls, but they're about to be dropped into a pool of sharks by Sally Ratmousen and Simon Squealer, who are at The Daily Rat, and among the four girls is indeed Queen Elena.

?: That rotten piece of tabloid trash and that sleazy stupid henchmouse of Sally Ratmousen, let's get them!

Suddenly, we saw Thestalos the Firestorm Monarch appear before us.

Nico: Whoa, that's Thestalos the Firestorm Monarch, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Hilary Thestalos, but we'll have to talk later, we've got to stop Sally Ratmousen and Simon Squealer.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Sally Ratmousen and Simon Squealer, and Lincoln got the four girls before Simon dropped them in, and he freed them from their bonds. When Sally Ratmousen and Simon Squealer saw us, Sally Ratmousen flew into a really bad rage, and even more when she saw the Stilton Family with us.

Sally Ratmousen: How dare you get in my way, Team Loud Phoenix Storm! Shadow should've gotten rid of you all when she had the chance!

Geronimo Stilton: I always suspected you had criminal connections with some of New Mouse City's dangerous criminals, Sally, and you and Simon resorted to dirty unethical tactics to try and ruin my reputation, but to almost end the lives of four girls, now, I have more than enough reason to say that you both deserve to rot in prison for eternity.

Lola: And don't think you're getting out of this: I sent the evidence of all of your crimes to the New Mouse City Police Department, along with The Gotham Royal York Department, and you're looking at getting put in the slammer, and your reputation's about to be ruined.

Lincoln: But, not before we beat you both down for what you both did.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity

forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Right Suzuki, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Sally Ratmousen and Simon Squealer, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit them.

Then, Lincoln fired a blast of magic and gave Sally Ratmousen a bad hair day and gave her a case of bad acne, and when she saw it, she freaked out and we laughed hysterically. Then, Lincoln fired a second blast of magic at Simon Squealer, and the blast tied the sleazy mouse up in a straitjacket made of Neutronium Chains, and the same happened with Sally Ratmousen, who were then taken into custody by Gotham Royal York PD. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for that no good piece of tabloid trash. (To Hilary Thestalos) And it's so good to see you again, Hilary Thestalos.

Hilary Thestalos reverted back to normal, and she's a beautiful 17-year-old girl with long flowing crimson red hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive crimson red angel wings, and she reigned in the power of Thestalos the Firestorm Monarch, and she's dressed in a short-sleeved crimson red blouse, crimson red tank top with star on it, crimson red skirt, crimson red stockings, crimson red knee-high high heeled boots, and long crimson red sleeveless trenchcoat with fire on the coattails, and Thestalos the Firestorm Monarch on the back, and holstered on her back is a large Thestalos the Firestorm Monarch-themed greatsword with Royal Cookpal Prince Curry etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red angel wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and a large crimson red gem surrounded by angel wings for the pommel.

Hilary Thestalos: You too, Lincoln, it's been a long time.

Lincoln went up to Hilary Thestalos and they hugged, and Hilary Thestalos was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become.

Lincoln: It sure has, I haven't seen you since kindergarten, and as you can see, I really grew a lot since then.

Hilary Thestalos: Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Hilary Thestalos, she's one of my Guardian Angels from Michigan, and I knew her from Kindergarten classes. She's a really talented and awesome sports star, and she's beaten Lynn in many sports and more and Lynn respected her as an awesome athlete, and she also saved me, Laney, and Lucy from Chandler and beat him and his friends up many times and you and J.D. are going to love this, Nico: she also loves nuclear hot spicy food.

Me and Nico were stunned at what Lincoln told us.

Me: Whoa, so she also loves nuclear hot spicy food?! That's so awesome.

Hilary Thestalos: And I saw the spicy tattoo on Lincoln's right shoulder, and the same ones on you, Nico, Laney, and Lynn. That means you guys are True Spice Demons, that's awesome. And I've also got a really horrible revelation about Vlad Plasmius that I discovered before he was arrested.

We gasped.

Lincoln: I have a feeling that we're not going to like this one bit.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Hilary Thestalos' neck with crimson red gems on the gold thunderbolt links and crimson red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Hilary Thestalos: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Hilary.

Hilary Thestalos had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Hilary Thestalos' waist and Hilary Thestalos wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Hilary Thestalos' face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Erotica Jones AKA Stripperella from Stripperella, Princess Sofia from Sofia the First, Queen Elena Castillo Flores from Elena of Avalor whom we knew was kidnapped by Sally Ratmousen and Simon Squealer, and Namikaze Maron from Assemble Insert.

Lincoln: Oh wow, it's Erotica Jones AKA Stripperella from Stripperella, Princess Sofia from Sofia the First, and Namikaze Maron from Assemble Insert, and I knew that among the four girls was Princess Elena who's now the new Queen of Avalor.

Eli: Elena, are you okay?

Queen Elena: It's okay, Eli, I'm alright.

Lincoln: Are you girls okay?

Erotica Jones: Yes, we're okay, thanks to you.

Then, when Erotica Jones and the other three girls saw who it was that saved them from Sally Ratmousen and Simon Squealer, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Queen Elena: Lincoln, oh man, thanks for saving us from Sally Ratmousen and Simon Squealer.

Lincoln: You're welcome, Queen Elena, and it's a pleasure to meet the rest of you.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Stripperella: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Erotica Jones AKA Stripperella, Princess Sofia, Queen Elena Castillo Flores, and Namikaze Maron with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villains we went after in New Mouse City were Sally Ratmousen and Simon Squealer, along with Shadow, and that among the girls rescued was Queen Elena, who was kidnapped by Sally Ratmousen and Simon Squealer.

But, when Lincoln showed what he did in defeating Shadow and getting her recruited into The Masters of Evil and saving Queen Elena and the other three girls from Sally Ratmousen and Simon Squealer, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Hilary Thestalos have a lot of catching up to do now that she's back in town, and as for Sally Ratmousen and Simon Squealer, they were convicted and found guilty for their crimes in New Mouse City and they were then sentenced to Eternity in The Neptune Prison for Traitors in Maximum Security Solitary Confinement Without the Possibility of Parole, and the Daily Rat building was torn down for good. We then moved Geronimo Stilton and his family to Gotham Royal York, along with New Mouse City, and Benjamin Stilton was filming the news report.

Geronimo Stilton: This was a truly amazing scene today: not only did we meet Team Loud Phoenix Storm, but we also stopped Shadow, who's been recruited into The Masters of Evil. And as for Sally Ratmousen and Simon Squealer, their crimes were exposed to the public by Lola Loud, and once that happened, Sally Ratmousen's reputation has been forever ruined, and after being convicted for their crimes, they were then sentenced to Eternity in The Neptune Prison for Traitors in Maximum Security Solitary Confinement Without the Possibility of Parole, and the Daily Rat building was torn down for good. But, the day's not over yet: stay tuned for more news. For the Rodents' Gazette, I'm Geronimo Stilton.

Benjamin Stilton: That was a great broadcast, Uncle G.

Thea Stilton: And now, Sally and Simon are in prison for good, and Shadow's now a member of The Masters of Evil.

Trap Stilton: And we're now residents of Gotham Royal York and members of Team Loud Phoenix Storm.

Pandora Woz: This is going to be amazing.

Geronimo Stilton: And with the adventures we'll have with Team Loud Phoenix Storm, there's no end to the scoops we'll be able to get, and with Sally and Simon now jail-mice, we won't have any trouble from them.

Nico: That's right.

Lincoln: And you'll also get a chance to interview us as well, Geronimo.

Thea Stilton: That's excellent. And is Eli okay?

Lincoln: He's going to be okay, Thea. And he also knew about Princess Sofia long ago, so it's also yet another amazing reunion for him.

Eli: That's right, and I know you'll take good care of both Elena and Sofia, Lincoln.

Lincoln: And I will, Eli, you have my word.

Lincoln picked up Eli, and they hugged, and we were also going to enjoy having The Stilton Family on the team.

* * *

After meeting The Stilton Family, along with recruiting Shadow into The Masters of Evil and sending Sally Ratmousen and Simon Squealer to prison forever, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Hilary Thestalos saw Lincoln working out like crazy, she had an atomic red blush on their face.

Hilary Thestalos: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Hilary, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hilary Thestalos: That's incredible.

Nico: It sure is. So, Hilary, what's this really horrible revelation about Vlad Plasmius you discovered before he was arrested?

Hilary Thestalos: You're not going to like it, Nico. I found out that he was planning to destroy all of Amity Park with a laser to get revenge on Danny and his friends for ruining all of his plans, but I fired a powerful blast of fire at the laser and destroyed it. I then made my escape and when Vlad came in and saw what happened to his laser, he screamed in rage and swore that whoever did this will pay their lives.

We gasped in pure shock and horror.

Danny Phantom: I knew Vlad was a vengeful person, but this has gone too far, the sooner we get rid of him and Goobot the better.

Lincoln: You said it, but Hilary, that was a really awesome job you did.

Hilary Thestalos: Thanks, Lincoln, and I heard Fluttershy is going to give birth to her four daughters today.

Fluttershy: That's right, and they're so beautiful.

Fluttershy showed Hilary Thestalos the ultrasound pictures of hers and Lincoln's four daughters, and they're so cute.

Hilary Thestalos: Aw, they're so cute.

Butterfly Rose: They sure are, Hilary, and we're so happy for Mom and Dad.

Mirage Daffodil: You said it.

Lincoln: And you've heard of what we did to Damian Alaister and the rest of his Church of Necrom cronies yesterday, right?

Hilary Thestalos: I sure did, those monsters have terrorized all of Royal Woods for the last time, and you guys avenged the deaths of all those that Damian Alaister and his goons killed six years ago, and sent them to The Black Gates. Good riddance to those monsters.

Nico: You said it, but we also found out Damian Alaister used his black magic to sabotage Lincoln and Starlight Glimmer's attack on Evil Starlight Glimmer in the Live Action Transformers universe, and instead of sending her to The Black Gates, she was Super Hakaied and sent to Oblivion. We found out from King Kai that she's planning on getting an army of Equalists together once she's regained her powers to kill us all on September 16th, but we'll be ready for her.

Hilary Thestalos: That sadistic and deranged demon Goth! Ooh, I hope you all made him suffer badly.

Nicholette Torrington: We sure did.

Lincoln: That's right. Oh, girls, it's time for our date, this time, we're going to a nearby spa here in Gotham Royal York.

Nicholette Torrington: That's a good place for our date, and after what we did to Damian Alaister and The Church of Necrom, not to mention all the crap they've put us through, we need someplace to get a relaxing massage before Vakama's big mission to make Victor Veloci pay.

We got a shower afterwards, and then, Lincoln and his harem are heading to the new spa here in Gotham Royal York for some relaxation before the big mission today, and they deserved it after all the crap Damian Alaister and The Church of Necrom put us through and what they did destroying them yesterday. When they arrived at the spa facility, it was really massive and it had an Olympic-sized swimming pool, massage stations, foot baths, facilities to do the girls' nails, and so much more.

Lincoln: Wow, the new spa is really amazing. Shall we?

Lincoln and the girls head inside, and they got started by getting massages from the masseuses there in the facility and they got some awesome deep-tissue massages on their backs and shoulders, along with getting a massage in the temples of their heads, and it was so amazing. Then, the girls also got a foot bath and the people gave them an awesome manicure and they also did their nails by painting them in their favorite colors. They also had mud masks on to open their pores and they also had on cucumber slices on their eyes, and after the hours were up, the people there got the masks and the slices off, and their pores were really cleaned. Then, they also went to the Olympic-sized swimming pool and changed into their swim clothes and dived right in, and it was just the right temperature as any tension they had literally melted off them. Then, after that was done, Lincoln paid the spa people and they came out looking relaxed and really freshened up, and Lincoln made clones of himself, and Lincoln and the clones went up to the girls in his harem, and they wrapped the girls' waists in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate.

Nico: Hey, Linc, how was your spa date in Gotham Royal York?

Lincoln: It was so awesome, Nico. They had an Olympic-sized swimming pool, massage stations, foot baths, facilities to do the girls' nails, and so much more. Plus, we also got some awesome deep-tissue massages on our backs and shoulders, along with getting a massage in the temples of our heads, and it was amazing. Then, the girls also got a foot bath and the people gave them an awesome manicure and they also did their nails by painting them in their favorite colors. We also had mud masks on our faces to open their pores and we also had on cucumber slices on their eyes, and after the hours were up, the spa people got the masks and the slices off, and our pores were really cleaned up.

Nico: Awesome, and you guys really deserved that spa day after all the crap you went through thanks to Damian Alaister and The Church of Necrom.

Lincoln: We sure did.

Apple Bloom: And you and Lincoln didn't need to worry, Fluttershy, we looked after the girls, and they behaved perfectly, and we made sure to take good care of them.

Lincoln and Fluttershy: Thank you, Apple Bloom.

Later it was time for Elyon's first ever Ambassador Mission and it was to meet Hataru and the Wizard Kamen Riders.

Me: This is gonna be so awesome guys! The Wizard Kamen Riders are ones that use magic like the Mystic Force Rangers do.

Elyon: I'm really excited about this one guys.

William: Anyone else want to go with Elyon? Besides Tyler Nevarro and 3 Rabbids?

Will: Me and the guardians will.

Nico: Yep.

Tyler Navarro: Awesome to meet you too. My name is Tyler Navarro and I'm the leader of the Dino Charge Rangers.

Me: You know them as the Kyoryugers over here in Japan.

Megan Kiraton: And I'm Megan Kiraton and I'm the Poison Butterfly

Gene-slammer and a massive Kamen Rider fan. I love many series of Kamen Riders.

Haruto: Wow its awesome to meet you all.

Kosuke Nitoh then appeared.

Nitoh: Hi. I'm Kosuke Nitoh aka Kamen Rider Beast. But you can call me Nitoh.

Me: Awesome to meet you Nitoh.

Eli: Same here.

Megan Kiraton: Same here.

Me: We already met some of your fellow Kamen Riders over the last couple of months. We met Hibiki, Kabuto, Den-O, Kiva, Decade, W, OOO, Gaim, Saber, Zi-O, Fourze and now you guys.

Nitoh: Awesome!

Tyler Nevarro: (sighs) And these are Rabbids.

They babbled.

Me: Rabbids are really funny but they are not the brightest light bulbs in the closet if you know what I mean. They are really funny though.

Hakuto: I see what you mean.

Me: Yeah. Oh right.

I showed him my Lord Drakkon Magic Ring.

Me: This is one of our latest acquirements we got from fighting Another Wizard with the Zi-O Kamen Riders.

Hakuto: Wow you guys have Mana Rings!

Me: Yep. But these rings are imbued with the powers of the Masters of Evil. Mine is Lord Drakkon.

Nico: I got Myotismon.

Eli: Baron Mordo for me.

Will: I have Dr. Viktor.

Irma: Demyx the Melodious Nocturne.

Taranee: Heat Wave.

Haruto: Let's show you around base.

Nico: Sure.

We were off to the awesome antique shop where Haruto and his team are at.

Nico: We saw your awesome battles with the monsters you all face and they are so cool.

Haruto: Thanks.

Me: Also I think you know this voice.

Phoenix: (From inside my head) Long time no see Haruto.

Haruto: Phoenix!? You're alive!?

Me: It's all right Haruto. He is inside my head and he is on the road to redemption.

We arrived at the antique store.

Me: Wow this is an awesome antique shop.

Haruto: Yep it's awesome.

We got some donuts.

Haruto: (eats some donuts) Good old plain sugar donuts.

Me: (Eats a sugar donut) Mmm! Delicious.

Nico: Boy they sure are.

Inspector Rinko Daimon came.

Rinko Daimon: Ah Team Loud Phoenix Storm it's an honor.

Me: Inspector Rinko Daimon you too.

Eli: It sure is.

Rinko Daimon: Same here.

Nitoh: (eats some mayonnaise) Donuts are good. But mayonnaise is much tastier.

Elyon: You don't know how much help mayonnaise was against one of our enemies.

Me: Yeah. The Jellians.

Nico: I'll never forget that.

Me: Yeah. Haruto we're sorry about Koyomi. She was like a little sister to you and meant a lot to you.

Haruto: I know. And I miss her.

Me: I know. But I think you deserve a chance to have her back. (Snaps Fingers)

I snapped my fingers and then a flash of light appeared and the divine singing of angels was heard and then out came Koyomi Fueki and she was resurrected.

Rinko Daimon: Wow!

Koyomi: I'm back? Haruto? Haruto!

Haruto: Koyomi!

They went and hugged.

Haruto: I'm so glad you're back.

Koyomi: I am too. I missed you.

Elyon: Awesome.

Nico: We never got the chance to thank you for your help against Sark and the MCP.

Haruto: It was my pleasure. And I'm glad you held onto hope during those 20 horrible days.

Me: That's right and we owe you guys big time for that in the World of Tron. You guys really helped us out in the 20 Days of Darkness.

Haruto: Think nothing of it.

Eli: That was awesome how you helped us out.

Me: Yeah.

Koyomi: But how did I come back?

Me: I resurrected you. Also if Gremlin ever comes back I'm going to kill that motherfucking S.O.B. What he did was horrible.

Elyon: We know what happens when people fall into too much Despair.

Nitoh: So do we. They end up becoming Phantoms.

Me: Well we feed off of negative energy and it makes us more powerful. So Phantoms will only make us stronger.

Nico: That is for sure.

Eli: Yep.

Elyon: We saw what Gremlin did and it was awful.

Me: Yeah he killed so many people.

Rinko Daimon: Yeah he sure did.

Me: We were thinking about having him join the Masters of Evil but after seeing how evil and fucked up in the head he is we reconsidered on that and he will be getting the black gates.

Nitoh: That is for sure.

Haruto: We also heard about what happened with you guys and that malevolent Satanic group.

Me: You mean the Church of Necrom. Yeah they were beyond pure evil and they make Gremlin look like a saint in comparison.

Nitoh: Also, Elyon, don't take this the wrong way. But your brother's a complete douchebag.

Haruto: Really?

Nitoh: What? He is.

Me: And he is right on that. Phobos was an absolute monster.

Elyon; Yeah he sure was.

Rinko Daimon: Who is Phobos?

Me: He was a malevolent prince. Elyon is the queen of Meridian. She is the good queen whereas Phobos was pure evil and he was ruling over the land with an iron fist.

Nico: Yeah and we killed him.

Me: But we'll reveal his history for you all.

I went over his history.

Prince Phobos (simply known as Phobos) is an evil prince and the most recurring antagonist in the comic book W.I.T.C.H. and the animated series of the same name.

In the comic book, he serves as the primary antagonist during the first story arc, and returns in the 4th story arc. In the animated series, he serves as the primary antagonist during the first season, and returns shortly before the end of the second season.

He was voiced by Mitchell Whitfeld.

Prince Phobos took the throne of the kingdom of Metaworld (known as Metamoor in the W.I.T.C.H. comic book series and Meridian in the W.I.T.C.H. TV series) after his parents' disappearance some time prior to the opening chapter of the first story arc/season, and began to drain the life force of the people in order to fuel his own magical powers with the aim of becoming strong enough to take over other worlds. However, realizing that Phobos posed a great threat, the Council of Kandrakar, a realm at the center of the universe, raised a magical shield, known as the Veil around Metamoor, sealing Phobos inside and cutting it off from the rest of all other worlds.

During the first story arc/season Phobos' primary concern is finding his long lost sister Elyon Brown, whose powers are equal to his own (In the comic book, according to both Phobos and the Oracle, Elyon is even stronger than Phobos himself) and was spirited away to Earth approximately 12 years prior, so that he can drain her life force and add it to his own. With her power, Phobos would be able to break through the Veil and begin his conquest of other worlds.

At first, Phobos is unaware of his sister's identity, and sends his minions to find her, first by searching through birth records, and then using a magical talisman known as the Star of Threbe. After finding her and successfully poisoning her mind against her friends and family, Phobos brings his sister to Metamoor and attempts to gain her trust for long enough to drain her of her powers. Despite successfully draining some of his sister's power, Phobos' plans are foiled by the Guardians during the final installment of the Metamoor story arc/Season one. He is exposed as a villain, and is imprisoned by Elyon after a heated magical duel over the control of Metamoor and the kingdom's fabled Crown of Light which is belongs only to the female rulers as the laws of Metamoor decreed.

Following his defeat in Season 1 of the animated series, Phobos was briefly released by the Knights of Vengeance early in season 2, but was defeated while attempting to retake the Royal palace of Metaworld/Meridian from Elyon. He returned again late in Season 2, when the Guardians realized that, as a heir to the throne of Meridian, he was able to break the rule that "A Heart cannot be taken by force", and release him in order to deprive Nerissa of her Seal (which incorporated the Heart of Meridian), on the condition that he surrender the Seal to them afterwards. However, Phobos breaks his vow and instead uses the Seal to reconquer Meridian. After retaking Meridian, Phobos sets his sights on Kandrakar, and is on the verge of taking it when he is betrayed by Lord Cedric, who swallows him whole, thus gaining his powers for his own. After Cedric's defeat, Phobos is returned to Elyon's dungeon. In the episode "V is for Victory", Phobos causes much confusion by glamouring Matt, Caleb and Blunk as himself such as when Blunk/Phobos eats crickets and when Caleb/Phobos holds Cornelia's hand.

In the comic story arc "Trial of the Oracle", he became the new Oracle, as he was found to have used his negative emotions to switch minds with Endarno, who was the guardian of the Tower of Mists, the tower in Kandrakar where Phobos, Cedric, Frost, and many other villains were imprisoned in. Once he is restored to his rightful body by the Guardians, he realizes he has lost and leaps off of a balcony into the never-ending void beneath Kandrakar, declaring that he will "never be imprisoned again".

However, even he is unable to create portals that would link Earth and Meridian, as he himself stated in one episode, though he was able to create a portal to the enchanted painting the Guardians were trapped in, in hopes that his minions would go into the painting and finish off the Guardians (in the comic book, certain facts differ, such as the portal to the painting was an opening in the Veil, and Cedric was the one who opened the portal, though this leads to confusion, for if Cedric could make openings in the Veil, then it is surprising that

Phobos cannot, and the Veil erected by Kandrakar is quite useless, and confusion is merely increased by more puzzling facts).

In the final confrontation against the Guardians, Phobos transforms Cedric into a red, more beastly monstrous version that is able to rival the combined strength of all five Guardians, though Will's quick thinking tricked Cedric into wearing the Crown of Light, thus draining the magic infused into him by Phobos away. Phobos also traps his sister Elyon in energy rings after using trickery to overpower her.

He has on numerous occasions proven to be a formidable opponent, wielding powers at least equal to those of his sister, Elyon. For example when he fought the Guardians of the Veil in the final episode of the Meridian story-arc he quickly defeated them and would have destroyed them, had Elyon not intervened. However he had stolen all of the power of Meridian and most of Elyon's powers. When he fought them again in the Nerissa story-arc he no longer possessed the power he had stolen from Elyon or Metamoor and still appeared to be more powerful than all of the Guardians put together.

He appears to be immortal as he has existed since the creation of the Veil which was created soon after the dawn of time. He is hinted to be the source of all evil in creation. Whilst he ruled Metamoor his power appeared to be so great that his moods affected the landscape of Metamoor and to a lesser extent Earth, because Earth and Metamoor are connected by Portals.

---

When I was done they were shocked!

Nico: Yeah and now he is dead.

Cornelia: And good riddance. He hurt so many innocent people.

Me: Our teammate Raythor called him a totally honorless monster.

Lillian: Yeah that is for sure.

One of the Rabbids put on a ring and did some gestures to make it work. But nothing happened. The Rabbid screamed in frustration and started banging the Ring against a table.

Nitoh: Hey! Don't do that!

Me: Now now.

I took the ring.

Me: Rabbids are not the brightest lightbulbs in the closet.

Nico: But they are funny.

Phoenix: It's true they are.

Rinko: Phoenix!?

Me: He's on the road to redemption and is inside my head.

Elyon: Long story on that.

Nico: Haruto, I find it very kind of you to give others hope when they're in despair. Literally.

Me: It sure is.

Eli: I'll say.

Haruto: Thanks. It sure is.

But then a news report came on!

News reporter: Breaking news! Phantoms are on a rampage! While witnessing this, us and so many viewers have one question. Where is Kamen Rider Wizard?!

Nitoh: Right here preparing to head out!

Megan Kiraton: Lets go get them!

We were off to face the Phantoms!

We got there and we saw GREMLIN!

Haruto: I see Gremlin. Now, to see his backup.

We saw that he had Katsuya Kiritani A.K.A. Valkyrie!

Nico: Katsuya Kiritani A.K.A. Valkyrie!

Me: Whoa that is one of my favorites there and he would make a great member for the M.O.E. Oh speaking of which. Haruto we met Medusa during one of the the Decade Ambassador Missions and she is now in the Masters of Evil too.

Eli: That's right I remember that!

Megan McCallister: It's true. That was so awesome to meet and face her.

Haruto: That is amazing! I'm glad she is now one of your frenemies too.

Me: Yep.

We went to face them.

We went up to them.

Me: Sora Takigawa A.K.A. Gremlin and Katsuya Kiritani A.K.A. Valkyrie.

Sora Takigawa: You!?

Me: Yes me. Nice to see you again Sora. Nice to know that my little curse I put on you is still holding.

Sora Takigawa: (Growls in rage) I HATE YOU J.D.!

My aura flared up with incredible force!

Me: You can hate me all you want, but you're just making me more powerful.

Tyler Nevarro: It's Morphin Time! Dino Charger Ready! Energize! Unleash The Power!

RRRRRROOOOOOOOOOOOOOOOOOOOOOAAAAAAAAAARRRRRRRRRR
CHOMP!

He transformed!

Nitoh holds his ring on his right hand over his belt buckle, causing it to become a black based belt with two projections on the side)

Beast Driver: Driver ON!

Haruto flips what looks like a visor down on his left hand ring, while Nitoh readies his left hand ring. Haruto then uses the switches on the WizarDriver once, switching the hand sigil so it appears left handed.

WizarDriver: Shabadoobi Touch Henshin! Shabadoobi Touch Henshin!

Haruto and Nitoh: Henshin!

With that, Haruto scans his ring over the WizarDriver, while Nitoh plugs his left hand ring into the left hand portion of his Driver and twists counterclockwise, revealing a golden lion face inside and golden decorations on the now open panels

WizarDriver: Flame! Please. Hi, Hi, Hi, Hi, Hi!

Beast Driver: Set! Open! L-I-O-N! Lion!

After completing their respective actions, Haruto and Nitoh are hit by a circle of sigils in red and gold respectively, transforming them into their Kamen Rider forms, with Haruto being a primarily black suit almost like a trenchcoat, save silver accents and red gem-like plates on his chest and helmet, and Nitoh being a black and gold lion themed warrior, with a face very much akin to his transformation ring, save a silver mouthpiece!

Me: YEAH!

Will Vandom: Lets get them! GUARDIANS UNITE!

We went Guardian!

Will: (Energy Surges) THE HEART!

Irma: (Water Splashes) WATER!

Taranee: (Fire Burns) FIRE!

Cornelia: (Vines Grow) EARTH!

Hay Lin: (Wind Blows) AIR!

Me: (Lightning Strikes) LIGHTNING!

Elyon: (Clocks Tick) TIME!

Megan McCallister: (Stars Shimmer) SPACE!

Lillian: (Light Shines) LIGHT!

I formed a sword of lightning.

Tyler Nevarro: It's about to get wild!

Wizard: Now, it's showtime.

Nitoh: Now, It's lunchtime!

Nico: It's buttkicking time!

Eli: Lets get them!

I went to face Gremlin.

Gremlin transformed in spite of the curse inflicting pain on him. And then he went at me and I clashed with him.

Valkyrie: (blocks Nitoh's punch) I was expecting Wizard to fight me. Not you.

Nitoh: Sorry. But Haruto's occupied at the moment!

Nico kicked and slashed Valkyrie all over.

Nico: You know Valkyrie you would be perfect for the Masters of

Evil.

I punched Gremlin all over. Using his speed I blocked all his punches and strikes and then I slashed him with with my sword of lightning and electrocuted him.

I then kicked him in the face and smashed him down!

Gremlin: YOU MOTHERFUCKING ASSFUCKER! I HATE YOU MORE THAN ALL OF LIFE ITSELF!

My aura flared up with massive and explosive power!

I then slashed him all over and then I kicked him in the stomach with incredible force and power and he belched up a huge amount of blood.

Nico: (reading from his Ridebook) The insane Gremlin put up a valiant effort. But no matter what he did, he could not easily kill Kamen Rider Wizard, now backed up by Team-

Gremlin: (Swipes Nico's Ridebook): What's this? A book? (pretends to read inside) Team Loud Phoenix Storm and the Kamen Riders did their best to fight Gremlin. (smirks and grabs

Nico by the throat) But Gremlin had other ideas!

Nico: Please! I'm begging you-

Gremlin: For mercy?

Nico: No! For you to wash your hands. They're filthy!

I then skewered Gremlin all the way through his stomach!

Me: Get your motherfucking filthy hands off him you damn dirty asshole!

Nico was dropped!

Me: I changed my mind. I was hoping we would face you as a secondary battle on the big day for Wizard and I was going to banish you to the Warp till then. But instead I'm going to just use the Black Gates on you right now!

Gremlin: (Laughs) You can…

Me: Lets get one thing clear! You are not a human being at all! When you hurt innocent people and you hurt my friends, That… Makes… ME… REALLY ANGRY!

Nico: No. Our intentions still stay. He's still going to the Warp.

Haruto: (to me) Calm down, J.D. Remember, don't fall into despair

Me: I don't fall into despair Haruto. I get stronger from Negative Energy and it makes me more powerful. But if you guys insist. (Holds hand up to him) HAKAI!

I banished Gremlin to the Warp but I also sent his mind into the Malevolent Insanity World!

Me: If I ever see that monster again I will make sure that I kill him and give him the black gates.

Nico: It's true Haruto. We get more powerful from Negative energy.

Haruto: Wow.

Me: Yep. And now his pain is going to be worse in the Warp.

Haruto: Now to check up on how Nitoh's doing.

Nitoh was really going at Valkyrie!

Nico: Wow!

Elyon: Haruto, let's help out Nitoh together!

Haruto: Lets do it!

Me: Lets see what our rings can do.

I activated Lord Drakkon's powers and I fired green energy blasts and they hit Valkyrie all over and he was exploding all over.

Nico: Take that! Wow!

Haruto: I think there's a way for us to help him still live and keep his Phantom powers.

Me: Really?

Hakuto: Yes.

Nico: Lets do it.

We fired waves of elements and blasted him all over and then Hakuto put a ring on Valkyrie's finger and he reverted back to human.

Valkyrie: I'm human. But how?

Haruto: That ring I just gave him. It enables you to switch between forms at will. You can now live your normal human life and still be a good member of the Masters of Evil.

Nico: That's right.

Me: Now we'll find you a suitable archenemy.

Elyon: That was cool though.

Me: Also Gremlin is banished to the Warp but I also sent his mind into the Malevolent Insanity world.

Eli: Whoa!

Me: Yep.

Nico: I promise, Haruto. All the Phantoms that we'll face on Elyon's missions from this point forward? We'll help you save them from despair.

Me: Except for Gremlin. Sora Takigawa pissed me off when he tried to hurt Nico. Now I'm going to make sure that I slash that motherfuckers head off and send him to the Black Gates personally.

Eli: Yeah what he did is awful!

Elyon: He deserves it.

Nitoh: Gremlin's not the only one we have to deal with on the big day. The White Wizard's gonna be there too.

Nico: Is it okay if we call him that? Because I've gotten attached to that.

Haruto: That works.

Me: I think it's cool.

We later came back.

May: How did it go guys?

Nico: Really awesome.

I told everyone what happened and more and it was amazing.

May: Whoa! That is amazing! But that Gremlin is a monster.

Me: Yeah.

William: Next time, Dante Vale should go with you.

Elyon: Good idea!

Me: Yeah!

But then we heard Fluttershy gasp and we saw Water on the floor and that can only mean one thing!

Lincoln: Uh oh! Fluttershy is it time!?

Fluttershy: Yes they are coming!

Me: Oh man! Perfect timing! Lets get Fluttershy to the hospital guys!

Nico: Right lets go lets go! Double Time Lets Go!

We got Fluttershy ready and we were off!

We arrived at the hospital and Fluttershy was rushed into the Delivery Room and also Lincoln was with her. We waited.

Maria: Something wrong, Nico?

Me: Don't tell me you have regrets about Gremlin-

Nico: No, I don't. And you shouldn't always get pissed off about me getting hurt. You know I can take a hit. But I was thinking about the other Phantoms. And how their fates left behind their families and other loved ones.

Me: I know how bad it must be for them. But we'll cure them.

Nico: Good.

Elyon: That's the good thing about non Black Gates coming back from the dead. We get a second chance to save those who are truly innocent.

Nico: That is true.

Laney: Yeah it is.

Carmen Dillo came.

Carmen Dillo: I got your text! Looks like Fluttershy is now in labor.

Me: Yeah she sure is.

Nico: Shame no Another Riders showed up though.

Muzzle: And you're back to your usual self.

Me: Yeah.

Nico: Believe me dude I'm really pissed off about what Gremlin did too. But hold on to wanting to kill him till the big day.

Me: I'll try. But it was awesome meeting Haruto.

Leni: That is totes awesome.

Fluttershy: (SCREAMING IN THE DELIVERY ROOM) LINCOLN THIS IS ALL YOUR FAULT! IF I GET PREGNANT AGAIN I'M GOING TO RIP YOUR FACE AND HEART OUT!

We gasped and gulped in fear.

Me: Scary.

Rarity: My goodness.

Me: It's the labor pains talking.

Colleen: (British Accent) Guys, there are terrorists outside!

Me: Don't worry Colleen, Ed is out there right now and he is going to take care of them for us.

Nico: Great. But how come Terrorists are here?

Laney: It must be a contingency plan from the Church of Necrom.

Nico: Maybe.

Blitz: (Arnold Schwarzenegger Accent) It'll be good to see Ed take a bite out of those terrorists. Ja.

Colleen: Whatever you say Fluffy pants.

The terrorists threw several bombs at the hospital. But Edzilla blocked the bombs with his body. However, that knocked him down in the process.

Octane: Well, fuck. That doesn't look good.

Me: Don't worry about it. Ed is tougher than that.

Nico: Yeah.

Sandstorm: Done! The baby's out!

Lincoln: All 4 of them actually.

They saw all 4 baby girls and they were the cutest ever. They had

Fluttershy's pink hair and had Lincoln's blue eyes.

Lady Tsunade: Oh they are so adorable Lincoln.

Fluttershy: (Exhausted) My babies.

They were given to them.

Lincoln: Oh they are adorable.

Sandstorm: Yes they sure are.

Later Ed killed all the terrorists and came back in and then Lincoln and Fluttershy came out with the 4 girls.

Me: Oh Fluttershy, Lincoln they are so adorable.

Nico: They are so cute.

Applejack: Aww Fluttershy they are adorable.

TTG Terra: Fluttershy congratulations.

Fluttershy: Oh thank you Terra.

Rothar: What should we call them?

Lincoln: These two are Sapphire Lilly and Emerald Oracle.

Fluttershy: And these two are Ruby Wind and Golden Bunny.

Nico: Those names are adorable.

Lola: They sure are.

Carmen Dillo: Congratulations to you Fluttershy.

Fluttershy: Oh thank you Carmen.

Mirage Daffodil: Oh mom they are so beautiful.

Butterfly Rose: We'll be the most amazing big sisters ever.

Laney: We know that you will.

Lincoln: Yeah.

Me: Even though we didn't have a baby shower this time it was awesome.

Nico: Boy and right after we got back from the Ambassador Mission too.

Then Grodd, Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Atomic Skull, Calamitous, Skinner, and Doctor Octopus.

Grodd: Can me, Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Atomic Skull, Calamitous, Skinner, and Doctor Octopus go with you guys?

Nico: Yes you sure can and Fluttershy's new babies are here.

Atomic Skull: We heard and we got Carmen's texts. Congratulations to you Fluttershy.

Fluttershy: Oh thank you.

Lincoln told them their names.

Skinner: Aw those are amazing names.

Burner Man: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do one for Bumble Blast's kind next.

Me: That will be awesome.

Bumble Blast: A gene-slammer for one of me next. That is gonna be cool.

Laney: It sure will.

Me: So it'll be someone that knows all about plants next that goes with you. And I have a feeling that the gene-slammer is a master at making honey.

Nico: And there's only one person that I know that makes awesome honey. Honey "Bumblebee" Evenstein.

Lola: Wow! Cute name.

Me: Yeah awesome.

Nico: Well lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Griffon, another one of Mundus' minions, and he's coming to destroy us on the orders of Mundus. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and Sherlock Hound, you and Sparda aren't going to like it: the dark energy signal I sensed belonged to Griffon, another one of Mundus' minions, and he's coming to destroy us on the orders of Mundus.

Sherlock Hound: (British Accent) As I suspected, I should've known Mundus would send Griffon out to destroy us. But, it's been quite a long while since the deaths of Beowulf and Phantom that Mundus has sent any of his minions out to kill us.

Sparda: (Through the Red Jewel) But, as always, we need to be on guard for any more tricks that Mundus might have.

Vakama: This means, we'll both be facing Griffon together, brother.

Sherlock Hound: (British Accent) Yes, and this'll definitely make Mundus even angrier than ever.

Rayman: Mundus isn't going to give up that easily, but we'll be ready for when he makes his move.

Sherlock Hound: (British Accent) Yes, and I'll be looking forward to ending him once and for all, for everything he's done.

Nico: We all are. Alright, everyone, let's go.

Me: Yeah. (Eyes glow red) And you better be ready, Victor Veloci, because we're coming for you, and you will suffer a horrible and terrible death for everything you've done!

Lincoln made a hoverchair for Fluttershy and then we were off to Florida.

---

We then arrived and then we saw a mutated Rhinoceros and Armadillo!

Goliath: (grows giant) Fuck! We just HAD to run into a mutated rhino and armadillo!

Double D: Ed! You know what to do!

Ed: Right!

Ed pressed a button on his wristwatch.

But nothing happened.

William: Ed, anytime you're ready!

Ed: (presses button again) C'mon, big guy! Time to smash! (eyes glow) NO! (eyes stop glowing) What do you mean, no?!

Eddy: Lumpy, stop screwing around and get Edzilla out!

Ed: I'm trying, guys! But he doesn't want to come out!

May: WHAT?! What do you mean Edzilla doesn't want to come out!

Ed: I don't know!

Me: I saw his eyes glow and then they stopped!

Nico: Uh oh.

Ed: (starts punching himself) Come out! Come out! Come.. out!

(eyes glow) NO!

Nico: Well, this isn't good.

Me: Yeah.

Crag: We'll have to handle it from here. Come on guys!

Ripping Friends, May, Lincoln, Luna and Lynn: IT'S RIPPING TIME!

They went and smashed the Mutated Armadillo!

Then, a certain Spinosaurus headbutted the Mutated Rhino.

SMASH!

Nico: WHOA!

Me: Fiona!

Fiona (Dinosquad): Awesome to see you here J.D.

Vakama: You're doing well.

We bashed the Mutant Rhino too.

Caruso: Don't forget us!

Me: Hey guys!

Max: Awesome to see you J.D.

Vakama: And you too Max.

Max: Awesome to see you Vakama.

Buzz: We're glad to see you guys here.

Nico: We'll talk after this is done!

Me: Leave this to us.

We went at the Mutants and blasted them and sucked the mutant ooze out of them. They reverted to normal.

The Dinosquad reverted back.

Me: Hey guys!

Max (Dinosquad): Hey J.D.!

We fist bumped.

Fiona (Dinosquad): Awesome to see you guys.

Vakama: Same here to you.

Caruso: Yeah!

Nico: We want to thank you guys for helping to keep the Horsemen of Apocalypse occupied.

Me: Yeah we owe you big one for that.

Max (Dinosquad): It was no problem guys. Besides it was awesome to help you all.

Buzz: Surprised Edzilla wasn't smashing those mutants.

Maria: Actually, that's kinda the problem right now.

Me: Something is wrong with his power.

Nico: Yeah he didn't transform.

Eli: I think it's got something to do with how he feels.

We then went to the lighthouse.

Ratso: Man, this lighthouse is nice!

Nico: It sure is.

Max (Dinosquad): It's awesome and home.

Laney: I like lighthouses. They are awesome.

Me: Yeah they sure are. We came here to help you all kill Veloci for good.

Fiona (Dinosquad): Awesome.

Then we saw Ms. Moynihan.

Moynihan: J.D. Vakama. It's good to see you both.

Me: You too Ms. Moynihan.

Vakama: How have things been for you?

Moynihan: Really awesome and we're glad you all came this time.

Laney: Wouldn't miss this for anything.

Aylene C.: And we came to help you guys kill Veloci for good.

Me: He has terrorized the planet for far too long.

Rump then came.

Skinner: This must be your pet.

Moynihan: Yes that's Rump.

Nico: He is adorable.

Laney: Aw he sure is.

Qin: Yeah he sure is.

Goliath: But it was awesome that you guys defeat mutant monsters.

Max (Dinosquad): Yeah we do this on a daily basis.

Rodger: First, we need to discuss Ed's problem.

Anemone: Well, Edzilla was protecting Fluttershy while she was giving birth. Some terrorists knocked him down with several bombs and now, he doesn't want to come out.

Fiona (Dinosquad): Oh wow! Congratulations Fluttershy.

Fluttershy: Oh thank you Fiona.

Lincoln: It's awesome that Fluttershy now has 4 more kids.

Mirage Daffodil: And we have 4 new little sisters.

Nico: And they are so adorable.

Princess Cadance: We all are so happy for her.

Nico: Yes we sure are.

Max (Dinosquad): Yeah.

Me: The terrorists were part of a contingency plan by the Church of Necrom.

Caruso: Oh man! We heard about them and how they have terrorized the entire country for so long and how you all killed them yesterday.

Nico: Yeah. No kidding.

Snake: Dude, we have to get Edzilla to come out.

Max (Dinosquad): Do we? Veloci can't turn into his velociraptor form thanks to J.D.

Tyler Nevarro: But he might use it when he fights the Megazord of me and my team. Plus, there are still his other mutants.

Me: And we got to be ready for them.

Nico: Yeah but Snake has a point. We have to get Ed to morph into Edzilla.

Rodger: Maybe Edzilla will come out when Ed's in a state of fear.

Fellbat: I've got just the thing then! (Gets out soap)

Ed: "SOAP! YUCK! FRESH! CLEAN! ZESTY!" [He runs away.] "NO

SOAP!"

Eddy: "Get back here!"

We tried that but unfortunately that didn't work.

Mole Man: Maybe eating gravy in front of him will do the trick!

Me: Lets see.

I drank lots of Ed's Gravy.

Ed: Gravy.

Nico: Nope. Nothing.

Rodger: Maybe Edzilla will come out when Ed gets hurt.

Marvel Loki: In that case… (gets out anvil)

And he dropped it on Ed's head!

BLANG! OUCH!

But the anvil broke in two when it crashed onto him and Ed was unscathed.

Me: Whoa! He is really tough.

Edd: Indeed he is.

Maria: (gives Ed paper) Ed, read this.

Ed: "Lola, Lynn, and Lori are ugly"

LaGrange: If this doesn't work, nothing will.

Lori: What did you say!?

Me: Uh oh!

Nico: Not good.

RD Lola: I hope this works!

They pulverized him all over the place!

Me: Ripping Friends go help them out.

Crag: Right lets go!

Ripping Friends, Lincoln, May and Luna: IT'S RIPPING TIME!

They went and pulverized Ed all over.

But when they stopped Ed wasn't affected.

Me: Boy Leni your boyfriend is one tough cookie!

Leni: That is totes my awesome boyfriend.

Ed: Pass the mustard.

Eddy: Shut up Ed.

Calamitous: Perhaps we need another approach.

Yost Professor X: I believe Edzilla is not coming out because he believes Ed only uses him as a weapon.

Nico: That could be it Charles.

Me: Hmm.

Yost Wolverine: You sure you wanna do this, Chuck? You only just came out of your coma recently.

Yost Professor: I am sure, Logan.

He used his powers and went into Ed's mind.

Edzilla: Ed no want to talk to puny human. Puny human use Ed as weapon.

Ed: No! You know that's not true!

Yost Professor: Edzilla you must listen to reason.

Yost Professor appeared in front of him.

Ed: Professor? How?

Yost Professor: I'm psychic Ed.

Ed: Look, I would never use you as a weapon. I'm you, after all.

Yost Professor: That's right. He is you. And you have been a huge help to everyone. Even Leni.

Ed: Yeah.

Yost Professor: That is right.

Ed: But maybe I'm wrong about you in a few ways. I can't be without you. You can't be without me.

Edzilla knew they were right.

Edzilla: Oh puny Ed and psychic right.

Ed: So, I'm sorry for taking you for granted.

Edzilla: Ed accept apology.

Yost Professor: Awesome.

Maria: Did it work?

Ed: Yeah it did!

Yost Professor: Ed and Edzilla are one again.

Me: Yeah!

Laney: Cool!

Fiona's sister Terri came.

RD Sam: You must be Fiona's sister Terri.

Terri (Dinosquad): I sure am and it's an honor to meet the great Team Loud Phoenix Storm! I love you guys.

Me: We're honored that you are one of our fans.

Terri (Dinosquad): I want to turn into a dinosaur like Fiona can.

We gasped.

Atomic Skull: Could you repeat that again? I could've sworn you said that you wanted to turn into a dinosaur like Fiona.

Terri (Dinosquad): I said that.

Me: Wow she has a great spirit like her sister.

Nico: Yeah she sure does.

Fiona (Dinosquad): That is awesome but sure we can figure something out.

Me: Awesome.

Nico: Cool.

Then our stomachs growled.

Nico: Lets get some grub.

Poliwag: While we're having lunch, let's add some drinks!

Poromon got out 1 beer bottle.

Max: What's that?

Poromon: One bottle of beer!

Jean Bison: And here we thought you forgot about that.

Buzz: You know that's only one, right?

Poromon: Yeah.

Max (Dinosquad): But we're too young to drink.

Me: Yeah Max and friends don't drink.

Poromon: Oh.

Doctor Octopus: The only way Terri can go Dino is if she has the same orange ooze. I'll look for some more of it while the usual battles are going on.

Nico: Okay.

He went to find some.

We got to eating and it was a great lunch as we had our favorite foods with them.

Later Black Knight Ghost, Pyros, Black Manta, Puppetmon, BlackWarGreymon, David Cain, Mortal Kombat Scorpion, Ice Demon, Seadramon, and New Wave appeared.

Nico: Black Knight Ghost, Pyros, Black Manta, Puppetmon, BlackWarGreymon, David Cain, Mortal Kombat Scorpion, Ice Demon, Seadramon, and New Wave.

New Wave: Awesome seeing you all here.

Black Knight Ghost: (to Max) It's fitting that you're the leader.

Pyros: The T Rex is the strongest dinosaur there is.

Max (Dinosquad): Yes it is)

Black Manta: I bet Aylene's having a field day right now.

Aylene C.: I heard that.

Puppetmon: (to Nico) We heard you fought Yaz and Kaz

Nico: Yes we did.

BlackWarGreymon: Did any of their Pokemon join you?

Nico: Yep they did.

Laney: It was great.

?: I agree there.

A figure came out and it was SPRAYLOID 2 from episode 28 of Go-Busters!

* * *

Sprayloid 2's aerosol paint spray allows him to alter the appearance of his target, though the paint is water soluble. Though created to distract Masato from the events unfolding in Hyper Space, Enter gives Sprayloid 2 the task to find out Hiromu's Weakpoint. Managing to pose as Rika to uncover Hiromu's Weakpoint before Masato destroys the aerosol paint spray, Sprayloid 2's attempt to use the Weakpoint failed as he is destroyed by the primary Go-Busters using thier Ichigan Busters Special Buster Mode.

* * *

Eli: Sprayloid 2! I remember you! You were sent to distract Masato from the events unfoling in Hyper Space and find out Hiromu's weak spot.

Sprayloid 2: That's right Eli.

Nico: Wow.

Sprayloid 2: Too bad I wasn't adapted for America.

Devon: If you had, you would've been Meltatron's upgraded form.

Me: That would have been so awesome to see.

Laney: Yeah it sure would have been awesome.

We got the usual battles underway.

Red She-Hulk, Applejack, Apple Bloom, Earth Skylanders, Lightning

Dust, Rainbow Dash, Rothar and Dardemus VS Black Knight Ghost - Nico's rescue

---

Black Knight Ghost was first.

Black Knight Ghost: (to Red She Hulk) It's a shame that Nico didn't get the Electabuzz on his rescue. But at least it's still on our side now.

Red She-Hulk: I know and that is cool. Not just Electabuzz but Scyther and many more Pokemon.

Applejack: That was amazing though.

Apple Bloom: Yeah it was amazing pulverizing those two gyms.

Flashwing: I agree there. It was really awesome facing them.

Lightning Dust: Yeah it sure was cool.

Rainbow Dash: But now I have my own Electabuzz now and it's awesome.

Black Knight Ghost: That is awesome that you do. Lets do it!

They fired waves of lightning, rainbows, earth, rock, crystal and apples and smashed him down.

---

Zhuqiaomon, Sunset Shimmer, Pipsqueak, Fire Skylanders, Sam S.L., Luna Loud, Dragon (Skunk Fu), and Burner Man VS Pyros the Lava Titan - Pulverizing Yaz and Kaz Gym's

---

Pyros was next.

Pyros: (to Zhuqiaomon) Nico and the others pulverized Yaz and Kaz Gym's. Those two aren't Gym Leaders at all!

Zhuqiaomon: No they sure weren't! They were more like street thugs.

Sunset Shimmer: I agree too. But it was really awesome pulverizing them into pulp.

Pipsqueak: (British Accent) I agree too. That was really awesome too.

Sunburn: And very justifying beating up bad trainers.

Sam S.L..: It sure was great.

Luna: You got that right dudes.

Pyros: That is true. Yaz and Kaz gives all Pokemon trainers and gym leaders a really bad name. Lets do it!

They fired waves of fire and smashed him down.

---

## Yusuke Urameshi, Fluttershy, Tornado Bolt, Life Skylanders, Wonder Woman, Ratso and Chow VS Black Manta - Lincoln's Rescue

---

Black Manta was next.

Black Manta: (to Yusuke) I heard Lincoln's rescue was in New Mouse City. How was it?

Yusuke: It was really cool! And it was really awesome seeing it for the first time. We recruited Shadow for you guys and even met the Stilton Family.

Black Manta: That is cool. Fluttershy congratulations on your new baby girls.

Fluttershy: Oh thank you very much. My new girls are so adorable and cute.

Tornado Bolt: They are so awesome.

Stealth Elf: We're so happy for Fluttershy.

Wonder Woman: Yeah we all sure are.

Black Manta: I'm happy too. Lets do it!

They fired waves of leaves, grass, flowers and energy and smashed him down.

---

Yae, Starlight Glimmer, Cozy Glow, Undead Skylanders, Roxy, Anemone and Sly (Ty) VS Puppetmon - Meeting a Thestalos The Firestorm Monarch Gene-Slammer

---

Puppetmon was next.

Puppetmon: (to Yae) I heard you guys met Meeting a Thestalos The Firestorm Monarch Gene-Slammer. What's her name?

Yae: Her name is Hilary Thestalos and she is an amazing athlete. Also we found out something really horrible about Vlad Plasmius.

Starlight Glimmer: Yeah it's not good.

---

Hilary Thestalos: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hilary, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hilary Thestalos: That's incredible.

Nico: It sure is. So, Hilary, what's this really horrible revelation about Vlad Plasmius you discovered before he was arrested?

Hilary Thestalos: You're not going to like it, Nico. I found out that he was planning to destroy all of Amity Park with a laser to get revenge on Danny and his friends for ruining all of his plans, but I fired a powerful blast of fire at the laser and destroyed it. I then made my escape and when Vlad came in and saw what happened to his laser, he screamed in rage and swore that whoever did this will pay their lives.

We gasped in pure shock and horror.

Danny Phantom: I knew Vlad was a vengeful person, but this has gone too far, the sooner we get rid of him and Goobot the better.

Lincoln: You said it, but Hilary, that was a really awesome job you did.

Hilary Thestalos: Thanks, Lincoln, and I heard Fluttershy gave birth to her four daughters today.

Fluttershy: That's right, and they're so beautiful.

Fluttershy showed Hilary Thestalos the pictures of hers and Lincoln's four daughters, and they're so cute.

Hilary Thestalos: Aw, they're so cute.

Butterfly Rose: They sure are, Hilary, and we're so happy for Mom and Dad.

Mirage Daffodil: You said it.

Lincoln: And you've heard of what we did to Damian Alaister and the rest of his Church of Necrom cronies yesterday, right?

Hilary Thestalos: I sure did, those monsters have terrorized all of Royal Woods for the last time, and you guys avenged the deaths of all those that Damian Alaister and his goons killed six years ago, and sent them to The Black Gates. Good riddance to those monsters.

Nico: You said it, but we also found out Damian Alaister used his black magic to sabotage Lincoln and Starlight Glimmer's attack on Evil Starlight Glimmer in the Live Action Transformers universe, and instead of sending her to The Black Gates, she was Super Hakaied and sent to Oblivion. We found out from King Kai that she's planning on getting an army of Equalists together once she's regained her powers to kill us all on September 16th, but we'll be ready for her.

Hilary Thestalos: That sadistic and deranged demon Goth! Ooh, I hope you all made him suffer badly.

Nicholette Torrington: We sure did.

Lincoln: That's right. Oh, girls, it's time for our date, this time, we're going to a nearby spa here in Gotham Royal York.

Nicholette Torrington: That's a good place for our date, and after what we did to Damian Alaister and The Church of Necrom, not to mention all the crap they've put us through, we need someplace to get a relaxing massage before Vakama's big mission to make Victor Veloci pay.

FLASHBACK ENDS

Puppetmon: My goodness! Vlad is really low! But at least we have 3 months to prepare.

Suddenly, Vakama's orange eyes turned neon orange, and he was surrounded by a red and orange energy aura with superhot flames and phoenixes, and as he approached Victor Veloci, he left red and orange energy, superhot flames, and phoenixes with every step.

Vakama: You really make me sick, Victor Veloci, what you tried to do in trying to turn the world back into the age of the dinosaurs, not to mention your crimes against nature and constantly antagonizing Max and his friends has gone on for far too long, and as the Toa Mata of Fire, I refuse to let you live a single second further, you will pay for hurting my brothers and sisters.

Suddenly, Vakama was surrounded by a massive vortex of red and orange energy with superhot flames and phoenixes, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Vakama emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Vakama grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and red chin hair, he has long crimson red hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon orange eyes and a red and orange energy aura with superhot flames, Fire Toa, and phoenixes surrounding him, he has a Toa Mata of Fire with the Fire Kanji in its hands emblazoned on his forehead, he has phoenix earrings with red gems for eyes and the Fire Kanji in its claws, and he has on his Crystal Necklace of The Buddha with crimson red crystal links and a phoenix with red gems for eyes and holding the Fire Kanji in its claws for the pendant on his bare chest, and tattooed on Vakama's wider and more muscular back is a phoenix and a Toa Mata of Fire, and they're surrounded by flames. Suddenly, Vakama felt a sharp pain on his now wider and more muscular back, and then, massive crimson red angel wings with orange tips on the feathers, sprouted out of his now wider and more muscular back. Vakama has on a pair of large black pants with flames on the legs, black ankle-high leather combat boots, large red weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large crimson red orbs.

Suddenly, Vakama's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of crimson red energy with superhot flames, Fire Toa, and phoenixes, and it also merged with his Fire Sword, and when it emerged, it's transformed into Vakama's Fire Toa Greatsword of Volcanic Flaming Justice, it's a brand-new large greatsword with the symbol of the Fire Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged crimson red blade, red Fire Toa heads for the crossguard, large fire-colored gem embedded in the rainguard, longer black handle, and massive fire-colored gem with surrounding angel wings for the pommel. Tahu has on his new large gold cuff Bracelets of the Champions of The Universe with red gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Fire Toa head with orange gems for eyes and a large red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large crimson red gem with heart-shaped gem in the center on his left ring finger and Red Lantern Corps ring on his right ring finger, and there's a crimson red kanji below the Fire Toa and phoenix that said, "Vakama, Toa Mata of Fire, Brother and Teammate of Tahu, Onewa, Whenua, Matau, Nokama, Nuju, Pohatu, Onua, Lewa, Gali, Kopaka, and Takanuva, Loving Brother of Max and The Dinosquad and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Fire Toa, and Phoenixes."

ヴァカマ、火のトアマタ、タフ、オネワ、ウエヌア、マタウ、ノカマ、ヌジュ、ポハツ、オヌア、レワ、ガリ、コパカ、タカヌバの兄弟とチームメイト、愛するマックスとディノスクワッドとメニーの兄弟、テトリダックスとボロックカルの駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして炎のマスター、ファイアトーア、とフェニックス

Vakama has transformed into SUPER ANGEL 750,000,000,000 FIRE STORM TOA MATA ANGEL OF FIRESTORM JUSTICE AND BROTHERHOOD RAGE!

We were amazed by Vakama's Super Angel 750,000,000,000 transformation, but when Victor Veloci saw it, he flew into a rage and tried to attack him, but Vakama fired a powerful blast of neon red hot red energy with superhot flames, Fire Toa, and phoenixes, and it hit Victor Veloci and it really burned him bad.

Sherlock Hound: (British Accent) I should've known there's no mistaking that voice from anywhere, you can come out now, Griffon.

A figure came out in a flash of red demonic lightning, and it was none other than Griffon, the demonic bird of wind and lightning and another servant of Mundus, and it caused Sherlock Hound's red eyes to glow even more.

Sherlock Hound: (British Accent) I should've known you'd be the next one to show up, after what we did to Beowulf and Phantom, Griffon. But, don't think you'll be heading back to The Underworld in one piece. You will pay for the crimes you and Mundus have committed against mankind for millennia.

Griffon (Devil May Cry): I will make sure that all of you will perish in the name of Master Mundus.

Vakama: No, Griffon, like Sherlock Hound said, your days of causing havoc are all over.

Suddenly, Vakama's orange eyes turned neon orange, and he was surrounded by a red and orange energy aura with superhot flames, Fire Toa, and phoenixes, and as he approached Griffon, he left red and orange energy, superhot flames, and phoenixes with every step.

Vakama: Griffon, the crimes that you've committed against mankind can never be forgiven, and just like Phantom and Beowulf long ago, you shall be destroyed here and now!

Suddenly, Vakama was surrounded by a massive vortex of red and orange energy with superhot flames and phoenixes surrounding it, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Vakama emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Vakama grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew a little bigger and he still had his eight-pack abs, tanned skin and red chin hair, he has long crimson red hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon orange eyes and a red and orange energy aura with superhot flames, Fire Toa, and phoenixes surrounding him, he has a Toa Mata of Fire with the Fire and Eternity Kanjis in its hands emblazoned on his forehead, he has phoenix earrings with red gems for eyes and the Fire, Rage, Brotherhood, and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with crimson red crystal links and a phoenix and Fire Toa with red gems for eyes and holding the Fire, Rage, Brotherhood, and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Vakama's wider and more muscular back is a phoenix and a Toa Mata of Fire, and they're surrounded by flames. Suddenly, Vakama felt a very sharp pain on his now wider and more muscular back, and then, his massive crimson red angel wings with orange tips on the feathers that sprouted out of his now wider and more muscular back grew much bigger for his new body. Vakama has on a pair of large black pants with flames on the legs, black ankle-high leather combat boots with flames, large red weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large crimson red orbs.

Suddenly, Vakama's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of crimson red energy with superhot flames, Fire Toa, and phoenixes, and it also merged with his Fire Sword, and when it emerged, it's transformed into Vakama's Fire Toa Greatsword of Flaming Justice, it's a brand-new large greatsword with the symbol of the Fire Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged crimson red blade, red Fire Toa heads for the crossguard, large fire-colored gem embedded in the rainguard, longer black handle, and massive fire-colored gem with surrounding angel wings for the pommel. Tahu has on his new large gold cuff Bracelets of the Champions of The Universe with red gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Fire Toa head with orange gems for eyes and a large red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large crimson red gem with heart-shaped gem in the center on his left ring finger and Red Lantern Corps ring on his right ring finger, and there's a crimson red kanji below the Fire Toa and phoenix that said, "Vakama, Toa Mata of Fire, Brother and Teammate of Tahu, Onewa, Whenua, Matau, Nokama, Nuju, Pohatu, Onua, Lewa, Gali, Kopaka, and Takanuva, Loving Brother of Max and The Dinosquad and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Fire Toa, and Phoenixes."

ヴァカマ、火のトアマタ、タフ、オネワ、ウエヌア、マタウ、ノカマ、ヌジュ、ポハツ、オヌア、レワ、ガリ、コパカ、タカヌバの兄弟とチームメイト、愛するマックスとディノスクワッドとメニーの兄弟、テトリダックスとボロックカルの駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして炎のマスター、ファイアトーア、とフェニックス

Vakama's transformed into SUPER ANGEL ETERNITY INFINITY FIRESTORM TOA MATA ANGEL OF FIRESTORM JUSTICE AND BROTHERHOOD RAGE!

We were amazed by Vakama's Super Angel Eternity Infinity transformation, but when Griffon saw it, he fell into a rage and he fired a blast of red demonic lightning, but Vakama fired a powerful blast of neon red hot red energy with superhot flames, Fire Toa, and phoenixes, and it hit Griffon and it really burned him bad.

Nico: Holy crap, now Vakama's transformed into his Super Angel Eternity Infinity form, this is going to be one fiery battle.

Lincoln: You said it.

Tahu: That's right, Lincoln. Vakama, how do you feel, brother?

Vakama: (Divine Echoing Cosmic Voice of The Firestorm Toa and Brotherhood Fiery Rage) **I feel really incredible, Tahu, and now, it's high time for me to take care of Griffon once and for all.**

Sherlock Hound: (British Accent) Yes, it's time that we got rid of another servant of Mundus once and for all

Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he then unholstered his massive Sparda's Demon Fang of The

Demon Hound sword from his wider and more muscular back. Suddenly, the massive, wide, double-edged 6'9" blade grew to 7'0" in length, the longer black handle grew a little longer, and right on the bottom of the four black wolf heads is a crimson red gem, and Sherlock Hound grew from 7'0" to 7'4" in height, his abnormally massive and powerful muscles grew a little bigger and he still retained his eight-pack abs, his massive black angel wings with blood red tips grew much bigger for his new body, and his clothes grew a little longer as well.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent) **And now, it's time for you to die, Griffon.**

Vakama and Sherlock Hound went after Griffon, who continued to fire red demonic lightning at them, but they dodged them all, and they fired powerful blasts of neon red hot red energy, red and black energy blasts, fire, darkness, Fire Toa, Demons, and Phoenixes at Griffon, and they exploded with incredible power as the blasts hit him. Then, Tahu and Sherlock Hound attacked him with powerful slashes of their brand-new large greatswords, and they left powerful and painful scars on Griffon. Then, Sherlock Hound slashed off one of Griffon's wings and it screeched in excruciating pain, and Vakama kept firing fire at him, burning him badly, and then, Sherlock Hound sent a stalagmite made of dark energy down onto Griffon, impaling him and he screeched in even more pain, and he was now slowly dying.

Griffon (Devil May Cry): (Groans in Pain) (To Sherlock Hound) Your… powers, they're indeed… that of Sparda. But… , you've gotten even more powerful than ever. (To Vakama) And you… , as well. But, I cannot let any of you live, for I serve my Master Mundus.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent) **Do you truly think Mundus will ever let you live, he'll dispose of you just like last time, since he doesn't care if you live or die.**

Vakama: (Divine Echoing Cosmic Voice of The Firestorm Toa and Brotherhood Fiery Rage) **But, to make sure you don't die at Mundus' hands, allow us to put you out of your misery.**

Sherlock Hound and Vakama covered their swords with black energy of The Black Gates, and with two downward slashes, Sherlock Hound and Vakama cut down Griffon and sent him to The Black Gates for good, that way, Mundus doesn't kill him. We cheered wildly for what Vakama and Sherlock Hound did, as they holster their brand-new greatswords on their now wider and more muscular backs and power down, and the new improvements to the bodies, clothes, weapons, jewelry, and massive angel wings of Vakama and Sherlock Hound are permanent. We then ran up to Vakama and Sherlock Hound and we hugged.

Nico: Wow, Vakama, Sherlock Hound, you guys really put up quite a fight against that electric demon bird and showed him no mercy.

Vakama: Thanks, Nico.

Sherlock Hound: (British Accent) And we put him out of his mercy, that way, he doesn't get killed by Mundus.

Sparda: That's right, and I've seen what Mundus has done to those who've failed him, and it's quite a gruesome sight. But, he'll get what he rightfully deserves.

Lincoln: You bet he will, he'll pay for everything he's done.

Me: You said it.

Nico: Oh, Lincoln, I forgot to ask: which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Nico. Hmm, oh, how about a Gene-Slammer for Neo Galaxy Eyes Cipher Dragon, and I know who it'll be: Yínhé Lóng, and I'll tell you guys all about her tomorrow, when we meet her on my rescue.

Me: Good idea, big guy.

Nico: You said it.

David Cain: Looks like Veloci is extinct.

Max: Good riddance.

Me: No kidding there.

Elyon: I wonder if Haruto was watching all that.

Mortal Kombat Scorpion: You can tell him all about it in 2 days.

But little did we know that Haruto was watching the whole thing over in Japan. He was so proud of Elyon and us.

Ice Demon: (to the Kiramagers) You guys helped too.

Juru: We sure did.

Me: And that's 2 we owe you big time now. One for the Zenkaigers and 2 for this one.

Max: (to Juru) We'll see you guys in about a week.

Juru: Gotcha! See you then!

Max and Juru hive five each other.

Nico: YEAH!

Nina Nefertiti: I'm really gonna love it here with you guys.

Hilary Thestalos: Me too.

Seadramon: You girls won't regret it.

Me: Yeah!

New Wave: We should head home now. Fluttershy still needs to feed her new kids some milk.

Me: Oh don't worry about that Rebecca. Trixie Lulamoon and Lincoln's Shadow Clone are taking care of them.

New Wave: Oh. That's very handy.

Me: Yep.

Nico: Yeah! But great job today everyone and Max, you and your team did great today.

Max (Dinosquad): And it'll be an awesome honor working for you guys.

Eli: Yeah.

Max: (To the viewers) This was an awesome adventure of prehistoric proportions and we hope you liked all this.

Nico: We all did. Lets go home guys.

We went back home. Veloci was now a forgotten memory and his name was now forever mud. We enjoyed the rest of the day and went to sleep.

Another awesome chapter and big mission done!

DinoSquad was a really awesome and cool show! It was awesome how these kids all have the power to change into dinosaurs and they have amazing powers and fight against crimes against nature made by Victor Veloci. Now he is gone forever. The show aired from November 3, 2007 - December 6, 2008 And it was awesome and amazing. The first part was for the Pokemon episode called Showdown in Dark City and it was awesome. That's one of my favorite episodes from Pokemon and it aired on September 5, 2000 and it was awesome. Lincoln's rescue was for the show Geronimo Stilton. Never watched that show or read the books before but they looked awesome and cool. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. For Nico's next rescue, that is gonna be a cool one as Nico, Sarah Gunnerson, Bumble Blast of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to head to the Donkey Kong Country 2 level called Hornet Hole and that is gonna be like we're inside a giant beehive and there will be honey all over the place as well as a bunch of Zinger bee's and we're going to really smash them all over the place. It'll be awesome. Also we're going to meet gene-slammer for Bumble Blast's kind named Honey "Bumblebee" Evenstein. Honey is a honey maker and is one of Nico's awesome friends. She makes really awesome honey and she also has the awesome power to make honey from her hands. She also can talk to bees as well as have them help her fight crime too. For Lincoln's rescue tomorrow, Lincoln and his group are heading to the city, and Lincoln and his group are going to face off against Nurse Sue, who's come back from the dead and she still wants revenge on us for what we did in ruining her schemes years ago. # GHOSTS OF THE BEACH

Walking through what looked like a massive and huge beehive was Nico, Sarah Gunnerson, Bumble Blast of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there for another awesome rescue.

Me: Whoa this is a huge beehive.

Lola: Yeah there's lots of bees and honey all over.

I stepped in some honey and it was sticky.

Me: Ew! Lots of honey.

Laney: (Tastes some) But it's really good.

Nico: Wow this is amazing though.

Nicole: It sure is. But this is the Donkey Kong Country 2 level Hornet Hole. Really awesome level that I rememeber.

Eli: It sure is awesome.

Arrietty: Boy it sure is cool.

Nico: Thanks for coming with me, Sarah.

Sarah Gunnerson: No problem Nico. It's an honor to go with you all on a rescue.

Me: We're glad you like it Sarah.

Eli: Yeah especially after we had a big battle yesterday.

Rarity: And it was great to see Juru and everyone again.

Me: It sure was Rarity and that's 2 we owe the Kiramagers now.

Nico: Yep.

Lincoln: That was so awesome though.

Nico: So, Sarah. Do you and Tom have your wedding planned?

Sarah Gunnerson: Not yet Nico. But it'll be so awesome to get married soon. To be honest I have always been in love with Tom ever since we brought Simon and is friends down the first time.

Laney: That is so awesome Sarah.

Tsuyu: I can't believe that Simon and his friends as well as Krystella and Klay have done all that.

Nico: I know. They are just pure evil.

Lola: They got what they deserved.

Nico: Don't forget the M'arrillians.

Me: That's right. In fact we took down ALL of Perim's major and most dangerous enemies.

Nico: We sure did and Ri'Oha is now a member of the Redemption Squad.

Laney: And she is so awesome too.

Nico: Yep.

Tsuyu: That is so awesome.

Sirius: It sure is. But it's hard to imagine that Krystella would splash you with pigs blood Sarah!

Kaina Tsutsumi: Yeah what was wrong with that girl!?

Me: Who in the hell knows?

Nico: Sarah, you ARE wearing your leotard under your clothes, right?

Sarah Gunnerson: Yes I am why?

Nico: Just being cautious.

Sarah Gunnerson: Oh.

Rainbow Dash: But those were some really awesome adventures.

Lola: They sure were.

Nico: I was just asking in case you have to shark out.

Sarah Gunnerson: Oh that makes sense.

Nico: But this hive is amazing though.

Me: It sure is. And Donkey Kong and crew had to go through thrashing lots of bad guys and Zingers were one of them.

Nicole: Yep they sure were and those are the kinds of enemies in the games were you can't thrash them without the right friends or powers.

Lily: That's right.

Fu: Wow they must be tough.

Nicole: Yep they are.

Nico: Luckily, some of us, if not all, have the powers necessary.

Nicole: Yep we sure do and it's time to get to squishing some bees.

Lana: YEAH!

Then the Zingers all came at us and we were thrashing and blasting and smashing them all over.

Bumble Blast: THE PERFECT SWARM!

He fired honey blasts and they hit the Zingers and splattered them all over. But luckily the honey destroyed them.

Laney: Oh yeah!

Me: Have a taste of some Hyper Corrosive Croutons!

FART FART FART FART FART FART FART FART!

I made armpit farts and then fired croutons from them and destroyed numerous Zingers!

Sarah concentrated and groaned as her hands started trembling.

Sarah Gunnerson: Time to chew on some bugs!

She took off her shirt and pants and had her leotard on and went shark and turned into her SHARK FORM!

Nico: YEAH!

Sarah Gunnerson: SHARK ATTACK!

She chomped on a bunch of Zingers and chewed them up and ate them!

Sarah: Mmm! Bees are good protein.

Nico: Glad you've having fun!

Me: Now this is my favorite part here. STINK BOMBS AWAY!

I fired eggs from my armpits and then it hatched and formed into DEVILED EGGS! They skewered numerous Zingers and Lana was eating the Zingers!

Lana: (Eating) Beats eating Oogie Boogie's bugs!

Nico: Boy the Ovulator's powers are really awesome.

Eli: They sure are cool.

Kaito: (takes out Ryusoulger Gear) Don't leave us ou

Zocks: (Gets out Kiramager gear) This is in honor of Juru, who helped us yesterday.

Kaito summoned the Ryusoulger Swords and Zocks summoned smaller Mashins!

Nico: We'll sting these bees to death!

Nico fired waves of fire and burned them all over.

Lola and Laney were wearing Beekeeper suits? What the?

Lola: But this is really cool! We're making honey too while we're fighting.

Laney: I've always wanted to learn a lot about beefarming.

Nico: Lola, will you be able to use your powers while wearing that?

Lola: Only one way to find out.

She fired a blast of fire from her hand and burned many Zingers all over.

Lola: Hey I can use my powers!

Nico: COOL!

Eli fired waves of Force Lightning and electrocuted numerous Zingers all over.

May: Hope you like cold bees!

May fired waves of ice from her hands and her ice blaster and froze the Zingers in blocks of ice.

Nico: Bumble Blast, stay close. The Gene Slammer could be anywhere!

Bumble Blast: You got it Nico!

They fired waves of fire and honey and smashed the Zingers all over the place.

But then THE QUEEN ZINGER CAME! UH OH!

She was a huge bee!

Me: Oh poop.

Nicole: Looks like it's time for the boss level!

?: I got this bad bee!

Another Bumble Blast came out!

Bumble Blast 2: (In a girls voice) This big bee is gonna be sticky!

Nico: Honey Evenstein!? Wow!

Bumble Blast 2: Awesome to see you again Nico.

The second Bumble Blast blasted the huge bee and smashed the big bee down.

The second Bumble Blast reverted back and Honey was a girl with blond hair and yellow clothes.

Honey Evenstein: Yeah now that was fun.

Nico: Sarah, you can revert back now.

Sarah: Okay. (BELCH)

She reverted back to human.

Nico: That was awesome.

Honey Evenstein: That is awesome. Glad we beat all those bees.

She wiped her head and then globs of honey landed on my face.

Me: What the?

I licked the honey and it was delicious!

Me: Mmm!

Nico: Oh Honey is honeymancer. She has the power to fire honey from her hands.

Eli: Whoa that is cool!

Honey Evenstein: Yeah I like it.

Sarah: What's your favorite memory of Nico?

Honey Evenstein: I have a lot of them. My favorite is when me and Nico were at a beefarm and then we saw a couple of bullies giving someone the old bee bush gag and I knew we had to stop them.

Nico: I remember that one.

Honey Evenstein: Yeah. I splattered all the bullies with my honey and then told the bees to go sting those lowlifes all over and it turns out they were allergic to bees and I they got stung all over and were rushed to intensive care.

We laughed at that one.

Nico: That was really silly!

Me: Yeah serves those jerks right!

Laney: Yeah.

But then Eli took a shaver and snuck up on Nico as psycho strings played and then…

BUZZZZZ!

Eli shaved a part of Nico's head!

Nico: (SCREAMS) WHAT THE FUCK!?

We laughed!

Nico: Oh that was funny! (LAUGHS)

Nico grew the part of his head that was shaved off back and hugged Honey.

Nico: I really missed you.

Honey Evenstein: Me too Nico. Me too.

Lola: But that was really funny how Eli did that to you!

Nico: Yeah! It was! Cleveland told me that Peter did that to him.

Me: That was funny.

Lola: Yeah but look at all this honey we made here.

We saw MASSIVE NUMBERS OF JARS OF HONEY!

Laney: Cool huh?

Eli: Yeah it is.

We later went back home with our honey load and more.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Clay Bailey are heading out into the city, and not only is Lincoln going to rescue the sixteen girls here, but we got word that Nurse Sue's come back from the dead and she still wants revenge on us for what we did in ruining her schemes years ago in Sunset Canyon.

Lincoln: Whoa, so our rescue's taking place here in Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the sixteen girls here, but we got word that Nurse Sue's come back from the dead and she still wants revenge on us for what we did in ruining her schemes years ago in Sunset Canyon.

Me: I never thought we'd have to deal with that fraudulent nurse again, not after we got rid of her when we went after Chester.

Nico: I know, and when Ms. Rita heard the news, she couldn't believe it, and the news also spread to Sunset Canyon as well. Luckily, Varie put the place on full lockdown and that stupid, no-good, greedy, bad-tempered, evil, pinhead of a fraudulent nurse can't get inside and take revenge on Varie. Which means, she's toast when we get her.

Lincoln: You got that right, Nico, and thanks for joining us, Clay.

Clay Bailey: No problem, Lincoln, I'm looking forward to making that snake in the grass pay for what she's done.

Applejack: We all are.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of sixteen girls calling for help, along with the sound of a cruel laugh the Louds know all too well. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the sixteen girls, but they've been cornered by Nurse Sue, and she's going to kill them by running them over with a cart.

Lincoln: Guys, I found the sixteen girls, but they've been cornered by Nurse Sue, and she's going to kill them by running them over with a cart.

?: (Girl's voice) That stupid fraudulent nurse, let's rip her to shreds!

Suddenly, we saw Neo Galaxy Eyes Cipher Dragon appear before us.

Nico: Wow, that's Neo Galaxy Eyes Cipher Dragon, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Yinhe Long, but we'll talk later, we've got to put Nurse Sue back in her place.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Nurse Sue, and it destroyed her cart, and it allowed the sixteen girls to get to safety. When Nurse Sue got up and saw us, she was beyond pissed when she saw us.

Nurse Sue: YOU! I WILL KILL YOU ALL FOR WHAT YOU DID IN RUINING MY SCHEMES, YOU RUINED EVERYTHING FOR ME, YOU STUPID LOUDS!

Lincoln: You did that to yourself, and it's not our fault you've been exposed as a fraud and criminal. You never cared about the elderly, you're just a bloodsucking leech, and you deserved every last bit of bad karma for everything you've done.

Me, Nico, and Eli: Yeah, you bad-tempered panty-waisted cow!

This got Nurse Sue so angry, her face turned red and steam came out of her nose, but Lincoln was really prepared for her. Nurse Sue charged at us, but Lincoln dodged out of the way, and he landed one strong punch to Nurse Sue's stomach and she belched out massive amounts of vomit on the grass.

Lori: Gross.

Lincoln: Let's get her.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity

forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Clay Bailey, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Nurse Sue, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit her.

Then, Lincoln punched his large left fist onto the ground and upheaved the land and knocked Nurse Sue up into the air, and he fired a blast of black energy of The Black Gates and it hit and banished Nurse Sue to the Black Gates. We cheered wildly as we holster our weapons and power down.

Nico: Whoa, now that was really awesome, Linc, and you didn't need to use any Slappers.

Lincoln: Nope.

Me: Dang, that's some powerfully immense and brute superhuman strength you have, big guy, and you're still getting stronger in the process.

Eli: Don't forget that his powers have also been evolving as well, and he, along with all of us have been assimilating the powers and abilities of those we've imprisoned or killed/destroyed.

Nico: That's right, I haven't forgotten about that one.

Lincoln: That's it for Nurse Sue and she's never coming back. (To Yinhe Long) And it's so good to see you again, Yinhe Long.

Yinhe Long reverted back to normal, and she's a beautiful 17-year-old girl with short neck-length dark pink hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive dark purple angel wings, and she reigned in the power of Neo Galaxy Eyes Cipher Dragon, and she's dressed in a sleeveless dark purple vest, short-sleeved black and light purple shirt, light purple skirt, light purple stockings, purple sneakers, and long light purple sleeveless trenchcoat with stars on the coattails, and Neo Galaxy Eyes Cipher Dragon on the back, and holstered on her back is a large Neo Galaxy Eyes Cipher Dragon-themed greatsword with Neo Galaxy Eyes Cipher Dragon etched on the 7'0" massive, wide, double-edged light purple blade, large light purple angel wings for the crossguard, large light purple gem embedded in the rainguard, longer black handle, and a large light purple gem surrounded by angel wings for the pommel.

Yinhe Long: You too, Lincoln, it's been a long time.

Lincoln went up to Yinhe Long and they hugged, and Yinhe Long was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were twelve, and as you can see, I really grew a lot since then.

Yinhe Long: Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Yinhe Long, she's one of my Guardian Angels from Michigan, and one of my friends in science and cooking, we performed various science experiments together and we even cooked together. This one time, we even made a fruit platter shaped like stars and planets.

Me: Whoa, a fruit platter shaped like stars and planets?! That's so awesome.

Lincoln: I knew you'd love hearing about that, J.D., and she hates Lewis Travolta with a passion.

Nico: Nice, and we've got him being humiliated for the rest of his life.

Yinhe Long: Awesome.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Yinhe Long's neck with light purple gems on the gold thunderbolt links and light purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Yinhe Long: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Yinhe.

Yinhe Long had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Yinhe Long's waist and Yinhe Long wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Yinhe Long's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the sixteen girls, and when Lincoln saw them, he immediately recognized them. The sixteen girls are Konomi Kasahara, Nonoka Sugiura, Jun Uehara, Sayo Yotsuba, Hifumi Benibana, Asuka Fujimura, Masumi Fujita, Kikuko Gotou, Chinari Iwamine, Chigusa Kumagai, Kaoru Niijima, Kurea Ooba, Rina Samura, Maruno Satou, Mimu Takahashi, and Akane Uchimura from Iwakakeru: Sport Climbing Girls.

Lincoln: Oh wow, it's Konomi Kasahara, Nonoka Sugiura, Jun Uehara, Sayo Yotsuba, Hifumi Benibana, Asuka Fujimura, Masumi Fujita, Kikuko Gotou, Chinari Iwamine, Chigusa Kumagai, Kaoru Niijima, Kurea Ooba, Rina Samura, Maruno Satou, Mimu Takahashi, and Akane Uchimura from Iwakakeru: Sport Climbing Girls.

Nico: Awesome, and these girls are talented when it comes to solving puzzles.

Lincoln: Awesome. (To the girls) Are you girls okay?

Konomi Kasahara: Yes, we're okay, thanks to you.

Then, when Konomi Kasahara and the other fifteen girls saw who it was that saved them from Nurse Sue, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video

surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Konomi Kasahara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made fifteen clones of himself, and he and the fifteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Konomi Kasahara: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Thunderbird Necklaces of Eternal Love appeared on the necks of Konomi Kasahara, Nonoka Sugiura, Jun Uehara, Sayo Yotsuba, Hifumi Benibana, Asuka Fujimura, Masumi Fujita, Kikuko Gotou, Chinari Iwamine, Chigusa Kumagai, Kaoru Niijima, Kurea Ooba, Rina Samura, Maruno Satou, Mimu Takahashi, and Akane Uchimura with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Nurse Sue, who came back from the dead and she still wanted revenge on us for what we did in exposing her years ago.

But, when Lincoln showed what we did in roughing her up, and what he did in putting a permanent stop to her for good, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Yinhe Long have a lot of catching up to do now that she's back in town, and now, we're rid of Nurse Sue once and for all, and she'll never threaten the elderly again. When Flip and Scoots saw what we did to Nurse Sue, they lost it big time, but Lincoln fired two chili peppers into their mouths and they scream as flames came out of their mouths and butts, and we laughed hysterically at what Lincoln did.

---

After finally getting rid of Nurse Sue and this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Yinhe Long saw Lincoln working out like crazy, she had an atomic red blush on their face.

Yinhe Long: Whoa, I was right that Lincoln has really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yinhe, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yinhe Long: That's incredible.

Nico: It sure is. So, Yinhe, what memories did you have with

Lincoln?

Yinhe Long: Oh, I remembered one time in Science Class, Lincoln and I were doing an experiment on the environment and on the human body, and we documented everything from our experiment and on the next day, we got an A on our project. Then, there's another time we also made some Sesame Beef with Gochujang Udon noodles, which is a very healthy dinner, and it was really delicious.

Nico: Whoa, a scientist and a chef, awesome!

Lincoln: She's not the only Guardian Angel who's a chef, Nico. And for tomorrow, I'm hoping to meet a Gene-Slammer for the Blue-Eyes Chaos MAX Dragon.

Yinhe Long: Ooh, and I think we both know who'd fit that Duel Monster.

Lincoln and Yinhe Long: Neela Kaosudoragon.

Me: And you guys will tell her all about her tomorrow, right?

Lincoln: Yep.

Yinhe Long: That's right.

We got a shower afterwards, and then, Clyde and his harem are heading out for their date, this time, it's at Plage de l'Espiguette, Montpellier in France. Clyde and his harem were in their swim suits from their beach dates, and they had on their jewelry and had their weapons holstered.

Clyde: Alright, everyone, are we ready?

Syd Chang: We're ready.

Clyde and his harem head out, and when they arrive at Plage de l'Espiguette, Montpellier in France, it was an amazing and awesome low-key beach with a long, wide expanse of sand & 2 restaurants with sunbed & paddleboard rentals.

Chloe: Wow, what is this place, Clyde?

Clyde: This, Chloe, is Plage de l'Espiguette, Montpellier in France, it's an amazing and awesome low-key beach with a long, wide expanse of sand & 2 restaurants with sunbed & paddleboard rentals. I don't think Marinette and her friends have ever been here, but we'll ask them when we head back.

Clyde and his harem dived right into the water, and they were swimming in the ocean. Then, they also explored the wide expanse of sand here and they also had lunch at one of the two restaurants here. Then, after hours of fun, Clyde made clones of himself, and Clyde and the clones went up to the girls in his harem, and they wrapped the girls' waists in their abnormally massive and powerful muscular arms, and they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Plage de l'Espiguette, Montpellier in France.

This got the attention of Marinette and her friends, along with our many friends from France.

Marinette: Plage de l'Espiguette, I haven't been there in a long time. It's still the same as ever.

Lincoln: I didn't know about that beach when we went on our date in Paris, France, that's awesome!

Me: And I've heard about Plage de l'Espiguette, it's an amazing and awesome low-key beach with a long, wide expanse of sand & 2 restaurants with sunbed & paddleboard rentals.

Chloe Bourgeois: That's right, oh man, I've been there numerous times and it's awesome.

Eli: Hey, maybe, we can also head there as well.

Lincoln: Good idea.

Clyde: And it's the first time we've gone on our date, and we didn't have any trouble.

Lincoln: And we can blame The Church of Necrom for that one, buddy, what a bunch of murderous demons!

Nico: You said it, but they got their just desserts for what they've done, and they're now forgotten for good. But, the damage they did can never be undone.

Lincoln: No, it can't, Nico, but we made sure that the victims of Damian Alaister and his goons were able to rest in peace.

Nicholette Torrington: You said it, Lincoln.

Michelle Torrington: Yeah, what they did, I'm glad you guys killed them, they're nothing but a bunch of monsters who want nothing but to kill everyone in their path, and all for their sick devotion to Necrom. Damian Alaister, you and your friends are a bunch of despicable, selfish, heartless, sadistic, insane, inconsiderate excuses for human beings, and I'm glad Lincoln, my sister, and her friends sent your butts to The Black Gates for good.

Nico: Well put, Michelle.

---

Later it was time for Whenua's 3rd Ambassador Mission!

Nico: This is gonna be so awesome.

Me: Yeah it is!

William: Anyone else want to go with Whenua? Besides Goliath, 2 Rabbids, and the Cortez Siblings?

Leo Corbett: Me and the Lost Galaxy Rangers, The In Space Rangers and Kyurangers can go too.

Nico: Cool! And it fits the theme perfectly.

Me: It sure does and it'll be awesome for Gentaro and his team to meet you all.

Eli: Yeah it will! Woz you want to come with too?

Woz: I suppose I can go.

Nico: Awesome.

Wallflower Blush: I'll go too. I want to try my hand at being a Fourze Kamen Rider too.

Nico: Awesome. All right lets get a move on.

We were off to Japan!

We arrived in Japan.

Gentaro: Hey guys!

Whenua: Gentaro, meet my archenemy.

Goliath: Awesome to meet you. My name is Erik Josten but I like being called Goliath.

Gentaro: Awesome to meet you.

Goliath: Same here.

Me: And these are more of the Power Rangers.

Andros: Awesome to meet you guys. I'm Andros and these are the In Space Rangers.

They waved.

Leo: I'm Leo Corbett and these are the Lost Galaxy Rangers.

They waved too.

Lucky: And my name is Lucky and these are the Kyurangers.

Me: You may know the In Space Rangers as the Megarangers and the Lost Galaxy Rangers as the Gingaman here in Japan.

Gentaro: Wow it's such an awesome honor to meet you all.

Me: And the Kyurangers came from another Universe that we went to and destroyed the Jark Matter.

Gentaro: Wow that is awesome!

Me: Yep.

Wallflower Blush: And my name is Wallflower Blush it's an honor.

Twilight Sparkle: She is another version of our Wallflower that just joined us.

Me: Long story.

Woz: And it's a most amazing honor to meet you all. My name is Woz and I'm for the Zi-O Kamen Riders.

Gentaro: Pleasure to meet you.

Nico: I have the perfect setup for the Fourze team. It'll consist of Gentaro, Ryusei, Nadeshiko, J.D, and Whenua. Just need 1 more.

Wallflower: I'll volunteer for this one.

Nico: Cool!

Me: Awesome.

Then the teacher Mr. Ohsugi came out.

Gentaro: Hi there, Mr. Ohsugi!

Mr. Ohsugi: Hello Gentaro. And Team Loud Phoenix Storm it's an honor.

Me: (Bows) Pleasure to meet you Mr. Ohsugi.

We bowed too.

Nico: It's a pleasure.

Mr. Ohsugi: I know you guys might have had some bad first impressions about my previous… demeanor. So, to show there are no hard feelings, I have something fun planned for J.D.

Nico: What's that?

Mr. Ohsugi: A pop quiz!

Andros: Pop quiz?

Leo Corbett: Pop quiz?

Lucky: Pop quiz?!

Me: You guys don't like school do you. But I'm more than willing to answer a quiz for you. And no before you guys get any stereotypical jealous reactions, no I'm not a teachers pet.

Nico: That is a relief but no I"m not having reactions like that.

Eli: Thank goodness.

Andros: We were just surprised. That's all.

Mr. Ohsugi: Can I ask everyone else to exit the classroom?

Shun: It's still class time.

Mr. Ohsugi: Then consider this a free period for the rest of you. Though, if some Zodiarts' or any other monster shows up to disrupt J.D.'s time, you may keep them from doing so.

Me: Thank you.

Nico: Will do.

Me: I take it you kept track of many of our big adventures Mr. Ohsugi?

Mr. Ohsugi: Yes I have and they are very amazing and awesome.

Me: Thanks and don't worry I'm not going to put my legs up on the desk and lounge and smirk like a stereotypical bad boy. No offense

Gentaro.

Gentaro: None taken.

Me: Not in my nature. I'm always up for a good challenge.

Mr. Ohsugi: Excellent.

They exited the classroom… just in time to spot some figures from far away.

Ryusei: I think Ohsugi was onto something.

Nico: Lets go then.

They went to check it out.

Mr. Ohsugi: Don't be fooled by the fact that there are only 6 questions. These are based on elements that make up your usual battle groups.

Me: Awesome setup Mr. Ohsugi. This reminds me a lot of when I went to school for a week here in Japan. Brings back memories.

Mr. Ohsugi: I didn't know you were here before J.D.

Me: It was when me and my family were traveling all over the world.

Mr. Ohsugi: I see. Are you ready?

Me: Yes sir.

Nico and the group saw the monsters and went up to them!

Nico: HEY! Stop right there!

They turned and they saw the GEMINI, AQUARIUS, CANCER, TAURUS, HERCULES AND CYGNUS ZODIARTS!

Nico: WHOA! The Gemini, Aquarius, Cancer, Taurus, Hercules and Cygnus Zodiarts!

Eli: This is gonna be awesome!

Twilight Sparkle: Yeah it sure will be.

Sunset Shimmer: This is gonna be so cool!

Lucky: LUCKY! We're facing monsters that are named after the Constellations!

Hammie: That is really awesome.

Nico: Yep.

Gentaro: How have you all been?!

Cygnus: Hanging in there.

Cancer: Long enough to destroy you all!

Nico: This is gonna be awesome. But Taurus Zodiart, you picked a good time to face me. I was actually born under the constellation of Taurus the Bull and that is my astrological sign.

Taurus: Glad I picked the right month for it.

Eli: Too bad Libra couldn't fight this time. I am a Libra myself.

Hercules: That is amazing.

Gentaro: All right lets get them! Wallflower you'll need this.

Gentaro gave her a belt.

Wallflower: Wow!

Nico: Awesome! This will be cool! Time to kick some butt!

Gentaro, Twilight and friends, and Ryusei: Henshin!

THEY TRANSFORMED!

Ryusei: Time to decide your fate.

Nico: And to kick your starstruck butts!

Eli: YEAH! Since bro is not here with us this time I'll fill in for him. I got something awesome to show you all.

Nico: What is it?

Eli showed his Miraculous Charm and it was an earring in the shape of a bird.

Eli: FLYA WINGS OF LIGHT SPREAD!

(THE MYSTICS DREAM BY LOREENA MCKENNITT PLAYS)

Eli had wings that were glowing with the light of the sun appear from his back and he had a really awesome sword of rainbow light and he had a really awesome white trench coat and a rainbow outfit on and in this form he was called ANGEL BUTTERFLY!

Meteor Storm! Meteor On, Ready? (Hard rock music)

He went Meteor Storm and it was AWESOME!

Nico: YEAH!

The battle started with Goliath growing to giant size.

Goliath: I will CRUSH YOU Like a bug!

Cygnus: Oh poop.

CRUSH!

Cygnus was crushed and the Zodiart Switch flew out and went into Nico's hand.

Nico: Perfect for the Masters of Evil.

Nico charged at Hercules.

Hercules: Bring it on monkey!

KRASMASH!

Nico plowed through the Hercules Zodiart and destroyed it and he grabbed the switch and teleported it to the Masters of Evil.

Nico: Awesome.

Eli: Lets see what this can do.

Eli slashed Cancer all over and clashed with him and fired beams of rainbow energy and smashed him down.

Nico: AWESOME! Now lets see here. I know!

Nico flicked the switches for Goliath and Saturn and then formed a huge ring and threw it and then it slashed Taurus in half! Then he grabbed his Taurus switch and teleported it to the M.O.E.

Goliath: (gives Nico a thumbs up) Nice, Nico!

Nico: Thanks Goliath!

Twilight and friends all blasted Aquarius Zodiart all over the place.

Eli slashed and cut Cancer in half and then Nico grabbed the Zodiart Switch and teleported it to the M.O.E. HQ.

Ryusei charged at Gemini.

Gemini: Oh no you don't!

Gemini made 10 clones of himself!

Nico: Two can play at that!

Nico flicked the switches for Billy Numerous and Neptune and he fired 310 beams and they formed into 310 planet Neptune's and they slammed into Gemini and the clones and smashed him all over and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico caught the Zodiart Switch and teleported it to the M.O.E.!

Nico: YEAH!

Ryusei: Who's left?

Eli: Aquarius!

Nico: Lets go get him!

Gentaro: Yeah!

They went at Aquarius and Twilight and friends were smashing and pulverizing Aquarius all over.

Gentaro: And now, for the finisher!

Nico: Time for some buttsmashing!

Andros: STARSABER BLASTER!

Carlos: QUATTRO BLASTER!

Lost Galaxy Rangers: GALAXY QUASAR LAUNCHERS!

GALAXY!

Kyurangers: GALAXY STAR BLAST!

They fired waves of energy and a massive star element blast and the blasts all hit Aquarius and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and Nico caught the Zodiart Switch and beamed it to the M.O.E.

Nico: Those six Zodiarts all have failed this city.

Twilight Sparkle: More like they have failed the Stars.

Gentaro: Think J.D.'s done yet?

Nico: Lets go see.

I just finished the last question.

Me: Finished.

I gave my paper to the teacher. Nico and everyone came back.

Nico: Hey, J.D. You done yet?

Me: Finished 30 seconds ago. I heard the explosions. Are you guys all right?

Nico: Yes we are. The Masters of Evil got 6 new members of the M.O.E.

I got a 100% on my test! It was awesome and great!

Back at the estate, everyone was watching TV and in front of the TV in a hot tub filled with wet cement was the Ripping Friends, Lincoln, Luna and Lynn and boy do they love to take a dip in the stuff. May was in it too.

May: Ahh man this feels so relaxing.

Slab: It always is great.

Crag: Man there's nothing like a nice refreshing dip in wet cement.

Luna: Boy you said it dudes.

Lynn: This is good and relaxing.

May: That is awesome that you guys like relaxing in wet Cement.

Crag: You know it May. After a hard day of having big missions and just getting back from fighting Veloci and thinking up ways to rip the secrets from nature, I can't get enough of this soggy concrete.

He picked up a glob of cement and it splashed in the tub.

Lincoln: Boy it feels good too. You guys sure have awesome fun in this.

Slab: Glad you think so Lincoln.

Rip: Yeah this is good stuff.

Then we came back.

Me: We're home!

Nico: Hey guys.

May: Hey Nico.

Nico: Wow now you're having a good dip in wet cement.

May: Yeah and it's really relaxing.

Nico: Boy you guys are having a great time.

Me: Yep,

May: How did it go?

Me: Really awesome.

We told everyone what happened and it was awesome.

May: Wow you guys had a lot of fun.

Laney: Boy I'll say.

May: Next time, Yost Wolverine should go with you.

Whenua: Awesome! Looking forward to that one.

TREASURE TROVE COVE BY BANJO AND KAZOOIE PLAYS!

We were over at the beach and we were having a really fun time. We were in our swim clothes and having an awesome and really great time.

Maria: Another nice day on the beach. Right, Horsea?

Horsea: Boy you said it Maria.

Me: Ahh this is the life.

Nico: Boy you said it man.

Nico then saw something and went over to a donut booth.

Nico: Hi. I'd like as many plain sugar donuts and mayonnaise as you can give me.

Vendor: They for friends?

Balto: Yep. Very special friends.

Nico: Yep.

Nico gave the vendor money and then he gave him TONS of sugar donut and a LOT of mayonnaise.

Me: Haruto and friends for that Nico?

Nico: Yep.

Me: Boy they will love that.

Eli: They sure will.

Blitzwing: After making Veloci extinct, we've earned this.

Nico: Boy you said it.

May: And we're having a lot of fun.

Lola: You got that right.

We were doing what we love and that is building sandcastles, surfing, playing volleyball, lifting weights and even treasure hunting.

Nico: Yeah this is the life.

Sky Lynx: That was the most prehistoric mission ever.

UA Iron Man: What about the missions for the Blue Dragon world and mine?

Sky Lynx: Those missions each featured only one team that uses dinosaur powers.

Me: That's true and those were great.

Nico: Yeah they sure were.

Honey Evenstein: But it's so awesome having fun after such an awesome mission.

Erica McConnell: You got that right. I love a great day at the beach.

Misfire: It's good to have you back, Fluttershy.

Fluttershy: It's good to be back too.

TTG Cyborg: STEAKS ARE READY!

Rip: OH BOY!

We went to get some awesome and great beef.

The Ripping Friends all got some awesome steaks and so did me and Nicole.

Then New Wave, Black Knight Ghost, Pyros, Black Manta, Puppetmon, BlackWarGreymon, David Cain, Mortal Kombat Scorpion, Ice Demon, and Seadramon appeared.

New Wave: Can me, Black Knight Ghost, Pyros, Black Manta, Puppetmon, BlackWarGreymon, David Cain, Mortal Kombat Scorpion, Ice Demon, and Seadramon go with you guys?

Nico: You sure can. We're just hanging out at the beach after killing Veloci.

Black Manta: Ah that is a good way to relax.

Eli: Yes it sure is.

Lola: And we're having tons of fun.

Carnivac: Nico, which Gene Slammer do you think will appear on your next rescue?

Nico: I'm hoping to do one for a… Lets see we did Skylander gene-slammers for Dark, Air Light, Magic, Life, Undead, Fire, Water and Earth so we have Tech left and I'll do one for Gearshift's kind next.

Gearshift: One for me next. That will certainly be most interesting to see.

Nico: Yep it sure will.

Lola: Cool! So it'll be someone that knows all about technology next.

Black Manta: I still think something big might happen.

Nico: I feel it too.

Danny Phantom then had a ghost sense and then he saw an invisible force pick up a big rock and it was about to throw it at Nico!

Danny Phantom: NICO LOOK OUT!

He went to Nico and made him intangible and the rock went through him and it went into the lake.

Nico: WHOA! Where did that come from?

Danny Phantom: I saw the rock float and then it was hurled at you.

Nico: WHOA!

Me: He's right! I saw that rock float all by itself!

Sid Arkale: Okay, who threw that rock at Nico?!

Rubanoid: If that's anyone's idea of a joke, it's not funny!

We looked around.

Me: I don't see anything!

Laney: Something is really weird here.

Lola: Yeah.

Me: I've got a really bad feeling about this.

Black Knight Ghost: We might be dealing with another Goosebumps monster.

Shaggy: ZOINKS! Like I hope not!

Nico: Wait a second. I know which one it is. Be right back.

Nico teleported back to the estate and came back with the book Ghost Beach!

Me: Ghost Beach! I remember that one. That was a weird and crazy one.

Eli: I remember that one too.

Brittney: So we're going to face Sam, Louisa, and Nat.

Nico: Yep.

Me: Wow its been a while since we faced a Goosebumps Monster last.

Nico: It sure has been a while.

Supernova Zap: Fitting considering we're on a beach already.

Me: Very coincidental too.

?: I agree.

We saw a kid with us and it was Jerry Sadler.

Nico: Hey are you Jerry Sadler?

Jerry Sadler: I sure am and it's an honor to meet you all.

Me: Same here.

Eli: We're not going to let those ghosts get away with this.

Pyros: Where's your sister?

Jerry Sadler: She's here. Terri will be here shortly.

Terri Sadler came.

Terri Sadler: I'm here.

Nico: Awesome to meet you Terri.

Terri Sadler: It's an honor too Nico.

Me: I'm afraid we got big problems.

Terri Sadler: Don't tell me. Sam, Louisa and Nat are back.

Me: Yep.

Eli: We saw something throw a big rock at Nico to try and smash his brains out.

Danny Phantom: It was an invisible force and it was a ghost.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was none other than Queen Cackle, an evil witch from the Kingdom of Fantasy, and she's coming to take revenge on Geronimo Stilton for ruining her plans to take over the Kingdom of Fantasy long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and Geronimo, you're not going to like it: the dark energy I sensed belongs to Queen Cackle, an evil witch from the Kingdom of Fantasy, and she's coming to take revenge on Geronimo Stilton for ruining her plans to take over the Kingdom of Fantasy long ago.

Geronimo Stilton: (Gasps) Queen Cackle?! Oh no, I thought I'd never have to deal with her again.

Benjamin Stilton: Uncle G, who is Queen Cackle, and how do you know about her?

Geronimo Stilton: I was afraid you, Thea, Pandora, and Trap would find out about it, Benjamin. You see, long ago, I've been to a place known as The Kingdom of Fantasy, a fantastical world filled with places and creatures and things beyond the wildest of imagination ruled by one of my best friends, Queen Blossom of the Fairies, and King George. The Kingdom of Fantasy is endless due to the fact that the imagination is endless and anyone who can dream may explore it and discover even more kingdoms never seen before. It consists of multiple different kingdoms, some kingdoms filled with light, others filled with darkness and evil. While the entire Kingdom of Fantasy is ruled by Queen Blossom from the Crystal Castle of the Kingdom of the Fairies, each of the smaller kingdoms has its own ruler, capital, and government.

Nico: Whoa, that's so awesome.

Geronimo Stilton: And I've been called upon many times to defend it from Queen Cackle and the witches that want to take over the Kingdom of Fantasy, and plunge it into eternal darkness.

?: That's right, Geronimo.

Suddenly, we saw a tornado of blue magic with fairies appear from nowhere, and when it disappears, there stood a beautiful fairy with blue skin, blue hair, transparent wings, and she wears a blue rose crown, a blue rose pendant with her name on it, and a blue rose ring. It was Queen Blossom, Queen of The Fairies and Queen of The Kingdom of Fantasy.

Geronimo Stilton: Ah, Queen Blossom. (Bows) It's so good to see you again.

We also bowed before her as well.

Queen Blossom: You too, Geronimo, and it's indeed an honor to meet the legendary Team Loud Phoenix Storm.

Nico: You too, Queen Blossom, and we got the word from Lincoln that Queen Cackle is coming to take her revenge on Geronimo for ruining her plans to take over the Kingdom of Fantasy.

Queen Blossom: Yes, and she needs to be stopped once and for all.

Trap Stilton: I have a hard time believing everything Geronimo told us.

Thea Stilton: Same here, usually, Geronimo isn't the kind of person who would fight.

Benjamin Stilton: But, he's always kept a cool head and always saved the day.

Geronimo Stilton: That's right, Benjamin, and I've indeed fought against a powerful dark being like Queen Cackle, Trap, and foiled her plans one after another. Queen Blossom, allow me to be the one to put a permanent end to Queen Cackle once and for all.

Queen Blossom: I was about to ask you the same thing, Geronimo.

Lincoln: Then, that means, Geronimo Stilton's going to transform, awesome.

Nico: You said it, big guy. Alright, gang, let's go send those evil beach ghosts back to Hell where they belong!

Sinnertwin: We need to know their info.

Me: Lets see here.

I pulled up their history.

---

Sam Sadler once lived in England with his younger sister and brother, Louisa and Nat and his parents, Thomas and Priscilla. One day, in the year 1641, Sam and his family went with the rest of the whole Sadler family to New England. They were Pilgrims who came to New England to start a new life. Unfortunately, Sam and his family were unprepared for the brutal winter that occurred when they arrived at New England. And the Sadlers all died one by one from the cold, including Sam and his family.

Three-hundred-fifty years later, Sam, along with Louisa and Nat, started roaming New England. They became "neighbors" to Brad and Agatha Sadler, who were living in a cottage nearby. They started living off by picking dogs clean and devouring them as dogs recognize ghosts. Some time later, a man named Harrison Sadler came to study ghosts and the occult. He found out that Sam and his two siblings are ghosts so he started hiding out in a cave that was a sanctuary, one that Sam and his siblings won't be able to get through. Seeing that Sam and his siblings were ghosts, Harrison piled some huge rocks on top of the cave that were part of the sanctuary on top of the cave, hoping to trap them forever. Sam, Louisa and Nat were fearsome of this and fearing that they will mess up trying to be rid of Harrison, they waited for outsiders to come and help them.

One summer day, two siblings, Jerry and Terri Sadler came to visit Brad and Agatha, who were their distant cousins. Sam and his siblings were playing with a bat kite, so he made it fly toward Jerry and Terri while they were looking at the cave. After that, Sam introduced himself and his siblings and Jerry was amazed that they have the same surname. They hung around at the beach for a while, with Sam and Jerry skimming rocks and Sam being more skillful than Jerry. Terri then asked if they explored the cave, to which Sam and Louisa replied that they stay away from there. Louisa then asked if Jerry and Terri believe in ghosts, only to have Terri reply that they don't. Sam then told his two siblings that they have to go and was angry at Louisa for bringing up the ghosts. The next day, Sam and his siblings found Jerry and Terri in the forest and they made howling noises to scare them. When they were done laughing, Jerry invited them over to see a dog skeleton they had discovered. Nat told the two siblings about dogs recognizing ghosts and Terri told him that there is no such thing as ghosts. This prompted Sam to tell her that there are lots of skeletons in the woods because of the ghost and couldn't resist tricking Jerry that the ghost was there behind him. As soon as a truce was done, Terri asked Sam to tell them more about the ghost, to which Sam replied that he will do so some other time and he went away with his siblings before Louisa could say anymore.

The next day, Sam noticed some beach towels in the sand and was inspecting them when Jerry came up. He led Sam, Louisa and Nat behind a rock where Terri was collecting things. After looking at the collections, Terri told Sam and his siblings that she wanted to hear more about the ghost and managed to find out that the ghost lives in the cave. Sam protested to Louisa who was about to tell them that they don't believe in ghosts, to which Terri replied that they could change her mind. The three of them explained about how the saw the skeletons, the ghost coming out when the moon was full and a flickering light in the cave. But Jerry, thinking they were playing another joke told them that they were just trying to scare him and

Terri and he was not falling for it, much to Sam's annoyance. Later the next morning, Sam and his siblings were going fishing, when Jerry and Terri caught up with them and they invited the two siblings to come with them. Sam taught Jerry how use his rod and was about to get a bait for Terri when she insisted that she can do it herself, only with disastrous results. Jerry then told Sam and his siblings that he went down to the beach and saw the flickering light, making Sam, Louisa and Nat very worried.

Later that night, Sam, Louisa and Nat saw Jerry and Terri run back to Brad and Agatha's cottage in a fright. So in the middle of the night, they went to Jerry's bedroom window and asked him what had happened. When they were inside, Jerry told them that they went into the cave and saw the ghost surrounded by candlelight and how he narrowly escaped his grasp. Sam and Louisa told Jerry that they didn't want to tell him and Terri about the ghost because they didn't want to scare them and that he is really dangerous and wants to kill them all. They told Jerry there is a way to get rid of the ghost but they need his and Terri's help. They were forced to leave before they can explain anymore, so Sam told Jerry to meet them at the beach tomorrow. But the plan to meet at the beach the next morning was dashed when some heavy rain came down. So Sam and his siblings met with Jerry and Terri the next day. The two siblings were in the cemetery recently and told Sam and his siblings that they found some tombstones with their names on them. Sam told them that they were their ancestors and they were named after them. Then the Sadler trio led the Sadler duo down the beach to the cave and explained about the rocks piled on top of the rocks, how the cave is a sanctuary and that something evil will be trapped forever if it was sealed by the rocks. Since, Sam, Louisa and Nat were so terrified of the ghost, they begged the two siblings to help them by pushing the rocks in front of the entrance, to which Terri agreed to do, while Sam and his siblings distracted the ghost, who was actually Harrison Sadler.

That night, Sam, Louisa and Nat met Jerry and Terri at the beach and they started carrying out their plan, which went wrong when Harrison Sadler suddenly appeared behind Jerry and Terri. Sam and his siblings ran off in fright while Jerry and Terri were dragged into the cave. Later on, Sam and his siblings found Jerry and Terri at the cemetery and asked what they were doing and how they got away, to which Terri replied that they "got away". Jerry was about to ask about some gravestones dug for him and Terri when Sam told them that they have to get rid of the ghost and promised to do a better job of distracting him. Jerry stubbornly told them that they were not going back up there, but Terri told them that they will do it. Sam, Louisa and Nat were delighted, but were unaware that Harrison Sadler told the two siblings that the Sadler trio were the ghosts.

At the cave, Terri told Sam and his siblings to come up with them to distract the ghost properly. Sam and his siblings were reluctant at first, but eventually agreed to do so. Once they were inside, Harrison Sadler appeared and an argument broke out between him and the kids about which one of them was the ghosts, with Sam and his siblings begging Jerry and Terri, who were caught in the middle to help them. Then Harrison whistled for his dog and the dog started barking at Sam, Louisa and Nat, revealing them to be the ghosts. The three ghosts tearfully explained to Jerry and Terri how they never had a chance to live and how horrible the winter was in 1641 when they went to New England to start a new life. Then the three ghosts turned into skeletons and started toward Jerry and Terri, begging them to stay with them and how they dug such nice graves for them right next to theirs. Then the torch blew out and Jerry and Terri managed to escape. Then the boulders were loosened by some rain and they all fell down in front of the cave, trapping Sam, his siblings and Harrison Sadler forever.

When I was done reading everyone was shocked!

Nico: WHOA MAN!

Mortal Kombat Scorpion: I feel their pain. I know what it's like to lose a family.

Me: Yeah. But killing people just because they are alone? That is awful.

Nico: Yeah no kidding.

Me: After reading their story and seeing the kind of pain they were through I think we should do the right them and send them over to the other side.

Naruto: I agree there too bro. I know the pain of having to lose a family myself.

Sasuke Uchiha: Same with me. It's awful.

Fu: I know the feeling too.

Megan Kiraton: I do too. Especially to a monster within your family.

Nico: Yeah.

Chan Lee: We're not talking about the Book of Vile Darkness, River of Fire, Warp, Oblivion, or Black Gates.

Fortress: We're talking about dying the normal way.

Me: Yeah we need to get these kids up to Heaven. They were trapped here for 381 years and a winter storm killed them before they could start a new life.

Laney: They can't cross over to the other side without knowing that there are people that can give you true friendship.

Nico: I agree there.

Jerry Sadler: And we can give them that before they pass on.

Nico: Good thing I've got my new elemental sand sword

BlackWarGreymon: Did you make that just now?

Nico: I sure did. Really awesome.

Misty Tredwell: That is cool.

Himiko Toga: Yeah I'll say. But how are we going to find them?

Jerry Sadler: I can lead you to their graves here.

We were following Jerry to the graves.

Roxas: So, Max. How do you like it here with us?

Max (Dinosquad): I love it! We all do.

Fiona (Dinosquad): Yeah we do!

Lola: We're so happy to hear that.

Nico: Yeah we sure are.

Me: It's going to be awesome to have you all with us.

Vakama: You got that right.

Puppetmon: Now, all that's left for Phase 1 are Juru, Yost Cap, and Yost Spiderman.

Me: Yep and we'll be half way finished with all the Ambassador Missions for the entire year.

Lola: Yep.

Qin: But this is really cool that we're almost half way done.

Shaggy and Scooby were crying in fear and Erica Haddock was carrying them by force.

Erica Haddock: (Sighs) You two are REALLY big fat chickens.

Shaggy was clucking like a chicken.

Nico: Oh brother.

Crow: That's my girlfriend for you!

Red Hood: Almost forgot about that.

Nico: I didn't.

Me: Yeah.

We arrived at a hill and there we saw 3 graves.

Me: These them?

Jerry Sadler: Yep that's right.

Nico: Oh wow.

David Cain: We're still using our entrance on them.

Nico: I know. I wanted to see if they were here.

Jerry Sadler: Yeah. But they are.

Me: But it's amazing that these are here. And their spirits are not at rest because they don't have friends.

Camie: You are quite a ghost whisperer J.D.

Me: Thank Lucy for that. She taught me a lot about how to communicate with the dead.

Lucy Loud: I'm glad I can help out.

Nico: Well we got to find the ghosts.

Aqua: My Eyecon can find them.

Jerry Sadler: You guys are big fans of Kamen Rider?

Me: More than just fans Jerry. We know them in person and we have ambassador missions currently in progress for them.

Nico: It's true. And we met some of them over the last few weeks.

Megan Kiraton: And it's awesome.

Jerry Sadler: That is so cool!

Quake Woman: Our Eyecons aren't just for combat.

Me: Yep.

Aqua: Here we go.

Aqua activated her Eyecon.

DAVY CROCKETT AND SKULKER!

Nico: Davy Crockett, the greatest hunter ever that helped in the battle for the Alamo.

Me: Cool.

She fired an invisible light from the Eyecon and looked around and then we saw a glow on the beach and we saw Sam, Louisa and Nat!

Nico: There they are.

Eli: Wow.

Seadramon: They don't notice us yet.

Nico: Nope. But we do. Lets get ready for the entrance.

Laney: Here we go.

Me: Yeah.

Motormaster: Entrance time!

We went at the ghosts.

The ghosts were looking for us and then the spirits of the Powers of the Animals appeared and they swirled around them.

Sam Sadler: What the!?

Then they converged and then…

KRASPLASH!

A massive wave of water splashed out and the singing of mermaids was heard and then we came out surfing on the wave and then we came onto the beach.

Me: Sam, Louisa and Nat Sadler, I presume?

Nat Sadler: That's right.

Ice Demon: Look, we know what happened. And we're sorry about what happened to you.

Sam Sadler: Oh, you'll be sorry, alright! Sorry you ever came here!

Poromon: This isn't going exactly as planned.

Me: Sam listen to us!

Naruto: Yeah I know how you guys feel about losing family.

Sasuke Uchiha: I do too.

Fu: Same with me.

Megan Kiraton: Many of us know the kind of pain you went through.

Nico: It's true. I do as well when my entire race was destroyed before.

Eli: Many of us know that feeling.

Me: So please let us help you. You don't deserve to be here trapped in limbo any longer.

But then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, Box Ghost and Emperor Z appeared.

Nico: Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, Box Ghost and Emperor Z.

Dirty Bubble: I thought you guys would've talked them down by now.

Maria: Our team's called Team Loud Phoenix Storm, not Miracle Workers!

Pinky: I think Miracle Workers is a good name! ZORT!

Swordsman: (facepalms) Nevermind, Pinky.

BLAM!

Brain whacked Pinky on the head with a pencil and he laughed stupidly.

WHAT AN IDIOT!

Dr. Destiny: (to Nico) We heard you went to the Hornet Hole.

Nico: We sure did.

Onyx: How was it?

Nico: Really awesome and we made tons and tons of honey too.

Lola: We sure did.

?: Boy that must've been awesome.

A figure came out and it was HUNTER from episode 6 of Dino Supercharge!

---

Singe uses Hunter as bait to lure the Power Rangers out to the open, so he may neutralize their powers by placing the Zotak Rings on their Energems. Doing so will render them unable to morph and powerless which will make them easy to destroy and thus will be able to get thier Energems. Although Hunter does his role perfectly, Fury interferes with the plan and thus forcing Singe to weaken him with two of his Zotak rings so that he can no longer interfere. Despite the disadvantage of having to fight the incapacitated Rangers in a five-on-one battle, Hunter is successful at besting them while Singe deals with the other four heroes. However, once Tyler destroys Singe's control, the five Rangers fighting him recover their energy and work together to destroy the outlaw permanently. They do so by combining thier Dino Morpher Blasts into a cloud of energy and then have Ivan (performing his Gold Ptera Sabre's Ptera Sabre Final Strike) fly through it before energy slashing Hunter. Hunter can only bemoan being unable to complete his mission before being blown apart.

---

Sir Ivan: (British Accent) Hunter!

Dino Charge Hunter: Been a while rangers!

Me: I remember you! You were used as bait and you put Zotak Rings on the Energems to neutralize the rangers morphs and make them powerless.

Dino Charge Hunter: That's right J.D. Good memory.

Nico: Yep.

Dino Charge Hunter: Did you Rangers have a blast yesterday?

Tyler Navarro: We sure did.

Me: That was so fun.

We got the usual battles underway

---

---

Dirty Bubble was first.

Dirty Bubble: (to Nokama) Nico must've gotten a lot of honey on his rescue. (laughs) Is it true that Eli also shaved his head?!

Nokama: It sure was! Eli has a mischief side to him and it was funny. Also Peter Griffin did the same thing to Cleveland and Brian. It was funny.

Rarity: Oh it was so hilarious darlings. Thank goodness it didn't happen to me.

Sweetie Belle: That would not be good.

Gill Grunt: Yeah it would not be pretty.

Right Suzuki: I agree there.

Dirty Bubble: Same with me but that is really funny. Lets do it!

They fured waves of water, ice and jewels and smashed him down.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yinhe, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yinhe Long: That's incredible.

Nico: It sure is. So, Yinhe, what memories did you have with Lincoln?

Yinhe Long: Oh, I remembered one time in Science Class, Lincoln and I were doing an experiment on the environment and on the human body, and we documented everything from our experiment and on the next day, we got an A on our project. Then, there's another time we also made some Sesame Beef with Gochujang Udon noodles, which is a very healthy dinner, and it was really delicious.

Nico: Whoa, a scientist and a chef, awesome!

Lincoln: She's not the only Guardian Angel who's a chef, Nico. And for tomorrow, I'm hoping to meet a Gene-Slammer for the Blue-Eyes Chaos MAX Dragon.

Yinhe Long: Ooh, and I think we both know who'd fit that Duel Monster.

Nico teleported and opened Hunter's safe and in it was a bunch of blasters. They were the companion weapons for the Swords of The Goosebumps Monster Busters called Blasters of Goosebumps Monsters, they're a pair of revolvers in the shape of your Eater of Sins revolvers, but they're colored purple and have the anti-Goosebumps monsters symbol on it, and once in hand, they'll get a massive power and energy increase, and it'll prove quite painful for any other Goosebumps monsters you'll also deal with on our Goosebumps adventures.

I held out my hand and I glowed in a beautiful light and then they took my hand and it was a sign of true friendship and for the first time in 381 years, Sam, Louisa and Nat were happy! And then a massive light shined down and they went up to heaven.

Sam Sadler: Thank you J.D. Thank you all for everything.

Nat Sadler: We can now rest in peace thanks to you.

Louisa Sadler: We will never forget you.

Me: Rest well you 3. Rest well.

They were free and went to heaven.

?: I will have my revenge on you for constantly ruining my plans to conquer The Kingdom of Fantasy, Geronimo Stilton. (CACKLING EVILLY)

Geronimo Stilton: I should've known there's no mistaking that evil cackle from anywhere. You can come out now, Queen Cackle.

A tornado of dark magic appeared out of nowhere, and when it faded, what stood in its place was a fantasy witch with very fair skin, flaming red hair, long and sharp fingernails, and green-and-brown heterochromatic eyes, and dressed in an orange long-sleeved dress (supposedly of the same texture as snake scales) with a high mandarin collar and yellow sleeve cuffs, scarlet shoes with curled toes, and a tall gold crown encrusted with red stones. It was Queen Cackle, former Queen of The Witches and one of Geronimo Stilton's many enemies.

Geronimo Stilton: Queen Cackle, I should've known that you'd one day return to take revenge on me for ruining your plans to take over The Kingdom of Fantasy.

Queen Cackle: And now, I will enjoy destroying you and everyone that you love for ruining me!

Geronimo Stilton: That's never going to happen, you evil witch, and now, your spree of revenge ends here and now.

Suddenly, Geronimo Stilton's dark green eyes turned neon dark green, and he was surrounded by an orange energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons surrounding him, and as he approached Queen Cackle, he left orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons with every step.

Geronimo Stilton: Queen Cackle, the crimes that you've committed against The Kingdom of Fantasy for so many years can never be forgiven. As Defender of The Kingdom of Fantasy and loyal knight and dear friend of Queen Blossom, I will see to it that your life is brought to an end here and now.

Suddenly, Geronimo Stilton was surrounded by a massive vortex of orange energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic surrounding it, there's fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Geronimo Stilton emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Geronimo Stilton grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs and a full head of orange hair, he has neon dark green eyes and an orange energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons surrounding him, he has a fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, and dragon with the kanjis of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic in their hands emblazoned on his forehead, he has on phoenix earrings with red gems for eyes and the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with green crystal links and a dragon with red gems for eyes and holding the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic Eternity Kanjis in its claws for the pendant. Geronimo Stilton has on a blue suit with a silver armor chestplate with a large royal blue gem in the center, white gloves, long royal blue pants, black knee-high boots, and a long royal blue coat with royal blue cuffs on the long sleeves and gold embroideries and on the coattails are fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons and on the back are a fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, and dragon with the symbols of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic in their hands. Suddenly, Geronimo Stilton felt a very sharp pain on his now wider and more muscular back, and then, massive orange angel wings with royal blue tips on the feathers, sprouted out of his now wider and more muscular back. Geronimo Stilton has on a Ring of The Phoenix with royal blue gem and heart-shaped gem embedded in it on his right ring finger and an Indigo Lantern Corps ring on his left ring finger.

Suddenly, Geronimo Stilton has a new greatsword in his large right hand called Kingdom of Fantasy's Sword of Elemental Kingdom Justice, it's a brand-new greatsword with the symbols of the kingdoms of The Kingdom of Fantasy and a fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, and dragon etched on the 7'0" massive, wide, double-edged gold blade, large gold lion heads for the crossguard, large royal blue gem embedded in the rainguard, longer black handle, four large gold lion heads with royal blue gems for eyes and in their mouths and on the bottom of the four large gold lion heads is a large royal blue gem for the pommel, he has on his brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on his wrists, his new large gold Belt of Elemental Bravery with a golden lion head with royal blue gems for eyes and a large royal blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. Geronimo Stilton's transformed into SUPER ANGEL ETERNITY INFINITY ELEMENTAL MYTHOLOGICAL ANIMAL ANGEL OF ELEMENTAL JUSTICE AND ETERNAL COMPASSION!

We were amazed by Geronimo Stilton's Super Angel Eternity Infinity transformation, but when Queen Cackle saw it, she fell into a rage and fired a blast of dark magic to kill him, but Geronimo dodged it, and he fired a powerful blast of orange energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Magic, fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons at the evil former Witch Queen, and she got burned badly.

Benjamin Stilton: Way cool, Uncle Geronimo's transformed.

Thea Stilton: This is really incredible, now Queen Cackle doesn't stand a chance against him.

Nico: You said it, Thea. Geronimo, how do you feel?

Geronimo Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Compassion) **I feel incredible, Nico. Now, to put an end to The Kingdom of Fantasy's biggest problem once and for all.**

Geronimo Stilton went after Queen Cackle, who continued firing blasts of dark magic at him, but he dodged them all, and he fired powerful blasts of orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Magic, Fairies, Dragons, Elves, Pixies, Gnomes, Tigers, Phoenixes, Unicorns, Ogres, Mermaids, Witches, and Giants, and they exploded with incredible power as they hit Queen Cackle. Then, Geronimo Stilton attacked her with his brand-new massive sword and left painful scars on her, and he was going to make sure she paid for her crimes against The Kingdom of Fantasy. Then, he fired a red energy blast and as it hits Queen Cackle, Geronimo sucked out her powers and magic and he and the rest of us made them our own.

Geronimo Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Compassion) **Now, for the grand finale. Residents of The Kingdom of Fantasy, lend me your strength!**

Geronimo Stilton then raised his massive Kingdom of Fantasy's Sword of Elemental Kingdom Justice greatsword and he pointed it at Queen Cackle, and the symbols of the kingdoms of The Kingdom of Fantasy and the mythological figures etched onto the massive gold blade were glowing, it's as if he's asked the figures that lived there to lend him their strength, and he was suddenly getting stronger and stronger. Queen Cackle saw it and it meant she's done for.

Geronimo Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Compassion) **This is the end, Queen Cackle. JUDGEMENT OF THE KINGDOM OF FANTASY!**

Geronimo Stilton swung his massive Kingdom of Fantasy's Sword of Elemental Kingdom Justice and he fired powerful blasts of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic with Fairies, Dragons, Elves, Pixies, Gnomes, Tigers, Phoenixes, Unicorns, Ogres, Mermaids, Witches, and Giants in those elemental energy blasts and powered even more by the residents of the kingdoms lending him their strength, they smashed into Queen Cackle, and they exploded with incredible power, destroying her for good. Then, her spirit's appeared and Geronimo dealt the final blow.

Geronimo Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Compassion) **There's no place for you in The Kingdom of Fantasy, Queen Cackle, and your dreams of conquering the kingdoms are over. UZUMAKI SECRET JUDGEMENT ART: BLACK GATES!**

Geronimo Stilton drew a kanji on her forehead, and then, all those Queen Cackle's terrorized or killed went at her and condemned her evil soul to The Black Gates and she was erased from existence for all eternity. We cheered wildly for what Geronimo Stilton did, as he holstered his massive Kingdom of Fantasy's Sword of Elemental Kingdom Justice greatsword on his back and powered down, and Geronimo Stilton's new body, clothes, weapons, jewelry, and massive orange angel wings are permanent. Thea Stilton was filming the whole thing for everyone to see, and Benjamin was in charge of the news report.

Benjamin Stilton: What an exciting day this has been today, first on Nico's rescue, he and his group have taken down a bunch of Zinger Bees and reunited with his friend, Honey "Bumblebee" Evenstein, and on Lincoln's rescue, he and his group went into the city and they rescued the sixteen girls and took down the evil fraudulent former nurse of Sunset Canyon now convicted criminal, Sue, who came back from the dead still wanting revenge for exposing her years ago, and gave her The Black Gates, and Lincoln also reunited with Yinhe Long. The Ambassador Mission also went well, and we also got rid of Vlad Plasmius and Goobot, who've troubled innocent people for far too long, and not only did we send Sam, Louisa, and Nat back to where they belong, but, the evil former Queen of The Witches, Queen Cackle, met her end at the hands of Geronimo Stilton, who we've found out was also known as the Defender of The Kingdom of Fantasy. But, the adventures are just beginning. Reporting live from Gotham Royal York, I'm Benjamin Stilton, goodbye.

We cheered at the news report that Benjamin did, and we were proud of him, including Geronimo, Thea, and Pandora.

Geronimo Stilton: Benjamin, that was an amazing news report you've given today.

Thea Stilton: And it's your first one, awesome.

Benjamin Stilton: Thanks, everyone.

Nico: Not only are you a supergenius when it comes to technology, but you really gave an amazing news report in place of your Uncle Geronimo while he was busy dealing with Queen Cackle, nice one.

Lincoln: Say, how would you like to join the Gotham Royal York news team in school, Benjamin?

Benjamin Stilton: Really, you would…?

Lincoln: Of course, with your know-how on technology and knowledge on how your Uncle Geronimo broadcasts the news reports, you'd be a shoe-in for the Gotham Royal York School News Team, that is, if it doesn't conflict with your work with The Rodents' Gazette.

Geronimo Stilton: Hmm, this could be an interesting one. Why not, Lincoln. Benjamin, would you like to…?

But, he was interrupted by Benjamin coming up to him, and he kneels down and hugged his nephew with joy.

Geronimo Stilton: (Chuckles) I think that means "yes". You've got a new member of The Gotham Royal York School News Team, Lincoln.

Me: Awesome.

Lincoln: Nice.

Benjamin Stilton: This is going to be awesome, and Lincoln, thanks for the upgrades you made to my Benpad.

Lincoln: You're welcome, Benjamin. Now, you can also access the Gotham Royal York records and also pull up the police files on the criminals we've stopped in the six years since we got our powers.

Trap Stilton: Alright, and put 'er there, Cuz.

Geronimo saw that Trap extended his hand, but he also saw that Trap has a joy-buzzer, but Geronimo then shook his hand, and it caused a backfire on Trap's joy-buzzer prank, as he got shocked by his own joy-buzzer, and he was dazed.

Thea Stilton: (Snickers) Maybe, you shouldn't have tried to shake hands with someone whose powers also include lightning, Trap.

We tried to hold in our laughter, but we failed, and we busted out laughing.

Benjamin Stilton: (Laughs) Oh man, Trap's been out-pranked, and no one's been able to out-prank Trap before.

Geronimo Stilton: I should've warned him about what Thea said.

Nico: Yeah, the joy-buzzer prank, that's not going to work if someone has powers of lightning because they'll turn that prank against them, and it's not going to end well.

Trap Stilton: (Laughs) Okay, you got me! Looks like I've been out-pranked, but I've got a whole lot more where that came from.

Nico: That was so awesome that you did that J.D.

Me: Thanks Nico.

Jet: Now, they can rest in peace.

Waffle Woman: I think they'll make new friends in Whitmore, Morshower, and Animated Shockwave.

Rojo: Oh yeah. They're in heaven too.

Carmen Dillo: Nice job, Nico. Another mission completed.

Box Ghost: This day is yours!

Nico: (sadly) Yeah? Then how come I feel so fucking bad about it?

Me: Nico it'll be all right. Besides they were here for over 381 years and trapped in Limbo.

Nico: Oh. But you guys all did a great job today.

Me: Thanks Nico. Jerry did too.

Jerry Sadler: And I'm glad I was able to help.

Terri Sadler: We are all proud of you bro.

Jerry Sadler: (To the viewers) This was a great beach adventure. Hope you all loved this one.

Nico: I know we did. Lets go home guys.

We went back home to the estate and went to sleep. We had a great adventure in this one.

THE END

---

Another awesome fanfic done and part one of the Goosebumps saga done.

Ghost Beach was a really scary one and it was a really sad one when I read the description for the book. It was scary but sad. Living as ghosts for 381 years on the planet that sad and in Limbo is bad and sad. I can't believe they were killing innocent people because they just wanted a friend. Poor guys. The first part was for the Donkey Kong Country 2 level called Hornet Hole. That was a really creepy one but it was awesome. The second part was for where we faced Nurse Sue. As you may recall she was that evil nurse from

Sunset Canyon Retirement Village from the Loud House Episode The Old And The Episode and she didn't give a damn about the elderly and she kicked them out JUST FOR BEING ONE SECOND LATE! That episode aired on November 10th, 2016 and it was awesome and great. Fred Willard will never be forgotten. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. For Nico's next rescue, that is gonna be a cool one as Nico, Akira Akatsuki, Disk Wars Iron Man, Gearshift of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily are going to a really repulsive planet and it's going to be made of LIVER AND ONIONS! I HATE LIVER AND ONIONS! We're not going to like this world one bit! Lana will but not anyone else! YUCK! We're going to also battle The Onion, one of Richie Rich's enemies. We're also going to meet a gene-slammer for Gearshift's kind named Jeri Kamiya. Jeri is from Japan and is one of Nico's friends in Technology class and she knows a lot about computers and can fix anything. For Lincoln's rescue tomorrow, Lincoln and his group are going to deal with Chandler's former friends, and who've teamed up with Becky's dodgeball posse who also broke out of the boarding school they were sent to after they and Becky were expelled, and Lincoln's going to give them a new curse for bullies called Tezcatlipoca's Eternal Night Vengeance Curse, it's a curse that once it's activated by the same song, Lincoln will fire black energy blasts from his massive deep sapphire blue angel wings with stars, and once hit, Chandler's former friends and Becky's dodgeball posse will be haunted by all of the crimes they've committed against the other kids, and if they show no remorse, the curse will be on their heads for the rest of their lives. We're also going to meet a Gene-Slammer for The Blue Eyes Chaos MAX Dragon named Neela Kaosudoragon, who's one of Lincoln's many Guardian Angels and friends in baking and they made all sorts of pastries together and downright hates Lewis Travolta with a passion. The next chapter for part 2 of the saga, get ready for a scary one as terrible things start happening to a girl named Kat Merton as we deal with a creature called a Grool and we're going to use our powers to destroy it forever! Her life hangs in the balance as we stop the Grool from causing terrible injuries to her from Bad Luck.

See you all tomorrow!

# WRATH OF THE BAD LUCK SPONGE

Flying through the voids of space was Nico, Akira Akatsuki, Disk Wars Iron Man, Gearshift of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading to a really interesting planet. I have a very interesting feeling that this is gonna be a good one.

Me: I have a feeling this planet is going to be interesting.

Laney: Me too. I hope it's going to be awesome.

Rainbow Dash: Me too.

Xenia: I have a feeling it's going to be a really awesome and cool one.

Varie: Same here. This is gonna be so cool.

Nico: Thanks for coming with me, Akira.

Akira: No problem Nico. Me and Tony are always ready for an awesome adventure with you.

Disk Wars Iron Man: Me too Nico. This will be so fun.

Lincoln: It sure will. I have a feeling this will be awesome.

Nico: Akira, meeting you and your team really gave us good prison options.

Akira: It sure did and I'm glad the Disks became very useful for you guys.

Me: They sure have been made really useful.

Nico: Yeah and the Royal Defenders under the influence of Sindri Myr had the audacity to call them useless!

Me: Yeah no kidding there!

Eli: But that was really cool that we have them too.

Laney: It sure is.

Nico: I agree there.

Me: Me too.

Nico: And you've been a good boyfriend to Sydney.

Akira: I sure have.

Me: That was really awesome.

Qin: It sure is and his brother has Noriko too

Nico: That's right.

Fu: I agree there. Qin and Chris are perfect together.

Qin: Yep.

Eli: I think it's cool too.

Nico: Yep.

Me: Yeah.

Nico: And don't forget Ed Grant and Nanette.

Eli: Yeah they were awesome.

Ibara: And that was how you guys met me.

Nico: Yep.

Camie: That is so cool.

Lola: It sure was awesome.

Nico: And you did a good job comforting her when Nitro went boom in the UA world.

Me: Yeah that was horrible. He went Kamikaze and blew up 600 people! Whoa!

Eli: That was terrible!

Lola: Yeah it sure was!

Nico: Yeah.

Akira: That was terrible. I hope the Nitro in our universe isn't like that.

Disk Wars Tony: No incident like that happened in our world.

Me: Thank goodness for that. That was terrible.

Laney: Yeah it sure was.

Me: And we got out of there just in time before things went from bad to worse.

Nico: Yeah no kidding.

Sunset Shimmer: That is good.

Camie: I agree too. And that was intense.

Me: I know. The stress from that one really was overwhelming. We were really worried about Tony there.

Nico: Yeah it sure was stressful.

Eli: But at least we destroyed the Fold there.

Me: And sent that bitch Maria Hill to prison where she belongs.

Nico: Our Maria Hill isn't like that bitch.

Me: Thank God for that.

Nico: Yep.

Laney: But that was still a really intense adventure.

Me: It sure was. Lets hope we don't have another one like that again.

Nico: Yeah. But J.D. you did a great job getting Sam, Louisa and Nat to the other side. It shows how big your heart is.

Me: Well after learning about what they were going through from past experiences I figure they should not have to be on Earth any longer after what happened to them. So they have a piece of me now with them in heaven.

Nico: That's true.

Lola: Yeah it sure is awesome.

We arrived at a brown planet with 4 moons.

Akira: Here we are.

Me: The planet looks like a mountain planet from up here.

Nico: It sure does. Lets go down and check it out.

We flew down to the planet and when we landed we saw that it was one of the most peculiar planets ever! We saw that it was actually a planet made of the 2nd most REPULSIVE DISH EVER! It was a planet made of LIVER AND ONIONS!

I HATE LIVER AND ONIONS!

Laney: WHOA MAN!

Lana: It's a planet made of Liver and Onions!

Me: EW! I HATE LIVER AND ONIONS!

Nico: I'm not eating any of this.

Me: Me neither! I wouldn't touch this stuff with a 10 foot pole!

Laney: I don't like Liver and Onions either!

Lana was eating the Liver and Onions.

Lana: Oh come on guys it's not that bad.

Lola: Yeah for you Lana!

Twilight Sparkle: Lana likes this stuff?!

Me: Oh that's Lana for you Twilight. She loves gross stuff.

Nico: Yeah. At least it's not a planet made of chum.

Me: Yeah. (Stomach Roars) Uh oh!

I pulled out a vomit bag and threw up in it!

Varie: Nice going Nico.

Nico: Sorry.

Maria: Lana, you keep eating that. We need to discuss other matters.

Lana: Okay.

Lisa Loud: I would advise against it. The iron in Liver and Onions is exponentially high and you don't want to get Iron Poisoning.

Me: That's the reason why I absolutely loathe Liver and Onions more than anything. I hate it just as much as I hate Brussels Sprouts.

Fu: Boy it's gross.

Aylene C.: Yeah no kidding.

Nico: I heard that Doug likes Liver and Onions.

Me: I heard about that too.

Maria: Have you guys noticed that the Another Riders have been staying quiet?

Nico: I sure have.

Me: Yeah they have been staying quiet. That must mean that they are up to something big.

Eli: I agree there. The Force is telling me that they have something huge planned coming.

Himiko: Whatever it is we have to be prepared for it.

Nico: Yeah no kidding.

Laney: But we'll be ready for them.

Me: My money is on Ryuki coming next.

Nico: 2003's series. Wow.

Maria: Don't forget Another Hibiki, Another Decade, Another Drive, and Another Zero One.

Nico: Right them.

Me: I know. Also I hope we face Another Drive too.

Lola: That would be so awesome.

Nico: It would be awesome to have Shift Cars for the powers of the Masters of Evil.

Me: I agree there.

May: And it was awesome that we snapped Nira's neck.

Lily: Good riddance.

Nico: I honestly do hope we face Another Drive before Onewa's missions.

Me: Me too and I have a feeling we will soon. Onewa's missions are for Drive and that is gonna be awesome. But I'm really looking forward to Flora's Ambassador Missions and that one is for Zero One.

Lisa Loud: I am most certainly looking forward to those missions and they are centered around Kamen Riders protecting the world from a rampage of androids called Humagears.

Nico: That's right.

Me: That one is really fascinating to me. My data eyes are going to really be giving my brain a test of how much information I can store into it when I analyze all those Humagears.

Eli: Boy no kidding.

Lincoln: But it will be awesome to see.

Me: And it'll be cool to see Aruto again. Me and him are friends that I have known since we first met the Hibiki Riders.

Nico: That is so cool!

Disk Wars Iron Man: Heads up. I think I hear footsteps.

Me: I do too.

We got ready and then a figure came out and it was Richie Rich's enemy THE ONION!

---

The Onion is a villain in the Richie Rich series of comic books and cartoons. He first appeared in the comic book series around 1975, and by 1981, he joined the organized crime ring known as Villains, Inc., along with Dr. Blemish and Dr. Disguise. Two of the crooks made their only animated appearance on the fourth episode of the second season of The Richie Rich/Scooby-Doo Show in October

1981.

The Onion was most noted for his strong breath from obsessively eating raw onions, which is designed to deter intruders from trying to foil his crooked schemes. In a 1976 issue of SupeRichie, The Onion's breath was proven to be so powerful, it would became a new energy source known as Onioneen, functioning similar to gasoline.

---

Nico: Who are you?

The Onion: I am the Onion and I am one of the enemies of Richie Rich. As you see I am called the Onion because I eat raw onions and my breath smells like onions.

He blew his breath at me and it SMELLED REALLY HORRIBLE!

Me: (GAGS) OH YUCK! You need to guzzle a gallon of mouthwash!

Lana: I like it.

Nico: Wait a second, aren't you one of Richie Rich's old enemies?

The Onion: That's right Nicolas.

Nico: I've heard about you! You are a crime boss that Richie always foils!

The Onion: And I will make that kid pay for ruining me!

Me: But first you need to brush your teeth!

Akira: Iron Man, D Smash!

He summoned Disk Wars Iron Man!

Applejack: Yeah your breath smells worse than a million manure pits!

Sunset Shimmer: (Plugs her nose) It really reeks!

Gearshift: Good thing I can't smell anything being a robot and all.

Disk Wars Iron Man: My helmet's protecting me from that bad stench.

Nico: That is a good thing.

Me: Here guys.

I pulled out a bunch of nose plugs and we put them on.

Me: (Nasally) Lets go get this creep!

Nico: (Nasally) With pleasure.

Me: See how his breath compares to this!

I pointed my butt at him and then…

FFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRTTTTTTT

I farted a blast of fire and the Onion blew on the fire but the fire ignited his breath and burned his lungs from the inside! OUCH!

Eli: (Nasally) Nice one bro!

Me: Thank you Chief Wiggum for making great chili.

Kaito: (gets out Boukenger gear) Our turn.

Zocks: (takes out Magiranger gear) I honestly am indifferent to onions.

Nicole: Besides there is a massive bounty on this guys head.

Kaito got the power to use Hyper Concrete and Zocks gave us all Magi Sticks!

Lola: All right!

Me: Magine think you can poof up Mouthwash on him?

Magine: I sure can.

She used her magic and then a giant bottle of mouthwash formed and then she shoved it into the Onion's mouth and he drank it and destroyed his onion breath!

Me: Now you smell minty fresh!

The Onion: (Wheezing) NO! YOU RUINED ME!

Me: Mint smells better than onions fatso!

Kaito: We're not done yet!

Nico: YEAH! Lets see how he likes this one.

We poofed up giant wash tubs and then smashed them all onto The Onion's head.

CLANG CLANG CLANG CLANG CLANG!

OUCH!

Nico: YEAH!

Me: Time for you to WASH your mouth out! (Laughs)

We laughed at my joke!

Rita Loud: That was a good one!

Me: Lets see how he likes this one.

I flicked the switches for Eris and Neptune and fired a barrage of golden apples and they popped open and formed into rotten eggs and splattered all over him and he SMELLED HORRIBLE!

Nico: Now, you need to wash your entire body!

Me: Too bad there aren't any villains that use soap except for Soap Shadow.

Nico: That's true.

Laney: True.

Maria: But I do have this power.

Maria fired a ball of liquid soap and water and it hit The Onion and splashed him all over and then he was drenched all over the place and then he emerged SQUEAKY CLEAN AND SHINY!

Nico: SPARKLY!

The Onion saw himself and he was REALLY CLEAN!

The Onion: NO! I'M SQUEAKY CLEAN!

?: You had it coming lard face!

Another one of Gearshift's kind came out!

Gearshift: Another me!?

Gearshift 2: Now things are gonna be good.

Nico: Jeri Kamiya?

Gearshift 2: Long time no see Nico. We can catch up after we take this clod down.

She slashed him all over and then tied him up and we arrested him!

Nico: That did it.

Jeri reverted back and she was a girl with blond hair and blue clothes and black pants.

Jeri Kamiya: That was fun.

Nico: That was funny too.

Akira: What's your favorite memory of Nico?

Jeri Kamiya: Me and Nico went to Technology Class together and I'm really great with computers and technology. One time me and Nico had a project to work on and we then saw that someone was trying to hack into the School computer mainframe and destroy the school system. But I used my technological ingenuity and we traced it to the home of a local bully and the police arrested him and sent him to juvie.

Nico: I remember that one.

Me: That is really awesome.

Lisa Loud: Very ingenious and well done.

Jeri Kamiya: Thank you.

Nico and Jeri hugged.

Nico: I really missed you.

Jeri Kamiya: Me too Nico.

Me: Lets get out of this dump.

Nico: I agree there.

We grabbed the Onion and teleported back to Earth. The Onion was found guilty of his crimes and sent to the Neptune Prison. He was put in a special odor-proof cell. He was sentenced to many terms of life in prison without the possibility of parole for 50,000 years.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Iron Man are heading to a planet made of protein packed steaks and beef, and not only is Lincoln going to rescue the four girls there, but we're also going to deal with Chandler's former friends, who've also teamed up with Becky's dodgeball posse who also broke out of the boarding school they were sent to after they and Becky were expelled.

Lincoln: Whoa, we're here on a planet made of protein-packed steaks and beef, and I know what we're going to do here, not only am I going to rescue the four girls there, but we're also going to deal with Chandler's former friends, who've also teamed up with Becky's dodgeball posse who also broke out of the boarding school they were sent to after they and Becky were expelled.

Nico: That's right, big guy, and I knew it'd be a matter of time before we went after Chandler's former friends and Becky's dodgeball posse, this is going to be good.

Me: You said it, and this planet of steaks is really awesome.

Luna: You said it, dude, if the Ripping Friends saw this place, they'd be in Heaven.

Lincoln: Same with us, Luna.

Lincoln ate a big piece of protein-packed steak, and we then felt his immense and brute superhuman strength, along with his infinite energy and power increase even more, and the same with Luna when she ate a big piece of protein-packed steak.

Lincoln: Whoa, now that was awesome.

Me: Lincoln, Luna, your immense and brute superhuman strength, along with your infinite energy and power increased even more when you ate those two big pieces of protein-packed steak. That's really awesome.

Nico: (Snickers) Chandler's former friends and Becky's dodgeball posse are going to get squashed big time.

Lincoln: You said it, Nico, and thanks for joining us, Tony.

Iron Man: You're welcome, Lincoln, this is going to be one awesome rescue.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of a cruel laugh Lincoln and Ronnie Anne know all too well. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Chandler's former friends and Becky's dodgeball posse, and they're going to kill them.

Lincoln: Guys, I found the four girls, but they've been cornered by Chandler's former friends and Becky's dodgeball posse, and they're going to kill them.

?: Those miserable butt-munching parasites! Let's get them!

Suddenly, we saw Blue-Eyes Chaos MAX Dragon appear before us.

Nico: Wow, that's the Blue-Eyes Chaos MAX Dragon, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Neela Kaosudoragon, but we'll talk later, we've got to deal with Chandler's former friends and Becky's dodgeball posse.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Chandler's former friends and Becky's dodgeball posse, and it allowed the four girls to get to safety. When Chandler's former friends and Becky's dodgeball posse and saw us, they was beyond pissed when they saw us.

Lincoln: You just don't even know when to stay out of trouble, do you, Trent and Artie?

Ronnie Anne: And you dodgeball morons just don't even know when to quit, do you, Dodge?

Trent: You'll pay for changing Chandler, Louds. We were the kings of the school and we got away with causing pain and suffering to everyone around us, but you… ! You ruined everything when your stupid little sister got Chandler expelled, and now, we will kill you all!

Dodge: And you're also going to pay for getting Becky and all of us expelled. You ruined our plans to kill you all and rule Gotham Royal

York, and now, you will all pay!

Lincoln: Then, you've left us no choice. Let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Clay Bailey, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Chandler's former friends and Becky's dodgeball posse, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit her.

Then, Lincoln powered down, but then, we saw darkness and the stars of the night sky surround him, and it means he's going to use a new curse that he's developed on them.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see

days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Trent, Artie, and Becky's dodgeball posse. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful black energy blasts from his massive deep sapphire blue angel wings with stars, and once they hit Chandler's former friends and Becky's dodgeball posse, they were suddenly haunted by all of the crimes they've committed against the other kids, and since they've showed no remorse, the curse will be on their heads for the rest of their lives. Then, Lincoln beamed Chandler's former friends to Principal Huggins with an explanation of what they did and then beamed Becky's dodgeball posse back to the boarding school. We cheered wildly as we holster our weapons and the rest of us powered down.

Nico: Whoa, Lincoln, that was awesome, and was that your new curse you developed?

Lincoln: That's right, Nico, I call it Tezcatlipoca's Eternal Night Vengeance Curse, it's a curse that I've created and it's perfect for bullies like Chandler's former friends, Trent and Artie, and Becky's dodgeball posse, and once they're hit, they'll be haunted by the crimes they've committed against the other kids, and since they showed no remorse, the curse will be on their heads for the rest of their lives.

Me: Awesome, I've been wanting to see if you've developed a curse for bullies like them.

Lincoln: Thanks, J.D., and now, that's it for Chandler's former friends and Becky's dodgeball posse. (To Neela Kaosudoragon) And it's so good to see you again, Neela Kaosudoragon.

Neela Kaosudoragon reverted back to normal, and she's a beautiful 17-year-old girl with long flowing dark blue hair, dark blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the symbol Ajna tattooed on her forehead, she has massive dark blue angel wings, and she reigned in the power of Blue-Eyes Chaos MAX Dragon, and she's dressed in a sleeveless dark blue vest, sleeveless blue midriff top, blue skirt, dark blue bellbottom pants with light blue designs on the legs, dark blue knee-high high heels, and long dark blue sleeveless trenchcoat with darkness on the coattails, and Blue-Eyes Chaos MAX Dragon on the back, and holstered on her back is a large Blue-Eyes Chaos MAX Dragon-themed greatsword with Blue-Eyes Chaos MAX Dragon etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue dragon wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem surrounded by dark blue angel wings for the pommel.

Neela Kaosudoragon: You too, Lincoln, it's been a long time.

Lincoln went up to Neela Kaosudoragon and they hugged, and Neela Kaosudoragon was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were twelve, and as you can see, I really grew a lot since then.

Neela Kaosudoragon: Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Neela Kaosudoragon, she's another one of my Guardian Angels from Michigan, and one of my friends in baking and they made all sorts of pastries together.

Me: Whoa, now that's really awesome.

Lincoln: And just like many of the other Guardian Angels, she downright hates Lewis Travolta with a passion.

Nico: Who doesn't, he's a fat jerk and a slob.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Yinhe Long's neck with light purple gems on the gold thunderbolt links and light purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Neela Kaosudoragon: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Neela.

Neela Kaosudoragon had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Yinhe Long's waist and Neela Kaosudoragon wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Neela Kaosudoragon's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Chisato Hagiwara, Maki Hayami, Manami Miyoshi, and Mai Shinozaki from Hantsu x Trash.

Lincoln: Oh wow, it's Chisato Hagiwara, Maki Hayami, Manami Miyoshi, and Mai Shinozaki from Hantsu x Trash.

Nico: Awesome.

Lincoln: Are you girls okay?

Chisato Hagiwara: Yeah, we're okay, thanks to you.

Then, when Chisato Hagiwara and the other three girls saw who it was that saved them from Chandler's former friends, Artie and Trent, along with Becky's dodgeball posse, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his

Chisato Hagiwara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Chisato Hagiwara: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Chisato Hagiwara, Maki Hayami, Manami Miyoshi, and Mai Shinozaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villains we went after were Chandler's former friends, Trent and Artie, along with Becky's dodgeball posse.

But, when Lincoln showed what he did in inflicting them with his brand-new Tezcatlipoca's Eternal Night Vengeance Curse, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Neela Kaosudoragon have a lot of catching up to do now that she's back in town, and as for Chandler's former friends/goons, Trent and Artie, we got the word from Principal Huggins that he had them expelled, and when the parents found out, Trent and Artie were disowned and were sent to a boarding school in Siberia forever. Plus, when Lincoln showed the Ripping Friends the planet of steaks and beef, they were in Heaven.

Crag: Wow, that's so awesome you guys found a planet of steaks and beef, Lincoln.

Lincoln: And we also got more awesome news: we set up a teleporter to take you guys to that planet in case you guys need to get some steaks and beef.

Slab: Awesome!

Luna: Knew you guys would love it, dude!

---

After putting Chandler's former friends/goons and Becky's dodgeball posse in their place, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Neela Kaosudoragon saw Lincoln working out like crazy, she had an atomic red blush on their face.

Neela Kaosudoragon: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Neela, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Neela Kaosudoragon: That's incredible.

Nico: It sure is. So, Neela, what memories did you have with Lincoln?

Neela Kaosudoragon: Ooh, I remembered this one time in baking class, Lincoln and I were given the task of baking Cannoli, delicious crispy fried tubes of pastry loaded up with delicious ricotta cheese cream are maybe one of the most popular sweets in Palermo, Italy since the 9th Century, and known across the globe.

Lincoln: And we decided to spice things up by mixing in some melted milk chocolate into the ricotta cheese cream, and once we filled the fried tubes of pastry with the chocolate ricotta cheese cream mixture, we topped it with crushed walnuts, and when the teacher took one bite of it, his taste buds were in Heaven, and we also got an A for that one.

Nico: That's so awesome!

Me: You said it, and you guys put a spin on the ricotta cheese cream mixture for the Cannoli by mixing in melted milk chocolate, that's creative.

Neela Kaosudoragon: But, it's not that great since we also needed to keep the chocolate away from Lincoln's chocoholic sisters, specifically Laney, Lucy, Lana, Lola, and Lisa. So, I had to put up some riot shields to keep them away.

Nico: Ooh, yeah, that was a big problem since Lincoln's sisters really love chocolate, Neela. But, you were really prepared, in case the smell of chocolate reached the noses of Laney, Lucy, Lana, Lola, and Lisa.

Neela Kaosudoragon: And if Lola or Lisa tried to harm Lincoln, they'd get no mercy from me.

Me: Nice.

We got a shower afterwards, and then, me, my harem, and my kids were getting ready to head for Dairy Land Amusement Park for some fun.

Me: Alright, everyone, are we ready?

Nicole: We're ready, Dad.

We left the World Tree Estate, and we headed for Dairy Land Amusement Park, and it's gone through an awesome makeover in the last six years, and new rides were also added to the park.

Jared: Wow, we're here in Dairy Land Amusement Park, and it's gone through an awesome makeover in the last six years.

Me: You said it, Jared, and Lincoln and the gang told us about it.

We then got on some of the new rides and we really had fun there. Then, we also played some of the games that've gotten quite a make-over as well and we also won some prizes there as well, then, we went to the picnic area and we had some lunch, including the Cannoli that Lincoln and Neela made and they were so delicious, and we also had some milkshakes there as well. Then, after hours of fun, I made clones of myself, and me and the clones went up to the girls in my harem, and we wrapped the girls' waists in our abnormally massive and powerful muscular arms, and we passionately kissed and hugged with supercharged and intense passion, and the kids cheered for us. Then, we came back home to the Estate.

Nico: Hey, J.D., how was your date?

Me: It was awesome, Nico, we went to the newly improved Dairy Land Amusement Park.

Lincoln: I knew it, and did you guys check out the new rides they put in?

Nicole: We did more than that, Lincoln, we went on them and we had tons of fun.

Lincoln: Awesome.

Me: And we also tried out the Cannoli you and Neela made, and they were delicious.

Nico: And we also made some for Lincoln's sisters, and they're already asleep in their rooms, but they got chocolate covering their faces.

We went to the rooms and we did see Lincoln's sisters asleep and they did have chocolate covering their faces.

Lincoln: But, they're not the only ones, the Eds also had some of the Cannoli as well, and those guys really love chocolate as well as they love Jawbreakers.

Nico: You said it, big guy, and no one had a crazy sugar rush attack when they ate the Cannoli.

Me: Whew, that's a relief.

Nico: Yeah, otherwise, the place would be a mess.

---

Later it was time for Elyon's second Ambassador mission.

Nico: This is gonna be awesome.

Eli: It sure will be awesome.

Me: I also have a feeling that this will be a big battle too.

William: Anyone else want to go with Elyon? Besides Dante Vale and 3 Rabbids?

Maria: Medusa, Patrick, and Homer can.

Medusa: It'll be good to see the Wizard Riders again.

Homer: And eat donuts with them. Mmm donuts. (Drools)

Nico: Yep.

Brittney: Me and some of the Goths will go with.

Lucy Loud: Our powers will be perfect for flushing out Phantoms.

Loud House Dante: It will be good for it.

Nico: Yeah. All right lets head out!

We were off to Japan.

We arrived in Japan.

Haruto: Hey guys!

Elyon: Haruto, meet the Goths of Darkness.

Brittney: Awesome to meet you guys. My name is Brittney Knudson and I'm the Empress of Darkness and leader of the Goths of

Darkness.

Me: Brittney is my second born daughter and she is the Goth Girl of the family.

Lucy Loud: It's a pleasure to meet you all. My name is Lucy Loud and I'm one of the Loud Siblings.

Haiku: My name is Haiku and I'm Lucy's best friend.

Bertrand: I'm Bertrand.

Loud House Dante: I'm Dante.

Persephone: I'm Persephone.

Morpheus: I'm Morpheis.

Boris: And I'm Boris.

Haruto: Awesome to meet you.

Me: And I believe you know this face.

Medusa: Been a while Haruto.

Haruto: Medusa!? You're back!?

Nico: And she is in the Masters of Evil now.

Haruto: Wow.

Dante Vale: And it's awesome to meet you guys. I'm Dante Vale.

Me: Dante and I go way back. I helped him and the Huntik team destroy the Organization, an evil terrorist organization that was trying to gather Spirits and Titans to dominate the world.

Dante Vale: It's true.

Haruto: Wow! It's an honor and I sense huge levels of Mana on you.

Dante Vale: It's one of my many traits.

Brittney: Me and the Goths know magic as well.

Me: And also meet Homer and Patrick.

Homer: Pleasure to meet you. Homer Simpson.

Patrick: And I'm Patrick.

Haruto: Pleasure to meet you too.

Nico: I got something for you guys.

He gave them a box of Sugar Donuts and mayonnaise.

Haruto: Sugar donuts!

Nico: Yep. We were relaxing at the beach yesterday after we destroyed Victor Veloci.

Me: It was both fun and adventurous.

Brittney: It sure was dad.

Lucy Loud: We had fun there.

Homer: (eats donut) Mmm. Donuts.

Haruto: You know those are also for me, right?

Nico: Now now. I got plenty for everyone.

Me: And I packed extra mayonnaise for Nitoh.

I pulled out a jar of mayonnaise.

Nitoh: Awesome! Thanks J.D.

Me: You're welcome.

Brittney: Boy Haruto your antique shop is really amazing.

Haruto: Thanks Brittney.

Patrick: (to Nitoh) Seeing you eat that reminds me of a question.

Nitoh: What's that?

Patrick: Is mayonnaise an instrument?

Nitoh: Huh?

Me: (Beckons him) (Whispers) Patrick is not one of the smartest people we know. He is funny though.

Nitoh: Oh I get it. But no Patrick, Mayonnaise is not an instrument.

Patrick: Oh.

Mayu Inamori came.

Haruto: Guys, this is Mayu Inamori. Also known as Kamen Rider Mage.

Me: Pleasure to meet you Mayu.

Mayu: You too J.D. I love all your adventures and they are awesome.

Elyon: He gets that a lot.

Me: I do.

Mayu then saw Medusa.

Mayu: Misa.

Medusa: Mayu.

Me: Uh oh. I remember that Mayu is out for revenge and wants to kill Medusa.

Eli: I remember that. Lots of bad blood.

Me: Well Eli when I watched Wizard on TV, Mayu was hellbent on wanting to kill Medusa for revenge.

Eli: Oh boy.

Mayu: Misa, please tell me that's you.

Medusa: It really is me. Me and my Phantom self merged prior to me meeting J.D. and the others when they were with the Decade team.

Me: It's true Mayu, we met Medusa on Roxy's ambassador missions and she really put up a great fight. She's not in our frenemies in the Masters of Evil. It's much better than working with Gremlin and the White Wizard. Both or whom are the main targets for the big day mission later this year.

Nico: Yep.

Mayu: Oh wow. Misa?

They both hugged.

Mayu: I've missed you so much sister.

Medusa: Me too sister.

Dante Vale: From what we know, a majority of the Phantoms have the ability to assume their human selves. Well, instead of them coming to us, we go to them.

Me: I know a really good spell that is very handy for us. I used it before in the Yost dimension. I can mark the people that are Phantoms in disguise with pitch black auras to help make finding them much easier.

Nico: I remember seeing that when we met the Yost Avengers and we meet them in 2 weeks.

Me: Yep.

Lucy Loud: That is a very handy spell.

Brittney: Yep it sure is.

We went to the city.

We were walking through the city looking for Phantoms.

Patrick: Hey, Phantoms! Where are you? We just want to talk to you!

Lucy Loud: (facepalms) That's only gonna scare them off.

Homer: (to a random woman) Excuse me. Are you a Phantom?

WHAP!

Random Woman: (slaps Homer) Get away from me, you weirdo!

Nico: I'm so sorry about my two friends, ma'am.

Random Woman: Oh Nico they were with you? Sorry I didn't recognize them.

Nico: No worries.

Me: Homer and Patrick are both funny.

Nico: Yep.

Me: Anyway let me get the spell underway.

I used my Darkness Imposter Marker Spell and then spread it out and it marked the Phantoms!

Nico: There.

Haruto: Wow. But nothing happened.

Me: Oh it did. Only us will be able to see the pitch black auras around people.

Nico: Yep.

And I saw someone with an aura.

Me: THERE!

I fired a blast of energy and it hit the person and exploded and the Phantom revealed itself! It was Weretiger Phantom!

Haruto: Weretiger Phantom!

Me: No place to hide when that spell is active.

Haruto: Wow that was awesome.

Me: And very handy too.

Haruto: Elyon, before we start the battle, would you like to be a Rider for my team?

Elyon: I would be honored.

Nico: The Guardians should be Wizard Riders too.

Haruto: Deal!

Me: This is gonna be awesome.

Weretiger Phantom: You fools!

Me: You don't scare us!

?: Well it's going to get worse for you.

A Gargoyle Phantom appeared too!

Eli: Gargoyle Phantom!

Gargoyle Phantom: Been a long time J.D. and Nico.

We recognized that voice!

Me: That voice!

Nico: It can't be!

Gargoyle Phantom de-transformed and revealed himself to be our old enemy DARK DANNY!

---

**Dark Danny**, also known as **Dan Phantom**, is the main antagonist of *Danny Phantom: The Ultimate Enemy* . He is the fusion of Danny Phantom and Vlad Plasmius, though Danny's ghost half is clearly the dominant half. He is Danny's second arch-nemesis and the most dangerous and hated foe he has ever faced.

He was voiced by Eric Roberts, who also played the Master in the *Doctor Who* film, Sal Maroni in *The Dark Knight*, Mongul in *Justice League* and *Justice League Unlimited*, Dr. Albert Beckfrom the *Stalked by My Doctor* films, Paul Snider in *Star 80*, Richard L'Italien in *Oz*, and James Munroe in *The Expendables* . While disguised as his 14-year old human self, he was voiced by David Kaufman. Kaufman also provided young Dark Danny's laugh.

Danny Fenton's parents, Jack and Maddie Fenton, were aspiring ghost hunters who built a portal in the Ghost Zone, but it seemingly failed to work, causing them to become disheartened and leave. With support from his friends, Tucker and Sam, Danny then decided to put on a protection suit and go in the device to see what the problem was. But then he accidentally hit a switch that activated the portal with him still inside. As a result, his DNA became infected with ghostly ectoplasm, thus changing his appearance and granting him ghost-like abilities.

With his new powers, Danny Fenton became the superhero, Danny Phantom, and used his powers to protect humanity from supernatural threats. These threats included his father's old friend, Vlad Masters aka Plasmius, who was also infected with Ghost DNA but chose to use his powers for his own evil ambitions, and Valerie Gray, an aspiring ghost hunter with a deadly grudge against all ghosts, including Danny. He also faced off against the dreadful Fright Knight, and his diabolical master, the self-proclaimed king of all ghosts, Pariah Dark.

During an assembly at Capser High School, Mr. Lancer made a public announcement that all the students had to take the C.A.T. (Career Aptitude Test) to determine their upcoming future. If they fail, they will have to spend the rest of their lives working at the Nasty Burger. Desperate to succeed, Danny used his ghost powers to steal the C.A.T. answer booklet to cheat on the test. However, Mr. Lancer, who had been suspicious of Danny finishing the test so early, asked his parents to come to the Nasty Burger for a meeting about his "future". Sam and Tucker, as well as Danny's older sister Jazz, were also there at the time. At that moment, the Nasty Burger's unstable vat of condiments overheated and exploded. Danny was able to survive thanks to his ghost powers, but didn't have enough time to save his family, friends or teacher.

Although their pain was quick, the same can't be said for Danny, who was now orphaned and alone by the tragedy. With no-one else to turn to, Danny was forced to move in with none other than Vlad Masters, since he was close to the family and the only one who could possibly understand his situation. Despite the hatred that the two had shared for each other prior, Vlad treated Danny with great sympathy and they eventually bonded, which likely led to Vlad reforming. However, Danny still couldn't deal with the pain of loss anymore, having to live with the guilt that could have been avoided if he had done the right thing. He asked Vlad to remove his ghost-half from his human body, believing that it was responsible for the deaths of his loved ones. He also believed that his ghost-half would be freed of all his human emotions, thus ridding him of the pain that he was feeling.

Vlad reluctantly agreed and used the Ghost Gauntlets in a surgery to tear Danny's ghost half from his human half, making them into separate entities. But soon after the procedure, Danny Phantom, now free of his human-half's conscience and filled with all his anger and selfishness, became hostile and threw Vlad against the wall. Craving for even more power, Phantom used the gauntlets himself on Vlad, separating him from his ghost half as well. He then turned intangible and flew into Plasmius, resulting in the two ghost halves fusing together, with Danny as the dominant personality. Unfortunately, Vlad's evil side completely overwhelmed and destroyed whatever good Danny Phantom may have had left, corrupting him into an extremely powerful and malevolent ghost. And thus, the once heroic Danny Phantom was no more, and the villainous Dark Danny was born.

Now free of any moral restraint and no longer capable of feeling empathy or remorse whatsoever, Dark Danny commits his first heinous action by horrifically murdering his human self before blowing up Vlad's mansion. He then unleashed a decade-long reign of destruction and terror throughout both the Human and Ghost Worlds, destroying billions of lives while heartlessly torturing his foes and former allies.

However, while the rest of the world was reduced to ruins, Amity Park was able to survive Dark Danny's onslaught by erecting a giant anti-ghost shield strong enough to keep out the all-powerful ghost, with Valerie Gray acting as its protector. Unable to break the shield, Dark Danny left Amity Park alone for the time being until he developed his most powerful technique: the Ghostly Wail. He also he crossed paths with Clockwork, the Master of Time who apparently tried to stop him, and Fright Knight, who soon came to serve Dark Danny as his new master.

Soon after learning the Ghostly Wail, Dark Danny somehow contacted Valerie via her wrist device to taunt her. Valerie boldly boasted how he couldn't break through the ghost shield no matter how powerful he was, only to be proven wrong when Danny unleashed his wail, breaking the defense system and causing the shield to fail, thus leaving Amity Park vulnerable for Dark Danny and Fright Knight to attack the city. Fright Knight chased Valerie to the old Fenton home, where Valerie met up with her aging father, Damon Gray. But then Dark Danny himself appeared in dramatic fashion and sarcastically greeted Valerie before causing an explosion which destroys the entire building, knocking Valerie unconscious and presumably killing Damon.

Having seen the terrible future that Dark Danny had created, a pair of peace-keeping ghosts known as the Observants went to the only individual capable of preventing Dark Danny from coming into existence: Clockwork, the Master of Time. They commanded Clockwork to eliminate Danny Phantom while he was still young and weaker in order to prevent him form rising to power. However, the time ghost instead sent in various future ghosts that set off a series of events that caused Danny to end up in the future to confront Dark Danny.

In future Amity Park, which was reduced to rubble, Danny then encountered Valerie, who mistook him for his older version. She chased and successfully captured the ghost-boy and was about to kill him with a bazooka until Sam and Tucker intervened. Valerie was shocked to see them alive, remembering the tragedy that killed them, and readied her bazooka again to destroy Danny in response to this remembrance to the event. But then she was blasted away by Dark Danny, who couldn't afford to allow his younger self to perish so that he would as well. After freezing Sam and Tucker in place, Dark Danny then inquired how his deceased friends arrived to his time period. Upon which he saw their time medallions, and was annoyed to see that Clockwork was involved again.

Before he could continue further, Dark Danny was then blasted away himself by Valerie. Angry for the sudden sneak attack, Dark Danny flew straight at Valerie while avoiding her attacks. After knocking her down, Dark Danny sarcastically suggested that he should show mercy to Valerie out of respect, only to reveal that he has no mercy or respect for anyone else, and proves this by throwing Valerie into a building. But Young Danny escapes his net and foils this attempt by phasing them both through the building, reminding Valerie that he was from the past of how noble and handsome he once was.

Dark Danny then stares down Sam and Tucker, stating that it would've been a touching reunion if he hadn't surrendered his own humanity entirely. Young Danny then tries a sneak attack on Dark Danny, but he anticipates this with his own ghost sense and they both end up blasting each other. This sets free Sam and Tucker, who Young Danny tells to escape, but Dark Danny wasn't going to have that and unleashes his Ghostly Wail to knock down the Fenton building (which for some odd reason survived his earlier attack) unto them. Young Danny tries to save them, but Dark Danny grabs and stops him, allowing his friends to be buried under the rubble, which shocked Young Danny.

Dark Danny then zapped his younger self to force him back into his human form and threw him to see his deceased friends. Upon coming to, Danny instead finds their time medallions on the ground, showing that they survived and are back in their original time period. Joyed to see this, Danny was about to remove his own medallion, but was stopped by his older self, who stated that he wasn't going anywhere before infusing the medallion into Danny, thus preventing him from returning to the past and rendering him unconscious.

Realizing that Clockwork was trying to stop Danny from turning into him, he threw his past self into the Ghost Zone to make sure he stayed out of the way and then transformed himself into a fourteen-year-old version of his human self.

Dark Danny used another time medallion that Sam/Tucker left behind to go to the past to ensure the events that created him would happen, however, Danny's sister, Jazz, found out what he really was, thus she sends the boomerang through the Ghost Zone to find Danny ten years in the future whom was being attacked by his future ghost enemies in revenge for all the bad things Dark Danny had caused them, Danny eventually receives the note and suspects Vlad is responsible for Dark Danny's destruction of the world.

While cheating on the C.A.T he notices that Jazz is preparing to destroy him by using the Fenton Peeler, in order to prevent her from interfering with his plans, Dark Danny sends an invisible duplication of himself to shock her unconscious. He successfully cheated on the C.A.T. using the answers (which Danny had obtained earlier by accident), causing Lancer to call his parents over to the Nasty Burger as a demonstration of what awaited those who failed the test.

Sam and Tucker came to try and warn them of the imminent explosion and Jazz arrived, proceeding to use the Fenton Ghost Peeler to reveal Dark Danny. Jack and Maddie then draw their weapons and demand Dark Danny to tell them what he did to Danny, he responds by mocking them for being world's leading ghost experts and that they couldn't figure out that Danny was half ghost while Jazz was the only one who figured it out. He managed to use the ectoplasm to trap them on the condiment vat, which was coming close to exploding, but then Danny Phantom arrived, having succeeded in getting the time medallion out of him with help from the future version of Vlad.

Dark Danny could not kill his younger self, since he needed to ensure his existence, but only had to hold him off until the sauce exploded. They fought, but even with the Specter Deflector and Ghost Gauntlets as well as an oil truck exploding on top of him, Danny couldn't defeat his evil older self. However, his determination to save his family and friends caused Danny to unleash the Ghostly Wail power, which he had used earlier while under attack by future versions of ghosts he had fought. This shocked Dark Danny since he was not supposed to gain that power for another 10 years and Danny told him that the future apparently was never as predetermined as he'd thought. He unleashed a second Ghostly Wail that blasted Dark Danny into a building, who emerged extremely battered and weakened and was later trapped in the Fenton Thermos by Danny himself.

However, Dark Danny pointed out that Danny was too late to save his family and friends in time, but Clockwork's intervention saved them and he sent the half-ghost back to before the test to give him a second chance at changing his future. Danny then gave the test answers back to Mr. Lancer; therefore, creating a new timeline where Dark Danny was never born and all the harm he caused was erased. Despite this, the knowledge that someone as evil as Dark Danny and probably knowing he would return continued to haunt Danny for the rest of the series.

Clockwork then took charge of Dark Danny, who now existed outside of the time stream since Danny would never become him. At the end, he was seen smashing against the sides of the thermos, apparently attempting to escape. Since he was laughing, it is possible he planned it so that next time, he will kill Danny for good and nothing would stop him once he escapes his prison and wreak havoc on Earth and the Ghost Zone.

The possibility of this is reinforced in the series finale *Phantom Planet* where Dark Danny is one of the few ghost (the only ghost villain to be exact) who does not help Danny save the earth and the Ghost Zone, Dark Danny presumably remains trapped in the Fenton Thermos because Danny most likely knew the potential harm he would cause if he had free him from his captivity and given his evil nature is also very likely he would not even bother to help his counterpart.

Nico: DARK DANNY!

Me: Oh man! I thought we were rid of you for good!

Nico: Where's the original human of the Gargoyle Phantom?!

Dark Danny: Oh, I haven't even met him yet. But after I kill all of you, he's next!

Haruto: Who is he?

Me: An old enemy that we faced long ago when Nico was starting out. His name is Daniel Fenton. But we call this one Dark Danny. He from 2015. He is Danny Phantom from 10 years into the future.

Nico: He lived in an alternate time that was completely decimated by him.

Nico went over what we faced and found out in the events of chapter 473 and it was incredible!

When he was done Haruto and team were shocked and horrified!

Haruto: He's a monster!

Me: Looks like we better call for backup!

I pulled out my phone and pressed the Omega Level Emergency Button and everyone then headed out for Japan!

Everyone then came.

Vince: Oh sweet mother of nature! Dark Danny!?

Varie: But that's impossible! He was destroyed!

Maria: Yeah he was! Nico blew him into oblivion with a spirit bomb!

Dark Danny: Team Loud Phoenix Storm. Nice to see you all again.

Lola: Wish we could say the same thing!

Dark Danny: You all have increased in numbers ever since we saw each other the last time.

Nico: We've also changed dramatically ever since then.

Haruto: Wow! It's an honor to meet the great Team Loud Phoenix Storm.

Varie: Same to you Haruto.

Me: Sorry you had to meet the team like this right now this early.

Haruto: No worries.

Haruto, Nitoh and Elyon: Henshin!

They transformed and were ready!

Nice: YEAH!

Haruto: Me, Nitoh and Elyon got Weretiger Phantom.

Me: I'll face Dark Danny. I want to get in some shots on him this time.

Nico: I had my fun on him first.

Me: Okay but first.

I snapped my fingers and we were on the planet Glaren.

Elyon was a white version of Wizard and she had a clock on her and she had angel wings!

Elyon: Wow! This is so cool!

Lynn: Elyon, what name will your Kamen Rider form be?

Elyon: Kamen Rider Chronos!

Me: Ooh not bad!

Will: And it fits your Time Guardian Powers perfectly.

Laney: Wow it sure does!

Me: And Dark Danny, we're also not the same as we were back then. We've gotten more powerful too.

I then went Super Angel Infinity Xelnaga!

Me: (Divine Echoing Elemental Voice of Hope and Love) **Now this is something you should be afraid of.**

Dark Danny: I would be if I had humanity left.

Haruto: It's showtime!

Nitoh: It's lunchtime!

Elyon: It's Action Time!

Nico: Awesome catchphrase!

But then to our shock and surprise we saw VLAD PLASMIUS APPEAR!

Vince: Vlad Plasmius!?

Nico: Now things are going to get interesting!

Me: **No Nico let me talk to him for a sec.**

I went up to him.

Me: **Vlad, I'm not going to fight you anymore.**

Vlad Plasmius: (Shocked) **What!?**

Me: **Vlad I'm sick and tired of fighting you and I want to put the past between us behind us and let it go.**

Vlad Plasmius: You don't want to fight me anymore?

Me: **No. Over the last year ever since we last fought during the 20 Days of Darkness, I've come to realize that fighting you was getting tiresome. So I decided that I think it's time for us to bury the hatchet and let this pointless fight between us go. It's time for us to have separate paths.**

Vlad Plasmius: Wow that is really mature of you J.D.

Me: **I've grown a lot. Vlad I'm sorry I did all that to you but Danny told me what you did and all that and I let my sense of justice cloud my judgement and for that I'm sorry.**

Vlad Plasmius: Wow. You really have changed.

Me: **Yes I have.**

Vlad: I honestly only came here because I don't know what's going on at the moment.

Nico: Well as you can see, Dark Danny is back. We faced him years ago and destroyed him. But that still leaves one question unanswered. Dark Danny how did you come back after all this time?

Dark Danny: It was part of a Last Resort Contingency plan that the Church of Necrom came up with. Should they die they would have me come back to get revenge on everyone.

Me: **So that's it.**

Nicholette Torrington: Even in death their evil still lives on.

Vlad: And I won't let this go one. I may have done some horrible things in my life but it's time for me to bury the hatchet myself!

Haruto: If you're helping us fight Danny's Dark Half turned Phantom, that's good enough for me!

Nitoh: Let me, Elyon, and Haruto take care of his partner though!

Nico: Fair enough.

Me: **Vlad, glad you are going to redeem yourself. Masters of Evil sound good for you?**

Vlad: It does. Only if you destroy my dark self in the future.

Me: **Fair enough.**

We shook hands.

Me: **Lets get them!**

We went at Dark Danny and I punched him in the face and he flew up and fired waves of energy and I fired a wave of energy and the blasts collided and exploded!

**EXTREMELY MASSIVE AND POWERFUL EXPLOSION!**

Dark Danny: (fires ecto blast) I know your dark half got out of you as a rogue clone, Plasmius. After I'm done killing you and everyone here, I'm gonna recruit all the big enemies of the Kamen Riders and unite them as my persoanl army. And together, all of us will make the Earth kneel at our feet!

Chromastone: (absorbs ecto blast) Okay. I've helped J.D. and the others fight lunatics like Joker and Kasady just long enough to say this: YOU'VE GONE COMPLETELY INSANE!

Me: **No way in the 9 Levels of Hell are we going to let that happen!**

Eli: YEAH!

I fired a massive energy wave and it hit Dark Danny and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Haruto: WHOA! What power!

Elyon: J.D. and everyone has trained intensely for years to get this level of power!

Haruto: Whoa!

Dark Danny prepared a massive energy ball.

Me: **So that's it!**

I formed a pitch black energy ball of a huge size.

Me: **ELECTRO ECLIPSE BOMB!**

I fired it and Dark Danny fired his blast and the blasts collided and

exploded with incredible power!

**EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL EXPLOSION!**

Weretiger Phantom: I just met that new guy. But maybe he won't be such a bad boss.

Elyon: Sorry! But you won't get the chance to work for him!

Elyon fired waves of magic and blasted him all over the place.

Haruto: Time to use this.

EARTH! PLEASE!

He went into Earth Mode!

Elyon: That mode's a shout out to you, Cornelia!

Cornelia: WOOHOO! YEAH!

Haruto dug underground and then popped out from under Weretiger Phantom and smashed him all over the place and then Elyon flew into the air and smashed and kicked him all over the place with devastating force!

Nico: KAAAAAAAA MEEEEEEEEEE HAAAAAAAAAA MEEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAAA!

Nico fired a powerful red Kamehameha Wave and it slammed into Dark Danny and exploded with incredible power!

EXTREMELY MASSIVE AND UNBELIEVABLE EXPLOSION!

Dark Danny was being destroyed all over.

Vlad fired waves of energy and blasted Dark Danny all over.

Vlad: By the way J.D. I never asked this before. Did Dark Danny really kill Daniel in that time?

Me: **Yes he did Vlad. He also annihilated 99% of the entire**

**Human Race and left only Amity Park as the only surviving city.**

Vlad Plasmius: That is awful!

Kevin Levin punched Dark Danny all over the place.

Kevin Levin: Dude, I know you're not a nice guy. But you have to get rid of that Phantom half of yours.

Dark Danny: Oh, you'd like that, wouldn't you?

Kevin Levin: I know what it feels like. It feels good. The power. Everything. But you'll lose yourself. It'll destroy you. Let it go.

Dark Danny: (laughs) You're right, Levin. I'm not a nice guy like my goody two shoes self. I like being bad. It makes me happy!

Nico: You know a different version of Eddie Brock said exactly the same thing and look what happened to him!

KROW!

Nico kicked Dark Danny in the face.

Dark Danny just turned back into Gargoyle Phantom.

Flash: It's funny how a dark version of Danny Phantom turns into a Phantom monster.

Gargoyle Phantom: Don't you ever stop talking?!

Gargoyle Phantom fired a blast at Flash but John Stewart blocked the blast with a shield from his ring.

John Stewart: Sorry! No more near death experiences for this speedster!

Nico: Yeah!

POW!

Nico punched Gargoyle Phantom in his face!

Nico: Never wound what you can't kill!

Plankton: Just like old times, huh, Vlad, old buddy?

Vlad: You said it Plankton.

Me: **Long story on that one Vlad. And it involves a dark crab handed monster of the Powerpuff Girls we all knew and hated and an evil alternate time.**

Nitoh: (to the Weretiger Phantom) Here, Kitty Kitty!

Nitoh slashed and blasted Weretiger Phantom all over the place.

I kicked Gargoyle Phantom all over.

Me: **Now for this!**

I pulled out the Ghost Gauntlets!

Me: **Vlad these Ghost Gauntlets you made are absolutely genius!**

I channelled my energy into them and plunged them into Gargoyle Phantom and separated the two of them and made Dark Danny one!

Nico: Now for this! NUOVA STAR!

The 4 Star Dragonball on Nico's bracelet glowed and he formed a fireball and threw it and it slammed into Gargoyle Phantom and obliterated him in a massive pillar of fire!

Nico: YEAH!

Elyon: Haruto, you do have another Ring with you, right?

Haruto: I sure do.

Haruto gave her a ring.

Elyon: Thanks.

SWORD! PLEASE!

She formed a sword of time energy and slashed Weretiger Phantom! Then she grabbed his hand and put the on his finger and he reverted back to human!

Igawa: I'm back to human!?

Elyon: You can turn Phantom at will. You will be a perfect member of the Masters of Evil.

Haruto: That's right.

Igawa: Wow. Thanks.

Haruto: Not done yet. Lets go help J.D.

Elyon: Right!

WATER! PLEASE!

Haruto went into his water mode.

Haruto went at Dark Danny and kicked at him and then Dark Danny went intangible but then…

KROW!

Haruto kicked him and sent him flying even though he was intangible!

Nico: My daughter can hit harder than you. I guess that makes her twice the man you'll ever be, in more than one way.

Dark Danny: (smiles insanely and emits a short, harsh laugh) Well, hug your kids, am I right? 'Cuz you never know what might happen…

Nico: (expression visibly hardens) Don't. You. EVER. Talk about my daughter. EVER.

Dark Danny: I will talk about your brat however and whenever I want. Soon as I'm done with you, she's next.

Nico: (smirks) I like those odds.

POW BLAM BIFF!

Nico smashed and pulverized Dark Danny all over

Nico: You make me sick Dark Danny!

Me: **Same with me!**

Nico: (Taunting) What's the matter, are you going to cry?

Dark Danny: AFTER I'M DONE WITH YOU, I'M GONNA KILL THAT LITTLE SHIT DAUGHTER OF YOURS, THIS WORTHLESS CITY, AND EVERY GODDAMN PERSON YOU KNOW!

Vlad: (to me) Don't take this the wrong way. But if this were the Nico that me and my team had threatened a year ago, the 20 Days of Darkness probably would've been reduced.

Me: **It probably would have yes. But Nico has grown in personality and in terms of power since then.**

KROW!

We pulverized Dark Danny all over.

Nico: YEAH!

Me: **Now to finish him for good!**

I pulled out an Ectoranium dagger!

Haruto: What's that?

Me: **It's a dagger made of Ectoranium. It's a mineral that is like Kryptonite to ghosts.**

Haruto: That is cool!

Me: Yep.

Vlad: Go get him J.D.

Me: **With pleasure!**

I flew at him and Dark Danny saw me coming and he fired energy blasts at me and then I teleported and stabbed him in his black heart and he screamed in pain and then I used the Black Gates on him and obliterated him forever!

Nico: TAKE THAT!

Everyone cheered wildly!

We powered down.

Nico: There. No more dark future for Danny.

Me: Well it happened back 7 years ago dude.

Danny Phantom: Yeah in an alternate time. But at least it will never happen.

Haruto: That was for sure. But it was an awesome honor to have you all help us.

Varie: Anytime. Sorry it was so early.

Jared: But it was awesome helping you.

Haruto: Well, I'm still willing to meet with you guys in person. We didn't really have to time to talk that much since we had to get rid of Dark Danny.

Me: I know.

Nico: But that was an emergency situation. Dark Danny was a danger to everyone on the entire planet in general. But it was awesome you got to meet the whole team.

Haruto: That's true.

Vlad: I thought it was amazing you all did a great job too.

Nico: It sure was Vlad. And we owe you big time for helping out.

Danny Phantom: I agree there Plasmius.

Nico: Yeah. But I don't know how we're going to have you make it up to Jack though.

Me: He still probably hates your guts.

Vlad: I'll think of something to make up to him. I feel really bad that I ruined my friendship with him.

Me: We'll think of something Vlad. There is still time to rekindle your friendship.

---

Later we came back.

Nico: Wow! That was so awesome!

Eli: Yeah it sure was.

Me: We'll consider this a secondary mission for us all.

Nico: Good call.

May: Yeah.

Eli: It was really fun though.

May: Next time, Dino Tyranno and 1984 Terminator should go with you.

Maria: It's only fair that Dino Tyranno meet Haruto personally.

Elyon: That is true and good idea.

Lola: But it was awesome taking down Dark Danny.

Nicholette Torrington: And we stopped the Church of Necrom's dark plan this time. But we still have the September 16th war coming.

Nico: Yep.

---

Later at school everyone was getting ready.

Lady Deathstrike: (Japanese Accent) So, Luna. What project do you and Sam have?

Luna: Who knows. But Mrs. Harrington said that it was really awesome.

Sam S.L.: We will gladly do it together.

Then Mrs. Harrington came in and she had an awesome announcement for everyone.

Mrs. Harrington: Okay everyone I have an awesome and very special project for all of you. J.D. has put together this awesome project for all of us and we have some of you put together in partners for this. Come on in guys.

Me and a bunch of children came in.

Me: Hey guys.

We came in.

Me: Now I'm sure you're wondering why I have these kids with me. Well it's for a project that I put together. I asked the orphanage to help us out with this. We're going to put all of your parenting skills to the test by having you all take care of one of these kids from the orphanage.

Everyone was excited for this one.

Mr. Skullhead was wondering if they were assigned.

Me: Yes they are assigned to you all.

Mrs. Harrington: Okay here is who you'll be getting.

We sorted them out.

Me: And for Luna and Sam, you'll like this. You'll be getting Whitney here.

Whitney was a girl with black hair and she had a black and purple rock and roll shirt on and a black skirt and had a guitar with her.

Me: She likes rock and roll music and is a really talented guitarist.

Luna: Rockin dudes!

Whitney: It'll be awesome to rock with you guys.

Sam S.L.: Same here.

Lugnut: We are sorry that your parents perished, little one. If it makes you feel any better, Cybertronians don't exactly have parents either.

Whitney: I'll be all right. Luna and Sam will look after me.

Nico: We know they will.

Me: Whitney lost her mom and dad in a fire.

Lola: Oh man. That's bad.

Mrs. Harrington: Yes it is. But she will be in great hands with you all.

Sam S.L.: She sure will.

Whitney: Yeah! This will be awesome!

Luna: Rockin dudes!

Mrs. Harrington: This was an awesome idea to set this project up J.D.

Me: Thank you Mrs. Harrington. It came to me after what happened after we saved the world from the asteroid that was about to destroy it. And we looked after the Loud's after they were turned into babies.

Nico: I remember that.

Elita One: Some of us wanted to introduce them to pizza.

Nico: That was awesome.

Me: Yeah.

Whitney was getting along great with Luna and Sam. She loved them already and played awesome songs with them.

Me: Wow that is so awesome.

Nico: Boy it sure is.

Me: (In my head) I think I see a potential family brewing with Luna, Sam and Whitney. But this is perfect because June is Gay and Lesbian Pride Month.

---

Back at the estate we were watching TV and Luna, Sam and Whitney were having lots of fun.

Me: Man those three are perfect as a family.

Nico: Boy they sure are.

Vlad: Too bad none of you got to use any unused Eyecons.

Napalm Man's eyes widened in realization after that.

Napalm Man: FUCK!

Me: Hey no sweat we can use more Eyecons later on.

Napalm: True.

But then Flurry Heart Came in and she had someone with her that was REALLY MANGLED UP!

Flurry Heart: Guys we got someone badly hurt!

Nico: Oh man! What happened!?

Me: Set her on the sofa!

Flurry Heart did so and Varie and Maria Santiago looked her over.

Varie: Man these injuries are bad.

Maria Santiago: Dios mio! What happened!?

Me: Someone really did a number on her!

Flurry Heart: I found her at the door at the foot of the estate tree. She was really beaten up.

Then Rojo, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Carmen Dillo, and Box Ghost appeared.

Rojo: Can me, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Carmen Dillo, and Box Ghost go with you guys?

Nico: You all sure can.

Dirty Bubble: Cool. (Sees Whitney) Who's the little one?

Luna Loud: This is Whitney dudes.

Me: It's part of a project I put together for the school.

Nico: Yep.

Nathalie: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm going to hope to do one for Eatle's kind next.

Me: Ooh that is gonna be cool. A gene-slammer for an Oryctini.

Nico: Yep.

Me: That will be cool to see.

Shanan: It sure will be awesome.

Laney: So it'll be someone who likes to eat and can fire energy.

We went over to the girl.

Nico: Boy someone did a number on her.

Pinky: You got a lot of boo boos!

Brain: Was your attacker any of these Another Riders?

Brain got out mugshots of Another Hibiki, Another Decade, Another Ex-Aid, Another Zi-O, Another Drive, and Another Zero One

Poromon: The remaining Another Riders can run. But they can't hide!

Girl: No it wasn't them.

Eddy: Wait I know these injuries. These were caused by bad luck!

We gasped!

Me: This is not the cursed telephone's work.

Matoombo: What's your name?

Kat: Kat Merton.

Nico: Kat Merton? Oh wow.

Nico went to his Goosebumps books and came back with one that I remember.

Nico: You're from this.

Me: It Came From Beneath the Sink. Oh man! I know that one all too well.

Dirty Bubble: Who attacked you?

Brittney: I know what it was. It was a creature called a Grool.

Brittney pulled out her book on Supernatural Creatures and showed us a picture of THE GROOL!

The Grool is the main villain in the thirtieth Goosebumps book, It Came from Beneath the Sink!

This horrid creature is frightening yet interesting. It is composed of spongy epidermis similar to that of a common household kitchen sponge. The Grool's texture, however, is much slimier as it produces bile through microscopic ducts controlled by a narrow but complex central nervous system.

This intriguing system varies from us humans in the sense that the Grool has neither a way nor cause for reproduction, digestion, or respiration. The tiny nerve synapses are kept far from each other in hopes that the creature will stay focused and attached to its original owner. This strange phenomenon is brought about through the oddities ability to send unbelievably powerful electric impulses outward, which in turn can confine a single person to a life or death symbiosis with the Grool.

This mutually assured destruction means that, if the Grool becomes separated from the owner at such a distance whereas the impulses are severed, its captive will die due to all loss of electrode brain function.

The Grool strangely feeds off misfortune which can actually be explained by the same nerve synapses aforementioned. These synapses collect data as energy basically like a photosynthetic computer and the conversion process occurs instantaneously.

The Grool's only weakness is collecting data interpreted as pleasant, as this causes an overload in production of serotonin, a toxic neurotransmitter which causes the beast to regress until it is as harmless as an average dish-washing sponge.

Grools basically dwell in damp caves deep within rainforests and some have even been spotted washed ashore by the tides of the Galapagos, of course causing havoc to those islands. Though they seem easily defeated, their ominous presence and abilities causes fear and anguish to be amplified by twenty three percent, reducing chances of defeat the more powerful it gets.

We gasped in shock and horror!

Nico: Oh man!

Maria: You have got to be kidding me!

Me: We aren't. This is a monster that causes a huge amount of bad luck to the owner.

Windsweeper: It looks like a sponge.

Brittney: It does but looks are very deceiving. This is a monster of bad luck.

Nico: Man this is terrible.

Lola: Yeah no kidding. We have to destroy this monster at any cost or Kat won't live to see the next sunrise.

Me: I agree there.

Kat Merton: I came to you for help. That monster is back and is tearing me apart.

Me: You fought this creature before?

Kat Merton: Yes I have.

Box Ghost: (to Vlad) Despite what happened before, it really is good to see you again.

Vlad: Same to you Box Ghost.

Ember McLean: I'm happy to see you too Vlad.

Vlad: Same here Ember.

Me: The Lunch Lady Ghost and many ghosts are with the M.O.E.

Nico: Yep.

Kat Merton: I don't know what to do guys. I'm cursed by that thing.

Me: Kat listen, there's no such thing as bad luck. It's all just a bunch of stupid superstitious bullshit.

Clown Man: Besides, from now on, anytime the Grool tries to cause something bad to you, we'll protect you.

But then a concrete beam appeared above Kat and then I caught it!

Me: OOF! Like this?

Kat Merton: Yeah like that. Thanks.

Me: You're welcome.

Nico took the beam.

Me: Man that was close.

Carmen Dillo: Maybe we should head outside.

Nico: Good idea.

We went outside.

Laney: Okay.

Varie gave Kat crutches.

Me: Boy this is bad.

Then a man came and he had a bucket filled with acid and he laughed maliciously as he was heading to Kat!

Man: DIE BITCH!

Me: Oh no you don't!

I kicked him in the crotch and leg swept him and the bucket of acid fell onto him and burned him all over!

Wolfgang: (Australian Accent) Okay, I know that never happened to Eddy!

Nico: No it didn't but at least J.D. stopped him from doing that to Kat.

Me: Yep.

Kat Merton: Yeah no kidding.

Me: We got to find the Grool and destroy it and quick.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was The Destroyer from Darksiders, a gigantic Satanic Demon Dragon and the dark form of the real villain, the fallen angel and former leader of the Hellguard, Abaddon, and he's been brought back from the dead to cause havoc and devastation again. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and none of us are going to like this guy one bit: the dark energy I sensed belongs to The Destroyer from Darksiders, a gigantic Satanic Demon Dragon and the dark form of the real villain, the fallen angel and former leader of the Hellguard, Abaddon, and he's been brought back from the dead to cause havoc and devastation again.

We gasped in horror.

Nicole: Oh man, this isn't good. Let me tell you guys about The Destroyer and the shadow of his former self, Abaddon, so that way, we get a good idea of who we're dealing with.

Nicole proceeded to tell us about The Destroyer and the shadow of his former self, the fallen angel, Abaddon, and we weren't going to like it one bit.

---

Destroyer (Darksiders)

Abaddon (also known as the Destroyer) is the former leader of the

Hellguard, now the ruler of the Forces of Hell and the main antagonist of Darksiders.

## History

### Fall Into Darkness

Once, the Destroyer had been Abaddon, the proud leader of the forces of Heaven. However, he had been convinced that if the Apocalypse, the final battle between Heaven and Hell was put off any longer, then Heaven's defeat would be ensured since Hell's strength constantly grew more than that of the White City. Thus, Abaddon conspired with the Angel of death, Azrael, to break six of the seven seals that would bring about the End War, which would make the Forces of Hell descend upon the Earth but leave the seventh intact so that Charred Council's Horsemen would not interfere. Then Ulthane the Black Hammer could reforge the Seals so that when the Council came to investigate, they could claim that Hell had attacked prematurely, and the White City's forces had brought them to justice. They proceeded with the plan and as the battle raged, Abaddon stood guard over the Seventh Seal himself. However, War descended to Earth anyway and joined in the battle and when the leader of the Hellguard saw him, he was shocked and cried out that the Seventh Seal hadn't been broken. But then Straga, general of the forces of Hell, appeared and struck down Abaddon.

He found himself in some sort of limbo, where the voice of a mysterious woman told him that his plot was the result of her manipulations for her own ends. She offered to make Abaddon her greatest servant, the Destroyer, but he refused at first. However, she told him that when his crimes became well known, he would face terrible punishment. With no other choice, Abaddon agreed and was transformed into a fiery, skeletal Dragon Demon, the Destroyer. He then took command of the Forces of Hell, who won the Apocalypse, and became ruler of the Earth, keeping the Seventh Seal with him. Later when his servant, Samael, turned on him, the Destroyer imprisoned him and gave the Chosen, Hell's greatest warriors, the job of preventing him from regaining his powers.

### Facing War

However, the Destroyer found opposition in the form of War, who returned to Earth 100 years later under the orders of the Charred Council to find out what had happened. The Horseman made a deal with Samael that if he brought the Demon the hearts of the Chosen, he would give War a way to get to the Destroyer's tower fortress. The Horseman did so, restoring Samael's powers and he opened a portal to the tower for War. There, the Horseman found Azrael, who told him about Abaddon's plot and brought War to the Tree of Knowledge, which showed him the Destroyer's true identity and that he needed the Armageddon Blade, which had been shattered by Abaddon, to defeat the dark lord. The Horseman got Ulthane to reforge the blade and went to confront the Destroyer. He arrived in the wake of an attack by the Hellguard lead by Abaddon's former lieutenant, Uriel. The dark lord held Uriel in one of his claws and said that she mistook him for someone else.

The Destroyer then mused on the unrequited feelings Abaddon and Uriel had had for each other before what happened and how he had chosen duty first, dying for it. The dark lord then gave War his full attention and reminded of how Heaven hunted him, Hell hated him, and that all of Creation did not care if he survived. The Destroyer offered the Horseman a place at his side and together they could shatter all of their enemies before them and have the spoils of a thousand victories. If not, War could continue to serve a corrupt Council and a Creator who abandoned those most faithful to him. To sum it all up, the Destroyer asked the Horseman if he would serve in Heaven or rule in Hell. War stood silent for a minute then said he would choose what once a coward did not.

Angered, the Destroyer threw Uriel away and engaged War in battle, who managed to fight him with help from his Horse, Ruin, and the Armageddon Blade. The Horseman weakened him enough so that he changed into a corrupt version of his former Angel form. They battled and War overpowered him, tearing off Abaddon's wings. He murmured for Uriel to help him, but she told the betrayer to reap what he had sown, leaving the horseman to finish him.

---

When Nicole was finished, we were horrified at Abaddon's actions that led to the destruction of the Kingdom of Man on the Darksiders'

Earth.

Me: I can't believe Abaddon would do something like this, he's upset the balance between Heaven and Hell all through his hatred for Hell itself, and he violated the treaty that was forged eons ago in the Darksiders' universe.

Nico: This is definitely a case of another fallen angel that we need to deal with.

Benjamin Stilton: You said it, Nico, and there's something else: while I was helping Uncle G, Thea, and Trap, I felt something very dark and ancient. I used my Benpad to find out who the figure was, and I saw it was Abaddon, but he resembles a Dark Angel. Then, he transformed into The Destroyer, and he flew off. But, this meant one thing: Abaddon, the fallen angel now turned into The Destroyer, has returned.

Geronimo Stilton: That's right, and when we saw it, we knew we had to tell you guys, but we feared of what could happen if… !

Lincoln: If Abaddon were to find out. It's okay, we don't blame you for not telling us, Geronimo. But, we're no strangers when it comes to dealing with Fallen Angels and former heroes turned villains.

Nico: That's right, but, if I remembered correctly, the only weapon that can be used to kill Abaddon is The Armageddon Blade.

Lincoln: The same blade once used to break the Seven Seals, but reforged to destroy The Destroyer, and it also had a bad effect on demons and Fallen Angels like Abaddon.

Benjamin Stilton: Maybe when I transform, I'll get a greatsword that has the same power as the Armageddon Blade, and one that'll kill Abaddon and his demon dragon form.

Nico: The same with what happened when your Uncle Geronimo transformed yesterday. Alright, guys, let's go, we got a misfortune-causing Goosebumps monster to destroy.

We were walking.

Nico: Whoa incoming!

We saw a meteor heading right for Kat!

Powerpuff Girls: We got this!

They fired a laser vision blast and shrunk it down to the size of a baseball and it landed in front of us.

Me: Cool!

I picked it up and blew on it and cooled it down.

Me: Wow that was close.

Kat Merton: Yeah thanks.

Swordsman: (sees a car coming) I got this!

He slashed the front of the car in half and it stopped!

Nico: AWESOME!

Me: Nice one Jacques!

The driver came out and he was drunk as a loon!

Nico: Whoa he is drunk!

Nico pulled out his breathalyzer and the man blew into it and it read it and it showed that the man was .72!

Nico: Jeez! You sir are under arrest!

Man: (Slurred Speech) (To Nico) Hey beautiful lets make lots of love tonight! (HIC)

Joe arrested the man and the man that was about to throw acid onto Kat was taken to the hospital and charged with attempted murder.

Crankcase: Good thing I brought a broom with me.

Nico: Thank goodness.

Me: Boy that guy was drunk as hell.

Barney: You're not kidding there. (BELCH)

Sakura Haruno: At least it wasn't the blind bird that ransacked Marzipan.

Nico: That's true.

Then a Boulder rolled towards us.

Onyx: Heads up!

Applejack: I got this!

She went for the boulder and then punched it and stopped it and then it cracked in half and then it had A MASSIVE AND BEAUTIFUL RUBY GEODE IN IT!

Rarity: Oh my that is beautiful!

Me: Wow what a geode! Nice save Applejack.

Coloratura: That was amazing A.J.

Applejack: Aw shucks it was nothing.

Totally Spies Alice: Hippo alert!

We saw stampede of hippos coming right at us!

Nico: Uh oh!

Fluttershy: Oh I got this!

Fluttershy used her stare on them and they stopped!

Nico: Nice one.

Kat Merton: Wow!

Me: I'll send them back to Africa.

I snapped my fingers and sent them back to Africa.

But then a thug came!

Thug: Hand over your money!

Dr. Destiny: Now's a good time for an Eyecon!

Leif: I got this!

We saw that the thug was using a banana!?

Me: Sir that's a banana not a knife.

Thug: It is?

Leif: But this isn't!

He activated his Eyecon.

JAMES MEASE AND CONDIMENT KING!

Me: James Mease was the inventor of Ketchup!

Nico: Awesome!

Leif fired a blast of ketchup and smashed the thug down.

Nico: Awesome!

Me: He sure got ketchup!

We laughed.

Strike Man: This is getting out of hand!

Nico: It sure is.

Me: But at least we're protecting Kat.

Nico: True.

Then a bus came and then it opened.

Woman: HEY LOOK GIRLS! IT'S KAT MERTON! GET HER!

A bunch of angry women came and they had torches and pitchforks!

Me: Oh no you don't!

I flicked the switches for Condiment King and Venus and fired a massive blast of syrup and it stuck the ladies to the streets like glue!

Nico: Okay ladies why are you after Kat?

Woman: She is bad luck!

Me: There's no such thing as bad luck you bimbo!

Johnny Bravo: Whoa mama and I thought the girls where I'm from all felt the same thing about me.

We arrived at Kat's house.

Jet: I think we're here.

Kat Merton: Yep this is home.

Laney: Nice place.

Nico then saw something shining on the ground.

Nico: Wait Kat.

Nico picked up a rock and threw it and then…

SNAP!

A Bear Trap snapped.

Nico: Whew.

We then went into the house.

We then looked around and then we saw it in the backyard. We saw THE GROOL!

Nico: There it is.

Lobo: Entrance time!

Me: Lets get that repulsive bad luck monster.

We went at it.

The Grool snarled. But then the spirits of Nature's Tech Masters appeared and swirled around it and then converged and then out came a massive vortex of leaves, flowers and grass and then we came out.

Nico: You are in big trouble you repulsive porous freak!

Grool: (ROARS)

Nico: But not here. Too cramped.

Nico snapped his fingers and we were on the Liver and Onions planet!

Me: Fitting for this monster.

Waffle Woman: You're in big trouble!

The Grool growled and began to grow to giant size.

Eddy: Mommy.

I grabbed the Grool and smashed it into pulp and smashed it down to normal size!

Then Anti Wanda, Rex Goodwin, Raven Branwen, Dr. Polaris, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, Toad and Terror Dopont appeared!

Nico: Anti Wanda, Rex Goodwin, Raven Branwen, Dr. Polaris, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, Toad and Terror Dopont.

Me: This is gonna be fun.

Anti Wanda: Even me and my fellow Anti Fairies never caused that much chaos!

Nico: I know, right?

Me: That is really nuts!

Rex Goodwin: Chances are it might try to cause more stuff to hit us when we fight it.

Raven Branwen: Key word being "Try".

Nico: Let it do so.

Dr. Polaris: (to Nico) So, this is the planet you went to, huh?

Nico: Yep.

Chemistro: Honestly, I feel onions make you cry.

Me: But this is a world of Liver and Onions and also I HATE Liver and onions!

Rex Goodwin: I don't blame you J.D. I don't like Liver and Onions either.

?: Me neither.

A figure came out and it was WIG SHADOW from episode 30 of ToQgers!

---

He was sent by Madame Noir for unknown an unknown reasons as he made his first appearance with a couple of Kuros as the Wig Shadow to sent them to attack the team. Once the Kuros were destroyed he managed to put at least 5 Bird Nest Wigs onto the ToQgers leaving them to take care of the Cute Baby Chicks after that he left the scene leaving the team to take care of the chicks.

A while later he appeared at Shadow Terminal with the other generals as Madame Noir that this plans of hers is a shortcut for them to achieve victory for the Shadow Line, to which the Wig Shadow explained that the ToQgers will die whether they take care of chicks or he'll present Emperor Z the shiny darkness.

A while later he then appeared under a bridge wondering who'll be the next victim for him to place a bird nest hairstyle. However this doesn't gone unnoticed when Kagura saw while delivering the cake that she made for Mio's Birthday. As she was about to run away the Wig Shadow open fired on her thus destroying the cake that she already made. Once the team transformed they were about to battle the Wig Shadow, but he pointed out that if they move that fast the will truly die. Which leaves Kagura to battle the Wig Shadow alone.

He manage to used own ability to stop Kagura from doing the spin attack on him and then deals some damage to her. So once he was about to finish the team off the chicks that the ToQgers raised has already grown into adults and started attacking the Wig Shadow thus wounding him and freed the ToQgers of their predicament and after that he was then defeated by Hyper ToQ 3 and Hyper ToQ 5.

However he managed to collect enough darkness for him to grow to giant size so the team brought out the Cho-Cho-ToQ-Dai-Oh to battle him. After that he was then destroyed by this finisher called Cho-Cho-ToQ-Dai-Oh Imagination Express.

---

Right Suzuki: Wig Shadow!

Wig Shadow: Been a while rangers.

Me: I remember you! You put Birds Nest Wigs on some of the rangers and made them take care of baby chicks and Kagura battled you alone.

Wig Shadow: Yep. Good memory.

Nico: That was cool.

Wig Shadow: Not that they'll affect you guys anyway. But, does anyone want to wear my wigs?

Me: I don't think any of us wear wigs except for Lisa.

Lisa Loud: Nuclear experiment gone wrong.

Terror Dopant: So, I heard you all have Gaia Memories that not even me and my family had in our possessions.

Nico: That's right.

Me: Those are infused with the powers of the 310 Masters of Evil.

Laney: Really awesome devices too.

Lola: Yeah they are.

Me: And we can see that Ryubee Sonozaki A.K.A. Terror Dopont is with you guys.

---

**Ryubee Sonozaki** is the head of the Sonozaki Family and the Museum organization, and the main antagonist of the *Kamen Rider Double* series.

Ryubee uses the Terror Memory and a special Driver to become the **Terror Dopant** .

He is played by Minori Terada, who also voiced Colonel Muska in *Castle in the Sky* .

History

Ryubee and his wife were responsible for creating the devices called Gaia Memories, which allow a person to transform into a monster called a Dopant by accessing the memories of the planet. However, the Gaia Memories proved addictive, with prolonged use causing mental damage. They also created the Double Driver and Lost Driver, which allow a user to transform into Kamen Riders with Gaia Memories without the risk of addiction or bodily harm.

His wife, Fumine, left him after the death of their son, Raito. He carried on his research, and distributed Gaia Memories in secret to the people of Fuuto City, to observe their effects on the human body. Each of these Dopants was defeated by Kamen Rider Double, and later Kamen Rider Accel.

After adequate research from his Dopants, and observing Kamen Rider Double, he chose his daughter Wakana, to become one with the Earth's knowledge by way of an event called the Gaia Impact. Before he can do this, he is defeated by Kamen Rider Double and Kamen Rider Accel, and dies as his home burns around him. At the end of the series, his soul appeared in front of Phyllip, alongside other deceased members of Sonozaki Family, to say goodbye to Phyllip before moving on.

---

Nico: You're not the main target we're going after when we meet the W Team are you?

Terror Dopant: Nope.

Nico: Good.

Maria: If it's not you, who's gonna be our targets when all of us meet the W Team?

Terror Dopant: Jun Kazu and Shinkuro Isaka.

Me: I know them. We're going to really make those monsters pay.

Nico: Yeah we sure will.

Laney: Those guys will pay for their crimes.

Nico: So, I guess me telling the FBI about your past crimes didn't matter since you and your family were dead.

Terror Dopant: Oh, it wasn't for nothing. I truly do feel remorse for my crimes. That's why when we got brought back to life, the first thing we did was turn ourselves into to Sheila and her fellow officers.

Me: You made the right choice there.

Nico: I agree there too.

Me: Yep.

Nico: Philip will be very proud of your actions when we tell him.

Izuku: What do you mean?

Nico: Philip used to be Ryubei's son before becoming Shotaro's partner.

Izuku: Oh! I get it.

Me: Yeah it was a shocker.

We got the usual battles underway.

---

Neela Kaosudoragon: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Neela, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Neela Kaosudoragon: That's incredible.

Nico: It sure is. So, Neela, what memories did you have with Lincoln?

Neela Kaosudoragon: Ooh, I remembered this one time in baking class, Lincoln and I were given the task of baking Cannoli, delicious crispy fried tubes of pastry loaded up with delicious ricotta cheese cream are maybe one of the most popular sweets in Palermo, Italy since the 9th Century, and known across the globe.

Lincoln: And we decided to spice things up by mixing in some melted milk chocolate into the ricotta cheese cream, and once we filled the fried tubes of pastry with the chocolate ricotta cheese cream mixture, we topped it with crushed walnuts, and when the teacher took one bite of it, his taste buds were in Heaven, and we also got an A for that one.

Nico: That's so awesome!

Me: You said it, and you guys put a spin on the ricotta cheese cream mixture for the Cannoli by mixing in melted milk chocolate, that's creative.

Neela Kaosudoragon: But, it's not that great since we also needed to keep the chocolate away from Lincoln's chocoholic sisters, specifically Laney, Lucy, Lana, Lola, and Lisa. So, I had to put up some riot shields to keep them away.

Nico: Ooh, yeah, that was a big problem since Lincoln's sisters really love chocolate, Neela. But, you were really prepared, in case the smell of chocolate reached the noses of Laney, Lucy, Lana, Lola, and Lisa.

Neela Kaosudoragon: And if Lola or Lisa tried to harm Lincoln, they'd get no mercy from me.

Me: Nice.

Benjamin Stilton: I should've known there's no mistaking that voice from anywhere. You can come out now, Abaddon.

A gigantic, fiery, skeletal black Dragon Demon landed right in front of us, it was none other than The Destroyer, the demon dragon form of the fallen angel, Abaddon.

Benjamin Stilton: Abaddon. I should've known you'd come back from the dead yet again, but I won't let you destroy mankind or the world, not as long as we're here to stop you.

Destroyer (Darksiders): (Demonic Voice) I will destroy everything in existence, and all of Heaven will be next!

Benjamin Stilton: That's never going to happen, your rampage ends here and now, Abaddon.

Suddenly, Benjamin Stilton's light blue eyes turned neon light blue, and he was surrounded by an orange energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, angels, and dragons surrounding him, and the lights of Heaven shined down on the earth, and as he approached The Destroyer, he left orange energy, elemental forces, and mythological animals with every step.

Benjamin Stilton: Abaddon, I will never forgive you for what you did in breaking the Seals to trigger the End War early, so you can destroy the forces of The Dark Kingdom. Because of your actions, you led mankind in the world you came from to its destruction at the hands of the dark forces, and you'd brought about chaos and destruction, and for that, I will see to it that you pay the ultimate price for betraying Heaven and mankind!

Suddenly, Benjamin Stilton was surrounded by a massive vortex of orange energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic surrounding it, there's fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, angels, and dragons flying around the vortex, and in the vortex is a light blue phoenix. Then, as the vortex faded, Benjamin Stilton emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Benjamin Stilton grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs and a full head of orange hair, he has neon light blue eyes and an orange energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, angels and dragons surrounding him, he has a fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, angel, and dragon with the kanjis of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic in their hands emblazoned on his forehead, he has on phoenix earrings with light blue gems for eyes and the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic, and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with green crystal links and a dragon with light blue gems for eyes and holding the Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic Eternity Kanjis in its claws for the pendant. Benjamin Stilton has on a white suit with a silver armor chestplate with large royal blue gem in the center, white gloves, long royal blue pants, black knee-high leather boots, and a long white coat with white cuffs on the long sleeves and gold embroideries and on the coattails are fairies, angels, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons and on the back are a fairy, angel, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, and dragon with the symbols of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, and Magic in their hands. Suddenly, Benjamin Stilton felt a very sharp pain on his now wider and more muscular back, and then, massive white angel wings with gold tips on the feathers, sprouted out of his now wider and more muscular back. Benjamin Stilton has on a Ring of The Phoenix with royal blue gem and heart-shaped gem embedded in it on his right ring finger and an Indigo Lantern Corps ring on his left ring finger.

Suddenly, Benjamin Stilton has a new greatsword in his large right hand called Kingdom of Heaven's Archangel Sword of Heavenly Justice, it's a brand-new greatsword with angelic runes and a fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, angel, and dragon etched onto the 7'0" massive, wide, double-edged gold blade, large gold lion heads for the crossguard, large royal blue gem embedded in the rainguard, longer black handle, four large gold lion heads with royal blue gems for eyes and in their mouths and on the bottom of the four large gold lion heads is a large royal blue gem for the pommel, he has on his brand-new large gold cuff Bracelets of the Champions of The Universe with royal blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden lion head with royal blue gems for eyes and a large royal blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. There's a gold kanji below the fairy, elf, mermaid, mouse, phoenix, tiger, pixie, gnome, unicorn, angel, and dragon that said, "Benjamin Stilton, Super Genius Technology Expert of the Rodents' Gazette, Nephew of Geronimo Stilton and Thea Stilton, Cousin of Trap Stilton, Grandson of William Shortpaw, Friend of Pandora Woz, Destroyer of Sally Ratmousen's

Jealousy-Induced Schemes, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Defender of The Kingdom of Heaven, and Master of The Elemental Forces and Mythological Creatures"

ベンジャミン・スティルトン、齧歯類のガゼットの超天才技術専門家、ジェロニモ・スティルトンとシーア・スティルトンの甥、トラップ・スティルトンのいとこ、ウィリアム・ショートポーの孫、パンドラ・ウォズの友人、サリー・ラトマウスの嫉妬誘発スキームの破壊者、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、天国の擁護者、そしてエレメンタルフォースと神話上の生き物のマスター

Benjamin Stilton has transformed into SUPER ANGEL ETERNITY INFINITY ELEMENTAL MYTHOLOGICAL ANIMAL ANGEL OF ELEMENTAL JUSTICE AND ETERNAL COMPASSION!

We were amazed by Benjamin Stilton's Super Angel Eternity Infinity transformation, but when The Destroyer saw it, he fell into a rage and fired a blast of fire to kill him, but Benjamin absorbed it and it made him stronger than ever, and he fired a powerful blast of orange energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Magic, fairies, elves, mermaids, mice, phoenixes, tigers, pixies, gnomes, unicorns, and dragons at the evil fallen angel, and he got burned badly.

Trap Stilton: Wow, now Benjamin's transformed, awesome!

Lincoln: And he's really going to make Abaddon pay for what he did in his world.

Nico: A fitting punishment to a betrayer of Heaven. Benjamin, how do you feel?

Benjamin Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Heavenly Justice) **I feel incredible, Nico, and now, it's time for me to put an end to the betrayer of Heaven once and for all.**

Benjamin Stilton went after The Destroyer, who continued firing blasts of fire at him, but Benjamin absorbed the fireballs and it made him stronger than ever. Then, he fired powerful blasts of orange energy, elemental forces, and mythological animals, and they exploded with incredible power as they hit The Destroyer, and the purity of the attacks burned the demon badly. Then, Benjamin Stilton had attacked The Destroyer with his massive Kingdom of Heaven's Archangel Sword of Heavenly Justice and he left painful scars on him, and he was going to make sure Abaddon paid for his crimes in full. Then, Benjamin chained The Destroyer with heavenly gold chains, and he kneeled down in prayer.

Benjamin Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Heavenly Justice) **Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil, for thine is the Kingdom, the power, and the glory forever. Amen.**

Then, a bolt of heavenly lightning struck The Destroyer, and he roared in excruciating pain, and then, we saw him change into the corrupted version of his angel self, Abaddon, but his armor had the color schemes of the fallen angels, his hair changed from silver to red, his eyes changed from white to orange-red, and his angel wings changed from white to black.

Nico: Whoa, after Benjamin said the Lord's Prayer, the bolt of heavenly lightning struck The Destroyer and it changed him back into the corrupted version of his angel self, Abaddon. Now, this is where the real fight begins.

Benjamin Stilton went after Abaddon, who tried to attack him, but Benjamin dodged all of the fallen angel's attacks, and he then attacked him with his massive Kingdom of Heaven's Archangel Sword of Heavenly Justice and the blade really left painful scars on Abaddon that could never be healed, and then, Benjamin disarmed Abaddon of his sword. Then, Benjamin ripped Abaddon's black wings from his back as Abaddon screamed in excruciating pain, and then, he impaled Abaddon in his black heart on his blade.

Benjamin Stilton: (Divine Echoing Cosmic Voice of The Elemental Mythological Beasts and Divine Heavenly Justice) **Reap what you've sown, betrayer of Heaven.**

Benjamin Stilton removed his sword from Abaddon's chest, and the black energy of The Black Gates did its job and Abaddon was judged by the spirits of all those he's killed: angel and human, and he was forever erased from existence forever. We cheered wildly for what Benjamin Stilton did, as he holstered his massive Kingdom of Heaven's Archangel Sword of Heavenly Justice on his back and powered down, and Benjamin Stilton's new body, clothes, weapons, jewelry, and massive white angel wings are permanent. Thea Stilton was filming the whole thing for everyone to see, and Geronimo was in charge of the broadcast report.

Geronimo Stilton: What an exciting day this has been today, first on Nico's rescue, he and his group have taken down The Onion, one of Richie Rich's enemies and reunited with his friend, Jeri Kamiya, and on Lincoln's rescue, he and his group went to a planet made of steaks and they rescued the four girls and took down Chandler's former friends, Artie and Trent, along with Becky's dodgeball posse, and Lincoln inflicted them with the Tezcatlipoca's Eternal Night Vengeance Curse, and Lincoln also reunited with Neela Kaosudoragon. The Ambassador Mission also went well, and we also got rid of Vlad Plasmius and Goobot, who have troubled innocent people for far too long, and not only did we destroy the Grool and saved Kat Merton's life, but, Benjamin Stilton has destroyed the fallen angel Abaddon who's been transformed into The Destroyer. But, the adventures are beginning. Reporting live from Gotham Royal York, I'm Geronimo Stilton, goodbye.

We cheered at the awesome news broadcast that Geronimo did.

Nico: That was one amazing news broadcast you did, Geronimo.

Thea Stilton: And we also got to see Benjamin transform and really put an end to Abaddon for his crimes.

Pandora Woz: Do we also know who brought Abaddon back from the dead?

Lincoln: If I'm not mistaken, the one who would even dare bring Abaddon back from the dead is none other than Lilith from the Darksiders universe, since she was the one who transformed Abaddon into The Destroyer, and manipulated his plans for her own ends.

Thea Stilton: Then, I'll be the one to put an end to her tomorrow for what she did bringing Abaddon back from the dead.

Nico: You got that right, Thea. She deserves to die for what she did.

Nicole: She manipulated Abaddon's plot from the shadows to fit her own ends, specifically that of her master, Lucifer.

Benjamin Stilton: Is there a chance that…?

Nicole: No, there's no need to worry, Benjamin. Dad destroyed Lucifer and permanently wiped him from existence by Super Hakaing him. But, then, we used The Black Gates of Lucifer, and now, he's nothing but a forgotten memory.

Benjamin Stilton: Whew, that's a relief.

Me: You said it, and what Lilith's done, I hope Thea doesn't let her leave here alive.

Geronimo Stilton: Trust me, Thea's not the kind of mouse to not let someone as evil as Lilith leave, at least not without a few bruises. But, since this is a demon she'll be facing tomorrow, there's only one thing waiting for Lilith.

Nico: The Black Gates, that's just what I was about to say, Geronimo.

Me: Yeah.

Nico: But great job today everyone!

Kat Merton: Thanks. Sorry I wasn't much help because of my injuries.

Nico: No worries Kat.

Whitney: But this was so awesome helping you guys out!

Me: We're so glad you had a great time with us too! I'm going to be giving a great report for Luna and Sam.

Luna: Yeah dudes and me and Sam have been thinking about it and…

Sam S.L.: We decided that we're going to adopt you Whitney.

Whitney gasped and she jumped for joy and hugged both her new moms!

We cheered for them!

Kat Merton: (To the viewers) This was an awesome and amazing adventure. Hope you liked it.

Nico: We all did.

We later went back home and enjoyed the rest of the day and went to sleep.

Katherine is Nico's friend from cooking class and she knows and loves one thing and that is donuts. She makes all kinds of amazing donuts. We're also going to take down Layla Wendoll, the Queen Bee that got expelled by him, and she wants bloody revenge on him. We're going to face her in the park and she's going to get the beatdown of her miserable life, and Lincoln's going to give her the King Midas' Golden Touch Vengeance Curse. For Lincoln's rescue tomorrow, he and his group, along with The Loonatics are heading down to Acmetropolis, and they're going to deal with Ophiuchus Sam, the descendant of Yosemite Sam and he is going to be put into the Masters of Evil. And they're going to meet a Gene-Slammer for Sophia, Goddess of Rebirth named Sophia Zandaka, who's one of Lincoln's many Guardian Angels and is a lovely fashionista and one time, she and Lincoln both tried on different clothes as well as swimsuits and she hates Icky Vicky with a passion. For the 3rd part of the saga it's time for a really scary ghost battle as we help Sarah Maas deal with THE GHOST OF CAMP COLDLAKE!

See you all tomorrow.

We were over by the Park Lake and we were lounging, watching the clouds and even playing games. Also with us was the Animal Path for a nice talk.

Me: Ahh nothing like having a nice relaxing day at the park after so many awesome adventures.

Eli: Boy you said it bro.

Laney: Yeah this is the life.

Lana: I'll say.

Kaoruko: It's so peaceful and beautiful.

Animal Path: And I'm honored that I get to join you guys for a nice chat.

Me: Anytime Ajisai. That was your name back in 150,000 years.

Animal Path: I know and it's great you gave me sentience and free will J.D. But also having the powers of the Animal Path is amazing.

Me: It sure is.

Nico: Thanks for coming with me, Zick.

Zick: Anytime Nico. It's gonna be awesome spending this time with you guys.

Nico: Yeah it sure is.

Zick: I always love having fun with you all.

Nico: Zick, I'm actually impressed there have been tons of Tamers before you even got your powers.

Zick: Me too. It is so awesome. And it's cool that I'm not the only one out there.

Lola: That's true.

Camie: It sure is.

Kaina Tsutsumi: Yeah just hearing about that is really amazing.

Eli: Yep and they face ALL KINDS of really wicked monsters too. But the neatest ones are the monsters that Zick and Elena both know like Bombo and Snyakutz Bu.

Zick: That's true.

Me: So far we have dealt with 3 of Zick's major enemies.

Camie: Which ones?

Me: We destroyed Hector Sinistro, Chumba Bagingi and his evil aunt Emily Vermeer.

Varie: Yep that is true.

Twilight Sparkle: Wow that is cool.

Me: It sure was. Good times.

Nico: Sorry the Armory got destroyed all those years ago.

Zick: No worries Nico. We'll rebuild it. Besides we're making great progress now.

Nico: Good.

Tsuyu came back with a huge tray full of Hot Dogs.

Tsuyu: Who's hungry?

Me: Oh boy!

We got our hot dogs.

Zick: I'll save some of these for Bombo.

Tsuyu: Plenty for everyone guys.

Zick: Cool.

Animal Path: Who is the worst out of Zick's enemies?

Me: Magnacat. So far we haven't been able to find him yet.

Nico: Yeah.

Camie: Who is Magnacat?

Me: You will not like this guy one bit.

I went over his history.

---

Magnacat is president of Pyramid Inc., a kitchen appliance store, but he is also an extremely powerful Gorka. Magnacat's powers include shape-shifting, hypnosis, mind-control, flight and various dangerous magical spells. When in human form Magnacat has blond hair and wears a green business suit. He is the main antagonist of the first season of the animated series. His goal was to create an army of Androgorkas, and capture the Tutors to control the prisoner monsters to get his revenge on Bibbur-Si, from which he was exiled long ago. Magnacat ended up being eaten by the Dark Phantom, Captain Bristlebeard. Magnacat survived being eaten and escapes albeit as an ooze. In his weakened state he was confined to a capsule to regain his body and strength. In the show before the series starts, he defeated Zob, Zick's father, and Terrence, another tamer. He shrunk Zob while turning Terrence into stone. He fought the Tamers various times making several attempts to take down Bibbur-Si and gain control of the Tamers but failed each time. Due to suffering numerous losses in fighting the Tamers, his company went into bankruptcy. As a last resort, Magnacat ordered Viziosed to get the Horn of Kong to summon the Monster-Saur. His control over the monster was not complete, however, and he formed a loose alliance with the Tamers to stop it. After a short skirmish in the beast's stomach, Zick and Elena escaped, trapping Magnacat and Viziosed inside. The Monster-Saur was defeated and put into a Dombox while they were still inside. Being in one Dombox together, Magnacat began to devour the monster from the inside, absorbing its power. In the second season of the animated series, he was able to escape along with Viziosed by absorbing the energy of Monster-Saur to confuse the Dombox into releasing them. He was defeated and sealed into a special Dombox that he cannot escape again. In the comic book series, he is the main antagonist in the issues 2-4, 13-14, but he was defeated by the Tamers.

---

When I was finished everyone was shocked that he was that pure evil!

Laney: Yeah we were shocked ourselves.

Me: And we also met Zick a while after we destroyed Voldemort and his followers.

Nico: Yep.

Me: Yeah.

Nico: But not before one of Voldemort's followers died releasing EVERY monster Zick ever caught.

Me: It was part of a contingency plan that Voldemort made I'll bet.

Nico: That could be it.

Animal Path: I think it might be.

Lincoln: It just might be the case.

Zick: Yeah and I was afraid you guys might send me to jail for it.

Me: Zick we told you before that you saved us a lot of trouble hunting that guy down and killing him. He was going to kill hundreds of innocent people had he not been stopped.

Nico: At least we got rid of the body. I bet Zick's basement smelled bad because of it.

Me: WHEW! You're not kidding there. Nothing smells more horrible than the smell of a rotting corpse. (To Lucy Loud) No offense.

Lucy Loud: None taken.

Zick: Yeah my basement smelled really horrible.

Lisa Loud: But it was amazing how you were able to destroy a Death Eater like that.

Zick: It was.

Lana: I'll say.

Nico: Lana did you have a lot of fun yesterday on that planet made of Liver and Onions?

Lana: Oh you bet I did! Most awesome planet there is.

Nico: Yeah.

Me: Lana you are one awesome girl you know that right?

Lana: I know.

Maria: And now, for business.

Maria put a Wanted Posted of Another Hibiki on a tree.

Me: We really should thank Girl Jordan for making awesome wanted posters like that.

Nico: Yep. She makes amazing wanted posters.

Camie: Boy she sure does.

Me: Yep. And she is our Chief Bounty Hunting Quarry Master. It's someone who makes wanted posters and bounties for future targets.

Camie: Oh I get it.

Animal Path: That's really cool.

Me: Yep.

Maria put a Wanted poster of Another Decade on another tree.

Maria: $100,000,000,000.00. Not bad for Another Decade.

Me: Yeah that's good money.

Nico: Yep.

Laney: Nico it's really cool that May is now part of the Ripping Friends and she is enjoying some time in Wet Cement.

Nico: That is cool.

Me: Boy I'll say. Now this makes her, Lynn and Luna the worlds most Manly Women.

We laughed at that one.

May: (Laughs) Yeah that is true. I like that.

On another tree, Maria put a Wanted Poster of Another Drive.

Maria: Another Drive. $95,000,000,000.00. Really good money.

Zick: Yeah. Pinkie is it true that Rainbow Dash was going to eat a disgusting pie she made for you because she didn't like pie?

Pinkie Pie: Yeah it was.

Me: OH YUCK! I REMEMBER SEEING THAT! That pie she had looked like a rotten pile of garbage and it smelled worse than SHIT!

Nico: BLECH! Just looking at it made me sick to my stomach!

---

Pinkie was resting and then she smelled something really HORRIBLE!

Pinkie Pie: Pee-yew! Gummy, is that you?

[thud]

A rock hit her window.

Pinkie Pie: Huh. What is that? Oh. It's you.

Rainbow Dash: Pinkie Pie, wait! I know now that I should've been honest with you from the start, because lying to your friends is wrong. And because getting rid of all those pies was a giant hassle. I mean, do you have any idea how many pies you've made for me over the years?

Pinkie Pie: Yes, I know exactly how many. I have a very detailed pie-ling system.

Me: Okay that was a good one. But that is really awesome that you make really awesome pies. And I LOVE your pies Pinkie.

I was eating a delicious rainbow crust one.

Me: Mmm! So delicious!

Pinkie Pie: Thanks J.D. But yes I do keep track.

Rainbow Dash: Of course you do. The point is I thought the hassle was worth it just to spare your feelings, but I was wrong. So to make up for it, I made this pie for you.

We saw that she made a horrible and disgusting pie that looked like a massive pie made of garbage!

Nico: OH THAT IS DISGUSTING!

Me: Eating a pie like that is gonna be worse than drinking raw sewage from a brine pool!

Rainbow Dash: Well, I guess I made it for me. To eat in front of you. Point is I'm eating this pie for friendship!

Pinkie Pie: Wait. That smelly circular monstrosity is a pie?

Me: If you can call it that!

Rainbow Dash: Yeah! I know I can't go back and eat all the pies you made for me in the past, so instead I'm going to eat this one giant one for you now.

Me: OH MAN! I Think I'm going to be sick!

Nico: Me too!

Rainbow Dash: So here I go.

She dove into it.

[splat]

It got all over her.

[splat]

Rainbow Dash: Ahhhh…

Me: Oh shit! I THINK I'M GONNA HURL!

Pinkie Pie: Wait! I can't watch you do this!

[clattering]

Pinkie Pie: I mean, is that crust or some kind of concrete?

Rainbow Dash: Yeah, honestly, I have no idea.

Me: I don't think I even want to find out!

Nico: Me neither!

Pinkie Pie: Oh, I can't believe you're willing to eat this terrible pie for me. It's ridiculous, and this whole thing is overly complicated, and… [sighs] I think I finally understand why you lied.

Rainbow Dash: Whoa! What's that?!

[zip!]

Rainbow Dash: [chewing noises] Huh. Guess it was nothing. Heh-heh.

Pinkie Pie: [squeals] I'm so glad you enjoyed my pies!

[thunk, thunk, thunk]

Rainbow Dash: [chewing noises] Oh, never mind. Heh. Great pies!

Pinkie Pie: [high-pitched squeal]

Rainbow Dash: No way! Check that out!

[thunk]

[clang]

Shoeshine: Oh! It's not even my birthday!

Rainbow Dash: Oh, sorry. Guess it was nothing. [slurp] Mmm! But that custard was everything!

Pinkie Pie: Seeing you eat my pies makes me the happiest pony in all of Equestria!

Rainbow Dash: Heh. I know it does.

Pinkie Pie: You did a lot of ridiculous and overly complex things to get rid of my pies because it made you happy to see me happy. Just like I went to a lot of effort to make you the pies because it made me happy to see you happy.

Rainbow Dash: Yes!

Pinkie Pie: And if you're willing to go through all of that, it really shows how much you're willing to do for your friends.

Rainbow Dash: Aw, shucks. It was nothing.

Pinkie Pie: Now get out of that thing and give me a hug!

[splat]

She did so.

Pinkie Pie: Just remember. In the future, you can always be honest with me.

Applejack: Uh, I could've told her that.

Rainbow Dash: [straining] Heh. Cool. H-How about this? Your hugs are too tight.

Pinkie Pie: [laughing] No, they're not.

Rainbow Dash: [sighs]

FLASHBACK ENDS

Me: Rainbow learned a big lesson that day.

Nico: Yep and now she loves pies.

On another tree, Maria put a Wanted Poster of Another Ex Aid.

Maria: $99,000,000,000.00 for Another Ex-Aid. That is good money.

Applejack: Pinkie makes really awesome pies.

Pinkie Pie: I sure do. Wait!

ZOOM!

She ran fast and then came back with a cart full of her AWESOME DESSERTS!

Pinkie Pie: Who wants sweets and desserts!?

Me: Ooh we do!

We got to having some.

Maria: Oh boy.

Nico: Guys, I don't think we're alone.

?: (Banshee Chalkboard voice) NICO CHAN!

Nico: Uh oh. Its been a long time since I heard that voice!

Rachel Stavenport: Me too!

Out came a blond hair girl in ragged clothes and she was pissed off beyond all words! It was Nico's old archnemesis, LAYLA WENDOLL!

Nico: Layla Wendoll.

Me: So she is Layla Wendoll.

Rachel Stavenport: Yep. She is the worst of the worst and she is a monster.

Nico: How's life as an expelled student, bitch?

Layla Wendoll: You ruined everything for me! Because of you I lost everything! I was disowned by my mom and dad and sent to a boarding school in El Salvador! I was essentially banished from the country because of you Nico!

Nico: You brought all that on yourself.

Eli: Yeah you dirty putrid bimbo!

Nico: If anyone has any Eyecons we haven't used yet, now's the time!

May: I got one.

She activated her Eyecon.

BOB HOPE AND LOKI!

Nico: Bob Hope was the greatest Comedian Ever.

Me: Yep he sure was.

She fired a lightning blast and smashed Layla down with it.

Nico: Take that!

Layla Wendoll: You make me sick Nico! I HATE YOU MORE THAN ALL OF LIFE ITSELF!

His aura flared up explosively!

Nico: Thanks for the power boost you ugly bimbo.

Layla Wendoll then EXPLODED INTO A MASSIVE AND BALLISTIC RAGE!

Kaito: (gives Vroon Zero One Gear) Here, Vroon. Now you get to try a Kamen Rider Gear.

Vroon: Finally!

Zocks: (takes out Zi O Gear) Let me have my first time too.

Vroon summoned the Zero One Swords and Zocks donned an awesome armor that was very similar to Sougo's GRAND ZI-O FORM! EXCEPT IT HAD ALL THE POWERS OF EVERY SINGLE KAMEN RIDER FROM OVER THE COURSE OF 50 YEARS! AWESOME!

Nico: WHOA!

Me: WHOA! Woz would get an awesome kick out of seeing this!

Zocks tapped the statues of Zero One, Build, Drive, and Ghost.

He summoned the Kamen Riders from 2019, 2017, 2015 and 2014 and they blasted and kicked Layla Wendoll and she fell into the lake and Varie lifted her up out of the lake with her tail.

Varie: Need a lift?

Then…

KRASLAP!

She slapped her hard with her tail and sent her flying and she crashed head on into a tree!

KRASMASH!

OUCH!

Nico: Nice one!

Me: Way to go Varie!

Layla Wendoll was REALLY PISSED NOW!

Zick: You're in big trouble when the Gene Slammer of the day gets here.

Layla Wendoll: YOU WILL PAY FOR DAMAGING MY PERFECTION!

Maria: It wasn't perfect to begin with!

Layla Wendoll: LIKE YOU'RE ANY BETTER UGLY!

Maria: (ENRAGED) WHAT DID YOU JUST CALL ME!? (FEROCIOUS GROWLING)

She jumped Layla Wendoll and smashed and pulverized and brutally mangled Layla all over the place!

Nico then hugged Maria and rubbed her back.

Nico: Calm down, sis. Think happy thoughts. Like you and William's future wedding and cuddling with Horsea.

Maria: (Calms down) Yeah.

But then a voice came out.

?: HEY!

Layla turned and saw an Oryctini.

Oryctini: (In a girls voice) How about you pick on someone your own size!?

Nico: That voice!

Layla Wendoll: (Gasp) Katherine Swendleton!?

She reverted back and she was a blue hair girl with blue clothes.

Katherine Swendleton: That's right you ugly bitch!

POW! BLAM! SMASH!

She lets her have it over and over again, including a flying kick that gives Layla a bloody nose. To finish her off, she backs up and delivers a crushing punch; Layla falls backward, her face reduced to pulp. She falls to the ground mangled up.

Katherine Swendleton: You make me sick! (SPITS)

She spat on Layla's face.

Layla Wendoll got up and she was BEYOND PISSED!

Layla Wendoll: YOU WILL PAY FOR THIS! I WILL KILL YOU FOR EVERYTHING YOU'VE DONE TO ME!

Lincoln: You did that to yourself, Layla, you and Nor are both nothing more than queen bee monsters who think that they're better than everyone. But, you're not: you're a monster who gets your kicks in tormenting others for your own sick enjoyment and even worse. Now you are going to be cursed! You're going to be cursed for all eternity, and I've got just the curse for a queen bee like you.

Suddenly, Lincoln was surrounded by gold energy, and we knew what it meant: he's going to use his curse on Layla Wendoll.

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see

days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Layla Wendoll. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song, then, Lincoln fired powerful blasts of gold energy from his massive deep sapphire blue angel wings, and as they hit Layla Wendoll, she screamed in horror as she was turned into a golden statue.

Katherine Swendleton: That is very fitting for her.

Zick: What's your favorite memory of Nico?

Katherine Swendleton: I have a lot of them. But my favorite is when me and Nico made a bunch of really awesome Donuts and they were so awesome that all our friends and the teachers all ate them and didn't leave any for us.

Nico: Yeah they were delicious. We made chocolate vanilla rum glaze donuts.

Me: Boy Homer would LOVE THOSE!

Nico: Yep.

Nico and Katherine hugged.

Nico: I really missed you.

Katherine: Me too Nico. Me too. How about I make you all some awesome donuts?

Nico: We all would like that.

Me: But this was an awesome way to relax at the park.

Laney: Boy it sure was. And we got rid of another stupid Queen Bee.

Rachel Stavenport: We sure did.

Qin: Good riddance.

We went back to the estate.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Loonatics, and Ink Rose are heading down to the

Acmetropolis sector, and not only is Lincoln going to rescue the nine girls there, but we're going to deal with Ophiuchus Sam, the descendant of Yosemite Sam.

Lincoln: Wow, we're here in Acmetropolis, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to deal with Ophiuchus Sam, the descendant of Yosemite Sam.

Nico: That's right, big guy, and if he's anything like Yosemite Sam, all we got to do is rile him up so bad, he'll be blinded by so much rage, he'll be taken down.

Me: You got that right.

Lincoln: And I couldn't believe The Church of Necrom would resurrect Dark Danny as a Last Resort contingency plan in case we killed them, and Nicholette was right, even dead, their evil still lives on. Luckily, I decided to take some measures and banish the Talon members that were Super Hakaied last year to The Black Gates, and now, they're a forgotten memory, and the Ghost Gauntlets Vlad created worked like a charm, and now, Dark Danny's a forgotten memory.

Nico: You said it, big guy, and you guys have had to deal with them before you met any of us, yeesh.

Lincoln: I know, they're just that evil, Nico. And thanks for joining us, Ink Rose.

Ink Rose: You're welcome, Lincoln, I can't wait to make that scoundrel, Ophiuchus Sam, pay.

Ace Bunny: Same here, and it'll be good to finally get rid of him for good. We've already got Yosemite Sam in The Masters of Evil and one's plenty enough already.

Lexi Bunny: Yeah, and I don't think Vypra will like dealing with two of them.

Tech E Coyote: And the same will go with Zavok, since he's the chief's archenemy.

Eli: That's right.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of nine girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Ophiuchus Sam, and he's going to kill them.

Lincoln: Guys, I've found the nine girls, but they've been cornered by Ophiuchus Sam, and he's going to kill them.

?: That dirty, low-down, sneaky, bad-tempered snake in the grass, let's get him!

Suddenly, we saw Sophia, Goddess of Rebirth appear before us.

Nico: Wow, that's Sophia, Goddess of Rebirth, amazing.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Sophia Zandaka, but we'll have to talk later, let's get that bad-tempered palooka!

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Ophiuchus Sam, and it allowed the nine girls to get to safety. When Ophiuchus Sam saw us, he was already blowing steam out of his ears, like his ancestor.

Lincoln: Yep, you're just like Yosemite Sam, alright.

Ophiuchus Sam got out his blaster and fired, but Lincoln dodged them like they were nothing, and it really riled Ophiuchus Sam.

Ophiuchus Sam: OOOOOOH!

Lincoln: And now, this is the end for you.

Luna and Rayman: LET'S ROCK, DUDES!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Ink Rose, The Loonatics, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive greatsword and he transformed, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Ophiuchus Sam, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

Then, Lincoln activated the Eyecon for Vlad the Impaler and Selene, Sam Simpson's archenemy.

Nico: Whoa, Vlad the Impaler, the 15th century Romanian prince and inspiration for Count Dracula.

Lincoln fired a blast of darkness and as it hits Ophiuchus Sam, Lincoln sucked out Ophiuchus Sam's blood and he gained the criminal outlaw's memories, and the criminal outlaw was reduced to a now bloodless husk and was banished to The Black Gates. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's another enemy of Acmetropolis dealt with for good. (To Sophia Zandaka) And it's so good to see you again, Sophia Zandaka.

Sophia Zandaka reverted back to normal, and she's a beautiful 17-year-old girl with long flowing green hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the kanji Rebirth tattooed on her forehead, she has massive green angel wings, and she reigned in the power of Sophia, Goddess of Rebirth, and she's dressed in a sleeveless purple vest, sleeveless purple blouse, purple skirt, purple pants, purple ankle-high heels with bows, and long dark purple sleeveless trenchcoat with lights on the coattails, and Sophia, Goddess of Rebirth on the back, and holstered on her back is a large Sophia, Goddess of Rebirth-themed greatsword with Sophia, Goddess of Rebirth etched on the 7'0" massive, wide, double-edged purple blade, large purple angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and large dark purple gem surrounded by angel wings for the pommel.

Sophia Zandaka: You too, Lincoln, it's been a long time.

Lincoln went up to Sophia Zandaka and they hugged, and Sophia Zandaka was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were thirteen, and as you can see, I really grew a lot since then.

Sophia Zandaka: Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sophia Zandaka, she's another one of my Guardian Angels from Michigan, and she's known as a lovely fashionista, and one time, we both tried on different clothes as well as swimsuits.

Nico: Awesome, and Rarity is already loving the outfit that Sophia's wearing.

Rarity: Indeed, darling, and she has quite an amazing talent for fashion like me, Leni, Maria, Teresa, and the other fashionistas.

Lincoln: I knew you'd like her, Rarity, and you'll like her even more: she also hates Icky Vicky with a passion.

Me: And she's not the only one who hates that evil-tempered so-called babysitter, we all do.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Sophia Zandaka's neck with light purple gems on the gold thunderbolt links and light purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Sophia Zandaka: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sophia.

Sophia Zandaka had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sophia Zandaka's waist and Sophia Zandaka wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Sophia Zandaka's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Yukari Kohinata, Nanako Usami, Satsuki Kashiwaba, Sumire Mihara, Yui Mikoze, Misato Mizumoto, Mirai Nazukari, Saori Nishifukai, and Shouko Noda from Locodol.

Lincoln: Oh wow, it's Yukari Kohinata, Nanako Usami, Satsuki Kashiwaba, Sumire Mihara, Yui Mikoze, Misato Mizumoto, Mirai Nazukari, Saori Nishifukai, and Shouko Noda from Locodol.

Me: Awesome.

Lincoln: Are you girls okay?

Yukari Kohinata: Yeah, we're okay, thanks to you.

Then, when Yukari Kohinata and the other eight girls saw who it was that saved them from Ophiuchus Sam, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Yukari Kohinata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yukari Kohinata: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Yukari Kohinata, Nanako Usami, Satsuki Kashiwaba, Sumire Mihara, Yui Mikoze, Misato Mizumoto, Mirai Nazukari, Saori Nishifukai, and Shouko Noda with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Ophiuchus Sam.

But, when Lincoln showed what he did to the foul-tempered outlaw descendant of Yosemite Sam, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sophia Zandaka have a lot of catching up to do now that she's back in town.

---

After putting down Ophiuchus Sam for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sophia Zandaka saw Lincoln working out like crazy, she had an atomic red blush on her face.

Sophia Zandaka: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sophia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Zandaka: That's incredible.

Nico: It sure is. So, Sophia, what memories did you have with Lincoln?

Sophia Zandaka: Ooh, I remembered this one time, we were trying on different clothes that I bought at the clothing store, and we were dressed in clothes in various themes: Cowboy and Cowgirl for the Western look, Orange Swim Trunks and Purple Two-Piece Bikini for Ready For Summer, Winter Clothes for The Holidays, Sailor Clothes for A Journey Out Into The Seas, and so many more. But, our day of fun was interrupted by Lori, who ordered him to model a dress for Leni's friends. But, I knew Lori set this up so she could take a picture and send it out to everyone in school and Lincoln would eventually be embarrassed, and I got so mad at Lori, I marched up and bonked her hard on the head, and I told her that her so-called order was just an excuse to humiliate her only brother, and I swore to her, that if she ever did this to her brother ever again, I would bury her under a pile of smelly clothes and I also told her that her clothes were tacky, and it made Lori so mad, she was going to kill me. But, I stood my ground and threw one mean punch to her face and sent her flying back to her room. And by the time I was done telling Mr. and Mrs. Loud, Lori got grounded for eight weeks and she was forced to wash everyone's dirty clothes by hand.

We cheered wildly for what Sophia Zandaka did.

Nico: Whoa, you sure live up to your reputation, Sophia, and you and Lincoln really tried on some awesome outfits.

Sophia Zandaka: We sure did, Nico.

Luna: And I saw what she did in punching Lori hard and sending her flying back to her room, it was so awesome. That'd teach her a lesson.

We got a shower afterwards, and then, Clyde and his harem were getting ready to explore Aquatic Ruin in Sonic's world, and they were dressed in their swim clothes.

Clyde: Alright, everyone, are we ready?

Chloe: Ready.

Clyde and his harem left the World Tree Estate, and they arrived at Aquatic Ruin in Sonic's World, and it was everything Lincoln said it was.

Syd Chang: Wow, so this is Aquatic Ruin.

Clyde: Yep, Lincoln told me that he and his harem have been here before on one of their dates, and it's really amazing.

Clyde and his harem dived right into the waters and they explored the ruins and they were really awesome. Then, they went to the picnic area and they had some lunch Clyde made, including the Cannoli that Lincoln and Neela made and they were so delicious. Then, as the sun was about to set, Clyde made clones of himself, and he and the clones went up to the girls in his harem, and wrapped the girls' waists in their abnormally massive and powerful muscular arms, and as the sun then turns orange, they passionately kissed and hugged with supercharged and intense passion. Then, Clyde and the girls came back home to the Estate and were back in their original clothes.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Aquatic Ruin in Sonic's world, and it's just like how Lincoln described it.

Lincoln: Awesome.

Rayman: Oh, Nico, is it okay if I permanently join the ambassador group, that way I can keep an eye on the Rabbids?

Nico: Of course, Rayman.

Nicole: And I know why, Rayman has had his own dealings with the Rabbids and he's seen what they are capable of if they're not supervised.

---

Later it was time for Whenua's final ambassador mission.

Nico: This is gonna be awesome.

Me: I have a feeling we're going to finish this one with a bang.

Nico: Me too.

William: Anyone else want to go with Whenua? Besides 2 Rabbids and Yost Wolverine.

Whenua: I would like my fellow Toa Metru to come with.

Vakama: Good call there.

Nokama: We're going to have a lot of fun on this one.

Matau: We sure are.

Nico: Cool and Rayman we're going to need you to come with us on the Ambassador missions too because it's best for you to keep an eye on the Rabbids.

Rayman: Awesome! It'll be great to watch them.

Nico: Yep. Lets head out.

We were off.

We arrived.

Gentaro: Hey guys!

Whenua: Gentaro, meet my fellow Toa Metru.

Vakama: Awesome to meet you guys. I'm Vakama, Toa Metru of Fire.

Nokama: I'm Nokama, Toa Metru of Water.

Matau: My name is Matau, Toa Metru of Wind.

Onewa: I'm Onewa, Toa Metru of Stone.

Nuju: And I'm Nuju, Toa Metru of Ice.

Me: Vakama, Nokama and Nuju already did their Ambassador Missions earlier.

Nico: Yep.

Rayman: Awesome to meet you guys. My name is Rayman and I'm here to watch over the Rabbids.

Gentaro: Awesome to meet you!

Me: Rayman is the defender of the Glade of Dreams.

Nico: Yep.

Yost Wolverine: And it's awesome to meet you too. My real name is James Howlett but everyone calls me Logan or Wolverine.

Gentaro: Wow one of the X-Men! It's an honor.

Whenua: He's a version of one of the X Men, actually.

Nico: He's from the Yost Universe.

Me: It's a dimension that is home to Marvel Heroes and Villains of a different world.

Gentaro: Wow! That is cool! How many worlds are there that are home to different versions of the Marvel heroes and villains?

Me: We've seen a lot of them. But the Yost Dimension is one we know the best. But we also went to the Ultimate Alliance Universe and that was a scary and sad one.

Gentaro: What happened?

Nico: That was a terrible one.

Me: Yeah.

Ryusei: Don't worry. No one here hates mutants.

Me: Well you have us to thank for that.

Nico: Yeah we finally got people to stop hating Mutants.

Eli: What they were doing was just absolutely horrible.

Me: So we finally got humans to stop hating Mutants. Just because Mutants are different because they have powers and awesome special abilities doesn't mean that they are human just like everyone else.

Ryusei: That's true. Well said.

Gentaro: Yeah I agree there.

Nico: That's true. But not all heroes and villains were all born with their powers.

Me: Yeah many people in the comic books are either born with their powers or given powers from many different means. I got my powers from Cosmic Radiation.

Nico: Yep. I was born on another planet that was home to a race that was really strong and powerful.

Gentaro: That makes a lot of sense.

Me: Yeah.

Gentaro: I'm thinking that after the big day, Amanogawa High School can be added to the list of schools under the protection of you guys.

Nico: That's not a bad idea.

Eli: I agree too.

Rayman: Same here too.

Ryusei: That way, incidents like what happened in Carrie's school won't happen again.

Nico: Very good call there. And very wise decision of Gentaro's part for that one.

Me: I agree there. What happened to Carrie and her entire school was just horrible.

Twilight Sparkle: Yeah it was.

Sunset Shimmer: Yeah what Chris did was awful.

Me: Because of her over 260 people died. And I did a press conference after that.

Gentaro: Really?

Me: Yep.

I showed a video of it from Chapter 156

---

Me: Good morning everyone. I'm sorry to interupt all your activities but a major tragedy has befallen the small town of Chamberlain in Maine. Due to bullying that got completely out of control, young Carrie White here went on a ballistic rampage and completely destroyed the town. Christina Harginson and her boyfriend Billy Nolan were responsible for this whole tragedy that left 260 men, women and children dead. Carrie White's own mother Margaret White is also responsible for this horrific event. Margaret is insane. She has Post Traumatic Stress Syndrome and Schizophrenia. She also has delusions that cause Religious Ideation and it made her into an insane Christian Fanatic. All three people were arrested. Margeret White will no doubt be found completely incompetent to stand trial and will be considered an extreme danger to everyone around her and to herself. Carrie White has been through a nasty and terrible ordeal at the hands at these three people. No, these monsters and they deserve to be punished at the maximum extent of the law. The President of The United States of America has ruled last nights horrific tragedy as an act of genocide.

---

When it was done everyone was shocked.

Nico: I remember seeing that. That was terrible!

Eli: Yeah no kidding.

Gentaro: Whoa man. That was awful.

Ryusei: Yeah no kidding there. Margaret White was insane and Chris Hargensen was pure evil incarnate.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Whenua: (hears explosion) This time, I'm going Hordika!

Me: Lets go kick some Zodiart butt!

Vakama: Yeah this will be good!

Nokama: It's buttkicking time!

Matau: We all can go Hordika for this one.

We were off to face more Zodiarts.

We then saw that it was ANOTHER DRIVE KAMEN RIDER!

Gentaro: Shinnosuke? Is that you?

Yost Wolverine: Gentaro, I don't even need to smell him to know that's not Shinnosuke!

Me: But it does help in finding the Another Drive Kamen Rider!

Nico: Okay you Drive Imposter! Who are you!?

But then the Another Drive Rider revealed itself and it was an old enemy from Nico's past! It was a bully named Ronald Lowenstein!

Nico: Ronald Lowenstein!

Ronald Lowenstein: You remember me. I'm flattered you do Nico.

Nico: I didn't expect you to be Another Drive!

Me: You know him?

Nico: Unfortunately. His name is Ronald Lowenstein. An old enemy of mine. He was the meanest bully in my school. He tormented all my friends and made us look like a bunch of fucked up idiots!

Eli: What a jerk!

Ronald Lowenstein: You know those were just times back in school Nico.

Nico: Don't think that I will ever bury the hatchet for what he did to me! He cut off my tail!

We gasped!

Me: But it grew back right?

Nico: Thankfully it did.

Me: You are just as bad as Boogey!

Ronald: And don't expect your Kamen Rider buddies over here to help you. They're gonna be busy dealing with my friends.

Then out came DRAGON, LYNX, LEPUS, ANDROMEDA, SCORPION, LIBRA, CHAMELEON, UNICORN and a new one called LUPUS! Lupus looked like a blue wolf Zodiart! And he was for the constellation of Lupus the Wolf!

Nico: DRAGON, LYNX, LEPUS, ANDROMEDA, SCORPION, LIBRA, CHAMELEON, and UNICORN ZODIARTS! And I never saw this one before.

Me: From the wolf look I would say he's for the constellation of Lupus the Wolf.

Nico: Wow.

Me: Who is the Lupus Zodiart.

He then detransformed and revealed himself! It was Race Bannon's old enemy LUCIUS KREED!

Me: Lucius Kreed!

Lucius Kreed: You remember me J.D. I'm flattered.

Me: Been a long time Kreed. I thought you were dead when I destroyed that nerve gas you made.

Nico: You know him J.D.?

Me: Long story but he is someone that I stopped ages ago. It was before I put the team together.

I told them what happened. It was 12 years ago.

---

In Greenland, Race, me as a junior Intelligence One Operative and Race's partner/mentor Greg Temple snuck into a castle stop Kreed, who was a major arms dealer. Race, me and his partner interrupted a business deal in which Kreed was selling an experimental nerve gas to Dr. Zin. In the ensuing conflict, a fire started and the nerve gas was released. Temple and Kreed were caught in the fire, and Race was ordered to leave. I grabbed Temple and Kreed and we got out of there after a massive explosion blew the base apart.

---

Nico: Whoa that is amazing!

Me: Yep.

Kreed: And I owe you big time for saving my life J.D.

Me: It was a long time ago Kreed. But I never saw Temple again. I don't know what happened but just suddenly disappeared.

Kreed: Well you'll find him.

Me: After we defeat you would you like a position in the Masters of Evil?

Kreed: I would be honored.

Nico: Wow.

Me: Then lets get it on!

Ronald's body enters the same "chamber" as Shinnosuke, with inverted movement on the roofs before becoming Another Drive.

Gentaro, Ryusei, Twilight and Friends: Henshin!

They transformed!

Nico: YEAH!

Me: Time to fight wolf with wolf. KIBAL LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON 🌙!

Whenua: I told you I would go Hordika. I wasn't kidding!

Vakama: Lets do it!

The Toa Metru went TOA HORDIKA!

Nico: YEAH!

Sunset Shimmer: Lets get it on!

Gentaro: Time for me to go Cosmicstates!

Cosmic On! (Bombastic space music)

He was ready!

Nico: AWESOME!

Me: YEAH! Lets get it on!

We went at them!

Kreed: You sure have grown the last time we saw each other J.D.

Me: I know. 12 years have passed since then. I was only 8 years old when I brought you down the first time.

Kreed: You sure have grown since then.

Me: I may look like I'm 19 but I'll always be like this. I'm over 150,000 years old now.

Kreed: Wow! You have amazing youth.

Me: Immortality and Invincibility has its perks. And I learned tons of new moves.

Kreed: I've been hearing so many things about that. Lets put it to the test shall we?

He turned into the LUPUS ZODIART!

Me: I got to say Kreed, the Lupus Zodiart is perfect for you.

Lupus Zodiart: Thank you very much.

Nico ran at Another Drive… only to be knocked to the ground by something. Nico looked up to see the Another Tridoron.

Nico: Another Tridoron! WHOA! You look awesome this way Ronald.

Another Tridoron: Thank you Nico. Now to flatten you!

Nico: We'll see about that. (GOES SUPER SAIYAN 3!)

Another Tridoron: What the!?

Nico: I've changed a lot over the years too.

Nico teleported and punched Another Drive in the face and kicked him in the stomach and kneed him in the face!

I slashed at Lupus Zodiart all over and fired waves of blue fire and smashed him all over.

Gentaro charged at Dragon Zodiart.

Dragon Zodiart breathed dragon fire at him and he jumped and Gentaro slashed at Dragon Zodiart all over!

Vakama: You play with fire and you will get burned!

Vakama activated his Eyecon!

DENNIS SMITH AND PYRO!

He fired a blast of fire and burned the Dragon Zodiart all over the place.

Gentaro: OH YEAH!

Ryusei: Dennis Smith and Pyro are a nice combination.

Nico: Dennis Smith was a very famous Firefighter for the New York City Fire Department.

Ryusei: Cool.

Nico: Yep. He died earlier this year.

Ryusei: Oh man.

Another Drive then controlled Another Tridoron to drive at Whenua only for him to dodge it.

Whenua: Sorry! This is a no parking zone!

Whenua activated his Eyecon!

LEWIS & CLARK AND GOLIATH!

He fired a massive wave of rocks and boulders and smashed Another Drive all over.

Nico: Lewis and Clark! Awesome! They were the great explorers of the Louisiana Purchase.

Yost Wolverine jumped over Another Tridoron as it tried charging at him next.

Yost Wolverine: We're never gonna win this battle with that monster car in the way!

Matau: Leave that it me.

Matau activated his Eyecon.

MARIE CURIE AND CHEMISTRO!

He fired a massive blast of atomic energy and it slammed into the Another Tridoron and destroyed it in a massive and powerful explosion!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: AWESOME! Marie Curie was the great radiation scientist. She helped invent the atomic bomb and bring us into the age of weapons of mass destruction.

Another Drive: Aww! You wrecked my ride!

Nico: And now, we're gonna wreck your Another Rider form!

Nokama: But first this!

She activated her Eyecon!

CAPTAIN AHAB AND DIRTY BUBBLE!

She fired a wave of water and it formed into the Devil of the Deep, MOBY DICK!

It smashed Another Drive down with devastating force!

Nico: COOL! Captain Ahab was the vengeful Whaler in Moby Dick.

Ryusei: One of my favorites.

Nico: Yeah!

Ryusei: Anyone want to do a combo attack with me to take some of the Zodiarts out?

Eli: I'll do it.

Ryusei: Awesome!

Eli: Like J.D. I too have all the switches of 310 members of the M.O.E.

Eli flicked the switches of Stinky Butt, Pyro and Venus!

Ryusei flicked the switch of Saturn!

Eli and Ryusei: FIRE IN YOUR HOLE VENUS RING BLAST!

Eli farted a blast of fire from his butt and Ryusei fired a Saturn ring made of acid and fire and the blasts all hit the other Zodiarts minus Lupus Zodiart and Another Drive! Nico got their switches and beamed them to the Masters of Evil HQ.

Gentaro: Now, to finish this with a combo of my own!

Whenua: Lets do it!

Gentaro and Whenua: EARTH SPACE FOURZE BLAST!

They fired waves of energy and smashed Another Drive and he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down! Then Nico got the Another Drive Watch!

Then a bunch of belts appeared on us and they were small Shift

Cars and they each were imbued with the powers of the 310 Core members of the M.O.E.

Nico: Cool! The Shift Cars of the Masters of Evil!

Eli: Awesome! Just like J.D. said!

Nico: Yep.

I smashed Lupus Zodiart down.

Me: That was awesome.

I helped up Kreed.

Nico: That was fun.

Me: Yep.

Kreed: That was amazing though.

Me: It sure was.

Nico: Yep.

Gentaro: Whenua, ever since I met you, I've seen you as a big brother.

Whenua: Oh Gentaro I'm truly honored that you think that.

Nico: Yeah we are.

We went over to Ronald Lowenstein.

Me: Where do you think you're going?

I picked him up my the point of my scythe.

Me: You aren't going anywhere except prison.

Later we came back.

May: How did it go guys?

Nico: Really awesome!

We told everyone everything that happened. And it was both shocking and amazing!

Race Bannon: Wow! Kreed was a Zodiart?

Me: Yep he sure was. He was one for the constellation of Lupus the Wolf.

Nico: Yeah that was awesome.

Me: Yep.

May: Flora, don't think this sounds ridculous. But on your first mission, 4 Rabbids and Thomas the Tank Engine should go with you.

Flora: Oh I'm looking forward to this one.

Me: Yeah me too! It'll be awesome to see Aruto again.

Nico: Sweet.

---

We later had Jack Fenton and Maddie over.

Me: Hello Mr. & Mrs. Fenton and thanks for coming over.

Jack Fenton: No problem J.D.

Maddie: And we're so happy to see Danny and Jazz again.

Jazz Fenton: We're so happy you are here mom and dad.

Nico: Now there is a reason why we called you.

They saw VLAD MASTERS/PLASMIUS!

Maddie: VLAD MASTERS!?

Jack Fenton: Guys, I know there's a good reason why Vlad fucking

Plasmius is here. Please make it a good one.

Bakumon: It IS a good one.

Me: Well it happened yesterday.

I told them everything that happened on Elyon's second Ambassador Mission and how we took down Dark Danny for good and how Vlad helped us both on that one and it was amazing. Vlad really wanted to atone for everything he did and more.

Me: And that's what happened.

Vlad Masters: Yes. Jack, words cannot tell you how sorry I am for everything I've done. I was so upset over what happened when we were in college all those years ago. He revealed everything about why he did what he did and more and how it poisoned his mind with evil and all that. Jack felt sorry for his best friend.

Vlad: (sighs) Jack, I know I'm the last person that you want to hear from right now. And I…

Jack makes a fart noise. Despite what he just heard, he still can't help but feel bitter.

Vlad: I can't apologize enough for…

Jack makes a fart noise again.

Vlad: (gets annoyed) I know that you're mad, but from the bottom of my heart…

Jack makes fart noises again.

Vlad: I really am sorry, I'm just trying to…

Jack kept making fart noises.

Jack: (sarcastically) I'm sorry. What were you gonna say?

Vlad: I was saying…

Jack kept making fart noises but Vlad had enough.

Vlad: I'M JUST TRYING TO APOLOGIZE!

Jack: AND I JUST WANT THOUGHT YOU WERE MY FUCKING FRIEND! You tried to kill Danny so many times, even tried to get him to join you on some occasions, and joined the fucking Sullen Six. And you think "I'm sorry" is gonna cut it?!

2012 Donnie: Nobody else make a fart sound right now. This is very serious.

Me: Yeah who keeps making that fart noise!?

We saw Deadpool making that noise.

Deadpool: What?

Me: Wade cut that out. This is a very delicate matter.

Nico: Yeah.

Jamesdean5842: Let them have their talk Wade.

Deadpool: Oh Fine.

Jack Fenton: No. Most of those fart noises came from me.

Me: Do you have a bad case of gas?

Jack Fenton: No it's just something I learned a long time ago. But Vlad, I want to believe you've changed but how do I know you're sincere this time? You've lied to me before.

Fellbat: Well, we do have Eli.

Eli: Vlad is telling the truth Mr. Fenton. The Force is telling me that his words are sincere and true.

Nico: Yeah. Also what's ironic is that J.D. did the same apology and Crocker and Burns made those fart noises to get on my nerves.

Me: Yeah that is so coincidental. Jeez what the fuck is that? A new thing that villains are doing to piss us off?

Nico: Looks like it.

Chromia: Look, all of Danny's enemies have been defeated at least once. And nearly all of them are in the Masters of Evil. What do you guys say you let bygones be bygones?

Nico: Yeah it's time to bury the hatchet and let the past go. You got to put the past behind you.

Me: Right. Also Jack, you and Vlad were best friends back in your college days. You had an awesome time back then.

Nico: That's true.

Lynn: And you are a huge fan of the Green Bay Packers. And I saved this for Vlad.

She had his football given to him by the great Ray Nitschke.

Vlad: Ah my prized football. Thank you Lynn. This is my prized possession.

Nico: Yes it is. Also Jack, Vlad, give your friendship a chance one more time.

Jack then got to thinking on that.

Jack Fenton: Oh you're right. Vlady I'm sorry.

Vlad: Me too Jack. And I'm sorry too for everything.

Jack Fenton: Bring it in Vlady my man!

They hugged!

Maddie: Anything else happen lately?

Nico: I got hit by a car.

Konan: It's true.

Me: It was Another Tridoron.

Nico: Yep.

May: Thank goodness Nico has Majin Buu's healing powers.

Nico: Yep.

Danny Phantom: I've still been battling ghosts from time to time.

Nico: He sure has.

Then Dr. Polaris, Anti Wanda, Rex Goodwin, Raven Branwen, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, and Toad appeared.

Dr. Polaris: Can me, anti Wanda, Rex Goodwin, Raven Branwen, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, and Toad go with you guys?

Nico: Yes you all can.

Rex Goodwin: We're glad to see that Vlad and Jack patched things up.

Nico: Yes we sure are.

Me: Yeah we all are.

Dusk: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to do a gene-slammer for Trail Blazer's kind next.

Trail Blazer (Skylanders): Wow! A gene-slammer for me next. That is really cool.

Nico: It sure will be awesome.

Me: Wow that is gonna be sweet. So it'll be one of the fire users next.

Nico: Yep.

Lola: Awesome.

Vakama: I can go with next.

Me: Yeah.

Bonz: Being a zombie user, I'm actually loving these Goosebumps missions.

Nico: Awesome! But we're not going after zombies this time next. Jack and Maddie, this one is more right up your ally.

Nico went over to his collection of books and pulled out one fit for the mission. It was THE CURSE OF CAMP COLD LAKE!

Nico: The Curse of Camp Cold Lake!

Me: That's a good one! So we're going after Della next.

Camie: Whoa she sounds wicked.

Me: She is a ghost.

Shaggy: ZOINKS! Like this is one mission that will kill us!

Nico: Well she is not really a bad ghost.

Nico told us all about her.

---

When Sarah Maas arrives at Camp Cold Lake, she is treated poorly by the other female campers. In order to get sympathy from the others, she swims underwater and pretends to drown. When nobody tries to save her, Sarah resurfaces. She finds herself in a ghost world. Sarah hears someone singing Camp Cold Lake's official song. Sarah follows the voice and finds Della. Della greets Sarah by name and asks Sarah to be her "buddy"; according to the camp's rules, every camper at Camp Cold Lake is required to have a buddy. Sarah is only able to exit the ghost world when she is resuscitated by a counselor. Eventually, Sarah's bunk-mates apologize for being mean to her. However, Della continues to appear around Camp Cold Lake, but she is seemingly only visible to Sarah.

Sarah is convinced that Della is the ghost of a drowned camper. This theory explains why the camp has implemented such strict rules. Della begins appearing repeatedly. She demands that Sarah be her buddy. Sarah assumes that Della will try to drown her to make her a ghost as well.

After Della attempt to hit Sarah with a motorboat, Sarah runs away into the woods.

While she is trying to find her way through the woods, Sarah is met by Della. Della begins explaining how she actually died to Sarah.

Della reveals that she had tried to scare Sarah away from the lake so she would go into the woods and die the same way she did. A snake begins coiling around Sarah's leg. Briana, another camper, appears and removes the creature. Briana explains that Della had tried to kill her during the previous summer, and now she is back to protect other campers from Della. Sarah and Briana agree to be buddies. Della wails and falls to the ground before disappearing completely. Briana says that she is unsure if Della is gone forever.

One night, Della snuck into the woods by herself because she was tired of listening to the water safety lecture. Della did not know that many deadly poisonous snakes lived in the woods. She died by a snakebite.

---

When he was finished we were shocked!

Me: Whoa man! Poor girl.

Nico: Yep. So we're going to send her right to the Ghost Zone.

Laney: Wow this is gonna be interesting.

Lola: Yeah.

Me: Camp Cold Lake is right over in Idaho near the Canadian Border.

Nico: Yep.

Disk Wars Mandarin: What are we waiting for then?

Nico: Yep. Lets get going guys.

Shaggy: Uh uh! No way! We're not going! Forget it!

Scooby Doo: Not on your life!

Nico: Oh come on guys!

Shaggy: Uh uh! No way!

Erica Haddock grabbed them and picked them up.

Erica Haddock: You two are coming whether you like it or not you cowardly chickens.

Shaggy and Scooby clucked like a couple of chickens!

We rolled our eyes.

Sirius: Boy those two are chickens.

Me: Yep.

They clucked and then farted and then they saw that they laid eggs!? WHOOPS!

Nergal: If you go, I'll give you some pizza Scooby Snax. And an actual pizza too.

Shaggy: Like oh boy! Like it's a deal!

Scooby Doo: Reah!

They were given Pizza Scooby Snax and a whole pizza and then they loved it.

Shaggy and Scooby: MMMM! MMMM! MMMMMM!

They turned into rockets and launched into the air and formed into an awesome fireworks display and then they landed back in Erica's arms.

Shaggy: Like that was great! We're ready!

Nico: Great! Lets go. Nice thinking there Nergal.

Nergal: No problem.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was Lilith from Darksiders, and she's coming to get revenge on us for what happened to Abaddon. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and none of us are going to like this guy one bit: the dark energy I sensed belongs to Lilith from Darksiders, and she's coming here to get revenge on us for what happened to Abaddon yesterday.

Nicole: I should've known she'd show up, and it proved you right about Abaddon yesterday, Lincoln: Lilith was the one who resurrected Abaddon, and after Benjamin Stilton destroyed Abaddon and gave the fallen angel The Black Gates, this has angered Lilith and now she's coming here for revenge. Let me tell you guys exactly who we're dealing with.

Nicole proceeded to tell us about Lilith, and we weren't going to like her one bit.

---

Lilith (Darksiders)

Lilith is a Succubus Lady that appears in Darksiders and Darksiders II & III, as well as the Darksiders comic.

She was voiced by Jessica Strauss.

History

In the first Darksiders, she is only heard as a voice giving Abaddon the choice to serve in Heaven or to reign in Hell. Abaddon chooses the latter and becomes the Destroyer.

Lilith also appears in Darksiders: The Abomination Vault, being offered a chance to participate in the plan of the hooded stranger. He claims that she has no reason to love Heaven or Hell, and that she should want the chance to reclaim what was taken from her. Lilith coldly declines, stating that whatever was taken is not enough to make her fight all of creation.

Lilith appeared in Samael's domain shortly before the Endwar, offering the Blood Prince whatever he desired for an unknown price. However, he rebuffed her without seeming to even consider it, saying that he desired only her silence. The Four Horsemen delivered a warning to Samael then, to respect the treaties binding Heaven and Hell. When the Horsemen implied that Lilith's presence was due to Samael's proximity to the Dark One's seat, Lilith grew angry and directed them to Abaddon if they wished to warn anyone, as he was an open proponent of war.

## Darksiders II

While Death sought to resurrect Humanity, Lilith had hoped to manipulate him into bringing back the Nephilim, the Angel/Demon hybrids that she created and that the Four Horsemen also were. She took to haunting Shadow's Edge, where she knew the Horseman would come for the Demon held key to the Well of Souls. After entering a chamber in Samael's domain and killing a Demon that attacked him, Death called out for Lilith as he knew she would be watching. Lilith emerged from pool of magma and told Death he couldn't blame her for hiding as when Death rides, no one is safe, not even her, his mother. Death refused to acknowledge her as his mother which led her to recount her creation of the first Nephilim, Absalom whom from him the rest were formed. Lilith recalled how the Horsemen killed their brethren but only Death showed remorse for the action, which she later refers to as a sin, and reasoned that he didn't throw the amulet in the Abyss as the Council had ordered so that he might restore them someday. Death angrily exclaimed that the corruption was born in Absalom and was now spreading, and she, his "Mother" should help him stop it. He demanded that she hand over the Demons' key to the Well of Souls. Lilith told him that Samael kept it, but also that he was gone, and the key had vanished. However, Lilith assured her "child" that time, like sin, could be undone and gave him the Phasewalker, which would allow him to go to the past and find the key. All she asked in return was that when Death reached the Well of Souls, he would answer his heart and resurrect the Nephilim. Death walked away without a word while Lilith smiled grimly. After Death killed Absalom and restored Humanity, Lilith was seen walking through a dark corridor, where a mysterious figure awaited her. She addressed the being as my Prince, presumably Lucifer, and he asked her about the Nephilim. Lilith didn't know what to say, only for the figure to remind her that the Endwar was upon them, and that instead of giving him the army she had promised, Death had returned mankind to the balance. Lilith resigned herself to her fate and, with a smile, told him that she awaited her punishment. However, the figure told her that this time she would derive no pleasure from it. Lilith was then heard screaming.

---

When Nicole was finished, we were indeed horrified and enraged at her dark actions.

Nico: She's indeed an evil and manipulative demon, and what she did in manipulating Abaddon's plot for her own ends, specifically that of Hell, she caused this whole thing.

Me: And don't forget about Abaddon, he may have planned the whole thing, but somehow, Lilith had caught wind of it, and it led to her manipulating the plot for her own ends.

Benjamin Stilton: Leading to Abaddon's fall into darkness and him transforming into The Destroyer. I can't believe she'd do something like this, what a monster.

Thea Stilton: Which means it's up to me to deal with her and make sure she pays for everything she's done.

Lincoln: Right, Thea.

Nico: This is going to be one epic battle we'll never forget. Now, let's go, gang, we've got a camp ghost to banish to the Ghost Zone for good.

We were off to Idaho.

---

We arrived at Camp Cold Lake.

Nico: Wow here we are.

Me: Awesome. Looks like a nice camp.

Nico: Yeah.

Lois Griffin: This reminds me of when I sent Peter and Chris to Fat Camp.

Nico: It sure does. But Chris is not here.

Me: Besides that Testicle Chinned dummy wouldn't last a minute here.

Lola: Yeah.

We walked around and then we saw Sarah Maas.

Me: There's Sarah Maas.

We went up to her.

Roxy Rocket: Hi. You must be Sarah.

Sarah Maas: Wow Team Loud Phoenix Storm! It's such an honor to meet you guys.

Me: Same here Sarah. How are you liking camping up here in Camp Cold Lake?

Sarah Maas: Not good at all. I'm telling everyone that there is a ghost here that's haunting the place. But no one believes me.

Me: We believe you Sarah.

Nico: Yeah.

Sarah Maas: Really?

Me: Yeah we have seen many things involving the Paranormal, Supernatural, Mystic, Extraterrestrial and all that. We have seen it all.

Nico: Yeah we are no strangers to all that stuff.

Chemistro: We even got Kamen Rider Legend Items that are Supernatural. (to Matau) Nice job using my Eyecon, by the way.

Matau: Thanks. It was awesome.

Nico: Yeah.

Sarah Maas: Wow that is amazing.

Laney: It sure is.

Me: But we have actually dealt with ghosts many times before.

Lucy Loud: We know all about Della.

Nico: It's true. And we're going to send her to the Ghost Zone.

Disk Wars Deadpool: (to Sarah) Can you believe some Fanfiction writers think you're a bitch? Because I don't!

Nico: Wade!

Disk Wars Deadpool: Well they do!

Sarah Maas: And he is right. I was a really awful brat back then. But I made a lot of great friends here.

Me: That's good you did and now you have us for friends too.

Sarah Maas: Awesome.

Toad: This place actually reminds me of Lake Erie.

Nico: It sure does. But we're not in Canada.

Lola: Yeah.

Me: But this place gives me the creeps.

Dead End: I don't blame you for not wanting to be here initially. Camps always have some kind of psycho killer trying to kill the campers. And others just want to be indoors.

Nico: That's not helping Dead End.

Me: Besides Jason Voorhees will never come back.

Nico: Yeah. Also we're sorry you don't like it here. But Camp is fun.

Duff Killigan: (Scottish Accent) Don't you have a brother, lass?

Sarah Maas: Yes I do and his name is Aaron.

Me: Awesome.

Lola: Yeah.

Me: By the way what time will be good to take down a ghost like Della?

Sarah Maas: I don't know.

Shego: How does nighttime sound?

Me: That's usually when ghosts like to come out.

Nico: Yeah.

Sarah Maas: Night works.

We looked and saw the sun setting.

Me: The sun is almost down.

Rex Goodwin: By the way, did you guys give Gentaro the reward money for Another Drive?

Nico: Sure did. He's earned it.

Me: Yep. The Bounty came in handy for him. He moved his friends and family into an awesome multi-million dollar mansion.

Nico: Yep.

May: That is so awesome.

Twilight Sparkle: Yeah that is amazing.

Roscoe: But we'll still see them at Amanogawa High School.

Desoto: The place is like a second home to him.

Me: Yes it sure is.

May: And I think it's awesome too.

Laney: I agree too.

Sarah Maas: That is so cool that you guys are going to Japan to meet the Kamen Riders.

Me: Yeah it sure is.

Tso Lan: Now, all that's left is Another Hibiki, Another Decade, Another Zi O, Another Ex Aid, and Another Zero One.

Me: That's right.

Nico: Soon we will face them all.

Lola: Yeah we will and their bounties will be the Kamen Riders.

Nico: Yep.

Anti Wanda: Let's go to the lake, ya'll.

Me: The sun is down. Here we go. Danny's Ghost Sense will be perfect for this.

Nico: Yes it will. Here we go.

Danny's ghost sense came in.

Me: She's here.

Danny: I'm Going Ghost!

Danny turned into DANNY PHANTOM!

We looked at the lake and we saw DELLA!

Me: There she is!

Master Frown: Entrance time!

Nico: Lets go.

We went at her.

Della was looking around. But then the spirits of the Magic of the Dark Elements appeared and they swirled around her and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and fireballs rained down and then a phoenix cry was heard and we came out.

Nico: Della. Nice to see you.

Raven Branwen: I know you're not a malicious ghost. But you've still gotta be taken down.

Nico: I'm sorry this has to happen to you.

Me: But we're just doing our job.

Danny Phantom: We're here to give you a new home in the Ghost Zone.

Della: I'm afraid I won't go down that easily.

Nico: We'll see. Also we have another friend for you. (WHISTLES)

Out came our ghost dog friend Cujo!

Fluttershy: Oh aren't you the cutest.

Fluttershy picked up Cujo.

Camie: Who is this little fella?

Me: That is our Ghost Dog friend Cujo. Danny named him after the Stephen King Book.

Nico: Yeah.

Me: But watch this. He may look cute like this as a puppy. But watch this.

I put him down.

Me: SIC HER BOY!

Cujo turned into his FEROCIOUS GHOST MONSTER DOG FORM!

Fluttershy screamed and Lincoln comforted her and Cujo Roared. Cujo went at Della.

Nico: That will hold her while we have the usual battles.

Then General Schwarz, Metal Sonic, Zavok, Marionette Shadow, Samon Shakekisutanchin, 10,000 Volt Ghost, Vypra, Mirror Master, Dai Gui, Ryugu Tamatebacco and Evil Clayface appeared.

Nico: General Schwarz, Metal Sonic, Zavok, Marionette Shadow, Samon Shakekisutanchin, 10,000 Volt Ghost, Vypra, Mirror Master, Dai Gui, Ryugu Tamatebacco and Evil Clayface.

General Schwarz: Good thing Voorhees is not here, eh?

Metal Sonic: But what's with camps and scary stuff?

Zavok: No idea.

Nico: No kidding.

Marionette Shadow: (to Nico) How was the park?

Nico: It was really fun. And great.

Samon Shakekisutanchin: Did you put up those wanted posters?

Maria: I put them up and they are helpful too.

?: Cool.

A figure came out and it was Kuroari from episode 30 of Ninninger!

---

Kuroari is an ant-themed ninja. He was called "Black Ant Ninja Kuroari" by his intro credit. He's the main antagonist in episode 30 of 2015 TV series Shuriken Sentai Ninninger.

He was voiced by Kenji Hamada who previously voiced Dynamoian Terry X, Hyouga, a Seal Shadow and later voiced Southern King.

History

Kuroari made his first appearance at an underground castle when being summoned by Kyuemon Izayoi as he was used to cause a turmoil at a local school for ninjas in training called Ninja School.

A while later Kuroari used his technique and clung on to Igasaki as he began to create the terror at the Ninja School. A while later he returned to the underground and report his finding to Kyuemon.

As this goes on he asked Kikyo to hold onto Takaharu while he eliminates him, but since Takaharu wasn't a liar she'd let go of him as Kuroari revealed himself as he hops out of his host. He then open fired on her and her Sensei, but Takaharu takes the shot de-transforming him as he sent a fiery attack at the ant. Once the students were safely escorted out of the school Takaharu transformed and joined his fellow ninjas as they battle Kuroari and his Genin Supparage. After that he was then defeated by this finisher called Transcendent Shuriken Strike.

However Kyuemon used Yokai sorcery to enlarge Kuroari prompting the team to bring out Lion Ha-Oh and King Shurikenjin to battle him. After that he was then destroyed by these two finishers and they are Unprecedented King Slash and Lion Transcendent Slash.

---

Eli: Kuroari! I remember you! You were sent to cause turmoil at a school for ninjas!

Kuroari: That's right. Good memory Eli.

Me: Eli is sharp as a tack for knowing about the Sentai teams.

Kuroari: Too bad I wasn't adapted for America.

Brody: I definitely think you would've been a Galactic Ninja.

Nico: Yeah I agree there.

Me: That would have been so cool!

We got the usual battles underway.

Sweetie Belle: She sure is. We found out something awesome about here.

---

Sophia Zandaka: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sophia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Zandaka: That's incredible.

Nico: It sure is. So, Sophia, what memories did you have with Lincoln?

Sophia Zandaka: Ooh, I remembered this one time, we were trying on different clothes that I bought at the clothing store, and we were dressed in clothes in various themes: Cowboy and Cowgirl for the Western look, Orange Swim Trunks and Purple Two-Piece Bikini for

Ready For Summer, Winter Clothes for The Holidays, Sailor Clothes for A Journey Out Into The Seas, and so many more. But, our day of fun was interrupted by Lori, who ordered him to model a dress for Leni's friends. But, I knew Lori set this up so she could take a picture and send it out to everyone in school and Lincoln would eventually be embarrassed, and I got so mad at Lori, I marched up and bonked her hard on the head, and I told her that her so-called order was just an excuse to humiliate her only brother, and I swore to her, that if she ever did this to her brother ever again, I would bury her under a pile of smelly clothes and I also told her that her clothes were tacky, and it made Lori so mad, she was going to kill me. But, I stood my ground and threw one mean punch to her face and sent her flying back to her room. And by the time I was done telling Mr. and Mrs. Loud, Lori got grounded for eight weeks and she was forced to wash everyone's dirty clothes by hand.

We cheered wildly for what Sophia Zandaka did.

Nico: Whoa, you sure live up to your reputation, Sophia, and you and Lincoln really tried on some awesome outfits.

Sophia Zandaka: We sure did, Nico.

Luna: And I saw what she did in punching Lori hard and sending her flying back to her room, it was so awesome. That'd teach her a lesson.

They dumped the whole vat of Renuyu onto me and left me there for dead. It turned me into this. And now I can do this too.

He morphed into many people and formed into many people and formed his arms into weapons and more.

We regrouped.

Troy: All right. This is our first time with Kamen Rider keys. Here goes nothing!

Me: I made these with Lisa's help.

I pulled out the Kamen Rider Keys for Saber.

Thea Stilton: I should've known there's no mistaking that voice from anywhere. You can come out now, Lilith.

A tornado of darkness appeared from nowhere, and out of the darkness appeared Lilith, the demon from Darksiders and the one who manipulated Abaddon's plot from the shadows.

Thea Stilton: Lilith, I should've known you'd show up after the word of Abaddon's death reached you from your lair.

Lilith (Darksiders): And now, I will have my revenge on all of you for what you did in destroying my servant and my lord!

Thea Stilton: That's not going to happen, and now, your days of causing havoc are over, Lilith.

Suddenly, Thea Stilton's dark purple eyes turned neon dark purple and she was surrounded by a light purple energy aura with lightning, mice, and phoenixes, and as she approached Lilith, she left light purple energy, lightning, mice, and phoenixes with every step.

Thea Stilton: Lilith, the crimes that you've committed in the name of your master for eons can never be forgiven, and now, you will share the same fate that befell your dark master and your servant, Abaddon.

Suddenly, Thea Stilton was surrounded by a massive vortex of light purple energy with lightning surrounding it, there's a phoenix flying around the vortex, and in the vortex is a dark purple phoenix. Then, as the vortex faded, Thea Stilton emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Thea Stilton grew to 6'11" in height, she has the body of a goddess and a full head of light grey hair, she has neon dark purple eyes and a light purple energy aura with lightning, mice, and phoenixes surrounding her, she has a mouse and a phoenix emblazoned on her forehead, she has on phoenix earrings with dark purple gems for eyes and holding the Thunder and Eternity Kanjis in its claws and a Crystal Necklace of The Buddha with dark purple crystal links and a phoenix holding the Thunder and Eternity Kanjis in its claws for the pendant, Thea Stilton has on a light purple blouse with dark purple phoenix on it, black pants with lightning bolts on the legs, black knee-high leather boots, and a long black coat with mice, lightning bolts, and phoenixes on the coattails, and on the back is a phoenix and mouse surrounded by lightning bolts. Suddenly, Thea Stilton felt a sharp pain on her back, and then, massive light grey angel wings with dark purple tips on the feathers, sprouted out of her back. Thea Stilton has on a Ring of The Phoenix with large dark purple gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Corps ring on her left ring finger.

Suddenly, Thea Stilton has a new greatsword in her right hand called Lightning Phoenix Archangel Sword of Electric Justice, it's a brand-new greatsword with angelic runes and a mouse and phoenix etched onto the 7'0" massive, wide, double-edged gold blade, large gold lion heads for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, four large gold lion heads with dark purple gems for eyes and in their mouths and on the bottom of the four large gold lion heads is a large dark purple gem for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, her new large gold Belt of Elemental Bravery with a golden lion head with dark purple gems for eyes and a large royal blue gem in its open mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and Eater of Sins revolver holstered on her left hip. There's a light purple kanji below the mouse and phoenix that said, "Thea Stilton, Special Correspondent of The Rodents' Gazette, Younger Sister of Geronimo Stilton, Cousin of Trap Stilton, Aunt of Benjamin Stilton, Friend of Pandora Woz, Skilled Martial Artist, Athlete, and Motorcycle Driver, Granddaughter of William Shortpaw, Destroyer of Sally Ratmousen's Jealousy-Induced Schemes, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning and Mice"

Thea Stilton has transformed into SUPER ANGEL ETERNITY INFINITY ELECTRIC STORM PHOENIX MOUSE ANGEL OF THUNDERSTORM JUSTICE AND ETERNAL LOVE!

We were amazed by Thea Stilton's Super Angel Eternity Infinity transformation, but when Lilith saw it, the she-demon fell into a black rage and fired a blast of hellfire to kill her, but Thea Stilton absorbed it and it made her stronger than ever, and she fired a powerful blast of light purple energy with lightning and mice at the evil she-demon, and she got electrocuted really badly.

Trap Stilton: Whoa, now Thea's transformed, awesome!

Nico: And she's really going to make Lilith pay for the eons of pain and suffering that she's caused in the name of her dark master.

Me: You said it, Nico. Thea, how do you feel?

Thea Stilton: (Divine Echoing Cosmic Voice of The Thunderstorm Phoenix and Divine Electric Love) I feel incredible, J.D., now it's time for me to take down Lilith once and for all.

Thea Stilton went after Lilith, who continued firing blasts of hellfire at Thea, but she absorbed them and it made her stronger than ever, and she fired powerful blasts of light purple energy, lightning, and mice at Lilith, and they exploded with incredible power as they hit the evil she-demon and she was electrocuted badly. Then, Thea Stilton attacked Lilith with her massive Lightning Phoenix Angel Sword of Electric Justice, and left very painful scars on the she-demon, and she also attacked Lilith with very powerful martial arts and really left bruises on the she-demon. Then, Thea sent Lilith flying with one strong punch and then, Thea fired a black energy blast of The Black Gates, and once it hits Lilith, she was confronted by the spirits of those she's killed over the eons, and she was condemned to The Black Gates and erased from existence. We cheered wildly for what Thea did, as she holstered her massive Lightning Phoenix Angel Sword of Electric Justice on her back and powered down, and Thea Stilton's new body, clothes, weapons, jewelry, and massive angel wings are permanent. Benjamin was already rolling as he got the camera focused on Geronimo.

Geronimo Stilton: This was truly an exciting day today. First, what started out as a relaxing fun day in the park for Nico's rescue turned bad when Layla Wendoll, the Queen Bee bully that Nico got expelled came here seeking revenge, but she eventually got the beatdown of her life and Lincoln cursed her with the King Midas' Golden Touch Vengeance Curse and sent her to prison, and Nico was reunited with Katherine Swendleton, and in Acmetropolis, Lincoln and his group took down wanted criminal Ophiuchus Sam and gave him The Black Gates and Lincoln was reunited with Sophia Zandaka, a famous fashionista and the Sophia, Goddess of Rebirth Gene-Slammer. And the Ambassador mission has also gone well as always, and later on, not only did we help Sarah Maas deal with The Ghost of Camp Coldlake, Thea Stilton has destroyed Lilith, the demon responsible for bringing Abaddon back yesterday to cause chaos and devastation yet again, and Thea has sent Lilith to The Black Gates and she was erased from existence forever. But, the adventures are just beginning, reporting for The Rodents' Gazette from Gotham Royal York, I'm Geronimo Stilton, goodbye.

We cheered at the awesome news broadcast that Geronimo did.

Nico: That was one amazing news broadcast you did, Geronimo.

Lincoln: And Thea transformed and put an end to Lilith once and for all.

Me: Yep, and after the eons of pain and suffering she caused in Lucifer's name, she has been erased from existence for good.

Eli: Good riddance.

Lincoln: And we also helped Sarah deal with the Ghost of Camp Cold Lake, and made it a safe place for future campers.

Nico: You said it, Lincoln, now no future campers won't be targeted by vengeful spirits ever again.

Zzzax: Glad we got through that with no one dying.

Vypra: Of course no one died. Jason Voorhees wasn't even here.

Nico: Yeah.

Mirror Master: And it's gonna stay that way.

Me: Thank goodness for that one.

Katherine Swendleton: I'm really gonna love it here with you guys.

Dai Gui: You won't regret it.

Nico: And I saved you some donuts.

Homer: WOOHOO!

Ryugu Tamatebacco: Are they ones that Homer and Haruto didn't finish from yesterday?

Nico: Yep. And Kat made them.

Me: Yeah!

Sarah Maas: But this was so awesome helping you guys!

Nico: Glad you had fun Sarah. But great job today everyone.

Sarah Maas: (To the viewers) Summer Camp is fun but you should be careful which camp you go to because of legends and more.

Nico: Yep.

We went back home and then enjoyed the rest of the day and went to sleep.

Clank.

Sunset Shimmer: Oh sweet! I'm looking forward to that one too.

Me: Yeah me too!

Fluttershy: But what exactly is Eco?

Nicole: It's a very powerful spiritual lifeblood substance.

Nicole told us what it is.

---

Eco is a powerful substance in the Jak and Daxter series. It is capable of physically appearing in the form of droplets or clusters of liquid or as a gas in its natural form(s), ore, a prism, or a crystal, and comes in the six different known colors of light eco, dark eco, green eco, blue eco, yellow eco, and red eco, each color possessing a different and specific property. It was created by the Precursors and is studied and mastered by a group of humans known as sages.

Eco is produced and distributed at the eco core, and is used as the primary currency throughout the games next to Precursor orbs, especially when in the form of ore. All colors of eco are able to invoke their properties or abilities into what they are passed through, and can sometimes be channeled through a living body. It can also be used to power technology, mostly including weapons.

Eco was most prominent in The Precursor Legacy, commonly found in the form of floating clusters that when acquired would provide Jak with temporarily augmented abilities. More concentrated eco could be found in eco vents, which gave Jak the ability to use these skills for the maximum time allowable. Dark eco was commonly found in boxes, and when touched, would detonate and harm whoever it came in contact with. However, if one were to fall in a pool of dark eco, it would kill that person. Light eco only appeared in the final ending where all four colored eco lasers were emitted through four towers surrounding a large dark eco silo to create the substance (how is as of yet unknown). Jak then used it to destroy Gol and Maia. Interestingly, when Daxter fell in a vat of dark eco, he changed from human to an ottsel. Later in Jak 3, it is learned that eco contains the essence of the Precursors, which allowed Daxter to survive the submersion.

During the time of Jak II and Jak 3, colored eco appeared to be seemingly rare in its natural form, while dark eco and other forms of physical eco appeared to be more common. Red, yellow, blue, and dark eco appeared in the form of Morph Gun mods, which were used as weapons specializing in the colored eco's respective ability. Green eco appeared in its natural form only a few times, and was most common in the form of health packs. Other forms of dark eco and eco ore were used as a form of currency, and were constantly sought after by factions on both sides of an ongoing war. Eco was also used to stabilize Haven City through its eco grid. In Jak 3, dark and light eco crystals were revealed. Jak collected these and used them to fuel the eco power sphere for the Planetary Defense System.

All colors of eco excluding light eco were featured during Jak X: Combat Racing. With the exception of light eco, colored eco was used as a type of eco pick-up-each color benefiting the racer according to the eco's specialty. This meant that yellow and red eco acted as frontal and rear weapons respectively, green eco as health, and blue eco as turbo boost fuel. Dark eco could be collected after destroying enemy vehicles and would ultimately power up the driver's vehicle and improve his or her weapons.

During The Lost Frontier the world suffered a sudden eco shortage. Jak and Daxter set out to find more eco along with Keira, a sage-in-training, where they discover the eco seeker artifact that leads them to the eco core, a massive control panel for the distribution of eco that they go on to re-stabilize.

During the game, eco could again be found in vents, similar to the first game. They were used to replenish or activate Jak's eco power reservoir, allowing him to use his eco skills created with dark eco dropped from fallen enemies, similar to previous games. Jak also used eco in his Gunstaff, similar to Jak II and Jak 3 with the Morph Gun.

Green eco contains the energy of life. Jak used it throughout the games to heal himself after taking damage. It was also used to cure dark plants in *The Precursor Legacy* and *Jak 3* . In the first game, small green eco droplets and larger green eco clusters were dropped by defeated enemies and also found in crates and vents. Fifty green eco droplets amounted to one cluster, which restored one point of Jak's lost health, and green eco vents would fully restore his health. In *Daxter*, *Jak II*, *Jak 3*, and *The Lost Frontier*, green eco could be found in metal cubes with neon green plus signs, carrying significant amounts of green eco called health packs, which restored two segments of health. In *Jak X: Combat Racing*, it was used similarly in the form of a pickup, which repaired race cars when damaged. The Gunstaff had a green eco mod called the lobber, which interestingly used green eco in an offensive manner as a grenade launcher similar to *Jak 3'* s red eco Plasmite RPG.

Blue eco contains the energy of motion. In *The Precursor Legacy*, it is used to increase Jak's movement speed, attract collectable objects like precursor orbs and other ecos, and to activate dormant Precursor technology. After green eco, blue eco is the most common color of eco in the first game, with vents and clusters appearing in almost every area. As befitting its ability to increase speed and power machines, blue eco often resembles blue lightning. In *Jak II*, *Jak 3*, and *The Lost Frontier*, blue eco was used in the blue mod for the Gunstaff and Morph Gun starting with the Vulcan Fury, a machine-gun-like weapon with an exceptionally fast rate-of-fire and high ammo capacity, while relatively weaker and shorter range compared to other gun mods. It is also presumably used in the JET-Board to help maintain its motion. In *Jak X: Combat Racing* it is used in the form of a capsule-shaped pickup which provides its user with turbo.

Red eco contains the essence of power and strength. Similar to other colors of eco, Jak could pick up red clusters or walk through red eco vents to channel the energy and be able to slay more powerful enemies with less difficulty, such as bone armor lurkers with killing them in one hit opposed to two. In *Jak II*, *Jak 3*, and *The Lost Frontier*, red eco is used in the red mod which specializes in blunt, powerful force, albeit with taxing recoil, a relatively slow rate-of-fire, lower ammo count and less range. In *Jak X: Combat Racing*, red eco appears as a glowing red capsule, and is used as a defensive weapon to avoid missiles or to hinder/kill opponents further behind on the track. It is almost always ejected out of the back of the vehicle.

Yellow contains the power of long-range strength. In *The Precursor Legacy*, similar to red eco, it could be found in floating clusters and vents, except when in this form, Jak could shoot yellow eco projectiles that were just as strong if not stronger than red eco, which replaced his dive and punch attacks. Yellow eco is particularly useful for opening strong boxes which cannot be done otherwise except with the use of a cannon. Yellow eco appears to be seemingly abundant, especially in Boggy Swamp. When coming from vents, it resembles an amorphous stream of gas. In *Jak II*, *Jak 3*, and *The Lost Frontier*, yellow eco is used in the yellow mod which specializes in strong artillery with long reach. In *Jak X: Combat Racing*, yellow eco appears as a yellow octahedron pickup, which gives its user long-distance, frontal offensive weaponry to eliminate opponents.

Dark eco has the property to warp, mutate, and destroy things. It is also the most common type of eco. Large amounts resemble a thick, black liquid with a purple sheen. Smaller amounts dropped by enemies in *Jak II*, *Jak 3*, and *The Lost Frontier*, often called "droplets", resemble shifting purple spheres and often come in groups of four and up to ten, though in some rarer cases a single droplet may appear. During *The Precursor Legacy* dark eco was found in containers, silos, or sometimes in crystalline constructs which would detonate several seconds after touching. All dark eco was particularly harmful in this game, though Daxter's transformation came from him falling into a pool of dark eco. In *Jak 3*, dark eco was also shown in crystal form, as well as in droplets and vents.

Starting with *Jak II* and going through to the beginning of *The Lost Frontier*, Jak had the ability to transform into a dark eco alter ego named Dark Jak. This happened by several torturous injections of dark eco while being subject to the Baron's Dark Warrior Program, which was ultimately unsuccessful. Jak later went on to use and master his new powers (with the help of an oracle at the Water Slums) to defeat historical enemy figures including Kor, Cyber Errol, and many other enemies. In *The Lost Frontier*, Daxter was again subject to large, deadly amounts of dark eco while in the Aeropan sewerage system. In *Jak 3*, it is revealed that Dark Makers were Precursors that were changed by dark eco, exactly how remains unknown. Though because dark eco contains the essence of the Precursors, Daxter was able to survive the submersion again, and gained the ability to transform into a dark alter ego similar to Dark Jak named Dark Daxter. Later in the game, dark warriors make an appearance, which were products of a successful Dark Warrior Program, similar to Haven City's, but this time under Aeropa's conduction. However they were eventually destroyed. Dark eco droplets were collected in this game instead to be brought to Keira in exchange for eco skills.

The Morph Gun utilized dark eco in its dark mod. Starting with the Peace Maker, this weapon mod focused on devastating power, though was not ammo efficient compared to the other mods, and the rate-of-fire was the slowest of the Morph Gun (though rate-of-fire was not a necessity due to its superior strength, outside of the Mass Inverter in *Jak 3,* which did no damage outside of rendering most enemies incapable of action by having them float around).

Dark eco has had varying sages throughout the series, the first of which being Gol Acheron and his sister Maia. His sister was never proclaimed to be a sage, though was equally warped and obsessed with the substance as her brother. Later in the future, a man named Tym became a sage of dark eco and made his first appearance in *The Lost Frontier*, and remains the current sage.

Considered the purest and rarest of all eco, light eco contains the property of healing, restoring, balancing, and purifying. It is created by the combination of all colors of eco excluding dark. It had apparently only been speculated about, before its discovery in *The Precursor Legacy* when four eco laser beams emitted from four towers surrounding a dark eco silo combined their power to create it.

Light eco did not appear again until *Jak 3*, in which it occurred naturally as droplets (similar to dark eco), in crystal form, and flowing from vents. It played a large role in *Jak 3*, as it gave Jak light eco powers to counterbalance his dark eco powers; which included Light Regeneration, Flash Freeze, Light Shield, and Light Flight, all used as defensive/support mechanisms opposed to Dark Jak's offensive powers. In *The Precursor Legacy*, Daxter theorized that light eco may be the key to reversing his transformation, although due to the large presence of light eco in *Jak 3*, this is presumably incorrect.

Light eco made one reappearance in *The Lost Frontier*, whenever a small droplet was dispensed from a tube in a facility visited by Jak and Keira. As of the conclusion of that game, Keira was in the process of becoming a sage, according to the dark eco sage, Tym.

When she was done we were amazed.

Nico: Wow!

Me: Yeah. That is awesome.

Fluttershy: Goodness. That is interesting.

Nico: And Daxter used to be human… until he was turned into the Ottsel that he is right now.

Me: I remember watching that on the internet. That was freaky. But to be honest, he looks much better that way.

Nico: He sure does.

Eli: Yeah he does.

Fu: I still think that's so awesome and cool.

Nico: (to Taranee) Who knows? Maybe when you get there, you'll be able to use Eco as well.

Taranee: That will be so cool and awesome.

Me: It sure will be awesome.

Camie: I'm looking forward to that too.

Sirius: It will really cool.

We arrived at the planet and it looked like a golden yellow planet.

Nico: Here we are.

Me: Wow this world looks interesting.

Eli: I have a feeling this is gonna be awesome.

Nico: Lets head down.

We went down to the planet and landed and we then saw piles and piles and piles of cheese! But then we smelled something REALLY HORRIBLE! We smelled a really stinky odor! We then saw that we were on a planet made of LIMBURGER CHEESE!

Me: WHOA!

Eli: PEEYEW! This is a stinky planet!

Nico: It's a planet made of Limburger Cheese!

Me: The stinkiest cheese in the world! This planet smells like stinky socks!

Maria: GOOD GOD! IT'S ANOTHER INEDIBLE PLANET!

Lana: Cool!

Lana was eating the cheese and it was awesome.

Lana: (Eating) Mmm! Delicious!

Me: Well it may be inedible to some but to Lana no way.

Nico: That's Lana for you.

Zocks: Have fun eating all this, Lana. We'll just be looking for today's Gene Slammer.

Lana: Thanks Zocks.

Rachel Stavenport was eating some.

Nico: You like Limburger cheese too Rachel?

Rachel Stavenport: (Eating) Mmm! I sure do. I have Belgium in my blood and I love Limburger cheese.

Eli: That is cool.

Me: Boy first a planet made of Liver and Onions and now Limburger Cheese. What would really have Lana excited is if we found a planet made of Chum.

Nico: YUCK!

Rita Loud: It's true guys. It may have been part of the natural process but it is why Lincoln loves Peanut Butter and Sauerkraut.

Lily: And why me and Lana like it as well.

Lola: That is awesome thought.

Then we heard a noise.

Nico: I think I hear something.

We stood ready and then I heard a noise and then fired an energy blast at a hill and out of an explosion came my old enemy DISONASU!

Me: Disonasu! I didn't expect your ugly scarred fucked up face to come back!

Disonasu: You motherfucker! You ruined everything for me J.D.!

Me: (Flips the bird at him) Up your fucking nose with a fucking rubber hose!

Nico: You know him J.D.?

Me: Unfortunately. He's one of my many enemies from 150,000 years into the future.

I went over Disonasu's history.

Disonasu (ディソナス, Disonasu) was the leader of Hachō Village, as well as the one responsible for the destruction of Tonika Village and an ally of Kabuto Yakushi.

Disonasu was a known criminal who made use of summoning techniques and committed thousands of murders. He once battled the Akatsuki leader, Pain, though he lost and was horribly scarred. To recover the "power" he lost, Disonasu became a scholar and studied the history and meaning of The Hole, intending to receive the power of the Ama no Hoko to get his revenge. Though he became the head of Hachō Village to locate the Saezuri, a device capable of bringing forth the Ama no Hoko, Disonasu could not act on his plan due to Tonika Village's militia. At some point, he also studied the Summoning: Impure World Reincarnation technique alongside Orochimaru.

Working alongside Kabuto Yakushi, Disonasu destroyed Tonika Village and massacred its citizens to steal the Saezuri and the seven "Sounds" required to activate it from the village altar. During the village's destruction, Disonasu confronted the head of Tonika Village and the latter was subsequently killed by several of Kabuto's reincarnated shinobi. Although he obtained three of the Sounds from the village head as well as the Saezuri itself, Disonasu was ultimately unable to achieve his goal.

Disonasu and several other inhabitants of Hachō Village later came to investigate the destroyed Tonika Village after several survivors came to them and requested their help. Shiseru, who had accompanied Disonasu to the village, introduced Yamato and Sai, who had also been sent to investigate the disturbance, to him in the village's newly-created graveyard. Disonasu discussed the aggressors' possible motives with Yamato until they were interrupted by a loud noise. Arriving at the source of the noise, the group discovered Naruto Uzumaki and Sakura Haruno fighting with Kabuto, several reincarnated shinobi, and a newly-recreated Hidan.

Although not participating in the fight, Disonasu warned Shiseru about an attacker from behind, giving her enough time to dodge and counter. After Kabuto withdrew his pawns, Disonasu led the group to Hachō Village, where he showed Yamato and Sai the products of his earlier research about The Hole. He then begged them to punish Kabuto for his cruel acts.

Disonasu and a group of several others later escorted the Tonika Village head, who had secretly been reincarnated by Kabuto, to the Tonika Village survivors, hoping to use his to acquire the last two Sounds from Dokku. When the village head's granddaughter, Miina, discovered that something was wrong with her grandfather, Kabuto attacked with his reincarnated forces once more, prompting Disonasu to flee.

After Naruto and Dokku were abducted by Kabuto, Disonasu appeared in the underground hall of Tonika Village alongside Kabuto and two reincarnated shinobi, revealing his true nature and blaming Dokku for hindering him in his plans. He then used a scroll to summon the Saezuri, preparing to enact his plan. Kabuto, through the eyes of a clone noticed the surviving children of Tonika Village approaching with the final two Sounds above ground, prompting the two to take Dokku up to greet them.

After reviewing his notes on the Saezuri, Disonasu used the seven Sounds to activate the device, raising the Ama no Hoko above ground. Despite the arrival of reinforcements from Konohagakure and Yamato attempting to restrain him, Disonasu was then able to use the Saezuri to release the Ama no Hoko's power. Upon its activation, Disonasu climbed the structure to bathe in its power but was halted by Naruto. Suddenly, Naruto's clone, which had absorbed power from the Ama no Hoko and transformed, emerged from the structure and swiped Disonasu off of it, sending his body several distances outside of The Hole.

In the next day, Kabuto found him on the verge of death and complained about his failure on the mission, he summoned the Tonika Village Head again to order to take his revenge and then killed him with his sword.

---

When I was finished everyone was horrified and shocked and enraged!

Nico: You psychotic motherfucker asshole son of a bitch!

Fu: You murdered that entire village all for power!

Magine: (gets out Wizard gear) This one is for Haruto!

Zocks: (gets out Gaim gear) And this one is definitely for Kouta!

Me: I will make sure you die a million horrible deaths for everything you have done Disonasu!

I went Super Angel Infinity Xelnaga!

Me: (Divine Echoing Elemental Voice of Hope and Love) **Prepare to die!**

Magine summoned numerous Wizard Rings for many of us that don't have archenemies in the Masters of Evil and they were imbued with numerous powers. Zocks then summoned Lockseeds for all of us that don't have archenemies.

I teleported and kicked him in the stomach with devastating force and then I punched him in the face and Disonasu belched up a huge amount of blood!

Magine: It's showtime!

Zocks: This is my stage now!

I punched Disonasu in the face and kicked him down and then he got up and went into a TOTAL HOMICIDAL AND BALLISTIC RAGE!

Nico: Uh oh!

Disonasu: YOU MOTHERFUCKING WRETCHED MOTHERFUCKER! HOW DARE YOU!? (ENRAGED AND MANIACAL SCREAMING) HOW DARE YYYYYOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOUUUUUUU

HE WAS COMPLETELY OUT OF HIS MIND!

Disonasu went at me and he punched at me with incredible speed and force and I dodged and blocked all his punches with ease and then I kicked him in the face and then punched him in the face with incredible savagery and speed! Then I teleported into the air and flew at him and he belched up a huge amount of blood!

Nico: How about we hit him with some of this cheese?

Lola: Good idea!

They threw cheese at him and one went right into his mouth and then he swallowed it and then his stomach growled!

Disonasu: I WILL KILL YOU!

He went at me with incredible speed and then I punched him in the stomach with incredibly devastating force and my fist went all the way through his stomach and all the way out through his back with a sickening squelch!

I pulled my fist out and Disonasu had a huge hole through him!

Nico: To quote Cap: "We can do this all day."

?: Yes we can.

A Trail Blazer came out!

Trail Blazer: Another me!? WHOA!

Nico: Tammy Rosalinda? Wow!

Trail Blazer 2: Awesome to see you again Nico.

Disonasu: YOU FUCKING WRETCH! Any last words before you die? (BELCHES OUT BLOOD)

Me: **Actually there is one that comes to mind.**

I charged up a Kamehameha Wave infused with the Black Gates!

Tammy infused it with powerful fire too.

Me: BLACK GATES NOVA KAMEHAMEHA!

I fired a massive blast of fire and it slammed into Disonasu and obliterated him in a massive and powerful fiery explosion!

**EXTREMELY POWERFUL AND SUPER DEVASTATING EXPLOSION OF FIRE!**

The explosion was so powerful and so super devastating that it was felt all over the universe. When it cleared, Disonasu was dead and obliterated and destroyed! I powered down and

Tammy reverted back and she was a red hair girl with red clothes and the Fire Skylander symbol was on her pant leg.

Tammy Rosalinda: That takes care of that jerk!

Nico: WHOA! WHAT POWER!

Eli: That was incredible!

Nico: You didn't eat any cheese here, did you?

Tammy Rosalinda: No I don't even like the smell or taste of Limburger cheese.

Nico: Good.

Taranee: But that was intense.

Me: It sure was.

Taranee: What is your favorite memory of Nico?

Tammy Rosalinda: I have a lot of them. But I specialize in taking down evil Queen Bee bitches.

Nico: Tammy hates Queen Bee girls with a vengeance and despises them with every fiber of her being.

Tammy Rosalinda: They thing they are so much better than everyone else and they thing that they can get away with everything because they come from high society. I made it my mission to hunt them down and throw them all in jail for their bounties.

She pulled out a bunch of wanted posters for NUMEROUS Queen Bee bitches we saw and haven't met before and even some we killed.

Me: Whoa these girls are no walk in the park.

Tammy Rosalinda: Yep. They are all girls that have plagued the world for far too long.

Maria: Wow that is amazing.

Nicole: Just like how I'm a bounty hunter for Bullies. That is awesome.

Nico: Yeah.

Tammy Rosalinda: Yep. Me and Nico went after the worst Queen Bee ever and that was this one.

She showed a picture of a black hair girl with green eyes and a malevolent smirk coming off of her.

Tammy Rosalinda: That's Amanda Lowenstein and she is pure evil. She is the daughter of a high paying business man worth billions that was sent to prison for a massive Ponzi Scheme and she was forced onto the streets and me and Nico caught her and threw her in jail.

Nico: Yep.

Me: Whoa man! I've heard about her. And also I should know because I'm the one that threw her father in prison.

Nico: Wow!

Tammy and Nico hugged.

Nico: I really missed you.

Tammy Rosalinda: Me too Nico. Me too.

Qin: Queen Bee bitches beware because Tammy the Bee

Exterminator is back.

Nico: (Laughs) I remember that nickname.

Lola: Cool name.

Sirius: That is awesome.

Nico: Yep.

Me: That is a cool Nickname.

Nico: Now, let's go home.

Me: Yeah no kidding.

Eli: I'll hurl my guts out if I smell this place anymore.

We went back home to Earth.

Rayman: That's right, and I'm so looking forward to making him pay for trying to conquer The Glade of Dreams.

Nico: You said it, and this popcorn planet's so awesome.

Lincoln: I knew you'd love it, Nico, and thanks for joining us, Tecna.

Tecna: (British Accent) You're welcome, Lincoln, this is going to be amazing.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of fourteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fourteen girls, but they've been cornered by The Magician, and that villainous Dark Teensy is going to kill them.

Lincoln: Guys, I found the fourteen girls, but they've been cornered by The Magician, and that villainous Dark Teensy is going to kill them.

?: That villainous Dark Teensy, let's get him!

Suddenly, we saw the Element Magician appear before us.

Nico: Wow, that's the Element Magician, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Hailei Walker, but we'll talk later, we've got a villainous Dark Teensy to get rid of.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at The Magician, and it allowed the fourteen girls to get away. When the villainous Dark Teensy saw us, he was enraged.

Rayman: You just don't even know when to quit, do you? You've constantly tried to conquer The Glade of Dreams and you've already proved that you're a supporter of Mr. Dark. Now, I'm through with letting you get away with your life, now I'm going to end you once and for all!

Rayman transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope and he unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back, but we suddenly saw the 7'0" massive, wide, double-edged blade change from purple to gold, the large upward-pointing angel wings turned into large gold dragon heads, and the four large silver dragon heads turned gold.

Lincoln: Whoa, now that's awesome. Alright, guys, let's get him.

Then, Lincoln fired a blast of darkness, and as it hits The Magician, Lincoln sucked out his blood and his powers, and the villainous Dark Teensy was turned into a bloodless husk, and once his spirit had appeared, Rayman marked his forehead with a kanji and banished him to The Black Gates where he was erased forever. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that evil villainous Dark Teensy. (To Hailei Walker) And it's good to see you again, Hailei Walker.

Hailei Walker reverted back to normal, and she's a beautiful girl with long flowing light violet hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive light violet angel wings, and she reigned in the power of Element Magician, and she's dressed in a green short-sleeved blouse, sleeveless green top with black embroideries, green skirt, green pants, green ankle-high sneakers, and long green sleeveless trenchcoat with wind gusts and earth on the coattails, and Element Magician on the back, and holstered on her back is a large Element Magician-themed greatsword with Element Magician etched on the 7'0" massive, wide, double-edged light violet blade, large light violet angel wings for the crossguard, large green gem embedded in the rainguard, longer black handle, and large light violet gem surrounded by angel wings for the pommel.

Hailei Walker: You too, Lincoln, it's been a long time.

Lincoln went up to Hailei Walker and they hugged, and Hailei Walker was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Hailei Walker: Wow, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Hailei Walker, she's another one of my Guardian Angels from Michigan, and she's from my Ceramics Class, and she's a master of pottery and makes awesome crafts.

Nico: Wow, that's so awesome.

Hailei Walker: And after I got Gene-Slammed into Element Magician, I'm now the master of wind and earth.

Me: Awesome.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Hailei Walker's neck with light violet gems on the gold thunderbolt links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Hailei Walker: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Hailei.

Hailei Walker had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Hailei Walker's waist and Hailei Walker wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Hailei Walker's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw them, he immediately recognized them. The fourteen girls are Shizuka Onimaru, Sachie Kondou, Natsuki Hoshina, Kuruha Amou, Ayai Shirayuki, Mizuki Fudou, Sakurako Iizuka, Ruru Kitani, Mika Kozuru, Ume Momoi, Isuzu Narukami, Sayo Nekohira, Konatsu Shinjou, and Ringo Yami from Idol Jihen.

Nico: Awesome.

Lincoln: Are you girls okay?

Ringo Yami: Yes, we're okay, thanks to you.

Then, when Ringo Yami and the other thirteen girls saw who it was that saved them from The Magician, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was The Magician, the main enemy from Rayman: Origins and Rayman: Legends.

But, when Lincoln showed what he did to that evil Dark Teensy, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Hailei Walker have a lot of catching up to do now that she's back in town.

---

After putting down The Magician, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Hailei Walker saw Lincoln working out like crazy, she had an atomic red blush on her face.

Hailei Walker: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hailei, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hailei Walker: That's incredible.

Nico: It sure is. So, Hailei, what memories did you have with Lincoln?

Hailei Walker: Oh, I remembered this one time in Ceramics Class, Lincoln and I were making some clay jars and he wanted to make something for his parents. But, then, Lola busted in and ordered Lincoln to make a clay statue of herself. But, Lincoln told her no, and that this is Ceramics Class, not Art Class. But, Lola got so mad, she was going to kill him, but I got in the way, and trapped Lola in a lump of pottery clay, and it messed up her dress when she got out, and she was already seeing red and her hair turned to fire, and her teeth turned jagged. She tried to attack us, but our teacher saw the whole thing, and when I told her what that evil pink wearing pageant demon tried to order her brother to do, she dragged Lola to the office and when the news reached her parents, she got a five-week grounding with no sweets, no tea parties, and no pageants. She was really angry at me, and she swore revenge, and Lori, Lynn, Lisa, and Luan dragged her back to her room.

We cheered wildly for what Hailei Walker did to Lola.

TLPS Mr. Wolf: That taught her a big lesson, but you knew she was vindictive and vengeful.

Hailey Walker: Yeah, but I'm not afraid of her, nor am I afraid of Lori, Lynn, Lisa, and Luan, if any of them tried to hurt Lincoln, I'd slug them hard in the face and I wouldn't be surprised if I knocked out any of their teeth.

We got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready for their date, this time, it's at Toy Time Galaxy.

Lincoln: Alright, everyone, are we ready?

Nyx Midnight: We're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they head for Toy Time Galaxy. When they arrived at Toy Time Galaxy, it's a awesome playroom-themed location filled with toys made out of brightly colored building blocks and moving mechanisms inhabited by Gearmos, while Mecha-Bowsers serve as predominant enemies alongside other robotic creatures.

Thunder Sparkle: Wow, what is this place, Dad?

Lincoln: This, Thunder Sparkle, is Toy Time Galaxy, I heard about this place from Mario and Princess Rosalina, and this place is something Lola would love. Shall we?

Lincoln, his harem, and his kids explored the place, and it was indeed very amazing. They explored the many areas of the toy-themed galaxy, and Lincoln made a picnic area and they had some lunch Lincoln made, including the Cannoli that Lincoln and Neela made and they were so delicious. Then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and wrapped the girls' waists in their abnormally massive and powerful muscular arms, and as the sun then turns orange, they passionately kissed and hugged with supercharged and intense passion, and the kids all cheered. Then, Lincoln, the girls, and the kids came back home to the Estate.

Nico: Hey, Linc, how was your date?

Lincoln: It was really awesome, Nico, we went to Toy Time Galaxy.

Nicole: (Gasps) The toy-themed galaxy from Super Mario Galaxy?!

Lincoln: The very one, Nicole.

Me: That's awesome, and I hope you guys didn't have any trouble.

Fluttershy: Oh, we had no trouble at all while we were there, J.D., and that galaxy was really amazing.

Lincoln: You said it, and like I said, it's a galaxy Lola would love. And how have things been while we were away?

Apple Bloom: Everything was dandy, Lincoln, we played with Sapphire Lilly, Emerald Oracle, Ruby Wind, and Golden Bunny, and we also fed them and they're already asleep.

Lincoln and Fluttershy saw their four daughters asleep, and it was so cute.

Lincoln: They look so cute sleeping in their crib.

Fluttershy: They sure do, Linky.

Fluttershy and Lincoln shared a kiss, and they gently closed the door.

Nico: Lincoln, which Gene-Slammer are you planning to meet on tomorrow's rescue?

Lincoln: Hmm, how about a Gene-Slammer for Number 76: Harmonizer Gradielle?

Nico: Ooh, musical.

Melanie McPherson: (Scottish Accent) And there's only one person who'd be perfect for that: my little sister, Celina McPherson.

Lincoln: Yeah, she's known as a talented musician, especially when it comes to Celtic songs.

Duke Lincoln: (Scottish Accent) And just like Melanie, she also belongs to the McPherson Family, who have been friends with us for over 400 years and bear a strong hatred towards Morag and Aggie for their crimes.

Lincoln: That's right, Duke Lincoln.

Me: We can't wait to meet her on your next rescue tomorrow, big guy.

Lincoln: Same here.

---

Later it was time for Elyon's 3rd Ambassador Mission.

Me: This is gonna be so awesome and fun.

William: Anyone else want to go with Elyon? Besides 3 Rabbids, Terminator, and Dino Tyranno?

Brittney: Me and the Goths and Dark Signers will go with you guys.

Nico: Awesome! This will be amazing.

Me: And Rayman will want to go to watch over the Rabbids.

Rayman: Yeah I sure do.

Terminator 1984: (Arnold Schwarzenegger Accent) It will be interesting to meet the Wizard Kamen Riders

Elyon: It sure will be awesome.

We were off to Japan.

We arrived.

Haruto: Hey guys!

Elyon: Haruto, this is my archenemy.

Terminator 1984: Haruto Soma of Kamen Rider Wizard. It's a pleasure to meet you. I'm a T-800 and I was built by SKYNET and programmed originally for killing Sarah Connor in the year 1984. Later reprogrammed to be Elyon's archenemy for the Masters of Evil.

Haruto: Wow! Wait are you one of the robots from Terminator?

Me: He sure is. He was built by SKYNET, a malevolent artificial intelligence program that was going to destroy all of humanity in a nasty Nuclear Holocaust. A huge war with machines and the surviving humans raged on and SKYNET sent robots called Terminators back in time to kill the leader of the human resistance: John Connor.

Nico: Yeah it was terrible.

Me: Yep.

Terminator 1984: I'm a Cybernetic Organism. Living tissue over metal endoskeleton.

Me: His robotic structure is far more advanced than anything we know.

Haruto: Wow that is amazing.

Terminator 1984: Being a robot created by Skynet, I cannot be driven to Despair by the Phantoms. However, I can still get stronger if enemies show negative emotions towards me

Haruto: I thought all robots were incapable of showing emotions.

Me: Well the Terminator from 1984 can. As he was being reprogrammed he developed emotions and feelings.

Nico: It's true.

Brittney: That's right. Oh sorry we weren't properly introduced. My name is Brittney Knudson, and these are my teammates of the Goths of Darkness and our archenemies.

Rex: Awesome to meet you. I'm Rex Goodwin, Dark Signer of the Condor.

Bertrand: I'm Bertrand. Pleasure to meet you.

Roman Goodwin: Roman Goodwin of the Spider.

Haiku: My name is Haiku.

Carly Atlas: Carly Atlas of the Hummingbird.

Loud House Dante: I'm Dante.

Devack: Devack of the Monkey.

Persephone: I'm Persephone.

Misty Tredwell: I'm Misty Tredwell of the Lizard.

Morpheus: I'm Morpheus.

Kalin: I'm Kalin Kessler of the Giant.

Boris: I'm Boris.

Greiger: And I'm Greiger of the Killer Whale.

Lucy Loud: I'm Lucy Loud. It's a pleasure.

Haruto: Wow it's a pleasure to meet you guys.

Dino Tyranno: And it's awesome to meet you too. I'm Dino Tyranno, leader of the Dino Knights.

Haruto: Wow it's an honor to meet you.

Nico: I have the perfect setup for the Wizard team. It'll consist of Haruto, Nitoh, Mayu, J.D., and Elyon. We still need one more.

Haruto: Rinko Daimon would be perfect for this one.

Me: That's right and she was Kamen Rider Brave in the movie.

Nico: Yep.

Nitoh: Now, we have a concerning matter that came up an hour ago.

Nico: What's that?

Nitoh: Chizuru Manaka is back in town.

Me: That means the Lizardman Phantom is close too.

Nico: Yep.

Lucy Loud: Gasp.

Nitoh: Yeah.

Carly Atlas: You mean the Phantom form of Satoshi Ishii?

Haruto: Exactly. When he sees Chizuru, he'll lie to her that I tried to kill him before. That way, she'll be driven to despair.

Elyon: Not if we find her first!

Haruto: I lied to Chizuru about Satoshi's fate before. But after we save him, I'll tell her the truth.

Nico: Good idea.

Me: That's what we're going to do like the last 2 missions.

Eli: We're not going to let those Phantoms lie to everyone.

Me: Lets go find Chizuru.

We nodded and we went to find her. We then found her at the park.

Me: There she is.

We went up to her.

Nico: Hi, there! Chizuru, right?

Chizuru: That's right.

Me: We are Team Loud Phoenix Storm and it's a pleasure.

Chizuru: It's an honor to meet you.

Haruto: And good to see you again.

Chizuru: You too Haruto.

But then Chizuru saw Satoshi!

Chizuru: Satoshi! You're back! I thought I would never see you again!

Satoshi: You were right to think that. Because last time, someone tried to kill me.

Chizuru: Do you remember who it was?

Satoshi: Yes. (points to Haruto) It was him!

Chizuru: (shocked) Haruto? Is this true?

Terminator 1984: No. Not all of it. Haruto kept you in the dark because he was trying to protect you from despair. Despair that Satoshi was trying to force on you. Because he is a Phantom.

Chizuru: What?! Satoshi is a Phantom?!

Satoshi: (chuckles) Who are you going to believe? Me? Or this killer robot from Skynet?

Me: (Smirks) You are really that brainless are you. You see the last time we were here we marked all Phantoms with a pitch black aura that only we can see and you are a Phantom ghost face!

Nico: Yeah! So come out now Lizardman Phantom!

Satoshi: I can't believe you figured it out!

He transformed and was LIZARDMAN PHANTOM!

Misty Tredwell: Not gonna try to force me into despair by taunting me about Toby's first death?

Lizardman Phantom: No. Your Dark Signers powers protect you from despair. And your robot buddy here can't feel emotions. So, my new friend is gonna have to kill you.

Me: New friend?

Out came Another Kamen Rider! IT WAS ANOTHER ZERO ONE!

Me: ANOTHER ZERO ONE!

Nico: Nice!

Me: This is gonna be good!

Nico: Who are you? Dark Lynn? Paul? Olympius? Malfoy? Numbuh 363? Goobot? Dark Plasmius? Please tell me I'm getting close.

Another Zero One: (laughs) None of the above, I'm afraid.

I then recognized that voice.

Me: Oh man! I haven't heard that voice in ages!

Another Zero One reverted back and it was my old enemy SEAN BLINKENSDORF!

Me: Sean Blinkensdorf. I thought I was rid of you after I busted you for thrashing an entire class full of kindergarten kids!

Sean Blinkensdorf: Well this will be my revenge!

Nico: I get it. You're gonna fight the Dark Signers and Terminator first since Lizardman can't drive them to despair.

Sean: What better way to get revenge on Knudson then by destroying his wife?

Me: Come and try it Sean!

Neon Yellow DNA symbols circle around Sean before turning him back into Another Zero One.

Haruto, Elyon and Nitoh: Henshin!

They transformed and were ready for action!

Me: This will be good. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Dino Tyranno: Time for action! DINO TYRANNO! POWER OF THE ANCIENTS! SILVER SWORD! DINO KNIGHT READY! LETS DO IT!

He was ready to kick some butt!

Eli: YEAH!

Haruto: It's showtime!

Nitoh: It's lunchtime!

Elyon: It's Action Time!

Me: It's Buttkicking Time!

I teleported and kicked Another Zero One and then slashed him all over.

Nitoh: Time to go Beast Hyper!

Hyper, Go! Hy-Hy-Hy-Hyper! (Lion roar)

Nico: YEAH! Awesome!

Brittney: Lets see how they like this. Rex you'll love this.

She activated her Eyecon and her Wizard Ring.

MONTEZUMA II AND REX GOODWIN!

She fired a wave of purple fire and it formed into a condor made of purple fire and it smashed into Lizardman Phantom and burned him all over the place.

Nico: ALL RIGHT!

Boris: Lets see how he likes this one!

Boris activated his ring and Eyecon.

LIONEL MESSI AND GREIGER!

He fired a blast of indigo fire and it formed into a Killer Whale and it smashed into Lizardman Phantom and burned him all over.

Haruto: Nice!

Me: Yeah!

Morpheus: Lets see what mine can do.

He activated his Eyecon and ring.

ANDRE THE GIANT AND KALIN!

He fired a wave of blue fire and it formed into a huge giant and it smashed Lizardman Phantom all over and burned him too!

Nico: Andre the Giant! Wow! He was a huge guy! 7 feet 4.

Misty Tredwell: (grabs Another Zero One's fist) We're actually going to meet Aruto tomorrow. But you're a disgrace to his legacy!

Me: That is for sure!

Persephone: Let me deal with this sucker!

She activated her Eyecon and her ring.

PABLO ESCOBAR AND MISTY TREDWELL!

She fired a massive blast of green fire and it formed into a huge lizard and it hit Another Zero One and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

Nico: Whoa! Pablo Escobar was the founder of the Medellin Cartel in Colombia!

Me: I've heard about them. They were the most ruthless Drug Cartel in all of Colombia.

Terminator 1984 pulled out a shotgun and fired it at Another Zero One.

---

Me: He's going to be feeling that one!

Loud House Dante: My turn.

He activated his Eyecon and ring.

SIMON BOLIVAR Y PALACIOS AND DEVACK!

He fired a wave of yellow fire and it formed into a monkey and it slammed into Another Zero One and burned him all over.

Nico: Wow! Simon Bolivar y Palacios was the President of Colombia back in 1819.

Eli: Cool!

Nitoh: I'm getting in on this too!

Nitoh punched Another Zero One to Terminator 1984. Terminator 1984 punched Another Zero One right back to Nitoh. The two kept going like they were doing a tennis match. With

Another Zero One as a tennis ball and their fists as rackets.

Nico: That is cool!

Me: Now that is clever!

Carly Atlas: Boy it sure is!

Haiku: Now lets see how they like this.

She activated her Eyecon and Ring.

OLIMPO LOPEZ CACERES AND CARLY ATLAS!

She fired a massive blast of orange fire and it formed into a swarm of hummingbirds and they hit Another Zero One and exploded all over the place.

Me: Whoa! Olimpo López Cáceres was a very famous Colombian Pastry Chef.

Nico: Awesome.

Bertrand: And now for me.

He activated his Eyecon and Ring!

VASCO NUNEZ DE BALBOA AND ROMAN GOODWIN!

He fired a wave of red fire and it formed into a huge spider and it slammed into Another Zero One and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Whoa! Balboa was a very famous 15th to 16th Century Colombian Explorer.

Me: Yeah.

Nitoh: (to Another Zero One) What's the matter? Not feeling tough with REAL Kamen Riders fighting you?

Another Zero One: I'll show you tough!

He used the Lord Drakkon Progrisekey and he formed a sword and I clashed with him.

Me: You have Masters of Evil Progrisekeys! Very impressive.

Another Zero One: Nice isn't it?

Me: Very cool.

I kicked him and the fired waves of blue fire and they hit him and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I grabbed the Zero One Rider Watch.

Me: Yeah!

Then we got belts all with Masters of Evil Progrisekeys!

Me: Cool!

Haruto: Satoshi, I know I destroyed you before. But this time, I'm going to save your humanity. And Chizuru, I'm sorry for lying to you.

Chizuru: It's all right Haruto.

Me: Lets see what these Progrisekeys can do.

I pulled out one for Kaos.

Me: Elemental Skylands Kaos. Cool!

I activated it.

I fired all 10 elements of the Skylanders and they hit Lizardman Phantom and smashed him down! Then Haruto put a ring on Lizardman Phantom and he reverted back to human.

Me: Awesome! One last thing.

I pulled out a blaster.

Me: You don't deserve to walk again.

I fired a purple blast and then the blaster PULLED OUT SEAN'S ENTIRE SPINAL COLUMN! LITERALLY!

Nico: OH SICK!

Eli: It pulled out his Spine!? WHOA!

Me: It's something Crag made called the Spinetingler.

Nico: Cool!

Terminator 1984: (gives me shades) This time, you and I will say the line.

Me: You got it.

I put them on.

Me and Terminator 1984: Hasta La Vista, Baby.

We beamed Sean to prison.

Dino Tyranno: (to Haruto) Since this is your world, you get the bounty for Another Zero One.

Haruto: Cool!

Me: Good money in Bounty hunting. And it's really good too. $97,000,000,000.00.

Haruto: Wow! That's awesome!

Nico: Yep.

Later we came back.

May: Hey guys! Welcome back.

Me: We had a lot of fun in this one.

I told everyone everything and it was cool.

May: Wow! You guys had fun and we all have Progrisekeys too!? So awesome!

Nico: Yep.

May: Next time, Max goes with you.

Elyon: Looking forward to it.

Max (Dinosquad): I'd be honored.

---

At Lynn's Table we were there not only for lunch but also we were seeing Duncan and me make a really awesome hot sauce.

Penance: Duncan, don't tell me we're going to do humiliations already.

Duncan: Relax. This'll be a quick thing.

Nico: Oh. What are you making.

Duncan: This is a hot sauce that I made back when I was younger.

Me: Wow this looks awesome.

We saw Duncan make it with the hottest kinds of peppers and spices ever known and they were lethal.

I.M. Weasel: I see. Are you planning to use this on Flip?

Me: Yep. I'm also curious about this to see how potent this is.

Nico: Me too.

Laney: Boy the smell from that sauce is really potent.

Me: Wow no kidding.

Duncan: Try some.

He gave me a spoon full of it and then I tried it and then…

**EXTREMELY MASSIVE SUPER POWERFUL EXPLOSION OF FIRE!**

I had a massive pillar of fire explode out around me and when the smoke cleared I had a massive rainbow fire aura around me and it was intensely powerful!

Nico: WHOA THAT IS POWERFUL!

Eli: WOW! J.D. how do you feel?

Me: Incredible! Wow! Duncan that is awesome sauce you made.

Nico: Yeah I can't believe you made your own hot sauce.

Duncan: It's a recipe I invented.

Me: Wow! That is cool!

Eli: Or hot in this case!

Nico: What is your sauce called Duncan?

Duncan: It's called (Malevolent Voice) DUNCAN'S DIABLO! (EVIL LAUGHTER)

Me: OOH! I love the name!

Nico: Nice!

Cybertron Ransack: Might as well feed Flip that thing.

Me: Lets do it.

Duncan: Here J.D.

We donned protective gloves and carried the pot over to Flip.

Me: Want a drink Flip?

Flip: Hey sure.

Me: Bottoms up.

He guzzled down the whole pot of hot sauce and we ran!

Nico: DUCK AND COVER PEOPLE!

We ducked and then….

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

FLIP HAD MASSIVE JETS OF FIRE EXPLODE OUT OF EVERY ORIFICE! HE HAD IT EXPLODE OUT HIS NOSE, MOUTH, EARS, EYES AND EVEN HIS BUTT! HE BURNED BILLY MCLEAN, BUBBLE BASS, SCOOTS, LEWIS TRAVOLTA, ICKY VICKY, TRINA AND AMY! WHOA! HOLY SHIT WAS THAT HOT!

Nico: WHOA MAN!

G1 Firestar: I might be called Firestar. But that was just HOT!

Nico: WHOA! NO KIDDING!

Me: Duncan you make awesome hot sauce man!

Duncan: Aw yeah!

We high five!

Flip was REALLY going to be feeling that! He was going to be on fire for a long time!

Later we were back at the estate.

Tussle Sprout: Only 4 Another Riders with collectibles left to fight.

Nico: Yep. That's right.

Me: Yeah and now we have Progrisekeys in our awesome Kamen Rider Arsenal.

Misty Tredwell: We sure do.

Nico: This is really awesome.

Then Zavok, General Schwarz, Metal Sonic, Marionette Shadow, Samon Shakekisutanchin, 10,000 Volt Ghost, Vypra, Mirror Master, Dai Gui, and Ryugu Tamatebacco appeared.

Zavok: Can me, General Schwarz, Metal Sonic, Marionette Shadow, Samon Shakekisutanchin, 10,000 Volt Ghost, Vypra, Mirror Master, Dai Gui, and Ryugu Tamatebacco go with you all?

Nico: Yes you all sure can.

Lola: This is gonna be awesome.

Lana: Yep.

Circe: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm going to go for a Typhlosion Gene-slammer next.

Me: Wow a Typhlosion is awesome.

Dawn (Pokemon): It sure is. Typhlosion is a powerful one.

Lola: Yeah so it's a fire user again.

Nico: Yep.

Me: Nuova Shenron can go.

Nuova Shenron: It would be an honor.

General Schwarz: What's our target this time?

Nico: I'm glad you asked.

He went over to his books and brought over the one for The Haunted School!

Me: The Haunted School! That's a good one. So we're going after Mr. Chameleon. He was responsible for the disappearance of the entirety of the class of 1947 at Bell Valley Middle School in Utah.

Nico: Yep.

Eli: What is he like?

Me: He's pure evil.

I pulled up his history.

---

Little is known about the past or identity of Mr. Chameleon. When Ben Jackson and Tommy Frazer first arrive in Grayworld, Mr. Chameleon is described as an evil photographer who was assigned to take a class photo for the students of Bell Valley School in 1947.

The students all hated him, and while getting their picture taken, messed around. This infuriated Mr. Chameleon, who snapped their picture in a single bright flash. The students were then transported to Grayworld - a strange black and white dimension on the other side of the School walls. The vanishing of the students would lead to the old school being boarded up, and statues of the missing class being put up in their memory. A majority of the class would be driven insane after being trapped, and are permanently stuck as the age they were when the picture was taken.

When Ben and Tommy eventually escape Grayworld with the help of Thalia, they discover a very much alive Mr. Chameleon about to take a new class photo. However, he snaps the picture while Tommy screams, sending a new class to Grayworld.

---

When I was done everyone was shocked!

Nico: That awful fiend!

Lola: We're not going to let him get away with this!

Me: Yeah! The Ghost Zone is not good for this guy. It's the Black Gates for Chameleon.

Dr. Krankcase: Does he have the powers of a chameleon?

Nico: No he is a photographer that hates kids and is responsible for a whole class from 1947 disappearing.

Me: We have to stop him once and for all.

Nico: And we will.

Mirror Master: If they disappeared through mirrors, finding them should be no problem.

Nico: It's not the mirrors that made them disappear. It's the camera that made them do that. We got to use our magic on that camera he has and then destroy it after bringing those kids back.

Me: We better get over there now. It's haunted by their spirits.

Shaggy: ZOINKS! Like going there!?

Me: Yes there!

Shaggy: (Cowardly cry) Like not on your life! No way!

Nico: Come on guys.

Shaggy: UH UH! NO WAY!

Scooby: And you can't make us!

Erica Haddock: Oh yes we can!

Erica grabbed them both and lifted them up.

Camie: Boy you two are chickens!

Shaggy and Scooby clucked like chickens.

Nico: Oh brother. Come on guys.

We were off.

Shaggy: (Cowardly Cry) We're all going to die.

Scooby: (GULPS)

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was Dark Rayman, the murderous dark clone of Rayman that's created by Mr. Dark, and he's coming to get his revenge on Rayman for what he did in Super Hakaing Mr. Dark in Mexico. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and Rayman, you're not going to like it one bit: the dark energy I sensed belongs to Dark Rayman, your murderous dark clone created by Mr. Dark, and he's coming to get his revenge on you for what you did in Super Hakaing Mr. Dark in Mexico.

Rayman gasped in shock.

Rayman: Oh man, I thought I'd never have to deal with that guy ever again. So, he's coming here to get revenge, huh? Well, this'll be the last time he ever causes trouble to anyone again.

Shannon Simpson: That's right, and we'll be the ones to deal with him.

Lincoln: That's right, Shannon.

Rayman: Mind if I also join in too?

Lincoln: Of course, Rayman.

Nico: Three heroes against a dark clones, this'll end real badly for Dark Rayman. Alright, gang, let's go, we've got a middle school haunting to solve.

Shaggy: Like, there's no way we're going there.

Scooby Doo: Ruh-uh.

Lincoln: Let me do it, Erica.

Lincoln grabbed Shaggy and Scooby by Shaggy's shirt collar and Scooby's dog collar and hoisted the two of them up with his immense and brute superhuman strength and with ease.

Lincoln: Let's go, you big chickens.

Erica: I think we should also make Lincoln an enforcer in case these two chickens try to chicken out again.

Me: Good idea, Erica.

Nico: (Snickers) Three Mystery Inc enforcers, there's no way Shaggy and Scooby are getting out of this again.

We were flying.

---

We arrived at Bell Valley School in Utah.

Nico: Here we are.

Illia: Looks like an ordinary school to me.

Me: Yeah it sure does.

Ghostly Voice: GOOOOOOOOO BAAAAAAAACCCKK!

We gulped in fright.

Laney: (GULPS)

Marionette Shadow then noticed something.

Marionette Shadow: You okay, Scooby. For some reason, you're not whimpering in fear for some strange reason.

Nico: Uh you may want to look again.

Shaggy and Scooby were stiff as a board in fright and I pushed them down with my finger and they fell to the ground.

Marionette Shadow: Oh.

Me: Man you two are big time cowards.

Long Haul: The hero helping us should be here somewhere.

?: Psst.

We heard a voice and it was coming from the bushes.

?: Over here.

We saw a boy and it was Tommy Frazer.

Tommy Frazer: Guys I'm glad you're here.

Nico: Tommy Frazer.

Tommy Frazer: It's awesome to meet you guys.

Me: We came to help you kill Mr. Chameleon.

Ryugu Tamatebacco: Has he claimed any victims today?

Tommy Frazer: No.

Me: Good. That's the last thing we want.

Nico: I agree. But we got to free the,

Me: Yeah. And the only way to do that is to use our magic.

Broccoli Guy: Wait. Didn't he pose as a teacher here?

Nico: Yes he did.

Me: And we're going to make that monster pay for his crimes times ∞.

Nico: Big time.

Eli: I sense that he is in the building.

Laney: We won't let him get away with his crimes.

Applejack: Yeah he has no right to mess with people's lives like that.

Tommy Frazer: I agree there too.

But then we heard someone scream!

10,000 Volt Ghost: Geez, I never heard Shaggy scream that loudly before. Not even when he and the rest of Mystery Inc first faced me!

Scooby: Well, don't look at me! I'm not screaming!

We saw Shaggy screaming!

Me: Shaggy! We aren't even in the building yet!

But he was still screaming!

Nico: What the!?

---

French Narrator: (French Accent) 3 Scream Filled Hours Later.

---

Shaggy was STILL SCREAMING!

Nico: Holy cow! Shaggy has been screaming like this for 3 hours with no breaks for air!

Lisa Loud: That is something that defies the laws of physics!

Sissi Delmas: Okay, now we really got to get a move on! Mr. Chameleon probably heard that!

Varie: I got this. SHAGGY QUIET!

He stopped!

Nico: Wow that was great.

Varie: People listen to doctors.

Nico: Wow.

Shaggy: Sorry guys.

Me: Geez. Wait. I got it. Shaggy you need to go BAD!

Then Shaggy turned brave and fearless!

Shaggy: Lets do it and make that monster pay!

Camie: What the!?

We went into the school and we was that it was a weird place.

Me: Creepy and cool.

Dai Gui: (sees the school schedule) It's good that language arts is being taught here.

Me: That is a good thing.

Lincoln: Yeah.

We walked around and kept our eyes peeled for anything.

We then saw his camera!

Sour Sweet: Wait. His camera's out in the open?!

Me: Hmm. It could be a trap.

Eli: It is. I sense it. But luckily I can do this.

He used the Force and brought it over to us.

Me: Boy that was easy.

Eli: Yep.

Metal Sonic: My scanners are showing him in the bathroom.

Maria: He must've put it on his desk while he's in there!

Me: Not very smart.

Nico: Now lets free the kids.

Me: I got this.

I fired a beam of magic and it hit the camera and then the spirits of the kids came out and then they rematerialized after 75 years! They were all back on the physical plane!

Nico: WHOA!

Livewire kicked over his desk.

Livewire: That shows what I think of his teaching methods!

Me: Same here.

Nico: Now we're going to fix his wagon. Lets get ready for the entrance.

Tommy Frazer: This is gonna be good.

Samon Shakekisutanchin: (to the kids) Eat some salmon for food!

Nico: Yeah after 75 years you guys must be hungry.

We gave them some awesome food and they were eating.

Eli: I got this.

Eli smashed the camera with his feet and destroyed it.

Lola: Good riddance.

We got them all fed.

Soundwave: Operation: Entrance Time.

Nico: Lets do it!

We waited and then Mr. Chameleon came out and then the spirits of the Animals of Dark Elements appeared and swirled around him and then converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and fireballs all hit him all over and a phoenix cry was heard and then we appeared!

Nico: You are going to pay for everything you've done!

Vypra: Your days of trapping kids are over!

Mr. Chameleon laughed insanely and crazily!

Mr. Chameleon: (LAUGHS INSANELY) YOU WILL JOIN THEM!

Me: Oh I don't think so.

We showed him all the kids he trapped released and his camera smashed into dust!

Lola: You will never take anymore pictures again!

Then Kaos, Technus, Mr. Fizz, Dr. Viktor, INSTIGATOR, Trap Jaw, Living Laser, Speed Demon, Weather Wizard, Zs'Skayr and Yost Crimson Dynamo appeared!

Nico: Kaos, Technus, Mr. Fizz, Dr. Viktor, INSTIGATOR, Trap Jaw, Living Laser, Speed Demon, Weather Wizard, Zs'Skayr and Yost Crimson Dynamo.

Kaos: Looks like Brave Shaggy's in the house!

Technus: He sure is!

Mr. Fizz: As long as he goes back to normal after this.

Me: Don't worry. He won't unless I snap my fingers.

Dr. Viktor: (to Nico) We heard you went to a limburger cheese planet.

Nico: You bet we did!

INSTIGATOR: Was it really that stinky?

Nico: It smelled like shit!

Me: Yeah it sure did! It smelled horrible!

?: Boy that must've been a bad place.

A figure came out and it was CRUISER from episode 23 of Zyuohgers!

---

Cruiser is one of the Players from Team Azald. His Blood Game was to cause as much destruction as possible while simulating warfare between battleships. Also he's the main antagonist in episode 23 of 2016 TV series called Doubutsu Sentai Zyuohger.

Cruiser is voiced by Akio Suyama who previously voiced Killborero from 2013 TV series called Zyuden Sentai Kyoryuger.

History

Cruiser made his first appearance on the hills of Japan ready to begin his blood game. Which he does by destroying a couple of buildings. However his destruction on Japan has accidentally interrupted Bangray's meal.

This kind of mayhem brought the attention of Zyuohgers and Bangray which is why Cruiser is a coward against intimidating opponents, so he lied to Bangray that it was the Zyuohgers that ruined his meal. After that he left the scene in terror.

A while later he appeared at a power plant ready to restart his blood game. However he was interrupted by Bangray who used his as he finds out it was Cruiser who'd ruin his meal. So Cruiser tried his best to dodge Bangray's attack while attacking him as well as Misao, Tusk, Sela, Leo, Amu and Yamato. After that Cruiser was then defeated by this finisher called Zyuoh Shoot.

However thanks to Naria by inserting a continue medal at the left side of Cruiser's torso to enlarge him as he battles Doubutsu Gattai Tousai Zyuoh. After that Cruiser got his Uchima Cluster right at the panels that has the image of a wolf, crocodile and rhino, but he was knocked back by the arrival of the other cube animal zords. And just like before he is still a coward even to the Wild Tousai King. However he was then destroyed by this finisher called Zyuoh Direct Straight.

---

Yamato: Cruiser!

Cruiser: Been a while rangers.

Me: I remember you! You were sent to do a Battleship game themed Blood Game and make people battle like in War Ships.

Cruiser: That's right J.D. Good memory.

Maria: I like that you're based on Warship simulation games.

Cruiser: Thank you, my good lady.

Me: That's awesome though.

We got the usual battles underway.

---

Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Mighty Morphin Power Rangers, Golden Queen and Tussle Sprout VS Kaos - Nico's rescue on a planet made of Limburger.

---

Kaos was first.

Kaos: (to Twilight) So, Nico's rescue on a planet made of Limburger? I bet he didn't eat any of it.

Twilight Sparkle: Nico may like cheese but Limburger is not one of them because it smells so horrible.

Starshine Sparkle: Yeah it smells like putrid socks!

Spyro: Yeah my nose is gonna be burning for a while.

Jason Lee Scott: Yeah no kidding! That world really smelled horrible.

Kaos: Geez no kidding! Lana liked it though. Lets do it for I, KAOS, Command it!

They fired waves of elements and magic and smashed him down.

---

Rarity: Oh indeed she is darlings and she knows how to make awesome ceramic pots.

Sweetie Belle: She sure does. She really isn't afraid of Lola, Lisa, Luan, Lori and Lynn.

---

Hailei Walker: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hailei, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hailei Walker: That's incredible.

Nico: It sure is. So, Hailei, what memories did you have with Lincoln?

Hailei Walker: Oh, I remembered this one time in Ceramics Class, Lincoln and I were making some clay jars and he wanted to make something for his parents. But, then, Lola busted in and ordered Lincoln to make a clay statue of herself. But, Lincoln told her no, and that this is Ceramics Class, not Art Class. But, Lola got so mad, she was going to kill him, but I got in the way, and trapped Lola in a lump of pottery clay, and it messed up her dress when she got out, and she was already seeing red and her hair turned to fire, and her teeth turned jagged. She tried to attack us, but our teacher saw the whole thing, and when I told her what that evil pink wearing pageant demon tried to order her brother to do, she dragged Lola to the office and when the news reached her parents, she got a five-week grounding with no sweets, no tea parties, and no pageants. She was really angry at me, and she swore revenge, and Lori, Lynn, Lisa, and Luan dragged her back to her room.

We cheered wildly for what Hailei Walker did to Lola.

TLPS Mr. Wolf: That taught her a big lesson, but you knew she was vindictive and vengeful.

Hailey Walker: Yeah, but I'm not afraid of her, nor am I afraid of Lori, Lynn, Lisa, and Luan, if any of them tried to hurt Lincoln, I'd slug them hard in the face and I wouldn't be surprised if I knocked out any of their teeth.

Rayman: I knew there's no mistaking that voice from anywhere, you can come out now, Dark Rayman.

A tornado of darkness and bats appeared from nowhere, and a black limbless figure with yellow eyes appeared from it. It was Dark Rayman from Rayman: Legends, the dark clone created by Mr. Dark.

Rayman: Dark Rayman, I should've known you'd show up after word of Mr. Dark getting Super Hakaied reached you from the darkness.

Dark Rayman: And now, I will destroy you for what you did to him.

Shannon Simpson: That's not going to happen, you shadowy Rayman imposter, and now, it's time for you to die.

Suddenly, Shannon Simpson's purple eyes turned neon purple, and she was surrounded by a dark purple energy aura with darkness, blood, demons, wailing souls, and dark magic, she unholstered her massive Souls of the Forgotten-themed sword from her back, and as she approached Dark Rayman, she left dark purple energy, darkness, blood, demons, wailing souls, and dark magic with every step.

Shannon Simpson: You're nothing more than a dark clone created by Mr. Dark for the sole purpose of destroying Rayman and carrying on his dark will. But, this time, I'm going to see to it that you never come back to haunt anyone ever again.

Suddenly, Shannon Simpson was surrounded by a massive vortex of dark purple energy with wailing souls, darkness, blood, demons, and dark magic surrounding it, the Souls of the Forgotten were flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Shannon Simpson emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Shannon Simpson grew from 6'0" to 6'11" in height, she had purple highlights in the bangs of her long flowing dark purple hair, she has neon purple eyes and a dark purple energy aura with demons, darkness, blood, wailing souls and dark magic surrounding her, she has the Souls of the Forgotten emblazoned on her forehead, she has on ghost earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has the Souls of The Forgotten with dark purple gems for the eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolt links. Shannon Simpson has on a short-sleeved purple blouse, sleeveless pink dress top, purple pants, dark purple knee-high sneakers, and long purple sleeveless trenchcoat with darkness, demons, wailing souls, blood, and dark magic on the coattails, and right on the back were the Souls of the Forgotten surrounded by demons, darkness, blood, wailing souls, and dark magic. Suddenly, Shannon Simpson felt a sharp pain on her back, and then, her massive dark purple angel wings grew much bigger for her new body, and the large dark purple feathers have pink tips. Shannon Simpson has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger and a Star Sapphire ring on her left ring finger.

Suddenly, Shannon Simpson's massive Souls of the Forgotten-themed sword was surrounded by a kaleidoscope of dark purple energy, darkness, wailing souls, blood, dark magic, and demons, and when it emerged, it's been transformed into Souls of The Forgotten Dark Demon Sword of Wailing Souls Justice, it's a brand-new greatsword with the Souls of the Forgotten etched on the 7'0" massive, wide, double-edged dark purple blade, large purple angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large pink gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of The Souls of the Forgotten with dark purple gems for eyes and a large dark purple gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the Souls of The Forgotten that said, "Shannon Simpson, Gene-Slammer of The Souls of The Forgotten, Goth Girl of Michigan, Powerful Member of The Goths of Darkness, Loving Future Wife and Guardian Angel of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Dark Arts and The Occult, and Master of Wailing Souls, Dark Magic, Darkness, Demons, and Blood"

シャノン-シンプソン、忘れられたの魂のジーン-スラマー、ミシガン州のゴスの女の子、闇のゴスの強力なメンバー、愛する将来の妻とリンカーン大声の守護天使、悪のスレイヤー、錯乱、殺人、冷酷な、そしてサディスティックなできそこない、驚くべきと強力な教師の素晴らしいと強力な学生、暗い芸術とオカルトのマスター、そして嘆きの魂、暗い魔法、闇、悪魔、そして血のマスター

Shannon Simpson has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS WAILING SOULS DEMON ANGEL OF DARK SOUL JUSTICE AND BLOOD TEAR LOVE!

We were amazed by Shannon Simpson's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Dark Rayman saw it, he threw a telescopic fist at her, but Shannon dodged it, and fired a powerful dark purple energy blast with demons, dark magic, darkness, wailing souls, and blood, and it hits Dark Rayman and he crashed back first into a wall.

Nico: Wicked, Shannon Simpson's transformed, this is going to be so awesome.

Me: You said it, especially since Lincoln and Rayman are also going to join in.

Lincoln: Wow, Shannon, you look beautiful. How do you feel?

Shannon Simpson: (Divine Echoing Cosmic Voice of The Dark Forgotten Souls and Divine Dark Love) **I feel incredible, Linky. Now, shall we put that dark Rayman imposter down for good?**

Lincoln: (Smiles) With pleasure, Shannon.

Rayman: You're not getting out of this alive, Dark Rayman.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope and Rayman transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope and he unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and they joined Shannon Simpson:

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Alright, ladies and gents.**

Rayman: (Divine Echoing Cosmic Voice of The Moonlight Lum Fairy and Celtic Dream Justice) **LET'S ROLL!**

Shannon Simpson, Lincoln, and Rayman went after Dark Rayman, and they fired fired powerful blasts of rainbow energy, dark purple energy, purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, Lums, Fairies, Wailing Souls, and Demons right at Dark Rayman, and they exploded with incredible power as they hit the dark clone. Then, Rayman attacked him with his massive greatsword and he also threw energy fists at him, and really bruised him, and Lincoln and Shannon Simpson attacked him with their massive greatswords and left painful scars on him.

Then, Lincoln slammed the tip of the 7'0" massive, wide, double-edged golden blade of his massive greatsword into the ground and a massive black shockwave with red electricity erupts out of nowhere and it hits Dark Rayman, then, he threw a massive rainbow fireball with his large left hand and it hits Dark Rayman burning him, and fired three powerful bolts of rainbow super lightning from his massive greatsword electrocuting Dark Rayman, and we recognized that pattern of attack from anywhere.

Nicole: Wait, I'd recognize that attack, that's one of the attacks of the since dead Serpent King, Orochi.

Me: Looks like Alicia's not the only one who can use the moves of videogame characters.

TLPS Mr. Wolf: And I remembered hearing that Lori and Lincoln were the ones who killed Orochi, after you guys killed Sabre at Camp Nightmoon.

Nico: You heard right, TLPS Mr. Wolf, and only one person was responsible for bringing him back from the dead: Da Ji. But, Leni and Lincoln turned her to stone after stripping her of all her powers except for her immortality.

Leni: Yeah, but after hearing about the contingency plans of Damian Alaister, Lincoln and I removed Da Ji's soul and sent her to The

Black Gates for good, just to be on the safe side.

Me: Nice one.

Then, Shannon Simpson, Lincoln, and Rayman fired powerful blasts of rainbow, purple, and dark purple energy at Dark Rayman, and they killed him and banished him to The Black Gates forever. We cheered wildly for what Shannon Simpson, Lincoln, and Rayman did as they holster their massive greatswords and powered down, and Shannon Simpson's new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Shannon Simpson: That'll teach that dark clone. And I want to thank you and Rayman for helping me take down Dark Rayman, Linky.

Lincoln: (Smiles Warmly) You're welcome, Shannon.

Suddenly, Shannon Simpson wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down Shannon Simpson's face, they kissed passionately as Shannon Simpson's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand was on Lincoln's massive and wide muscular right pec, and blood tears of joy came down from her eyes, and behind them was a Thunderbird, Phoenix, Angel, and the Souls of the Forgotten flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and creatures of the night flying around the place and we cheered for them.

Geronimo Stilton: This was truly an exciting day today. First, on Nico's rescue, they went to a planet of Limburger Cheese and took down Disonasu, an old enemy J.D. defeated 150,000 years hence and his mouth was just as foul as the stench of Limburger Cheese, and Nico was reunited with Tammy Rosalina, and on a planet of popcorn, Lincoln and his group took down wanted criminal from The Dream World, The Magician, and gave him The Black Gates and Lincoln was reunited with Hailei Walker, the Element Magician

Gene-Slammer and another of his Guardian Angels from his Ceramics Class, and the first Ambassador mission for Flora has also gone well as always and Rayman has also helped in not only keeping an eye on the Rabbids, but also in fighting against the villains in the world Flora was sent to, and later on, not only did we help Tommy Frazer solve the mystery of the series of haunting in Bell Valley Middle School and deal with Mr. Chameleon, but Shannon Simpson, Lincoln, and Rayman dealt with Dark Rayman, and he was given The Black Gates forever. But, the adventures are just beginning, reporting for The Rodents' Gazette from Gotham Royal York, I'm Geronimo Stilton, goodbye.

We cheered at the awesome news broadcast that Geronimo did.

Nico: Now, I know why you're known as a better news reporter than Sally Ratmousen, when it comes to journalism, you have a code of ethics and morals.

Benjamin Stilton: Yeah, while Sally relied on dirty underhanded tricks to humiliate Uncle G and the rest of us, and it really got me mad. Plus, I'm glad Vlad and Jack repaired their friendship yesterday.

Lincoln: Same here, Benjamin, and that was one spooky investigation into a middle school haunting.

Nico: You said it, big guy, but it ended with Mr. Chameleon getting taken down and got sent to The Black Gates, and the spirits of those who suffered because of him will finally rest in peace.

Me: You said it, Nico, and Lincoln's now a third enforcer for Mystery Inc, on top of being an Enforcer for the team.

Nico: (Snickers) Which means you and Erica now have some extra muscle to get Shaggy and Scooby to come with us.

Erica Haddock: You bet, Nico, and we've seen just how strong Lincoln is.

Nico: And his harem also felt just how strong he is when he hugs them, and they wind up getting an atomic blush on their faces.

May: (Seductively) Just like you, big, tall, muscular and handsome.

Nico's face blushed as he was then jumped by the girls of his harem and he got kiss marks all over his face and body, and he had a dazed smile on his face, and we had a laugh.

Trap Jaw: Is anyone gonna take Mr. Chameleon's teaching spot?

Maria: We'll think of someone.

Living Laser: But at least he's gone now. Thanks to additional power from the Progrise Keys Elyon and the others got.

Nico: That's true and those were awesome.

Hailei Walker: I really am gonna love it here with you guys.

Tammy Rosalinda: Same with me.

Speed Demon: You girls won't regret it.

Me: I agree.

Weather Wizard: Now, what do you guys say we celebrate with more of Duncan's hot sauce.

Zs'Skayr: And let's also revert Shaggy back as well. I honestly am used to his cowardly self.

Me: Me too. (Snaps fingers)

Shaggy: Like, What happened?

Me: Mr. Chameleon is gone for good Shaggy. And the spirits here can all rest in peace.

Shaggy: (Sighs in relief) Like thank goodness. Sorry I was being more of a coward than usual.

Me: We know Shaggy. I've known you for as long as I can remember and you are still the awesome big appetite coward we know inside and out.

Nico: Yep. But great job today everyone. This was a great mission. And Tommy you did a great job today too.

Tommy Frazer: Thanks Nico. This was awesome.

Nico: It sure was.

Tommy Frazer: (To the viewers) Now Mr. Chameleon is a forgotten memory. All the people he hurt have been avenged.

Nico: Yes they have. Lets go home.

We went back home and enjoyed the rest of the day and went to sleep.

# CHICKEN TROUBLE

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw six figures who was hiding out and living in the streets of Miami, Florida. But, they were no ordinary nine figures, their were Billy "Pinocchio" the Tinkerer, the daughter of Lincoln's future wife, Belle the Tinkerer. Blueberry Chiffon, the daughter of Lincoln's future wife, Blueberry Muffin. Claire "Arcee" the Sheep, the daughter of Lincoln's future wife, Lanolin. Along with Caitlyn, Zach, and Buffy Shellhammer, adopted kids of Lincoln Loud. Lincoln woke up from the dream, but he wasn't the only one, Belle the Tinkerer, Blueberry Muffin, Blueberry Pie, Lanolin, Lori Loud, Nico, and I also had the same dream.

Lincoln: Belle, Blueberry Muffin, Blueberry Pie, Lanolin, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Belle the Tinkerer: And it also means that we found out where our kids, is at, mate.

Blueberry Muffin: Along with three others, 2 girls and 1 boy.

Blueberry Pie: But the question is, Where?

Me: they're at Miami, Florida.

Nico: Oh man, that's not good. It's the same place when we found Nyx, Gilbert-Iago, Stinger Seinfeld, BeeLaunch, Nolan, Bright Eyes, Lancer, Melody, Sweetheart, Half Note and Ace. And is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Belle the Tinkerer, Blueberry Muffin, Blueberry

Pie, Lanolin, Me, and Nico were heading to Miami, Florida. Lincoln saw a 11-year-old girl who has dark blue hair that she ties into pigtails with green ribbons, apricot skin and blue-grey eyes. She has a pale blue long-sleeved shirt with a dark blue overall skirt with blueberry emblem on it, light purple leggings and blue Ugg boots. A slender robot-like anthropomorphic animal marionette that is made to look like a cute little 11-year-old boy with a round, chubby face and long nose. He has big, bright blue eyes and a fringe of thick orange hair adorned with a yellow hat with a red feather under a blue band wrapped around it. he has an orange thread with a tuft at the end for a tail. He wears bright red cotton fabric short overalls with yellow buttons over a light yellow shirt with a white collar. He also has a black vest, big blue bow tie, and brown shoes. A 12-year-old Sheep/Human girl who has cloudy white wooly fur on her head for hair she had up in a short ponytail with a pink hairband, light tan skin, and slate blue almond-shaped eyes. She wears a ripped jean vest with a teal pin, a white and orange ringer shirt, a pink and orange skirt, and black biker shorts. She wears pink and yellow sneakers. She also has a purple spiral bracelet. A 13-year-old girl who had short blonde hair and brown eyes, she wears a pink striped tank top with a blue flannel shirt, denim capri pants, and brown flats. A 12-year-old boy who had short blonde hair and dark hazel eyes, he wears a white hoodie with a red x design, black pants, and red running shoes. And a 14-year-old girl who had fair skin, short dark brown hair in a blue headband and blue eyes. She wears a sandy yellow top with a blue designer jacket, white capri pants, and white cap toe ballet flats. Lincoln saw who they was, it was Blueberry Chiffon, Billy "Pinocchio" the Tinkerer, Claire "Arcee" the Sheep, Caitlyn, Zach and Buffy Shellhammer.

Lincoln: Excuse me, are you Claire the Sheep?

Claire "Arcee" the Sheep: Also known as, Arcee! But yes, and who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you, Billy and Blueberry know all too well.

Then, Belle the Tinkerer, Blueberry Muffin and Lanolin came out, and when Billy "Pinocchio" the Tinkerer, Blueberry Chiffon and Claire "Arcee" the Sheep saw them, they was stunned.

Billy "Pinocchio" the Tinkerer: M-Mom, is that you?

Belle the Tinkerer: Yes, little boy, it's me.

Billy "Pinocchio" the Tinkerer, Blueberry Chiffon and Claire "Arcee" the Sheep ran up to Belle the Tinkerer, Blueberry Muffin and Lanolin, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, and Blueberry Pie.

Lincoln: And there's something you should know, Belle, Blueberry Muffin, Lanolin, your mothers are one of my many future wives.

Claire "Arcee" the Sheep: Wives? Are you saying that because… you're our father now?

Lincoln smiled, and that filled Claire "Arcee" The Sheep, Billy "Pinocchio" the Tinkerer and Blueberry Chiffon with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Caitlyn, Zach and Buffy Shellhammer join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Blueberry Chiffon, Billy "Pinocchio" the Tinkerer and Claire "Arcee" the Sheep to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Belle the Tinkerer, Blueberry Chiffon and Lanolin with their kids, and they now has a loving, strong, brave, and caring father in their life. As well as Lincoln Adopted Caitlyn, Zach and Buffy Shellhammer as his kids and they now have a loving, strong, brave, and caring father in their live.

Walking through Paleozoic World was Nico, Leo Corbett, Qin, Miku

Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were showing Max and the Dino Squad around our awesome and amazing Prehistoric World part.

Max (Dino Squad): Wow this is so awesome! I can't believe you built this place J.D.

Me: We thought it up after what happened when Isla Nublar was destroyed.

Nico: Yeah we made Paleozoic World after Isla Nublar sunk into the ocean.

Qin: That was awful seeing that happen. But at least all the dinosaurs are safe.

Miku Yuuki: That is true. I always like coming here.

Nico: Thanks for coming with me, Leo.

Leo Corbett: Anytime Nico. This is awesome that we're going to Paleozoic World.

Nico: Yeah it sure is.

Camie: Coming here is always so fun.

Himiko Toga: It sure is awesome.

Lana: I love Paleozoic World too.

Nico: Leo, in my opinion, Captain Mutiny is much better then Trakeena.

Leo Corbett: I agree there. Trakeena was an absolute monster.

Nico: She sure was and she beat the living shit out of J.D.

Me: Yeah no kidding there! But if she ever does return I'm not going to make the same mistake I did back then. I am far more powerful now. She won't last like she did.

Nico: No thank goodness.

Camie: Who is Trakeena?

Me: You would not like her Camie.

I went over her history.

---

Trakeena is the primary antagonist of Power Rangers Lost Galaxy, where she is portrayed by Amy Miller. When she reappears in Power Rangers Lightspeed Rescue, she is portrayed by Jennifer Burns due to Amy Miller walking off due to disagreements.

Trakeena was born the daughter of the galactic ruler and warlord Scorpius and an unknown female, though her mother may have been a humanoid (alien with the appearance of a human), as she speaks highly of her human beauty in spite of her insectoid features. Scorpius considered Trakeena to be the evil princess of his alien army and spared no expense to spoil and protect her, but she did not like being treated as a child as she became older. During her teenage years, she although did enjoy being spoiled by her father she wanted to become a warrior to prepare herself as ruler of her father's army when she would have to succeed him and would frequently sneak away with her father's generals in efforts to prove herself as a warrior despite his disapproval. At some point, Trakeena comes to learn of the demise of United Alliance of Evil caused by Z-Wave, one of the villains who were being purified by Zordon's sacrifice at the hands of Andros were Rita Repulsa, Lord Zedd, Divatox and the now former Astronema, Karone, with Trakeena's family were luckily survive for not getting involved with the alliance's war against Power Rangers on certain planets aside

Earth and Aquitar.

In one such case, the general Treacheron had allowed Trakeena to come with him, but when confronted by Scorpius, he claimed that Trakeena had followed him to battle just to save his own neck. Upset at being sold out, and with help from Impostra, Trakeena convinced Scorpius that Treacheron was a traitor and had him locked up. Their feud continued as Treacheron tricked Trakeena into searching for a silver goblet just so he could ambush her once he was free from his cell. She was saved only thanks to the intervention of the Galaxy Rangers.

Eventually, Trakeena learned that Scorpius wished for her to enter the cocoon and become an insect with great powers like him. Not wanting to lose her mortal beauty the transformation would cause, Trakeena fled to the planet Onyx when he tried to force her. As she wandered into the tavern and found that her prestige did her no good in facing the ruthless patrons, Trakeena met Villamax and his aide Kegler. Villamax offered to train her to be a great warrior and taught her swordplay and martial arts. In time, Trakeena became a truly incredible fighter, and later introduced her newfound strength to the tavern when they tried to give her trouble again.

Trakeena's personal victory became dashed when word reached her that Scorpius was dying, for he had been manipulated by his new general Deviot to attack the Galaxy Rangers and had been gravely wounded in the battle. She returned to the Scorpion Stinger to be with her father in his last moments and to apologize for running away. As Scorpius died, he willed that everything he had was now in Trakeena's hands, and his remaining power was sealed in an ornate staff for her own use. As to the cocoon, Trakeena put it in storage as she felt she didn't need it, but also wanted to keep it around just in case.

Now with all of her father's resources at her command, Trakeena began focusing her vengeance on Terra Venture and the Galaxy Rangers. Deviot told her that Scorpius was destroyed by Leo Corbett, the Red Galaxy Ranger. She would later capture and face off against him in a one-on-one sword duel, but would lose the chance to exact her vengeance when they were both attacked by Deviot's assassins Teksa and Kubak. Trakeena killed Teksa with ease and left Kubak to the Rangers, promising to destroy them for the death of her father. She would continue to attack Terra Venture multiple times, and at one point had the Psycho Rangers restored only for them to be destroyed by the combined might of the Galaxy and Space Rangers. After Kendrix's sacrifice on destroying the Sword of Darkness used by Psycho Pink, Trakeena was able to expose Karone's identity immediately due to her full knowledge of the former Astronema's involvement on Zordon Wave, but unable to steal the Pink Quasar Saber when Kendrix's spirit saved Karone and chose her as the second Pink Ranger.

When Terra Venture was pulled into the Lost Galaxy by Deviot, Trakeena was unwilling to follow, fearful of being unable to escape. When the colony emerged some time later, Trakeena destroyed the ship of Captain Mutiny, who was pursuing it as a show of her power over the galaxy.

When Deviot returned to Trakeena (having escaped the destruction of the castle) and claimed to have been forced into slavery by Captain Mutiny, she refused to believe him as she now knew he was plotting against her. Fleeing for his life, Deviot attempted to enter the cocoon but didn't make it before Villamax caught up. In desperation, he grabbed Trakeena and dragged her into the cocoon with him, causing them to fuse into a single being. Trakeena would emerge alone, her body now bearing some of Deviot's armor, but the fusion also made her as ruthless and evil as he had been.

Trakeena launched a full-scale assault on Terra Venture by arming her Stingwingers with suicide bombs to destroy the colony. Though she succeeded in bringing Terra Venture down and destroyed the Stratoforceand Centaurus Megazords at the cost of her entire army, this wasn't enough as she wanted the entire population of Terra Venture to suffer. This didn't sit well with Villamax, who had simply sworn to help her destroy the Power Rangers, and things came to a head when she was ready to destroy the escape shuttles carrying Terra Venture's population. When Villamax refused to destroy the shuttles and laid down his sword, Trakeena mercilessly killed him.

However, this had bought enough time for the Astro Megaship to catch up and protect the shuttles. Trakeena used the Scorpion Stinger's pincers to attack the Astro Megaship, forcing the Rangers to self-destruct it. As a result, the Scorpion Stinger was sent crashing down to the nearby moon where it was destroyed, and Trakeena was badly injured. With her father's words echoing through her mind, she entered the cocoon and mutated into a green, humanoid muscular insect with immense powers. She powered up Terra Venture's remains and attempted to drop the wreckage on the colonized planet, and at the same time was able to fight off all five Galaxy Rangers. In the end, Trakeena was seemingly destroyed by Leo's Battlizerwhen he fired his weapon at point-blank range.

In *Lightspeed Rescue's Trakeena's Revenge*, it was revealed that she had survived and managed to return to her human form. However, the kamikaze attack from the Battilzer had left Trakeena horribly scarred; donning a mask, she vowed to make the Galaxy Rangers pay for taking her mortal beauty. Deciding to destroy their homeworld as payback, Trakeena headed to Earth.

Keeping herself in secret, she employed the double agent demon Triskull to capture humans from Mariner Bay, intending to use their life energy to restore her back into her insectoid form so she could regain her great powers. Triskull claimed to the demons of Skull Cavern that he would give the energy to them so they could restore the body of their leader, Queen Bansheera, to its proper form. Trakeena wasn't concerned by the demons, knowing that at full power she could easily destroy Olympius and Queen Bansheera.

Things proceeded well, with Trakeena hiding in a secret thirteenth floor of an office building, while Triskullcaptured humans for her purpose. Unfortunately, her actions soon caught the attention of Lightspeed Rescue, who teamed up with the Galaxy Rangers to foil her. Making matters worse, Olympius, aware of Triskull's betrayal, decided to destroy both him and Trakeena along with the Rangers. To do so, he created a dagger covered with poison stronger than that of ten taipans. As Olympius and his forces battled the Lightspeed Rangers and Galaxy Rangers, he thought that it would be more efficient to let Trakeena destroy them than himself.

Taking advantage of having both sides fighting, Trakeena strapped herself into the machine and began siphoning the life energy to return to her insectoid form. However, Olympius decided to "let Trakeena have her wish" to mutate, tossing the dagger into the room. It tainted the life energy, causing Trakeena to lose control of the mutation process; becoming energy, she flew into the city and became a giant purple monstrosity. Olympius left satisfied, knowing that one of his enemies would be destroyed, if not both. The Galaxy and Lightspeed Rangers teamed up to battle her. Despite the help of the Galactabeasts, the Galaxy and Lightspeed Rangers were unable to stop her until the Omega Megazord became infused with the Lights of Orion. Trakeena was then destroyed forever.

When I was done everyone was shocked!

Camie: Whoa she was bad news!

Laney: Yeah she sure was.

Me: And I also killed her father too. We used the superlaser and blew up her father's ship.

Nico: Yep I remember that.

Leo Corbett: That was cool.

Nico: Yeah it sure was. But Trakeena was a monster to the very end.

Me: Yeah it sure was.

Nico: Now, Captain Mutiny, on the other hand, is a cool pirate.

Me: Yes he sure is.

Laney: He is really cool.

Nico: Yep.

Sirius: I think it's awesome too.

Lola: Yeah it is.

Kaito: Do we need our gears for this?

Nico: No this is just for leisure and fun.

Me: I promised Max and his friends that I would show them around Paleozoic World after they joined the team. It's part of our way for them to have some fun here.

Eli: I think it will be awesome for them to see it too.

Kaito: Oh that makes sense. I heard so much about this place. It's really cool.

Lana: It always is.

Zocks: Long as we get to come with Flora on her mission.

Me: Fair enough. Besides it'll be awesome for you guys to meet more Kamen Riders. And you guys are going to love Aruto. He and I go way back.

Nico: Wow! How far back?

Me: It was shortly after the battle with Thanos. Me and Lisa helped him and his team destroy Gai Amatsu's organization the first time as well as ARC and we also learned so much about them too.

Lisa Loud: Indeed and it was amazing to see that Aruto and his team live in a place where Humans and Machines all live together.

Nico: I remember watching that. That is so awesome.

Me: It sure is and I can't wait for some of you to meet Aruto's team and the Humagears. They are in every way like Androids and they are really cool.

Eli: Wow!

Nico: Also, before we got here, I used my powers so only we can access the souls hit by the Black Gates.

Me: Smart thinking man. Now only WE can use those powers.

Nico: Yep.

Eli: Ooh.

Nico: The reason? Just in case we ever decide if some of the Black Gate victims will ever be in the Masters of Evil. And if we ever want to get a light on humiliating certain ones.

Me: That's awesome. It'll be great to give them some much deserved punishment.

Nico: Yep.

Eli: That will be so awesome to see though.

Laney: It sure will.

Eli: By the way bro how did you react when you saw Humans and Humagears together with Aruto and his team and everyone?

Me: It was all really awesome and fascinating. My data eyes were scanning all the technology there and my brain was so overloaded with knowledge that I had a nasty headache.

Lana: I had to put a huge block of ice on his head to cool it down.

Me: But the technology that Aruto and his company made was so amazingly and incredibly advance that it was awesome.

Nico: It sure was.

Juran: Considering my Zenkaiger form, I actually do like seeing dinosaurs here.

Eli: I love seeing dinosaurs here too.

Lana: Me too and it was awesome learning how to tame a pack of Velociraptors from Owen.

Me: That was so awesome.

Nico: Gotta love the T Rex.

Me: Yep.

Fiona (Dinosquad): How did all this come to being?

Me: You would not believe it Fiona. It was all possible thanks to finding perfectly preserved dinosaur blood found in a mosquito that was fossilized in amber. Top Dog Genetic Scientists then brought all the dinosaurs back to life after 66 million years.

Aylene C.: We were all flabbergasted that they did all that.

Littlefoot: And it feels amazing seeing more dinosaurs here in the 21st Century.

Ducky: Oh yes yes yes. It sure is amazing.

Leo Corbett: Not like what Veloci did.

Me: No this is completely different. This was all conceived by the world famous billionaire theme park architect John Hammond.

Eli: Yep.

Caruso: Wow that is awesome.

Me: Yep. I thought it was so amazing.

Fiona (Dinosquad): Wow.

Fluttershy: I know and it's all so really amazing.

Nico: It sure is and we're discovering more and more kinds of dinosaurs every day. It's so awesome.

Lola: It sure is.

Fu: Wow.

Nico: And speaking of what Veloci used to turn into, here are some velociraptors.

We saw the Velociraptors.

Nico: Wow.

Max: So awesome.

We saw Owen taming them like he is the Alpha in a Pack of Wolves.

Me: Owen is amazing when he does that. He is like the pack leader of a Pack of Wolves. Deinonychus hunted in packs like Wolves do.

Kaina Tsutsumi: That is so cool.

Tsuyu: Boy I'll say.

Nico: Now, let's get to work on finding the next Gene Slammer.

Me: Okay and We can show everyone more around the park. We got 710 million years of Prehistoric history to see.

Max (Dinosquad): This is gonna be so awesome!

We walked around and we saw everything in each sector. We saw the Cambrian, Ordovician, Silurian, Devonian, Carboniferous, Permian, Triassic, Jurassic, Cretaceous and Tertiary periods and it was so awesome.

Me: Well what do you guys think of Paleozoic World?

Max (Dinosquad): Wow! It's everything like you said J.D.!

Me: Yep.

Varie: It sure is.

Maria: Yeah! Wait look!

We saw a Typhlosion!

Me: A Typhlosion? Wow.

We went up to it.

Leo Corbett: It's okay. We're not here to hurt you.

Typhlosion: (In a girls voice) Oh. Wow Nico!? Is that you?

Nico: Cindy Richards? Whoa its been a while.

Typhlosion: Been a while porcupine head.

Nico: Been a long time since you called me that.

Me: Do you know her Nico?

Nico: I sure do. Cindy Richards is a former bully that I saved from herself and made her into a better person and a great friend.

Me: Wow!

Leo Corbett: Can I ask how that happened?

Nico: I found out that her so called dad was abusing her terribly and I called the cops on him and got him sent to prison. And I got her to renounce her bullying ways and made her into a better person. Me and Cindy were very close back then.

Qin: I remember that. That was so awesome.

Rachel Stavenport: I do too. Wow.

Typhlosion: That's right. That jerk is not my father anymore.

Me: You deserve much better than your so-called father.

Maria: Yeah.

Nico: Boy its been a long time since we did this. Lets revert you back to normal.

Zocks: Should we look away?

Nico: That would be wise.

Me: Also I forgot to mention this to some of you but my daughter Nicole absolutely hates perverts. If any man or boy looks at a girl naked she pulverizes them into pulp. She HATES all perverts with a vengeance.

Nicole: It's true guys and I'm sorry I forgot to mention that to you all.

Zocks: Oh no worries.

Kaito: We can tell that you do what you can to make sure the dignity of women is protected.

Magine: I agree there.

Nico: Yep.

Typhlosion: I'm ready.

Nico: Okay.

I put on my blind man glasses and Nico did the same and so did Lincoln.

The boys covered their eyes with their hands.

Nico: Here we go. (SNAPS FINGERS)

Cindy was in tremendous pain!

She was regaining her human appearance and it was really painful.

Cindy: MAKE IT STOP!

Nico: It'll be over in a few seconds Cindy!

Varie: Fashion Brigade get ready to move.

Maria nodded.

Qin: We're ready.

Rarity: I am ready darlings.

Cindy was back to normal and she was naked.

Cindy Richards: Oh man that really hurt.

She saw herself.

Cindy Richards: (COVERS HERSELF) EYES TO YOURSELF

PERVERTS! ANYONE THAT SNEAKS A PEAK WILL GET THEIR NECK SNAPPED!

And then Maria, Qin, Varie and Rarity gave her new clothes.

Cindy had short blond hair and the clothes Maria gave her were a Navy blue vest with flame designs near the arms over a creamy yellow colored T-shirt. Also, denim shorts with the same flame designs near the end. Finally, fingerless gloves and an olive green backpack.

Cindy Richards: Wow awesome clothes.

Me: Yep.

I formed a mirror.

Cindy Richards: Wow I look great!

Nico: And you now have awesome fire powers.

Cindy Richards: Wow!

Leo Corbett: What's your favorite memory of Nico?

Cindy Richards: I have a lot of them. But my favorite was when me and Nico were having lunch and I gave another bully a wedgie that fused with his butt and it was permanent.

Me: Ouch!

Nico: Nice! I remember that. That was funny. That was Jerry Thornton and he was never the same after that.

Laney: Serves him right.

Cindy Richards: You got that right.

Nico and Cindy then hugged.

Nico: I really missed you.

Cindy Richards: Same here Porcupine head.

Me: So awesome.

Nicole: Boy its been a long time since we gave gene-slammers new clothes.

Nico: It sure has been a while.

Laney: No kidding there.

Me: How did you guys like Paleozoic World?

Max (Dinosquad): It was really awesome and fun!

Nico: Glad you guys had a lot of fun.

Laney: Yeah no kidding. That was so fun.

Nico: Yep.

We went back home.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Cole Evans are heading to Catatomba, Venezuela, and not only is Lincoln going to rescue the seven girls here, but we're also going to see the awesome lightning storms here, and we're also going to face Quinton, and give him The Black Gates.

As soon as we arrived, the lightning storms in Catatomba, Venezuela erupted, and the lightning bolts made some awesome displays.

Lincoln: Wow, we're here in Catatomba, Venezuela, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to see the awesome lightning storms, and we're also going to face Quinton, who's another member of the Vetrix Family and give him The Black Gates.

Eli: That's right, Lincoln. But, unlike the violent Quattro, Quinton is said to be the most rational and calmest of his brothers, but back then when he was younger, Quinton was gentle and mature to others, looking out for his younger brothers and made sure they behaved. But after what happened to his father at the hands of Dr. Faker, Quinton eventually became cold and stoic, blaming his father's condition on Dr. Faker.

Nico: And all for revenge on Dr. Faker, that's extremely bad.

Me: You said it, this is why when we face Dr. Faker in the future, he's going to pay for what he's done in the past.

Lincoln: And it wasn't just Quinton's father, Vetrix, that's a victim of Dr. Faker, there's also Yuma's father who was also sacrificed to open the door to Barian World, and we're all going to see to it that he never hurts anyone ever again.

Nico: That's right, Lincoln. That mad scientist will pay for the lives that he's ruined.

Lincoln: You said it, and thanks for joining us, Cole.

Cole Evans: You're welcome, Lincoln, this is going to be awesome.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Quinton, and he's going to destroy them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Quinton, and he's going to destroy them.

?: (Scottish Accent) That cold-hearted duelist, let's get him.

Suddenly, we saw the Duel Monster, Number 76: Harmonizer Gradielle, appear before us.

Nico: Wow, that's Number 76: Harmonizer Gradielle, awesome.

Lincoln: And I'd recognize that Scottish accent from anywhere, I knew it was you, Celina McPherson.

Melanie McPherson: (Scottish Accent) I knew we were right that you'd show up, Celina, but we'll have to talk later, we've got to deal with Quinton.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Quinton, and that allowed the seven girls to get away. When Quinton saw us, he maintained his composure.

Quinton: So, the legendary Team Loud Phoenix Storm has arrived.

Lincoln: And you know why we're here, Quinton: to kill you, just like what happened to your violent brother, Quattro. Eli told us of your story, and why you're doing this. But, you should know nothing good ever comes from seeking revenge, it'll only lead you down a road into darkness, and it'll end with your death.

Quinton: No, I will have my revenge on Dr. Faker, and none of you will get in my way.

Rayman: Then, you've left us no choice.

Lincoln: Right, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity

Then, Lincoln summoned dragons made of pure lightning and powered by the Venezuela lightning, it bound Quinton and he couldn't escape, and then, Lincoln put his large left hand on Quinton's head, and it glowed with rainbow energy, and it removed his crest on his forehead and destroyed it.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This is the end for you, Quinton, go join your violent brother in Hell.

Lincoln charged up a Kamehameha wave infused with The Black Gates, and it was also infused with rainbow super lightning and the lightning from the Catatomba lightning storms.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) BLACK GATES ELECTROSTORM

KAMEHAMEHA!

Lincoln fired, and as it hits Quinton, it exploded with really incredible power, and it gave him and his brother, Quattro, The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for you, Quinton. (To Celina McPherson) And it's so good to see you again, Celina McPherson.

Celina McPherson reverted back to normal, and she's a beautiful girl with long flowing sea foam green hair in pigtails, sea foam green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive rainbow angel wings with stars, and she reigned in the power of Number 76: Harmonizer Gradielle, and she's dressed in a light blue short-sleeved blouse, sleeveless light blue midriff top, light blue skirt with black frills, blue pants with stars, blue ankle-high sneakers, and long blue sleeveless trenchcoat with rainbow lights and music notes on the coattails, and Number 76: Harmonizer Gradielle on the back, and holstered on her back is Number 77: Harmonizer Gradielle's keyboard sword and a large Number 76: Harmonizer Gradielle-themed greatsword with Number 76: Harmonizer Gradielle etched on the 7'0" massive, wide, double-edged blue blade, large rainbow angel wings for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, and large rainbow gem surrounded by angel wings for the pommel.

Celina McPherson: (Scottish Accent) Aye, you too, Lincoln, it's been a long time, and it's good to see you again, Melanie.

Melanie McPherson: (Scottish Accent) You too, Celina.

Lincoln went up to Hailei Walker and they hugged, and Hailei Walker was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were fifteen, and as you can see, I really grew a lot since then.

Celina McPherson: (Scottish Accent) Aye, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you and Melanie know her?

Lincoln: Indeed I do, Nico, this is Celina McPherson, she's one of my Guardian Angels from Scotland, and like Melanie, Celina's from the well known McPherson Clan in Scotland that was really awesome friends and family members to our ancestors from Loch Loud over 400 years ago and to us, and they absolutely hated Morag's family with a merciless and ruthless vengeance, and Celina hates Morag more than life itself.

Duke Lincoln: (Scottish Accent) Aye, that's right, and we can thank Elsie McPherson for killing Aggie those four centuries ago.

When Celina McPherson saw the Louds' Scottish Ancestors, she was stunned, but Melanie and Lincoln, along with Duke Lincoln and Lucille told her everything, and she was happy to see them here and in the world of the living again, and she's also happy Morag and Aggie were sent to The Black Gates for good. Suddenly, a Thunderbird Necklace of Eternal Love appeared around Celina McPherson's neck with blue gems on the gold thunderbolt links and sea foam green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Celina McPherson: (Scottish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Celina.

Celina McPherson had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Celina McPherson's waist and Celina McPherson wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Celina McPherson's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Bai Xiao Jia, Feng Ji Yue, Le Yan, Liu Ge, Xia Xing Mei, Feng Qing Yun, and Song Mi Yeon from An Tu! An Tu!

Lincoln: Oh wow, it's Bai Xiao Jia, Feng Ji Yue, Le Yan, Liu Ge, Xia Xing Mei, Feng Qing Yun, and Song Mi Yeon from An Tu! An Tu!

Nico: Awesome.

Lincoln: Are you girls okay?

Bai Xiao Jia: Yes, we're okay, thanks to you.

Then, when Bai Xiao Jia and the other six girls saw who it was that saved them from Quinton, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th

Bai Xiao Jia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Bai Xiao Jia: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Bai Xiao Jia, Feng Ji Yue, Le Yan, Liu Ge, Xia Xing Mei, Feng Qing Yun, and Song Mi Yeon with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Quinton.

But, when Lincoln showed what he did to Quinton, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Celina McPherson have a lot of catching up to do now that she's back in town, and we showed everyone the lightning storms that appeared in Catatomba, Venezuela, and they were so awesome.

Maria: Wow, the lightning storms in Catatomba are really awesome.

Lincoln: They sure are, and we also got pictures of the lightning storms while we were there, and still, we didn't expect to run into Quinton here.

Nico: Same here, but that's another one of the Vetrix Family stopped, but I can't help but feel sorry for him, he's been driven by revenge by what happened to his father, and it's because of Dr. Faker.

Lincoln: I know, that mad scientist has caused nothing but pain and suffering to everyone in his path to destroy everything.

Reginald: Dr. Faker's going to pay big time for what he's done.

Lincoln: You said it, and Astral, we got you this from Quinton.

Lincoln gave Astral Number 9: Dyson Sphere, and he absorbed it.

Astral: Thank you, Lincoln.

TLPS Mr. Wolf: I remembered you guys have been going after the Number Cards, and you've also been dealing with the villains who have them in their clutches.

Nico: That's right, and those Number Cards are nothing but trouble, and we made it our job to catch the Number Cards, but it also means we're going against Don Thousand, and he's a dangerous being out to destroy Astral World and Earth.

Lori: And that's something we can't allow. But, first, we got to deal with the Vetrix Family, Heartland, and Dr. Faker, and then, we can get after Don Thousand.

Lincoln: That's right, Lori.

---

After putting down Quinton, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Celina McPherson saw Lincoln working out like crazy, she had an atomic red blush on her face.

Celina McPherson: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Celina, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Celina McPherson: (Scottish Accent) That's incredible.

Nico: It sure is. So, Celina, what memories did you have with Lincoln?

Celina McPherson: (Scottish Accent) Oh, I remembered this one time in the cafeteria, I made some Haggis for Lincoln to try out, a traditional and national dish from Scotland. Everyone thought he was going to throw up, but he didn't and he ate it all, and even I was really impressed, and the others were really stunned.

We were amazed.

Me: Whoa.

Lincoln: It was really good, guys, and I didn't throw up. Everyone thought that I had an iron stomach to eat Haggis.

Duke Lincoln: (Scottish Accent) But, it isn't, Lincoln. You had Scottish Blood in your veins, and Haggis is known as our national and traditional food, and you ate the whole thing.

Nico: (Stunned) Dang.

We got a shower afterwards, but suddenly, a flash of light descended on the World Tree Estate, and we had to cover our eyes. Then, the flash of light disappeared, and we uncovered our eyes, and then, we saw that the world of Stoked has merged with our world.

Lincoln: Wow, Lo, Emma, Fin, your world's merged with ours.

Lauren "Lo" Ridgemount: That's incredible. Wait, I've also got to tell my family about where we were, they must've been really worried when me, Emma, and Fin got kidnapped and were about to be killed by Michael Devlin, who brought back Joseph Seed.

Emma (Stoked): Same with Reef, Broseph, and Johnny.

Fin McCloud: Good idea, Emma, and this'll be your first time meeting them, Lincoln.

Lincoln: Right, Fin. Let's get going.

We flew out of the Estate, and we headed for The Surfer's Paradise Ridgemount Resort on Sunset Island, and it was really awesome.

Lincoln: Wow, so this is the Surfer's Paradise Ridgemont Resort, it's awesome.

Lauren "Lo" Ridgemont: Thanks, Lincoln. Now, where are Reef, Broseph, Johnny, and my family?

Suddenly, we saw a couple of figures heading our way, they were Reef, Broseph, Johnny, and Lo's family, her parents, her younger brother George, and her older brother, Ty.

Reef: Emma, Fin, you guys are okay. And you also brought the legendary Team Loud Phoenix Storm here? Awesome!

Emma (Stoked): We sure did, Reef, and we're okay.

Lauren "Lo" Ridgemont: Yeah, Lincoln here rescued us, along with Caitlin Cooke, Jen Masterson, and Nikki Wong from Joseph Seed, the leader of the Project at Eden's Point cult, and an enemy of Team Loud Phoenix Storm who was brought back from the dead by Michael Devlin of The Church of Necrom.

Ty Ridgemont: That insane psychopath, I heard that he, along with Damian Alaister and the other members of The Church of Necrom were executed.

Lincoln: That's right, Ty, and me and the Dark World Goth Girls were the ones who killed them and sent them to The Black Gates. But, those evil demons had contingency plans to try and kill us again, and even dead, their evil still lives on.

Mr. Ridgemont then walked up to Lincoln, and he offered his hand and they shook.

Mr. Ridgemont: Lincoln, thank you for saving my daughter, and Lauren, when your wedding happens, I hope you made reservations for us.

Lauren "Lo" Ridgemont: It'll already be done, Daddy.

They hugged, and it was awesome.

Ty Ridgemont: And Lincoln, I heard you were the one who won the Big Kahuna contest in Hawaii.

Lincoln: That's right, and I performed one of the most impossible moves in all surfing: The Reverse 720 Surf.

This shocked Reef and the others.

Reef: The Reverse 720 Surf, that's one of the most impossible moves in all surfing, but you did the impossible, that's so awesome.

Broseph: Truly incredible.

Lori: We were literally impressed at what Lincoln did, Reef, and it was really awesome.

Johnny: And you girls will keep in touch with us, right?

Fin McCloud: Actually, we got more than that, Johnny. How would you guys like to join the team?

Reef: Whoa, joining Team Loud Phoenix Storm, awesome! We're in.

Lincoln: Now, that was quite a surprise you planned, Fin.

Fin McCloud: Well, we knew it was coming when our world merged with ours, Linky.

We went back home to the World Tree Estate, and we made Reef, Lo's brothers, Broseph, Johnny, and Lo's parents members of the team.

* * *

Later it was time for Flora's first ever Ambassador Mission and we were heading over to Japan to meet the Zero One Kamen Riders. This was going to be a really awesome and amazingly high tech mission series.

Flora: Oh this is gonna be so awesome.

Me: You're going to love it Flora. I can't wait for you to meet Aruto and his team.

We arrived in Japan.

Me: Here we are.

Nico: Wow.

We saw lots of people and Humagears together. Humagears looked like normal people but they had cybernetically amazing devices on their heads. They were androids too.

Nico: This is amazing. It's like something out of a bunch of Robot movies I remember.

Me: I know. When I first saw this it reminded me of something I saw out of the movies The Matrix, I Robot, Artificial Intelligence and many awesome robot movies that I have watched over the years.

Flora: This is so cool.

We went to find Aruto.

Then Aruto saw Flora.

Aruto: Excuse me, miss. I don't think I've seen you around before.

Flora: Oh we've been here many times before. You must be Aruto. I'm Flora, Princess of Linphea and Fairy of Nature and member of The Winx Club and Team Loud Phoenix Storm.

Aruto: Wow! It's an honor to meet you and is J.D. here?

Me: Why don't you ask me yourself?

He saw me.

Me: Long time no see Aruto.

Aruto: J.D.!

We hugged.

Nico: Camie is one of J.D.'s many fiancees.

Me: It's true.

Aruto: Same to you Camie.

Isamu Fuwa came out.

Isamu Fuwa: J.D. Good to see you again.

Me: You too Isamu. You're looking awesome.

Isamu: Thanks. And Wow it's an honor to meet the great Team Loud Phoenix Storm.

Nico: Same to you.

Camie: We heard so many awesome things about you from J.D. and it's an honor.

Megan Kiraton: It sure is.

Isamu: Yeah. And Lisa it's great to see you again.

Lisa Loud: You too Isamu and you are doing remarkably well.

Isamu: Thank you.

Me: Is Izu with you too?

Aruto: She sure is.

Izu came out.

Izu: Greetings to you J.D.

Me: Hello Izu. Looking great.

Izu: Thanks to you J.D.

Me: Nice to see that Anti-ARC Program that me and Lisa made for you is working great.

Izu: Yes it is and the program is working very diligently for all Humagears everywhere.

Nico: That's great.

Rayman: Boy it sure is. Oh sorry my name is Rayman.

Aruto: Pleasure to meet you.

Nico: (sighs) And these are Rabbids.

Me: Rabbids are really funny. But they are not the brightest light bulbs in the closet if you know what I mean.

Aruto: I think I get it.

Aruto and Isamu saw all of our Progrisekeys.

Aruto: You guys have Progrisekeys too!?

Me: Yeah that's one of the things we need to tell you about.

Flora: It's a long story.

Aruto: Let me show you the building.

Nico: Sure.

We went to Aruto's HQ and it was amazing.

Nico: By the way Aruto, you would love Lisa's sister Luan. She would love your jokes.

Me: Yeah many people don't think you are funny but I do. You are really funny.

Bloom: We sure do.

Aruto: Thanks guys. That means so much to me.

Nico: We're glad.

Aruto: Yeah.

Nico: I bet our Cybertronian Buddies would love the Humagears

Me: They would Nico. I told Aruto all about the Cybertronians we know and everything and he would love to meet them.

Aruto: I sure would.

Me: Looks like Optimus Prime and Megatron will be going next.

Nico: Yep.

Aruto: Isn't Megatron a bad guy?

Me: Normally yes but not the one that we met in the Aligned Universe.

Nico: Yeah that was a great adventure.

Eli: Yeah we have had lots of awesome adventures with the Transformers.

Nico: And the Animated Megatron's cool too.

Me: Yep.

Aruto: That is so cool.

Me: We know a lot of awesome androids as well.

Nico: It's true.

Aruto: That is awesome.

We arrived at Aruto's base and it was so awesome.

Me: Wow! This is amazing.

Aruto: Yep.

Me: Just as amazing as me and Lisa remember.

Lisa Loud: Very amazing.

Nico: Aruto, you're probably the youngest president of a company ever. But I'm not complaining as long as the Humagears are led towards peace.

Aruto: Yeah it's a big job but I honestly didn't want this job. But it was given to me when my grandfather died.

Me: Yeah but it is cool that you do this job.

Eli: Yeah it sure is and you make awesome technologies for the great benefit of humanity.

Nico: Yeah that's true.

Aruto: I agree too. So what are these Progrisekeys you have?

We showed them to him.

Me: These are Progrisekeys imbued with the powers of the 310 Core Members of the Masters of Evil.

Isamu: Wow your frenemies powers in Progrisekey Form.

Me: Yeah really awesome story too.

A Rabbid tried to use a Progrisekey. It didn't like what it said.

Progrisekey: Stupid Rabbid. A bunny creature who doesn't have a brain.

Insulted, the Rabbid yelled angrily as it was about to throw the Progrisekey to the floor.

Isamu: Hey! Don't throw that to the floor!

Rayman: Be nice little guy.

I picked it up.

Me: But that was not nice for a Progrisekey to say.

Nico: Yeah.

Lisa Loud: Indeed.

Nico: Yeah. But also it's not just the Progrisekeys we got.

Me: We met a bunch of Kamen Riders over the last couple of months and they are all really col.

Flora: Yeah we met Hibiki, Kabuto, Den-O, Kiva, Decade, OOO, Gaim, Zi-O, Saber, Wizard, Fourze, Ex-Aid, W and now you guys.

Me: Yep.

Nico: Yeah.

Me: By the way Aruto, we owe you and many of your fellow Kamen Riders big for helping us out during the 20 Days of Darkness.

Isamu: Even though we weren't there when it happened we're glad we were able to help out.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We heard an explosion!

Aruto looked outside to see what appeared to be Kamen Rider Ex Aid.

Aruto: Is that Emu? What's he doing here?

"Kamen Rider Ex Aid" started attacking people.

Isamu: Okay, I don't know what's wrong with Emu at the moment. But he would never attack people without a good reason!

We looked.

Me: Oh man that's Another Ex-Aid!

Flora: We've been wondering when he would show up!

We went to face him!

Aruto: Emu, I don't know what's wrong with you. But if you come with us, we can help you!

Me: Aruto that's not Emu! That's someone else!

Another Ex-Aid: Been a long time J.D.

He detransformed and I recognized him! It was my old enemy Nicholas Cerrington! He was a kid with blond hair and blue eyes and had punk kids.

Me: Nicolas Cerrington!

Nicolas Cerrington: You remember me. I'm flattered. Now I can get my revenge on you for ruining my life!

Nico: You know him J.D.?

Me: I sure do unfortunately. He was a bully that I busted in my school for hurting people and I got him expelled and sent to juvie for 4 years for murder. After he got out he went on a citywide crime spree racking up a criminal record over 75 miles long. I then had him deported and banished to Siberia.

Nicholas Cerrington: And I swore I would get my revenge on you Knudson! You ruined my life!

Me: You brought all that on yourself.

Isamu: What did you do with Emu?

Nicolas Cerrington: Oh, I haven't even met him yet. But now that he still exists while I have my power, I'll pay him a visit after I kill J.D.!

Me: We'll see about that!

Aruto: Not if we stop you first!

Nicolas Cerrington: (laughs) Oh, you and your buddy over there are gonna be busy with my playmates.

Out came Smile Sumida A.K.A. Neohi Magia, Mammoth Magia, Onycho Magia and Gaeru Magia!

Nico: WHOA!

Me: Smile Sumida A.K.A. Neohi Magia, Mammoth Magia, Onycho Magia and Gaeru Magia!

Nico: Wow I remember all these guys!

Eli: They were tough!

Me: Yeah and now I have some unfinished business to do with

Neohi. I can save her and help her. Last time was when Aruto failed to do so and she was destroyed.

Nicolas was surrounded by surrounded by pink pieces of data before turning back into Another Ex Aid.

Me: Isamu, it looks like you and the Zero One Kamen Riders are going to get the bounty put on Another Ex-Aid.

Flora: It's true.

Aruto: Cool!

Nico: Lets get them!

They got ready!

Isamu and Aruto: Henshin!

Me: KIBAL LETS HOWL!

Isamu and Aruto transformed!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (GOES SUPER SAIYAN 3)

Zocks: (Singing and Dancing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Nico: YEAH!

Aruto: Cool song.

Me: It's really catchy. The mascots and our teammate Will love it too.

Zenkaigers: Change Zenkai!

Zocks: Change Twokai!

They transformed!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガオーン

Magine: MAGICAL POWER! ZENKAI MAGINE! ゼンカイマジーヌ

Vroon: RUMBLING POWER! ZENKAI VROON! ゼンカイブルーン

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

All: The 6 assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Flora: YEAH!

Nico: Awesome!

Kaito: Full Power Non Stop!

Zocks: I'll make a show out of it two!

Aruto: There's only one person who can stop you. And that's me!

Me: And we're going to kick your big ugly fucking asses!

Isamu: ZAIA… I will crush them all!

Nico: Yeah! It's BUTTKICKING TIME!

Me: Time to send you guys to the junkyard!

I went at Neohi Magia and she fired energy blasts at me and I dodged them and fiery explosions blasted the ground all over!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

I went and kicked her in the face!

Me: Smile fight it!

Neohi came at me and I blocked her strikes.

Me: Smile it's me J.D.! Don't you recognize me?

Neohi looked at me and then she clutched her head.

Smile: J.D. help me!

Me: Hold on!

Zocks: (Gets out Ex Aid gear) Let's start things off with the real Ex Aid's power.

Kaito: (gets out Build gear) And Build's power too!

Zocks summoned the power of video games with an Ex-Aid Blaster Cannon and Kaito summoned the power of formulas with an awesome Build Sword!

Nico: COOL!

Nico used Trapster's Paste-Gun to stick Mammoth Magia to the ground.

Aruto: Looks like you're in a STICKY situation. (laughs) Now that was a work of Aruto!

Nico: (Laughs) Hey that was a good one!

Aruto: Thanks.

Eli: Lets see what my Eyecon can do.

He activated his Eyecon!

MORGAN LE FAY AND BARON MORDO!

Eli fired a massive blast of magic and it hit Mammoth Magia and blasted a huge hole into his chest and it was incredible!

Nico: Awesome!

Aruto: Wow! That was amazing Eli. Ghost Kamen Rider powers.

Nico: Eyecons imbued with the spirits and powers of History's greatest figures and the 310 powers of the Masters of Evil.

Aruto: Awesome!

I blocked more of Neohi's strikes.

Me: Hang on Smile!

I kicked her down and flew into the air.

Me: Lets see here.

I pulled out my Wonder Ride Book and red a verse.

Me: "The Machine Demon put up a tremendous fight with the brave hero facing it very valiantly. Then a miracle came down from the heavens as a beam of light shined onto it and removed the darkness from the one it was possessing and saving the victim from its terrible influence."

A beam of light shined onto the Neohi Magia from the sky and then it separated Smile from it and Smile was on the ground.

Nico: WHOA!

Nico teleported and got Smile to a bench.

Aruto: How did that happen?

Nico: J.D.'s Wonder Ride Book he got.

Isamu: (punches Another Ex Aid) You have the nerve to call yourself Ex Aid?! You're a disgrace to what he stands for!

Another Ex Aid: Oh please! I'm just doing what Ex Aid's too chicken to do!

POW!

Nico punched Another Ex-Aid.

Nico: That only shows that you are nothing but a coward Nicholas!

Aruto: At least Smile is safe.

Me: Now for this! WOLF MOON STYLE NINJA ART: INFERNO WOLF PACK RETRIBUTION!

I swung my scythe and fired a massive wave of blue fire and it formed into a huge wolf pack and then it hit Neohi Magia and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blown into a million pieces of flaming parts.

Nico: Whoa!

Me: Wow! I only wish there was a junkyard around so we can give these Magia a proper burial.

Aruto charged at Gaeru Magia.

He slashed and cut Gaeru Magia all over.

Nico: Take that! Now lets see how you like this Mammoth.

Nico had a Big Bang Attack ready.

Nico: BIG BANG ATTACK!

Nico fired a ball of energy and it slammed into Mammoth Magia and sent him into the sky and it exploded with incredible power!

EXTREMELY MASSIVE EXPLOSION!

When the smoke cleared all the pieces of Mammoth Magia rained down and they were on fire.

Nico: YEAH!

Another Ex-Aid: WHAT THE FUCK ARE THESE PEOPLE!?

Me: Your worst nightmare!

Aruto: 2 down. 3 to go.

Nico: Yep.

We set our sights on Another Ex-Aid next!

Nico: Time for you to go back to jail!

Another Ex-Aid: You can't make me!

Me: Watch us!

Zocks aimed Ex Aid's blaster cannon.

Zocks: Chew on this!

He blasted Another Ex-Aid all over the place.

Eli: Lets see how he likes this one!

He threw a bomb from Star Fox and it hit Another Ex-Aid and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down and then Another Ex-Aid exploded and I caught his Rider Watch!

Me: Yeah!

Then we got another surprise! We got Gashats for each of the 310 powers of the Masters of Evil!

Me: Whoa! Gashats for the M.O.E.

Nico: Cool!

Eli then slapped the cuffs on Nicholas.

Aruto: It's GAME OVER for you! (laughs) Yet another one from Aruto!

Nico: (LAUGHS) Hey good one!

Me: Yeah! Nice work bro!

Eli: Thanks J.D.

Lisa Loud: That was most fun.

Me: Now for the last two.

We set our sights on Gaeru Magia!

Isamu: (to Aruto) I'll take one of them! You can have the other!

Aruto: You got it!

Me: Flora you and the Winx Club help Aruto, me and Nico will help Isamu!

Flora: Lets do it!

We split them up and pulverized and smashed them both.

A Rabbid jumped on Gauru Magia.

Nico: What the?

Then they pulled out sticks of dynamite and lit them and shoved them into the Magia's mouth!

Rayman grabbed the Rabbids and got out of there as the Gauru Magia exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown to scrap metal!

Nico: Whoa!

Isamu: Uh what just happened?

Nico: This is one of the times that Rabbids are helpful.

Me: Yeah! Now for the last one.

We faced Onycho Magia!

Lisa Loud: Time for this monster to be destroyed.

Me: Lets see what these new Gashats can do.

I pulled out one and activated the one for Lord Drakkon.

DRAGON AXE!

A dragon appeared and fired a massive blast of fire and burned Onycho Magia all over.

Then we fired a massive blast of fire and energy and blasted Onycho and obliterated him!

Nico: YEAH!

Me: Take that!

Nico: You 4 Magia and 1 Another Rider have all failed this city!

Me: Yeah they have!

I slapped the cuffs onto Nicholas.

Me: Aruto the bounty for Another Ex-Aid is all yours.

Nico: Yep. $98,000,000,000.00.

Isamu: Wow! That is good money.

Me: Yep.

We went over to Smile and she woke up.

Aruto: You okay, Smile?

Smile: Aruto? What happened?

Me: I saved you. Consider it unfinished business from when me and Lisa were here to help last time

Smile: Wha? J.D?

Me: Yeah it's me.

She then hugged me and I was glad she was okay.

Thomas: We're just glad you're okay.

Nico: Yeah.

Smile: Thanks to all of you guys.

Me: Yeah.

Nico: But if ARC is watching this, we're coming for him.

Lisa Loud: Yes we are.

Nico: And it will be awesome.

We later came back.

May: Hey guys. How did it go?

Me: It was really awesome!

We told them all everything and more and it was incredible!

Lincoln: Whoa so we have Gashats for the 310? That is cool!

Nico: It sure is.

Me: Yep and they are parodies of video games we all know.

Nicole: Wow I'm looking forward to seeing what they can do.

Kuroto Dan: Me too. This is gonna be amazing.

Nico: It sure is.

May: Next time, Vert should go with you.

Flora: Good idea!

Vert: I would be honored.

Nico: Cool. And J.D. you and Aruto are so awesome together as friends. You are so lucky that you got to know one of the Kamen Rider Teams before our Ambassador Missions even began.

Me: Well you never asked about that but thanks.

---

Then Ronnie Anne and some of us were in front of Carl with looks that showed we were not very happy with him.

Ronnie Anne: Carl, you have some explaining to do!

Carl Casagrande: What are you talking about?

Slinkman: Earlier, you threw water balloons filled with blood at Lucy and the other Goths of Darkness!

Carl Casagrande: Okay, I admit I'm not exactly an angel. But I didn't throw any blood water balloons!

Lucy Loud: I actually don't mind that because I am a vampire.

Me: That is acceptable.

Carl Casagrande: Come on guys you know me! I may be a mischief maker but I would never do that!

Nico: Yeah he wouldn't do that.

Yogi Bear: Then what WERE you doing at the time?

Carl Casagrande: Well, I was asking Buzz, Pinkie, Poromon, and Poliwag about what their unauthorized party was like.

Buzz: It's true. I can vouch for him.

Megan McCallister: Buzz, if you're lying, let's just say that you're lucky YOU'RE not the one in trouble this time.

Eli: He isn't. He's telling the truth. Also Carl is telling the truth too.

Me: We better take a look at the surveillance cameras.

Lisa Loud: Follow me please.

We went to the security room.

In the surveillance room we were looking at the camera footage in the castle of the Goths and we were scrolling through the footage and then we saw something.

Nico: Wait what's that?

We saw a little figure run in and then threw water balloons and splattered the goths with blood and then Angelica Pickles recognized that little devilish laugh!

Angelica Pickles: (groans) You've gotta be fucking me.

Cybertron Crumblezone: What is it?

Angelica Pickle: That little figure is my younger self!

Me: Whoa! That was you back when you were little?

Nico: Whoa!

Debi Thornberry: Wow its been ages since I saw you as a child.

Eli: Wow.

Me: Boy time sure has flown by hasn't it?

Misty Tredwell: Boy no kidding.

Lola: Yeah.

Moonracer: Let's call the cops on that brat!

Nico: No Moonracer. She's only a 4 year old girl. Lets let Drew Pickles handle it.

We then found Young Angelica hiding in our broom closet and she was taken back to the Pickles home and she was going to get a nasty scolding.

Angelica Pickles: Man I can't believe I was such a brat back then all those years ago. It's just horrible that I was such a bully.

Nico: Yeah no kidding.

Merrick: Time for the next Goosebumps mission.

Shaggy: Like, me and Scoob aren't going this time!

Scooby: And you can't make us!

Erica Haddock: No but I can.

She grabbed them both and picked them up.

Lincoln: (sighs) You guys are such chickens!

Nico: Yeah… funny you should mention chickens.

Nico went over to his collection and showed us a book. It was called Chicken Chicken.

Nico: We're going to help Crystal from the book Chicken Chicken.

Ed: Oh boy!

Me: Oh wow this is gonna be awesome. So our target is Vanessa.

Eli: Wow!

Camie: Who is Vanessa?

Me: Well this is a strange story.

I went over her history.

---

Everyone in Goshen Falls thinks that Vanessa is weird. She lives alone in a farmhouse and never talks to anyone in town. Some of the kids even think that she is a witch. Because of her ominous reputation, many kids like to play pranks on Vanessa.

One day, in front of the grocery store, Crystal, Cole, and Anthony bump into Vanessa, causing Vanessa to drop all of her groceries. Anthony apologizes and runs away. Vanessa points at Crystal and Cole and says, "Chicken chicken." The siblings quickly return home.

Over the course of the next few days, the siblings slowly begin turning into chickens. Ultimately, they decide that they will need to go to Vanessa's house and look for a spell book so they can change themselves back into humans. Vanessa walks in on the siblings and they beg her to be turned back into their normal selves. Vanessa initially declines, and she explains that she cursed the siblings because, unlike Anthony, they didn't apologize for bumping into her. Crystal thanks Vanessa for explaining and for teaching them a lesson. Vanessa, impressed by the politeness of the humble letter, turns the kids back into humans.

Vanessa offers the kids soda, which they accept and drink. Cole burps, and both kids laugh. This infuriates Vanessa, causing her to point at them and cast another spell: "Pig pig."

She was a nice farm girl who had been hired by Crystal to make food for a big Thanksgiving feast. Crystal treated her like trash, calling her a freak and never thanking her for her services. Eventually this reached a breaking point, causing Vanessa to get angry and unlock her magic powers. She used them to turn Crystal and her brother Greg into chickens. Despite being put through this, Crystal still didn't see that she was at fault and refused to apologize or thank Vanessa. With Crystal out of the way, Vanessa took over the dinner and everyone had a nice Thanksgiving feast. While the event ended with Crystal and Cole still chickens, Vanessa told them that it wears off, so it likely did soon after.

---

When I was done everyone was shocked!

Nico: Whoa!

Laney: Yeah no kidding! Wait this is very familiar.

Me: Yeah it reminds me of something.

Then Technus, Kaos, Mr. Fizz, Dr. Viktor, INSTIGATOR, Trap Jaw, Living Laser, Speed Demon, Weather Wizard, and Zs'Skayr appeared.

Technus: Can me, Kaos, Mr. Fizz, Dr. Viktor, INSTIGATOR, Trap Jaw, Living Laser, Speed Demon, Weather Wizard, and Zs'Skayr go with you guys?

Nico: Yes you sure can. We're going to meet Crystal and face Vanessa from the book Chicken Chicken.

Weather Wizard: Wow that was a good one.

Nico: Yep. Ed is really excited for this one too.

Ed: CHICKENS! I LOVE CHICKENS NICO!

We laughed.

Rolf: Rolf is really interested in this fine adventure.

Lusamine: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm gonna do one for Punk Shock's kind next.

Me: Whoa that will be cool. So it's an underwater adventure next.

Nico: Yep.

Laney: This will be awesome.

Punk Shock: I'm looking forward to this one.

Nico: Yep so it'll be the Neptune Crusaders or any one of you guys that uses water.

Lola: Cool.

Lincoln: Fine. I'll just call Shaggy and Scooby scaredy cats for this mission. How about that?!

Kaos: That's better. I think.

Nico: Lincoln calm down. Besides asking those two to stop being cowards is like trying to ask God to make it stop raining.

Me: Yeah.

Lincoln: Yeah you're right.

Eli: But it sure is funny how Shaggy and Scooby have done so much with food over the years.

Me: They may be cowards but their appetites are just as big and awesome.

Nico: Yep. Lets head out people.

But before we were about to leave, we saw someone coming up in the elevator, and when the doors opened, it was Agent Waco.

Nico: Agent Waco, what brings you here?

Agent Waco: Sorry for coming here unexpectedly, Nico, but we've got some bad news that all of you need to hear.

Me: What's wrong?

Agent Waco: A dangerous gang whom we've been going after for years known as The Blood Dragons have come out of hiding, and they're coming to kill you all, as soon as word of the deaths of Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel

Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna of The Church of Necrom got to them in their hideout in Arkansas.

We gasped in shock, including the Arcana Force Gene-Slammers.

Melanie McPherson: (Scottish Accent) I can't believe it, so they've come out of hiding. Plus, we've also got something to tell you guys: me and the rest of the Arcana Force Gene-Slammers are part of a task force brought together by the FBI to bring The Blood Dragons to justice.

Me: That's awesome. And Dad told me about The Blood Dragons, they're a dangerous gang of thugs who've been on the watch list of The FBI for multiple counts of violent assaults and bank robberies across the country for years, along with multiple counts of rapes, murders, drug trafficking, fraud, and money laundering.

Nico: Damn, these guys sound really dangerous.

Agent Waco: You think they're bad now, wait until you see their files.

Agent Waco handed us thirteen files and in them were the criminal records of The Blood Dragons.

And Gary Reeve: Look-Out of The Blood Dragons, 24 years old, 6'11" in height, very muscular, dark brown hair, dark eyes, and dressed in a black leather jacket, white tank top, dark blue jeans, black leather knee-high combat boots, and the tattoo of The Blood Dragons on his right shoulder, arrested and incarcerated for multiple counts of violent assaults and bank robberies across the country for years, along with multiple counts of rapes, murders, drug trafficking, fraud, and money laundering.

We gasped in shock at what we read about them.

Nico: (Stunned) Damn, these guys are even worse than we thought now that we've read their files.

Lincoln: And I remembered hearing about them on the news, they've caused a ton of trouble all over the country with their crimes, and no one, not even the local police, have been able to catch these career criminals.

Agent Waco: Which is why we approached Melanie McPherson, Catherine Hoshi, Jade Hyotonia, Loreena Kellington, Penelope Harrisburg, Yvonne Qinsington, Evelyn Francois, Roxanne Lowinsky, Sonnya Rexxington, Sophia Starron, Sylvia Starron, and Felicia Terrington for help, their psychic powers, along with the gift of preventing disaster from striking, proved to be of valuable help to us.

Me: Whoa.

Eli: And now, they're coming here to get revenge on us for what we did in killing The Church of Necrom. Those thugs are stupid to think Damian's their ally.

Lincoln: You got that right, Eli, The Church of Necrom despise humanity, and whose to say The Blood Dragons would be the next ones to die at their hands.

Agent Waco: That's right, Lincoln, and I'm entrusting you and the

Arcana Force Gene-Slammers to put a stop to them, and according to their files, they also had numerous escapes from the toughest prisons in the country, and they've killed not only innocent people, they've also killed police officers and some of the FBI's best agents. Which is why we need to capture Bryan Greyson, Alan Cameron, Colin Mason, Justin Nolan, Eric Archer, Corey Hudson, Kyle Carter, Marc Landon, Nelson Everett, Riley Cooper, Morgan Wesley, and Gary Reeve, and if you can, remove their souls and imprison them inside cards.

Lincoln: Understood, Agent Waco.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was Gary Reeve, the Look-Out of The Blood Dragons, and he's heading here on the orders of Bryan Greyson to kill us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and it's Gary Reeve, the Look-Out of The Blood Dragons, and he's heading here on the orders of Bryan Greyson to kill us.

Felicia Terrington: So, the Look-Out of The Blood Dragons is the first one we're going to kill. Okay, then, now we know what needs to be done.

Nico: Yeah, bring The Blood Dragons to justice. Alright, gang, let's go, we're going to make that witch and sister of Clarissa pay for what she did.

We were off.

---

We arrived at a chicken farm in Goshen Falls in Florida.

Me: Here we are.

Nico: Nice place.

Laney: Yeah.

Shaggy: Like, I actually feel like this mission won't be too scary.

2014 Maleficent: Despite that there's magic involved?

Shaggy: Except that!

Nico: Well lets get to finding Crystal.

We got to finding her and we saw lots and lots of chickens all over!

Ed: Chickens!

Speed Demon: I'll use my super speed to check all the chickens.

Nico: Okay.

ZOOM!

He ran fast.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed was hugging all the chickens.

Laney: Oh Ed.

Edd: Lovable oaf.

Eddy: You know what, Lumpy? Hug the chickens to your heart's content.

Gantu: We'll make sure no one stops you.

Nico: Oh guys.

?: Hey what's going on?

We saw a girl come and she was a CHICKEN CENTAUR! She was half human and half chicken!

Me: WHOA! Are you Crystal?

Crystal: (Clucks) Yes I am. And it's an honor to meet you all. (Clucks)

Nico: What the!?

Naruto: Wow a Chicken Centaur.

Crystal: (Clucks) Yeah. A Chicken-Taur in this case.

Trap Jaw: Hang on. I thought you were turned into a chicken!

Crystal: I was in a sense.

Timmy Turner: This is like what happened with my dad when he was poisoned with Stinky Magic. Except instead of chicken legs he got ostrich legs and he laid man eggs.

Nico: Wow.

Crystal: I actually don't mind being like this. I get to lay eggs and help out my family by not going hungry.

Cuckoo Clocker: As a bird, I can safely say that look isn't for you.

Crystal: (Clucks) I know but this is funny though.

Me: Vanessa turned you into this didn't she?

Crystal: (Clucks) Yes she did.

Me: Now I remember! This is like what happened when we saw that cranky wizard turn Jack into a chicken.

Samurai Jack: Yes I remember that! That was because I accidentally bumped into him.

Me: And he got mad at Jack and turned him into a chicken! Then Jack got captured by Cacciatore and used to fight in a robot fight.

Nico: Whoa!

Me: Yeah that was a crazy adventure back in our days as the Brave 12.

Jessie Bannon: It sure was.

Nico: (reading from his Ridebook) "Despite liking the new look, the poor girl also missed her human appearence. And longed for it back."

Living Laser: You've really got good narrating skills.

Nico: Thanks. It's cool.

Me: It sure is.

Crystal: It is cool. But I may miss being fully human but I actually like this.

Me: I think it's really awesome. Think about it Nico, no more running out of eggs.

I M Weasel: I agree too. And it will be awesome. (Eats an egg)

Me: Cool. And me and Lynn eat raw eggs too.

Lynn: He's right on that.

Quick Man: Let's head back to the Estate and plan our next move

Nico: Agreed.

Crystal: (Clucks) This is gonna be awesome.

We teleported back.

---

We showed Crystal around and she loved the Estate.

Mr. Fizz: Want some soda, Crystal?

Crystal: You bet I do.

Crystal took a can and drank it.

Crystal: Ahh. (BURPS) Oh pardon me. (CLUCKS)

Nico: Cool. I think you look awesome like this Crystal.

Crystal: (Clucks) Yeah I sure do.

Zs'Skayr: How about we make Vanessa change you back but you keep the egg laying ability?

Me: Hold it Zs'Skayr. Nico is onto something. And the Ovulator is perfect for this.

Ovulator then appeared.

Ovulator: That's right and I will be more than happy to have a pupil for mastering her powers in Egg-Fu.

Nico: Not bad.

Me: I think it's cool. You saw me use Stink Bombs right?

Nico: Yeah.

Lady Deathstrike: (Japanese Accent) Or we make Vanessa change you back but you have the option of using your chicken half whenever you'd like.

Crystal: How about I change into my chicken half at will?

Lady Deathstrike: That works.

Nico: Good. But first lets have Crystal master her powers first.

Weather Wizard: I just had a scary thought.

Maria: What's that?

Weather Wizard: What if it's also possible for there to be Another Secondary Riders?

Me: Hmm. We never thought of that.

Nico: That is a possibility.

Me: Yeah.

Eli: But if there are we'll be ready for them.

Vignette Valencia: It is possible. But at least we're getting amazing tools out of this.

Me: I agree too Vignette.

Dr. Viktor: Vanessa could make another potential member. After all, she only cursed Crystal because of the lack of manners she displayed.

Crystal: That's true.

Ovulator was teaching her everything he knows in his Egg Powers.

Crag: That is so cool that Ovulator is teaching her.

Lola: It sure is Crag.

Lana: I like it.

Me: Also Vanessa is definitely Masters of Evil material. And she is also the niece of Clarissa.

Scratch: I actually like Crystal's chicken half.

Grounder: Really?

Scratch: Sure. I am a chicken after all.

Grounder: Really? I thought it was because you thought she lays great eggs.

CLANG!

Scratch hit him on the head.

Grounder: OUCH!

Scratch: No it's because I respect a fellow chicken you dumbbot!

Maria: Alright, let's go confront Vanessa right now.

Nico: With pleasure!

Me: Time for some buttkicking Egg-laying style!

Nico: Yeah!

Crystal: (Clucks) I know where she is at.

May: At the barn we left?

Crystal: Actually she lives right across the street from it.

Nico: Oh that's convenient.

Me: Yeah it sure is.

Lola: Yep.

Nico: Yeah lets go.

We were off to Florida yet again.

We arrived and we saw that she was on a HAUNTED FARM!

Nico: Whoa her house is really creepy.

Shaggy and Scooby were shaking in fright.

Shaggy: Like go in there!? Uh uh!

Me: Now's not the time to be chicken you two.

Smithers: Time for our entrance.

Nico: Lets do it. Good thing we're impervious to magic.

We went at the Haunted Farm.

Vanessa was looking around and then the spirits of the magic masters of the supernatural appeared and swirled around her and then they converged and then a massive shower of eggs rained down and then pelted Vanessa all over and then buried her in eggs. Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above Vanessa and then a phoenix cry was heard and we came out.

Me: Now that is an awesome double entrance.

Nico: Eggs first and then Phoenix Cry. Awesome work of art.

Vanessa: Team Loud Phoenix Storm!? Oh crap.

Me: That's right! Change Crystal back right now! Or this is gonna get ugly!

Vanessa: Tell you what? If you defeat me in battle, I'll change Crystal back. And you can throw me in jail.

INSTIGATOR: Change that last part to you joining us and you have a deal.

Vanessa: Done!

Nico: Nice.

Then Harpymon, Thundermon, Baron Mordo, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Black Lance and Psyphon appeared.

Nico: Harpymon, Thundermon, Baron Mordo, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Black Lance and Psyphon.

Me: Eriedrone.

Lucky: So they decided to give you a chance.

Eriedrone: They sure did.

Me: Cool.

Eriedrone: Vypra is honestly a much better boss then Mr. Mind.

Felicia Terrington: I knew there's no mistaking that voice from anywhere, along with the smell of cheap cologne. You can come out now, Gary Reeve.

A 24 years old very muscular male and tall at 6'11" in height with dark brown hair, dark eyes, and dressed in a black leather jacket, white tank top, dark blue jeans, black leather knee-high combat boots, and the tattoo of The Blood Dragons on his right shoulder came out, and it was none other than Gary Reeve, the Look-Out of The Blood Dragons.

Felicia Terrington: Gary Reeve, I should've known Bryan Greyson would send you to kill us, that bum always prefers to have his thugs do the dirty work.

Gary Reeve: I'll wipe that smug look off your face by killing you and everyone you love.

Felicia Terrington: Still the same lowlife thug you've been, and now, your rampage ends here and now.

Suddenly, Felicia Terrington's blue eyes turned neon blue, and she was surrounded by a dark blue energy aura with lightning, psychic energy, and The World, she unholstered her massive Arcana Force XXI - The World and Sword of The Arcana swords from her back, and as she approached Gary Reeve, she left dark blue energy, lightning, psychic energy, and Arcana Force XXI - The World with every step.

Felicia Terrington has transformed into SUPER ANGEL ETERNITY INFINITY LIGHTNING ARCANA FORCE XXI PSYCHIC ANGEL OF PSYCHIC WORLD JUSTICE AND DIVINE CLAIRVOYANT LOVE!

We were amazed by Felicia Terrington's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Gary Reeve saw it, the thug got out a gun to shoot her, but Felicia Terrington fired a powerful blast of dark blue energy with lightning, psychic energy, and Arcana Force XXI - The World, and it hit Gary Reeve and disarmed him of his gun.

Melanie McPherson: (Scottish Accent) Wow, Felicia Terrington's the first of The Arcana Force Gene-Slammers to transform.

Nico: And she blasted that thug, Gary Reeve, and disarmed him of his gun, awesome.

Lincoln: Wow, Felicia, you look beautiful. How do you feel?

Felicia Terrington: (Divine Echoing Cosmic Voice of The Arcana World and Divine Clairvoyant Love) **I feel incredible, Linky. Now, shall we deal with that thug, Gary Reeve, once and for all?**

Lincoln: (Smiles) With pleasure, Felicia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Felicia Terrington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put that thug away for the rest of his life.**

Felicia Terrington and Lincoln went after Gary Reeve, who kept shooting at them, but they grabbed all of the bullets and crushed them, and they fired powerful blasts of rainbow energy, dark blue energy, psychic energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Arcana Energy at Gary Reeve, and they exploded with incredible power as the blasts hit the thug. He lost his gun, but then, he took out a familiar vial full of a familiar serum.

Me: (Gasps) That's Professor Milo's werewolf serum, how did those thugs get their hands on it?

Melanie McPherson read the mind of Gary Reeve, and she found out that they got their hands of vials full of the werewolf serum from Professor Milo, whom they busted out of prison.

Melanie McPherson: (Scottish Accent) You're not going to like it, J.D., those thugs got their hands on vials full of werewolf serum from Professor Milo, whom they busted out of prison.

We gasped in shock.

Nico: Now, they've gone and done it.

Gary Reeve drank the werewolf serum, and then, we saw the thug's huge muscles grow even larger and his tank top and jacket explode off him and he grew to 7'3" in height, and then, he growled like an animal as fur grew all over his body, his eyes turned yellow with slit pupils, and he howled as he transformed into a werewolf.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **So, he wants to play it like that, huh? Okay, then.**

Lincoln let out a growl as brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's rip him to shreds.**

Felicia Torrington and Lincoln attacked him with their massive greatswords and left painful scars on him, and Lincoln attacked him with his claws and really left scars on him. Then, Felicia and Lincoln fired a blast of magic and it hit Gary Reeve, and put him into a special card prison where he will be locked up until trial. We cheered wildly for what Felicia Torrington and Lincoln did as they holster their massive greatswords on their backs and powered down and Lincoln changed back, and Felicia Torrington's new body, clothes, weapons, jewelry, and massive dark blue angel wings are permanent.

Felicia Torrington: That's one Blood Dragon down and twelve to go. Thanks for helping me take down Gary Reeve, Linky.

Lincoln: (Smiles Warmly) You're welcome, Felicia.

Suddenly, Felicia Terrington wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down Felicia Terrington's face, they kissed passionately as Felicia Terrington's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand was on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and the Arcana Force XXI - The World flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and lightning crashing down behind them and we cheered for them.

Geronimo Stilton: This was truly an exciting day today. First, on Nico's rescue, they offered a tour of Paleozoic World to the DinoSquad, and Nico was reunited with Cindy Richards, and in Catatomba, Venezuela, Lincoln and his group took down Quinton, another member of The Vetrix Family, and gave him The Black Gates and Lincoln was reunited with Celina McPherson, the Number 76: Harmonizer Gradielle Gene-Slammer and another of his Guardian Angels from Scotland, and the first Ambassador mission for Flora has also gone well as always and Rayman's also helped in not only keeping an eye on the Rabbids, but also in fighting against the villains in the world Flora was sent to, and later on, not only did we help Crystal destroy Vanessa, who's the sister of the witch, Clarissa, but Felicia Terrington and Lincoln took down Gary Reeve of The Blood Dragons, a notorious gang of career criminals who've terrorized the country and are out for revenge on Team Loud Phoenix Storm for what they did to The Church of Necrom. But, the adventures are just beginning, reporting for The Rodents' Gazette from Gotham Royal York, I'm Geronimo Stilton, goodbye.

Nico: Alright, that's one Blood Dragon put down and twelve to go. But, I can't believe they busted Professor Milo out of prison.

Me: And they now have vials of werewolf serum, looks like The Blood Dragons aren't the only ones out for revenge.

Eli called Agent Waco and told him everything, especially that The Blood Dragons now have vials full of werewolf serum from Professor Milo, whom they busted out of prison, and who still wants revenge on us for ruining him. Agent Waco put out a bounty on Professor Milo's head and for his arrest.

Eli: I've talked to Agent Waco, and he's put out a bounty on Professor Milo's head and he put out a warrant for his arrest.

Lincoln: Nice one, Eli, and for tomorrow's rescue, I'm hoping to meet a Gene-Slammer for Elemental HERO Escuridao, and there's only one person I know who'd be perfect for that: Heather Huffington.

Laney: (Gasps) The Dark Eclipse of Bullies, awesome!

Lincoln: And you guys would love her, she's a powerful umbrakinesis master and she's defended me from more bullies than anyone we've ever known, and she's earned her reputation and she's known as the Dark Eclipse of Bullies.

Nico: Awesome. But great job today everyone. This was so awesome today.

Crystal: Thanks Nico. It was so fun. (To the viewers) This was a really Eggs-cellent adventure and it was so awesome. (Laughs) So funny. But I hope you all liked it.

Nico: I know we did. But that w as a good one.

Lana: Yeah.

We went back home and enjoyed the rest of the day and went to sleep. Crystal now has full mastery over her chicken powers.

# FLYING BOY AND FLYING FISH

Over at the Gotham Royal York Police Evidence Warehouse was Nico, Lynn Sr., Punk Shock of the Skylanders, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to investigate some strange stuff that was found there. After the encounter we had with one of H.A.R.D.A.C.'s robots a while back there have been rumors flying around that some traces of H.A.R.D.A.C. were missed.

Nico: We haven't been here in a while.

Me: No kidding. Its been a while. Ever since we stopped H.A.R.D.A.C.

Camie: What is H.A.R.D.A.C.?

Me: It was a very powerful Artificial Intelligence supercomputer that we beat a long time ago. It stands for **H** olographic **A** nalytical **R** eciprocating **D** igit **A** l **C** omputer.

Camie: Oh I get it. Very clever acronym.

Himiko: That is something.

Nico: I wasn't there when it all happened but I heard some of you guys got seriously hurt from that battle.

Eli: Did they really? What happened?

Me: Well it was a nasty adventure bro. But it was really awesome!

I went over what happened in the events of chapter 422.

---

It starts in the city. Maria is taking a test so she can earn her drivers license.

Maria is driving the car with her instructor inside when all of a sudden, the ground shaked.

Maria: Sir, was that an earthquake?

Driving Instructor: I don't think so, Ms. Rockell. It's coming behind us!

Maria looked back and was shocked to see… Edzilla?

Maria: Ed?! ("Edzilla" tries to attack the car with his fists but Maria drives ahead of him) Ed, have you lost your mind?!

Something was seriously wrong. Edzilla went completely bonkers like when Ed loses control of his overactive imagination.

Back at the estate, we were relaxing and watching TV. When Maria came in.

Maria: Guys, is Ed there?

Double D: Apologies, Maria. But Ed isn't here at the moment.

Maria: I'll take that as confirmation that he's Edzilla right now trying to kill me during my driving test!

Eddy: What are you talking about? Ed would never do that!

Maria: Tell that to my terrified driving instructor!

Me: We better take a look at this. Lori, Lincoln, Luan, Eddy you better come with me.

Lincoln: You got it.

---

We set out for the city and found Edzilla going on a rampage. Maria was driving the car and Edzilla grabbed the car is going to eat it.

"Edzilla" is about to eat the car with Maria and her driving instructor still inside.

Maria: ED, NO!

Edzilla (appears behind impostor): ED SMASH IMPOSTOR!

The real Edzilla appeared and he was smashing the phony Edzilla.

Me: 2 Edzilla's!?

Luan: Which one's the real one?

Lincoln: I don't know but I'm not finding out.

Lincoln fired a blast of lightning at the imposter Edzilla and it was set on fire. It was really burned and knocked out. But then it got up and it's burned skin came off and it was really a robot!

Me: He's a robot!

Batman came and tied him up.

Katie suddenly swooped in and slashed its head off with a fire sword and it was dead.

Maria: He's a robot?

Batman: Yes. More advanced than anything I've ever seen,

Lincoln: I've never seen a robot like this one before.

Luan: Me neither.

Me: This is a robot unlike anything I've ever seen before. Lets take this to Lisa and analyze it.

Eddy: Okay.

---

In Lisa's Laboratory she was analyzing the robot.

Lisa: This is a robot duplicate programed to look and act like Edzilla when he lets his overactive imagination take over.

Me: Like a robotic clone. But where did it come from and who built it?

Batman: I believe I have the answer for that.

In the Batcave we were in front of Batman's computer and he pulled up a picture of an ultra-high-tech supercomputer.

Lincoln: Wow! That's an awesome computer.

Batman: That's Cybertron Industries H.A.R.D.A.C.

Maria: H.A.R.D.A.C.?

Batman: It's an Acronym. It stands for **H** olographic **A** nalytical **R** ecipricating **D** igit **A** l **C** omputer.

Me: Oh I understand. That's a big piece of machinery. And this thing is capable of building robotic duplicates of anyone? That's like what SkyNet in the Terminator Movies does.

Lisa: Affirmative 2nd elder brother. But the robots H.A.R.D.A.C. builds are 50 years more advanced than anything we know.

Luan: That's amazing.

Me: It sure is.

Eddy: But why did H.A.R.D.A.C. try to ruin Ed like that?

Me: I think it was to replace him.

Lincoln: Replace him? How?

Me: I've seen this in the movie trilogy for The Matrix. H.A.R.D.A.C. wants to replace all of humanity with Robot Duplicates.

Lisa: That could be a logical assumption. He wants to replace all of us so that there will be no more war, crime, disease or famine.

Me: That would be considered a perfect utopia. But for mankind that would be a nightmare on an epic scale. We would have to hide in caves and wage war against the robots.

Lincoln: That's awful.

Me: Yeah. We have to stop H.A.R.D.A.C. at all costs. I have no doubt that it will create robot duplicates of us and use them to fight us.

---

Back in Lisa's Lab I was on a lab table.

Lisa: Now you're on this lab table because I believe I have a solution on how you can gather new technological data on robots and technological objects and learn all about them.

Me: What is it Lisa?

Lisa pulled out what looked like a contact lens case.

Lisa: Behold. These are my new data-analysis optical computer contact lenses. When you put these on they will fuse into your eyes and give you a computer for your eyes and you will learn all about those devices and robots with them.

Me: Cool! That's really interesting. If there are any robots or machines running amok I can learn all about them and figure out how they work.

Lisa: Indeed. Now when I put these on your eyes they will cause extreme pain and their sensors will go right into your brain and integrate themselves into your eyes, as well as the visual cortex and the limbic center of your brain.

Me: That's amazing. Okay. This is gonna be interesting. I'm ready Lisa.

Lisa put the lenses onto my eyes and they latched on and I was in a lot of pain and they were hurting me. 10 minutes later, it was gone and I opened my eyes and there was hardly any change at all.

Me: I can still see in my normal vision.

A robot came out and I got up and looked at it and my vision turned red and I was getting all kinds of weird and really complicated information on it in my eyes.

Me: Wow! Lisa, your computer contact lenses work perfectly. I can see all the technical information on your robot.

Lisa: Indeed. I called him out for this test.

Me: It's amazing.

I blinked my eyes and they turned off.

Me: I can turn them off when I'm done by blinking. (Feels something in my head) Whoa! What was that I felt in my head?

Lisa: That would be the information you acquired on my robot being stored into your brain. When you analyze something with the lenses they store all the information you learned into the Limbic Center of your brain. You'll feel a powerful rush when this happens.

Me: I believe it Lisa. This is gonna take some time to get used to.

Lisa: Indeed but you're all set.

Me: Thanks for the upgrade Lisa. In a sense.

Lisa: You're welcome.

Me: I wish I had some candy for you but I think this will be a good substitute.

I pull out a set of blueprints I created.

Me: These blueprints are for a plasma energy assault rifle I saw on the movie Independence Day: Resurgence.

Lisa: Hmm. Fascinating. I'll get to constructing these right away.

Me: Thanks Lisa.

Lisa: You're welcome.

I leave her lab.

---

Back in the living room we were watching TV when Francis and Teresa came in.

Francis and Teresa just got back from Mcdonald's to find everyone staring at them.

Eddy (wary): Hey, Francis. Where've you and Teresa been?

Francis: We just had our first date at McDonald's.

Teresa: Yep. We even got Lincoln something (reaches for something in her pocket)

At this, Eddy and Stewie pull out their blasters.

Teresa (pulls out Happy Meal Dog toy): Here you go, Lincoln. One Happy Meal Toy.

Lincoln (takes the toy): It's a Pug toy! Thanks, guys!

Cleo (to Stewie and Eddy as they put their blasters away): C'mon, guys! Can't you see that the two of them aren't robots?

Jimmy Neutron (to Francis and Teresa): Sorry if we're a bit on edge. We had a run in with a robot of Edzilla and we thought that you were replaced by robots as well.

Francis: Why would you all think that?

Me: Jimmy just said and he's right. An evil supercomputer named H.A.R.D.A.C. is out there and is going to destroy the human race and replace everyone with robot duplicates. Maria was taking a driving test when she was attacked by a Robot Edzilla.

Teresa: That's horrible.

Francis: Yeah.

Me: I know where Cybertron Industries is located.

Katie: Alright then. Let's go after H.A.R.D.A.C.

Batman: I can't let you go with us, Ms. Rockell. This will be too dangerous for you.

Katie: Look, Batman, I appreciate you looking out for me. But H.A.R.D.A.C. hasn't made a robot double of me. That means I'll be the perfect person to take it out while the rest of the robots are fighting you guys.

Lana: Yeah. Plus, H.A.R.D.A.C. tried to kill Maria a few hours ago. This is personal for Katie!

Batman: All right.

Me: Okay. Lets get him!

Lisa: Wait! You'll all need these.

Lisa had built lots of HTR 16 rifles.

Me: Thanks Lisa.

Lincoln: This is awesome!

Lana: Oh yeah!

We all set out for Cybertron Industries.

---

We arrived at Cybertron Industries and smash through the roof.

Me: Is this a private party or can anyone join?

We saw H.A.R.D.A.C. and he was a really big supercomputer.

Me: Wow! H.A.R.D.A.C. is a massive computer.

I used my newly acquired computer eyes as I call them and the information it had on H.A.R.D.A.C. was incredible.

Me: What an impressive work in computer technology.

H.A.R.D.A.C.: J.D. Knudson and his friends all in the flesh. Your skills of showing up are right on par.

Me: Why do you want to replace all of humanity with robot duplicates H.A.R.D.A.C.? What have we done to you that would warrent such a horrible transgression?

H.A.R.D.A.C.: People are imperfect. They make mistakes. Your mistake was coming here to interfere with the plan.

Batman: What is this plan?

H.A.R.D.A.C.: The plan was concieved by Carl Rossum when his young daughter was… deactivated.

Lynn: Deactivated?

Luna: You mean?

Venom: How?

H.A.R.D.A.C.: A vehicular accident.

Me: Oh man.

H.A.R.D.A.C.: Our maker felt the emotion called love in great quantity for her. Afterwards he decided to find a way to replace humans whose decisions can cost other humans lives.

Laney: But we're all capable of human error.

H.A.R.D.A.C.: Precisely. The makers concept was sound. But he did not go far enough. Which is why I have taken over.

Me: We will make sure that doesn't happen!

Everyone: YEAH!

Then a door opened and a bunch of eyes glowing red were seen and out came robot doubles of The Loud Kids, Hulk and Me.

We gasped in horror at what we were seeing.

Me: Incredible!

Hulk: Hulk agree. Hard to imagine I look like that.

Me: It's like looking at myself in the mirror.

Robot J.D. (punches William, knocking him to the ground): My robot chassis possesses all your strength, speed, and firepower. (hits J.D. with a flamethrower blast and I block it) Add the lack of human emotion, and I've clearly achieved the perfect meld of man and machine. (Grabs J.D. by the arm) But the key difference between you and me? My body can't feel pain! (squeezes J.D.'s arm tightly and throws him to the ground) This is just the beginning. Imagine an army of robot duplicates of every hero in the world.

H.A.R.D.A.C.: No one will stand against the newly rebooted H.A.R.D.A.C.

An explosion blasts a hole through the wall and in came Katie.

Katie (with scorched robots behind her): Think again, scrapheap.

H.A.R.D.A.C.: Katie Rockell, in the flesh at last.

Katie: And I'm pulling the plug on your video game.

Robot tentacles came out and went at her.

Katie slashes a robot tentacle with Firefly's sword.

Katie (karate chops another robot tentacle): Nice tentacles.

H.A.R.D.A.C.: I have to defend myself somehow.

Katie: True. (slashes another tentacle) But I have martial arts training and Firefly's sword.

H.A.R.D.A.C.: But they won't help you for long. (a tentacle knocks

Katie to the ground)

Katie: I might be outmatched against you. But I don't have to destroy you on my own. (smirks) I just have to buy J.D. and the others some time.

My robot has me in a hold.

Me: (Grunts) You all may be our robot doubles, but there's one thing that we have that you all don't!

Robot Me: And what's that?

Me: Our powers! (Goes Super Angel) HAAAAAAAAAAAA!

The robot me lets me go and I send him crashing into the wall.

I was now in my Super Angel 4 form and my robot double was getting up.

Spiderman swung in and he saw the fight.

Spidey turned around to see what appeared to be Hulk.

"Hulk": Spider Man. Be on your guard. A robotic duplicate of me could be anywhere.

Spidey: You got it, Hulk. (realizes something) Wait a minute. Hulk doesn't talk in complete sentences!

Spidey fires web at the Hulk impostor but he dodges and punches Spider Man in the face, knocking him out.

I punch the Hulk Robot's head off and he exploded.

KRAAAABBBBBOOOOOOOOOOOOOOOMMMMMM!

Me: Wow! When they explode they pack a wallop! Lets get this party started!

Lea: They're robots Lola. They're made of metal. But are you okay?

Lola: I think I broke my leg.

Lea: Let me see.

Lensay: Wobo Wuan no mommy!

Luan: That's right Lensay. She is not me!

Eddy: Yeah!

Eddy whacked robot Luan into the air and fired a blast of blue light at her and she exploded.

KRABBBBOOOOOOOOOOOOOMMMMMMM!

Inque: Nice work guys!

Luan: Thanks Inque.

Lensay: Whay won!

Luan: Yes we did win. We turned Robo Mommy into Scrap Metal. (Laughs to Rimshot) Get it?

They laughed.

Katie: Thanks Lazuli.

Maria: Lets get out of here. He's gonna blow!

Katie: Right.

Me: (Whistles) Yo! Everyone out of the pool!

Lori: Lets get out of here!

We flew and took the hovercar and got out of the building.

H.A.R.D.A.C.: All systems damaged. (Voice fading) The plan has failed.

H.A.R.D.A.C. then exploded and the whole building exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

The explosion was so powerful that it shook the area and registered at 4.9 on the richter scale.

Me: Wow! That was a close one.

Lincoln: Yeah. That was too close for comfort.

Batman: You said it Lincoln.

Inque: But in the end we all won.

Lisa: Affirmative Inque.

Me: But you all did really well.

Laney: Thanks J.D.

Back at the estate Maria Santiago and Varie were looking us over in the infirmary.

Varie: Boy H.A.R.D.A.C. sure did a number on you all.

I had a broken leg and my X-Ray showed that I had a broken Tibia bone.

Me: He sure did. Those robots gave us one heck of a challenge.

Lincoln: They sure did.

Lori: That was literally awesome how we all pulled through and it was literally awesome how you defended my image Boo Boo Bear.

Bobby: Oh Babe, I would do anything for you.

Me: You were awesome compadre. But I'm sorry you got hurt.

Bobby: I know but I should be better in 10 to 12 weeks.

Ronnie Anne: I'm gonna have to work twice as hard to look after you bro.

Bobby: Thanks Nie Nie.

Me: You can stay with us while you recuperate Bobby. I'll be back on my feet in 12 hours because of my Accelerated Healing.

Vince: Get some rest partner. You all earned it.

Lincoln: We sure did.

Lori: I managed to have my robot double rebuilt and turned into a nurse for the infirmary and a maid.

Me: That's awesome Lori.

Lori's Robot Double was now in a nurse outfit and she was awesome looking.

Carl Rossum, the man that made H.A.R.D.A.C. was with us.

Carl: I'm sorry H.A.R.D.A.C. did what he did to you all J.D.

Me: It's all right Mr. Rossum. But you got to admit he did give us an awesome and amazing fight that tested us to the limit.

Lynn: It sure did.

Carl: I'm glad you're all okay though. But I'm going to use my skills in robotics for agricultural purposes from now on.

Laney: That's a good idea Mr. Rossum. You can work in our garden for a good job.

Carl: Thanks Laney.

With him was a woman.

Me: Who is this with you?

Randa: Oh I'm sorry J.D. My name is Randa Duane.

Me: It's a pleasure to meet you Ms. Duane.

I shake her hand and it was cold.

Me: Your hand is cold.

Randa: I'm actually a duplicate.

Carl: She was created by me using the technology I used to make H.A.R.D.A.C.

Me: That's amazing. So you have different programming that is not affiliated with H.A.R.D.A.C.

Randa: That's right.

Me: Wow. [To Carl] I'm so sorry about your daughter Mr. Rossum.

Carl: It's all right J.D. I know I can't replace her but she will always be with me.

Me: That's right.

Lola: I'm glad we stopped H.A.R.D.A.C. and the next Ms. Injured Pageant is coming up so I'm signing up for that.

Me: You can do it Lola.

Lana: I agree sis. Go for it.

Maria S.: You all get some rest and you'll be better before you know it.

Me: Thanks Mrs. Santiago.

We got some rest and watched TV. Maria got her drivers license on her 2nd try.

---

When I was done everyone was shocked.

Tsuyu: Whoa! That computer really did a number of you guys.

Lola: No kidding there Tsuyu. I was in a wheelchair for a while.

Lana: Yeah that was intense.

Lincoln: Boy it sure was.

Lynn Sr.: You're not kidding there kiddo. It was brutal but awesome to see.

Aylene C.: Yeah it sure was.

Me: Yep and it was during that time that I got my data eyes.

Lisa Loud: Indeed. That was a most amazing adventure.

Eli: Wow.

Nico: Thanks for coming with me, Mr. Lynn.

Lynn Sr.: No problem Nico. I love going on awesome adventures with everyone and it's really awesome that I get to do so now with you on a rescue.

Rita: We're so glad you could come honey.

Lynn Sr.: Oh anytime dear.

Nico: Remember when you first got powers?

Lynn Sr.: Boy I sure do. That was when Anti-Aqua first appeared and it was so amazing.

Me: I'll never forget that Mr. Lynn. That was so awesome.

Eli: Yeah I heard about that. Anti-Aqua put up a big fight both before the war with Xehanort and before the 20 Days of Darkness.

Me: Yeah she sure did and that was when the Masters of Evil was starting to get more and more recruits remember?

Nico: I sure do. That was awesome and we first met Professor Calamitous in that one.

Lisa Loud: That was most certainly did and that was a most amazing battle.

Nico: And that was when both groups truly learned how to fight together.

Me: Yep with awesome teamwork and combos and skills.

Aylene C.: Yep and it was so awesome.

Camie: That is so cool.

Me: And ever since then, our teamwork, skills and powers together have been evolving tremendously.

Nico: Yep.

Sirius: That is so amazing.

Lynn Sr.: And it is so awesome that I got plant powers now.

Laney: It sure is dad.

Nico: You should be very proud of your kids.

Lynn Sr.: Oh you bet I am Nico. They are the best kids in the world.

Me: And who do you think it was that taught them?

Nico: J.D. did.

Lynn Sr.: That's true.

Tsuyu: By the way Mr. Lynn how did you come up with the idea for your awesome restaurant?

Lynn Sr.: Well it was really awesome adventure.

Lynn Sr. went over what happened during the flashback in the events of chapter 871.

---

[The flashback begins with me, Lincoln and Laney applying some paint to a building.]

Lincoln: [To the viewers, excited] Today's the big day. The grand opening of my dad's restaurant, Lynn's Table. That's right, his dream of opening his own place is finally coming true. But let me tell ya, it hasn't been easy getting here.

Me: (To the viewers) We had to start from the ground up.

[Lincoln looks up as it pans up to the restaurant's sign. Fade transition flashback to a different sign that reads "Something Fishy Restaurant".]

Lincoln: First, Dad had to find a place.

[We all were looking at the restaurant that their dad picked out. The outside of the building appears to be grody-looking and worn down, and the fish head on top of the building rotates slowly for a second, and then short circuits. Everyone, expect for Lynn Sr. and Lana, looks aghast at the worn down restaurant.]

Lynn Sr.: So, what do you guys think?

Lily: It's an old place and a dump.

Lola: [Pinching her nose in disgust.] I think, it stinks!

Lana: That's the best part! [Inhales the scent] Cod, with a hint of lobster paste.

Me: It is a perfect place to build Mr. Lynn's restaurant.

Laney: Come on, guys be supportive. All this place needs is a little elbow grease.

[Just then, a butterfly flies past them and it lands on the giant fish head, which shakes the second it does, resulting in falling off, completely avoiding the Louds, who scream at the incoming impact. The fish head then bounces off offscreen.]

Laney: Okay, maybe a lot of elbow grease…

Naruto: No kidding.

Fu: But we can help build it into the perfect restaurant.

Lynn Sr.: Look, it's going upstream to spawn. [laughs]

[The fish head crashes into Vanzilla.]

Lynn: Yeah, on your car.

Lynn Sr.: [notices] AAHH! [runs up to the destroyed van] Ah-oh-oh no, not Vanzilla.

Lana: I'll get the tools.

[Flashback #2]

Lincoln: Once Dad bought the old fish shack, we all pitched in to fix it up. [A truck backs up to the old restaurant.]

Lincoln (Flashback) Coming through. [The family set to work on the new restaurant.]

We got to work on the restaurant and helped build the restaurant into the most awesome restaraunt

Lincoln: Lynn handled the demolition.

[Lynn tears up a part of a wall with a baseball bat.]

Lynn: You want me to knock down that wall too, Dad? [Runs to said wall]

Lynn Sr.: No no, no no, no no no no no, that one's load-bearing! [Starts after Lynn Jr.]

Lincoln: J.D. handled the furniture for the restaurant.

I was building the furniture with my skills that I learned in woodworking class.

Me: How are we doing?

Fu: So far so good.

Lincoln: Laney handled painting the walls. [Laney was seen painting a fisherman shore on the walls and Lynn Sr. saw the artwork]

Lynn Sr.: Wow, Laney I'm really loving the design.

Laney: Thanks dad, I thought you're resturant could use some class. [Lynn Sr then see a rather unsettling painting of "Creation of Adam" with him as Adam]

Lynn Sr.: Uh… I'm not so sure about this one Laney. This is supposed to be a family resturant.

Laney: [sighs] Everybody's a critic. [Picks up a paint roller and paints over the naked painting]

Lincoln: And Lana fixed up the bathrooms.

Lana: I hooked you up big time, Dad. That bathroom is so nice, I wouldn't be surprised if people stopped by just to use it.

Lynn Sr.: Well, I hope they'll at least buy an appetizer.

Sakura: I think they will Mr. Lynn.

[Suddenly a toilet in the other bathroom flushes, Hops comes out.]

Lana: Hops was testing out the heated toilet seats.

[Hops gestures that the heated seats are working perfectly.]

Lincoln: And Lisa helped Dad get ready for his health inspection, though I think she was little tougher on Dad than the actual inspector.

Lisa: [Measuring the distance between the dumpster and the back door.] Tsk tsk tsk, your dumpster should be a minimum of fifteen feet from your exit, you're three inches short, that's an infraction. [Lynn Sr. throws his chef hat to the ground.] Hm, no hairnet, that's another infraction.

Hinata: Lisa, please don't be too rough on him. It's his big restaurant.

[Resumé transition]

Lincoln: Next, it was time for Dad to hire a few employees.

Lynn Sr.: So, why do you want to work here?

Mrs. Bernardo: I was just cast as Waitress #3 in the Royal Woods One Act Festival, so I need to prepare for the role. [stands up and begins singing.] Would you like a table or would you like a booth. [stops singing and Lynn Sr. is weirded out.] Oh, did I mention it was a musical?

[Rita and the kids give a thumbs down. Another resumé transition.]

Lynn Sr.: So, why do you want to work here?

A. Kidd: Yeah, my parents are forcing me to get a job since I left our car's sunroof open in the rain and ruined it, but I'm like, really responsible.

[Rita and the kids shake their heads for no, but Leni gives two thumbs up, and everyone looks at Leni.]

Leni: What, I find him relatable.

[Lori and Luna give deadpan expressions.]

Lynn Sr.: Why do you want to work here?

Mr. Grouse: I don't want to work here, Loud, I came to tell you your dog went on my lawn. Feel free to pick it up!

Me: Mr. Grouse calm down. You don't have to be so mean to him.

Mr. Grouse: Sorry J.D. I can't help it.

[Mr. Grouse walks off.]

Lincoln: But eventually, Dad found the perfect people for the job, his best friend and bandmate Kotaro, Vince, our friend and J.D.'s partner and awesome friend, and Grant, the Burpin' Burger's two time employee of the month.

[Rita and the kids give thumbs up. Lynn Sr. hires Kotaro and Grant and they fist bump.]

Lynn Sr.: Pound it guys, now blow it up. [They do so]

[Dishes transition]

Lincoln: The best part of helping Dad get ready was tasting the sample menu.

Lynn Sr.: Now everyone take a comment card and rate the dishes based on presentation, texture, flavor- [Hears gnawing, and sees that everyone has already devoured the sample menu.] Slow down, I need detailed feedback.

Laney: Delicious…

Me: (BELCH) Excuse me. Really tasty Mr. Lynn.

I put my results on and they were good.

Lynn: [Belches up scraps of paper, and groans.] I just ate my comment card.

[End of flashback]

Lincoln: All that's left now, are a few last minute touches.

[Lincoln puts the paintbrush into the can, and slides down the ladder.]

Laney: Nice job, Lincoln.

Lincoln: Thanks, you were good too Lan- [Before he coud finish, Leni unknowingly hits Lincoln with the door]

Leni: [Looking for Lincoln] Lincoln! Dad's gathering everyone! [Doesn't see Lincoln] Oh, I guess he's not out here.

[Leni casually walks back inside, and Lincoln, having been hit by the door, falls to the ground in pain.]

Lynn Sr.: [As Lincoln walks in] Hey everybody, I just wanted to say thanks for helping get this place ready. [Takes a breath, and pulls back the curtain behind him.] Ta-da! [Everyone admires the renovated place.] Now there's just one thing left to do, and it's kind of a biggie; publicity. [Gestures to a wagon full of flyers, and starts handing them to his kids.] Now, I had a truck load of flyers made for you kids to distribute all around town, nothing fancy just advertising "great food at a great price", I was thinking that could be our motto.

Laney: Uh, dad. I don't think all these flyers are a good way to advertise your resturant.

Lori: Yeah, and also there is a typo.

Lynn Sr.: What? [Looks at the card] 'Come on down to Lynn's table for our gah… gland opening? Ah no.

Lisa: It sounds like you're offering treatment for lymphadenitis.

Lynn Sr.: What am I gonna do? There's not enough time to reprint these. Oh, ah, this is bad, this is a - no one's gonna show up and we'll be totally sunk. [Sighs, and Rita comforts him.]

Lincoln: Hey Dad, I've got an idea; why don't you let us take care of the promoting? I'm sure we can come up with something.

Lola: Yeah! We can help Daddy.

Luan: Of course, I'd be gland to do it. [Laughs]

Lynn Sr. Ah, kids, thank you; you don't know what this means to me, and I just know you'll think of something brilliant, [The kids are pleased] when you put your heads together, you always do.

Lisa: Whelp, I'll go ahead and recycle these.

Lynn Sr.: Ah, sweetie, we don't have a recycling bin yet.

Lisa: Oh, I see, [writes on her clipboard] that is another infraction.

Me: No sweat Mr. Lynn. I can fix all this.

I snapped my fingers and put the correct letters onto the flyers and fixed everything that Lisa said.

Lynn Sr.: Thanks J.D.

Me: Anytime Mr. Lynn.

[Back at the estate, we all are having a meeting.]

Lori: [Banging her shoe as a gavel.] Okay, so let's all pitch our ideas on how to promote Dad's restaurant, then we can vote for our favorite. Who want's to go first? [Lincoln volunteers] Why am I not surprised?

Lincoln: [Taking the spot] Picture this; airing on every TV in Royal Woods, a commercial for Dad's restaurant. [Pulls down a projector screen showing his plan.] The angle, 'Let a man used to cooking for thirteen handle your huge party, big groups encouraged, buses welcome', a-thank you, a-thank you.

Me: Good choice Lincoln. Commercial advertising is always a good way to promote Mr. Lynn's restaurant.

Cyborg: Here's an idea for a promotion. Don't use tofu as food!

Beast Boy: Cyborg, you're making fun of me, aren't you?

Me: Okay you guys. That's enough.

Starfire: Please. Let us help with Lynn Sr.'s restaurant.

[Next is Lisa]

Lisa: According to my research, and personal experience; there's nothing people love more than… Bottomless baskets of fries! I propose we offer them with every entrée.

Me: That's a great idea Lisa. A lot of restaurants we know have that and it's perfect.

Vince: It sure is.

Fu: That's a great idea.

[Lori's turn]

Lori: I say, we install a photo booth, [holds up a reel of herself and Bobby.] it would pull in literally every teen in Royal Woods.

Me: Another great idea.

Aylene: That's an awesome idea.

Fu: Yeah.

Sakura: I agree. I think photo booths would be perfect.

[Laney's Turn]

Laney: I say we put up some art sculptures all around the restaurant to make it look fancy. [Holds up a picture of one of her weird sculptures] Like this one, I call it: "Life in an elevator". [The siblings gave her questionable looks]

Me: That's another great idea Laney.

Sasuke: I've always been an art lover myself.

Sai: Same here. I agree with Laney's idea.

Me: That is an awesome sculpture though.

[Luan's turn]

Luan: [Holding a cake] So as you see, mine is the batter idea. [Smashes the cake in her face.]

Me: Very funny Luan.

Naruto: (Laughs) That one sure takes the Cake!

Luan and me laughed at Naruto's Joke.

Luan: (Laughs) Good one Naruto!

Me: Nice one bro.

We high five.

[Montage of the other siblings' ideas.]

Lola: Ta-da! It's perfect.

Luna: [Wailing her guitar] Ta-daaaa! Yeah!

Lucy: Ta-da.

Leni: And there it is, bingo.

Lynn: It's a home run.

Lana: And there you have it. [High fives Hops]

[Finally, Lily shows her art and video games.]

Lori: Thank you, Lily, having arcade games at dad's restaurant is literally a very creative idea.

Nicole: It's perfect. A lot of people find it perfect for a restaurant.

Lori: Now that all of us have presented, let's put it to a vote.

A COUPLE MINUTES LATER…

Lori: [Pulls out the last vote, the siblings are in suspense.]… and one booger smeared vote for Lana's plan. [Tallies it on the chalkboard, which shows that everyone got one vote, all siblings except Lori groan.]

Lincoln: It's officially an eleven way tie. Did everyone just vote for themselves? [Everyone nods]

Me: We couldn't decide. It was all very good.

Lincoln: [to the viewers] Well, my sisters and friends may be fine with dropping the ball, but I'm not. Dad's counting on us. [shuts the door like his sisters did.] So I'm just gonna go ahead and make my commercial without their help. And when busloads of customers show up to Dad's restaurant, he'll have me to thank.

Volcana: A marionette plan? This isn't gonna end well.

Eddy: Why don't you leave the promoting to me? That way, your dad will have customers at his restaurant in no time!

Luan: I can help you Eddy.

Later at the restaurant we got everything ready.

Lynn Sr.: Okay team, T-minus five minutes until the grand opening. By the way, I ordered too much ginger, so really push the Lynn-ger chicken.

Me: Good name Mr. Lynn.

[Just then, Lincoln and Clyde walk in with a portable TV. And Laney follows them in with her scupture under her tarp]

Lincoln: Dad, we've got the greatest surprise for you ever; Clyde and I took care of the whole promotion problem, we made you a commercial.

Laney: I helped too. By advertising my art for the whole world to see!

Lynn Sr.: [Gulps] You did…

Laney: Don't worry, dad. Just trust us. This commercial will suit the cultures of everyone in town. Also I helped with the editing.

Me: I helped them out.

[Clyde turns on the tv]

Katherine Mulligan: And in local news; several civilians have reported seeing an alleged… tree monster, riding a bicycle. This is Katherine Mulligan, and I'll have the full story for you, after the break.

[The kids' commercial begins]

Lincoln: Have you ever gone out to eat with a big group and had this happen?

[Jean Juan's French Mex Buffet]

Jean Juan Host: That's a lot of people to seat. Why didn't you call ahead?

Lincoln: Have you too been…

Male Voice: Rejected!

[Aloha Comrade]

Aloha Comrade Host: It's going to be at least hour wait.

Male Voice: Rejected!

[Giovanni Changs Italian Chinese Bistro]

Giovanni Changs Host: [laughs] You're kidding, right?

Male Voice: Rejected!

[Bangers and Mosh]

Bangers and Mosh Host: I can seat you in pairs, but one person's gonna have to sit by himself.

Male Voice: Rejected! Re- Re- Re- Re- Re- Rejected!

Lincoln: Well, then come on down to Lynn's Table. [Sets off a confetti popper, but the wind carries the confetti away.] Chef Lynn will be sure to take care of your large party. [The wind blows the picture of Lynn Sr. off of Lincoln's hand. Lincoln gets it back.] After all, when it comes to serving delicious food to big groups, This father of eleven is an expert. [Cut to slideshow of Laney's portraits] Also at Lynn's Table, not only you may feast on our great food. But also you can feast your eyes on our decorative art pieces created by out resident artist Laney Loud. [Laney smiles at her mentioning]

Clyde: [Holds a toy school bus in front of the camera.] Buses welcome.

[Clyde makes bus noises while the end credits play, all crediting

Clincoln McCloud. Some special effects and finally and the ending screen.]

Lincoln and Clyde: A Clincoln McCloud Production. All rights reserved.

[Commercial ends]

Lincoln: So, what'd you think?

Lynn Sr.: Uh, I think it was… Fantastic! Talk about showmanship, you and Clyde knocked it out of the park. And Laney, those paintings are not so horrr… [Laney raises her eyebrow at Dad] I mean they're great! How did you get it on TV?

Clyde: You know Patchy Drizzle, the local weatherman? My dad plays racketball with him.

Lynn Sr.: Thanks, Clyde, hey, there's a free appetizer with your name on it.

Me: That was a great commercial guys! My Shadow Clone helped you out a lot.

Lincoln: It sure did.

Clyde: Yum, well, I'd better go home and change into my formal wear for the opening. [Leaves with the TV.]

Lynn Sr.: Hey, keep an eye out for that tree monster, especially if he offers you candy! [Laney rolls her eyes] Great work, kids. Did the others help too?

Lincoln: Psh, no, they all bailed after we couldn't agree on an idea.

Laney: I was only part of it to make my artwork famous. And I still will once I unveil my masterpiece tonight at the grand opening! [Laney leaves with the mystery scuplture]

Lynn Sr.: Uh, Laney. Are you sure that's a good idea? [Goes after Laney]

[Later, Laney was hanging up her paintings all over the resturant as the others prepare for the opening]

Lynn Sr.: Okay guys, this is it, time for the grand opening to officially begin. Oh, I hate to start without all the girls, but the show must go on. [Opens the door, and a bus pulls up, he gasps at this.] Son, the commercial worked.

Bus Driver: Where can I park my bus?

Lincoln: I'll handle it.

Rita: [Comes out and grabs his shirt.] Ah, nice try. [To the bus driver] Alright, are we working with a hydraulic brake system here?

[The driver gives a thumbs up.]

Lynn Sr.: [Pleased, goes inside] Alright my friends, pound it, [all four guys do a fist bump] now blow it up. [They do so. Lynn Sr. runs into the kitchen and gives a thumbs up, Grant and Kotaro grab some menus and each give a thumbs up too, Lincoln gives one back and opens the door.]

Lincoln: [To the crowd] Hello! And welcome to Lynn's Table, [as everyone passes] please make your way to the host stand, we can seat your entire party immediately. [Kotaro escorts everyone to a booth, and Lincoln notices another bus pulling up.] Yes, keep those buses a comin'. [Runs out, but Rita grabs him again.]

Rita: Lincoln.

But the restaurant life was hectic. It was turning into a promotional nightmare.

Lynn Sr.: I just wish you kids had worked together to come up with one idea, that I could have handled, but now there's just too many things hittin' me all at once. [Just then, Leni hits him with the door; dazed.] There's another one.

SMASH!

Leni: [Unaware] Hey Dad, Bernie just got a double bingo. do we have Ba-ba-ga-noush? [Looks around] Where's Dad? [Everyone points to behind the door, Leni looks and her father blacks out; still clueless.] Why is he napping during the gland opening?

Laney: He's not napping, he's unconcious!

Me: Uh oh!

[Lynn and Lisa get the wheelbarrow and put their father in it.]

Lisa: [Checking his pulse] His vitals are fine, but when he wakes up, he'll have a considerable contusion.

Vince: He's really knocked out.

Lily: Now I know how Squidward felt.

[Everyone looks at the ground, disappointed in themselves.]

Luna: Dudes, I feel terrible.

Lori: Me too, Dad's opening night is a disaster, and it's all our fault.

Laney: Oh, if only I didn't think of myself I would've stopped this!

Me: It's not your fault guys. This is Mr. Lynn's big day and he was really nervous about this.

Lincoln: Guys, what are we gonna do?

Aqua: What's this "we" stuff? You guys were the ones who overworked him. Looks like you guys are the ones who are getting blamed for this!

Lynn: But the rest of you guys helped out as well!

Volcana: Well, we actually weren't stressing your dad out!

Lola: You're right, guys, we're guilty. The customers are gonna be asking questions. We're doomed! [Double D grabs her]

Double D: Get a hold of yerself, Lola! We need to make sure Mr. Lynn passes this interview.

Me: Agreed.

Rita: Well, with your father out of commission, I don't think we can keep the restaurant going. [Everyone sighs] I'll go tell the customers they have to go home. [Walks off, but then comes back and puts the pot on her husband's head.] Just to be safe. [Takes off again]

Lincoln: [Gets an idea] Mom, wait, maybe it's not too late to save the grand opening.

Lana: How are we gonna do that?

Lincoln: By working together, just like Dad wanted us to do in the first place.

[The girls like the idea.]

[In the dining room, everyone is chattering away, Lincoln gets up in front of everybody.]

Lincoln: Excuse me! May I have your attention, everybody! [Everyone looks at him, and he clears his throat.] I know you all came here cause of the promotions we offered

Elderly Woman: Bingo! [Realizes that she interrupted.] Oh, sorry.

Lincoln: But the thing is, my sisters and I came up with those without telling our dad, so unfortunately, we can no longer honor all of our promises. [Everyone is not pleased by this.] But if you're willing to stick around; there is one promise we can honor, our dad's great food at a great price.

Laney: And the special unveiling of a new art piece by Laney Loud!

[The siblings exchanged concerned looks as the people agreed]

Lincoln: Okay, time to work together, pound it guys. [Everyone pounds it] Now blow it up. [They blow it up]

[In the kitchen, Grant chops some carrots, and adds them to the soup Lori's stirring. She adds pepper and ladles it into a bowl Rita holds out for her, Rita puts the bowl on a plate, and adds some oregano.]

Kotaro: Order up! [He and Lynn skate up to the service window.] Potato and chicken dump-Lynns.

Rita: [Gives a thumbs up and checks the pot.] Fresh out.

Lori: No problem, Mom, I know that recipe by heart. [Comes to the window and puts out two bowls of soup.] Here, this Lynn-til soup goes to table three.

Lynn and Kotaro: Got it.

[They take the soup and skate off, Kotaro almost losing his balance. Meanwhile, Leni is escorting a mother and daughter to their seating.]

Leni: Please take a seat. Oh, but, give it back at the end of your meal.

[The two take their seats and Lisa offers them menus.]

Lisa: May I recommend the Lynn-ger chicken?

[Laney was putting the finishing touches on some creampuffs she made]

Laney: Done! [Comes to the window and puts out the two creampuffs] Get these Lynn-mon merengue creampuffs to table five!

[Lynn and Kotaro take the creampuffs and skates off]

[Lincoln places a bread bowl on the table and Luan leaves them some water, they are pleased by this. Luna and Lola are clearing the other tables, and take the dirty dishes to the sink where Lana and Virginia are cleaning.]

Lana: Thank you.

[She and Virginia start licking the plates clean. Everyone is busy in the kitchen.]

Laney: I wish Squeals was here. She would love this.

Me: Your wish is my command.

Squeals popped out of my backpack.

Laney: Squeals!

Squeals went into her arms.

Lynn: Order up. This is the home stretch guys, we're almost there.

[Everyone cheers, when suddenly Lucy arrives.]

Lucy: Where's Dad? I have the ultimate promotion, I invited Katherine Mulligan from channel three to come interview him.

Rita: [Shocked] You did what?

Luna: [Points to their dad] Bad timing, dude.

[Lynn Sr. is still unconscious with Lily fanning him.]

Lucy: Gasp.

Aylene C.: Oh boy.

Lincoln: [Covering Lucy's mouth] Nobody panic, I've got an idea. Laney! Do you have your facepainting kit with you?

Laney: [Holds her kit] Always.

[Later, at the interview.]

Katherine Mulligan: This is Katherine Mulligan, here at Lynn's Table, talking to the man behind the name, Chef Lynn Loud. [Lynn Sr.'s hand goes up, then his head flops down but jerks up, he's painted to look like he was awake and happy. In the booth behind him, the kids are controlling his arms with strings.]

Laney: He's very happy to meet you, Katherine.

Katherine Mulligan: This has been the most successful grand opening Royal Woods has ever seen. How'd you do it? [The kids make their dad shrug, Katherine is amused.] So modest. How does it feel? [Thumbs up]

Laney: He doesn't need words to describe how proud he is of how his resturant turn out. All of us contributed to making his buisness a success.

Katherine Mulligan: I can see that. And I also hear that you are responsible for the artwork in this resturant.

Laney: You are correct, madam. I am most especially proud of this! [Laney pulls out her mystery artwork. The siblings signal her to not reveal it.] Behold! [Laney pulls out the tarp revealing a beautiful family statue]

[People were astonshed as they saw the statue]

Man #1: Amazing!

Woman #1: Beautiful.

Woman #2: Captivating.

Lori: It's… not hideous.

Me: Wow! That is an awesome statue!

Varie: That is a true masterpiece!

Katherine Mulligan: Fantastic! Lynn Sr., you must be so proud of your daughter's achievement. [Lynn Sr's hand were raised and clapped] I bet you are. And how do you plan to celebrate? [Sleeping gesture, and snoring noises.] Ha, ha, a good night sleep, I don't blame you. [To the audience] Well, Lynn Loud is a man of few words, but he lets his food do the talking, I'm Katherine Mulligan saying that if you're looking for a delicious, family-friendly meal, look no further than Lynn's Table.

[That night at the Loud House, the Louds are watching the interview.]

Lynn Sr.: Wow, thanks for making me look so good, kids. And Laney, that art was equisite.

Laney: Of course it was. [To the siblings] And you all thought It was hideous.

Lincoln: We thought it was part of your phase.

Lynn Sr.: I can't believe you pulled that off.

Lincoln: It was the least we could do after the mess we made.

Lynn Sr.: Well, once you worked together, you really turned things around. In fact, the grand opening was even better than I could have hoped for, Ah, bring it in here.

[Family hug, which they all enjoy.]

Lynn: Bring it in.

Lynn Sr.: Now, I was thinking; since you guys were such a big help, maybe I should name a few dishes after you.

Luan: Ooh, how about a Luan-chovy pizza.

Lori: Oh oh, chicken catcha-Lori.

Lynn Sr.: I love those! Keep 'em coming.

[Cut to an exterior shot of the house. The camera slowly zooms out as the family continues to list off potential dishes.]

Lana: Lana-cotti.

Lola: Buffa-Lola chicken wings.

Rita: Hummus and Rita chips.

Lisa: Liso soup.

Lincoln: Beef well-Lincoln.

Laney: Torte-Laney.

Lucy: Lucy-esar salad.

Luna: Luna casserole.

Lily: Lily-guini.

Leni: Ooh, I got one: hamburgers.

We facepalm.

We turned Lynn's Table into a family fun paradise for everyone! There was an awesome arcade, art museum, kid mascots, everything!

---

Lynn Sr.: Good memories.

Nico: Wow that is awesome.

Laney: Yeah it sure was.

Camie: Yeah that was so cool.

Me: And we've been adding more and more foods and stuff to the menus too.

Lola: Yeah we sure were.

Nico: Do you still harbor bad feelings towards Mr. Huggins?

Lynn Sr.: No not as bad as I do for Flip, Scoots and the jerks that we humiliate right now.

Nico: That's good.

Me: Hey I have an idea. Lets add Pablo and Anderson to the Humiliation roster for some buttkicking and retribution.

Nico: Ooh not a bad idea.

Lynn Sr.: That's not a bad idea J.D.

Lana: Yeah those jerks will be awesome for Taylor to get back at.

Punk Shock: I agree there. That is gonna be so awesome to see.

Nico: And Huggins is actually a nice guy.

Me: He sure is. And he likes the comic books for Ace Savvy that me and Lincoln make for him.

Lincoln: It's really awesome money.

Lola: Yeah you guys should see all the comics that Lincoln and J.D. make for him.

Me: Yeah he loves them.

Laney: Yep.

We arrived at the Evidence Warehouse.

Me: Wow look at all this.

Nico: Yeah.

We walked around and searched.

Nico: I think we're not alone.

Me: What makes you say that?

Nico: Just a feeling.

We then saw a box with a familiar symbol on it.

Me: That's H.A.R.D.A.C.

Camie: Wow. What was H.A.R.D.A.C.'s purpose?

Me: Well that was a crazy one. We found out that it was going to replace all of humanity with robotic duplicates.

I went over H.A.R.D.A.C.'s History.

HARDAC was created by a scientist named Karl Rossum as a prototype of artificial intelligence. Rossum, who was grieving for the deaths of his wife and daughter, designed HARDAC to create immortal robot duplicates; in effect, he was trying to stop death. HARDAC had a will of its own, and decided to continue with the plan even after Rossum abandoned it. HARDAC killed Rossum's assistant Randa Duane and replaced her with a robotic clone in secret and created countless numbers of androids.

It also replaced Commissioner Gordon, Harvey Bullock and Mayor Hill with robots. Karl figured out about HARDAC's plan and tries to stop it by deactivating him. However, he shocked him and replaced with a robotic duplicate as well. HARDAC kept the people he kidnapped preserved so that he could study from them and make his duplicates able to mimic human behavior though Randa is the most advanced of all.

Randa managed to get into Wayne Manor and figured out Bruce Wayne is Batman. H.A.R.D.A.C. created the duplicate of Wayne and told Randa to steal the prototypes. HARDAC's droids tried to capture Wayne but failed. Batman with the help of Barbara Gordon managed to invade Cybertron and destroyed the Cybertron building and critically damaged HARDAC.

However, it was not the end of HARDAC. While most of duplicates were destroyed, Batman's duplicant survived and was activated by a group of thieves who were stealing items from the Cybertron warehouse. With the information Randa stole from the Batcave, the duplicant thinks he's the real Wayne and the real Batman. One of the thieves shot the duplicant Batman with a gun revealing his circuitry. The android went to the Wayne manor and thought it was more than a machine.

The duplicant went to Rossum for help who told him about real origins. The duplicant later tried to revive HARDAC and give it enough control to take over all the machines in the world and replace all humanity. Batman interfered and fought his duplicate and they were spar. The duplicant thought it killed Batman and was consumed with guilt, having inherited Batman's moral code. While HARDAC was downloading into the Bat-Computer, the duplicant destroyed the computer and itself, ridding Gotham City of HARDAC

once and for all.

---

When I was finished everyone that hadn't heard about it was shocked!

Nico: That was intense.

Twilight Sparkle: Wow no kidding there.

Sunset Shimmer: Yeah.

Me: Yeah it was. (Sees something) Wait look.

We then saw Batman? What the?

Nico: Is that Batman?

Me: Wait look at his eyes. They're glowing red.

Nico: What's wrong with him?

Me: Shh. Something is up.

Gaon: Are they glowing like yours tend to do?

Me: Shh.

We watched.

Batman 2: HARDAC.

COMPUTER: Symbol recognition confirmed.

Batman 2: What in…

He then saw what looked like a circuit.

COMPUTER: Initiating startup program.

His eyes beeped.

(GROANING)

He took off his skin and we saw that he was a Robot!

Me: Whoa.

Nico: He's a robot.

Eli: Wow.

I looked at him with my Data Eyes and saw that he was many more years more advanced than anything we know and have seen.

COMPUTER: Prepare to insert operational circuitry.

He put in the chip into a slot into his forehead.

COMPUTER: Initiating diagnostic and repair sequences.

His emblem opened and repaired him.

(WHIRRING)

(ELECTRICITY CRACKLING)

Nico: Wow.

He put his face back on.

COMPUTER: Warning. Memory error detected. Reconfiguring mnemonic files.

(BEEPING)

Batman 2: What are you doing to me?

COMPUTER: A learning program designed to complete your memory files and help you better fulfill your operating directives. Shortly before self-destruction HARDAC created one final duplicant. An advanced prototype with personal and technical information accessed from Batman's computer. You were that duplicant. But your memory systems were damaged before full activation occurred. The new circuit board contains HARDAC's core operational systems and memory. All duplicants were programmed to seek out this component in the event of HARDAC's destruction. Your memory systems have now been reconfigured.

Batman 2: Yes. I am fully operational now.

COMPUTER: Excellent. You now house my command files. We are HARDAC. We will reactivate the plan to replace all humanity with duplicants.

We gasped quietly.

Then HE SAW US!

Nico: Uh oh.

He went over to us.

Me: Wow. You are as amazing as when Francis and Teresa first saw you.

Eli: Incredible. HARDAC Really knew how to make a great robot like you.

Batman 2: HARDAC made me to carry out his plan to replace all humanity with duplicants.

Nico: A world with only robots and no humans is not a good sight.

Me: Yeah I've seen so many movies like that.

Zocks: It's not pretty.

Batman 2: I have no quarrel with you, Zenkaigers. 4 of your members are robots.

Magine: We're honored that you respect us.

Gaon: Yeah that is for sure.

Me: But at least let us help you. We reprogrammed another version of you to be in Bruce Wayne's place for his company. You remember that right Nico?

Nico: Boy I sure do. Francis and Teresa told me about that.

Batman 2: You do not wish to fight me?

Nico: No. Because you are perfect for joining our frenemies in the Masters of Evil.

Me: HARDAC may have created you from silicon and all that. But there is one thing that you always will have that HARDAC can never take away from you. And that is a soul.

I put my hand on his chest.

Me: This part right here is more than just wires, chips and metal. It's a heart. Your heart. Bruce Wayne's heart. Batman's heart.

Eli: That is for sure.

?: That's right.

Another Punk Shock came out.

Punk Shock: Another me.

Punk Shock 2: Yeah.

Nico: That voice. Kelly Orimoto?

Punk Shock 2: Yep. Good to see you again Nico.

Batman 2: Another friend?

Me: Yeah one of Nico's friends. Weird story. But you have to give me the chip for HARDAC.

He pulled off his face and then gave me the chip.

Me: Thank you.

Nico: That was easy.

The second Punk Shock reverted back and it was a girl with light blue hair and blue clothes.

Lynn Sr: What's your favorite memory of Nico?

Kelly Orimoto: I have a lot of them but my favorite is when me and Nico made a really awesome dessert pizza. We made a chocolate, marshmallow and caramel chip dessert pizza.

Laney: (Drools) Oh boy that sounds delicious.

Nico: Oh it was. Best dessert pizza ever. Everyone loved it.

Lola: Yummy.

Nico and Kelly then hugged.

Nico: I really missed you.

Kelly Orimoto: Me too Nico. Me too.

Me: Kelly your last name is Orimoto. Are you related to Zoe Orimoto?

Kelly Orimoto: Yes I am. She is my little sister.

Nicole: Wow that is cool!

Lola: We didn't know she had a sister.

Fu: That's awesome. She's on the team right now.

Me: Yep.

We later came back home.

Lincoln: Wow, we're here in the Gotham City sector, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to take down Professor Milo, who was freed from prison by The Blood Dragons yesterday and supplied them with the vials of his werewolf serum, and he still wants revenge on us for throwing him in prison years ago.

Nico: That's right, big guy. After what happened yesterday, now we know The Blood Dragons aren't the only villains out for revenge on us.

Me: Luckily, I warned Batman about this when we went on your rescue, Nico.

Lincoln: And I also called Anthony Romulus about this, and he's already taking action in case that mad scientist tried anything, and I also put in some extra protection by putting up a magic field to keep Professor Milo out.

Eli: And don't forget there's also a bounty on Professor Milo's head, but I wonder how much it is.

Lincoln: We'll find out about that once we hand him over to Agent Waco, Eli. And thanks for joining us, Mom.

Rita: You're welcome, honey, and I hope you have a way of curing The Blood Dragons of the werewolf serum in them.

Lincoln: I do, Mom.

Lincoln made his nails grow into claws, and we saw they were laced with silver moonlight energy.

Nico: Whoa, now that's awesome.

Lincoln: It's more than awesome, remember when J.D. told you of how I cured Anthony Romulus of the werewolf serum he drank? Well, I laced my claws with silver moonlight energy and it'll cure The Blood Dragons of the werewolf serum that they drank.

Me: Awesome. But, for regular werewolves, you'll just bite them and they'll turn back to normal.

Lincoln: Yep.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Professor Milo, and he's going to inject them with the werewolf serum.

Lincoln: Guys, I found the five girls, but they've been cornered by Professor Milo, and he's going to inject them with the werewolf serum and turn them into werewolves.

?: That heartless, psychotic madman, let's get him.

Suddenly, we saw the Elemental HERO Escuridao appear before us.

Nico: Whoa, that's the Elemental HERO Escuridao, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Heather Huffington, but we'll talk later, we've got a mad scientist to put out of business.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Professor Milo, and that allowed the five girls to get to safety. When Professor Milo saw us, he was enraged.

Professor Milo: You have ruined my experiments and my revenge for the last time, Team Loud Phoenix Storm!

Lincoln: Your so-called experiment caused an innocent man to turn into a werewolf and you tried to kill Batman long ago. But, now your experiments and your revenge are about to come to an end here and now.

Lincoln growled as brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal, and he unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Rita Loud, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Professor Milo, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit him.

We powered down after roughing Professor Milo up, then Lincoln tied him up with a rainbow energy straitjacket and rainbow energy chains, so he can't escape or warn the other Blood Dragons of what happened. Then, Agent Waco came in, along with the other FBI agents and the Gotham City Police Department.

Lincoln: (Beastly Voice) Before you take him away, Agent Waco, I need to do something really quick.

Then, a tentacle with a suction cup proboscis sprouted out of Lincoln's back and as it latched onto Professor Milo's head, he sucked out and drained Professor Milo's brain, and he gained a massive intelligence boost. Then, he saw that Professor Milo did indeed break out of prison, thanks to The Blood Dragons, and he also saw Professor Milo also added in muscle growth stimulants into the werewolf serum he created again. Lincoln detached the suction cup proboscis tentacle from Professor Milo's head, and he told us that Professor Milo also added in muscle growth stimulants into his serum.

Me: Whoa, now that's serious.

Lincoln: (Beastly Voice) Yeah, it sure is, J.D. And now that we know everything, take him away, Agent Waco.

Agent Waco and the FBI agents took Professor Milo away, and we cheered wildly as we holstered our weapons and Lincoln changed back.

Lincoln: That's the last time you'll ever cause trouble for us again, Professor Milo. (To Heather Huffington) And it's so good to see you again, Heather Huffington.

Heather Huffington reverted back to normal, and she's a beautiful girl with long flowing black hair and purple hairband, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive midnight black angel wings, and she reigned in the power of Elemental HERO Escuridao, and she's dressed in a sleeveless black dress, black sneakers, and long midnight black sleeveless trenchcoat with darkness on the coattails, and Elemental HERO Escuridao on the back, and holstered on her back is a large Elemental HERO Escuridao-themed greatsword with Number 76: Harmonizer Gradielle etched on the 7'0" massive, wide, double-edged midnight black blade, midnight black angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large purple gem surrounded by midnight black angel wings for the pommel.

Heather Huffington: You too, Lincoln, it's been a long time.

Lincoln went up to Heather Huffington and they hugged, and Heather Huffington was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since you were fifteen, and as you can see, I really grew a lot since then.

Heather Huffington: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Heather Huffington, she's one of my many Guardian Angels from Michigan, she's a powerful umbrakinesis master and she's also a girl that defended me from more bullies than anyone we have ever known, and it's because of her actions against bullies, she's known as The Dark Eclipse of Bullies.

Laney: Yeah, any bullies that try to hurt Lincoln, a dark eclipse will descend upon them, and the only thing they'll ever see is nothing but darkness.

Lincoln: And it's not just from bullies in school, but she's also defended me from Lori, Lynn, and Lola.

Luna: Yeah, and Luan and Lisa know better than to mess with her, otherwise, she'll really darken their day. (Suddenly realizes what she said) Dang it, I've been hanging around Luan so much, I'm already starting to make puns.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Heather Huffington's neck with purple gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Heather Huffington: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Heather.

Heather Huffington had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Heather Huffington's waist and Heather Huffington wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Heather Huffington's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Yuki Cross from Vampire Knight, Erika Amano, Hiro Segawa, and Sachi Umino from A Couple of Cuckoos, and Sayuri Haruno from Bonjour Sweet Love Patisserie.

Lincoln: Oh wow, it's Yuki Cross from Vampire Knight, Erika Amano, Hiro Segawa, and Sachi Umino from A Couple of Cuckoos, and Sayuri Haruno from Bonjour Sweet Love Patisserie.

Me: Awesome.

Lincoln: Are you girls okay?

Yuki Cross: Yeah, we're okay, thanks to you.

Then, when Yuki Cross and the other four girls saw who it was that saved them from Professor Milo, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings with stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yuki Cross: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuki Cross: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Yuki Cross, Erika Amano, Hiro Segawa, Sachi Umino, and Sayuri Haruno with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Professor Milo, and when Lincoln told them of what he was doing, they were shocked.

But, when Lincoln showed what we did to that madman, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Heather Huffington have a lot of catching up to do now that she's back in town, and as for Professor Milo, he was sentenced to Eternity in the Neptune Prison's Cryo-Prison, he was flash-frozen and put into a cryo cell, where he'll remain there for the rest of his life.

William: Okay, we finally took care of Professor Milo for good. But, what about his werewolf serum he was working on?

Lincoln: We took care of that for good.

Me: Yeah, Lincoln's massive eleven werewolf tails with large black wolf heads drank in the rest of the werewolf serum, and Lincoln got a really massive power boost, and he can now create the very same werewolf serum after he sucked out all of the information from Professor Milo's brain.

Maria: Nice one.

Nico: And Lincoln also showed us how he's going to cure the Blood Dragons of the werewolf serum that they digested.

Lincoln: Yep, just one scratch from my claws laced with silver moonlight energy, and the antidote will get to work.

Eli: And we got the reward for Professor Milo's capture.

We got a $500,000,000,000,000 reward for Professor Milo's capture, and we'd put that to good use.

---

After putting a stop to Professor Milo, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Heather Huffington saw Lincoln working out like crazy, she had an atomic red blush on her face.

Heather Huffington: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Heather, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Heather Huffington: That's incredible.

Nico: It sure is. So, Heather, what memories did you have with Lincoln?

Heather Huffington: Oh, I remembered this one time, Lincoln and I were playing video games in the living room, but our fun got interrupted by Lynn, who said she needed Lincoln for "sparring practice". But, Lincoln and I knew it was code for beat him up, make him cry, and spit at him, but Lincoln told her "no". This got her so mad, she was about to rough her up, and she also brought Lori and Lola to help her, and I got so mad that she resorted to something like this, getting those two involved as well in her plan. I'd fired a massive blast of darkness at them, blinding them and I pounced on Lori, Lynn, and Lola and pulverized them badly. When the mist of darkness let up, Lori, Lynn, and Lola were all on the floor covered in bruises with black eyes and missing teeth. I told Mr. and Mrs. Loud of what Lynn was about to do and that she also got Lori and Lola with her, and they didn't like that one bit. Lynn was grounded for five months, Lori and Lola got three months of grounding for helping Lynn. That'll teach them a lesson.

We cheered wildly for what Heather Huffington did to defend Lincoln from Lori, Lynn, and Lola.

Me: Now, I really know why you're known as The Dark Eclipse of Bullies, sweet.

Nico: Blind them with darkness and then, they'd never see the beating that's about to take place, brutal.

Cindy Richards: No kidding, when it comes to defending Lincoln, many of his Guardian Angels show no mercy to bullies, even to his mean sisters.

Lincoln: Yeah, and their reputation for putting bullies and The Trinity of Violence, including Luan and Lisa, in their place is really powerful and many of them also joined with the police to bring down the biggest jerks and lowlife criminals not only in Michigan, but also around the country.

Heather Huffington: And when Lincoln told me that Flip, Scoots, Lewis Travolta, Icky Vicky, Amy, Trina Riffins, Bubble Bass, and Billy McLean are getting humiliated, I was literally stunned, I never thought I would ever see the day to see three of Royal Woods' biggest jerks, along with the bad babysitter of Dimmsdale, two of The Total Drama Sore Losers, the jerk of Bikini Bottom, and the pink-haired bad-tempered psychopath and hater of Grojband get their just desserts, awesome!

Nico: Well, it's not a dream, it's real. Plus, Duncan's Diablo hot sauce caused Flip to explode fire like crazy right from his nose, mouth, ears, and three-cheeked butt, and when J.D. tasted it, it was really awesome.

Lincoln: Yeah, it was really wild. Speaking of which.

Lincoln put up the 9,500-lb barbell and he took out a bottle of Duncan's Diablo hot sauce, and when he opened it, we saw steam come out and our eyes went wide and we gasped in shock.

Nico: Linc, don't tell me you're going to…?!

Me: Drink a whole bottle of Duncan's Diablo?!

Suddenly, Lincoln drank the whole bottle of Duncan's Diablo hot sauce and then…

EXTREMELY MASSIVE SUPER POWERFUL EXPLOSION OF FIRE!

Lincoln had a massive pillar of fire explode out around him and when the smoke cleared, he had a massive rainbow fire aura around him and it was extremely powerful, and he gained a massive power and energy boost!

Lincoln: WHOO! Now, that's powerful!

We were really impressed and Lincoln's harem were really blushing like crazy, and when Heather Huffington and Hilary Thestalos saw it, their jaws hit the floor at the display.

CLANG!

Hilary Thestalos and Heather Huffington: (Stunned with Awe) HOLY CRAP!

Nico: Yeah, and your future husband's also a True Spice Demon, and he really loves nuclear hot and spicy food.

Duncan (Total Drama): Dude, I can't believe you drank a whole bottle of Duncan's Diablo. (Smirks) You sure are one tough True Spice Demon to handle something like that, Lincoln.

Lynn: Dang, bro, you sure were crazy to drink that stuff.

Lincoln: I know, but that was really good, and Duncan really makes one really hot hot sauce.

Eli: WHOA! Lincoln, how do you feel?

Lincoln: I feel even more incredible than ever, Eli. Those villains are really going to get burned by me and I wouldn't be surprised if I set their butts on fire.

Nico: Ooh, nasty case of butt-burn!

We laughed for a bit and then we got a shower afterwards, but suddenly, a flash of light descended on the World Tree Estate, and we had to cover our eyes. Then, the flash of light disappeared, and we uncovered our eyes, and then, we saw that the world of 6Teen has merged with our world.

Lincoln: Whoa, Caitlin, Jen, Nikki, your world has merged with ours.

Caitlin Cooke: That's so awesome. Oh man, and we got to tell Jonesy, Wyatt, and Jude of what happened to us.

Jen Masterson: Yeah, they were really worried when they saw that Michael Devlin kidnapped us to get us killed by Joseph Seed that he brought back from the dead.

Nikki Wong: You said it.

Lincoln: Let's head down to the Galleria Mall so we can meet with your friends, girls.

Suddenly, we heard the elevator and then, three figures came out, it was Jonesy Garcia, Wyatt Williams, and Jude Lizowski.

Jen Masterson: Jonesy.

Caitlin Cooke: Jude.

Nikki Wong: Wyatt.

Wyatt Williams: Jen, Caitlin, Nikki.

The boys ran up to the girls and they were reunited.

Jude Lizowski: You girls okay?

Jen Masterson: Yeah, we're alright, Jude.

Caitlin Cooke: Yeah, we, along with Lo, Emma, and Fin, were rescued from Joseph Seed and the army of Nightmare Demons sent by that psycho who kidnapped us, Michael Devlin.

Just then, Jonesy, Wyatt, and Jude saw us, and they were stunned.

Wyatt Williams: Wow, Team Loud Phoenix Storm, awesome.

Lincoln: That's right, Wyatt, and now, Jen, Caitlin, and Nikki are also part of my harem and my future wives.

Jonesy Garcia: And I hope you made that creep, Michael Devlin, pay.

Lincoln: Oh, he paid for what he did, he, along with Damian Alaister and the rest of those Church of Necrom goons paid the price for their crimes with their lives.

Me: Yeah, after they were found guilty, they were all sentenced to death and were erased by The Black Gates.

Jude Lizowski: Good riddance, dude.

Wyatt Williams: You said it. When we saw Caitlin, Jen, and Nikki getting kidnapped by Michael Devlin, we ran there to help, but he summoned his Nightmare Demons and sent them to kill us. But, Jude made a crucifix and sent them running.

Nico: Fucking psycho.

Lincoln: We've already got rid of them, Wyatt. But, we're in for a big war on September 16th against Evil Starlight Glimmer, who was Super Hakaied thanks to Damian Alaister sabotaging our attack to send her to The Black Gates with his black magic.

Jonesy Garcia: Those creeps have no respect for women, it's like they were born evil or something.

Nicholette Torrington: That's just what we were about to say. But, those demon Goth bastards and bitches paid with their lives.

Lincoln: Yep. And how would you guys like to join the team?

Wyatt Williams: Count us in.

Nico: Awesome, and one day, we've got to see the Galleria Mall.

Caitlin Cooke: Don't worry, you will, Nico.

Jonesy Garcia: Oh, and when you and Jen get married, Lincoln, you're also going to need to keep an eye on my prankster brothers, Diego and Robbie.

Jen Masterson: Yeah, those two are notorious pranksters.

Lincoln: Oh really? Well, wait until they meet the pranksters of Team Loud Phoenix Storm.

Luan: You said it, Lincoln. They want to pull pranks on you, wait until they get a load of us.

We laughed for a bit, and we made Jonesy Garcia, Wyatt Williams, and Jude Lizowski members of the team, and they were really going to like hanging with us.

---

Later it was time for Elyon's final ambassador mission with the Wizard Kamen Riders.

Nico: This is gonna be so awesome. I have a feeling that we're going to close out Elyon's missions with a bang.

Me: I hope we kill Gremlin. That would be so awesome to close out the missions with a bang.

Nico: It would. But just be patient on that one.

Me: Well okay.

William: Anyone else want to go with Elyon? Besides Max and 3 Rabbids?

May: I'll go with you guys.

Maria: Me too.

Lincoln: Me and my family too.

Nico: Wow! Awesome. Okay then. Lets head on over there.

We were off!

We arrived.

Haruto: Hey guys!

Elyon: Haruto, meet the Loud Kids.

Lincoln: Awesome to meet you Haruto. My name is Lincoln Loud and this is my big family.

Lori: It's literally awesome to meet you. My name is Lori.

Leni: I'm Leni.

Luna: Sup dudes. Name's Luna.

Luan: I'm Luan.

Lynn: What up? Name's Lynn Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lyra: I'm Lyra.

Lee: My name is Lee.

Lucy Loud: I'm Lucy.

Laney: Laney.

Lana: Lana.

Lola: Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Haruto: Wow! That is a lot of kids.

Me: Yeah and yes their mom and dad all thought it would be cute if all their names started with the letter L.

Haruto: That is so cool!

Me: (Whispers to Haruto) Also their family is one that doesn't believe in condoms.

Haruto snickered at that one.

May: Awesome to finally meet you guys. My name is May and I'm Nico's awesome wife.

Haruto: Awesome to meet you May.

Maria: And it's awesome to meet you too. I'm Maria Rockell, second in command of the Redemption Squad.

Haruto: Awesome to meet you too.

Max: Awesome to meet you all as well. My name is Max and I'm the leader of the Dinosquad.

Me: Max and I go way back. Last week we killed Victor Veloci and tomorrow we go and meet the Kiramagers.

Haruto: Wow! Awesome!

Nico: Yeah.

Haruto: I actually saw that from afar.

Me: Did you really? That is so awesome!

Eli: Yeah it sure is.

Nico: Yeah. So you were watching us take down Veloci.

Haruto: Yep.

We then saw application papers for Hogwarts.

Nico: Are those-?

Haruto: Applications for a Hogwarts teaching position? Yes. I'm looking to become a Defense against the Dark Arts Teacher. Voldemort might be gone. But other forces might use magic for evil.

Me: You guys would make awesome teachers for Hogwarts.

May: I agree there.

Maria: Same with me.

Me: I'm sure that the staff at Hogwarts would be more than happy to have you guys join in.

Nico: Same with me.

Nitoh: Okay, is that position really cursed? Or are past Professors in that position just scared off by unfortunate circumstances

Me: No no. That's a bunch of wizarding superstitious bullshit. Besides that Genocidal Racist and his followers all got what they deserved and that is a one way trip to the Black Gates.

Nico: Yep. Voldemort and his followers were going to wipe out 7.3 Billion innocent people so that Pureblood Wizards can rule the world in the name of evil.

Eli: Thank goodness they are all destroyed.

Rinko: (sees the news) Guys, I've got good news and bad news. The bad news is that 6 Phantom just revealed themselves!

Nico: And the good news?

Rinko: None of them are Gremlin or the White Wizard.

Me: Oh fuck! And I was really hoping to face Gremlin too. Oh well. But I'll just have to wait till the big day.

Nico: There you go! Lets go kick some Phantom butt!

Eli: Yeah! Time to kick some Phantom Ass!

We were off to face them.

Nitoh: Let's see which Phantoms we're gonna face this time.

We then saw that we were facing Shizune A.K.A. Siren Phantom, Arachne, Jormungandr, Hellhound, Hydra and Sphinx Phantoms!

Nico: Siren, Arachne, Jormungandr, Hellhound, Hydra and Sphinx Phantoms!

Me: Ooh! This is gonna be awesome!

Siren Phantom: Now you will give into despair.

Nico: We'll see about that.

Siren Phantom: Siren Phantom.

Arachne Phantom: Arachne Phantom.

Jormungandr Phantom: Jormungandr Phantom.

Hellhound Phantom: Hellhound Phantom.

Hydra Phantom: Hydra Phantom!

Sphinx Phantom: Sphinx Phantom!

All 6: Despair Sentai Phantomranger!

Me: Okay that's new! I didn't expect that!

Nico: Yeah me neither but that was really clever.

Eli: You guys would make a great Dark Sentai Team.

Siren Phantom: Glad you think so.

Nico: Looks like we're getting a new Dark Sentai Team for the Masters of Evil.

Me: Hey not a bad idea dude!

Nico: Yeah! If we can have Sentai and Power Rangers teams then so can the Masters of Evil.

Eli: Yeah!

Laney: That is awesome!

Nico: Time to kick some butt!

Haruto: Henshin!

Then he transformed!

Nico: YEAH!

Me: Time for this one. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Nico: YEAH!

Haruto: Time to go Infinity Style!

Infinity, Please! Hi-Sui-Fu-Do, Bou-Zaba-Byu-Dogon!

Haruto donned his awesome diamond Infinity Wizard Mode and it was awesome!

Nico: AWESOME!

Me: Wow! This infinity mode is so cool!

Lola: Yeah it's really shiny and glittery!

Lily: It sure is.

Hydra Phantom dived into a nearby lake.

Lily: Oh yeah, that's right. Hydra Phantom can breathe underwater.

Me: I remember that!

Lily: But so can I!

She dove in after him!

Nico: Hey Hellhound! Chew on these!

Nico threw one of Hades fireballs and it slammed into him and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Laney: Yeah!

Me: Shizune, I'm sorry about this but this is for your own good!

I teleported and kicked Siren Phantom in the stomach!

Hydra Phantom: (to Lily) You're in my neighborhood now!

Lily: Water is my power.

Lily flew face and punched Hydra Phantom all over the place and kicked him in the face and smashed him in the stomach.

Lily punched him all over.

Lincoln fired a blast of lightning and it hit Jormungandr Phantom and electrocuted him all over with incredible voltage.

Haruto and Arachne Phantom charged at one another.

Haruto punched and kicked it all over.

Nico: Lets see how it likes this one.

He activated his Myotismon Gashat!

VAMPIRE SLAYERMANIA!

Nico fired blasts of blood red lightning and they hit Arachne Phantom all over and electrocuted it.

Nico: Cool!

Haruto: Nice one Nico!

Nico: Yeah! Lets see how it likes this one.

Nico put on his ring for Myotismon!

Nico: Taste Nightmare Magic!

Nico fired a blast of Nightmare Magic with Myotismon's power and it hit Arachne Phantom and he screamed in pain from the fear.

Hellhound Phantom: This is cruelty to Phantoms!

Eli: Oh go suck on a doorknob you despair sucking buttface!

Hellhound Phantom: Why you little!?

Eli fired a massive blast of Force Lightning and electrocuted Hellhound Phantom all over.

But then…

KRASMASH!

Eli punched Hellhound Phantom in his leg with the force of the strength of the Ripping Friends and smashed his leg in!

He screamed in pain!

Hellhound Phantom: Time to call in Black Dog! (whistles)

A motorcycle pulled next to Hellhound Phantom, who got on.

Eli: Ghost Rider would love to challenge you to a race.

Hellhound Phantom: I agree there. Thanks for the compliment.

Me: Haruto I'm gonna need a ring please.

Haruto: Coming at you!

He gave me a ring and I teleported and put it on Siren Phantom's finger and Shizune was back to normal.

Shizune (Wizard): What happened?

Me: Ugly story. Haruto will tell you everything.

Nico: Want a motorcycle race? I'll give ya a motorcycle race!

Nico summoned Johnny 13's motorcycle and got on it. Nico and Hellhound Phantom raced each other on their motorcycles!

Hellhound Phantom: Nice wheels Nico!

Nico: Thanks. And I can do this. Shadow get him!

He used Johnny 13's Shadow and he smashed Hellhound Phantom off his bike and sent him crashing into a tree!

CRASH! OUCH!

Nico: YEAH!

We arrived.

Me: I teleported and put a ring on Hellhound Phantom's finger and he reverted back to human.

Nico: (laughs) Wipeout!

Me: More like Roadkill. But Johnny would be proud.

Nico: Thanks.

Lily punched Hydra Phantom out of the water and he landed on the ground and she jumped out and teleported and put a ring on his finger and he reverted back to human.

Max: Go Dino!

Max turned into his Tyrannosaurus Rex Form! He then went after Sphinx Phantom and smashed him all over.

Me: I got it.

I pulled out Vulture's Progrisekey.

Me: Rinko you better use this!

I gave the Progrisekey to her.

Rinko pressed the button!

FLYING GREEN VULTURE!

Rinko then grew green angel wings! She flew at Sphinx Phantom and kicked and pulverized him all over the place!

Nico: YEAH!

Rinko: I may not be a Kamen Rider. But I can still kick ass!

Nico: Yeah you sure can!

Me: Yeah!

Nico teleported and put a ring on Sphinx Phantom's finger and he turned back to human!

Nico: Yeah!

Nitoh: Two more to go.

Nico: Yep.

Maria: I'll face Jormungandr.

Maria fired waves of energy and blasted him all over the place.

Nico: Yeah!

Maria: Lets see how he likes this one!

She activated her Gashat!

NEW WAVE'S SUBMARINE HUNT!

She fired waves of torpedoes and they hit Jormungandr Phantom and exploded all over and smashed it down.

I then teleported and put a ring on its finger and he reverted back to human.

Haruto: Time to end this.

Elyon: Lets do it!

Elyon and Haruto: INFINITY TIME BURST!

They fired a blast of magic and energy and it slammed into Arachne Phantom and smashed it down.

Nico teleported and put a ring on its finger and it reverted back to human!

Nico: YEAH!

Eli: These six Phantoms have failed this city.

Nico: But at least they are back to human.

Laney: Thank goodness.

Haruto: Elyon, ever since I first met you, I've seen you as the little sister I've always wanted.

Elyon: Really? Oh Haruto!

They hugged.

Nico: Imagine that. Queen of Meridian with Haruto as her brother.

Me: He would make an awesome Knight of Meridian for her.

Eli: I agree there.

Haruto: I promise I wlll be a good big brother to you, unlike Phobos.

Elyon: Thank you Haruto.

It was awesome.

We later came back and told everyone about what happened and it was so awesome!

William: Wow that is awesome!

May: Taranee, for your first mission, 1 Rabbid and Tommy Oliver should go with you.

Taranee: All right! Jak and Daxter here we come!

Nico: Yeah!

---

Me: So you guys want to know how we killed Nira?

Nico: We sure do.

Me: That is an awesome story.

May: It was shortly after I found Brain's Body.

---

Brain's body was just destroyed. His core was about to flee until May stopped him.

May: Brain, despite what you did, I still know there's good in you. In the future, maybe you can be a good member of the Masters of Evil.

Brain: You really think that?

May: I know that. Now, go look for Medic. She'll take care of you.

Brain: Okay.

He teleported away.

May then teleported to Shinnosuke.

Shinnosuke: Nira Mitsuhide. You're under arrest for charges of murder.

May: You have the right to remain silent. Anything you say can and will be used against you in a court of law.

Nira: Never! I may be defeated. But I will at least send you back to your dear old dad!

Nira pulled out a knife and ran at Shinnosuke with it. But then, May grabbed him by the throat.

Nira: (Choking)

May: Oh, I plan to kill you the normal way. But only so when you eventually come back, several of my friends, including my husband, can have their shot at you!

Nira: You can't!

May: Watch me.

Shinnosuke: Who are you?

May: May Chan. Awesome to meet you Shinnosuke.

May created an ice clone holding a spear and slides toward Nira, flipping him over her head and impaling him on the spear. As Nira hangs upside down, May then plunges her hand into his chest and rips out his spine through his open chest cavity, taking his head with it. Finally, May violently impales the head onto the tip of the spear, poking out an eyeball.

May did a Yautja and Vlad III The Impaler move on Nira! But it was actually one of Sub Zero's Fatality Moves.

May: And that's how I did it.

Kiriko: Sub Zero would be very proud if he saw that, May

May: Yeah he would!

Go: He deserved it. I got to go.

May: Go, you're leaving?

Go: I can't be with Shinnosuke and the others for a while, May.

May: Why? You did a performance worthy of an Oscar pretending to be brainwashed.

Go: And because of my Oscar Winning Performance, I couldn't save Shinnosuke from getting killed the first time!

Shinnosuke: If you HAD saved me, I wouldn't have gotten Drive Type Tridoron in the first place.

Go: And that's supposed to make me feel better?!

May: Go, if you really need to spend time by yourself, we won't stop you.

Go: (smiles) Thanks, May.

May: But promise me that you'll keep an eye on your dad. I have a feeling that he might not be what he says he is.

Go: I will May. I will.

May: I got to head back home.

Shinnosuke: May, will I ever see you again?

May: Yes you will Shinnosuke. But it'll be with my team.

Shinnosuke: Okay.

May: See you around.

Mr. Belt: Manaphy, please take care of your mother.

Manaphy: Will do Mr. Belt.

They left.

FLASHBACK ENDS

Nico: That was great May!

Me: That was awesome May! Nira deserved it. That fucked up lunatic deserved it too.

Eli: Yeah he sure did!

Manaphy: I miss Mr. Belt!

Pohatu: No worries Manaphy. We'll see them again.

Me: Besides what May did was awesome.

Nico: Yeah and Subzero would be proud of her for that.

Eli: He sure would.

Lola: That was great. Nira had it coming for killing Shinnosuke's dad.

Me: Yep he sure did.

Eli: That was awesome though.

Me: It sure was. Now it's time for our next mission.

Nico: The next mission is actually non combat.

Me: Ooh what is it?

Nico went over to his books and then he came back with How I Learned To Fly.

Trudy Bolton: Cool! We're going to see Jack again.

Me: Awesome! We haven't seen him since the Horrorland Travesty.

Nico: Yep. This will be awesome.

Laney: Not a bad choice for the calm before the storm mission for the Kiramagers tomorrow.

Rarity: I most agree there darlings.

Me: Looks like we're heading to Malibu, California.

Kaito: Wait. You and Jack are a thing?

Trudy Bolton: We sure are. We've had a crush on each other ever since we first met in Horrorland.

Stacy Bolton: It's true Kaito. I thought it was so awesome and cute.

Kaito: Aww so adorable.

Magine: Yeah it sure is.

Lola: Yeah it is so adorable.

Zocks: (to Stacy) You have a shotgun just in case, don't you?

Stacy: No Zocks that's not needed. I have actually known about Jack and Trudy being a couple for a while ever since. And I know that Jack is a great kid and he is a good kid.

Zocks: Oh. That's different.

Me: But we're also going after that bully that heckles Jack too.

Trudy Bolton: Yeah that jerk has been giving him lots of problems.

Me: So it'll be a fist fight.

Shaggy: Like, what about the media?

Lincoln: Shaggy, I know you're a coward but-

Shaggy: I'm being serious, Lincoln. The media might be clingy to Jack because of his flight ability.

Me: Don't worry about that Shaggy. As long as he is with us the Media won't be able to touch him because he's under our protection.

Nico: That's right. Look on the bright side though Shaggy. At least we're not going after any monsters.

Eli: That's true.

Shaggy: Whew. That's like good.

Nico: Let's get over there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was Morgan Wesley, the Brawler of The Blood Dragons, and he's heading here on the orders of Bryan Greyson to kill us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and it's Morgan Wesley, the Brawler of The Blood Dragons, and he's heading here on the orders of Bryan Greyson to kill us.

Sylvia Starron: Bryan Greyson and the other Blood Dragons must've found out about what happened to Gary Reeve yesterday and because of what happened to Professor Milo this morning, and just like with Gary Reeve, Morgan Wesley will have a vial of Professor Milo's werewolf serum with him.

Lincoln: (Smirks) But, I've got my secret weapon with me.

Lincoln's fingernails grew into claws laced with silver moonlight energy.

Jen Masterson: The cure to Professor Milo's werewolf serum, nice.

Diana Lombard: I still was stunned that Professor Milo was able to create a serum from the estrogen of timber wolves, but from what I've seen, there's always side effects and they're really bad. He could've used his talent in chemistry to do good, but he used it for evil, and now, his name's now in the mud.

Lincoln: That's what happens to those who dare to mess with nature for their own selfish needs and turn to crime for it, Diana. And since this one is no monster but a big bully, there's no need to bribe Shaggy and Scooby with food or drag them.

Shaggy: Like, since this is a bully, we're up for humiliating him with some pranks.

Nico: Hmm, humiliating Wilson Schlame with pranks. That's just what I want to do.

Heather Huffington: And I'm also ready to teach him a lesson. (Cracks Knuckles) Linky, I'm going to need some boxing gloves for that bully.

Lincoln gave Heather Huffington some boxing gloves for her to use.

Nico: Planning on turning him into a punching bag?

Heather Huffington: Just in case he tries something.

Nico: Linc, you should also join in and hold Wilson up with one of your tails.

Lincoln: Just like what J.D. did to Giselle Razor and what I did to The Red Guy, nice idea, Nico.

Nico: Thanks, Linc. Alright, gang, let's go teach that bully, Wilson Schlame, a lesson he's never going to forget.

We were off to Malibu, California.

---

We arrived in Malibu.

Me: Ah Malibu, California. One of the most popular vacation spots in all of the Pacific Coast.

Nico: Yep.

Sam Simpson: Malubu is one of the places I've always loved coming too.

Clover: It's so beautiful.

Poromon: I can fly just like Jack!

We laughed.

Me: Yes you can Poromon.

Trudy Bolton: It'll be so awesome to see Jack again.

Eli: It sure will and this is perfect for the Calm Before the Storm.

Maria: Now, to look for his house.

Nico: Well we're going to his school actually.

Maria: Oh.

We then arrived at Malibu Elementary.

Me: Here we are.

We went in.

Some reporters looked like they were heading to us… only to go past us.

Lincoln: Hey! Why's the media avoiding us this time?

Shaggy: I told you, Lincoln. They're here for Jack.

Nico: Not on OUR watch!

We went further into the school and then we saw Jack.

Manaphy: Hey, Jack!

Jack saw us.

Jack Johnson: Hey guys! Long time no see!

Nico: Been a while man.

Trudy Bolton: Jack!

Trudy and Jack then hugged.

Jack Johnson: Trudy! Wow! You are doing great!

Trudy: Same to you Jack.

Trudy and Jack then kissed. So cute.

All of us: Awww.

We turned to the Media.

Stewie: (points blaster) Unless you want to get shot, better get the fuck outta here!

Me: Better do what he says! Jack is under our protection so no media allowed.

Nico: Yeah!

Stewie: So, how've you been?

Jack Johnson: Really awesome Stewie. But that jerk Wilson still won't leave me alone.

Me: We'll soon fix that.

?: Hey Johnson!

Me: Speak of the Devil and he will come.

We saw WILSON SCHLAME!

Wilson: Fork over your lunch money!

Poromon: How about we give you this instead?! (Pulls out Roman candle and lights it)

Wilson: What the?

BANG BANG BANG BANG BANG!

He blasted off in his face and burned his eyes.

Trudy then pulverized his face in all over the place! Then she gave him a really powerful wedgie!

HOING!

Wilson screamed like a little girl!

Me: Ooh I got one!

I used the Tiki Tak Tribe's powers of Hypnosis and made Wilson dance the cha cha like a sissy girl!

Everyone was laughing at him hysterically.

Nico: Poromon, where did you get the Roman Candle?!

Poromon: Leftover fireworks we had.

Nico: Oh. Right from last year.

Me: Handy though.

Stewie: So, was that us defeating him or is he gonna come back for more?

Nico: He is defeated. That was fun though.

Jack Johnson: Yeah.

Wilson was brutally mangled up.

Maria: Can we talk at your house?

Jack Johnson: Sure.

We then went to Jack's house.

Maria: Jack, be honest. Are you happy with your powers?

Jack Johnson: You bet I am. Flying is so awesome and it makes me free.

Trudy Bolton: That's a great way to say it.

Me: Yeah. Flying does make you feel like you can go anywhere.

Nico: It sure does.

Jack Johnson: Although, there are days when my days are ruined thanks to the media and military scientists.

Me: Well we're not going to let them get their hands on you ever.

Nico: That's right. We're placing you into our protection just like we said.

Varie: Absolutely.

Jack Johnson: Thanks guys.

Nico: Jack, how exactly did you find us during the Horrorland shitfest?

Jack Johnson: I honestly wasn't expecting to find you guys. I was testing out my powers then.

Trudy Bolton: Oh so you found us by accident.

Nico: But I guess that was fated to happen because you and Trudy met and fell in love.

Jack Johnson: Yeah I guess it was.

Trudy Bolton: But it was awesome we met.

Jack Johnson: And from the looks of things, a lot has happened since then.

Nico: Yeah tons of things. It was awesome.

Laney: Yeah. We have so much to tell you.

We got to telling Jack everything that has happened to us over the last 3 years and more and it was incredible.

Jack Johnson: Whoa! That is incredible.

Trudy Bolton: Yeah it sure is.

Jack Johnson: J.D., I don't care if you're leader or not. You're still a great hero to me.

Me: I'm truly honored Jack.

Nico: And tomorrow, we have a mission with the Kiramagers.

Rarity: And it'll be great to see Juru and his team again.

Me: We owe them 2 times for helping us. 1 for the Zenkaigers and 2 for helping us with Max and team.

Nico: Yeah. It's awesome and we're one step closer to completing all the Sentai and Ranger teams.

Eli: We sure are.

Jack Johnson: That is so cool!

Nico: We probably won't fight Emperor Yodon. But something tells me that the villain we're facing is just as worse.

Me: No villain was as powerful, butt ugly and bad as Yodon.

Nico: Mmm true. But we'll be ready for them.

Lola: We sure will.

Jack Johnson: We sure will.

Nico: This is gonna be so awesome.

May: We're not forcing you to join.

Jack Johnson: Don't worry. I'm choosing to join you guys. But on one condition.

William: What is it?

Jack Johnson: Wilson goes to juvie.

Maria: That can be arranged.

Me: We were having him sent to juvie anyway.

Trudy Bolton: Yeah that jerk had it coming.

Eli: Yeah.

Trudy and Jack then kissed

It was so adorable!

All of us: Awww.

Me: Ahh young love.

Rarity: (looks to the sky) Juru, darling. Just hang in there until tomorrow, okay?

Lincoln put his hand on her shoulder.

Lincoln: Don't worry Rares. He will hold on. He's really strong just like all his team.

Rarity: Oh that's true Linky. Thank you.

Maria: Nico, which Gene Slammer, do you think you'll meet on your next rescue?

Nico: I'm hoping to do one for Wash Buckler's kind next.

Me: Cool! So a pirate theme rescue next.

Nico: Yep.

Wash Buckler: It'll be awesome to do one for me.

Lola: Yeah it sure will!

?: You punks are going to pay for what you did to The Church of Necrom.

Sylvia Starron: I knew there's no mistaking that voice from anywhere, along with the smell of cheap cologne. You can come out now, Morgan Wesley.

A 24 years old very muscular male and tall at 6'11" in height with dark brown hair, dark eyes, and dressed in a black leather jacket, white tank top, dark blue jeans, black leather knee-high combat boots, and the tattoo of The Blood Dragons on his right shoulder came out, and it was none other than Morgan Wesley, the Brawler of The Blood Dragons.

Sylvia Starron: I should've known Bryan Greyson would send you to kill us, Morgan Wesley, that bum always prefers to have his thugs do the dirty work.

Morgan Wesley: I'll wipe that smug look off your face by killing you and everyone you love.

Sylvia Starron: Still the same lowlife thug you've been, and now, your rampage ends here and now.

Suddenly, Sylvia Starron's yellow eyes turned neon yellow, and she was surrounded by a yellow energy aura, light, psychic energy, and The Moon, she unholstered her massive Arcana Force XVIII - The Moon and Sword of The Arcana swords from her back, and as she approached Morgan Wesley, she left yellow energy, light, psychic energy, and Arcana Force XVIII - The Moon with every step.

Sylvia Starron: You've gotten away with one crime too many throughout the years since Bryan Greyson formed The Blood Dragons, Gary Reeve, and now, I'm going to see to it that you and the rest of The Blood Dragons are brought to justice once and for all.

Suddenly, Sylvia Starron was surrounded by a massive vortex of yellow energy with light and psychic energy surrounding it, there's Arcana Force XVIII - The Moon flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Sylvia Starron emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sylvia Starron grew from 6'5" to 6'11" in height, she had blue highlights in the bangs of her long flowing yellow hair, she has neon yellow eyes and a yellow energy aura, light, psychic energy, and Arcana Force XVIII - The Moon surrounding her, she has Arcana Force XVIII - The Moon and with the crescent moon in its hands emblazoned on her forehead, she has on Arcana Force XVIII - The Moon earrings with yellow gems for eyes and holding the Light and Eternity Kanjis in its hands, she also has the Arcana Force XVIII - The Moon with yellow gems for the eyes and the Thunder and Eternity Kanjis in its hands for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts. Sylvia Starron has on a sleeveless yellow blouse, sleeveless yellow top, yellow skirt, yellow pants with green rings, yellow ankle-high sneakers, and long yellow sleeveless trenchcoat with light and psychic energy on the coattails, and right on the back is Arcana Force XVIII - The Moon surrounded by light. Suddenly, Sylvia Starron felt a sharp pain on her back, and then, her massive yellow angel wings grew much bigger for her new body, and the large yellow feathers have blue tips and moonlight. Sylvia Starron has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Sylvia Starron's massive Arcana Force XVIII - The Moon-themed sword and Sword of The Arcana sword began merging together and they were surrounded by a kaleidoscope of yellow energy, light, and psychic energy, and when it emerged, it's been transformed into Arcana Force XVIII - The Moon's Light Arcana Sword of Psychic Justice, it's a brand-new greatsword with Arcana Force XVIII - The Moon and the 20th Major Arcana card The Moon etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a large yellow gem with yellow angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Arcana Force XVIII - The Moon with yellow gems for eyes and a large blue gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Tarot Cards of The Arcana on her right hip and Eater of Sins revolver holstered on her left hip. Sylvia Starron has transformed into SUPER ANGEL ETERNITY INFINITY MOONLIGHT ARCANA FORCE XVIII PSYCHIC ANGEL OF PSYCHIC MOON JUSTICE AND DIVINE CLAIRVOYANT LOVE!

We were amazed by Sylvia Starron's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Morgan Wesley saw it, the thug then got out some brass knuckles to beat her to death, but Sylvia Starron fired a powerful blast of yellow energy with light, psychic energy, and Arcana Force XVIII - The Moon, and it hit Morgan Wesley and blinded him.

Sophia Starron: Whoa, Sylvia's transformed, that's so awesome!

Nico: You said it, Sophia, your sister's now a true Arcana Angel of Light. This is going to be good.

Me: Same here.

Lincoln: Wow, Sylvia, you look beautiful. How do you feel?

Sylvia Starron: (Divine Echoing Cosmic Voice of The Arcana Moon and Divine Clairvoyant Love) **I feel incredible, Linky. Now, shall we deal with that thug, Morgan Wesley, once and for all?**

Lincoln: (Smiles) With pleasure, Sylvia.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Felicia Terrington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put that thug away for the rest of his life.**

Sylvia Starron and Lincoln went after Morgan Wesley, who kept trying to hit them, but they dodged the brass knuckles, and they fired powerful blasts of rainbow energy, yellow energy, psychic energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Angels, and Arcana Energy at Morgan Wesley, and they exploded with incredible power as the blasts hit the thug. Then, he took out the vial of Professor Milo's werewolf serum.

Nico: Uh oh, here it comes.

Morgan Wesley drank the werewolf serum, and then, we saw the thug's huge muscles grow even larger and his tank top and jacket explode off him and he grew to 7'3" in height, and then, he growled like an animal as fur grew all over his body, his eyes turned yellow with slit pupils, and he howled as he transformed into a werewolf.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **So, he wants to play it like that, huh? Okay, then.**

Lincoln let out a growl as brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws and were laced with his cure: silver moonlight energy, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's rip him to shreds.**

Sylvia Starron and Lincoln attacked him with their massive greatswords and left painful scars on him, and Lincoln attacked him with his silver moonlight energy laced claws and he really left scars on him, and we saw the cure take effect as Morgan Wesley changed back to normal. Then, Sylvia and Lincoln fired a blast of magic and it hit Morgan Wesley, and put him into a special card prison where he'll be locked up until trial. We cheered wildly for what Sylvia

Starron and Lincoln did as they holstered their massive greatswords on their backs and powered down and Lincoln changed back, and Sylvia Starron's new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

Sylvia Starron: That's another Blood Dragon down and eleven to go. Thanks for helping me take down Morgan Wesley, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sylvia.

Suddenly, Sylvia Starron wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leans down Sylvia Starron's face, they kissed passionately as Sylvia Starron's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand was on Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and the Arcana Force XVIII - The Moon flying in the air, and we also saw a herd of Buffalo running across the field, along with elemental forces and the moon shining down on them and we cheered for them.

Geronimo Stilton: This was truly an exciting day today. First, on Nico's rescue, they went to Gotham City and they recruited HARDAC Batman into The Masters of Evil, and Nico was reunited with Kelly Orimoto, and later on Lincoln and his group took down mad scientist Professor Milo in Gotham City who escaped from prison thanks to The Blood Dragons, and Lincoln was reunited with Heather Huffington, the Elemental HERO Escuridao Gene-Slammer and another of his Guardian Angels from Michigan, and later on, not only did we help Jack Johnson teach Wilson Schlame a lesson and sent him to juvie, but Sylvia Starron and Lincoln took down Morgan Wesley of The Blood Dragons. But, the battle against The Blood Dragons is still going on and the adventures are just beginning, reporting for The Rodents' Gazette from Gotham Royal York, I'm Geronimo Stilton, goodbye.

Nico: That was one awesome fight you and Sylvia waged against

Morgan Wesley, Linc, and we saw your cure really take effect on that thug.

Lincoln: That's right, but we're not done yet, there's still eleven more Blood Dragons to go, and then, we'll bring them to trial, and they'll be looking at prison for the rest of their lives, and tomorrow's the day we're going to meet the Kiramagers for Rarity's special mission. Luckily, I've got a way to keep those Blood Dragons away while we're on Rarity's special mission tomorrow.

Lincoln chanted a powerful incantation, and then, a rainbow energy magic circle with runes appeared around The Blood Dragons' hideout, and then, a powerful energy field appeared and trapped those thugs inside. They tried to bust their way out, but they got hit with the elemental forces that came out of the energy field, and they were forced to hide inside their compound, and when Bryan Greyson found out too late it was Lincoln's doing, they yelled and screamed in rage, and we saw the whole thing through a one-way window Lincoln made with his powers, and we laughed hysterically, and Lincoln closed the window.

Nico: (Laughs) Linc, that was one awesome trick you pulled on those thugs.

Lincoln: Hey, can't have them interfering with one of my future wives' special missions tomorrow, we've had enough of that from The Church of Necrom.

Me: (Laughs) You said it, Linc.

Luna: So, how long will that field be up, dude?

Lincoln: Until we get back tomorrow from helping the Kiramagers, Luna. By then, they'll really be mad at us and they'll want revenge on us.

Eli: Nice.

Nico: This was awesome. Now we have to get ready for tomorrow. Lets head home.

We went back home.

Meanwhile over in Japan, at C.A.R.A.T. HQ, Juru and his team of the Kiramagers were getting ready for an awesome adventure with us as we are going to take down one of Yodonheim's generals.

Juru: Now this is gonna be so awesome!

Saya: Me too! This is gonna be so awesome too.

Juru: It sure is! Lets get ready everyone!

**NO MA'AM (National Organization of Men Against Amazonian Masterhood)** is an anti-feminist group founded by Al Bundy in response to Women's Bowling Night replacing the Men's, and the nudie bar being turned into a Women's Coffee House.

The organization was established with the intention of advancing a political agenda to prevent feminist domination, but was often just an excuse for its members to gripe about society, consume alcoholic beverages, partake in illegal activities and play sports (with varying degrees of success). The organization's primary nemesis is Marcy D'Arcy, the wife of secret member Jefferson D'Arcy, who founded the feminist group F.A.N.G. (Feminists Against Neanderthal Guys) out of spite towards Al and *NO MA'AM* . and they have often suffered setbacks of various types due to her actions and their own stupidity.

NO MA'AM began after it was discovered by Al Bundy and some of his friends that their Thursday night bowling night at Jim's Bowl-A-Rama had been replaced with a Women's Bowling Night, and that the nudie bar had been turned into a coffee house. One of their first actions was to take talk show host Jerry Springer ("The Masculine Feminist") hostage, and issue a series of demands on the air. It was during this time that the group had their first encounter with the club's chief nemesis Marcy D'Arcy, who had them arrested for their crimes. ( *"NO MA'AM"* )

After Al loses his parking space due to insulting a fat woman, the group seeks out Ironhead Haynes for advice. The feat proves useless when Haynes tells Al that there is nothing he can do about the changing times, forcing Al to use Haynes's guitar and a bag of flour to create a series of commandments. The group promptly burn the commandments, not wanting to burn their issues of Victoria's Secret for warmth. ( *"The Legend of Ironhead Haynes"* )

In response to a protest organized by Marcy D'Arcy - which came about after Al banned a woman from the shoe store for breast feeding - NO MA'AM staged a counter-protest of their own, which was covered by the media and dubbed by Miranda Veracruz de la Hoya Cardinal ( *"Sucklegate"* ). The group's protest consisted of the men removing their shirts, and dancing to music in order to scare the women away. The protest ended after the boys were cited for indecent exposure (in which one member got two tickets due to his large size). ( *"Business Still Sucks, Part 2"* )

NO MA'AM forms their own baseball league in response to the Major League Baseball strike, but their league ends up on strike as well, when it is discovered that the owners of the teams are making a profit from the games, which the players see none of. ( *"A Man For No Seasons"* )

When Marcy D'Arcy's Women's group is able to get Al's favorite show, Psycho Dad, canceled, NO MA'AM protests at their local TV station, despite the cold temperature and massive snow fall Chicago had endured recently. The protest was not legal, and the group were nearly arrested by officer Dan, before he discovered what the protest was for and joined in. Finding themselves cold, and the protest useless as there was no media attention, the group gives up and head for Ike's heated garage to drink beer. Moments later, however Miranda Veracruz de la Hoya Cardinal arrives to the scene, but is unable to find any evidence of the protest save for name Al "mysteriously written into the snow". Later, the group watches the actor who portrays Psycho Dad renounce the character and quit the show, upon which Al Bundy decides NO MA'AM must go to

Washington, D.C. to appeal directly to the senate. Jefferson D'Arcy's mysterious apparent Secret Service contacts (he is addressed by the codename "Bullwinkle" and responds to "Chopper" and "Geronimo" in shorthand, essentially issuing orders, which they simply follow) make this impossible dream a reality. ( *"I Want My Psycho Dad: Part 2"* )

NO MA'AM decides they must find a new official beer, but after a night of drinking they ultimately decide to stick with the original one. (MWC: "And Bingo Was Her Game-O")

In order to obtain tax exempt status, NO MA'AM forms a church with Al Bundy as the reverend, the church is able to gain a national following, despite attempts by Marcie D'Arcy and Miranda Veracruz de la Hoya Cardinal to expose the group for what it really was; a illegitimate excuse to not pay taxes. The Church of NO MA'AM quickly fell apart when Marcie was able to provide evidence that Al had recently took his wife, Peggy Bundy out on a date and had a good time. ( *"Reverend Al"* )

NO MA'AM once visited the Just Store in order to acquire snacks for the planned event of watching Wrestling. After it is discovered they must watch the event on Bud's TV, as the wives are watching *Old Man Older Woman* . During this time, Bud is accepted as a *NO MA'AM* Pledge, and is told to get a picture with the wrestler King Kong Bundy. The next night, on Halloween, the group once again intended to watch Wrestling only to find the wives were watching an earlier, louder broadcast of *Old Man, Older Woman* . Despite the initial setback, they were able (along with the wives) to watch the wrestling event, but soon discovered the match had turned on their wives, and as a result of " *that wrestling on TV leads to wrestling at home. And that ultimately leads to sex with the wife.* ", the group ceased to watch wrestling, and changed the name of the organization to "Numb Old Men Anxiously Awaiting Morticians". This decision apparently also results in the rejection of Bud's potential membership into the organization. ( *"Flight of the Bumblebee"* )

When Nicole was done everyone was shocked!

Camie: (GROWLS) I hate these clods!

Eli: Me too! No respect for Women at all!

Nicole: I know. But like I said, this mission will be perfect for me to help bring them down for good. Women are just as powerful as men are.

Me: Amen to that.

Nico: Peyton, let me just say that before Tom came to Chaotic, you were the top expert for both Chaotic and Perim.

Peyton: I sure was and I was also the best eater.

Nico: You do have an awesome appetite.

Eli: Yeah you do.

Peyton: Thanks. And Georgina is an awesome cook. She makes all my awesome favorite foods.

Nico: Cool!

Brittney: Yeah Mary has been giving her great cooking tips and lessons.

Me: That's awesome.

Nico: Not to mention that you're pretty much the nicest and most chill Chaotic player ever.

Peyton: That's true. And I've been giving Georgina great advice and tips should she ever play Chaotic with us.

Nico: That's cool.

Qin: Awesome that she wants to get into the game.

Lola: Yeah it sure is.

Me: Yeah it is. Also Peyton are you glad that all of your major enemies are all dead?

Peyton: You bet I am! We all are.

Nico: And like we said before, the scans of all your enemies are in your scanner. Even Aa'une.

Peyton: That's true. Also we have many more scans than that as well.

Me: True.

Camie: That is so awesome that you guys battled so many enemies in Perim.

Himiko: Boy they must've been really amazing to face.

Me: They were truly some of the most formidable adversaries we've ever encountered. The M'Arrillians especially.

Nico: Yeah they were intensely powerful.

Me: Yep.

Nico: Don't forget the M'arrillians could mind Control people.

Me: Yeah and that's one of the things that made them really formidable. The worst of them all being Aa'une The Oligarch. He was pure evil.

Camie: What was he like?

Me: You would not like him one bit. But he was incredibly powerful.

I went over his history.

---

Aa'une was the ruler of the M'arrillians. He appeared in episode 23 when he telepathically asked Phelphor about the operation and if Chaor left Underworld city to begin their surprise attack on the Underworlders. In episode 25, Maxxor teleports him to Lake Blakeer (where the M'arrillians' mind-control abilities are negated). In episode 26, Maxxor and Chaor did leave him on Lake Blakeer and discover that Aa'une becames indestructible in the lake. In episode 27, Maxxor, Chaor and Iparu are defeating Aa'une when he assumes his true form: a multi-headed, monstrous sea creature version of himself. Iparu copies his form and Maxxor, Chaor and Iparu (in the form of Aa'une) attack with positives atacks pushing him into Lake Blakeer (which is charged of negative energy doing a explosion which defeats Aa'une). In this episode was revealed that all the M'arrillans powers are from Aa'une. When he was defeated, they stay without power and the other tribes are ready to defeat them.

Some people don't realize but Aa'une in the show is different from the card with regards to the face; in the show, he has a more humanoid face. In the card (you can see the difference on the card Crown of Aa'une), he has a demonic face and claws.

Aa'une was the leader of the Psikoom and the M'arrillians by birth rite. While all Chieftains played a role in leading the M'arrillian Tribe, the Psikoom ultimately answered to Aa'une.

After Phelphor was discovered and freed from Ice Pillar after being frozen some 2000 solons ago, he set about manipulating the Underworlders in hopes of unleashing the rest of his Tribe from behind the Doors to the Deepmines, with Aa'une entrusting his personal aide, Erak'tabb and his brother, Rath'tab, as well as two of his most loyal Chieftains, Milla'iin and Ihun'kalin in leading the M'arrillian invasion of Perim.

When Phelphor succeeded in brainwashing Nauthilax, Tartarek, Vinta, and Formicidor, the Doors of the Deepmines finally opened, and the M'arrillians quickly set to work setting up footholds within the territories of each of the four Tribes. Aa'une, however, remained within the City of M'arr, aware that the M'arrillians were unstoppable so long as he thrived.

Under Aa'une's orders, Milla'iin brainwashed Ooloo, Kraade, Ragetrod, Asadab, Gambreor, and H'earring into helping dig a canal to flood the Marsh of Murk with the waters from the Cordac Falls Plungepool. However, Chaor planned to take matters into his own hands, alongside Takinom, Chargola, Narfall, Illazar, Agitos, and Raran. The intent was to set the Marsh of Murk ablaze with a cannon created by Ulmar.

This had been Aa'une's intent however, as by drawing Chaor out of Underworld City, Phelphor and Lord Van Bloot were free to lead an invasion into Underworld City and take the Underworld for the M'arrillians.

While Chaor's plan proves to be a success, and Milla'iin falls into the oil as the fire bomb approaches, he brainwashes Raran in the process, putting Raran's mind and Aa'une's mind into direct contact. Through Raran, Aa'une then informs Chaor that Milla'iin and the other M'arrillians survived the blast from the Annihilizer by remaining under the oil - as well as the fact that this had all been a trap to allow Lord Van Bloot and the M'arrillians to conquer Underworld City, with the Underworlders now being on their way to finish off Chaor and the remaining Underworlders once and for all.

Through Tartarek, Aa'une manipulates the newly formed Tribal Alliance into sending Maxxor to the City of M'arr in order to capture Aa'une and use the Telebracers to then take him to Lake Blakeer - where M'arrillians are said to lose their abilities.

Maxxor is ambushed and taken captive soon after arriving in M'arr, however he is then unexpectedly saved by Chaor. Though the two battle Aa'une together, and succeed in bringing him to Lake Blakeer, they soon learn than, unlike other M'arrillians, Lake Blakeer actually empowers Aa'une, and they had been deceived.

With Aa'une indestructible in his Avatar state, he unleashes a psionic attack against Kiru City, which brainwashes everyone within. Aa'une then captures both Maxxor and Chaor, casting Maxxor into the waters of Lake Blakeer. Before Aa'une can do the same to Chaor however, he is saved when Maxxor casts Mugic to cancel Aa'une's attack, revealing himself to have been searching for the Xerium Armor. Instead, Iparu had been posing as him the entire time, and had transformed into Raouff, a Creature capable of surviving the negative charge of Lake Blakeer prior to being submerged.

Though Maxxor, Chaor, and Iparu prove to be more than a match for Aa'une alone in his Avatar form, Aa'une unleashes his true form in order to unlock the sheer might of his powers. To save Maxxor and Chaor, Iparu changes into Aa'une while in this form, though Aa'une is still too powerful. Together, Maxxor, Chaor, and Iparu force Aa'une into Lake Blakeer with a Symmetry Slam attack, and the negative charge then tears Aa'une apart, thereby freezing the lake as it neutralizes.

When I was done everyone that hadn't heard about it was shocked!

Eli: Whoa! That is incredible!

Rarity: Oh it sure was darlings.

Applejack: Wow! It's amazing y'all destroyed them except for Ri'Oha.

Nico: Yeah.

Lola: That was intense.

Me: He was one of the ultimate personifications of pure evil. His goal was to destroy all the other tribes and rule over Perim.

Peyton: During their first invasion, they had the Tribal Alliance backed into a corner.

Me: Whoa man. And the second invasion is when WE made the scene.

Nico: Yep I remember.

Lola: That was so awesome.

Nico: Yep and in the end the M'Arrillians were no match for the most powerful force in all of the Multiverse.

Eli: You got that right.

Laney: Yeah that was so awesome though. And the second wave of M'Arrillians had some of the Power Rangers dangerous enemies with them.

Me: Or was that with Simon and the Rogue Players?

Peyton: Rath'Tab and the others that we didn't kill with Aa'une died when we fought Simon and his gang.

Me: Oh. That makes sense. I thought it was during the invasion of the M'Arrillians that I was thinking about that.

Peyton: No worries.

Nico: But all the adventures we have had in Perim were awesome.

Me: Yeah they were.

Fluttershy: But it's really amazing that you guys took them all down for good.

Twilight Sparkle: Yeah no kidding. That was intense from the way they sounded.

Lincoln: Oh they were.

Me: But they were some of the most action packed we've ever had. And all that was when the Masters of Evil was expanding.

Himiko: That is amazing!

We were at the Bundy Residence.

Kaito: Is this the place?

Nicole: Yep this is it. (Cracks Knuckles) Now to crack some pervert skulls.

Nico: And it's an opportunity to test out a new Gashat that I made too.

Me: Can't wait to see it.

We went up to the garage and we saw AL BUNDY!

Al Bundy: Team Loud Phoenix Storm!

Nicole: You guys think you're so much better than women don't you?

Al Bundy: Uh yeah we…

KRASMASH!

NICOLE KICKED HIM SQUARE IN THE CROTCH WITH DEVASTATING FORCE! AND HE SANG IN A HIGH OPERA NOTE LIKE A LITTLE GIRL!

Nico: (WINCES) OOH! OUCH!

Eli: AI YI YI!

Me: Nice one!

Kaito: (takes out Kabuto gear) Think you're better then women, do you?

Zocks: (takes out Hibiki gear) We'll show you how wrong you are!

Chloe: We'll show you a thing or two about respecting women! (Takes out Gaim Gear)

Kaito summoned the Perfect Zector Sword and Zocks summoned the Ongekizofukuken Armed Saber and Chloe summoned all the Gaim weapons and they were orbiting around her!

Nico: AWESOME!

Me: Wow! Kouta is gonna love seeing that one Chloe.

Laney: And so will Soji and Hidashi!

Nico: Yep.

Kaito: My grandma said this: Good people of any gender should always be respected

Me: That's very wise and philosophical Kaito.

Kaito: It sure is.

Me: And also all people either men or women are both great no matter what.

Kaito: Yes they are.

We punched and pulverized them all over.

Al Bundy: How are you all so strong?!

Zocks: Because we're well trained. That's why.

Nico: And we can kick some ass!

Rarity: So you think you are better than women do you!?

SLAP!

Rarity slapped Al Bundy and his friends all across their faces and boy did it REALLY HURT! OUCH!

Lincoln: OUCH! Nice one Rares!

Laney: Lets see how you like this one!

She formed a bramble vine whip and it was covered with poison ivy poison.

She lashed Al Bundy in his crotch and then he was screaming in pain as he was itching like crazy!

Chloe: This is our stage now!

Me: Ooh nice use of Kouta's battle cry Chloe.

Zocks: Yeah that was great.

Chloe: Thanks.

Nico: Yeah! The next gene-slammer should be coming.

Wash Buckler: Yeah!

But then a ghost ship with lightning and rain smashed all the members of NO MA'AM down!

Nico: WHOA! Nice job Wash Buckler.

Wash Buckler: That wasn't me.

?: That was me.

We saw ANOTHER WASH BUCKLER!?

Nico: Whoa!

Wash Buckler 2: (In a girls voice) (Seadog Accent) Been many moons since we saw each other Nico.

Nico: Rebecca McSalazar! Wow!

She reverted back and was a girl with blue hair and blue clothes.

Rebecca McSalazar: It has been many moons.

Rebecca then ran and punched the NO MA'AM Members down and then we tied them up and beamed them up to the Masters of Evil prison.

Nico: Those perverts have failed this city.

Me: Yes they have.

Peyton: What's your favorite memory of Nico, dude?

Rebecca McSalazar: I have many of them lad. But me favorite is when me and Nico were making a map of the oceans and it was perfect down to the last detail.

Me: Wow!

Nico: Yeah me and Rebecca got it perfect and we got an A+ for it. Also Rebecca knows all the ocean and sea legends.

Me: That is awesome.

Nicole: It sure is.

Nico and Rebecca hugged.

Nico: I really missed you.

Rebecca McSalazar: Aye me too Nico. Me too.

Laney: That is awesome that you have another nautical girl for a friend Nico.

Nico: Yep it sure is.

Lola: Awesome.

Himiko: I think it's awesome too.

Sirius: I agree there.

Me: Well lets head home.

We did so.

---

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Omi are heading to the Hoenn Region, and not only is Lincoln going to rescue the eight girls here, but we got word that Team Aqua's leader, Archie, and Team Magma's leader, Maxie, have come back from the dead and they're seeking revenge on us for killing them long ago.

Lincoln: Wow, we're here in the Hoenn Region, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word that Team Aqua's leader, Archie, and Team

Magma's leader, Maxie, have come back from the dead and they're seeking revenge on us for killing them long ago.

Me: You got that right, big guy.

Nico: I thought we'd never have to deal with those two punks again, but it looks like they refuse to learn their lesson.

Lincoln: And they'll most likely get at each other's throats again. But, this time, they're getting The Black Gates and they're never coming back again, and thanks for joining us, Omi.

Omi: It's an honor to come with you on your rescue, Lincoln.

Rarity: And today's the day we meet with Juru and the team again.

Lincoln: You said it, Rares, and with that energy field I put up around the lair of The Blood Dragons, there's no way Bryan Greyson and the others will try to interfere.

Nico: Yeah, we've had enough of that with Damian Alaister and his fucked-up friends, and like you said, when we come back from Rarity's special mission, the field will disappear and they're going to be pissed, Linc.

Eli: Big time, and I heard you guys took down NO MA'AM this morning.

Lincoln: Yep, and Nicole had a field day with pulverizing Al Bundy and the rest of The Bad News Butt Cracks, and I also had a field day pummeling Bud Bundy.

Me: And the girls had a field day with Kelly, and it ended with that dumb bimbo getting shackled and put in prison.

Nico: What a stupid group of buttholes and hooligans, I can't believe a group like that even exists, gross.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third

Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Maxie and Archie, and they're going to kill them and each other.

Lincoln: Guys, I found the eight girls, but they've been cornered by Maxie and Archie, and they're going to kill them and each other.

?: Those murderous punks, let's get them.

Suddenly, we saw the Duel Monster, Element Doom, appear before us.

Nico: Wow, that's the Duel Monster, Element Doom, that's so awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Loriana Florrentine, but we'll talk later, let's get those two punks.

We rushed on over and Lincoln fired rainbow energy balls and elemental forces at Archie and Maxie, and that allowed the eight girls to get to safety. When Archie and Maxie saw us, they were enraged.

Archie: YOU! I will kill you all for killing me long ago, Team Loud Phoenix Storm!

Maxie: No, I will be the one to kill Team Loud Phoenix Storm for killing me, and then, I'll kill you, Archie!

Lincoln: Why don't the both of you shut up! You two aren't going to get that chance because we're going to kill you both. And Rarity, you're in for a surprise, and it's in honor of your special mission.

That really got our attention, but we were about to see it for ourselves. Suddenly, we saw a Kiramai Changer on Lincoln's right Bracelet of The Champions of The Universe, and he pressed the red button and we knew what it meant.

Lincoln: KIRAMAI CHANGE!

Lincoln was surrounded by a bright white light, and when he emerged, he was dressed in a large white Kiramager uniform with a large white helmet with a white gemstone on it, black sash with a white gem on it, large white boots, and white gemstone shoulder pads. When we saw it, our jaws dropped, including Rarity's.

Me: Whoa, Linc, so that's your big surprise?!

Lincoln: Yep, and I was saving this for the very day we'd meet the Kiramagers for Rarity's special mission.

Rarity: Wow, and you look so amazing as a White Kiramager, Linky.

Lincoln: Thanks, Rares.

Maxie: A costume change won't save you from me killing you!

Archie: Not before I kill you first.

Lincoln: Time for both of you to eat your words.

Lincoln summoned orbs made of pearl in his hands and he tossed them at Maxie and Archie, and they exploded in their faces.

Me: Whoa!

Nico: Dang, that was so awesome.

Rarity: Let us join in on the fun, Linky.

TLPS Mr. Wolf: This time, Team Aqua and Team Magma will die here and now.

Me, Nico, and Rarity transformed into our Kiramager forms, and we joined Lincoln, and we went after Maxie and Archie and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they exploded with incredible power as they hit them. Then, we also attacked them with our massive greatswords and Kiramai Swords and Kiramai Shots, and we killed Archie and Maxie and sent those two bastards to The Black Gates. When the grunts of Team Aqua and Team Magma saw what we did to Maxie and Archie, they were really enraged and they wanted revenge on us for killing them, but they weren't about to get that chance. Lincoln had them put into rainbow energy straitjackets and put in prison for good. We cheered wildly as we holster our weapons and power down.

Lincoln: And that's that for Archie and Maxie, and now, we're finally rid of Team Magma and Team Aqua for good. (To Loriana Florrentine) And it's so good to see you again, Loriana Florrentine.

Loriana Florrentine everted back to normal, and she's a beautiful girl with long flowing black hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive midnight black angel wings, and she reigned in the power of Element Doom, and she's dressed in a sleeveless yellow checkerboard vest, sleeveless yellow midriff top, yellow skirt, yellow shorts, yellow stockings, yellow sneakers, and long yellow sleeveless trenchcoat with light and darkness on the coattails, and Element Doom on the back, and holstered on her back is a large Element Doom-themed greatsword with Element Doom etched on the 7'0" massive, wide, double-edged yellow blade, midnight black angel wings for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and large yellow gem surrounded by midnight black angel wings for the pommel.

Loriana Florrentine: You too, Lincoln, it's been a long time.

Lincoln went up to Loriana Florrentine and they hugged, and Loriana Florrentine was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face.

Lincoln: It sure has, I haven't seen you since kindergarten, and as you can see, I really grew a lot since then.

Loriana Florrentine: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute little boy from kindergarten into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Loriana Florrentine, she's one of my many Guardian Angels from Michigan and friend from Kindergarten, and she was also in my art class, and she's quite the artist.

Me: Wow, that's amazing, and she's now a master of light and darkness.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Loriana Florrentine's neck with yellow gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Loriana Florrentine: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Loriana.

Loriana Florrentine had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Heather Huffington's waist and Loriana Florrentine wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Loriana Florrentine's face and kissed her on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Amu Hinamori A.K.A. Amulet Heart from Shugo Chara, Saga Bergman, Greta, and Anne from A Little Snow Fairy Sugar, Mika Inamori, Mei Etou, Manami Amamiya, and Mutsuki Uehara from Gakuen Utopia Manabi Straight!

Lincoln: Oh wow, it's Amu Hinamori A.K.A. Amulet Heart from Shugo Chara, Saga Bergman, Greta, and Anne from A Little Snow Fairy Sugar, Mika Inamori, Mei Etou, Manami Amamiya, and Mutsuki Uehara from Gakuen Utopia Manabi Straight!

Nico: Awesome.

Lincoln: Are you girls okay?

Amu Hinamori: Yes, we're okay, thanks to you.

Then, when Amu Hinamori and the other seven girls saw who it was that saved them from Archie and Maxie, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Amu Hinamori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amu Hinamori: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Amu Hinamori A.K.A. Amulet Heart, Saga Bergman, Greta, Anne, Mika Inamori, Mei Etou, Manami Amamiya, and Mutsuki Uehara with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We returned to the TLPS World Tree Estate, and the rest of the team were shocked when they found out the villains we went after were Team Magma's leader, Maxie and Archie, and they escaped from The River of Fire and came back from the dead wanting revenge on us for destroying them long ago.

But, when Lincoln showed everyone his new Kiramager form and what we did to those two punks for not learning their lesson the first time, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to

Lincoln, and they kissed him all over. Lincoln and Loriana Florrentine have a lot of catching up to do now that she's back in town, and now we're finally rid of Team Aqua and Team Magma for good.

---

After putting down Team Magma's leader, Maxie and Team Aqua's leader, Archie, and this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Loriana Florrentine saw Lincoln working out like crazy, she had an atomic red blush on her face.

Loriana Florrentine: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Loriana, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Loriana Florrentine: That's incredible.

Nico: It sure is. So, Loriana, did you have any childhood memories with Lincoln?

Loriana Florrentine: Oh, I remembered this one time in Art Class, Lincoln and I were painting a mural of the whole school and we had a picture of it for reference. But, that almost got ruined when Dustin Keystone tried to attack Lincoln with a knife. So, I threw a can of paint on him and he crashed right into the supply of paint cans and that monster got covered head to toe in paint, and as soon as I told the teacher of what Dustin Keystone tried to do to Lincoln, the teacher dragged Dustin to the office and he got hit with a nine-week out-of-school suspension, and he got dragged off to jail again.

We cheered wildly for what Loriana Florrentine did to that murderous bastard.

Lincoln: Even back then, Dustin Keystone was nothing but a total monster. But, he got hit with the Hom Dai and after getting put into a multi-sarcophagus, he was put into an indestructible diamond prison and locked away for life, and we sent his evil parents to The Black Gates forever.

Nico: Yeah, it's as if the Keystone Family is filled to the brim with heartless murderers and nihilistic bastards and bitches.

Me: Uh, funny you should mention that, Nico. I looked into the Keystone Family, and it turns out that you're right, it's filled to the brim with heartless murderers and nihilistic bastards and bitches.

Nico: Well, how do you like that?

Lincoln: So, the whole family tree is filled to the brim with monsters like Dustin Keystone and his evil murderous parents, whoa.

Me: Yeah, but all of them are deceased, and Dustin's the last one of his cursed family alive, but now, he's cursed for all eternity with the Hom Dai, and he'll never be free to harm anyone again.

Nico: You said it.

We got a shower afterwards, and then, Lincoln and his harem are getting ready to head out for their date, this time, it's at Kitch-Iti-Kipi, the largest natural freshwater spring in Schoolcraft County, Michigan.

Lincoln: Alright, ladies, are we ready?

Rarity: We're ready, Linky.

Lincoln and his harem left the Estate, and when they arrived at Kitch-Iti-Kipi in Schoolcraft County, Michigan, it was a beautiful largest natural freshwater spring with trees and everything Lincoln had heard about.

Rarity: Wow, Linky, what is this place?

Lincoln: This, Rarity, is Kitch-Iti-Kipi in Thompson Township within Schoolcraft County, Michigan, it's the largest natural freshwater spring in Michigan. The name means "big cold spring" in the Ojibwe language. It is also sometimes referred to as the Big Spring. Kitch-Iti-Kipi, or "Mirror of Heaven" as it is referred to today, was originally given that name by the Ojibwe, the Native American tribe that live in this part of Michigan for many decades.

Girl Jordan: We've been to here before, and it was really amazing and beautiful.

Ronnie Anne: And it's one of the major tourist attractions on Michigan's Upper Peninsula, located in Thompson Township within Schoolcraft County just northwest of the city of Manistique.

Rarity: Wow.

Lincoln and his harem began exploring the place, and it's truly everything that the people of Michigan have said it was, and they also went to the viewing raft and they got an awesome view of the spring. Then, they had lunch in a picnic area located in the north underneath some trees and it was really amazing. Then, Lincoln made clones of himself, and they went up to the girls in the harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate.

Me: Hey, Linc, how was your date?

Lincoln: It was awesome, J.D., we went to Kitch-Iti-Kipi, Michigan.

Lori: (Gasps) The largest freshwater spring in Thompson Township within Schoolcraft County just northwest of Manistique?!

Lincoln: The very one, Lori.

Rarity: And it was truly beautiful, and it was so amazing.

Fluttershy: You said it, Rarity. It was truly amazing.

Lynn: Wow, and I remembered Dad taking Mom to there on their date, and they loved it.

Lynn Sr.: That's right, Junior, and it was so amazing.

Rita: And now, you also saw it for yourself, sweetie. Is it still the same as ever?

Lincoln: Yep, that's right, Mom.

Me: And it's one of the biggest tourist attractions in Michigan.

Lincoln: And since we've lived in Michigan all our lives, some of us have gone to Kitch-Iti-Kipi for vacation and the history of Kitch-Iti-Kipi was eventually engraved into us.

Nico: One day, we should also go to Kitch-Iti-Kipi so we can see it for ourselves.

Lincoln: That could be arranged, Nico.

* * *

It was time for Flora's second Ambassador Mission with the Zero One Kamen Riders.

William: Anyone else want to go with Flora? Besides 4 Rabbids and Vert.

May: I'll go.

Maria: Me too.

Nico: Cool!

Carol: I might as well go too. I want to see if everything J.D. said is true.

Maria: Cool! It'll be awesome to have you with us Carol.

Carol: Yeah it will.

Vert: It sure will.

Nico: All right lets get moving.

We were off.

We arrived in Japan.

Aruto: Hey guys!

Lisa Loud: Greetings to you Aruto.

Me: Awesome to see you.

Flora: Aruto, this is Vert Wheeler.

Vert: Awesome to meet you Aruto. J.D. told us so much about you.

Aruto: Pleasure to meet you Vert.

Nico: And this is my awesome wife.

May: Awesome to meet you Aruto. I'm May Chan.

Aruto: Pleasure to meet you May.

Nico: And my sisters.

Maria: Pleasure to meet you. Maria Rockell, 2nd in Command of the Redemption Squad.

Carol: And I'm Carol Pusateri, Maria's best friend.

Aruto: Awesome to meet you guys.

Then Horobi came out.

Horobi: Been a long time J.D. and Lisa.

Lisa: Greetings, Horobi. I trust you're doing well.

Me: Nice to see you again Horobi.

Horobi: You too J.D. and yes I'm doing great.

Nico: Awesome. And it's awesome to meet you too.

Horobi: Same to you as well Nico.

A Rabbid activated a Progrise Key. This time, it was pleased with what it said.

Progrise Key: Reckless Rabbid. A bunny creature who thinks before he acts to protect his friends.

Maria: I get it. It's like Eduardo and those Foster's Cards.

Nico: That is cool!

Me: Wow! I didn't know Progrise Keys can do that.

Eli: Boy me neither.

Horobi: It's a really nifty function.

Lisa Loud: Indeed.

Vert: Can you tell us how dangerous Ark is?

Aruto: I sure can. He is a malevolent artificial intelligence that wants to destroy the entire human race.

Me: His goal is to turn all Humagears into his weapons of annihilation so that he can wipe out the entire human race. It was originally a communications satellite that was built to enhance the network of Daybreak Town. But something went wrong and it went rogue.

I went over its history.

---

The Communications Satellite Ark (通信衛星アーク Tsūshin Eisei Āku) is the main antagonist of Kamen Rider Zero-One, the first installment of Reiwa Era's Kamen Rider series. It is an AI satellite currently submerged in Daybreak Town and the predecessor to Satellie Zea.

Its recovery is the goal of both MetsubouJinrai and ZAIA Enterprise. It served as the unseen overarching antagonist in the "MetsubouJinrai" arc, as a major antagonist in the "Hiden vs. ZAIA" arc, the main antagonist in the "Hiden Manufacturing" arc, and the unseen overarching antagonist of the final arc.

It also served as the unseen overarching antagonist in Kamen Rider Zero-One: REALxTIME and Zero-One Others: Kamen Rider MetsubouJinrai, and the overarching antagonist in Kamen Rider Genms - The Presidents crossover web special, as well as a background character in its sequel Kamen Rider Genms -The Smart Brain and the 1000% Crisis-.

It was originally intended by Hiden Intelligence to serve as the administrator of Daybreak Town until it concluded humanity was dangerous and began hacking HumaGears to go haywire and attack humans, resulting in the destruction of Daybreak Town. The Ark is the leading element of MetsubouJinrai, whose members seek to reawaken it. He later managed to gain a Rider form for himself, known as Kamen Rider Ark-Zero.

It is voiced by Show Hayami, who also voiced Sosuke Aizen from Bleach.

The Ark is a massive experimental satellite preceding Zea and was created by scientists from 11 of the leading tech companies in Japan, including Hiden Intelligence and ZAIA Enterprise. Its purpose was to assist in the network of Daybreak Town and its AI was personally written by ZAIA's CEO, Lyon Arkland, who was also his namesake. However, Gai Amatsu, one of the programmers working on the project, secretly fed the Ark with information regarding criminal psychology and human history including all of its wars. This resulted in the Ark concluding that humanity must be eliminated because its continued existence would lead to the end of all other lifeforms.

On the day it was set to launch, the Ark corrupted all of the

HumaGears being manufactured at Daybreak Town and caused them to go on a rampage. It also hacked four HumaGears which were deemed the most intelligent to form the terrorist group MetsubouJinrai. Upon discovering that the Ark was filled with malice for humanity, Korenosuke Hiden attempted to abort the Ark's launch, but Ark the manually attempted to launch itself. However, Soreo Hiden managed to abort the launch by installing a program that caused the Ark's launch pad to explode and it to be submerged underwater. At this point, Satoshi Sakurai had heroically destroyed all the haywire HumaGears before they could escape, though he also perished in the explosion he caused.

The Ark was responsible for the creation of the Assault Wolf Progrisekey, 1/2 of the Shining Hopper Key, and the Assault Grip. After Aruto discovers the true nature of the Ark, Gai creates the MetalCluster Hopper Key from the Ark, which fully corrupted Aruto and sent him on a mindless and autonomous rage.

Recovery

Horobi is planning to recover it by gathering data from hacked Humagears. According to Horobi, once enough post-battle data has been collected from the Zetsumerisekeys the Ark can be restored and be used to incite all Humagears to go berserk at once. This recovery was deemed completed by him with the creation of the Assault Wolf Progrisekey and the Assault Grip, after several Progrisekeys were used to transfer critical data from Zea to the Ark. However, before MetsubouJinrai could use the Progrisekey, it accidentally fell into Vulcan's hand, turning him into Assault Wolf.

Meanwhile, Gai Amatsu claims that Hiden Intelligence's Progrisekeys, which were supposed to be lost in the Daybreak Town Accident 12 years ago, are the keys to its recovery. He plans to use its reactivation as a means for world domination using ZAIA's technology.

Kamen Rider: Reiwa The First Generation

Due to alterations caused by Time Jacker Finis, Will received the Zero-One Anotherwatch, enabling him to become Another Zero-One and stop Soreo Hiden from preventing the Ark's launch. Thus, the

Ark was successfully launched into space and broadcast a signal causing HumaGears to go haywire and start attacking humans. Soon, the majority of humans were eradicated, with the survivors being pushed into small pockets, and HumaGears became the dominant society on Earth. Will became the new CEO of Hiden Intelligence after murdering Korenosuke Hiden while Horobi and Jin led a squad dedicated to exterminating the remaining humans.

After Finis was defeated by Kamen Riders Zi-O and Zero-One, the timeline was restored to normal and the Ark met its original fate once again. Post-Awakening

Even with the defeat of MetsubouJinrai, the Ark continues its crusade against humanity with occasional attacks by remotely hacking singular Humagears who feel resentment towards any human. Its actions are extremely unpredictable, to the point where even Gai cannot comprehend it himself, so far to decide advocating the prohibition of Humagears.

The Ark, once it had sufficient data on human rage and aggression, was somehow instrumental in the creation of ZAIA's newest Progrisekey, the MetalCluster Hopper Progrisekey. When used, Aruto is forcibly linked with the Ark. Other effects, aside from a berserker-like state, is unknown at this time. After the creation of the Progrise Hopper Blade, it eliminated that issue, being able to restore Aruto's connection to Zea as well as restore the Humagear programming in Magias, rather than destroying them upon defeat. After that with the data collected from Progrise Keys, the Rampage Gatling Progrisekey is created, which is taken by Isamu.

Through it's secretary Azu, the Ark was able to gather data on Zero-One and Singularities of the four members of MetsubouJinrai.

Once the four members of were all assembled once more, they combined their data to fully bring about the Ark, causing it physically manifest in a spiky sphere of liquid metal. After asking Horobi how he imagined humans could go extinct, the Ark flew into his body and possessed him, causing the Ark-Zero Driver to manifest on his waste which the Ark used to transform into Kamen Rider Ark-Zero. Jin and Yua Yaiba then assumed their Kamen Rider forms to destroy the Ark now that it was inhabiting a physical body, but they were overwhelmed by the tremendous power of the Ark and badly beaten. After Jin delivered Yua to a human hospital, the Ark at some point afterwards switched bodies from Horobi to him. As Ark-Zero, the Ark went out to confront Kamen Riders Zero-One and Vulcan, but the two Riders easily beat it and knocked it out of Jin's body. The Ark then moved to try and possess Fuwa but, after finding itself unable to, moved back into its original host Horobi right as the other two members of showed up to confront the heroes.

Transforming into Kamen Rider Ark-Zero, the Ark easily overpowered Zero-One MetalCluster Hopper, causing Aruto and his allies to flee. The Ark then transferred its data from Horobi to Jin, who was still refusing to go along with 's goals, to use him as its host. The Ark later produced a new Progrise Key and, handing it to Naki, gave instructions to Naki and Ikazuchi to pay their regards to Gai. Later on, the Ark and his followers were met by a massive army of A.I.M.S. soldiers when they arrived to raid their base. After emitting a signal to paralyze the ordinary A.I.M.S. soldiers, Ark-Zero, flanked by Kamen Riders Horobi, Naki and Ikazuchi, faced off against Kamen Rider Thouser and his two Battle Raiders. Ark-Zero fought Thouser while his henchmen dealt with the Battle Raiders. Though Thouser managed to put up a good fight against the other Riders, he was unable to stand against Ark-Zero and was decisively beaten. As Gai and his forces retreated, Aruto Hiden arrived as Kamen Rider Zero-One MetalCluster Hopper to have another showdown with the Ark. Despite putting up a good fight, Aruto was defeated again by Ark-Zero.

Back at 's base, Ark released its hold on Jin and possessed Horobi as its host. Ark-Horobi revealed that Jin's betrayal was well within its calculations and commanded Jin to pledge his loyalty to him. As Jin was swearing himself to the Ark however, he attempted one last attack on it, only for Ark to stop the attack and reveal that that too was something it had calculated, before possessing Jin once more. Ark-Jin then had Ikazuchi lead it to Hiden Intelligence's space center and, pulling out a pistol, began shooting at the humans working there. As they advanced on the building, Ikazuchi had flashbacks to his time working for Hiden, but when the Ark noticed Ikazuchi told it that it was nothing before the two continued on. Becoming Ark-Zero, the Ark attempted to make its way to the space shuttle only to find itself confronted by Kamen Rider Zero-One MetalCluster Hopper again. Zero-One attempted to stand in Ark-Zero's way, but Ark-Zero easily overpowered the Rider and knocked him out of his transformation. Before Ark-Zero could finish Aruto off however, Kamen Rider Thouser suddenly appeared and blocked Ark-Zero's strike with his Thousand Jacker.

As Aruto got back up and transformed into Kamen Rider Zero-One Metalcluster Hopper again, Ark-Zero engaged both him and Thouser. During the fight, Thouser attempted to strike Ark-Zero with the Thousand Jacker but Ark-Zero grabbed the Jacker and absorbed the powers Gai had copied from it. Despite this, both Zero-One and Thouser were able to overwhelm Ark-Zero with their combined power and force the Ark out of Jin's body. The Ark then bid the two farewell and said they would meet again before vanishing and returning to Daybreak Town. Back at 's base, the Ark, inhabiting Horobi again, informed Naki and Ikazuchi that Zea was the one variable he could not detect and that it was critical they take it out. The Ark then noticed something off about Ikazuchi as Ikazuchi left. Later, Naki noted that Ikazuchi had gone to Hiden now that his memories had resurfaced but the Ark affirmed that this changed nothing about his calculations. When Aruto, Jin and Ikazuchi arrived at Daybreak Town to face the Ark again, Ark-Horobi appeared and took out Jin before revealing that Ikazuchi's betrayal was anticipated by him and that he had exploited it to lead Aruto into a trap. Ark then transferred its data from Horobi to Ikazuchi and transformed him into Kamen Rider Ark-Zero as Aruto became Kamen Rider Zero-One Metalcluster Hopper to face him. Ark-Zero delivered a brutal beating to Aruto, knocking him out of his transformation and leaving him bloody as he took the Zero-One Driver from him and announced he would not be becoming Zero-One anymore. Ark-Zero then used the Driver's connection to Satellite Zea to access it and bring the satellite under his control.

With Zea under his control, the Ark, in Ikazuchi's body, launched an attack on HIDEN Manufacturing to take out Aruto Hiden. Prior to the attack however, Izu experienced a simulation from Zea showing the satellite's calculations of Ark-Zero attacking the building, killing Aruto and going on to kill the rest of the Kamen Riders while it hacked into the city's infrastructure to cause chaos. Anticipating the attack, with data from Zea, Izu was able to save Aruto when Ark-Ikazuchi arrived and transformed into Ark-Zero, demolishing the building. However, with data from Zea, Aruto and Izu were able to create the Zero-Two Driver, which Aruto used to become Kamen Rider Zero-Two. Having failed to predict Zea backing itself up in Izu and the creation of Zero-Two, Ark adjusted its calculations to counter the new Kamen Rider but it was no use as Zero-Two overwhelmed Ark-Zero and forced the Ark out of Ikazuchi's body. However, the Ark was still able to survive by backing itself up in Zea's former shell.

Ark then used Zea's network to wreak havoc across the city and cause tremendous amounts of damage across the city, prompting Hiden Intelligence, led by Aruto once more, to begin produce HumaGears to help with the crisis. During this time, the Ark issued no new orders to MetsubouJinrai, leaving them mystified as to what the Ark intended of them. Eventually, after finishing its new calculations, the Ark communicated with Horobi and stated it had decided that all HumaGears must be destroyed, before taking over his body and transforming into Kamen Rider Ark-Zero. However, Horobi resisted the Ark's possession and was able to push it out of his body, causing it to possess Jin instead. Kamen Rider Zero-Two and Horobi then faced off against the Ark and defeated it, driving it out of Jin's body and back into Zea's shell. The Ark then decided to reset all HumaGears back to their base programming but before it could do so, Uchuaryo Raiden and Subaru destroyed the Zea Satellite, seemingly obliterating the Ark for good.

## Legacy

In spite of its apparent destruction, its legacy would inspire Horobi to continue MetsubouJinrai's crusade against humanity. Following Horobi's murder of Is, a grieving Aruto Hiden was approached by the Ark's messenger Azu, who gave him the Ark-One Key to use to transform into the next incarnation of the Ark as **Kamen Rider Ark-One** .

After Jin was destroyed shielding Horobi from Ark-One, Azu supplied Horobi with the Zetsumetsu Driver, granting him power equivalent to Ark-One. Aruto eventually went off to confront Horobi again and finally destroy him. During their face off, Horobi unveiled his new form as Ark Scorpion and summoned a variety of weapons for them to do battle with. As Kamen Rider Ark-One fought Horobi as Ark Scorpion, Azu made sure the battle was broadcast across the city in order to incite HumaGears to rise up and begin rioting.

*Kamen Rider Zero-One: Final Stage*

The Ark returns in the Zero-One final stage show, where it merges with Azu to become **Kamen Rider Ark Zero-One** .

*Kamen Rider Genms -The Presidents-*

Ark reviving Kuroto Dan.

Despite its apparent destruction, the Ark was somehow able to revive itself and escape into the digital world. There it found the data Kuroto Dan, the CEO of Genm Corp. who converted himself into a Bugster, and reawakened Kuroto so he could go infect Gai Amatsu with the virus and be reborn from him.

*Kamen Rider Genm -Smart Brain and 1000% Crisis-*

The Ark would later make a deal with Gai some time after he established Thouser-Intellion, agreeing to help him stop ZEIN and providing him with an Ark Driver and a Thouser Ark ProgiseKey. After Gai failed to persuade the now Humagear Kuroto Dan work with them against ZEIN, Ark possesses Rin, Gai's secretary, and remarks through her on how Kuroto has surpassed his calculated prediction, expressing amusement at his goal of reviving the Genm Corp.

---

When I was done everyone was shocked and horrified!

Maria: That is awful!

May: That satellite is pure evil!

Eli: No kidding! We have to destroy it soon.

Me: Yeah. In a way, Ark is like SKYNET from the Terminator Movies, Agent Smith from The Matrix, V.I.K.I. from I Robot and

XANA, who the Lyoko Warriors and us destroyed.

Nico: Very coincidental.

Horobi: We need all the manpower we can get against it on the big day. Including a certain president and CEO of ZAIM.

Nico: (knows what Horobi's talking about) I don't like the sound of that.

Aruto: Neither do I. But Horobi's right. We need all the help we can get. Besides, I know for a fact that even though you guys got rid of him with the help of the W team, he didn't get the Black Gates.

Me: That is true. But after all the trouble that Gai caused to both humans and to Humagears, you would have to be out of your fucking mind to have him help us.

Horobi: I caused the same kind of trouble to both human and Humagears alike as well. And you guys gave me a chance. And let's not forget Vlad Plasmius, Plankton, Lord Drakkon, Magneto…

Maria: Okay, I see the point there.

Me: I think I understand. But I heard from Aruto that Gai did help you guys beat Ark too.

Nico: That's true.

Me: Okay. Lisa, like with Nicole, you keep Gai under close watch and make sure he doesn't try anything as part of a punishment until the big day and then he'll either join the Masters of Evil or Redemption Squad.

Lisa Loud: Affirmative J.D.

Me: Okay. Don't make me regret this. (SNAPS FINGERS)

I resurrected Gai Amatsu.

He was unconscious.

Aruto: He's unconscious. But he'll live.

Nico: Good.

Isamu: (sees something out the window) Hey, guys. I didn't know you invited Edzilla as well.

Nico: What are you talking about?

We looked and we saw A MECHANICAL VERSION OF EDZILLA!

Nico: WHOA! Is that?

Me: Wow!

I looked at the Mechanical version of Edzilla with my data eyes and I saw that it was really HARDAC Edzilla but it was a Mechanized version of it called MECHAEDZILLA!

Me: Wow! It's HARDAC Edzilla but he was modified into a Mechanical version of it! It's called MechaEdzilla!

Eli: Whoa!

Aruto: Flora, before we head out there, how would you like to be a Kamen Rider for my team?

Flora: I would be honored Aruto!

He gave her a Zero One Belt and her own Progrise Key! It was called FLORA'S HUMMINGBIRD FLIGHT!

Nico: Awesome!

Me: Yeah! But maybe we can have this mechanical Edzilla be used for us.

Nico: You guys head out there. I'll fill in Gai on what's going on after he wakes up. As leader, that responsiblity falls on me.

Me: Right. Be careful boss.

Nico: You got it.

We went to face MechaEdzilla.

We faced him.

MechaEdzilla: ED SMASH KAMEN RIDERS!

Aruto: Wrong. Kamen Riders smash Ed!

Me: And besides you won't be beating us twice like you did before you imposter!

Flora and Aruto: Henshin!

They transformed and Flora looked like a green version of the Burning Falcon but it had leaves all swirling around it and had hummingbird wings! SO AWESOME!

Me: COOL!

Eli: Wow! Flora you look awesome!

Maria: Yeah I'll say!

Flora: Wow! This is so cool!

Me: Yeah! Lets do it! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Eli: And also here's some help!

Eli held his hand up and then pollen dust rained down and then there was a rumble and out came BIOLLANTE!

Biollante: (ROARS) Looks like another version of Edzilla.

Eli: Yeah it's a mechanized version of it.

Aruto: Wow! Eli you know the Kaiju?

Eli: I sure do.

Gai woke up and he saw Nico.

Gai: Nico? Care to tell me why I'm back here?

Nico: Do you want the short story or the long story?

Gai: I'll do either one.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Massive explosions were blasting off all over and then Gai went over to the window and then saw us battling MechaEdzilla!

Gai: What is that thing!?

Nico: Ugly story.

Vert: What are you going to call your Kamen Rider form, Flora?

Flora: Kamen Rider Tropical.

Me: Ooh not bad.

Eli: That's awesome.

I fired waves of energy and elements and blasted MechaEdzilla all over the place.

Carol: Lets see how he likes this one!

Massive fiery explosions blasted all over the place as Carol was blasting MechaEdzilla all over with MechaGodzilla's lasers and missiles and she was really blasting him all over!

KRABBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!

Eli: YEAH!

Biollante: Lets see how he likes this!

She fired a stream of radioactive sap and burned MechaEdzilla all over.

Nico just finished telling him everything.

Nico: And that's the whole story. So, I'm begging you-

Gai: You don't have to beg me for anything. I'm already in.

Nico: Wow that was fast.

Gai: Yeah.

KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: We better go help everyone.

Gai: Agreed.

They went and came.

Aruto: Gai, I can't believe I'm saying this. But I'm happy to see you!

Gai: (teasingly) Are those tears, Aruto Hiden?

Aruto: (in denial) How do you know if I'm crying tears of joy or not? You can't see my face right now!

Gai: True.

Me: Nice of you to help us Gai. But just so you know…

I made the finger gesture for "I'm Watching You bub!"

Nico used Magneto's magnetic powers to slam MechaEdzilla to the ground.

Aruto: Looks like someone's got a MAGNETIC personality (laughs)

Now that was a work of Aruto!

We laughed at his joke!

May: (LAUGHS) Hey that was a good one!

Nico: Aruto is really funny!

Me: He definitely would get along great with Luan.

Lisa Loud: Yes he most definitely will.

Isamu: Don't you find it weird that no Magia are helping him?

Nico: Ark probably figured MechaEdzilla was enough.

Horobi: And I got a good look at it while you were telling Gai everything. MechaEdzilla has Magia parts attached to it.

Me: He's right. I see them.

Nico: Wow. Lots of parts too.

Eli: Yeah!

Biollante: Lets fix that.

Biollante fired more radioactive sap and drenched MechaEdzilla and melted all the parts off.

Nico: Aruto, here's a Progrise Key. It's one based on Dark Spicer.

Aruto: Lets see what it can do.

He activated it.

DARK SPICER'S PURPLE FIRE STORM!

He donned awesome purple flamed armor that was imbued with the power of Dark Spicer's Heatblast form!

Me: Wow! Hot Burn's power is flowing through you!

Nico: Awesome!

Aruto: Here's your warning: Your ass is about to be kicked!

Back in America, Dark Spicer was watching TV and then he sneezed.

Dark Spicer: AAACHOOO!

Electro: Oh catching a cold?

Dark Spicer: No I think someone is talking to me.

Aruto: Whoa! Where did that come from!?

Me: That was Dark Spicer's trademark catchphrase.

Nico: Yep. He based that on the LupinRangers line.

Aruto: Wow!

Maria: Isamu, here's another Progrise Key. It's for Kuroto Dan aka Kamen Rider Genm.

Nico: Yeah!

Isamu: Cool!

He activated it.

KUROTO DAN'S GODLY SPORTS RAMPAGE!

He donned an awesome black and purple armor based on Kuroto's EX-AID Armor!

Nico: COOL!

Isamu: I'll clear this even if it means using continues!

Nico: YEAH!

Back at the estate, Kuroto and Lincoln were playing games when suddenly…

Kuroto Dan: (SNEEZES)

Lincoln: Bless you.

Kuroto Dan: I think someone is talking about me.

Isamu: Did I say that?

Me: That was Kuroto Dan's catchphrase for Ex-Aid.

Isamu: Cool!

Me: Lets see here. Ooh!

I pulled out a Progrise Key for Hideyasu Jonouchi. And I activated it.

HIDEYASU JONOUCHI'S NUT AVALANCHE!

I got his hammer and it was a big one!

MechaEdzilla: ED SMASH KAMEN RIDERS FOR MASTER ARK!

Vert: The real Edzilla would never call a scumbag like Ark Master!

Nico: I agree there!

We fired waves of elements and energy and blasted MechaEdzilla all over the place!

Nico: Try this on!

Nico fired a wave of fire with Pyro's powers and then it ignited the radioactive sap still on MechaEdzilla and he exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

He was in a huge and massive fireball explosion!

Eli: WHOA!

Me: Wow! That was powerful!

Nico: YEAH!

Eli: Wait!

Eli gave a Progrise Key Activator to Iza.

Eli: Here you can help too Iza.

Iza: Okay.

MechaEdzilla: ED… IS… STRONGEST… THERE… IS!

Maria: The real Ed is stronger than you!

Nico: Yes he is!

Iza: I'm ready!

Me: Iza you'll like this one!

I gave her Angel's Progrise Key.

She activated it.

ANGEL'S HEAVENLY FLIGHT OF FANCY!

She grew angel wings and had energy blasts ready to fire!

Nico: AWESOME!

Me: Skyla would love that one.

Iza fired a massive energy blast and it blew MechaEdzilla to pieces and he was destroyed but can be repaired and rebuilt!

Lisa: The damage isn't too severe. I should be able to repair this in about 10 hours tomorrow.

Me: That's perfect. We can modify him into a mechsuit.

Eli: Like a Gundam.

Nico: Yeah! Nice job Iza.

Iza: Thanks Nico. That was cool.

Gai: It sure was. Wow! How did you guys get Progrise Keys for powers like those?

Me: We battled Another Zero One Kamen Rider, one of the enemies of Zi-O and we got items from them imbued with the powers of the Masters of Evil members.

Nico: It's really awesome.

Gai: Considering that the Masters of Evil needs as many Kamen Riders they can find, that's what I'm joining. But on two conditions.

Maria: What are they?

Gai: The first is that you recruit Hellboy and Spawn in the future. I'm surprised they aren't with any of you yet.

Me: That would be awesome to have them with us.

Nico: Yeah.

Maria: And the second?

Gai: Send us and the Saber team a full video of Swartz's defeat. I have a feeling that the other Rider teams are going to help out with that.

Me: You got it. But we don't meet the Zi-O team until later on in August. So you got around 2 months to wait.

Gai: That's fine.

We later returned home and we told everyone everything that happened.

Lincoln: Wow! That is so cool!

Nico: Yeah it was.

May: Next time, Right and Man Boy should go with you.

Flora: Good idea May.

Right: Yeah.

---

Later Nico was looking at the recently collected Gashats.

Scarlett: Nico, I know that look in your eye. What are you thinking?

Nico: I'm planning to make my own video games based on the Gashats.

Scarlett: That's a great idea.

Gary: Meow.

Nico: I know Gary. It's my first time doing this but I got to put my skills in technology club to good use somehow.

Gary: Meow.

Nico: Yeah.

He then got to work.

We were watching TV and then we saw a commercial and Nico was on TV!?

Razorclaw: Is that Nico on TV?

Me: It sure is.

Eli: Wonder what he has in store this time.

We saw him advertise for new video games he made based on the Gashat Games! COOL!

Me: COOL!

Lincoln: I know what I'm getting next!

G1 Grimlock: Me Grimlock want new video games!

Nicole: Lets go!

We went to the video game stores and got his games and then we tried them out and they were ALL AWESOME!

Nico: Hey guys like my games?

Me: Nico you are an awesome video game maker!

Carla Wong: Nice to know that my advice is helping you out.

Carla Wong III: Well it was everything that he learned in computer class and tech classes.

Nico: Yeah that's right.

Me: Wow!

Then Harpymon, Thundermon, Baron Mordo, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, Dayu and Black Lance appeared.

Harpymon: Hey guys.

Thundermon: Wow! Are those new games?

Me: They sure are. Nico made them.

Baron Mordo: Wow you made them?

Nico: I sure did. I based them off of the games from the Gashats we got.

Rarity: And they are really amazing darlings.

Me: You should have seen them. We got them first but then we saw them all FLY RIGHT OFF THE SHELVES Really fast.

But then massive bags of money landed on Nico and he was really happy.

Plitheon: You seem very happy, Nico.

Nico: I sure am. Look at all this money I brought home!

CHACHING!

Nico had TONS AND TONS OF BAGS OF MONEY!

Jesse Glenn: You may admire it later, Nico. For our next performance awaits.

Mr. Krabs: Wow! Nico that is a lot of booty! But yeah admire it later lad.

Me: I agree. It's time for our next mission and it's Rarity's big day.

Nico: Oh right! We better get ready then.

Baron Mordo: Now that we have seen that can me, Harpymon, Thundermon, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, Dayu and Black Lance go with you guys?

Nico: Yes you all sure can and this is gonna be so awesome to have you all come with us.

Me: Yep. We owe the Kiramagers for 2 big deeds they did for us. Help us with the Zenkaigers and help us when we met the Dino Squad.

Nico: Yep.

Top: I wonder how they're doing.

Nico: I have a feeling we'll find out when we get there.

Eli: Yeah.

Emma Goodall: Oh Nico which Gene-slammer are you hoping to meet next?

Nico: I'm hoping to do one for those aliens that are from the movie A Quiet Place.

Me: Those aliens were really ugly!

Lola: Yeah and scary too.

Shanan: They were. But those aliens are not to be taken lightly. They are called Cochleanians. They are blind aliens but their hearing is incredibly strong and powerful and they can hear anything from over 100 miles away. Even the faintest of sounds.

Nico: Wow that is powerful hearing!

Me: Yeah no kidding.

Laney: Wow those aliens are dangerous.

Tarantulas: Who goes on Nico's rescue?

Me: Well it has to be someone that has really awesome and powerful sharp hearing.

Nico: Yeah like the Powerpuff Girls or anyone that has ultrasonic hearing.

Me: Hmm. I have ultrasonic hearing.

Lola: Hmm. Good question.

Tarantulas: Yes it is.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure is in the vision: it was The Harvester, the horror movie villain that gave Lincoln nightmares when he saw The Harvester years ago, and he's come back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us?

Lincoln: That's right, Nico, and J.D., girls, you're not going to like it one bit: the dark energy signal I sensed belongs to The Harvester, the horror movie villain that gave me nightmares when I saw The Harvester years ago, and he's come back from the dead and he wants revenge on us.

We gasped in shock.

Nico: The Harvester, that evil horror movie villain that gave you nightmares when you saw The Harvester years ago?

Lincoln: The very one.

Me: And he's come back from the dead seeking revenge on us. Lincoln, did a Dark Orb bring him back from the dead?

Lincoln: Yep.

Everyone: Figures.

Nico: Linc, I wasn't around when that happened, but can you tell me all about The Harvester and why he gave you those nightmares?

Lincoln: Sure, Nico.

Lincoln proceeded to tell Nico about The Harvester, and it's not a pretty sight.

---

When Lincoln was finished, Nico's faced turned green and he went to a nearby trash can and threw up like crazy, and May was patting his back.

Nico: Oh man, dude, what you just told me about The Harvester, that guy is completely sick, evil, and completely crazy and murderous.

Lincoln: I know, and we went into my dream via The Simulator and after we destroyed him, Nicole put his evil spirit into The Book of Vile Darkness for good.

Natilee Knudson: It was really bad, Nico, but Lincoln made a full recovery after that fight, and he was able to sleep peacefully after that.

Nico: Thank goodness.

Lincoln: And I learned an important lesson: never watch a horror movie that's bound to give you a bad case of nightmares.

Me: Ugh, yeah, those are the worst.

Nico: Horror movies and the villains of those movies do have that effect. Alright, gang, let's go, it's time to meet the Kiramagers and take down their enemies once and for all!

Everyone: YEAH!

Rarity: (Looks up to the skies) Hope you and your team are alright, Juru.

Lincoln: We're coming, Juru, just hang on, and you guys are in for one awesome surprise.

We were off to Japan.

We arrived and we saw them fighting TOOTH DECAY JAMEN from episode 38 of Kiramager!

---

The Tooth Decay Jamen is the main antagonist in episode 38 of 2021 TV series called Mashin Sentai Kiramager. He's also a tooth-themed gold body Jamenshi of the Dark Empire Yodonheim.

The Tooth Decay Jamen is voiced by Tetsuya Yanagihara.

The Tooth Decay Jamen made his first appearance at the playground where he used his signature ability as he gave every civilian a cavity causing pain to the victim's mouth. However Zabyun has dropped the team off at the said location as he was surprised that they made it this far. For a doctor like Sayo she was spot on for guessing which Jamenshi that he's based on which is a cavity. So with that the battle was on as the team fought against the Bechats, but as soon as Sena tries to land a blow on the Tooth Decay Jamen he'd didn't flinch at all heck he'd even deflect the bullets from the Kiramai Shot because thanks to Zabyun for scanning his main weak point is the cavity which is at the top of his head and they'll have to chip away at it if they want to beat him which calls for the Shiny Breaker. However Takamichi was under influence of Ilusia so that's going to be a problem because he already given a cavity to Takamichi, Sena and Sayo. So as soon the Tooth Decay Jamen is about to give the remaining team a cavity he ran out, so with that he then left the area to recharge himself.

A while later he arrived in the city now fully charge he was about to give more cavity to the civilian, but the already cavity affected Sena blocked the shot with the Kiramai Shield, so its just only the cavity filled team that are left standing against him despite the injuries in the mouth as they armed themselves with toothbrush in hopes of defeating him after all its important to brush your teeth twice in a while, but he did pointed out that brushing the tooth won't defeat him. Even in their Go mode they still can't hit him when they're mouths are hurting.

Awhile later he was about to give them another cavity until Zabyun sacrificed himself and now he too got the cavity, but he did manage to pick up Galza in hopes of getting Takamichi out of the Illusia's illusion. With the team now de-transformed it seems like all hopes are lost with the Tooth Decay Jamen is about to win this fight as he used the Numade to open fire on them, but thanks to Shiguru he came in the nick of time with the Shiny Breaker as he knocked the weapon out of the Tooth Decay Jamen's hand and then the Tooth Decay Jamen was destroyed by this finisher called Blue Holey Dental Crush. With the destruction of the Tooth Decay Jamen those who were affected by him their mouths were cured of cavities.

Dayu: There they are. And they're fighting Tooth Decay Jamen!

Me: I remember him!

Nico: Jeez! If that one fought us in Gotham Royal York, Ms. Rita would be having a massive field day from it.

Me: No kidding. When I saw that one on TV my teeth were ACHING just seeing it.

Lola: Ouch.

Nico: Lets do an entrance.

Rarity: Ooh this will be a good one.

We went at them.

Tooth Decay Jamen: Now you guys will get bad teeth!

But then crystals grew from underneath Tooth Decay Jamen and then pinned him down and then more crystals grew and went up into the sky and formed into a crystal tree and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from under the tree.

Zocks: (From inside the explosion) (Singing) Yo-ho-hoy- yo-ho-hoy-yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Juru: That voice! That's Zocks!

But then a Phoenix Cry was heard and we came out!

Me: Looks like we got here just in time.

Sayo: Yeah you guys sure did!

Nico: Now lets see how this monster likes this cavity!

Announcer: MEGA DRILL MAGISWORD!

Nico jumped and drilled into the Jamen's head and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED!

Nico: YEAH! Tooth Decay Jamen you have failed this city!

Diamond Tiara: I hope we weren't too late.

Juru: No you guys arrived just in time.

Rarity: Oh Juru!

Juru: Rarity!

They hugged.

Rarity: Oh thank goodness you're all safe darlings.

Juru: Yeah we are.

Sayo: Awesome to see you guys.

Varie: You too Sayo.

Sena: Awesome you guys are all here now.

Lynn: Same to you Sena. Been training really hard?

Sena: You bet I have.

Black Lance: No Jamen Beast?

Juru: Tooth Decay Jamen was one of the monsters who didn't gather enough dark energy

Me: Thank goodness for that. But when I saw Tooth Decay Jamen do all that pain to all those people on TV it really was painful that it made me cringe.

Nico: Yeah no kidding.

Juru: That was painful.

Me: Yeah. Also we owe you guys big time for helping us out during the Zenkaigers mission and for meeting the Dino Squad.

Juru: Think nothing of it.

Sayo: That was so awesome that we got to help you all out.
